

CITY OF SAN DIEGO

RIGHT OF ENTRY PERMIT

THIS CITY OF SAN DIEGO RIGHT OF ENTRY PERMIT ("Permit") is entered into by and between THE CITY OF SAN DIEGO, a California municipal corporation ("CITY"), and BILL BRAMMER (PERMITTEE), to be effective November 1, 2012, ("Effective Date") after the Permit has been signed by the parties and approved by the San Diego City Attorney.

RECITALS

- A. CITY is the owner of certain real property ("City Property"), located in the City of San Diego, San Pasqual Valley consisting of an area of approximately 32.7 acres, as shown in EXHIBIT A ("Permit Area"), attached hereto.
- B. Under the terms and conditions of this Permit, CITY will allow PERMITTEE to use the Permit Area for the sole purpose of cultivation of organic row crops and for other related agricultural activities specifically in support of the cultivation of organic row crops.
- C. Nothing in this Permit implies an intention by CITY to enter into a long-term agreement to continue the Permit after the Term of this Permit expires.

NOW, THEREFORE, for valuable consideration, the sufficiency of which is acknowledged, the parties agree as follows:

- 1. Right to Enter. Subject to the terms and conditions of this Permit, CITY hereby grants permission to PERMITTEE, his employees, agents, and contractors to enter upon the Permit Area for the sole purpose of cultivation of organic row crops and related agricultural activities specifically in support of the cultivation of organic row crops, (the "Permit Use"), and for no other purpose whatsoever.
- 2. Use of Permit Area. PERMITTEE may use the Permit Area on a non-exclusive basis solely for the purposes of the Permit Use. PERMITTEE shall obtain all required permits and comply with all applicable laws, rules, and regulations related to the Permit Use.
- 3. Term. The term of this Permit ("Term") shall commence on the Effective Date of November 1, 2012, and shall terminate on or before October 31, 2015.
- 4. Permit Termination. Upon termination of this Permit the PERMITTEE shall remove from the Permit Area all personal property. PERMITTEE shall leave the Permit Area clean and empty of all debris.
- 5. Rent. Annual rent will be \$13,897.50 (\$425.00 per acre per year) and invoiced quarterly in advance at \$3,474.38 commencing November 1, 2012.

6. Late Fee. PERMITTEE fails to pay the rent when due, PERMITTEE will pay, in addition to the unpaid rents, five percent (5%) of the delinquent rent. If the rent is still unpaid at the end of fifteen (15) days, PERMITTEE shall pay an additional ten percent (10%) [being a total of fifteen percent (15%).
7. Processing Fee. The \$600.00 processing fee is waived. The PERMITTEE monitoring and fencing of CITY property saves the CITY money and serves public benefit compared to hiring out monitoring for this CITY property.
8. Revocable Permit. This Permit is not a lease. It is a non-exclusive personal license to PERMITTEE for a specific use of the Permit Area, and may be revoked with a 180 days written notice by CITY, in its sole discretion. PERMITTEE shall not transfer, assign, or convey this Permit, and this Permit shall automatically terminate upon any such transfer, assignment, or conveyance. CITY shall not be obligated for any loss, financial or otherwise, which may be incurred by PERMITTEE as a result of such revocation or the termination of this Permit. **PERMITTEE expressly waives any claim for expense or loss which PERMITTEE might incur as a result of CITY'S termination of this Permit.** CITY may at all times enter upon the Permit Area.
9. CITY'S Consent, Discretion. Whenever required under this Permit, CITY'S consent or approval shall mean the written consent or approval of the Mayor of San Diego, or his or her designee ("Mayor"), unless otherwise expressly provided.
10. Governmental Approvals. By entering into this Permit, neither CITY nor CITY'S City Council is obligating itself to PERMITTEE or any other governmental agent, board, commission, or agency with regard to any other discretionary action relating to the Permit Area or PERMITTEE'S use of the Permit Area. Discretionary action includes but is not limited to re-zonings, variances, environmental clearances, or any other governmental agency approvals which may be required for the PERMITTEE'S use of the Permit Area.
11. Hazardous Substances. PERMITTEE shall not allow the installation or release of hazardous substances in, on, under, or from the Permit Area. PERMITTEE and PERMITTEE'S agents and contractors shall not store, utilize, or sell any hazardous substance on the Permit Area without CITY'S prior written consent. For the purposes of this provision, a release shall include but not be limited to any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leeching, dumping, or otherwise disposing of hazardous substances. "Hazardous substances" shall mean those hazardous substances listed by the Environmental Protection Agency in regularly released reports and any other substances incorporated into the State of California's list of hazardous substances. A copy of the presently effective EPA and the State lists is on file in the Office of the City Clerk as Document 769704 and by this reference is incorporated into this Permit.
 - 11.1 Remediation. If PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area results in a release of a hazardous substance,

PERMITTEE shall pay all costs of remediation and removal of the hazardous substance in accordance with all applicable laws, rules, and regulations of governmental authorities.

11.2 Indemnity. PERMITTEE shall protect, defend, indemnify, and hold CITY harmless from any and all claims, costs, and expenses related to environmental liabilities resulting from PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area, including but not limited to costs of environmental assessments, costs of remediation and removal, any necessary response costs, damages for injury to natural resources or the public, and costs of any health assessment or health effect studies.

11.3 Notice of Release. If PERMITTEE knows or has reasonable cause to believe that a hazardous substance has been released on or beneath the Permit Area, PERMITTEE shall immediately notify CITY and deliver a written report thereof to CITY within three (3) days of receipt of the knowledge or cause for belief. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent and substantial danger to public health and safety, PERMITTEE shall take all actions necessary to alleviate the danger. PERMITTEE shall notify CITY immediately of any notice of violation received or initiation of environmental actions or private suits related to the Permit Area.

11.4 Environmental Assessment. Upon reasonable cause to believe that PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area ("PERMITTEE'S Operations"), resulted in any hazardous substance being released on or beneath the Permit Area, CITY may cause an environmental assessment of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist, or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE'S sole cost and expense, and shall establish what, if any, hazardous substances have more likely than not been caused by PERMITTEE'S Operations on, in, or under the Permit Area, and in what quantities. If any such hazardous substances exist in quantities greater than allowed by city, county, state, or federal laws, statutes, ordinances, or regulations, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, CITY may cause, the remediation and/or removal recommended in the environmental assessment such that compliance with all laws, statutes, ordinances, and regulations is achieved, and PERMITTEE shall pay all costs and expenses therefor.

12. Noninterference. PERMITTEE shall not materially interfere with CITY'S use, operations, and activities on the Permit Area, and PERMITTEE shall use such means of ingress and egress and follow such procedures on the Permit Area as shall result in

the least damage to the Permit Area and/or inconvenience to CITY and other users of the Permit Area.

13. Property Damage. PERMITTEE shall pay for all damage to the Permit Area, CITY'S personal property on the Permit Area, and the personal property of third parties on the Permit Area resulting from PERMITTEE'S exercise of the rights granted by this Permit, including without limitation soil erosion, subsidence, or damage resulting thereby. PERMITTEE shall promptly repair and restore to its original condition all such property.
14. Indemnification. PERMITTEE shall protect, defend, indemnify, and hold CITY and its elected officials, officers, employees, representatives, and agents harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to PERMITTEE'S officers, employees, invitees, guests, agents, or contractors, which arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE'S occupancy, use, development, maintenance or restoration of the Permit Area, and all expenses of investigating and defending against same, including without limitation attorney fees and costs; provided, however, that PERMITTEE'S duty to indemnify and hold harmless shall not include any claims or liability arising from the established sole gross negligence or willful misconduct of CITY and its elected officials, officers, employees, representatives, and agents. CITY may, at its election, conduct the defense or participate in the defense of any claim related in any way to this indemnification. If CITY chooses at its own election to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification, PERMITTEE shall pay all of the costs related thereto, including without limitation reasonable attorney fees and costs.
15. PERMITTEE'S Risk. PERMITTEE shall bear all risks and liability arising out of or in any manner directly or indirectly connected with PERMITTEE'S use of the Permit Area and any damages to the improvements on, under, or in the vicinity of the Permit Area resulting directly or indirectly thereby.
16. Taxes. PERMITTEE, alone, shall pay any and all taxes, charges, and use fees levied by any governmental agency against PERMITTEE or against any of the Permit Area as a result of PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area.
17. Encumbrances. PERMITTEE shall keep the Permit Area free from all encumbrances and liens of any nature which arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE'S use of the Permit Area. PERMITTEE shall protect, defend, indemnify, and hold CITY and its elected officials, officers, employees, representatives, and agents harmless from and against any and all such encumbrances and/or liens, and from and against any claim, liability, cost or expense, including without limitation all attorney fees and costs, relating to or charged against the Permit Area, including without limitation PERMITTEE'S failure or the failure of

any contractor or subcontractor hired by PERMITTEE to pay any person or persons entitled to encumber or lien the Permit Area pursuant to the California Civil Code.

18. No Discrimination. PERMITTEE shall not discriminate in any manner against any person or persons on account of race, color, religion, gender, sexual orientation, medical status, national origin, age, marital status, or disability in PERMITTEE'S use of the Permit Area, including but not limited to the providing of goods, services, facilities, privileges, advantages, and accommodations, and the obtaining and holding of employment.
19. Insurance. PERMITTEE shall deliver to CITY'S Real Estate Assets Department a current certificate of insurance for:
 - a. Commercial General Liability Insurance, providing coverage for bodily injury, including death, personal injury, and property damage with limits of at least Two Million Dollars (\$2,000,000) per occurrence, subject to an annual aggregate of at least Four Million Dollars (\$4,000,000);

All insurance required by the terms of this Permit must be provided by insurers licensed to do business in the State of California which are rated at least "A-, VI" by the current AM Best Ratings Guide and which are acceptable to CITY. Non-admitted surplus lines insurers may be accepted provided they are included on the most recent list of California eligible surplus lines insurers (LESLI list) and otherwise meet CITY requirements.

- 19.4 Deductibles/Retentions. All deductibles and self-insured retentions on any insurance policy are the sole responsibility of PERMITTEE and must be disclosed and acceptable to CITY at the time evidence of insurance is provided.
- 19.5 Continuity of Coverage. All policies shall be in effect on or before the first day of the Term, except "course of construction fire insurance" shall be in force on commencement of all authorized construction, and full applicable fire insurance coverage shall be effective upon completion of each insurable improvement. The policies shall be kept in force for the duration of the Term. At least thirty (30) days prior to the expiration of each insurance policy, PERMITTEE shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the requirements of this Permit. Such report shall contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and other pertinent information.
- 19.8 Causes of Loss - Special Form Property Insurance. PERMITTEE shall obtain and maintain, at its sole cost, Causes of Loss - Special Form Property Insurance on all of PERMITTEE'S insurable property related to the Permit Use or the Permit Area in an amount to cover 100 percent (100%) of the replacement cost. PERMITTEE shall deliver to CITY a certificate of such insurance.
20. Compliance with Law. PERMITTEE shall, at his sole cost and expense, comply with all laws and the requirements of all municipal, state, and federal authorities now in effect or which may hereafter be in effect, which pertain to the Permit Area and PERMITTEE'S Operations on the Permit Area

21. Competent Management. For the Term of this Permit, PERMITTEE shall provide competent management of the Permit Area to the satisfaction of the Mayor. For the purposes of this paragraph, “competent management” shall mean demonstrated ability in the management and operation of grazing and pasture lands, using sustainable agricultural and best management practices whenever possible and related activities in a fiscally responsible manner.
22. Water Rights. CITY reserves all of its right, title and interest in and to the water on and under the Permit Area. There is hereby reserved to CITY, and PERMITTEE herein expressly agrees, that CITY shall have the right throughout the Permit Term to divert, impound, store and transport by means of dams, reservoirs, or by pumping any and all water, both surface and underground, which flows over, under or across the Permit Area, together with the right to divert, inject, spread or percolate water in or through the soils beneath the surface of the Permit Area. Nothing in this Permit shall result in the transfer of the CITY’S rights, title or interest in the water on the Permit Area to any other person or entity.
23. Payment for Right to Use Water. PERMITTEE has the right to pump and use water from well(s) servicing the Permit Area, solely for the Permit Uses. PERMITTEE agrees to be responsible for all costs associated with underground water pumped from well(s), including all electrical, plumbing, and mechanical costs for extracting, storing, and distributing water. However, if in the opinion of the Mayor an additional charge for water is deemed warranted for underground water pumped from wells, the CITY shall notice PERMITTEE six months prior to implementation of the additional charge for water. The additional charge for water shall be a percentage of the cost of untreated water and will be determined solely by the Mayor who shall have the right to periodically adjust the charge upward or downward to reflect changes in the cost of untreated water as determined by the CITY’S Public Utilities Department
24. Water Payment Formula. The cost for the actual water will be the San Diego County Water Authority (CWA) raw water cost to the CITY, and take into consideration credit for water pumping cost, infrastructure costs related to the well, water returned to groundwater, and water quality as determined by City Public Utilities Department. Pumping cost shall be the utility cost to bring the water to the well head at 40-60 pounds per square inch (PSI). Infrastructure cost is the cost of maintaining the pump and well. Water quality relates to the quality of water, location in the valley, and utilization by any of the Permit Uses.
25. PERMITTEE Responsibility for Preserving Environmental, Historical and Cultural Resource Sites. PERMITTEE understands and agrees that, in connection with the establishment of the San Dieguito River Valley Park trail system, sensitive resource sites as well as environmental, historical, and cultural resources may be identified along the proposed trail system or elsewhere on the Permit Area. PERMITTEE agrees that it shall be responsible for protecting such sites and resources to the

extent reasonably feasible and, if required by CITY, would include fencing of individual sites and resources. However, if additional measures beyond fencing for protecting a site or resource are required, the installation and maintenance costs involved shall be the sole responsibility of CITY or another public agency or body charged with operating and/or maintaining the San Dieguito River Valley Park trail system.

26. Signs. Only signs designating "Brammer Farms," "City of San Diego," "No Trespassing," and "No Hunting" are permitted, unless pre-approved in writing by the Mayor.
27. Maintenance of the Permit Area. PERMITTEE shall maintain the Permit Area, at PERMITTEE'S sole cost and expense to CITY'S satisfaction, in a decent, safe, healthy and sanitary condition. PERMITTEE is responsible using best efforts to deter unauthorized, illegal, or unwanted activities from the Permit Area, including but not limited to off-highway vehicle trespassing, encroachment, and trash dumping.
28. Inspection. CITY may, at any and all times, enter and inspect the Permit Area.
29. Waiver. CITY'S failure to insist upon the strict performance of any of PERMITTEE'S obligations under this Permit, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect. The property constituting the Permit Area is publicly-owned and held in trust for the benefit of CITY'S citizens. CITY'S failure to discover a breach of any obligation of this Permit or to take prompt action to require the cure of any such breach shall not result in an equitable estoppel, but CITY may at any and all times require the cure of any such breach.
30. Survival. Any obligation which accrues under this Permit prior to its expiration or termination shall survive such expiration or termination.
31. Entire Permit. This Permit contains the entire agreement between the parties relating to the rights granted hereby and the obligations assumed herein. No modification of this Permit shall be valid unless in writing and signed by all parties.
