Discretionary action includes without limitation re-zonings, variances, environmental clearances, and all other required governmental approvals.
 5. **CITY'S Consent, Discretion.** CITY's consent or approval under this Permit shall mean the written consent or approval of CITY's Mayor, or his or her designee ("Mayor"), unless otherwise expressly provided herein or required by law. CITY's discretionary acts hereunder shall be made in the Mayor's discretion, unless otherwise expressly provided or required by law.
 6. **Term.** The Term may be extended by agreement of the parties; however, the Term shall not exceed three (3) years unless authorized by the San Diego City Council.
 7. **Revocable License.** This Permit is not a lease. It is a non-exclusive license to use CITY property, and may be revoked at will by CITY, in its sole discretion, upon three (3) days prior written notice delivered to PERMITTEE.  - 7.1 **PERMITTEE's Waiver.** PERMITTEE expressly waives any claim against CITY and its elected officials, officers, employees, representatives and agents for any burden, expense or loss which PERMITTEE incurs as a result of CITY's revocation or termination of this Permit.
 8. **No Holdover.** If PERMITTEE continues to occupy the Permit Area after the expiration or earlier termination of this Permit, such occupancy shall neither constitute a renewal or extension of this Permit, nor give PERMITTEE any rights in or to the Permit Area.
 9. **Termination.** PERMITTEE may terminate this Permit for any reason upon fifteen (15) days prior written notice.

10. Restore and Vacate. Except as otherwise provided in this Permit, prior to the expiration or as soon as practicable after termination of this Permit, PERMITTEE shall restore the Permit Area to its condition on the Effective Date, normal wear and tear excepted.

PERMITTEE shall provide proof of continuing insurance at least annually during the Term. If insurance lapses or is discontinued for any reason, PERMITTEE shall immediately notify CITY and obtain replacement insurance as soon as possible.
 - f. Modification. To assure protection from and against the kind and extent of risk existing with the Permit Use or the Permit Area, CITY, at its discretion, may require the revision of amounts and coverage at any time during the Term by giving PERMITTEE thirty (30) days prior written notice. PERMITTEE shall also obtain any additional insurance required by CITY for new improvements, changed circumstances, or CITY'S reasonable re-evaluation of risk levels related to the Permit Use or the Permit Area.
 - g. Accident Reports. PERMITTEE shall immediately report to CITY any accident causing property damage or injury to persons and related to the Permit Use or the Permit Area. PERMITTEE shall protect, defend, indemnify, and hold CITY and its elected officials, officers, employees, representatives, and agents harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to PERMITTEE'S officers, employees, invitees, guests, agents, or contractors, which arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE'S occupancy, use, development, maintenance or restoration of the Permit Area, and all expenses of investigating and defending against same, including without limitation attorney fees and costs; provided, however, that PERMITTEE'S duty to indemnify and hold harmless shall not include any established liability arising from the gross negligence, recklessness, or

intentional misconduct of CITY and its elected officials, officers, employees, representatives, and agents. CITY may, at its election, conduct the defense or participate in the defense of any claim related in any way to this indemnification. If CITY chooses at its own election to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification, PERMITTEE shall pay all of the costs related thereto, including without limitation reasonable attorney fees and costs.

20. No Discrimination. PERMITTEE shall not discriminate in any manner against any person on account of race, color, religion, gender, sexual orientation, medical status, national origin, age, marital status, or disability in PERMITTEE'S use of the Permit Area, including without limitation the provision of goods, services, facilities, privileges, advantages, and accommodations, and the hiring of employees and contractors.
21. Local Business and Employment. PERMITTEE acknowledges that CITY seeks to promote employment and business opportunities for local residents and firms in all CITY contracts. For work associated with this Permit and to the extent legally possible, PERMITTEE shall use its best efforts to solicit applications for employment and bids and proposals for contracts from local residents and firms as opportunities occur. PERMITTEE shall use its best efforts to hire qualified local residents and firms whenever practicable.

PERMITTEE shall include in each of its sublicenses and contracts related to this Permit language obligating each sub-licensee and contractor to comply with the provisions of this section to maintain a drug-free workplace. PERMITTEE, and each of its sub-licensees and contractors, shall be individually responsible for their own

drug-free workplace program.

23. Disabled Access Compliance. PERMITTEE shall comply with Title 24 of the California Code of Regulations (i.e. the "Building Code") as defined in Title 24 of the California Health and Safety Code); the Americans with Disabilities Act of 1990 ("ADA"); and any other applicable state and federal laws and regulations enacted protecting the rights of people with disabilities. PERMITTEE's compliance shall include without limitation the following:

- a. PERMITTEE shall not discriminate against qualified persons with disabilities in any aspects of employment, including recruitment, hiring, promotions, conditions and privileges of employment, training, compensation, benefits, discipline, layoffs and termination of employment.
- b. No qualified individual with a disability may be excluded on the basis of disability from participation in, or be denied the benefits of, services, programs or activities of PERMITTEE;
- c. PERMITTEE shall post a statement addressing the requirements of the ADA in a prominent place at the work site;

- e. PERMITTEE shall include language in each sublicense agreement to abide by the foregoing provisions.

PERMITTEE and each of its sublicensees shall be individually responsible for their own ADA compliance program. PERMITTEE's failure to comply with the above requirement to abide by the foregoing provisions.

24. PERMITTEE'S Risk. PERMITTEE shall bear all risks and liability arising out of or in any manner directly or indirectly connected with PERMITTEE'S occupancy, use, development maintenance and restoration of the Permit Area and any damages to the improvements on, under, or in the vicinity of the Permit Area resulting directly or indirectly thereby.

25. No Nuisance. PERMITTEE shall not use the Permit Area in any manner which creates a nuisance or unreasonably disturbs the quiet enjoyment of persons in and to the surrounding area.

26. Assignment and Sublicense. PERMITTEE shall not assign or sublicense any rights granted by this Permit or any interest in this Permit without CITY'S prior written consent, which may be unreasonably withheld or delayed in CITY'S sole and absolute discretion. Any assignment by operation of law shall automatically terminate this Permit.

27. Signs. PERMITTEE shall not erect or display any banners, pennants, flags, posters, signs, decorations, marquees, awnings or similar devices or advertising without CITY'S prior written consent. If any such unauthorized item is found on the Permit Area, PERMITTEE shall remove the item at its expense within twenty-four (24) hours after notice by CITY, or CITY may thereafter remove the item at PERMITTEE'S cost.
28. Encumbrances. PERMITTEE shall keep the Permit Area and any CITY-owned property of which the Permit Area is a part free from all encumbrances and liens of any nature which arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE'S occupancy, use, development, maintenance or restoration of the Permit Area. PERMITTEE shall protect, defend, indemnify, and hold CITY harmless from and against any and all such encumbrances and/or liens, and from and against any claim, liability, cost or expense, including without limitation all attorney fees and costs, relating to or charged against the Permit Area, including without limitation PERMITTEE'S failure or the failure of any contractor or subcontractor hired by PERMITTEE to pay any person or persons entitled to lien or encumber the Property pursuant to the California Civil Code.
29. Compliance with Laws. PERMITTEE shall, at its sole cost and expense, comply with all the requirements of all rules, regulations, ordinances, laws and direction of governing authorities now in effect or which may hereafter be in effect, which pertain to PERMITTEE'S occupancy, use, development, maintenance and restoration of the Permit Area.
30. Taxes. PERMITTEE shall pay, before delinquency, all taxes, assessments, and fees assessed or levied upon PERMITTEE or the Permit Area, including the land, any buildings, structures, machinery, equipment, appliances, or other improvements or property of any nature whatsoever erected, installed, or maintained by PERMITTEE, or levied by reason of PERMITTEE'S occupancy, use, development, maintenance or restoration of the Permit Area, including any licenses or permits. PERMITTEE acknowledges that this Permit may create a possessory interest subject to property taxation, and that PERMITTEE may be subject to the payment of taxes levied on that interest. PERMITTEE shall pay all such possessory interest taxes. PERMITTEE'S payment for such taxes, fees, and assessments shall not reduce any payment due CITY.
31. Hazardous Substances. PERMITTEE shall not allow the installation, storage, utilization, generation, sale or release of hazardous or otherwise regulated substances in, on, under, or from the Permit Area. PERMITTEE and PERMITTEE'S agents and contractors shall not install, store, utilize, generate, or sell any hazardous substance on the Permit Area without CITY'S prior written consent. PERMITTEE shall, prior to initiating any operations, obtain all required permits from applicable regulatory agencies, including without limitation the San Diego County Department of Environmental Health, local fire agencies, the San Diego County Department of Weights and Measures, the San Diego County Air Pollution Control District, and the San Diego Regional Water Quality Control Board. Installing, utilizing, storing, or any other presence of a hazardous substance includes boxes, bags, bottles, drums, cylinders, above or below ground tanks, equipment with tanks, or any other type of container, equipment, or device which holds or incorporates a hazardous substance or

hazardous waste.

- 31.1 Release. For all purposes of this Permit, a "release" shall include without limitation any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping or otherwise disposing of a hazardous substance.
- 31.2 Hazardous Substance. For all purposes of this Permit, "hazardous substance" shall mean any substance listed by the Environmental Protection Agency or the State of California as a hazardous substance, and all types of petroleum-related substances and their chemical constituents.
- 31.3 Remediation. If PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area ("PERMITTEE's Operations") results in a release of a hazardous substance or petroleum related substance or its chemical constituents, PERMITTEE shall pay all costs of remediation and removal to the CITY's satisfaction for unrestricted reuse of the Permit Area, and in accordance with all applicable laws, rules and regulations of governmental authorities.
- 31.4 Removal. If PERMITTEE or PERMITTEE's contractor or agent has received approval and permits to store, utilize, generate or install, or otherwise bring hazardous materials or hazardous wastes to the Permit Area, PERMITTEE and/or PERMITTEE's contractor or agent shall remove all hazardous substances and hazardous wastes in any type of container, equipment or device from the Permit Area immediately upon or prior to the expiration or earlier termination of this Permit. CITY reserves the right to conduct inspections of the Permit Area and/or request documentation demonstrating the legal removal and/or disposal of the hazardous materials, wastes or other containers, equipment or devices from the Permit Area. PERMITTEE shall be responsible for any and all costs incurred by CITY to remove any container, equipment or device requiring disposal or removal as required by this provision.
- 31.5 Indemnity. PERMITTEE shall protect, defend, indemnify and hold CITY harmless from any and all claims, costs and expenses related to environmental liabilities resulting from PERMITTEE's Operations, including without limitation: (i) costs of environmental assessments; (ii) costs of regulatory remediation oversight; (iii) costs of remediation and removal; (iv) any necessary CITY response costs; (v) all fines, penalties or fees assessed by any regulatory agency; (vi) damages for injury to natural resources, PERMITTEE's officers, employees, invitees, guests, agents or contractors, or the public; and (vii) all costs of any health assessments or health effect studies.
- 31.6 Notice of Release. If PERMITTEE knows or has reasonable cause to believe that a hazardous substance or petroleum related substance or its chemical constituents has been released on, from or beneath the Permit Area, PERMITTEE shall immediately notify CITY and any appropriate regulatory or reporting agency

pursuant to California Code of Regulations Title 19 and any other applicable laws or regulations. PERMITTEE shall deliver a written report thereof to CITY within three (3) days after receipt of the knowledge or cause for belief and submit any required written reports to regulatory or reporting agencies as required by regulation or law. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent release or is an imminent substantial danger to public health and safety, PERMITTEE shall take all actions necessary to alleviate the danger. PERMITTEE shall immediately notify CITY in writing of any violation, notice to comply, or notice of violation received or the initiation of environmental actions or private suits related to the Permit Area.

- a. Environmental Assessment. Upon reasonable cause to believe that PERMITTEE's Operations resulted in any hazardous substance being released on, from or beneath the Permit Area, CITY may cause an environmental assessment under regulatory oversight of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE's sole cost and expense, and shall establish what, if any, hazardous substances have more likely than not been caused by PERMITTEE's Operations on, in, from or under the Permit Area, and in what quantities. If any such hazardous substances exist in quantities greater than allowed by city, county, state or federal laws, statutes, ordinances or regulations, or require future restricted re-use of the Permit Area, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect unrestricted re-use and in compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, as determined by CITY in its sole discretion, then CITY may cause, the remediation and/or removal recommended in the environmental assessment such that unrestricted re-use of the Permit Area and compliance with environmental laws and regulations are achieved, and PERMITTEE shall pay all costs and expenses therefor.

32. Water Quality Assurances. PERMITTEE shall, at its sole cost and expense, comply with all laws, rules, regulations and direction of competent governmental authority (such as the San Diego Regional Water Quality Control Board) relating to water quality assurance and storm water management. PERMITTEE acknowledges and agrees that such legal requirements may change at any time and from time to time.

- 32.1 NPDES. PERMITTEE shall comply with all applicable requirements of the National Pollutant Discharge Elimination System ("NPDES") permit in force on the Effective Date of this Lease (i.e., Permit No. R9-2013-0001), and any and all amendments thereto and all applicable succeeding NPDES permits.

- 32.2 Stormwater Management. PERMITTEE shall comply with all applicable requirements of the San Diego Municipal Code Chapter 4, Article 3, Division 3:

Stormwater Management and Discharge Control (the "Stormwater Code"), and employ "Best Management Practices," as that term is defined by the Stormwater Code, and as approved by the City of San Diego, in its governmental capacity, under its Stormwater Management Program.

33. Waiver. The property constituting the Permit Area is publicly owned and held in trust for the benefit of CITY'S citizens. CITY'S failure to insist upon the strict performance of any of PERMITTEE'S obligations under this Permit, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect. CITY'S waiver of a default shall not be a waiver of any other default. Any waiver of a default must be in a writing executed by CITY to constitute a valid and binding waiver. CITY'S delay or failure to exercise a right or seek a remedy shall not be deemed a waiver of that or any other right or remedy under this Permit, at law or in equity. The exercise of any particular right or the use of any particular remedy for any default shall not waive the use of any other right or remedy for the same default or for another or later default. CITY'S acceptance of any rents shall not be a waiver of any default preceding the rent payment. CITY'S failure to discover a default or take prompt action to require the cure of any default shall not result in an equitable estoppel, but CITY may at any and all times require the cure of the default.
34. California Public Records Act. CITY shall determine, in its sole discretion, whether information provided by PERMITTEE pursuant to this Permit is or is not a public record subject to disclosure under the California Public Records Act. PERMITTEE shall hold CITY and its elected officials, officers and employees harmless for CITY's disclosure of any such information in response to a request for information under the CPRA.
35. Cumulative Remedies. CITY'S rights and remedies under this Permit are cumulative and shall not limit or otherwise waive or deny any of CITY'S rights or remedies at law or in equity.
36. Survival. Any obligation which accrues under this Permit prior to its expiration or termination shall survive such expiration or termination.
37. Joint and Several Liability. If PERMITTEE is comprised of more than one person or legal entity, such persons and entities, and each of them, shall be jointly and severally liable for the performance of each and every obligation of PERMITTEE under this Permit.
38. No Affiliation. Nothing contained in this Permit shall be deemed or construed to create a partnership, joint venture or other affiliation between CITY and PERMITTEE or between CITY and any other entity or party, or cause CITY to be responsible in any way for the debts or obligations of PERMITTEE or any other party or entity.
39. Entire Agreement. This Permit constitutes the entire agreement between the parties and supersedes any and all prior understandings, representations, warranties and agreements between them pertaining to this Permit and PERMITTEE'S occupancy, use, development, maintenance and restoration of the Permit Area. Any modification, alteration, or

amendment of this Permit shall be in writing and signed by all the parties hereto.

40. Notices. Any notice required or permitted to be given under this Permit shall be in writing and may be served personally or delivered by United States mail, postage prepaid, and addressed to PERMITTEE at PERMITTEE'S Address for Notices, and to CITY as follows:

PERMITTEE accepts the Permit Area in its current condition, and acknowledges and agrees that CITY has fulfilled all obligations it may have had to improve, modify, repair, replace, alter, or otherwise develop the Permit Area prior to the Effective Date.
