**CITY OF SAN DIEGO
TORREY HILLS YMCA LEASE**

THIS LEASE AGREEMENT ("lease" or "lease agreement") is executed between THE CITY OF SAN DIEGO, a municipal corporation, hereinafter called "CITY," and the YMCA OF SAN DIEGO COUNTY, a California nonprofit corporation, hereinafter called "LESSEE" or "YMCA," based upon the following:

- A. CITY is the owner of a 15-acre parcel known as Torrey Hills Neighborhood Park; and,
- B. CITY and YMCA desire to provide low-cost recreational facilities in Torrey Hills and other communities in the City of San Diego, which will benefit the general public and complement publicly owned recreational facilities; and,
- C. YMCA desires to engage in multiphased capital campaigns totaling \$5.75 million to finance, construct, and operate a recreational facility on approximately 4.12 acres of Torrey Hills Neighborhood Park under a CITY-approved General Development Plan; and,
- D. CITY and YMCA agree to enter into a long-term ground lease at nominal rent to facilitate the YMCA's capital campaign for the Torrey Hills recreational facility.

NOW, THEREFORE, CITY and YMCA agree as follows:

SECTION 1: USES

- 1.1 Premises. CITY hereby leases to LESSEE and LESSEE leases from CITY all of that certain real property situated on approximately 4 acres of Torrey Hills Neighborhood Park, in the City of San Diego, County of San Diego, State of California, described in Section 9.1, Legal Description, hereof. Said real property is hereinafter called the "premises" or "leased premises."
- 1.2 Uses. It is expressly agreed that the premises are leased to LESSEE solely and exclusively for the purposes of construction, operation, and maintenance of a YMCA community center for recreational, educational, health, social, and cultural uses by YMCA members and the general public, in accordance with the General Development Plan referenced in Section 6.12 hereof, and for such other related or incidental purposes as may be first approved in writing by the City Manager and for no other purpose whatsoever. LESSEE may schedule use of park areas outside the leased premises with the City Manager and the applicable recreation council but will not receive any preference or disproportionate scheduling over other user groups.

The use of the premises for any unauthorized purpose shall constitute a substantial default and subject this lease to termination at the sole option of the CITY.

LESSEE covenants and agrees to use the premises throughout the term hereof for the above-specified purposes and to diligently conduct the business thereon. Failure to continuously use the premises for said purposes, or the use thereof for purposes not expressly authorized herein, shall be grounds for termination by CITY.

- 1.3 Related Council Actions. By the granting of this lease, neither CITY nor the Council of CITY is obligating itself to any other governmental agent, board, commission, or agency with regard to any other discretionary action relating to development or operation of the premises. Discretionary action includes but is not limited to rezonings, variances, environmental clearances, or any other governmental agency approvals which may be required for the development and operation of the leased premises.

LESSEE shall be solely responsible for processing all land use, development, and construction approvals required for the use and occupancy of the premises. This lease shall not be interpreted by any decision maker on any City-issued permit or approval to override or dictate the outcome of any findings required for any permit or development approval.

- 1.4 Quiet Possession. LESSEE, paying the rent and performing the covenants and agreements herein, shall at all times during the term peaceably and quietly have, hold, and enjoy the premises. If CITY for any reason cannot deliver possession of the premises to LESSEE at the commencement of the term, or if during the lease term LESSEE is temporarily dispossessed through action or claim of a title superior to CITY'S, then and in either of such events, this lease shall not be voidable nor shall CITY be liable to LESSEE for any loss or damage resulting therefrom, but there shall be determined and stated in writing by the City Manager of CITY a proportionate reduction of the minimum or flat rate rent for the period or periods during which LESSEE is prevented from having the quiet possession of all or a portion of the premises.

- 1.5 Easements and Reservations.

- a. CITY hereby reserves all rights, title, and interest in any and all subsurface natural gas, oil, minerals, and water on or within the premises.
- b. CITY reserves the right to grant and use easements or to establish and use rights-of-way over, under, along, and across the leased premises for utilities, thoroughfares, or access as it deems advisable for the public good.
- c. CITY has the right to enter the premises for the purpose of making repairs to or developing municipal resources and services.

However, CITY shall not unreasonably or substantially interfere with LESSEE'S use of the premises and will reimburse LESSEE for physical damages, if any, to the permanent improvements located on the leased premises resulting from CITY exercising the rights reserved in this section. Such reimbursement may include a reduction in the rent proportionate to the amount of physical damage as determined by CITY. CITY will pay the costs of maintenance and repair of all CITY installations made pursuant to these reserved rights.

- 1.6 Competent Management. Throughout the term of this lease agreement, LESSEE shall provide competent management of the leased premises to the satisfaction of the City Manager. For the purposes of this paragraph, "competent management" shall mean demonstrated ability in the management and operation of a nonprofit community recreation center and related activities in a fiscally responsible manner to serve the greatest number of members of the community.
- 1.7 Operation of Facilities. A regular schedule of days and hours of operation shall be established by LESSEE to best serve the public, including both YMCA members and nonmembers, as set forth in Section 9.5, Schedule of Days and Hours of Operation, hereof. Any substantial changes in this schedule shall be subject to the prior written approval of the City Manager or his authorized representative, and the schedule shall be reviewed at least annually by LESSEE and the City Manager. LESSEE shall diligently and in a creditable manner furnish services to the public in conformity with all applicable rules and regulations of the City of San Diego.
- 1.8 Rates and Charges. All charges associated with use of the facilities on the premises shall be in accordance with the schedule set forth in Section 9.4, Schedule of Rates and Charges, hereof. Fees charged to YMCA members and nonmembers shall be reasonable in the opinion of the City Manager and comparable with those charged at similar facilities in San Diego County. Any substantial changes in this schedule shall be subject to prior written approval by the City Manager or his authorized representative, and the schedule shall be reviewed at least annually by LESSEE and the City Manager.
- 1.9 CITY Use. The premises shall be available to CITY for civic events and special programs, free of charge, except where LESSEE has scheduled events or programs. After every CITY use, CITY shall leave the premises in the same condition found, and LESSEE shall not be required to incur any additional costs by reason of CITY use.

LESSEE agrees to arrange for two formal dedication ceremonies for the Mayor and City Council of CITY to break ground to commence construction of the recreational facility on the premises and to officially open the facility upon its completion.

- 1.10 Political Activities. The leased premises shall be used exclusively for the purposes specified in Section 1.2, Uses, hereof. The premises shall not be used for working or campaigning for the nomination or election of any individual to any public office, be it partisan or nonpartisan. Provided, however, that LESSEE shall not be precluded from providing a forum for open public debate by candidates such as occurs at a "candidate forum" and similar events.
- 1.11 Public Use. The general public shall not be wholly or permanently excluded from any portion of the premises. LESSEE may develop reasonable restrictions for use of the facilities provided they are consistent with the rights of the general public and are designed to allow LESSEE to use the premises for the purposes specified herein. LESSEE agrees that all activities conducted on the premises will be as stated in Section 1.2, Uses, hereof. Public use of the facilities on the premises shall be permitted without YMCA membership in accordance with the operating and fee schedules in Sections 1.7 and 1.8 hereof. However, the facilities shall also include the following improvements available for public use at no charge, except that LESSEE shall be permitted to require reimbursement for direct costs to LESSEE resulting from the permitted use of the premises, as shown on the General Development Plan hereof: 1) Multiple-purpose community meeting room; 2) All-hours vehicular access road from Carmel Mountain Road ("access road"); and 3) All-hours pedestrian pathway from Via Congrejo. However, to the extent permitted by law, LESSEE may refuse participation in its programs to any person if LESSEE reasonably determines that such person's physical, mental, or emotional condition would make such participation a danger to such person or others. Further, LESSEE may deny public access to the administrative area and to child care and similar facilities.
- LESSEE shall, at all times during the lease term, maintain a prominent CITY-approved sign identifying the property as City-owned and available for public use consistent with the terms of this lease. The sign shall be installed by LESSEE at a location approved by CITY.
- 1.12 Parking. LESSEE shall develop and maintain the parking lot within the leased premises and the off-premises access road thereto, in accordance with the General Development Plan described in Sections 6.12 and 9.2 hereof. At no time shall LESSEE restrict public use of the access road.

SECTION 2: TERM

- 2.1 Commencement. The term of this lease shall be thirty (30) years commencing on the first day of the calendar month following execution by the City Manager or his designee. "Lease year" as used in this lease shall mean the twelve (12)-month period commencing on the first day of the calendar month following the execution of this lease by the City Manager or his designee.

2.2 Right to Extend. LESSEE has the right to extend this lease twice for an additional term of ten (10) years for each extension, subject to all original agreements, considerations, covenants, and conditions hereof and upon the following additional terms and conditions:

- a. LESSEE shall give CITY written notice of its intention to extend the lease no sooner than one (1) year and no later than six (6) months prior to expiration of the original or extended term of this lease;
- b. LESSEE is not in default of this lease at the time the option is exercised; and
- c. The City Manager shall have received and approved LESSEE'S most recent Facilities Program Plan, as described in Section 6.12, General Development Plan, hereof.

2.3 Holdover. Any holding over by LESSEE after expiration or termination shall not be considered as a renewal or extension of this lease. The occupancy of the premises after the expiration or termination of this agreement constitutes a month-to-month tenancy, and all other terms and conditions of this agreement shall continue in full force and effect; provided, however, CITY shall have the right to apply a reasonable increase in rent to bring the rent to fair market value and to terminate the holdover tenancy at will.

2.4 Surrender of Premises. At termination of this lease for any reason, LESSEE shall execute, acknowledge, and deliver to CITY, within five (5) days after written CITY demand, a valid and recordable quitclaim deed covering all of the premises. The premises shall be delivered free and clear of all liens and encumbrances and in a decent, safe, and sanitary condition.

If LESSEE fails or refuses to deliver the required deed, CITY may prepare and record a notice reciting LESSEE'S failure to execute this lease provision, and the notice will be conclusive evidence of the termination of this lease and all LESSEE'S rights to the premises.

SECTION 3: RENT

3.1 Time and Place of Payment. The administrative fee is due annually in advance on or before the first day of each lease year. The administrative fee will be prorated during the first and final months of any lease year in order to achieve payment on the first day of each calendar month. Checks should be made payable to the City Treasurer and mailed to the Office of the City Treasurer, City of San Diego, P.O. Box 122289, San Diego, California 92112-4165, or delivered to the Office of the City Treasurer, Civic Center Plaza, 1200 Third Avenue, Suite 100, San Diego, California.

The place and time of payment may be changed at any time by CITY upon thirty (30) days' written notice to LESSEE. Mailed payments shall be deemed paid upon the date such payment is postmarked by the postal authorities. If postmarks are illegible, the payment shall be deemed paid upon actual receipt by the City Treasurer. LESSEE assumes all risk of loss and responsibility for late payment charges if payments are made by mail.

3.2 Rent and Administrative Fee.

- a. Rent Amount. The annual rent is One Dollar (\$1) per lease year, receipt of which is hereby acknowledged by CITY.
- b. Administrative Costs. LESSEE shall pay a fee of Two Thousand Five Dollars (\$2,500) per lease year, payable annually, to compensate CITY for the average costs of administering this lease. The administrative fee ("administrative fee" or "fee") is subject to annual adjustments based on increases, if any, in the Consumer Price Index (CPI) as hereinafter provided.
- c. (1) CPI Index Adjustments. At the end of the first year following the effective date of the lease and at the end of each one (1)-year period thereafter during the lease term, the fee shall be adjusted to reflect increases in the Consumer Price Index (CPI).

The index used will be the CPI for "All Urban Consumers" for Los Angeles/Riverside/Orange County, California. If this index is no longer published, the index for adjustment will be the U.S. Department of Labor's "Comprehensive Official Index" most comparable to the aforesaid index. If a fee adjustment is calculated using an index from a different base year than 1982-84, which equaled a base figure of 100 for the CPI, the base figure used will first be converted under a formula supplied by the Bureau of Labor Statistics or its successor.

If the Department of Labor indices are no longer published, another index generally recognized as authoritative will be substituted by agreement of CITY and LESSEE. If the parties cannot agree within sixty (60) days after demand by either party, a substitute index will be selected by the Chief Officer of the Regional Office of the Bureau of Labor Statistics or its successor, notwithstanding continued reference herein to "CPI" in any event.

Regardless of the index publication dates, the effective date of the fee adjustment is as specified in this Subsection c.(1), CPI Index Adjustments. Until the fee adjustment can be reasonably determined by the index method, LESSEE shall continue to make

payments at the existing fee rate. When the adjustment is determined, the balance of the fee due at the adjusted rate will be paid to CITY within thirty (30) days. In no event shall the adjusted fee as established by the Consumer Price Index be less than the fee in existence immediately prior to the adjustment date.

- (2) Index Adjustment Computation. The fee for each one (1)-year period following the adjustment until the next adjustment shall be determined prior to the date of adjustment by multiplying the fee which is effective immediately prior to said adjustment by the "adjustment figure" established as follows:

The "adjustment figure" shall be established by dividing the "current index" by the "base figure", both as defined herein:

The "base figure" for the first such adjustment shall be a three (3)-month average of index figures published by said CPI using the fourth, fifth, and sixth full months preceding the effective date of this agreement.

To illustrate, if the lease began in May, the CPI figures for November (sixth month), December (fifth month), and January (fourth month) preceding May would be averaged to establish the base figure (Example 1).

The "current index" shall be a three (3)-month average of index figures published by said CPI. The three (3) months to be used to establish said average shall be the fourth, fifth, and sixth full months preceding the adjustment date.

The "base figure" for each successive adjustment shall be the "current index" figure used in the last preceding adjustment period (Example 2).

Example 1

Current Index 121

Base Figure 110 = 1.10 (Adjustment Figure)

Effective Fee x 1.10 = Adjusted Fee

Example 2

Current Index 138

Base Figure 121 = 1.14 (Adjustment Figure)

Effective Fee x 1.14 = Adjusted Fee

The adjustment figure is then multiplied by the annual fee from the preceding adjustment period to determine the new fee. Using the foregoing examples, if the fee is now \$1,000 per year, after the first adjustment it will be \$1,100 per year (\$1,000 x 1.10). In the second adjustment it will be \$1,254 per year (\$1,100 x 1.14).

- (3) Maximum Increase. Notwithstanding the foregoing, the fee adjustments shall not increase the fee in excess of six percent (6%) per lease year.
- 3.3 Inspection of Records. LESSEE agrees to make any and all records and accounts available to CITY for inspection at all reasonable times so that CITY can determine LESSEE'S compliance with this lease. These records and accounts will be made available by LESSEE at the leased premises and will be complete and accurate showing all income and receipts from use of the premises. LESSEE'S failure to keep and maintain such records and make them available for inspection by CITY is a breach of this lease and cause for termination. LESSEE shall maintain all such records and accounts for a minimum period of five (5) years.
- 3.4 Delinquent Administrative Fee. If LESSEE fails to pay the administrative fee required in Section 3.2b. hereof when due, LESSEE shall pay, in addition to the unpaid fee, five percent (5%) of the delinquent fee. If the fee is still unpaid at the end of fifteen (15) days, LESSEE shall pay an additional five percent (5%) [being a total of ten percent (10%)], which is hereby mutually agreed by the parties to be appropriate to compensate CITY for loss resulting from fee delinquency, including lost interest, opportunities, legal costs, and the cost of servicing the delinquent account. Notwithstanding the foregoing, in no event shall the charge for late payment of the fee be less than Twenty-five Dollars (\$25). LESSEE agrees that the specific late charges represent a fair and reasonable estimate of the costs that CITY will incur from LESSEE'S late payment. Acceptance of late charges and any portion of the late payment by CITY shall in no event constitute a waiver of LESSEE default with respect to late payment, nor prevent CITY from exercising any of the other rights and remedies granted in this lease.
- 3.5 Unauthorized Use Charge. LESSEE shall pay CITY fifty percent (50%) of the gross receipts for any service or use that is not permitted by this lease. This payment is subject to the due date provided in this lease for administrative fee payments and the provision for delinquent administrative fees. The existence of the fifty percent (50%) charge in this clause and the payment of this charge or any

part of it, does not constitute an authorization for a particular service or use, and does not waive any CITY rights to terminate a service or use or to default LESSEE for participating in or allowing any unauthorized use of the leased premises.

- 3.6 Annual Budget. LESSEE shall submit to the City Manager by September 1 of each year copies of documents evidencing the proposed programs and financial status of LESSEE for the fiscal year commencing July 1. Without limiting the generality of the foregoing, such documents shall include (i) a copy of LESSEE'S proposed programs; (ii) a copy of a detailed operating budget showing expected sources of revenue and the nature of all proposed expenditures, including compensation for the director and staff of LESSEE; and (iii) an adequate reserve account, in the reasonable opinion of the City Manager, for maintenance and capital improvements to the premises.

SECTION 4: ASSIGNMENT

- 4.1 Time is of Essence; Provisions Binding on Successors. Time is of the essence of all of the terms, covenants, and conditions of this lease, and, except as otherwise provided herein, all of the terms, covenants, and conditions of this lease shall apply to, benefit, and bind the successors and assigns of the respective parties, jointly and individually.
- 4.2 Assignment and Subletting. LESSEE shall not assign this lease or any interest therein during the term of this lease. LESSEE shall not sublet the premises or any part thereof, or any right or privilege appurtenant thereto, or suffer any other person, except employees, agents, and guests of LESSEE, to use or occupy the premises or any part thereof, without the prior written consent of the City Manager in each instance. A consent to subletting, occupation, or use by any other person shall not be deemed to be a consent to any subsequent subletting, occupation, or use by another person. Any such subletting without such consent shall be void and shall, at the option of CITY, terminate this lease.

"Assignment" for the purposes of this clause shall include any transfer of any ownership interest in this lease by LESSEE or by any partners, principals, or stockholders, as the case may be, from the original LESSEE, its general partners, or principals.

Approval of any sublease shall be conditioned upon the sublessee agreeing in writing that it will assume the rights and obligations thereby subleased and that it will keep and perform all covenants, conditions, and provisions of this agreement which are applicable to the rights acquired. The City Manager may require, as a condition to approval of any sublease of the majority portion of the leasehold, that this lease or the requested sublease otherwise be revised to comply with standard CITY lease requirements that are then current. The City Manager may also

require, as a condition to approval of any sublease of a commercial nature (e.g., food vending or telecommunications installations), that LESSEE pay CITY market rents for such uses. Pursuant to City Charter Section 225, the City Manager must review and approve every person or entity which will have an interest in this lease as a sublessee.

- 4.3 Encumbrance. Subject to prior consent by CITY, which shall not be unreasonably withheld, LESSEE may encumber this lease, its leasehold estate, and its improvements thereon by deed of trust, mortgage, chattel mortgage, or other security instrument to assure the payment of a promissory note or notes of LESSEE, upon the express condition that the proceeds of such loan or loans be devoted exclusively to the purpose of developing the leased premises in accordance with Section 6.12, General Development Plan, hereof. However, a reasonable portion of the loan proceeds may be disbursed for payment of incidental costs of construction, including but not limited to the following: off-site improvements for service of the premises; on-site improvements; escrow charges; premiums for hazard insurance or other insurance or bonds required by CITY; title insurance premiums; reasonable loan costs such as discounts, interest, and commissions; and architectural, engineering, and attorneys' fees and other normal expenses incidental to such construction.

Any subsequent encumbrances on the premises or on any permanent improvements thereon must first have the approval in writing of the City Manager. Such subsequent encumbrances shall also be for the exclusive purpose of development of the premises. LESSEE understands and specifically agrees that the City Manager shall have the sole and absolute discretion to approve, disapprove, or condition any such proposed subsequent encumbrance, including but not limited to amending the lease to provide then-current rents and provisions.

In the event any such approved deed of trust or mortgage or other security-type instrument should at any time be in default and be foreclosed or transferred in lieu of foreclosure, CITY will accept the approved mortgagee or beneficiary thereof as its new tenant under this lease with all the rights, privileges, and duties granted and imposed in this lease.

Upon prior written approval by CITY, said mortgagee or beneficiary may assign this lease to its nominee, if nominee is a reputable, qualified, and financially responsible person or entity in the opinion of CITY. Any deed of trust, mortgage, or other security instrument shall be subject to all of the terms, covenants, and conditions of this lease and shall not be deemed to amend or alter any of the terms, covenants, or conditions hereof. Pursuant to City Charter Section 225, the City Manager must review and approve every person or entity which will have a financial interest in this lease.

4.4 Defaults and Remedies.

a. Default. In the event that:

- (1) LESSEE shall default in the performance of any covenant or condition required by this lease to be performed by LESSEE and shall fail to cure said default within thirty (30) days following written notice thereof from CITY; or if any such default is not curable within thirty (30) days, and LESSEE shall fail to commence to cure the default(s) within said thirty (30)-day period and diligently pursue such cure to completion; or
- (2) LESSEE shall voluntarily file or have involuntarily filed against it any petition under any bankruptcy or insolvency act or law; or
- (3) LESSEE shall be adjudicated a bankrupt; or
- (4) LESSEE shall make a general assignment for the benefit of creditors;

then CITY may, at its option, without further notice or demand upon LESSEE or upon any person claiming rights through LESSEE, immediately terminate this lease and all rights of LESSEE and of all persons claiming rights through LESSEE to the premises or to possession thereof; and CITY may enter and take possession of the premises. Provided, however, in the event that any default described in Subsection 4.4a.(1), above is not curable within thirty (30) days after notice to LESSEE, CITY shall not terminate this lease pursuant to the default if LESSEE immediately commences to cure the default and diligently pursues such cure to completion.

In the event there is a deed of trust or mortgage on the leasehold interest, CITY shall give the mortgagee or beneficiary written notice of the default(s) complained of, and the same mortgagee or beneficiary shall have thirty (30) days from such notice to cure the default(s) or, if any such default is not curable within thirty (30) days, to commence to cure the default(s) and diligently pursue such cure to completion. The thirty (30)-day period may be extended during such time as mortgagee or beneficiary pursues said cure with reasonable diligence.

- b. Remedies of Lender. Should the default(s) be noncurable by LESSEE, then any lender holding a beneficial interest in the leasehold, whose qualifications as an assignee have been approved by CITY, shall have the absolute right to substitute itself to the estate of LESSEE hereunder and to commence performance of this lease. If such mortgagee or beneficiary shall give notice in writing of its election to so substitute itself within the

thirty (30)-day period after receiving written notice by CITY of the default, and the default, if curable, is cured by such mortgagee or beneficiary, then this lease shall not terminate pursuant to the default. In that event, CITY expressly consents to the substitution and authorizes the mortgagee or beneficiary to perform under this lease with all the rights, privileges, and obligations of LESSEE, subject to cure of the default, if possible, by mortgagee or beneficiary. LESSEE expressly agrees to assign all its interest in and to its leasehold estate to mortgagee or beneficiary in that event.

- c. Abandonment by LESSEE. Even though LESSEE has breached the lease and abandoned the property, this lease shall continue in effect for so long as CITY does not terminate this lease, and CITY may enforce all its rights and remedies hereunder, including but not limited to the right to recover the rent as it becomes due, plus damages.
- d. Waiver. Any CITY waiver of a default is not a waiver of any other default. Any waiver of a default must be in writing and be executed by the City Manager in order to constitute a valid and binding waiver. CITY delay or failure to exercise a remedy or right is not a waiver of that or any other remedy or right under this lease. The use of one remedy or right for any default does not waive the use of another remedy or right for the same default or for another or later default. CITY'S acceptance of any rents is not a waiver of any default preceding the rent payment. CITY and LESSEE specifically agree that the property constituting the premises is CITY-owned and held in trust for the benefit of the citizens of the City of San Diego and that any failure by the City Manager or CITY staff to discover a default or take prompt action to require the cure of any default shall not result in an equitable estoppel, but CITY shall at all times, have the legal right to require the cure of any default when and as such defaults are discovered or when and as the City Council directs the City Manager to take action or require the cure of any default after such default is brought to the attention of the City Council by the City Manager or by any concerned citizen.

4.5 Eminent Domain. If all or part of the premises are taken through condemnation proceedings or under threat of condemnation by any public authority with the power of eminent domain, the interests of CITY and LESSEE (or beneficiary or mortgagee) will be as follows:

- a. In the event the entire premises are taken, this lease shall terminate on the date of the transfer of title or possession to the condemning authority, whichever first occurs.
- b. In the event of a partial taking, if, in the opinion of CITY, the remaining part of the premises is unsuitable for the lease operation, this lease shall

terminate on the date of the transfer of title or possession to the condemning authority, whichever first occurs.

- c. In the event of a partial taking, if, in the opinion of CITY, the remaining part of the premises is suitable for continued lease operation, this lease shall terminate in regard to the portion taken on the date of the transfer of title or possession to the condemning authority, whichever first occurs, but shall continue for the portion not taken.
- d. Award. All monies awarded in any such taking shall belong to CITY, whether such taking results in diminution in value of the leasehold or the fee or both; provided, however, LESSEE shall be entitled but limited to any award attributable to the taking of, or damages to, LESSEE'S then remaining leasehold interest in installations or improvements of LESSEE. CITY shall have no liability to LESSEE for any award not provided by the condemning authority.
- e. Transfer. CITY has the right to transfer CITY'S interests in the premises in lieu of condemnation to any authority entitled to exercise the power of eminent domain. If a transfer occurs, LESSEE shall retain whatever interest it may have in the fair market value of any improvements placed by it on the premises in accordance with this lease.
- f. No Inverse Condemnation. The exercise of any CITY right under this lease shall not be interpreted as an exercise of the power of eminent domain and shall not impose any liability upon CITY for inverse condemnation.

- 4.6 Additional Consideration to CITY. LESSEE acknowledges that CITY expends considerable sums for maintenance of Torrey Hills Neighborhood Park areas adjacent to the leasehold. LESSEE further acknowledges that the expenditure of such funds enhances the value of the leasehold. LESSEE and CITY agree that the exact amount of such enhancement is impossible to ascertain. However, CITY desires to be reimbursed to a reasonable extent in consideration for the continued maintenance of adjacent park areas. Therefore, LESSEE and CITY agree that in the event of a subletting of the majority portion of the leasehold, or in the event of a refinancing creating an encumbrance against the leasehold after the permanent improvements have been constructed, pursuant to the General Development Plan as described in Section 6.12 hereof, LESSEE shall pay to CITY two percent (2%) of any amount paid LESSEE in consideration of a sublease of all or a majority portion of the leasehold, or two percent (2%) of the amount of any increased loan or encumbrance against the property over and above the amount of the encumbrance needed to finance the improvements. The amount upon which the two percent (2%) shall be based shall be the total consideration resulting from the transaction including total cash payments and the market value of noncash consideration, including but not limited to stocks, bonds, deferred payments,

secured and unsecured notes, and forbearances regarding claims and judgments. Prior to CITY'S consent to any majority subletting or refinancing, LESSEE shall deliver to CITY a written statement of all sums due and owing to CITY from LESSEE pursuant to the provisions of this paragraph, together with an acknowledgment from the proposed sublessee or refinancing agency as to the amount due CITY. The sum due CITY shall be payable in full to CITY concurrent with the completion of the transaction, be it a sublease or a refinancing. Any subletting or refinancing in violation of the terms and conditions of this paragraph shall be void.

SECTION 5: INSURANCE RISKS/SECURITY

5.1 Indemnity.

- a. LESSEE agrees to defend, indemnify, protect, and hold the CITY, its agents, officers, and employees harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to LESSEE'S employees, invitees, guests, agents, or officers, which arise out of or are in any manner directly or indirectly connected with the development or operation of the leasehold or the work and operations to be performed under this agreement, and all expenses of investigating and defending against same; provided, however, that LESSEE'S duty to indemnify and hold harmless shall not include any claims or liability arising from the established active negligence, sole negligence, or sole willful misconduct of the CITY, its agents, officers, or employees.
- b. As to any civic event or special program by CITY pursuant to Section 1.9, CITY Use, hereof, CITY shall indemnify and hold harmless LESSEE from any claim, suit, action, or judgment against LESSEE arising from or out of CITY'S negligence or willful misconduct.

5.2 Insurance.

- a. LESSEE shall take out and maintain at all times during the term of this lease the following insurance at its sole expense:
 - (1) Public liability and property damage insurance in the amount of not less than Five Million Dollars (\$5,000,000) Combined Single Limit Liability with an occurrence claims form. This policy shall cover all injury or damage, including death, suffered by any party or parties from acts or failures to act by CITY or LESSEE or by authorized representatives of CITY or LESSEE on or in connection with the use or operation of the premises.

- (2) Fire, extended coverage, and vandalism insurance policy on all insurable property on the premises in an amount to cover one hundred percent (100%) of the replacement cost. Any proceeds from a loss shall be payable jointly to CITY and LESSEE. The proceeds shall be placed in a trust fund to be reinvested in rebuilding or repairing the damaged property. If there is a mortgage or trust deed on the leasehold in accordance with Section 4.3, Encumbrance, hereof, the proceeds may be paid to the approved mortgagee or beneficiary so long as adequate provision reasonably satisfactory to CITY has been made in each case for the use of all proceeds for repair and restoration of damaged or destroyed improvements on the premises.

b. LESSEE'S responsibility to maintain said insurance also includes the following:

- (1) Additional Insured. All insurance policies will name CITY as an additional insured, protect CITY against any legal costs in defending claims, and will not terminate without sixty (60) days' prior written notice to CITY. All insurance companies must be satisfactory to CITY and licensed to do business in California. All policies will be in effect on or before the first day of the lease, except "course of construction fire insurance" shall be in force on commencement of all authorized construction on the premises, and full applicable fire insurance coverage shall be effective upon completion of each insurable improvement. A copy of the insurance policy will remain on file with CITY during the entire term of the lease. At least thirty (30) days prior to the expiration of each policy, LESSEE shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the terms of this lease.
- (2) Modification. CITY, at its discretion, may require the revision of amounts and coverages at any time during the term by giving LESSEE sixty (60) days' prior written notice. CITY'S requirements shall be designed to assure protection from and against the kind and extent of risk existing on the premises. LESSEE also agrees to obtain any additional insurance required by CITY for new improvements, in order to meet the requirements of this lease.
- (3) Accident Reports. LESSEE shall report to CITY any accident causing more than Ten Thousand Dollars (\$10,000) worth of property damage or any serious injury to persons on the premises. This report shall contain the names and addresses of the parties involved, a statement of the circumstances, the date and hour, the

names and addresses of any witnesses, and other pertinent information.

- (4) Failure to Comply. If LESSEE fails or refuses to take out and maintain the required insurance or fails to provide the proof of coverage, CITY has the right to obtain the insurance. LESSEE shall reimburse CITY for the premiums paid with interest at the maximum allowable legal rate then in effect in California. CITY shall give notice of the payment of premiums within thirty (30) days of payment stating the amount paid, names of the insurer(s), and rate of interest. Said reimbursement and interest shall be paid by LESSEE on the first (1st) day of the month following the notice of payment by CITY.

Notwithstanding the preceding provisions of this Subsection b.(4), if LESSEE fails or refuses to take out or maintain insurance as required in this lease or fails to provide the proof of insurance, CITY has the right to declare this lease in default without further notice to LESSEE, and CITY shall be entitled to exercise all legal remedies in the event of such default.

- 5.3 Waste, Damage, or Destruction. LESSEE agrees to give notice to CITY of any fire or other damage that may occur on the leased premises within ten (10) days of such fire or damage. LESSEE agrees not to commit or suffer to be committed any waste or injury or any public or private nuisance, to keep the premises clean and clear of refuse and obstructions, and to dispose of all garbage, trash, and rubbish in a manner satisfactory to CITY. If the leased premises shall be damaged by any cause which puts the premises into a condition which is not decent, safe, healthy, and sanitary, LESSEE agrees to make or cause to be made full repair of said damage and to restore the premises to the condition which existed prior to said damage; or, at CITY'S option, LESSEE agrees to clear and remove from the leased premises all debris resulting from said damage and rebuild the premises in accordance with plans and specifications previously submitted to CITY and approved in writing in order to replace in kind and scope the operation which existed prior to such damage, using for either purpose the insurance proceeds as set forth in Section 5.2, Insurance, hereof.

LESSEE agrees that preliminary steps toward performing repairs, restoration, or replacement of the premises shall be commenced by LESSEE within thirty (30) days, and the required repairs, restoration, or replacement shall be completed within a reasonable time thereafter. For purposes of this section, "preliminary steps" include LESSEE'S notification of its insurance carrier of the loss.

SECTION 6: IMPROVEMENTS/ALTERATIONS/REPAIRS

- 6.1 Acceptance of Premises. By signing this lease, LESSEE represents and warrants that it has independently inspected the premises and made all tests, investigations, and observations necessary to satisfy itself of the condition of the premises. LESSEE agrees it is relying solely on such independent inspection, tests, investigations, and observations in making this lease. LESSEE further acknowledges that the premises are in the condition called for by this lease, that CITY has performed all work with respect to the premises, and that LESSEE does not hold CITY responsible for any defects whether apparent or latent, in the premises, including the presence of any hazardous wastes.
- 6.2 Entry and Inspection. CITY reserves and shall always have the right, but not the obligation, to enter the premises for the purpose of viewing and ascertaining the condition of the same, or to protect its interests in the premises, or to inspect the operations conducted thereon. In the event that such entry or inspection by CITY discloses that the premises are not in a decent, safe, healthy, and sanitary condition, CITY shall have the right, but not the obligation, after ten (10) days' written notice to LESSEE, to have any necessary maintenance work done at the expense of LESSEE, and LESSEE hereby agrees to pay promptly any and all costs incurred by CITY in having such necessary maintenance work done, in order to keep the premises in a decent, safe, healthy, and sanitary condition. Further, if at any time CITY determines that the premises are not in a decent, safe, healthy, and sanitary condition, CITY may at its sole option, without additional notice, require LESSEE to file with CITY a faithful performance bond to assure prompt correction of any condition which is not decent, safe, healthy, and sanitary. Said bond shall be in an amount adequate in the opinion of CITY to correct the said unsatisfactory condition. LESSEE shall pay the cost of said bond. The rights reserved in this section shall not create any obligations on CITY or increase obligations elsewhere in this lease imposed on CITY.
- 6.3 Maintenance. LESSEE agrees to assume full responsibility and cost for the operation and maintenance of the premises throughout the term. LESSEE shall make all repairs and replacements necessary to maintain and preserve the premises in a decent, safe, healthy, and sanitary condition satisfactory to CITY and in compliance with the General Development Plan described in Section 6.12, General Development Plan, hereof and with all applicable laws. LESSEE shall also maintain at its sole cost the following park areas outside the leased premises: 1) Vehicular access road from Carmel Mountain Road; 2) Pedestrian pathway from Via Congrejo; and 3) Slope area between the leased premises and the screen wall along Via Congrejo and between the park site and the parking lot on the access road.
- 6.4 Improvements/Alterations. No improvements, structures, or installations shall be constructed on the premises, and the premises may not be altered by LESSEE without prior written approval by the City Manager. Further, LESSEE agrees that

major structural or architectural design alterations to approved improvements, structures, or installations may not be made on the premises without prior written approval by the City Manager and that such approval shall not be unreasonably withheld. This provision shall not relieve LESSEE of any obligation under this lease to maintain the premises in a decent, safe, healthy, and sanitary condition, including structural repair and restoration of damaged or worn improvements. CITY shall not be obligated by this lease to make or assume any expense for any improvements or alterations.

- 6.5 Utilities. LESSEE agrees to order, obtain, and pay for all utilities and service and installation charges in connection with the development and operation of the leased premises. All utilities shall be installed underground.
- 6.6 Construction Bond. Whenever there is any construction to be performed on the premises, LESSEE shall deposit with CITY, prior to commencement of said construction, a faithful performance bond in the amount of one hundred percent (100%) of the estimated construction cost of the work to be performed. The bond may be in cash or may be a corporate surety bond or other security satisfactory to CITY. The bond shall insure that the construction commenced by LESSEE shall be completed in accordance with the plans approved by CITY or, at the option of CITY, that the uncompleted construction shall be removed and the premises restored to a condition satisfactory to CITY. The bond or cash will be held in trust by CITY for the purpose specified above or at CITY'S option it may be placed in an escrow or other trust approved by CITY.
- 6.7 Liens. LESSEE shall at all times save CITY free and harmless and indemnify CITY against all claims for labor or materials in connection with operations, improvements, alterations, or repairs on or to the premises and the costs of defending against such claims, including reasonable attorneys' fees.

If improvements, alterations, or repairs are made to the premises by LESSEE or by any party other than CITY, and a lien or notice of lien is filed, LESSEE shall within five (5) days of such filing either:

- a. take all actions necessary to record a valid release of lien, or
 - b. file with CITY a bond, cash, or other security acceptable to CITY sufficient to pay in full all claims of all persons seeking relief under the lien.
- 6.8 Taxes. LESSEE agrees to pay, before delinquency, all taxes, assessments, and fees assessed or levied upon LESSEE or the premises, including the land, any buildings, structures, machines, equipment, appliances, or other improvements or property of any nature whatsoever erected, installed, or maintained by LESSEE or levied by reason of the business or other LESSEE activities related to the leased premises, including any licenses or permits. LESSEE recognizes and agrees that

this lease may create a possessory interest subject to property taxation, and that LESSEE may be subject to the payment of taxes levied on such interest, and that LESSEE shall pay all such possessory interest taxes. LESSEE further agrees that payment for such taxes, fees, and assessments will not reduce any rent due CITY.

- 6.9 Signs. LESSEE agrees not to erect or display any banners, pennants, flags, posters, signs, decorations, marquees, awnings, or similar devices or advertising without the prior written consent of CITY. If any such unauthorized item is found on the premises, LESSEE agrees to remove the item at its expense within twenty-four (24) hours notice thereof by CITY, or CITY may thereupon remove the item at LESSEE'S cost.

6.10 Ownership of Improvements and Personal Property.

- a. Any and all improvements, trade fixtures, structures, and installations or additions to the premises now existing or constructed on the premises by LESSEE shall at lease expiration or termination be deemed to be part of the premises and shall become, at CITY'S option, CITY'S property free of all liens and claims, except as otherwise provided in this lease.
- b. LESSEE-owned machines, appliances, equipment (other than trade fixtures), and other items of personal property shall be removed by LESSEE by the date of the expiration or termination of this lease. Any said items which LESSEE fails to remove will be considered abandoned and become CITY'S property free of all claims and liens, or CITY may, at its option, remove said items at LESSEE'S expense.
- c. If any removal of such personal property by LESSEE results in damage to the remaining improvements on the premises, LESSEE agrees to repair all such damage at its expense.
- d. Any necessary removal by either CITY or LESSEE which takes place beyond said expiration or termination hereof shall require LESSEE to pay rent to CITY at the rate in effect immediately prior to said expiration or termination.
- e. Notwithstanding any of the foregoing, in the event LESSEE desires to dispose of any of its personal property used in the operation of said premises upon expiration or termination of this lease, then CITY shall have the first right to acquire or purchase said personal property.

- 6.11 Unavoidable Delay. If the performance of any act required of CITY or LESSEE is directly prevented or delayed by reason of strikes, lockouts, labor disputes, unusual governmental delays, acts of God, fire, floods, epidemics, freight embargoes, or other causes beyond the reasonable control of the party required to perform an act, said party shall be excused from performing that act for the period

equal to the period of the prevention or delay. Provided, however, this provision shall not apply to obligations to pay rental as required pursuant to this lease. In the event LESSEE or CITY claims the existence of such a delay, the party claiming the delay shall notify the other party in writing of such fact within ten (10) days after the beginning of any such claimed delay.

- 6.12 General Development Plan. LESSEE agrees to develop the leased premises in accordance with the General Development Plan to be submitted by LESSEE to the City Manager for review and approval within one (1) year after the effective date of this lease, including review for compliance with the California Environmental Quality Act (CEQA). The General Development Plan, upon approval by the City Manager, shall be attached hereto and made part of this lease. The general contents and provisions to be included in the General Development Plan are described in Section 9.2 hereof. The General Development Plan shall also include construction of roadway and pedestrian pathway improvements for access to the premises, which improvements shall be at LESSEE'S expense and satisfactory to the City Manager. The City Manager shall have the authority to authorize subsequent changes to the approved General Development Plan provided that the proposed changes are consistent with the terms and conditions of this lease and with any required development permit conditions and CEQA mitigation measures. Failure by LESSEE to comply with the requirements of this section or with the approved General Development Plan shall constitute a major default and subject this lease to termination by CITY. Provided LESSEE obtains construction financing and an appropriate conditional use permit, construction shall commence within four (4) years after the effective date of this lease. Furthermore, the completion date estimated in the General Development Plan for completion of the construction of facilities shall be no later than five (5) years after the effective date of this lease. The City Manager shall have the discretion to extend the period for completion of the construction of facilities for up to two (2) additional one (1)-year periods provided LESSEE submits a prior written request, which shall include a reasonable basis for such an extension.

No sooner than one (1) year and no later than six (6) months prior to the tenth anniversary of this lease and within that time frame every ten (10) years thereafter, LESSEE shall submit a Facilities Program Plan to CITY describing the investment that LESSEE will make to construct new improvements and refurbish existing ones on the premises during the next ten (10) years. Each Facilities Program Plan shall be subject to review and approval by the City Manager as to sufficiency of investment to ensure that good quality improvements are maintained on the premises at all times to satisfy LESSEE'S program requirements and the terms of this lease.

- 6.13 Hazardous/Toxic Waste. LESSEE will not allow the installation of additional underground storage tanks or release of hazardous substances in, on, under, or from the premises. For the purposes of this provision, a release shall include but

not be limited to any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leeching, dumping, or otherwise disposing of hazardous substances. "Hazardous substances" shall mean those hazardous substances listed by the Environmental Protection Agency in regularly released reports and any other substances incorporated into the State's list of hazardous substances. A copy of the presently effective EPA and the State lists is on file in the Office of the City Clerk as Document 769704-1 and by this reference is incorporated herein.

In the event of any release of a hazardous substance, LESSEE shall be responsible for all costs of remediation and removal of such substances in accordance with all applicable rules and regulations of governmental authorities.

LESSEE agrees to assume the defense of, indemnify, and hold CITY harmless from any and all claims, costs, and expenses related to environmental liabilities resulting from LESSEE'S operations on the premises, including but not limited to costs of environmental assessments, costs of remediation and removal, any necessary response costs, damages for injury to natural resources or the public, and costs of any health assessment or health effect studies.

If LESSEE knows or has reasonable cause to believe that any hazardous substance has been released on or beneath the premises, LESSEE shall give written notice to the City Manager within ten (10) days of receipt of such knowledge or cause for belief. Provided, however, if LESSEE knows or has reasonable cause to believe that such substance is an imminent and substantial danger to public health and safety, LESSEE shall notify the City Manager immediately upon receipt of this knowledge or belief and shall take all actions necessary to alleviate such danger. LESSEE will notify the City Manager immediately of any notice of violation received or initiation of environmental actions or private suits relative to the premises. In addition, LESSEE and LESSEE'S sublessees shall not utilize or sell any hazardous substance on the property without the prior written consent of CITY.

At any time within the twelve (12) months before the expiration or earlier termination of this lease, LESSEE, at CITY'S sole option, shall cause a Phase 1 environmental assessment of the premises to be completed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist, or Registered Civil Engineer. If, in the City Manager's opinion, the Phase 1 results so warrant, CITY may require further environmental assessment of the premises, which shall establish what, if any, hazardous substances exist on, in, or under the premises, and in what quantities. All environmental assessments shall be obtained at the sole cost and expense of LESSEE. If any hazardous substances exist in quantities greater than that allowed by CITY, county, state, or federal laws, statutes, ordinances, or regulations, then said environmental assessment shall include a discussion of these substances with recommendations for remediation and removal necessary to

effect compliance with those laws or statutes and estimates of the cost of such remediation or removal. LESSEE shall cause the remediation and/or removal recommended in the environmental assessment such that compliance with environmental law is achieved and shall be solely responsible for all costs and expenses incurred.

6.14 Best Management Practices. CITY and LESSEE acknowledge that the preservation of Torrey Hills Neighborhood Park for the enjoyment of the public is influenced by the continued protection of land and water quality in the park. To further this goal, LESSEE agrees to implement the program described herein to manage LESSEE'S activities in a manner which aids in the protection of land and water resources. LESSEE shall observe the Best Management Practices (BMP) listed below in order to control erosion and reduce the amount of pollutants and other sediments discharged from the leased premises into other areas of Torrey Hills Neighborhood Park. LESSEE shall also inform its employees, contractors, subcontractors, sublessees, agents, and vendors of the BMP and shall include in each applicable contract the requirement for compliance with BMP for maintenance of land and water quality within the leasehold.

- a. Parking Lots. Cleaning and/or sweeping of parking lots and walkways shall be done on a daily basis. In addition, the use of water for cleaning and/or sweeping shall be minimized. The sweeping program shall include, but not be limited to, the removal of litter, oil, grease, and particulate matter before it enters storm drains located on or around the leased premises. Catch basin inserts such as stormceptors shall be installed at storm drains when any new construction is performed on the leased premises.
- b. Landscaping. To prevent an excess amount of water runoff into Torrey Hills Neighborhood Park, grass filter strips or similar devices shall be utilized at all storm drain inlets that collect runoff from the existing landscaped areas of the parking lots. Drip irrigation shall be used in lieu of spray irrigation where practical. The irrigation system shall operate in a manner that ensures survival of plant materials. Inspection for damaged sprinkler heads and wear and tear shall be performed regularly.

Water-conserving plants and turf shall be used whenever feasible. Irrigation parts shall be replaced immediately upon detection of failure. Intentional disposal of landscape debris into storm drains is prohibited. Water used for irrigation shall not be allowed to run off the leased premises. Use of pesticides and fungicides that have been banned from manufacture by the U.S. EPA is prohibited.

- c. Erosion Control. Vegetation and other suitable ground cover on all slopes and other open areas shall be maintained to provide adequate long-term soil protection and erosion control to prevent the transport of sediment

from the leased premises during rainfall and irrigation. Any erosion problems caused by rainfall, broken sprinkler heads, or irrigation shall be corrected promptly, and any transported sediment shall be promptly removed before it reaches a storm drain or receiving water.

- d. Storm Drains. Hazardous material or waste, cleaning compounds or detergents (biodegradable or otherwise), runoff from cleaning operations of food containers or transport equipment, wash-down or wash-off containing organic matter either man-made or natural, liquid food products or grease, paint or paint cleaning materials, or anything else that is of a questionable nature shall not be discharged or disposed of into the storm drain system.
- e. Maintenance/Repairs. Complete washing of vehicles and equipment shall be done in a contained wash rack. Sandblasting or other heavy maintenance is prohibited within the leased premises. Any vehicle and equipment maintenance tasks that could cause a toxic discharge shall not be conducted on the leased premises. Oil changes shall be performed at a fuel dock.
- f. Recyclables/Hazardous Materials. Trash receptacles and containers for recyclables shall be provided and cleaned on a regular basis and clearly marked and sited so that they are convenient for patrons, guests, and staff on the premises. All hazardous materials shall be disposed of in a safe manner. Use of any pesticide that has a high risk of runoff or leaching shall be minimized and a suitable alternative utilized. A secure location shall be provided to store hazardous wastes with each container properly labeled.
- g. Other BMP. The foregoing BMP may be modified or new BMP required pursuant to Section 7.2, Compliance with Law, hereof.

LESSEE submitted and CITY acknowledges receipt of a current Work Force Report or a current Equal Employment Opportunity (EEO) Plan as required by Section 22.2705 of the San Diego Municipal Code, which sets forth the actions that LESSEE will take to achieve the CITY'S commitment to equal employment opportunities.

LESSEE agrees to insert the foregoing provisions in all subcontracts for any work covered by this lease agreement so that such provisions will be binding upon each subcontractor. LESSEE agrees that compliance with EEO provisions flowing from the authority of both parties will be implemented, monitored, and reviewed by the CITY'S Equal Opportunity Contracting Program staff.

LESSEE understands that failure to comply with the above requirements and/or submitting false information in response to these requirements may result in termination of this lease agreement and debarment from participating in CITY contracts for a period of not less than one (1) year.

- 7.6 Partial Invalidity. If any term, covenant, condition, or provision of this lease is found invalid, void, or unenforceable by a court of competent jurisdiction, the remaining provisions will remain in full force and effect.

- 7.10 Entire Understanding. This lease contains the entire understanding of the parties. LESSEE, by signing this agreement, agrees that there is no other written or oral understanding between the parties with respect to the leased premises. Each party has relied on its own examination of the premises, advice from its own attorneys, and the warranties, representations, and covenants of the lease itself. Each of the parties in this lease agrees that no other party, agent, or attorney of any other party has made any promise, representation, or warranty whatsoever which is not contained in this lease.

The failure or refusal of any party to read the lease or other documents, inspect the premises, and obtain legal or other advice relevant to this transaction constitutes a

waiver of any objection, contention, or claim that might have been based on these actions. No modification, amendment, or alteration of this lease will be valid unless it is in writing and signed by all parties.
