Dear Mr. Smith:

Pursuant to your request of February 12, 1985, permission is hereby granted to the United States Geological Survey and its agents to enter onto the property of the City of San Diego for the purposes of constructing, maintaining, and monitoring a stream gage in the west bank of Carroll Canyon Creek in the location shown on the attached map.

In return for said permission to enter, the United States Geological Survey will provide to the City of San Diego, Engineering and Development Department Director, stream flow records obtained from said gage.

Very truly yours,

J. P. Casey
Director
