FOR VALUABLE CONSIDERATION, the sufficiency of which is acknowledged, the parties agree as follows:

1. Definitions. As used in this Permit, the following terms shall be defined as follows:
 - a. **"Permit Area"** shall mean an approximate one (1) acre portion of that CITY-owned real property commonly known as the one and one-half (1.5) acre portion of Blocks 11 and 12 of American Park Addition and Block 7 of Homeland Villas, and located at the southwest corner of Balboa Avenue and Morena Boulevard, and more particularly described in **Exhibit A: Permit Area**, attached hereto.

 - c. **"Permit Use"** shall mean the exclusive use of the Permit Area solely as a lay down yard for the storage of drilling rig operations, including parking of drilling rigs and contractor trucks, storage of drilling tools, construction boxes for tools, pipe materials, drilling cement and grout materials, construction debris, soil and aggregates stockpiles, storage containers, excavators and trash dumpsters. Pursuant to Section 3 below, no other uses shall be allowed.
 - d. **"PERMITTEE's Address for Notices"** shall be: Kleinfelder, Inc.
Attn: Robert Torres
5015 Shoreham Place
San Diego, CA 92122
 - e. **"Term"** shall mean the period commencing on the Effective Date and terminating on November 30, 2014.
2. Occupancy. Subject to the terms and conditions of this Permit, CITY hereby grants permission to PERMITTEE, its officers, employees, agents, and contractors to enter upon and occupy the Permit Area solely for the purpose of the Permit Use.
3. Use of Permit Area. PERMITTEE may use the Permit Area solely for the Permit Use and for no other purpose whatsoever without CITY's prior written consent in each instance. PERMITTEE is required to install and maintain a fence with screening around the entire Permit Area during the entire Term.
4. Rent. PERMITTEE shall pay monetary consideration to CITY in the amount of Four Thousand Three Hundred Fifty-Six Dollars per month (\$4,356.00) for the entire Term.

5. Governmental Approvals. By entering into this Permit, neither CITY nor CITY'S City Council is obligating itself to PERMITTEE or to any governmental agent, board, commission, or agency with regard to any other discretionary action relating to PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area. "Discretionary action" includes without limitation re-zonings, variances, environmental clearances, and all other required governmental approvals.
6. CITY'S Consent, Discretion. CITY'S consent or approval under this Permit shall mean the written consent or approval of the Mayor of San Diego, or his or her designee ("Mayor"), unless otherwise expressly provided or required by law. CITY'S discretionary acts hereunder shall be made in the Mayor's discretion, unless otherwise expressly provided or required by law.
7. Term. The Term is set forth in Section 1(e), above. In no event shall the Term exceed three (3) years unless authorized by CITY's City Council.
8. Revocable License. This Permit is not a lease. It is a license to use CITY-owned property, and may be revoked at will by CITY, in its sole discretion. CITY shall not be obligated for any loss, financial or otherwise, which may be incurred by PERMITTEE as a result of such revocation or the termination of this Permit. PERMITTEE expressly waives any claim for expense or loss which PERMITTEE might incur as a result of CITY's revocation or termination of this Permit.
9. No Holdover. If PERMITTEE continues to occupy the Permit Area after the expiration or earlier termination of this Permit, such occupancy shall neither constitute a renewal or extension of this Permit, nor give PERMITTEE any rights in or to the Permit Area. If PERMITTEE continues to occupy the Permit Area after the expiration or earlier termination of this Permit, CITY may demand and receive from PERMITTEE rent for the Permit Area calculated on a per diem basis using up to three (3) times the fair market rental rate to be determined as of the date of the expiration or termination of this Permit by an appraisal prepared by a qualified appraiser selected by CITY in its sole discretion. CITY'S acceptance of such rent shall neither constitute a renewal or extension of the license, nor give PERMITTEE any rights in or to the Permit Area.
10. Termination by PERMITTEE. PERMITTEE may terminate this Permit for any reason upon thirty (30) days prior written notice.
11. Restoration of Permit Area. Except as otherwise provided in this Permit, prior to the expiration or as soon as practicable after termination of this Permit, PERMITTEE shall restore the Permit Area to its condition on the Effective Date, normal wear and tear excepted.
12. Superior Interests. This Permit is subject to all liens, encumbrances, covenants, conditions, restrictions, reservations, contracts, permits and licenses, easements, and rights-of-way pertaining to the Permit Area, whether or not of record. PERMITTEE shall obtain all licenses, permits, and agreements from such third parties as may be or become necessary or reasonably advisable to allow its use of the Permit Area, relative to any such superior interest. If PERMITTEE'S use of the Permit Area is or becomes inconsistent or

incompatible with a preexisting, superior interest, PERMITTEE shall take such actions and pay all costs and expenses necessary to remove such inconsistency or incompatibility to the satisfaction of the holder of the superior interest.

13. Monthly Rent for Non-Permitted Use. PERMITTEE shall pay CITY One Hundred percent (100%) of the Gross Income from any use of the Permit Area that is not allowed by this Permit, regardless of any related penalties charged PERMITTEE by competent governmental authorities. **"Gross Income"** shall mean all income derived by PERMITTEE resulting from occupancy of the Premises from whatever source derived, whether received or to become due. Such unauthorized use charge shall be payable to CITY within thirty (30) days after PERMITTEE receives such Gross Income. No unauthorized use charges shall satisfy or credit against any other rent obligations of PERMITTEE under this Permit. The unauthorized use charge shall otherwise be considered "rent" under this Permit, and shall be subject to all costs and penalties for delinquent payments hereunder. The existence of such unauthorized use charge and CITY's acceptance thereof shall not constitute authorization for the use in question, and shall not waive any of CITY's rights under this Permit.
14. Place of Payment. All amounts due under this Permit shall be made payable to "City Treasurer" and delivered to the Office of the City Treasurer, Civic Center Plaza Building, 1200 Third Avenue, First Floor, San Diego, CA 92101, or mailed with an invoice to:

THE CITY OF SAN DIEGO
Office of the City Treasurer
P.O. Box 129030
San Diego, CA 92112-9030
15. Delinquent Payments. Amounts due CITY under this Permit and not paid when due will be referred to the San Diego City Treasurer for collection, and PERMITTEE shall pay to CITY a collection-referral fee in the amount of ten percent (10%) of the unpaid amount or Twenty-Five Dollars (\$25), whichever is greater, plus interest on the unpaid amount at the rate of twelve percent (12%) per year. After thirty (30) days past due, unpaid amounts due CITY under this Permit may be referred to the San Diego City Treasurer for collection, and shall be subject to San Diego Municipal Code section 22.1707, as may be amended from time to time. PERMITTEE shall pay to CITY any collection-referral fee and all other fees and charges plus interest as may then be charged by the San Diego City Treasurer under authority of the San Diego Municipal Code. Acceptance of late charges and any portion of the late payment by CITY shall neither constitute a waiver of PERMITTEE's breach or default with respect to the late payment nor prevent CITY from exercising any other rights and remedies available at law or in equity. As required by law, PERMITTEE is hereby notified that a negative credit report may be submitted to a credit reporting agency if amounts due CITY are not paid when due.
16. Maintenance of the Permit Area. PERMITTEE shall, at PERMITTEE's sole cost and expense and to CITY's satisfaction, maintain the Permit Area in good order and repair and in a safe, healthy, and sanitary condition at all times during the Term. CITY shall not be required to make any improvements or repairs to the Permit Area. PERMITTEE shall keep the Permit Area free and clear of rubbish, debris, and litter at all times. PERMITTEE shall

keep the Permit Area free and clear of weeds and brush as reasonably directed by CITY and to CITY's reasonable satisfaction.

17. Inspection. CITY may at all times enter and inspect the Permit Area.
18. Improvements/Alterations. PERMITTEE shall not construct any improvements, structures, or installations on the Permit Area, and shall not alter the Permit Area without the express written consent of CITY. Except as required by law, CITY shall not be obligated to make any repair or assume any expense for any improvements or alterations to the Permit Area.
19. Ownership of Improvements and Personal Property.
 - a. Improvements. Upon expiration or termination of this Permit, PERMITTEE shall remove any and all improvements, fixtures, structures, and installations or additions to the Permit Area that were constructed or installed on the Permit Area by PERMITTEE ("PERMITTEE Improvements"). PERMITTEE shall, at PERMITTEE'S sole cost and expense, remove PERMITTEE Improvements as soon as practicable, but in no event later than sixty (60) days after the expiration or earlier termination of this Permit. PERMITTEE, at its sole cost and expense, shall be responsible for the repair of any and all damage resulting from the removal of PERMITTEE Improvements as required by this Permit. If PERMITTEE fails to remove PERMITTEE Improvements as required, CITY may, at its option, remove them at PERMITTEE'S sole cost and expense. Notwithstanding the foregoing, CITY may, upon notice to PERMITTEE at termination or at any time prior to the expiration of the Term, elect to assume ownership of all or any PERMITTEE Improvements. If CITY elects to assume ownership of all or any PERMITTEE Improvements, PERMITTEE shall honor such assumption and execute and deliver all necessary and appropriate documents, materials and other items reasonably needed to effect such transfer of ownership to CITY.
 - b. Personal Property. PERMITTEE shall remove PERMITTEE-owned machines, appliances, equipment, trade fixtures, and other items of personal property upon the expiration of the Term, or as soon as practicable after termination, but in no event later than thirty (30) days after the expiration or earlier termination of this Permit. Any such items which PERMITTEE fails to so remove shall be deemed abandoned and become CITY'S property free of all claims and liens, or CITY may, at its option, remove such items at PERMITTEE'S sole cost and expense. PERMITTEE, at its sole cost and expense, shall be responsible for the repair of any and all damage resulting from the removal of its personal property from the Permit Area.
 - c. Post-Permit License. CITY grants permission to PERMITTEE to enter upon and occupy the Permit Area after the expiration or earlier termination of this Permit solely for the purpose of removing PERMITTEE Improvements and PERMITTEE'S personal property as provided by this Permit. This provision shall survive the expiration or earlier termination of this Permit.
 - d. Late Removal. Notwithstanding any provision of this Permit to the contrary, PERMITTEE shall pay rent to CITY for any period of time after the expiration or termination of this Permit needed to remove PERMITTEE Improvements or personal

property as required by this Permit, whether by CITY or PERMITTEE. Such rent shall be calculated on a per diem basis using the rental rate in effect just prior to the expiration or termination of this Permit.

- e. CITY'S Right to Acquire Personal Property. If PERMITTEE wants to dispose of any of its personal property used in its operations on the Permit Area upon expiration or termination of this Permit, CITY shall have the first right to acquire such personal property.
20. Insurance. PERMITTEE shall obtain and maintain throughout the term of this Permit, at its sole cost and expense, all insurance required by this Permit. PERMITTEE's liabilities under this Permit, including without limitation PERMITTEE's indemnity obligations, shall not be deemed limited in any way to the insurance coverage required herein. PERMITTEE's maintenance of the required insurance coverage is a material consideration for this Permit. Notwithstanding any provision of this Permit to the contrary, if PERMITTEE fails to maintain or renew the insurance coverage required herein, or fails to deliver evidence of same to CITY, PERMITTEE shall be in default of this Permit. PERMITTEE shall not modify any policy or endorsement thereto which increases CITY's exposure to loss. PERMITTEE shall obtain and deliver to CITY's Real Estate Assets Department a current certificate of insurance and all relevant endorsements for (and subject to CITY's written approval of same):
- (1) Commercial General Liability Insurance ("CGL") written on an *ISO Occurrence form CG 00 01 07 98* or an equivalent form providing coverage at least as broad which shall cover liability arising from any and all personal injury, including death, and property damage with limits of at least Two Million Dollars (\$2,000,000) per occurrence, subject to an annual aggregate of at least Four Million Dollars (\$4,000,000). There shall be no endorsement or modification of the CGL limiting the scope of coverage for either insured vs. insured claims or contractual liability. All defense costs shall be outside the limits of the policy;
 - (2) Commercial Automobile Liability Insurance, providing coverage for all bodily injury, including death, and property damage on an *ISO form CA 00 01 12 90* or a later version of such form or an equivalent form providing coverage at least as broad for a combined single limit of at least One Million Dollars (\$1,000,000) per occurrence. Such insurance shall cover liability arising out of any vehicle (including owned, hired, and non-owned vehicles) operated in performing any and all work pursuant to this Permit; and
 - (3) Workers' Compensation Insurance, as required by applicable laws, for all of PERMITTEE's employees who are subject to this Permit, with employers' liability coverage with a limit of at least One Million Dollars (\$1,000,000), and an endorsement that the insurer waives the right of subrogation against The City of San Diego and its elected officials, officers, employees, representatives and agents.
- 20.1 Additional Insureds. To the fullest extent allowed by law, including without limitation California Insurance Code section 11580.04, each policy must be endorsed to include as an insured "The City of San Diego and its elected officials, officers, employees, representatives and agents" with respect to liability arising out of: (a) ongoing

operations performed by PERMITTEE or on PERMITTEE's behalf; (b) PERMITTEE's products; (c) PERMITTEE's work, including without limitation PERMITTEE's completed operations performed by PERMITTEE or on PERMITTEE's behalf; or (d) the Premises.

- 20.2 Primary & Non-Contributory. Each policy must be endorsed to provide that the insurance afforded by Commercial General Liability policies is primary to any insurance or self-insurance of The City of San Diego and its elected officials, officers, employees, representatives and agents as respects operations of the named insured. Any insurance maintained by The City of San Diego and its elected officials, officers, employees, representatives and agents shall be in excess of PERMITTEE's insurance and shall not contribute to it.
- 20.3 Severability of Interest. Each policy must be endorsed to provide that PERMITTEE's insurance shall apply separately to each insured against whom claim is made or suit is bought, except with respect to the limits of the insurer's liability and shall provide cross-liability coverage.
- 20.4 Qualified Insurer(s). Except for the State Compensation Insurance Fund, all insurance required by this Permit shall only be carried by insurance companies with a rating of at least "A-, VI" by A.M. Best Company that are authorized by the California Insurance Commissioner to do business in the State of California, and that have been approved by CITY. CITY may accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of California and is included on the List of Eligible Surplus Lines Insurers (i.e., the LESLI list). All policies of insurance carried by non-admitted carriers shall be subject to all of the requirements for policies of insurance provided by admitted carriers described herein. Each insurer shall be subject to CITY's approval in each instance.
- 20.5 Deductibles/Retentions. All deductibles and self-insured retentions on any insurance policy are the sole responsibility of PERMITTEE and must be disclosed and acceptable to CITY at the time evidence of insurance is provided.
- 20.6 Continuity of Coverage. All policies shall be in effect on or before the first day of the Term, except "course of construction fire insurance" shall be in force on commencement of all authorized construction, and full applicable fire insurance coverage shall be effective upon completion of each insurable improvement. The policies shall be kept in force for the duration of the Term. At least thirty (30) days prior to the expiration of each insurance policy, PERMITTEE shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the requirements of this Permit. PERMITTEE shall provide proof of continuing insurance at least annually during the Term and otherwise upon CITY's request. If insurance lapses or is discontinued for any reason, PERMITTEE shall immediately notify CITY and shall immediately obtain replacement insurance as soon as possible.
- 20.7 Modification. To assure protection from and against the kind and extent of risk existing with the Permit Use, CITY, at its reasonable discretion, may require the revision of amounts and coverage at any time by giving PERMITTEE thirty (30) days prior written

notice. PERMITTEE shall also obtain any additional insurance required by CITY for new improvements, changed circumstances, or CITY's reasonable re-evaluation of risk levels related to the Permit Use.

- 20.8 Accident Reports. PERMITTEE shall immediately report to CITY any accident causing property damage or injury to persons on the Premises or otherwise related to the Permit Use. Such report shall contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and other pertinent information.
- 20.9 Causes of Loss – Special Form Property Insurance. PERMITTEE shall obtain and maintain, at its sole cost, Causes of Loss - Special Form Property Insurance on all of PERMITTEE's insurable property related to the Permit Use of the Premises under this Permit or the Premises in an amount to cover 100 percent (100%) of the replacement cost. PERMITTEE shall deliver a certificate of such insurance to CITY's Real Estate Assets Department..
21. Indemnification & Hold Harmless. PERMITTEE shall protect, defend, indemnify, and hold CITY and its elected officials, officers, employees, representatives, and agents harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to PERMITTEE'S officers, employees, invitees, guests, agents, or contractors, which arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area, and all expenses of investigating and defending against same, including without limitation attorney fees and costs; provided, however, that PERMITTEE'S duty to indemnify and hold harmless shall not include any established liability arising from the gross negligence, recklessness, or intentional misconduct of CITY and its elected officials, officers, employees, representatives, and agents. CITY may, at its election, conduct the defense or participate in the defense of any claim related in any way to this indemnification. If CITY chooses at its own election to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification, PERMITTEE shall pay all of the costs related thereto, including without limitation reasonable attorney fees and costs.
22. Compliance with Laws. PERMITTEE shall at all times comply with all applicable laws, rules, and regulations, and direction by competent governmental authority at PERMITTEE's sole cost and expense.
23. California Public Records Act. CITY shall determine, in its sole discretion, whether information provided by PERMITTEE pursuant to this Permit is or is not a public record subject to disclosure under the California Public Records Act (CPRA). PERMITTEE shall hold CITY, its elected officials, officers and employees harmless for CITY's disclosure of any such information in response to a request for information under the CPRA.
24. No Discrimination. PERMITTEE shall not discriminate in any manner against any person on account of race, color, religion, gender, sexual orientation, medical status, national origin, age, marital status, or disability in PERMITTEE'S use of the Permit Area, including without limitation the provision of goods, services, facilities, privileges, advantages, and

accommodations, and the hiring and retention of employees and contractors.

25. Equal Opportunity. PERMITTEE shall comply with Title VII of the Civil Rights Act of 1964, as amended; Executive Orders 11246, 11375 and 12086; the California Fair Employment Practices Act; and all other related and applicable federal and state laws and regulations. PERMITTEE shall not discriminate against any employee or applicant for employment based on race, religion, color, ancestry, age, gender, sexual orientation, disability, medical condition or place of birth. PERMITTEE shall cause the foregoing provisions to be inserted in all of PERMITTEE's contracts for work related to this Permit so that such provisions will be binding upon each of PERMITTEE's contractors. PERMITTEE shall fully cooperate with any investigation conducted by CITY pursuant to CITY'S Nondiscrimination in Contracting Ordinance (i.e., San Diego Municipal Code sections 22.3501-22.3517, as amended from time to time), and upon CITY's request PERMITTEE shall submit a current Workforce Report. PERMITTEE acknowledges that failure to comply with the requirements of this section and/or submitting false information in response to these requirements may result in termination of this Permit and debarment from participating in CITY contracts for a period of not less than one (1) year.
26. Disabled Access Compliance. PERMITTEE shall comply with Title 24 of the California Code of Regulations (i.e., the "Building Code", as defined in Title 24 of the California Health and Safety Code), the Americans with Disabilities Act of 1990 ("ADA"); and any other applicable local, state and federal laws and regulations enacted protecting the rights of people with disabilities.  - c. PERMITTEE shall post a statement addressing the requirements of the ADA in a prominent place at the work site;
 - d. Where required by law, PERMITTEE shall, at PERMITTEE'S sole cost and in conformance with all applicable building codes, comply with applicable disabled-access requirements by making accessible any areas of the Permit Area which deny access to disabled persons; and
 - e. PERMITTEE shall include language in each sublicense agreement, if any, indicating the sublicensee's agreement to abide by the foregoing provisions.

PERMITTEE and each of its sublicensees shall be individually responsible for their own ADA compliance program. PERMITTEE'S failure to comply with the above requirements and/or submitting false information in response to those requirements shall be a default

under this Permit.

27. Equal Benefits. PERMITTEE shall comply with San Diego Municipal Code sections 22.4301-22.4308, which require applicable parties to offer the same employment benefits to employees with spouses and employees with domestic partners. PERMITTEE shall certify that it will maintain such equal benefits throughout the Term of this Permit. PERMITTEE's failure to maintain equal benefits shall be a material breach of this Permit.
28. CITY Employee Participation Policy. CITY may unilaterally and immediately terminate this Permit if PERMITTEE employs an individual who, within the twelve (12) months immediately preceding such employment did, in their capacity as a CITY officer or employee, participate in negotiations with or otherwise have an influence on a recommendation made to the San Diego City Council related to the selection of PERMITTEE for this Permit. It is not the intent of this policy that these provisions apply to members of the City Council.
29. Local Business and Employment. PERMITTEE acknowledges that CITY seeks to promote employment and business opportunities for local residents and firms in all CITY contracts. For work associated with this Permit and to the extent legally possible, PERMITTEE shall use its best efforts to solicit applications for employment and bids and proposals for contracts from local residents and firms as opportunities occur. PERMITTEE shall use its best efforts to hire qualified local residents and firms whenever practicable.
30. PERMITTEE's Risk. PERMITTEE shall bear all risks and liability arising out of or in any manner directly or indirectly connected with PERMITTEE's use and occupancy of the Permit Area and any damages to the improvements on, under, or in the vicinity of the Permit Area resulting directly or indirectly thereby.
31. No Nuisance. PERMITTEE shall not use the Permit Area in any manner which creates a nuisance or unreasonably disturbs the quiet enjoyment of persons in and to the surrounding area.
32. Assignment and Sublicense. PERMITTEE shall not assign or sublicense any rights granted by this Permit or any interest in this Permit without CITY's prior written consent. Any assignment by operation of law shall automatically terminate this Permit.
33. Signs. PERMITTEE shall not erect or display any banners, pennants, flags, posters, signs, decorations, marquees, awnings or similar devices or advertising without CITY'S prior written consent. If any such unauthorized item is found on the Permit Area, PERMITTEE shall remove the item at its expense within twenty-four (24) hours after notice by CITY, or CITY may thereafter remove the item at PERMITTEE'S cost.
34. Encumbrances. PERMITTEE shall keep the Permit Area and any CITY-owned property of which the Permit Area is a part free from all encumbrances and liens of any nature which arise out of or are in any manner directly or indirectly connected with this PERMITTEE's use and occupancy of the Permit Area, including without limitation PERMITTEE's failure or the failure of any contractor or subcontractor hired by PERMITTEE to pay any person or persons entitled to lien or encumber the Permit Area pursuant to the California Civil Code.

35. Taxes. PERMITTEE shall pay, before delinquency, all taxes, assessments, and fees assessed or levied by reason of PERMITTEE's occupancy, use, development, maintenance, or restoration of the Permit Area, including without limitation licensing and permitting costs and fees. PERMITTEE acknowledges that this Permit may create a possessory interest subject to property taxation, and that PERMITTEE may be subject to the payment of taxes levied on that interest. PERMITTEE shall pay all such possessory interest taxes. PERMITTEE's payment for such taxes, fees, and assessments shall not reduce any payment due CITY.
36. Hazardous Substances. PERMITTEE shall not allow the illegal installation, storage, utilization, generation, sale or release of hazardous or otherwise regulated substances in, on, under or from the Permit Area. PERMITTEE and PERMITTEE's agents and contractors shall not install, store, utilize, generate or sell any hazardous substance on the Permit Area without CITY's prior written consent. PERMITTEE shall, prior to initiating any operations, obtain all required permits from applicable regulatory agencies, including without limitation the San Diego County Department of Environmental Health, local fire agencies, the San Diego County Department of Weights and Measures, the San Diego County Air Pollution Control District, and the San Diego Regional Water Quality Control Board. Installing, utilizing, storing, or any other presence of a hazardous substance includes boxes, bags, bottles, drums, cylinders, above or below ground tanks, equipment with tanks, or any other type of container, equipment or device which holds or incorporates a hazardous substance or hazardous waste.
- 36.1 Release. A "release" shall include without limitation any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping or otherwise disposing of hazardous substances.
- 36.2 Hazardous Substance. "Hazardous substance" shall mean any substance listed by the Environmental Protection Agency or the State of California as a hazardous substance, and all types of petroleum-related substances and their chemical constituents.
- 36.3 Remediation. If PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area results in a release of a hazardous substance or petroleum related substance or its chemical constituents, PERMITTEE shall pay all costs of remediation and removal to the CITY's satisfaction for unrestricted reuse of the Permit Area, and in accordance with all applicable laws, rules and regulations of governmental authorities.
- 36.4 Removal. If PERMITTEE or PERMITTEE's contractor or agent has received approval and permits to store, utilize, generate or install, or otherwise bring hazardous materials or hazardous wastes to the Permit Area, PERMITTEE and/or PERMITTEE's contractor or agent shall remove all hazardous substances and hazardous wastes in any type of container, equipment or device from the Permit Area immediately upon or prior to the expiration or earlier termination of this Permit. CITY reserves the right to conduct inspections of the Permit Area and/or request documentation demonstrating the legal removal and/or disposal of the hazardous materials, wastes or other containers, equipment or devices from the Permit Area.

PERMITTEE shall be responsible for any and all costs incurred by CITY to remove any container, equipment or device requiring disposal or removal as required by this provision.

- 36.5 Indemnity. PERMITTEE shall protect, defend, indemnify and hold CITY harmless from any and all claims, costs and expenses related to environmental liabilities resulting from PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area, including without limitation: (i) costs of environmental assessments; (ii) costs of regulatory remediation oversight; (iii) costs of remediation and removal; (iv) any necessary CITY response costs; (v) all fines, penalties or fees assessed by any regulatory agency; (vi) damages for injury to natural resources, PERMITTEE's officers, employees, invitees, guests, agents or contractors, or the public; and (vii) all costs of any health assessments or health effect studies.
- 36.6 Notice of Release. If PERMITTEE knows or has reasonable cause to believe that a hazardous substance or petroleum related substance or its chemical constituents has been released on, from or beneath the Permit Area, PERMITTEE shall immediately notify CITY and any appropriate regulatory or reporting agency per California Code of Regulations Title 19 and any other applicable laws or regulations. PERMITTEE shall deliver a written report thereof to CITY within three (3) days after receipt of the knowledge or cause for belief and submit any required written reports to regulatory or reporting agencies as required by regulation or law. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent release or is an imminent substantial danger to public health and safety, PERMITTEE shall take all actions necessary to alleviate the danger. PERMITTEE shall immediately notify CITY in writing of any violation, notice to comply, or notice of violation received or the initiation of environmental actions or private suits related to the Permit Area.
- 36.7 Environmental Assessment. Upon reasonable cause to believe that PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area ("PERMITTEE's Operations"), resulted in any hazardous substance being released on, from or beneath the Permit Area, CITY may cause an environmental assessment under regulatory oversight of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE's sole cost and expense, and shall establish what, if any, hazardous substances have more likely than not been caused by PERMITTEE's Operations on, in, from or under the Permit Area, and in what quantities. If any such hazardous substances exist in quantities greater than allowed by city, county, state or federal laws, statutes, ordinances or regulations, or require future restricted re-use of the Permit Area, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect unrestricted re-use and in compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, as determined by CITY in its sole discretion, CITY may cause the remediation and/or removal recommended in the environmental assessment such that unrestricted re-use of the Permit Area and compliance with environmental law and

regulations are achieved, and PERMITTEE shall pay all costs and expenses therefor.

37. Water Quality Assurances. PERMITTEE shall comply with all applicable requirements of San Diego Regional Water Quality Control Board National Pollutant Discharge Elimination System Permit No. R9-2013-0001, and with any permit which succeeds R9-2013-0001. PERMITTEE shall comply with San Diego Municipal Code Chapter 4, Article 3, Division 3 (Stormwater Management and Discharge Control), as amended from time to time. Compliance shall include submitting to CITY a "Storm Water Pollution Prevention Plan" (Pollution Plan) and implementing "Best Management Practices" to control and prevent discharge of "Pollutants," including waste, debris, and sediment, into "Storm Water Conveyance System" to the "Maximum Extent Practicable," as those terms are defined in the Municipal Code. The Pollution Plan shall include, at a minimum, the Best Management Practices for Industrial/Commercial Sites listed in Section 7.0 and Appendix X of the City of San Diego Jurisdictional Urban Runoff Management Plan (Jan. 28, 2008), as amended from time to time. Within the first thirty (30) days of the Term, PERMITTEE shall submit a Pollution Plan satisfactory to CITY that will control and reduce the amount of "Pollutants" discharged from the Permit Area. CITY may review the Prevention Plan periodically. Within thirty (30) days after written notice from CITY requesting an update of the Prevention Plan, PERMITTEE shall submit an updated Prevention Plan to CITY's satisfaction. PERMITTEE shall implement all changes to the Prevention Plan as required by CITY and to ensure compliance with all applicable laws, ordinances, and regulations. PERMITTEE shall inform its employees, contractors, subcontractors, agents, and vendors of the Prevention Plan and ensure their compliance therewith.
38. Waiver. The property constituting the Permit Area is publicly owned and held in trust for the benefit of CITY's citizens. CITY's failure to insist upon the strict performance of any of PERMITTEE's obligations under this Permit, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect. CITY's waiver of a default shall not be a waiver of any other default. Any waiver of a default must be in a writing executed by CITY to constitute a valid and binding waiver. CITY's delay or failure to exercise a right or seek a remedy shall not be deemed a waiver of that or any other right or remedy under this Permit, at law, or in equity. The exercise of any particular right or the use of any particular remedy for any default shall not waive the use of any other right or remedy for the same default or for another or later default.
