Re: Casa De Las Campanas/City of San Diego Use and Occupancy Permit; Exercise of
Option to Extend

Dear Ross:

As you know, we represent, Casa De Las Campanas ("Casa") regarding the City of San Diego Use and Occupancy Permit entered into between Casa and the City of San Diego effective April 1, 2017 (the "Permit"). The initial Term of the Permit commenced April 1, 2017 and expired on September 30, 2018. Section 1.7 of the Permit provides Casa with three options to extend the Term, each for a period of six (6) months. By letter dated August 29, 2018, Casa exercised its first six-month option to extend the Term until March 31, 2019. By this letter, Casa exercises its second six-month option to extend the Term. The second extended Term will end on September 30, 2019. All terms capitalized in this letter and not defined herein have the meanings ascribed to them in the Permit.

Very truly yours,

Cynthia L. Eldred, Esq.
