4. Term. The term of this Permit ("Term") shall be three years (3), commencing on the Effective Date.
5. Holdover. Any holding over by PERMITTEE after the expiration or earlier termination of this Permit shall not be considered a renewal or extension of this Permit. 6. Superior Interests. This Permit is subject to all liens, encumbrances, covenants, conditions, restrictions, reservations, contracts, permits and licenses, easements, and rights of way pertaining to the Property, whether or not of record. If PERMITTEE'S use of the Permit Area is or becomes inconsistent or incompatible with a preexisting, superior interest, PERMITTEE shall take such actions and pay all costs and expenses necessary to remove such inconsistency or incompatibility to the satisfaction of the holder of the superior interest.
7. Restoration of the Permit Area. Upon the expiration or termination of this Permit, PERMITTEE shall restore the Permit Area to the same condition as existed immediately prior to the Term's commencement, subject to the satisfaction of the City.

- 22.7 Environmental Assessment. Upon reasonable cause to believe that PERMITTEE's occupancy, use, development, maintenance, or restoration of the Permit Area resulted in any Hazardous Substance being released on, from or beneath the Permit Area, CITY may cause an environmental assessment under regulatory oversight of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE's sole cost and expense, and shall establish what, if any, Hazardous Substances have more likely than not been caused by PERMITTEE's occupancy, use, development, maintenance, or restoration of the Permit Area, and in what quantities. If any such Hazardous Substances exist in quantities greater than allowed by CITY, county, state or federal laws, statutes, ordinances or regulations, or require future restricted re-use of the Permit Area, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect unrestricted re-use and in compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, as determined by CITY in its sole discretion, then CITY may cause, the remediation and/or removal recommended in the environmental assessment such that unrestricted re-use of the Permit Area and compliance with environmental laws and regulations are achieved, and PERMITTEE shall pay all costs and expenses therefore.
23. Repair. PERMITTEE shall be responsible, at its sole cost and expense, for the repair or replacement of any damage to the Property caused directly or indirectly by PERMITTEE's use of the Property, including items that CITY staff has determined to be damaged. PERMITTEE shall comply with the direction of CITY's Real Estate Assets Department with respect to the method of any repairs or replacement arising under this Permit.

PERMITTEE shall comply with the CITY's Jurisdictional Runoff Management Plan encompassing Citywide programs and activities designed to prevent and reduce storm water pollution within CITY boundaries as adopted by the City Council on July 1, 2015, via Resolution No. 309791, as may be amended.

PERMITTEE shall comply with each CITY facility or work site's Storm Water Pollution Prevention Plan, as applicable, and institute all controls needed while completing the services to minimize any negative impact to the storm water collection system and environment.

27. Grading and Barriers. PERMITTEE shall not change the surface grade or construct any permanent barriers within the Permit Area without prior written approval from the CITY. Any violations shall be corrected by PERMITTEE at its sole expense to the satisfaction of the CITY and are grounds, at the CITY's option, for immediate termination of this Permit.
28. Waiver. CITY'S failure to insist upon the strict performance of any of PERMITTEE'S obligations under this Permit, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect. The property constituting the Permit Area is CITY-owned and held in trust for the benefit of CITY'S citizens. CITY'S failure to discover a breach of any obligation of this Permit or take prompt action to require the cure of any such breach shall not result in an equitable estoppel, but CITY may at any and all times require the cure of any such breach.
29. Prevailing Wages. Prevailing wage rates apply to the Permitted Use. PERMITTEE shall comply with State prevailing wage laws, including, but not limited to, those requirements set forth in **Exhibit D**, attached hereto and incorporated herein by this reference.
30. Acceptance of Permit Area. By signing this Permit, PERMITTEE represents and warrants that it has independently inspected the Permit Area and made all tests, investigations and observations necessary to satisfy itself as to the condition of the Permit Area. PERMITTEE further represents and warrants that it is not relying on any representation by CITY as to the condition of the Permit Area or its suitability for the Permitted Uses, and that PERMITTEE is relying solely on its own and independent inspections, tests, investigations and observations of the Permit Area in entering into this Permit. PERMITTEE accepts the Permit Area in its current condition. PERMITTEE acknowledges and agrees that unless set forth in this Permit, CITY has no obligation to improve, modify, repair, replace, alter, secure, or otherwise develop the Permit Area at any time either prior to, on or after the Effective Date. PERMITTEE shall not hold CITY responsible for any defects in the Permit Area. PERMITTEE accepts and assumes all

risk of harm to all persons and property from any defects in the Permit Area or any improvements thereon, and shall be solely responsible therefore.

31. No Affiliation. Nothing contained in this Permit shall be deemed or construed to create a partnership, joint venture or other affiliation between CITY and PERMITTEE or between CITY and any other entity or party, or cause CITY to be responsible in any way for the debts or obligations of PERMITTEE or any other party or entity.
32. Termination. CITY or PERMITTEE may terminate this Permit upon a ninety (90) day advance written notice to the City for any reason.
33. Cumulative Remedies. CITY's rights and remedies under this Permit are cumulative and shall not limit or otherwise waive or deny any of CITY's rights or remedies at law or in equity.
34. Survival. Any obligation which accrues under this Permit prior to its expiration or termination shall survive such expiration or termination.
35. Entire Agreement. This Permit constitutes the entire agreement between the parties and supersedes any and all prior understandings, representations, warranties and agreements between them and pertaining to this Permit and the Permitted Use. Any modification, alteration, or amendment of this Permit shall be in writing and signed by all the parties hereto.

For construction work performed under this Permit cumulatively exceeding \$25,000 and for alteration, demolition, repair and maintenance work performed under this Permit cumulatively exceeding \$15,000, PERMITTEE and its subcontractors shall comply with State prevailing wage laws including, but not limited to, the requirements listed below.

1. Compliance with Prevailing Wage Requirements. This includes work performed during the design and preconstruction phases of construction including, but not limited to, inspection and land surveying work.

1.1. Copies of such prevailing rate of per diem wages are on file at the City of San Diego (City) and are available for inspection to any interested party on request. PERMITTEE and its contractors and subcontractors shall post a copy of the prevailing rate of per diem wages determination at each job site and shall make them available to any interested party upon request.

1.2. The wage rates determined by the DIR refer to expiration dates. If the published wage rate does not refer to a predetermined wage rate to be paid after the expiration date, then the published rate of wage shall be in effect for the life of this Permit. If the published wage rate refers to a predetermined wage rate to become effective upon expiration of the published wage rate and the predetermined wage rate is on file with the DIR, such predetermined wage rate shall become effective on the date following the expiration date and shall apply to this Permit in the same manner as if it had been published in said publication. If the predetermined wage rate refers to one or more additional expiration dates with additional predetermined wage rates, which expiration dates occur during the life of this Permit, each successive predetermined wage rate shall apply to this Permit on the date following the expiration date of the previous wage rate. If the last of such predetermined wage rates expires during the life of this Permit, such wage rate shall apply to the balance of the Permit.
