

**CITY OF SAN DIEGO
USE AND OCCUPANCY PERMIT**

THIS CITY OF SAN DIEGO USE AND OCCUPANCY PERMIT ("Permit") is entered into by and between **THE CITY OF SAN DIEGO**, a California municipal corporation ("CITY"), and **WASTE MANAGEMENT OF CALIFORNIA, INC.**, a California Corporation, ("PERMITTEE"), to be effective on the first of the month following the execution by the City Attorney ("Effective Date").

FOR VALUABLE CONSIDERATION, the sufficiency of which is acknowledged, the parties agree as follows:

1. **Definitions.** As used in this Permit, the following terms shall be defined as follows:
 - 1.1 **"Permit Area"** shall mean that certain portion of CITY-owned real property known as Assessor Parcel No.: 346-032-04-00, consisting of approximately 8,400 square feet of land, which is an unimproved fenced lot located on the west side of Kearny Mesa Road, just to the south of Magnatron Boulevard, San Diego, CA 92111, as more particularly depicted on **Exhibit A: Permit Area**, attached hereto.
 - 1.2 **"Permit Administrative Fee"** shall mean a one-time, non-refundable permit processing fee in the amount of Nine Hundred Eighty Dollars (\$980), which CITY has received.
 - 1.3 **"Monthly Rent"** shall mean monetary consideration payable to CITY by PERMITTEE in the initial amount of Two Thousand Four Hundred Twenty-eight Dollars (\$2,428.00) per month on the first day of each month. The Monthly Rent is subject to annual increases as set forth in Section 5.
 - 1.4 **"Permit Use"** shall mean the nonexclusive use of the Permit Area for the purpose of storage of large metal containers for driver use, and other incidental uses as CITY may allow by written consent. The subject parcel is zoned IL-2-1, which allows the current use of land for storage of containers.
 - 1.4 **"PERMITTEE's Address for Notices"** shall be:

Waste Management of California, Inc.
Attn: Craig Post
720 E. Butterfield Road, 4th Floor
Lombard, Illinois 60148
 - 1.5 **"Term"** shall mean three (3) years, commencing on the Effective Date.
2. **Revocable License.** CITY may revoke this Permit upon 90 days prior written notice, if the revocation is for CITY's convenience; however, if the revocation is based on a default of any of the terms and conditions of this agreement, or an emergency situation wherein CITY

in its sole discretion determines the Permit needs to be revoked, CITY may revoke the Permit immediately upon verbal notice provided to PERMITTEE

3. **Term.** The Term of this Permit shall commence on the Effective Date.
4. **Holdover.** If PERMITTEE continues to occupy the Permit Area after the expiration or earlier termination of this Permit, such occupancy shall neither constitute a renewal or extension of this Permit, nor give PERMITTEE any rights in or to the Permit Area. Subject to Section 15.4 **Late Removal**, if PERMITTEE continues to occupy the Permit Area after the expiration or earlier termination of this Permit, CITY may increase monthly rental rate, at the City's sole discretion, up to two times the then current monthly Rent, calculated on a per diem basis. CITY's acceptance of such rent shall neither constitute a renewal or extension of this Permit, nor give PERMITTEE any rights in or to the Permit Area.
5. **Rent.** PERMITTEE shall pay the Monthly Rent in advance on the first day of each month during the Term. If the Effective Date is not the first day of a calendar month, then the Monthly Rent payable for the partial month at the beginning of the Term shall be prorated on a per diem basis.

On the first day of each Permit year the monthly rent shall be increased by three percent (3%) as follows:

October 1, 2018: \$2,500.84 per month
October 1, 2019: \$2,575.87 per month

6. **Place of Payment.** All payments to be paid by PERMITTEE under this Permit shall be made payable to "City Treasurer" and be mailed with an invoice to:

San Diego City Treasurer
P.O. Box 129030
San Diego, California 92112-9030

or be hand delivered to:

The Office of the City Treasurer
Civic Center Plaza
1200 Third Avenue, First Floor
San Diego, California 92101

CITY may change the place of payment at any time upon thirty (30) days written notice to PERMITTEE. Mailed payments shall be deemed paid upon the date the payment is postmarked by the postal authorities. If postmarks are illegible, the payment shall be deemed received only upon actual receipt.

7. **Delinquent Payments.** If PERMITTEE fails to make any payments under this Permit when due, PERMITTEE shall pay to CITY, in addition to the unpaid amount, five percent (5%)

of the unpaid amount which shall be additional Rent. If any amount of such payment remains unpaid after fifteen (15) days past due, PERMITTEE shall pay to CITY an additional five percent (5%) of the unpaid amount (being a total of ten percent [10%]), which shall be additional Rent. Notwithstanding the foregoing, in no event shall the charge for the late payment of Rent be less than One Hundred Dollars (\$100). After thirty (30) days past due, unpaid amounts due CITY under this Permit may be referred to the San Diego City Treasurer for collection, and shall be subject to San Diego Municipal Code section 22.1707, as may be amended from time to time. PERMITTEE shall pay to CITY any collection-referral fee and all other fees and charges plus interest as may be charged by the CITY's City Treasurer under authority of the San Diego Municipal Code. Acceptance of late charges and any portion of the late payment by CITY shall neither constitute a waiver of PERMITTEE's breach or default with respect to the late payment nor prevent CITY from exercising any other rights and remedies available at law or in equity. As required by law, PERMITTEE is hereby notified that a negative credit report may be submitted to a credit reporting agency if amounts due CITY are not paid when due.

8. CITY's Right to Inspect and Audit. In the event that a CITY audit, if applicable, discloses that PERMITTEE's payments, which payments shall include the payment of any delinquency charges, for the audited period, have been underpaid in excess of five percent (5%) of the total required payments, then PERMITTEE shall pay CITY the cost of the audit plus ten percent (10%) per year on the amount by which said payments were underpaid ("Underpayment Audit Cost"). PERMITTEE agrees to pay said Underpayment Audit Cost and further agrees that the Underpayment Audit Cost represents a fair and reasonable estimate of the costs that CITY will incur from PERMITTEE's under payment. Acceptance of any Underpayment Audit Costs and/or any portion of late PERMITTEE payments of any kind by CITY shall in no event constitute a waiver of any PERMITTEE default with respect to late payment(s), nor prevent CITY from exercising any of the other rights and remedies granted in this Permit.
9. Assignment and Sublicense. PERMITTEE shall not assign or sublicense any rights granted by this Permit or any interest in this Permit. Any assignment by operation of law shall automatically terminate this Permit.
10. Unauthorized Activities. PERMITTEE shall not engage in any activity on the Permit Area, or any adjacent CITY-owned property, other than as pre-approved by this Permit. Any work performed/activities conducted by PERMITTEE on the Permit Area that were not previously approved or otherwise authorized by this Permit, shall be considered a default of this Permit and shall subject this Permit to immediate termination by CITY, at CITY's sole discretion.
11. Maintenance of the Permit Area. PERMITTEE shall, at PERMITTEE's sole cost and expense, and to CITY's satisfaction, maintain the Permit Area in good order and repair and in a safe, healthy and sanitary condition at all times during the Term, subject to normal and ordinary wear and tear resulting from PERMITTEE's authorized use of the Permit Area. CITY shall at no time during the Term of this Permit be required to make any improvements or repairs to the Permit Area. PERMITTEE shall keep the Permit Area free and clear of rubbish, debris and litter at all times. PERMITTEE shall keep the Permit Area

free and clear of weeds and brush as reasonably directed by CITY and to CITY's reasonable satisfaction.

12. Security and Safety of Permit Area. PERMITTEE shall bear sole responsibility for the security and safety of its activities and property kept at the Permit Area. PERMITTEE shall be responsible for the routine maintenance, cleanup, and securing of the Permit Area, as appropriate, to ensure security and safety of the Permit Area. PERMITTEE shall comply with all applicable laws, rules, regulations and directives of competent governmental authorities, at PERMITTEE's sole cost and expense, with respect to maintaining the Permit Area in a safe and secure manner during the Term.
13. Inspection of Permit Area. CITY may at all times enter and inspect the Permit Area; however, CITY is not obligated to do so.
14. Utilities. Upon prior written approval by CITY in all instances, PERMITTEE shall order, obtain, and pay for all utilities and service and installation charges in connection with its use of the Permit Area.
15. Improvements and Personal Property.
 - 15.1 Improvements. Upon expiration or termination of this Permit, PERMITTEE shall remove any and all other improvements, fixtures, structures, and installations or additions to the Permit Area that were constructed or installed on the Permit Area by PERMITTEE ("PERMITTEE Improvements"); this requirement to remove said PERMITTEE Improvements shall apply to PERMITTEE whether PERMITTEE constructed or installed said PERMITTEE Improvements during the current Term or during any previous time period wherein PERMITTEE was authorized to use the Permit Area. PERMITTEE shall, at PERMITTEE's sole cost and expense, remove PERMITTEE Improvements as soon as practicable, but in no event later than (60) calendar days after the expiration or earlier termination of this Permit. PERMITTEE, at its sole cost and expense, shall be responsible for the repair of any and all damage resulting from the removal of such PERMITTEE Improvements as required by this Permit. If PERMITTEE fails to remove PERMITTEE Improvements as required, CITY may, at its option, remove the same at PERMITTEE's sole cost and expense. Notwithstanding the foregoing, CITY may, upon notice to PERMITTEE at termination or at any time prior to the expiration of the Term, elect to assume ownership of all or any PERMITTEE Improvements as of the expiration or earlier termination of this Permit, at no cost to CITY. If CITY elects to assume ownership of all or any PERMITTEE Improvements, PERMITTEE shall honor such assumption and execute and deliver all necessary and appropriate documents, materials and other items reasonably needed to affect such transfer of ownership to CITY.
 - 15.2 Personal Property. PERMITTEE shall remove from the Permit Area all PERMITTEE-owned machines, appliances, equipment, trade fixtures, and other items of personal property upon the expiration of the Term, or as soon as practicable after earlier termination, but in no event later than ten (10) calendar days after the expiration or earlier termination of this Permit. Any such items which PERMITTEE

fails to remove shall be deemed abandoned and, subject to applicable law, become CITY's property free of all claims and liens, or CITY may, at its option, remove such items at PERMITTEE's sole cost and expense. PERMITTEE, at its sole cost and expense, shall be responsible for the repair of any and all damage resulting from the removal of its personal property from the Permit Area.

- 15.3 Post-Permit License. CITY grants permission to PERMITTEE to enter upon and occupy the Permit Area after the expiration or earlier termination of this Permit solely for the purpose of removing PERMITTEE Improvements and PERMITTEE's personal property as provided by this Permit. This provision shall survive the expiration or earlier termination of this Permit for the limited time periods stated above.
- 15.4 Late Removal. Notwithstanding any provision of this Permit to the contrary, PERMITTEE shall pay Rent to CITY for any period of time after the expiration or earlier termination of this Permit needed to remove PERMITTEE Improvements or personal property as required by this Permit, whether by CITY or PERMITTEE. Such Rent shall be calculated on a per diem basis using the Rental rate in effect just prior to the expiration or earlier termination of this Permit.
16. Insurance. PERMITTEE shall obtain and maintain throughout the Term of this Permit, at its sole cost and expense, all insurance required by this Permit. PERMITTEE's liabilities under this Permit, including without limitation PERMITTEE's indemnity obligations, shall not be deemed limited in any way to the insurance coverage required herein. PERMITTEE's maintenance of the required insurance coverage is a material consideration for this Permit. Notwithstanding any provision of this Permit to the contrary, if PERMITTEE fails to maintain or renew the insurance coverage required herein, or fails to deliver evidence of same to CITY, PERMITTEE shall be in default of this Permit. PERMITTEE shall not modify any policy or endorsement thereto which increases CITY's exposure to loss. PERMITTEE shall obtain and deliver to CITY's Real Estate Assets Department a current certificate of insurance and relevant endorsements for the following insurance, which shall be subject to CITY's written approval thereof:
- (a) Commercial General Liability Insurance ("CGL") written on an *ISO Occurrence form CG 00 01 07 98* or an equivalent form providing coverage at least as broad which shall cover liability arising from any and all personal injury, including death, and property damage with limits of at least Two Million Dollars (\$2,000,000) per occurrence, subject to an annual aggregate of at least Four Million Dollars (\$4,000,000). There shall be no endorsement or modification of the CGL limiting the scope of coverage for either insured vs. insured claims or contractual liability. All defense costs shall be outside the limits of the policy.
 - (b) Commercial Automobile Liability Insurance, providing coverage for all bodily injury, including death, and property damage on an *ISO form CA 00 01 12 90* or a later version of such form or an equivalent form providing coverage at least as broad for a combined single limit of at least One Million Dollars (\$1,000,000) per occurrence. Such insurance shall cover liability arising out of any vehicle

(including owned, hired, and non-owned vehicles) operated in performing any and all work pursuant to this Permit.

- (c) Workers' Compensation Insurance, as required by applicable laws, for all of PERMITTEE's employees who are subject to this Permit, with employers' liability coverage with a limit of at least One Million Dollars (\$1,000,000), and an endorsement that the insurer waives the right of subrogation against The City of San Diego and its elected officials, officers, employees, representatives and agents.

- 16.1 Additional Insureds. To the fullest extent allowed by law, including without limitation California Insurance Code section 11580.04, each policy must be endorsed to include as insureds "The City of San Diego and its elected officials, officers, employees, representatives and agents" with respect to liability arising out of: (a) ongoing operations performed by PERMITTEE or on PERMITTEE's behalf; (b) PERMITTEE's products; (c) PERMITTEE's work, including without limitation PERMITTEE's completed operations performed by PERMITTEE or on PERMITTEE's behalf; or (d) the Permit Area.
- 16.2 Primary & Non-Contributory. Each policy must be endorsed to provide that the insurance afforded by Commercial General Liability policies is primary to any insurance or self-insurance of The City of San Diego and its elected officials, officers, employees, representatives and agents as respects operations of the named insured. Any insurance maintained by The City of San Diego and its elected officials, officers, employees, representatives and agents shall be in excess of PERMITTEE's insurance and shall not contribute to it.
- 16.3 Severability of Interest. Each policy must be endorsed to provide that PERMITTEE's insurance shall apply separately to each insured against whom claim is made or suit is bought, except with respect to the limits of the insurer's liability and shall provide cross-liability coverage.
- 16.4 Qualified Insurer(s). Except for the State Compensation Insurance Fund, all insurance required by this Permit shall only be carried by insurance companies with a rating of at least "A-, VI" by A.M. Best Company that are authorized by the California Insurance Commissioner to do business in the State of California, and that have been approved by CITY. CITY may accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of California and is included on the List of Eligible Surplus Lines Insurers (i.e., the LESLI list). All policies of insurance carried by non-admitted carriers shall be subject to all of the requirements for policies of insurance provided by admitted carriers described herein. Each insurer shall be subject to CITY's approval in each instance.
- 16.5 Deductibles/Retentions. All deductibles and self-insured retentions on any insurance policy are the sole responsibility of PERMITTEE and must be disclosed and acceptable to CITY at the time evidence of insurance is provided.

- 16.6 Continuity of Coverage. All policies shall be in effect on or before the first day of the Term, except "course of construction fire insurance" shall be in force on commencement of all authorized construction, and full applicable fire insurance coverage shall be effective upon completion of each insurable improvement. The policies shall be kept in force for the duration of the Term. At least thirty (30) days prior to the expiration of each insurance policy, PERMITTEE shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the requirements of this Permit. PERMITTEE shall provide proof of continuing insurance at least annually during the Term and otherwise upon CITY's request. If insurance lapses or is discontinued for any reason, PERMITTEE shall immediately notify CITY and shall immediately obtain replacement insurance as soon as possible.
- 16.7 Modification. To assure protection from and against the kind and extent of risk existing with the Permit Use, CITY, at its reasonable discretion, may require the revision of amounts and coverage at any time by giving PERMITTEE thirty (30) days prior written notice. PERMITTEE shall also obtain any additional insurance required by CITY for new improvements, changed circumstances, or CITY's reasonable re-evaluation of risk levels related to the Permit Use.
- 16.8 Accident Reports. PERMITTEE shall immediately report to CITY any accident causing property damage or injury to persons on the Permit Area or otherwise related to the Permit Use. Such report shall contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and other pertinent information.
- 16.9 Causes of Loss - Special Form Property Insurance. PERMITTEE shall obtain and maintain, at its sole cost, Causes of Loss - Special Form Property Insurance on all of PERMITTEE's insurable property related to the Permit Use of the Permit Area under this Permit or the Permit Area in an amount to cover 100 percent (100%) of the replacement cost. PERMITTEE shall deliver a certificate of such insurance to CITY's Real Estate Assets Department.
17. Indemnification & Hold Harmless. PERMITTEE shall protect, defend, indemnify, and hold CITY and its elected officials, officers, employees, representatives, and agents harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to PERMITTEE's officers, employees, invitees, guests, agents, or contractors, which arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE's exercising of the rights granted to PERMITTEE herein, and all expenses of investigating and defending against same, including without limitation reasonable attorney fees and costs; provided, however, that PERMITTEE's duty to indemnify and hold harmless shall not include any established liability arising from the sole negligence or intentional misconduct of CITY and its elected officials, officers, employees, representatives, and agents. CITY may, at its election, conduct the defense or participate in the defense of any claim related in any way to this indemnification. If CITY chooses at its own election to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim

related to this indemnification, PERMITTEE shall pay all of the costs related thereto, including without limitation reasonable attorney fees and costs.

18. Restore and Vacate. Subject to the exception set forth in Section 15 Improvements and Personal Property above, prior to the expiration of this Permit or upon earlier termination of this Permit, PERMITTEE shall immediately cease all operation on the Permit Area, restore the Permit Area to the same or similar condition that existed on the Effective Date, normal wear and tear excepted for authorized Permit Uses, and upon such expiration or earlier termination immediately vacate the Permit Area.
19. Superior Interests. This Permit is subject to all liens, encumbrances, covenants, conditions, /restrictions, reservations, contracts, permits and licenses, easements, and rights-of-way pertaining to the Permit Area, whether or not of record. PERMITTEE shall obtain all licenses, permits, and agreements from such third parties as may be or become necessary or reasonably advisable to allow its use of the Permit Area, relative to any such superior interest. If PERMITTEE's use of the Permit Area is or becomes inconsistent or incompatible with a preexisting, superior interest, PERMITTEE shall take such actions and pay all costs and expenses necessary to remove such inconsistency or incompatibility to the satisfaction of the holder of the superior interest, or, in the alternative, PERMITTEE may terminate this Permit.
20. Governmental Approvals. By entering into this Permit, neither CITY nor CITY's City Council is obligating itself to PERMITTEE or to any governmental agent, board, commission, or agency with regard to any other discretionary action relating to PERMITTEE's use of the Permit Area. "Discretionary action" includes without limitation re-zonings, variances, environmental clearances and all other required governmental approvals.
21. CITY's Consent, Discretion. CITY's consent or approval under this Permit shall mean the written consent or approval of the Mayor of San Diego, or his designee ("Mayor"), unless otherwise required by law or expressly provided herein. CITY's discretionary acts hereunder shall be made in the Mayor's discretion, unless otherwise expressly provided or required by law.
22. Compliance with Laws. PERMITTEE shall at all times in its use, occupancy, and maintenance of the Permit Area comply with all applicable laws, rules and regulations and direction by competent governmental authorities, and all at PERMITTEE's sole cost and expense. At least annually, PERMITTEE shall deliver to CITY copies of all documentary evidence of such compliance received by or otherwise available to PERMITTEE (e.g., validation of periodic inspection of PERMITTEE's fire-suppression equipment used for/in conjunction with PERMITTEE's use of the Permit Area).
23. California Public Records Act. CITY shall determine, in its sole discretion, whether information provided by PERMITTEE pursuant to this Permit is or is not a public record subject to disclosure under the California Public Records Act ("CPRA"). PERMITTEE shall hold CITY and its elected officials, officers and employees harmless for CITY's disclosure of any such information in response to a request for information under the

CPRA.

24. No Discrimination. PERMITTEE shall not discriminate in any manner against any person on account of race, color, religion, gender, sexual orientation, gender identity, gender expression, medical status, national origin, age, marital status, or disability in PERMITTEE's use of the Permit Area, including without limitation the provision of goods, services, facilities, privileges, advantages, and accommodations, and the hiring and retention of employees and contractors.

PERMITTEE shall comply with Title VII of the Civil Rights Act of 1964, as amended; Executive Orders 11246, 11375 and 12086; the California Fair Employment Practices Act; and all other related and applicable federal and state laws and regulations. PERMITTEE shall not discriminate against any employee or applicant for employment based on race, religion, color, ancestry, age, gender, sexual orientation, disability, medical condition or place of birth. PERMITTEE shall cause the foregoing provisions to be inserted in all PERMITTEE's contracts for work related to this Permit so that such provisions will be binding upon each of PERMITTEE's contractors. PERMITTEE shall fully cooperate with any investigation conducted by CITY pursuant to CITY's Nondiscrimination in Contracting Ordinance (i.e., San Diego Municipal Code sections 22.3501-22.3517, as amended from time to time), and upon CITY's request PERMITTEE shall submit a current Workforce Report. PERMITTEE acknowledges that failure to comply with the requirements of this section and/or submitting false information in response to these requirements may result in termination of this Permit and debarment from participating in CITY contracts for a period of not less than one (1) year.
26. Equal Benefits. PERMITTEE shall comply with San Diego Municipal Code sections 22.4301-22.4308, which require applicable parties to offer the same employment benefits to employees with spouses and employees with domestic partners. PERMITTEE shall certify that it will maintain such equal benefits throughout the term of this Permit. PERMITTEE's failure to maintain equal benefits shall be a material breach of this Permit.
27. Disabled Access Compliance. PERMITTEE shall comply with Title 24 of the California Code of Regulations (i.e., the "Building Code"); the Americans with Disabilities Act of 1990 ("ADA"); and any other applicable state and federal laws and regulations enacted protecting the rights of people with disabilities. PERMITTEE's compliance shall include without limitation the following:
- 29.1 PERMITTEE shall not discriminate against qualified persons with disabilities in any aspects of employment, including recruitment, hiring, promotions, conditions and privileges of employment, training, compensation, benefits, discipline, layoffs and termination of employment;
- 29.2 No qualified individual with a disability may be excluded on the basis of disability from participation in, or be denied the benefits of, services, programs or activities of PERMITTEE;
- 29.3 PERMITTEE shall post a statement addressing the requirements of the ADA in a prominent place at the work site;

29.4 Where required by law, PERMITTEE shall, at PERMITTEE's sole cost in conformance with all applicable codes and accessibility regulations, comply with applicable disabled-access requirements by making accessible any areas of the Permit Area which deny access to disabled persons; and,

29.5 PERMITTEE shall include language in each sublicense agreement, if any, indicating the sublicensee's agreement to abide by the foregoing provisions.

PERMITTEE and each of its sublicensees shall be individually responsible for their own ADA compliance program. PERMITTEE's failure to comply with the above requirements and/or submitting false information in response to those requirements shall be a default under this Permit.

30. CITY Employee Participation Policy. CITY may unilaterally and immediately terminate this Permit if PERMITTEE employs an individual who, within the twelve (12) months immediately preceding such employment did, in their capacity as a CITY officer or employee, participate in negotiations with or otherwise have an influence on a recommendation made to the San Diego City Council related to the selection of PERMITTEE for this Permit. It is not the intent of this policy that these provisions apply to members of the City Council.
31. Local Business and Employment. PERMITTEE acknowledges that CITY seeks to promote employment and business opportunities for local residents and firms in all CITY contracts. For work associated with this Permit and to the extent legally possible, PERMITTEE shall use its best efforts to solicit applications for employment and bids and proposals for contracts from local residents and firms as opportunities occur. PERMITTEE shall use its best efforts to hire qualified local residents and firms whenever practicable.
32. PERMITTEE's Risk. PERMITTEE shall bear all risks and liability arising out of or in any manner directly or indirectly connected with PERMITTEE's use or occupancy of the Permit Area and any damages to the improvements on, under or in the vicinity of the Permit Area resulting directly or indirectly thereby.
33. No Nuisance. PERMITTEE shall not use the Permit Area in any manner which creates a nuisance or unreasonably disturbs the quiet enjoyment of persons in and to the surrounding area.
34. Signs. PERMITTEE shall not erect or display any banners, pennants, flags, posters, signs, decorations, marquees, awnings or similar devices or advertising without CITY's prior written consent. If any such unauthorized item is found on the Permit Area, PERMITTEE shall remove the item at its expense within twenty-four (24) hours after notice by CITY, or CITY may thereafter summarily remove the item at PERMITTEE's cost.
35. Encumbrances. PERMITTEE shall keep the Permit Area free from all encumbrances and liens of any nature which arise out of or are in any manner directly or indirectly connected with PERMITTEE's use or occupancy of the Permit Area. PERMITTEE shall protect,

defend, indemnify, and hold CITY harmless from and against any and all such encumbrances and/or liens, and from and against any claim, liability, cost or expense, including without limitation all attorney fees and costs, relating to or charged against the Permit Area, including without limitation PERMITTEE's failure, or the failure of any contractor or subcontractor hired by PERMITTEE, to pay any person or persons entitled to lien or encumber the Permit Area pursuant to California Civil Code.

36. Taxes. PERMITTEE shall pay, before delinquency, all taxes, assessments, and fees assessed or levied upon PERMITTEE or the Permit Area during the Term, including the land, any buildings, structures, machinery, equipment, appliances, or other improvements or property of any nature whatsoever erected, installed, or maintained by PERMITTEE, or levied by reason of PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area, including without limitation licensing and permitting costs and fees. PERMITTEE acknowledges that this Permit may create a possessory interest subject to property taxation, and that PERMITTEE may be subject to the payment of taxes levied on that interest. PERMITTEE shall pay all such possessory interest taxes. PERMITTEE's payment for such taxes, fees, and assessments shall not reduce any payment due CITY.
37. Hazardous Substances. PERMITTEE shall not allow the illegal installation, storage, utilization, generation, sale or release of Hazardous Substance or otherwise regulated substances in, on, under or from the Permit Area. PERMITTEE and PERMITTEE's agents and contractors shall not install, store, utilize, generate or sell any Hazardous Substance on the Permit Area without CITY's prior written consent. PERMITTEE shall, prior to initiating any operations, obtain all required permits from applicable regulatory agencies, including without limitation the San Diego County Department of Environmental Health, local fire agencies, the San Diego County Department of Weights and Measures, the San Diego County Air Pollution Control District, and the San Diego Regional Water Quality Control Board. Installing, utilizing, storing, or any other presence of a Hazardous Substance includes boxes, bags, bottles, drums, cylinders, above or below ground tanks, equipment with tanks, or any other type of container, equipment or device which holds or incorporates a Hazardous Substance or hazardous waste.
- 37.1 Release. For all purposes of this Permit, a "release" shall include without limitation any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or otherwise disposing of Hazardous Substances.
- 37.2 Hazardous Substances. For all purposes of this Permit, "Hazardous Substance" shall mean any substance listed by the Environmental Protection Agency or the State of California as a hazardous substance, and all types of petroleum-related substances and their chemical constituents.
- 37.3 Remediation. If PERMITTEE's occupancy, use, development, maintenance, or restoration of the Permit Area ("PERMITTEE's Operations") results in a release of a Hazardous Substance, PERMITTEE shall pay all costs of remediation and removal to the CITY's satisfaction for unrestricted reuse of the Permit Area, and in accordance with all applicable laws, rules, and regulations of governmental

authorities.

- 37.4 **Removal.** If PERMITTEE or PERMITTEE's contractor or agent has received approval and permits to store, utilize, generate, or install, or otherwise bring Hazardous Substances to the Permit Area, PERMITTEE and/or PERMITTEE's contractor or agent shall remove all Hazardous Substances in any type of container, equipment, or device from the Permit Area immediately upon or prior to the expiration or earlier termination of this Permit. CITY reserves the right to conduct inspections of the Permit Area and/or request documentation demonstrating the legal removal and/or disposal of the hazardous materials, wastes or other containers, equipment, or devices from the Permit Area. PERMITTEE shall be responsible for any and all costs incurred by CITY to remove any container, equipment, or device requiring disposal or removal as required by this provision.
- 37.5 **Indemnity.** PERMITTEE shall protect, defend, indemnify, and hold CITY harmless from any and all claims, costs, and expenses related to environmental liabilities resulting from PERMITTEE's Operations including without limitation: (i) costs of environmental assessments; (ii) costs of regulatory remediation oversight; (iii) costs of remediation and removal; (iv) any necessary CITY response costs; (v) all fines, penalties or fees assessed by any regulatory agency; (vi) damages for injury to natural resources, PERMITTEE's officers, employees, invitees, guests, agents, or contractors, or the public; and (vii) all costs of any health assessments or health effect studies.
- 37.6 **Notice of Release.** If PERMITTEE knows or has reasonable cause to believe that a Hazardous Substance has been released on, from, or beneath the Permit Area, PERMITTEE shall immediately notify CITY and any appropriate regulatory or reporting agency pursuant to California Code of Regulations Title 19 and any other applicable laws or regulations. PERMITTEE shall deliver a written report thereof to CITY within three (3) days after receipt of the knowledge or cause for belief and submit any required written reports to regulatory or reporting agencies as required by regulation or law. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent release or is an imminent substantial danger to public health and safety, PERMITTEE shall take all actions necessary to alleviate the danger. PERMITTEE shall immediately notify CITY in writing of any violation, notice to comply, or notice of violation received or the initiation of environmental actions or private suits related to the Permit Area.
- 37.7 **Environmental Assessment.** Upon reasonable cause to believe that PERMITTEE's Operations resulted in any Hazardous Substance being released on, from or beneath the Permit Area, CITY may cause an environmental assessment under regulatory oversight of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE's sole cost and expense, and shall establish what, if any, Hazardous Substances have more likely than not been caused by PERMITTEE'S Operations on, in, from or under the Permit Area, and in what

quantities. If any such Hazardous Substances exist in quantities greater than allowed by city, county, state, or federal laws, statutes, ordinances, or regulations, or require future restricted re-use of the Permit Area, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect unrestricted re-use and in compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, as determined by CITY in its sole discretion, then CITY may cause the remediation and/or removal recommended in the environmental assessment such that unrestricted re-use of the Permit Area and compliance with environmental laws and regulations are achieved, and PERMITTEE shall pay all costs and expenses therefor.

38. Water Quality - Best Management Practices. The CITY and PERMITTEE are committed to the implementation of controls (best management practices, or BMPs) to manage activities on the premises in a manner which aids in the protection of the City of San Diego's precious water resources. It is the PERMITTEE's responsibility to identify and implement an effective combination of BMPs so as not to cause pollutant discharges to the storm drain system in violation of San Diego Storm Water Management and Discharge Control Ordinance (San Diego Municipal Code Section 43.0301 to 43.0312).

Therefore, PERMITTEE shall, at a minimum, implement and comply, as applicable, with the Minimum Industrial and Commercial BMPs adopted under the San Diego Municipal Code Section 43.0307(a).

It is ultimately the PERMITTEE's responsibility to prevent pollutant discharges to the storm drain system. Therefore, the PERMITTEE will identify and implement any additional BMPs that may be required to avoid the discharge of pollutants to the storm drain system.

39. Waiver. The property constituting the Permit Area is publicly owned and held in trust for the benefit of CITY's citizens. CITY's failure to insist upon the strict performance of any of PERMITTEE's obligations under this Permit, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect. CITY's acceptance of any rents shall not be a waiver of any default preceding the rent payment. CITY's failure to discover a default or take prompt action to require the cure of any default shall not result in an equitable estoppel, but CITY may at any and all times require the cure of the default.
40. Cumulative Remedies. CITY's rights and remedies under this Permit are cumulative and shall not limit or otherwise waive or deny any of CITY's rights or remedies at law or in equity.
