- 2.13. Signs. LICENSEE shall not display any banner, pennant, flag, poster, sign, decoration, awning, or similar advertising on the Premises. If any such unauthorized item remains on the PREMISES twenty-four hours after CITY's request to remove, CITY may thereafter remove the item at LICENSEE's cost.
- 2.14. Entry and Inspection. CITY reserves the right to enter and inspect the PREMISES at any time, without notice, so long as LICENSEE's conduct of business is not interrupted.
- 2.15. Insurance. LICENSEE shall procure and maintain for the duration of this AGREEMENT insurance against claims for injuries to persons or damages to property which may arise from or in connection with the use, occupancy and maintenance of the PREMISES.
- a. MINIMUM SCOPE AND LIMIT OF INSURANCE
Coverage shall be at least as broad as:
- i. Commercial General Liability (CGL). Insurance Services Office Form CG 00 01 covering CGL on an "occurrence" basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits no less than \$2,000,000 per occurrence. If a

general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.

- ii. Workers' Compensation. Insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.
- iii. Property Insurance against all risk of loss to any tenant improvements or betterments, at full replacement cost with no coinsurance penalty provision.

If LICENSEE maintains broader coverage and/or higher limits than the minimums shown above, CITY requires and shall be entitled to the broader coverage and/or the higher limits maintained by LICENSEE. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to CITY.

- b. OTHER INSURANCE PROVISIONS. The insurance policies are to contain, or be endorsed to contain, the following provisions:
 - i. Additional Insured Status. The City of San Diego, Calico, LLC and Catitude, LLC, their officers, officials, employees and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of LICENSEE including materials, parts or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Licensee insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 if a later edition is used).
 - ii. Primary Coverage For any claims related to this AGREEMENT, LICENSEE's insurance coverage shall be primary coverage at least as broad as ISO CG 20 01 04 13 as respects CITY, Calico, LLC and Catitude, LLC, their officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by CITY, Calico, LLC, and Catitude, LLC, their officers, officials, employees, or volunteers shall be excess of LICENSEE's insurance and shall not contribute with it.
 - iii. Certificate Holders. The City of San Diego, c/o Real Estate Assets Department, 1200 Third Avenue, Suite 1700, San Diego, CA 92101 and Calico, LLC and Catitude, LLC, 16945 Camino San Bernardo, San Diego, CA 92127.
 - iv. Notice of Cancellation. Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to CITY.

- v. **Waiver of Subrogation.** LICENSEE hereby grants to CITY a waiver of any right to subrogation which any insurer of said LICENSEE may acquire against CITY by virtue of the payment of any loss under such insurance. LICENSEE agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not CITY has received a waiver of subrogation endorsement from the insurer.
 - c. **Self-Insured Retentions.** Self-insured retentions must be declared to and approved by CITY. CITY may require LICENSEE to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or CITY.
 - d. **Acceptability of Insurers.** Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to CITY.
 - e. **Verification of Coverage.** LICENSEE shall furnish CITY with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this clause) and a copy of the Declarations and Endorsements Page of the CGL policy listing all policy endorsements to City before occupying the premises. However, the failure to obtain the required documents prior to the work beginning shall not waive the LICENSEE's obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
 - f. **Special Risks or Circumstances.** CITY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
 - g. **Additional Insurance.** LICENSEE may obtain additional insurance not required by this AGREEMENT.
 - h. **Excess Insurance.** All policies providing excess coverage to CITY shall follow the form of the primary policy or policies including but not limited to all endorsements.
- 2.16. **Indemnification.** LICENSEE shall protect, defend, indemnify, and hold CITY and its elected officials, officers, employees, representatives, and agents harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to LICENSEE's officers, employees, invitees, guests, agents, or contractors, which arise out of or are in any manner directly or indirectly connected with this AGREEMENT or LICENSEE's occupancy, use or maintenance of

the PREMISES, and all expenses of investigating and defending against same, including without limitation attorney fees and costs; provided, however, that LICENSEE's duty to indemnify and hold harmless shall not include any established liability arising from the sole negligence or willful misconduct of CITY and its elected officials, officers, employees, representatives, and agents. CITY may, at its election, conduct the defense or participate in the defense of any claim related in any way to this indemnification. If CITY chooses at its own election to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification, LICENSEE shall pay all reasonable costs related thereto, including without limitation reasonable attorney fees and costs.

- 2.17. LICENSEE's Risk and Accident Reports. LICENSEE shall bear all risks and liability arising out of or in any manner directly connected with the LICENSEE's occupancy, use and maintenance of the PREMISES, and any damages to CITY improvements and property on, under, or in the vicinity of the PREMISES. LICENSEE shall immediately report to CITY any accident causing property damage or injury to persons and related to the LICENSE USE or the PREMISES. Such report shall contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and other pertinent information.
- 2.18. Unauthorized Uses. The PREMISES shall not be used to engage in activities other than those authorized by LICENSE USE. Use of CITY-provided resources shall be limited to necessary and reasonable use related to LICENSE USE, as authorized by this AGREEMENT. Any activities carried out on at PREMISES beyond those authorized by LICENSE USE may be treated by CITY as a material breach of this AGREEMENT.
- 2.19. Termination Rights
- a. CITY's Right to Terminate for Convenience. CITY may, at its sole option and for its convenience, terminate this AGREEMENT, and as further set forth in Section 2.5, above.
 - b. LICENSEE'S Right to Terminate for Convenience. LICENSEE may terminate this AGREEMENT for convenience by giving notice as provided for in Section 2.19 (below). The termination of this Agreement shall be effective 30 calendar days after receipt of the notice by the CITY.
 - c. LICENSEE'S Remedy for Construction Related Disturbances. LICENSEE acknowledges if construction interferes with their ability to use the Premises or parking, their sole remedy is to terminate the License Agreement, and the City shall have no liability as a result of that interference.
- 2.20. Notice. In all cases where written notice is required under this AGREEMENT, service of such notice shall be deemed sufficient if the notice is deposited in the United States mail, postage prepaid. Proper notice shall be effective on the date it is mailed, unless otherwise provided in this AGREEMENT.

- 2.21. No Affiliation. This AGREEMENT is between independent entities. Nothing in this AGREEMENT is intended to create the relationship of agent, servant, employee, partnership, joint venture, or association. Any provisions in the AGREEMENT that may appear to give CITY any right to direct the LICENSEE concerning the details of performance, or to exercise any control over such performance, shall mean only that LICENSEE shall follow the direction of CITY concerning the LICENSE USE.
- 2.22. Hazardous Materials. LICENSEE shall not allow the illegal installation, storage, utilization, generation, sale or release of any Hazardous Substance or otherwise regulated substances in, on, under or from the PREMISES by any of LICENSEE's officers, employees, agents, contractors, invitees and guests. LICENSEE and LICENSEE's officers, employees, agents, contractors, invitees and guests shall not install, store, utilize, generate or sell any Hazardous Substance on the PREMISES without CITY's prior written consent. LICENSEE shall, prior to initiating any operations, obtain all required permits from applicable regulatory agencies, including without limitation the San Diego County Department of Environmental Health, local fire agencies, the San Diego County Department of Weights and Measures, the San Diego County Air Pollution Control District, and the San Diego Regional Water Quality Control Board. Installing, utilizing, storing, or any other presence of a Hazardous Substance includes boxes, bags, bottles, drums, cylinders, above or below ground tanks, equipment with tanks, or any other type of container, equipment or device which holds or incorporates a Hazardous Substance or hazardous waste.
- a. Release. For all purposes of this AGREEMENT, a "release" shall include without limitation any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping or otherwise disposing of a Hazardous Substance.
- b. Hazardous Substance. For all purposes of this AGREEMENT, "Hazardous Substance" shall mean any substance listed by the Environmental Protection Agency or the State of California as a hazardous substance, and all types of petroleum-related substances and their chemical constituents.

- c. Remediation. If LICENSEE's occupancy, use, development, maintenance, or restoration of the PREMISES results in a release of a Hazardous Substance, LICENSEE shall pay all costs of remediation and removal to the CITY's satisfaction for unrestricted reuse of the PREMISES, and in accordance with all applicable laws, rules, and regulations of governmental authorities.
- d. Removal. If LICENSEE or LICENSEE's officers, employees, agents, contractors, invitees and guests has received approval and permits to store, utilize, generate or install, or otherwise bring Hazardous Substances to the PREMISES, LICENSEE shall remove all Hazardous Substances in any type of container, equipment or device from the PREMISES immediately upon or prior to the expiration or earlier termination of this AGREEMENT. CITY reserves the right to conduct inspections of the PREMISES and/or request documentation demonstrating the legal removal and/or disposal of the hazardous materials, wastes or other containers, equipment or devices from the PREMISES. LICENSEE shall be responsible for any and all costs incurred by CITY to remove any container, equipment or device requiring disposal or removal as required by this provision.
- e. Indemnity. LICENSEE shall protect, defend, indemnify, and hold CITY harmless from any and all claims, costs, and expenses related to environmental liabilities resulting from LICENSEE's occupancy, use, development, maintenance, or restoration of the PREMISES, including without limitation: (i) costs of environmental assessments; (ii) costs of regulatory remediation oversight; (iii) costs of remediation and removal; (iv) any necessary CITY response costs; (v) all fines, penalties or fees assessed by any regulatory agency; (vi) damages for injury to natural resources, LICENSEE's officers, employees, invitees, guests, agents or contractors, or the public; and (vii) all costs of any health assessments or health effect studies.
- f. Notice of Release. If LICENSEE knows or has reasonable cause to believe that a Hazardous Substance has been released on, from or beneath the PREMISES, LICENSEE shall immediately notify CITY and any appropriate regulatory or reporting agency pursuant to California Code of Regulations Title 19 and any other applicable laws or regulations. LICENSEE shall deliver a written report thereof to CITY within three (3) days after receipt of the knowledge or cause for belief and submit any required written reports to regulatory or reporting agencies as required by regulation or law. If LICENSEE knows or has reasonable cause to believe that such substance is an imminent release or is an imminent substantial danger to public health and safety, LICENSEE shall take all actions necessary to alleviate the danger. LICENSEE shall immediately notify CITY in writing of any violation, notice to comply, or notice of violation received or the initiation of environmental actions or private suits related to the PREMISES.
- g. Environmental Assessment. Upon reasonable cause to believe that LICENSEE's occupancy, use, development, maintenance, or restoration of the PREMISES resulted in any Hazardous Substance being released on, from or beneath the PREMISES, CITY may cause an environmental assessment under regulatory

oversight of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist or Registered Civil Engineer. The environmental assessment shall be obtained at LICENSEE's sole cost and expense, and shall establish what, if any, Hazardous Substances have more likely than not been caused by LICENSEE's occupancy, use, development, maintenance, or restoration of the PREMISES, and in what quantities. If any such Hazardous Substances exist in quantities greater than allowed by CITY, county, state or federal laws, statutes, ordinances or regulations, or require future restricted re-use of the PREMISES, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect unrestricted re-use and in compliance with those laws or statutes, and estimates of the cost of such remediation or removal. LICENSEE shall cause, or if LICENSEE fails to do so within a reasonable period of time, as determined by CITY in its sole discretion, then CITY may cause, the remediation and/or removal recommended in the environmental assessment such that unrestricted re-use of the PREMISES and compliance with environmental laws and regulations are achieved, and LICENSEE shall pay all costs and expenses therefor.

- 2.23. Storm Water Pollution Prevention Program. CITY and LICENSEE are committed to the implementation of controls (best management practices, or BMPs) to manage activities on the PREMISES in a manner which aids in the protection of City's precious water resources. It is LICENSEE's responsibility to identify and implement an effective combination of BMPs so as not to cause pollutant discharges to the storm drain system in violation of San Diego Storm Water Management and Discharge Control Ordinance (San Diego Municipal Code sections 43.0301 to 43.0312).

Therefore, LICENSEE will, at a minimum, implement and comply, as applicable, with the Minimum Industrial and Commercial BMPs adopted under the San Diego Municipal Code section 43.0307(a).

It is ultimately LICENSEE's responsibility to prevent pollutant discharges to the storm drain system. Therefore, LICENSEE will identify and implement any additional BMPs that may be required to avoid the discharge of pollutants to the storm drain system.

- 2.24. Severability. The unenforceability, invalidity, or illegality of any provision of this AGREEMENT shall not render any other provision of this AGREEMENT unenforceable, invalid, or illegal.
- 2.25. Cumulative Remedies. CITY's rights and remedies under this AGREEMENT are cumulative and shall not limit or otherwise waive or deny any of CITY's rights or remedies at law or in equity.
- 2.26. Survival. Any obligation which accrues under this AGREEMENT prior to its expiration or termination shall survive such expiration or termination.

- 2.27. Exhibits Incorporated. All Exhibits referenced in this AGREEMENT are incorporated into this AGREEMENT by this reference.
- 2.28. Acceptance of PREMISES. By signing this AGREEMENT, LICENSEE represents and warrants that it has independently inspected the PREMISES and made all tests, investigations and observations necessary to satisfy itself as to the condition of the PREMISES and its suitability for the LICENSE USE. LICENSEE further represents and warrants that it is not relying on any representation by CITY as to the condition of the PREMISES or its suitability for the LICENSE USE, and that LICENSEE is relying solely on its own and independent inspections, tests, investigations and observations of the PREMISES in entering into this AGREEMENT. LICENSEE accepts the PREMISES in its current condition. LICENSEE acknowledges and agrees that unless set forth in this AGREEMENT, CITY has no obligation to improve, modify, repair, replace, alter, secure, or otherwise develop the PREMISES at any time either prior to, on or after the EFFECTIVE DATE. LICENSEE shall not hold CITY responsible for any defects in the PREMISES. LICENSEE accepts and assumes all risk of harm to all persons and property from any defects in the PREMISES or any improvements thereon and shall be solely responsible therefor.
- 2.29. Entire Agreement. As of the EFFECTIVE DATE of this AGREEMENT, this AGREEMENT supersedes all previous Agreements between the parties relating to LICENSEE's use of the PREMISES and constitutes the entire agreement between the parties. Any modification, alteration, or amendment of this AGREEMENT shall be in writing and signed by all the parties hereto.
- 2.30. Applicable Law, Venue, and Jurisdiction. This AGREEMENT shall be governed by and construed in accordance with California law. Any action by a party to this AGREEMENT to enforce or interpret its terms shall be maintained in the San Diego County Superior Court or the Federal District Court for the Southern District of California.
- 2.31. Authority to Contract. Each individual executing this AGREEMENT on behalf of another person or legal entity represents and warrants that he/she is authorized to execute and deliver this AGREEMENT on behalf of such person or entity in accordance with duly adopted resolutions or other authorizing actions which are necessary and proper and under such legal entity's articles, charter, bylaws, or other written rules of conduct or governing agreement, and that this AGREEMENT is binding upon such person or entity in accordance with its terms. Each person executing this AGREEMENT on behalf of another person or legal entity shall provide CITY with evidence, satisfactory to CITY, that such authority is valid.

IN WITNESS WHEREOF, this Agreement is executed to be effective as of the later date the Agreement is signed by the parties and approved by the City Attorney [EFFECTIVE DATE].
