PERMITTEE expressly waives any claim for expense or loss which PERMITTEE might incur as a result of CITY'S revocation or termination of this Permit.

Notwithstanding the foregoing, CITY may, upon notice to PERMITTEE at termination or at any time prior to the expiration of the Term, elect not to assume ownership of all or any PERMITTEE-installed improvements,

trade fixtures, structures, and installations. In that case, PERMITTEE shall, at PERMITTEE'S sole cost and expense, remove all PERMITTEE-installed improvements, trade fixtures, structures, and installations as soon as practicable, but in no event later than sixty (60) days after the expiration or earlier termination of this Permit. If any removal of such PERMITTEE-installed improvements, trade fixtures, structures, and installations by PERMITTEE results in damage to the Permit Area, PERMITTEE shall repair all such damage at its sole cost and expense. If PERMITTEE fails to remove any improvements, structures, and installations as required by this Permit, CITY may, at its option, remove them at PERMITTEE'S sole cost and expense.

17.2. Personal Property. PERMITTEE shall remove PERMITTEE-owned machines, appliances, equipment (other than trade fixtures), furniture and other items of personal property upon the expiration of the Term, or as soon as practicable after termination, but in no event later than sixty (60) days after the expiration or earlier termination of this Permit. If any removal of such personal property by PERMITTEE results in damage to the Permit Area, PERMITTEE shall repair all such damage at its sole cost and expense.

17.3. Late Removal. For any period of time needed to remove any improvements or personal property, whether by CITY or PERMITTEE, after the expiration or termination of this Permit, PERMITTEE shall pay to CITY, on demand, fair market rent for the Permit Area; such rent to be determined by an appraisal prepared by CITY'S Real Estate Assets Department staff

17.4. CITY'S Right to Acquire Notwithstanding the foregoing, if PERMITTEE elects to dispose of any of its personal property used in its operations on the Permit Area, upon expiration of this Permit, City shall have the first right to acquire or purchase such personal property.

18. Insurance. PERMITTEE shall deliver to CITY a current certificate of insurance for:

- 1) Commercial General Liability Insurance, providing coverage for bodily injury, including death, personal injury, and property damage with limits of at least One Million Dollars (\$1,000,000) per occurrence, subject to an annual aggregate of at least Two Million Dollars (\$2,000,000);
- 2) Workers' Compensation Insurance, as required by the laws of the State of California for all of PERMITTEE'S employees who are subject to this Permit, with Employers' Liability coverage with a limit of at least One Million Dollars (\$1,000,000).

At least thirty (30) days prior to the expiration of each insurance policy, PERMITTEE shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the requirements of this Permit.
- 18.6. Modification. To assure protection from and against the kind and extent of risk existing on the Permit Area, CITY, at its discretion, may require the revision of amounts and coverage at any time during the Term by giving PERMITTEE thirty (30) days prior written notice. PERMITTEE shall also obtain any additional insurance required by CITY for new improvements, changed circumstances, or CITY'S reasonable re-evaluation of risk levels related to PERMITTEE'S use of the Permit Area.
- 18.7. Accident Reports. PERMITTEE shall immediately report to CITY any accident causing property damage or injury to persons on the Permit Area. Such report shall contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and other pertinent information.
- 18.8. Causes of Loss - Special Form Property Insurance. PERMITTEE shall obtain and maintain, at its sole cost, Causes of Loss - Special Form Property Insurance on all of

PERMITTEE'S insurable property on the Permit Area in an amount to cover 100 percent (100%) of the replacement cost. PERMITTEE shall deliver to CITY a certificate of such insurance.

19. Indemnification. PERMITTEE shall protect, defend, indemnify, and hold CITY and its elected officials, officers, employees, representatives, and agents harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to PERMITTEE'S officers, employees, invitees, guests, agents, or contractors, which arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE'S occupancy, use, development, maintenance or restoration of the Permit Area, and all expenses of investigating and defending against same, including without limitation attorney fees and costs; provided, however, that PERMITTEE'S duty to indemnify and hold harmless shall not include any claims or liability arising from the established active negligence, sole negligence, or sole willful misconduct of CITY and its elected officials, officers, employees, representatives, and agents. CITY may, at its election, conduct the defense or participate in the defense of any claim related in any way to this indemnification. If CITY chooses at its own election to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification, PERMITTEE shall pay all of the costs related thereto, including without limitation reasonable attorney fees and costs.
20. No Discrimination. PERMITTEE shall not discriminate in any manner against any person on account of race, color, religion, gender, sexual orientation, medical status, national origin, age, marital status, or physical disability in PERMITTEE'S use of the Permit Area, including without limitation the provision of goods, services, facilities, privileges, advantages, and accommodations, and the hiring of employees and contractors.
21. Local Business and Employment. PERMITTEE acknowledges that CITY seeks to promote employment and business opportunities for local residents and firms in all CITY contracts. For work associated with this Permit and to the extent legally possible, PERMITTEE shall use its best efforts to solicit applications for employment and bids and proposals for contracts from local residents and firms as opportunities occur. PERMITTEE shall use its best efforts to hire qualified local residents and firms whenever practicable.
22. Drug-free Workplace. If applicable, PERMITTEE shall abide by the omnibus drug legislation passed by Congress on November 18, 1988, by adopting and enforcing a policy to maintain a drug-free workplace for its' employees.
 - 22.1. PERMITTEE shall include in each of its sublicenses and contracts related to this Permit language obligating each sub-licensee and contractor to comply with the provisions of this section to maintain a drug-free workplace. PERMITTEE, and each of its sub-licensees and contractors, shall be individually responsible for their own drug-free workplace program.
23. Disabled Access Compliance. PERMITTEE shall comply with the 1990 Americans with Disabilities Act ("ADA") and Title 24 of the California Code of Regulations (commonly

known as the "building code") as defined in Section 18910 of the California Health and Safety Code and any other applicable federal, state, or local regulations hereafter enacted protecting the rights of people with disabilities. CITY shall hold harmless PERMITTEE from any pre-existing conditions in the permit area.

24. PERMITTEE'S Risk. PERMITTEE shall bear all risks and liability arising out of or in any manner directly or indirectly connected with PERMITTEE'S occupancy, use, development maintenance and restoration of the Permit Area and any damages to the improvements on, under, or in the vicinity of the Permit Area resulting directly or indirectly thereby.
25. No Nuisance. PERMITTEE shall not use the Permit Area in any manner which creates a nuisance or unreasonably disturbs the quiet enjoyment of persons in and to the surrounding area.
26. Assignment and Sublease. PERMITTEE shall not assign or sublicense any rights granted by this Permit or any interest in this Permit without CITY'S prior written consent, which may be unreasonably withheld or delayed in CITY'S sole and absolute discretion. Any assignment by operation of law shall automatically terminate this Permit.
27. Signs. PERMITTEE shall not erect or display any banners, pennants, flags, posters, signs, decorations, marquees, awnings or similar devices or advertising without CITY'S prior written consent. If any such unauthorized item is found on the Permit Area, PERMITTEE shall remove the item at its expense within 24 hours after notice by CITY, or CITY may thereafter remove the item at PERMITTEE'S cost.
28. Encumbrances. PERMITTEE shall keep the Permit Area and any CITY-owned property of which the Permit Area is a part free from all encumbrances and liens of any nature which arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE'S occupancy, use, development, maintenance or restoration of the Permit Area. PERMITTEE shall protect, defend, indemnify, and hold CITY harmless from and against any and all such encumbrances and/or liens, and from and against any claim, liability, cost or expense, including without limitation all attorney fees and costs, relating to or charged against the Permit Area, including without limitation PERMITTEE'S failure or the failure of any contractor or subcontractor hired by PERMITTEE to pay any person or persons referred to in Section 3181 of the California Civil Code or other applicable sections thereof.
29. Compliance with Laws. PERMITTEE shall, at its sole cost and expense, comply with all the requirements of all rules, regulations, ordinances, laws and direction of governing authorities now in effect or which may hereafter be in effect, which pertain to PERMITTEE'S occupancy, use, development, maintenance and restoration of the Permit Area.
30. Taxes. PERMITTEE shall pay, before delinquency, all taxes, assessments, and fees assessed or levied by reason of PERMITTEE'S occupancy, use, development, maintenance or restoration of the permit area.
31. Hazardous Substances. PERMITTEE shall not allow the installation or release of hazardous

substances in, on, under, or from the Permit Area by PERMITTEE, its officers, employees, invitees, guests, agents, or contractors ("PERMITTEE Parties"). PERMITTEE Parties shall not store, utilize, or sell any hazardous substance on the Permit Area without CITY'S prior written consent. For the purposes of this provision, a release shall include but not be limited to any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or otherwise disposing of hazardous substances. "Hazardous substances" shall mean those hazardous substances listed by the Environmental Protection Agency in regularly released reports and any other substances incorporated into the State of California's list of hazardous substances. A copy of the presently effective EPA and the State lists is on file in the Office of the City Clerk as Document 769704 and by this reference is incorporated into this Permit.

- 31.1. Remediation. If any release of a hazardous substance occurs as a result of PERMITTEE'S use, development, or maintenance of the Permit Area ("PERMITTEE'S Operations"), PERMITTEE shall pay all costs of remediation and removal of the hazardous substance in accordance with all applicable laws and rules and regulations of governmental authorities.
- 31.2. Indemnity. PERMITTEE shall protect, defend, indemnify, and hold CITY harmless from and against any and all claims, costs, and expenses related to environmental liabilities resulting from PERMITTEE'S Operations, including but not limited to costs of environmental assessments, costs of remediation and removal, any necessary response costs, damages for injury to natural resources or the public, and costs of any health assessment or health effect studies.
- 31.3. Notice of Release. If PERMITTEE knows or has reasonable cause to believe that any hazardous substance has been released on or within the Permit Area, PERMITTEE shall give written notice to CITY within three (3) business days after receipt of such knowledge or cause for belief. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent and substantial danger to public health and safety, PERMITTEE shall notify CITY by the most immediate means available and immediately upon receipt of such knowledge or belief and shall take all actions necessary to minimize the danger. PERMITTEE shall notify CITY immediately of any notice of violation received or initiation of environmental actions or private lawsuits related to the Permit Area.
- 31.4. Environmental Assessment. Upon reasonable cause to believe that PERMITTEE'S use, development, or maintenance of the Permit Area ("PERMITTEE'S Operations"), resulted in a hazardous substance being released on or from the Permit Area, CITY may cause an environmental assessment of the Permit Area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist, or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE'S sole cost and expense, and shall establish what, if any, hazardous substances have more likely than not been caused by PERMITTEE'S Operations and in what quantities. If any such hazardous substances exist in quantities greater than allowed

by municipal, county, state, or federal laws, statutes, ordinances, or regulations, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, CITY may cause, the remediation and/or removal recommended in the environmental assessment such that compliance with environmental law is achieved, and PERMITTEE shall pay all costs and expenses therefor. If the environmental assessment conclusively establishes that PERMITTEE'S Operations did not result in a hazardous substance being released on or from the Permit Area, CITY shall reimburse PERMITTEE for the cost of the assessment.

32. Waiver. The property constituting the Permit Area is publicly owned and held in trust for the benefit of CITY'S citizens. CITY'S failure to insist upon the strict performance of any of PERMITTEE'S obligations under this Permit, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect. CITY'S waiver of a default shall not be a waiver of any other default. Any waiver of a default must be in a writing executed by CITY to constitute a valid and binding waiver. CITY'S delay or failure to exercise a right or seek a remedy shall not be deemed a waiver of that or any other right or remedy under this Permit, at law or in equity. The exercise of any particular right or the use of any particular remedy for any default shall not waive the use of any other right or remedy for the same default or for another or later default. CITY'S acceptance of any rents shall not be a waiver of any default preceding the rent payment. CITY'S failure to discover a default or take prompt action to require the cure of any default shall not result in an equitable estoppel, but CITY may at any and all times require the cure of the default.
33. Cumulative Remedies. CITY'S rights and remedies under this Permit are cumulative and shall not limit or otherwise waive or deny any of CITY'S rights or remedies at law or in equity.
34. Survival. Any obligation which accrues under this Permit prior to its expiration or termination shall survive such expiration or termination.
35. Joint and Several Liability. If PERMITTEE is comprised of more than one person or legal entity, such persons and entities, and each of them, shall be jointly and severally liable for the performance of each and every obligation of PERMITTEE under this Permit.
36. No Affiliation. Nothing contained in this Permit shall be deemed or construed to create a partnership, joint venture or other affiliation between CITY and PERMITTEE or between CITY and any other entity or party, or cause CITY to be responsible in any way for the debts or obligations of PERMITTEE or any other party or entity.
37. Entire Agreement. This Permit constitutes the entire agreement between the parties and supersedes any and all prior understandings, representations, warranties and agreements between them pertaining to this Permit and PERMITTEE'S occupancy, use, development,

maintenance and restoration of the Permit Area. Any modification, alteration, or amendment of this Permit shall be in writing and signed by all the parties hereto.

38. Legal Proceedings. If any party brings an action or proceeding against another party under this Permit, the prevailing party shall be entitled to recover from the non-prevailing party all reasonable costs and expenses thereof, including without limitation reasonable attorney fees and costs. The "prevailing party" shall be that party who obtains substantially the result sought, whether by settlement, dismissal, or judgment. If, as a result of an action brought by or against PERMITTEE in connection with this Permit, CITY intervenes therein, becomes a party, or is made a party thereto, PERMITTEE shall pay all of CITY'S costs and expenses thereof, including without limitation reasonable attorney fees and costs.

39. Notices. Any notice required or permitted to be given under this Permit shall be in writing and may be served personally or delivered by United States mail, postage prepaid, and addressed to PERMITTEE at PERMITTEE'S Address for Notices, and to CITY as follows:

Each individual executing this Permit on behalf of another person or legal entity represents and warrants that he/she is authorized to execute and deliver this Permit on behalf of such person or entity in accordance with duly adopted resolutions or other authorizing actions which are necessary and proper and under such legal entity's articles, charter, bylaws, or other written rules of conduct or governing agreement, and that this Permit is binding upon such person or entity in accordance with its terms. 41. Acceptance of Permit Area. By signing this Permit, PERMITTEE represents and warrants that it has independently inspected the Permit Area and made all tests, investigations, and observations necessary to satisfy itself as to the condition of the Permit Area and its suitability for the Permit Use. PERMITTEE further represents and warrants that it is not relying on any representation by CITY as to the condition of the Permit Area or its suitability for the Permit Use, and that PERMITTEE is relying solely on its own and independent inspections, tests, investigations and observations of the Permit Area in entering into this

Permit. PERMITTEE accepts the Permit Area in its current condition, and acknowledges and agrees that CITY has fulfilled all obligations it may have had to improve, modify, repair, replace, alter, or otherwise develop the Permit Area prior to the Effective Date, other than as mutually agreed to by the PERMITTEE and CITY in writing. PERMITTEE shall not hold CITY responsible for any defects in the Permit Area. PERMITTEE accepts and assumes all risk of harm to all persons and property, including without limitation PERMITTEE'S employees, from any defects in the Permit Area, and shall be solely responsible therefor.
