- C. Under the terms and conditions of this Permit, CITY will allow PERMITTEE access to the Permit Area for the sole purpose to control pepperweed and tamarisk and for revegetation activity.

NOW, THEREFORE, FOR VALUABLE CONSIDERATION, the sufficiency of which is acknowledged, the parties agree as follows:

- 1. Right to Enter. Subject to the terms and conditions of this Permit, CITY hereby grants permission to PERMITTEE, its employees, agents, contractors, and invitees to enter upon the Permit Area solely for the purpose of invasive plant control and revegetation (the "Permit Use"), and for no other purpose whatsoever.

- 2.2 Notification. 24-hour notice will be given prior to commencement of spraying within 500 feet of the reservoir high water level. Contact Paul Schlitt, 619-527-3938.
- 2.3 Vehicles. All vehicles used in relation to the Permit Use shall remain on existing roadways or designated access routes at all times while conducting the Permit Use.
3. Term. The term of this Permit ("Term") shall commence on **May 1, 2007**, and shall expire on **April 30, 2010**.
4. Revocable License. This Permit is not a lease. It is a non-exclusive license to use the Permit Area, and may be revoked at will by CITY, in its sole discretion. CITY shall not be obligated for any loss, financial or otherwise, which may be incurred by PERMITTEE as a result of such revocation or the termination of this Permit. PERMITTEE expressly waives any claim for expense or loss which PERMITTEE might incur as a result of CITY'S termination of this Permit. CITY may at all times enter upon the Permit Area.
5. Permit Fee. As consideration for this Permit, PERMITTEE shall treat City property for control of pepperweed and tamarisk and revegetate the area. CITY shall not charge PERMITTEE any monetary fee for this Permit.
6. CITY'S Consent, Discretion. Whenever required under this Permit, CITY'S consent or approval shall mean the written consent or approval of the Mayor of San Diego, or his or her designee ("Mayor"), unless otherwise expressly provided. CITY'S discretionary acts hereunder shall be made in the Mayor's discretion, unless otherwise expressly provided.
7. Governmental Approvals. By entering into this Permit, neither CITY nor CITY'S City Council is obligating itself to any other governmental agent, board, commission, or agency with regard to any other discretionary action relating to the Permit Area or PERMITTEE'S use of the Permit Area. Discretionary action includes but is not limited to re-zonings, variances, environmental clearances, or any other governmental agency approvals which may be required for the PERMITTEE'S use of the Permit Area.
8. Hazardous Substances. PERMITTEE shall not allow the installation or release of hazardous substances in, on, under, or from the Permit Area or the City Property. PERMITTEE and PERMITTEE'S agents and contractors shall not store, utilize, or sell any hazardous substance on the Permit Area or the City Property without CITY'S prior written consent. For the purposes of this provision, a release shall include but not be limited to any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leeching, dumping, or otherwise disposing of hazardous substances. "Hazardous substances" shall mean those hazardous substances listed by the Environmental Protection Agency in regularly released reports and any other substances incorporated into the State of California's list of hazardous substances. A copy of the presently effective EPA and the State lists is on file in the Office of the City Clerk as Document 769704 and by this reference is incorporated into this Lease.

- 8.1 Remediation. If PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area results in a release of a hazardous substance, PERMITTEE shall pay all costs of remediation and removal of the hazardous substance in accordance with all applicable laws, rules, and regulations of governmental authorities.
- 8.2 Indemnity. PERMITTEE shall protect, defend, indemnify, and hold CITY harmless from any and all claims, costs, and expenses related to environmental liabilities resulting from PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area, including but not limited to costs of environmental assessments, costs of remediation and removal, any necessary response costs, damages for injury to natural resources or the public, and costs of any health assessment or health effect studies.
- 8.3 Notice of Release. If PERMITTEE knows or has reasonable cause to believe that a hazardous substance has been released on or beneath the Permit Area or the City Property, PERMITTEE shall immediately notify CITY and deliver a written report thereof to CITY within three (3) days of receipt of the knowledge or cause for belief. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent and substantial danger to public health and safety, PERMITTEE shall take all actions necessary to alleviate the danger. PERMITTEE shall notify CITY immediately of any notice of violation received or initiation of environmental actions or private suits related to the Permit Area or the City Property.
- 8.4 Environmental Assessment. Upon reasonable cause to believe that PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area or the City Property ("PERMITTEE'S Operations"), resulted in any hazardous substance being released on or beneath the Permit Area or the City Property, CITY may cause an environmental assessment of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist, or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE'S sole cost and expense, and shall establish what, if any, hazardous substances have more likely than not been caused by PERMITTEE'S Operations on, in, or under the Permit Area or the City Property, and in what quantities. If any such hazardous substances exist in quantities greater than allowed by city, county, state, or federal laws, statutes, ordinances, or regulations, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, CITY may cause, the remediation and/or removal recommended in the environmental assessment such that compliance with environmental law is achieved, and PERMITTEE shall pay all costs and expenses therefor.

9. Noninterference. PERMITTEE shall not interfere with CITY'S use, operations, and activities on the City Property, and PERMITTEE shall use such routes and follow such procedures on the City Property as shall result in the least damage and inconvenience to CITY and other users of the City Property.
10. Property Damage. PERMITTEE shall pay for all damage to the City Property and CITY'S personal property on the City Property, and the personal property of third parties on the City Property resulting from PERMITTEE'S exercise of the rights granted by this Permit. PERMITTEE shall promptly repair and restore to its original condition all such property.
11. Signs. No signs may be displayed on the Permit Area without CITY'S prior written consent.
12. Maintenance of the Permit Area. PERMITTEE shall maintain the Permit Area, at PERMITTEE'S sole cost and expense and to CITY'S satisfaction, in a decent, safe, healthy and sanitary condition.
13. Inspection. CITY may, at any and all times, enter and inspect the Permit Area.
14. Restoration. Immediately upon the expiration or earlier termination of this Permit, PERMITTEE shall promptly remove any and all improvements it installed in, on, under, or above the Permit Area and restore the Permit Area to its original condition, all at PERMITTEE'S sole cost and expense.
15. Indemnification. PERMITTEE shall protect, defend, indemnify, and hold CITY, its elected officials, officers, representatives, agents, and employees harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to PERMITTEE'S officers, employees, agents, contractor's, and invitees, which arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area or the City Property, and all expenses of investigating and defending against same, including without limitation attorney fees and costs; provided, however, that PERMITTEE'S duty to indemnify and hold harmless shall not include any claims or liability arising from the established active negligence, sole negligence, or sole willful misconduct of CITY, its elected officials, officers, representatives, agents and employees. CITY may, at its election, conduct the defense or participate in the defense of any claim related in any way to this indemnification. If CITY chooses at its own election to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification, PERMITTEE shall pay all of the costs related thereto, including without limitation reasonable attorney fees and costs.
16. Taxes. PERMITTEE, alone, shall pay any and all taxes, charges, and use fees levied by any governmental agency against PERMITTEE or against any of the City Property as a result of PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area.

17. Encumbrances. PERMITTEE shall keep the City Property free from all encumbrances and liens of any nature which arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE'S use of the Permit Area. PERMITTEE shall protect, defend, indemnify, and hold CITY harmless from and against any and all such encumbrances and/or liens, and from and against any claim, liability, cost or expense, including without limitation all attorney fees and costs, relating to or charged against the City Property, including without limitation PERMITTEE'S failure or the failure of any contractor or subcontractor hired by PERMITTEE to pay any person or persons referred to in Section 3181 of the California Civil Code or other applicable sections thereof.
18. PERMITTEE'S Risk. PERMITTEE shall bear all risks and liability arising out of or in any manner directly or indirectly connected with PERMITTEE'S use of the Permit Area and any damages to the improvements on, under, or in the vicinity of the City Property resulting directly or indirectly thereby.
19. Insurance. City is aware that the PERMITTEE is self insured. Insurance shall be kept in force at all times during the permit period.
 - 19.1 Accident Reports. PERMITTEE shall report to CITY any accident causing property damage or injury to persons on the Permit Area. Such report shall contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and other pertinent information.
20. Compliance with Law. PERMITTEE shall, at its sole cost and expense, comply with all laws and the requirements of all municipal, state, and federal authorities now in effect or which may hereafter be in effect, which pertain to the Permit Area and PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area or the City Property.
21. No Discrimination. PERMITTEE shall not discriminate in any manner against any person or persons on account of race, color, religion, gender, sexual orientation, medical status, national origin, age, marital status, or physical disability in PERMITTEE'S use of the Permit Area, including but not limited to the providing of goods, services, facilities, privileges, advantages, and accommodations, and the obtaining and holding of employment.
22. Waiver. CITY'S failure to insist upon the strict performance of any of PERMITTEE'S obligations under this Permit, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect. The property constituting the Permit Area is publicly-owned and held in trust for the benefit of CITY'S citizens. CITY'S failure to discover a breach of any obligation of this Permit or to take prompt action to require the cure of any such breach shall not result in an equitable estoppel, but CITY may at any and all times require the cure of any such breach.
23. Survival. Any obligation which accrues under this Permit prior to its expiration or termination shall survive such expiration or termination.

24. Entire Permit. This Permit contains the entire agreement between the parties relating to the rights granted hereby and the obligations assumed herein. No modification of this Permit shall be valid unless in writing and signed by the party to be charged.
25. Legal Proceedings. In the event of any controversy, claim, or dispute relating to this Permit, the prevailing party shall be entitled to recover from the non-prevailing party all reasonable costs and expenses thereof, including without limitation attorney fees and costs.
26. Notices. Any notice, request, payment, demand, or other communication required or permitted to be given under this Permit shall be in writing and deemed received upon personal service, delivery by a reputable overnight service with receipt signature required, or delivery by United States mail, return receipt requested, postage prepaid, and addressed to the parties as follows:
