

CITY OF SAN DIEGO USE AND OCCUPANCY PERMIT

THIS CITY OF SAN DIEGO USE AND OCCUPANCY PERMIT ("Permit") is made by and between THE CITY OF SAN DIEGO, a California municipal corporation ("CITY"), and the STATE OF CALIFORNIA, DEPARTMENT OF TRANSPORTATION ("CALTRANS") ("PERMITTEE"), to be effective as of **March 15, 2013** (the "Effective Date"), when signed by the parties and approved by the San Diego City Attorney.

RECITALS

- A. CITY owns that certain real property (the "CITY Property") located at 10211 Rancho Carmel Drive, San Diego, California 92128 (Assessor's Parcel Number 313-680-18-00), improved with a parking garage.
- B. CALTRANS has continuously used and occupied the CITY Property pursuant to that certain Right of Entry Permit ("Prior Permit") dated November 15, 1994, by and between CITY and CALTRANS, which expired before the Effective Date. PERMITTEE has re-stripped the parking area of the CITY Property.
- C. Recently, during CITY's government clearance process to clear the CITY Property for sale, it was discovered that CITY Property is still needed for park & ride use while the Sabre Springs/Penasquitos Transit Station, at the intersection of Sabre Springs Parkway and Ted Williams Parkway, is closed for a 15-month renovation estimated to be complete by September 1, 2014.
- D. PERMITTEE has requested the use of the CITY Property for continued public park-and-ride use while the Sabre Springs/Penasquitos Transit Station is closed.
- E. CITY is willing to accommodate PERMITTEE's use and occupancy of the CITY Property under the terms and conditions of this Permit.

 - 3.2 **No Security.** PERMITTEE acknowledges and agrees that CITY shall not be obligated to provide any on-site security patrol or surveillance on the Permit Area.
 - 3.2.1 PERMITTEE expressly waives any claim against CITY and its elected officials, officers, employees, representatives and agents for any burden, expense or loss which PERMITTEE incurs as a result of not having any CITY-provided, on-site security patrol or surveillance on the Permit Area.
 - 3.3 **PERMITTEE's Risk.** PERMITTEE shall bear all risks and liability arising out of or in any manner directly or indirectly connected with PERMITTEE's use or occupancy of the Permit Area and any damages to the improvements on, under or in the vicinity of the Permit Area resulting directly or indirectly thereby.
4. **Maintenance of the Permit Area.** PERMITTEE shall, at PERMITTEE's sole cost and expense and to CITY's satisfaction, maintain the Permit Area in good order and repair and in a safe, healthy and sanitary condition at all times during the Term, and shall have no claim against CITY for any portion of expenses thereof. CITY shall not be required to make any improvements or repairs to the Permit Area. PERMITTEE shall keep the Permit Area free and clear of rubbish, debris and litter at all times.
5. **Governmental Approvals.** By entering into this Permit, neither CITY nor CITY's City Council is obligating itself to PERMITTEE or to any governmental agent, board, commission or agency with regard to any other discretionary action relating to PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area. "Discretionary action" includes without limitation re-zonings, variances, environmental clearances and all other required governmental approvals.

6. CITY's Consent, Discretion. CITY's consent or approval under this Permit shall mean the written consent or approval of CITY's Mayor, or his or her designee ("Mayor"), unless otherwise expressly provided. CITY's discretionary acts hereunder shall be made in the Mayor's discretion, unless otherwise expressly provided.
7. Term. The Term shall not exceed three (3) years unless authorized by the San Diego City Council.
8. Revocable License. This Permit is not a lease. It is an exclusive license to use CITY property, and may be revoked at will by CITY, in its sole discretion, upon three (3) days prior written notice delivered to PERMITTEE. CITY shall not be obligated for any burden or loss, financial or otherwise, which may be incurred by PERMITTEE as a result of such revocation or the termination of this Permit.
 - 8.1 PERMITTEE's Waiver. PERMITTEE expressly waives any claim against CITY and its elected officials, officers, employees, representatives and agents for any burden, expense or loss which PERMITTEE incurs as a result of CITY's revocation or termination of this Permit.
9. No Holdover. If PERMITTEE continues to occupy the Permit Area after the expiration or earlier termination of this Permit, such occupancy shall neither constitute a renewal or extension of this Permit, nor give PERMITTEE any rights in or to the Permit Area. If PERMITTEE continues to occupy the Permit Area after the expiration or earlier termination of this Permit, CITY may demand and receive from PERMITTEE rent for the Permit Area calculated on a per diem basis using the fair market rental rate to be determined as of the date of the expiration or termination of this Permit by an appraisal prepared by a qualified appraiser selected by CITY in its sole discretion. CITY's acceptance of such rent shall neither constitute a renewal or extension of the license, nor give PERMITTEE any rights in or to the Permit Area.
10. Termination. PERMITTEE may terminate this Permit for any reason upon thirty (30) days prior written notice delivered to CITY.
11. Restoration of Permit Area. Except as otherwise provided in this Permit, prior to the expiration or as soon as practicable after termination of this Permit, PERMITTEE shall restore the Permit Area to its condition on the Effective Date, normal wear and tear excepted.
12. Superior Interests. This Permit is subject to all liens, encumbrances, covenants, conditions, restrictions, reservations, contracts, permits and licenses, easements and rights-of-way pertaining to the Permit Area, whether or not of record. PERMITTEE shall obtain all licenses, permits and agreements from such third parties as may be or become necessary or reasonably advisable to allow its use of the Permit Area, relative to any such superior interest. If PERMITTEE's use of the Permit Area is or becomes inconsistent or incompatible with a preexisting, superior interest, PERMITTEE shall take such actions and

pay all costs and expenses necessary to remove such inconsistency or incompatibility to the satisfaction of the holder of the superior interest.

13. Rent. No monetary consideration shall be payable by Permittee. Consideration for this Permit shall be Permittee's performance of the Permit Use, which is intended to be a benefit to CITY and to the general public for transportation and parking needs.
14. Place of Payment. All payments, if any, to be paid by PERMITTEE under this Permit shall be made payable to "City Treasurer" and be mailed to:

San Diego City Treasurer
P.O. Box 129030
San Diego, California 92112-9030

or hand delivered to:

The Office of the City Treasurer
Civic Center Plaza
1200 Third Avenue, First Floor
San Diego, California 92101

CITY may change the place of payment at any time upon thirty (30) days written notice to PERMITTEE. Mailed payments shall be deemed paid upon the date the payment is postmarked by the postal authorities. If postmarks are illegible, the payment shall be deemed received only upon actual receipt.

15. Delinquent Payments. If PERMITTEE fails to make any payment under this Permit when due, PERMITTEE shall pay to CITY, in addition to the unpaid amount, five percent (5%) of the unpaid amount, which shall be additional rent. If any amount of such payment remains unpaid after fifteen (15) days past due, PERMITTEE shall pay to CITY an additional five percent (5%) of the unpaid amount [being a total of ten percent (10%)], which shall be additional rent. Notwithstanding the foregoing, in no event shall the charge for late payment of rent be less than Twenty-Five Dollars (\$25). After thirty (30) days past due, unpaid amounts due CITY under this Permit may be referred to the San Diego City Treasurer for collection, and shall be subject to San Diego Municipal Code section 22.1707, as may be amended from time to time. PERMITTEE shall pay to CITY any collection-referral fee and all other fees and charges plus interest as may then be charged by the CITY's City Treasurer under authority of the San Diego Municipal Code. Acceptance of late charges and any portion of the late payment by CITY shall neither constitute a waiver of PERMITTEE's breach or default with respect to the late payment nor prevent CITY from exercising any other rights and remedies available at law or in equity. As required by law, PERMITTEE is hereby notified that a negative credit report may be submitted to a credit reporting agency if amounts due CITY are not paid when due.
16. Inspection. CITY may at all times enter and inspect the Permit Area.

17. Utilities. CITY shall not be obligated to provide or pay for any utilities in connection with PERMITTEE's use of the Permit Area.
18. Improvements/Alterations. PERMITTEE shall not construct any improvements, structures or installations on the Permit Area, and shall not alter the Permit Area without CITY's prior written consent in each instance. Except as required by law, CITY shall not be obligated to make any repair or assume any expense for any improvements or alterations to the Permit Area.
19. Insurance. PERMITTEE represents and warrants to CITY that it is self-insured in accordance with applicable law, and shall pay all claims related to this Permit or PERMITTEE'S use of the Permit Area that would be covered by a third-party insurance company in the usual course of business as shown below. PERMITTEE shall deliver to CITY upon request evidence of PERMITTEE's ability to self-insure, in form and content reasonably satisfactory to CITY. In the alternative, PERMITTEE shall deliver to CITY's Real Estate Assets Department a current certificate of insurance for each of the following:
 - (1) Commercial General Liability Insurance, providing coverage on the Permit Area for bodily injury, including death, personal injury and property damage with limits of at least Two Million Dollars (\$2,000,000) per occurrence, subject to an annual aggregate of at least Four Million Dollars (\$4,000,000);
 - (2) Automobile Liability Insurance, providing coverage on the Permit Area for all bodily injury and property damage, with a limit of at least One Million Dollars (\$1,000,000) per occurrence. Such insurance shall cover liability arising out of any vehicle (including owned, hired and non-owned vehicles) operated in performing any and all work pursuant to this Permit. Coverage shall be written on *ISO form CA 00 01 12 90*, or a substitute form providing equivalent liability coverage; and
 - (3) Workers' Compensation Insurance, as required by the laws of the State of California for all of PERMITTEE's employees who are subject to this Permit, with Employers' Liability coverage with a limit of at least One Million Dollars (\$1,000,000).
- 19.1 Additional Insureds. Pursuant to a separate endorsement [CG2010 (11/85) or equivalent form], "The City of San Diego, its elected officials, officers, employees, representatives and agents" shall be named as additional insureds in all policies.
- 19.2 Primary & Non-Contributory. Insurance policies shall be endorsed such that the coverage is primary and non-contributory to any coverage carried or maintained by CITY.
- 19.3 Qualified Insurer(s). All insurance required by the terms of this Permit must be provided by insurers licensed to do business in the State of California which are rated at least "A-, VI" by the current AM Best Ratings Guide and which are acceptable to CITY. Non-admitted surplus lines insurers may be accepted provided they are

included on the most recent list of California eligible surplus lines insurers (LESLI list) and otherwise meet CITY requirements.

- 19.4 Deductibles/Retentions. All deductibles and self-insured retentions on any insurance policy are the sole responsibility of PERMITTEE and must be disclosed and acceptable to CITY at the time evidence of insurance is provided.
- 19.5 Continuity of Coverage. All policies shall be in effect on or before the first day of the Term, except "course of construction fire insurance" shall be in force on commencement of all authorized construction, and full applicable fire insurance coverage shall be effective upon completion of each insurable improvement. The policies shall be kept in force for the duration of the Term. At least thirty (30) days prior to the expiration of each insurance policy, PERMITTEE shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the requirements of this Permit. PERMITTEE shall provide proof of continuing insurance at least annually during the Term. If insurance lapses or is discontinued for any reason, PERMITTEE shall immediately notify CITY and obtain replacement insurance as soon as possible.
- 19.6 Modification. To assure protection from and against the kind and extent of risk existing with the Permit Use or the Permit Area, CITY, at its discretion, may require the revision of amounts and coverage at any time during the Term by giving PERMITTEE thirty (30) days prior written notice. PERMITTEE shall also obtain any additional insurance required by CITY for new improvements, changed circumstances or CITY's reasonable re-evaluation of risk levels related to the Permit Use or the Permit Area.
- 19.7 Accident Reports. PERMITTEE shall immediately report to CITY any accident causing property damage or injury to persons and related to the Permit Use or the Permit Area. Such report shall contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and other pertinent information.
- 19.8 Causes of Loss - Special Form Property Insurance. PERMITTEE shall obtain and maintain, at its sole cost, Causes of Loss - Special Form Property Insurance on all of PERMITTEE's insurable property related to the Permit Use or the Permit Area in an amount to cover 100 percent (100%) of the replacement cost. PERMITTEE shall deliver to CITY a certificate of such insurance.
20. Indemnification & Hold Harmless. PERMITTEE shall protect, defend, indemnify and hold CITY and its elected officials, officers, employees, representatives and agents harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to PERMITTEE's officers, employees, invitees, guests, agents or contractors, which arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area, and all expenses of investigating and defending against

same, including without limitation attorney fees and costs; provided, however, that PERMITTEE's duty to indemnify and hold harmless shall not include any established liability arising from the gross negligence or intentional misconduct of CITY and its elected officials, officers, employees, representatives and agents.

CITY shall protect, defend, indemnify and hold PERMITTEE and its elected officials, officers, employees, representatives and agents harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to CITY's officers, employees, invitees, guests, agents or contractors, for any established liability arising from the gross negligence or intentional misconduct of CITY and its elected officials, officers, employees, representatives and agents related to CITY's occupancy, use, development, maintenance or restoration of the Permit Area, and all expenses of investigating and defending against same, including without limitation attorney fees and costs; provided, however, that CITY's duty to indemnify and hold harmless shall not include any established liability arising from the negligence or misconduct of PERMITTEE and its elected officials, officers, employees, representatives and agents.

21. Compliance with Laws. PERMITTEE shall at all times in its use and occupancy of the Permit Area comply with all applicable laws, rules and regulations and direction by competent governmental authorities, and all at PERMITTEE's sole cost and expense.
22. No Discrimination. PERMITTEE shall not discriminate in any manner against any person on account of race, color, religion, gender, sexual orientation, medical status, national origin, age, marital status or disability in PERMITTEE's use of the Permit Area, including without limitation the provision of goods, services, facilities, privileges, advantages and accommodations, and the hiring and retention of employees and contractors.
23. Equal Benefits. PERMITTEE shall comply with San Diego Municipal Code sections 22.4301-22.4308, which require applicable parties to offer the same employment benefits to employees with spouses and employees with domestic partners. PERMITTEE shall certify that it will maintain such equal benefits throughout the term of this Permit. PERMITTEE's failure to maintain equal benefits shall be a material breach of this Permit.
24. Disabled Access Compliance. PERMITTEE shall bear all responsibility for compliance with Title 24 of the California Code of Regulations (i.e., the "Building Code", as defined in Title 24 of the California Health and Safety Code), the Americans with Disabilities Act of 1990 ("ADA"); and any other applicable state and federal laws and regulations enacted protecting the rights of people with disabilities. PERMITTEE's compliance shall include without limitation the following:
 - a. PERMITTEE shall not discriminate against qualified persons with disabilities in any aspects of employment, including recruitment, hiring, promotions, conditions and privileges of employment, training, compensation, benefits, discipline, layoffs and termination of employment;

- b. No qualified individual with a disability may be excluded on the basis of disability from participation in, or be denied the benefits of, services, programs or activities of PERMITTEE;
- c. PERMITTEE shall post a statement addressing the requirements of the ADA in a prominent place at the work site;
- d. Where required by law, PERMITTEE shall, at PERMITTEE's sole cost and in conformance with all applicable building codes, comply with applicable disabled-access requirements by making accessible any areas of the Permit Area which deny access to disabled persons; and
- e. PERMITTEE shall include language in each sublicense agreement, if any, indicating the sublicensee's agreement to abide by the foregoing provisions.

PERMITTEE and each of its sublicensees, if any, shall be individually responsible for their own ADA compliance program. PERMITTEE's failure to comply with the above requirements and/or submitting false information in response to those requirements shall be a default under this Permit.

- 25. No Nuisance. PERMITTEE shall not use the Permit Area in any manner which creates a nuisance or unreasonably disturbs the quiet enjoyment of persons in and to the surrounding area.
- 26. Assignment and Sublicense. PERMITTEE shall not assign or sublicense any rights granted by this Permit or any interest in this Permit without CITY's prior written consent in each instance. Any assignment by operation of law shall automatically terminate this Permit.
- 27. Signs. PERMITTEE shall not erect or display any banners, pennants, flags, posters, signs, decorations, marquees, awnings or similar devices or advertising without CITY's prior written consent. If any such unauthorized item is found on the Permit Area, PERMITTEE shall remove the item at its expense within twenty-four (24) hours after notice by CITY, or CITY may thereafter remove the item at PERMITTEE's cost.
- 28. Encumbrances. PERMITTEE shall keep the Permit Area and the property of which it is a part (the "Property") free from all encumbrances and liens of any nature which arise out of or are in any manner directly or indirectly connected with this PERMITTEE'S use or occupancy of the Permit Area. PERMITTEE shall protect, defend, indemnify and hold CITY harmless from and against any and all such encumbrances and/or liens, and from and against any claim, liability, cost or expense, including without limitation all attorney fees and costs, relating to or charged against the Property, including without limitation PERMITTEE'S failure or the failure of any contractor or subcontractor hired by PERMITTEE to pay any person or persons entitled to lien or encumber the Property pursuant to the California Civil Code.
- 29. Taxes. PERMITTEE shall pay, before delinquency, all taxes, assessments and fees

assessed or levied upon PERMITTEE or the Permit Area during the Term, including the land and any buildings, structures, machinery, equipment, appliances or other improvements or property of any nature whatsoever erected, installed or maintained by PERMITTEE, or levied by reason of PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area, including without limitation licensing and permitting costs and fees. PERMITTEE acknowledges that this Permit may create a possessory interest subject to property taxation, and that PERMITTEE may be subject to the payment of taxes levied on that interest. PERMITTEE shall pay all such possessory interest taxes. PERMITTEE's payment for such taxes, fees and assessments shall not reduce any payment due CITY.

30. Hazardous Substances. PERMITTEE shall not allow the illegal installation, storage, utilization, generation, sale or release of hazardous or otherwise regulated substances in, on, under or from the Permit Area. PERMITTEE and PERMITTEE's agents and contractors shall not install, store, utilize, generate or sell any hazardous substance on the Permit Area without CITY's prior written consent. PERMITTEE shall, prior to initiating any operations, obtain all required permits from applicable regulatory agencies, including without limitation the San Diego County Department of Environmental Health, local fire agencies, the San Diego County Department of Weights and Measures, the San Diego County Air Pollution Control District, and the San Diego Regional Water Quality Control Board. Installing, utilizing, storing, or any other presence of a hazardous substance includes boxes, bags, bottles, drums, cylinders, above or below ground tanks, equipment with tanks, or any other type of container, equipment or device which holds or incorporates a hazardous substance or hazardous waste.
- 30.1 Release. A "release" shall include without limitation any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping or otherwise disposing of a hazardous substance.
- 30.2 Hazardous Substance. "Hazardous substance" shall mean any substance listed by the Environmental Protection Agency or the State of California as a hazardous substance, and all types of petroleum-related substances and their chemical constituents.
- 30.3 Remediation. If PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area results in a release of a hazardous substance or petroleum related substance or its chemical constituents, PERMITTEE shall pay all costs of remediation and removal to the CITY's satisfaction for unrestricted reuse of the Permit Area, and in accordance with all applicable laws, rules and regulations of governmental authorities.
- 30.4 Removal. If PERMITTEE or PERMITTEE's contractor or agent has received approval and permits to store, utilize, generate or install, or otherwise bring hazardous materials or hazardous wastes to the Permit Area, PERMITTEE and/or PERMITTEE's contractor or agent shall remove all hazardous substances and hazardous wastes in any type of container, equipment or device from the Permit Area immediately upon or prior to the expiration or earlier termination of this Permit.

CITY reserves the right to conduct inspections of the Permit Area and/or request documentation demonstrating the legal removal and/or disposal of the hazardous materials, wastes or other containers, equipment or devices from the Permit Area. PERMITTEE shall be responsible for any and all costs incurred by CITY to remove any container, equipment or device requiring disposal or removal as required by this provision.

- 30.5 Indemnity. PERMITTEE shall protect, defend, indemnify and hold CITY harmless from any and all claims, costs and expenses related to environmental liabilities resulting from PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area, including without limitation: (i) costs of environmental assessments; (ii) costs of regulatory remediation oversight; (iii) costs of remediation and removal; (iv) any necessary CITY response costs; (v) all fines, penalties or fees assessed by any regulatory agency; (vi) damages for injury to natural resources, PERMITTEE's officers, employees, invitees, guests, agents or contractors, or the public; and (vii) all costs of any health assessments or health effect studies.
- 30.6 Notice of Release. If PERMITTEE knows or has reasonable cause to believe that a hazardous substance or petroleum related substance or its chemical constituents has been released on, from or beneath the Permit Area, PERMITTEE shall immediately notify CITY and any appropriate regulatory or reporting agency per California Code of Regulations Title 19 and any other applicable laws or regulations. PERMITTEE shall deliver a written report thereof to CITY within three (3) days after receipt of the knowledge or cause for belief and submit any required written reports to regulatory or reporting agencies as required by regulation or law. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent release or is an imminent substantial danger to public health and safety, PERMITTEE shall take all actions necessary to alleviate the danger. PERMITTEE shall immediately notify CITY in writing of any violation, notice to comply, or notice of violation received or the initiation of environmental actions or private suits related to the Permit Area.
- 30.7 Environmental Assessment. Upon reasonable cause to believe that PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area ("PERMITTEE's Operations"), resulted in any hazardous substance being released on, from or beneath the Permit Area, CITY may cause an environmental assessment under regulatory oversight of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE's sole cost and expense, and shall establish what, if any, hazardous substances have more likely than not been caused by PERMITTEE's Operations on, in, from or under the Permit Area, and in what quantities. If any such hazardous substances exist in quantities greater than allowed by city, county, state or federal laws, statutes, ordinances or regulations, or require future restricted re-use of the Permit Area, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect unrestricted re-use and in compliance with those laws

or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, as determined by CITY in its sole discretion, CITY may cause the remediation and/or removal recommended in the environmental assessment such that unrestricted re-use of the Permit Area and compliance with environmental law and regulations are achieved, and PERMITTEE shall pay all costs and expenses therefor.

31. Waiver. The property constituting the Permit Area is publicly owned and held in trust for the benefit of CITY's citizens. CITY's failure to insist upon the strict performance of any of PERMITTEE's obligations under this Permit, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect. CITY's waiver of a default shall not be a waiver of any other default. Any waiver of a default must be in a writing executed by CITY to constitute a valid and binding waiver. CITY's delay or failure to exercise a right or seek a remedy shall not be deemed a waiver of that or any other right or remedy under this Permit, at law, or in equity. The exercise of any particular right or the use of any particular remedy for any default shall not waive the use of any other right or remedy for the same default or for another or later default. CITY's acceptance of any rents shall not be a waiver of any default preceding the rent payment. CITY's failure to discover a default or take prompt action to require the cure of any default shall not result in an equitable estoppel, but CITY may at any and all times require the cure of the default.
32. Cumulative Remedies. CITY's rights and remedies under this Permit are cumulative and shall not limit or otherwise waive or deny any of CITY's rights or remedies at law or in equity.
33. Survival. Any obligation which accrues under this Permit prior to its expiration or termination shall survive such expiration or termination.
34. Joint and Several Liability. If PERMITTEE is comprised of more than one person or legal entity, such persons and entities, and each of them, shall be jointly and severally liable for the performance of each and every obligation of PERMITTEE under this Permit.
35. No Affiliation. Nothing contained in this Permit shall be deemed or construed to create a partnership, joint venture or other affiliation between CITY and PERMITTEE or between CITY and any other entity or party, or cause CITY to be responsible in any way for the debts or obligations of PERMITTEE or any other party or entity.
36. Entire Agreement. This Permit represents the entire agreement between the parties for PERMITTEE's use and occupancy of the Permit Area, and supersedes all prior negotiations, representations or agreements concerning same, either oral or written. Each party represents and warrants that this Permit is binding upon such party in accordance with its terms.
37. Counterparts. This Permit may be executed in one or more counterparts, each of which shall be deemed to constitute an original, but all of which, when taken together, shall

constitute one and the same instrument.

38. Notices. Any notice required or permitted to be given under this Permit shall be in writing and may be served personally or delivered by United States mail, postage prepaid, and addressed to PERMITTEE at PERMITTEES' Addresses for Notices, and to CITY as follows:

THE CITY OF SAN DIEGO
Attention: Director, Real Estate Assets Department

39. Acceptance of Permit Area. By signing this Permit, PERMITTEE represents and warrants that it has independently inspected the Permit Area and made all tests, investigations and observations necessary to satisfy itself as to the condition of the Permit Area and its suitability for the Permit Use. PERMITTEE further represents and warrants that it is not relying on any representation by CITY as to the condition of the Permit Area or its suitability for the Permit Use, and that PERMITTEE is relying solely on its own and independent inspections, tests, investigations and observations of the Permit Area in entering into this Permit. PERMITTEE accepts the Permit Area in its current condition. PERMITTEE acknowledges and agrees that unless set forth in this Permit, CITY has no obligation to improve, modify, repair, replace, alter or otherwise develop the Permit Area at any time either prior to, on or after the Effective Date. PERMITTEE shall not hold CITY responsible for any defects in the Permit Area. PERMITTEE accepts and assumes all risk of harm to all persons and property, including without limitation PERMITTEE's employees, from any defects in the Permit Area, and shall be solely responsible therefor.
40. Authority to Contract. Each individual executing this Permit on behalf of another person or legal entity represents and warrants that they are authorized to execute and deliver this Permit on behalf of such person or entity in accordance with duly adopted resolutions or other authorizing actions which are necessary and proper and under such legal entity's articles, charter, bylaws or other written rules of conduct or governing agreement.
