MEMORANDUM OF AGREEMENT

THIS MEMORANDUM OF AGREEMENT (MOA) is executed between THE CITY OF SAN DIEGO'S REAL ESTATE ASSETS DEPARTMENT, AIRPORT DIVISION ("AIRPORT") AND POLICE DEPARTMENT ("SDPD"), acting through the City Manager, and both parties agree to comply with the terms and conditions of this agreement.

SECTION 1: USES

- 1.1 Premise. This MOA concerns real property known as Lots 1, 2 & 3 on Montgomery Field Airport (approximately 4.7 acres), south of Aero Drive, in the City of San Diego (CITY), County of San Diego, State of California, hereinafter called "Premise", as further described and delineated in Exhibit "A," attached hereto, and this Exhibit is hereby made part of this Agreement.
- 1.2 Uses. SDPD will use the Premise exclusively for operating its Eastern Substation, Traffic Division and other related uses. No other uses, whatsoever, are allowed without prior written approval from City Manager. AIRPORT will not unreasonably interfere with SDPD's use of the Premise.
- 1.3 Related Council Actions. By the granting of this Agreement, AIRPORT is not obligating itself to any other governmental agent, board, commission, or agency with regard to any other discretionary action relating to development or operation of the Premise.
- 1.4 Easements and Reservations. SDPD will notify AIRPORT in writing and receive written authorization of the City Manager and FAA, as necessary, before establishing future easements or right-of-ways along and across the Premise for utilities, thoroughfares, or access, as it deems advisable for the public good.

SECTION 2: TERM

- 2.1 Term. The term of this agreement is twenty-five (25) years, commencing on July 1, 1999, and terminating on June 30, 2024, unless terminated earlier by either party in accordance with Paragraph 10.13 Early Termination, herein.

SECTION 3: RENT

- 3.1 Time and Place of Payment. The annual rent will be based on the period from July 1 through June 30 of each MOA year to correspond to CITY's fiscal year. However, SDPD will pay the Airport Enterprise Fund the annual rent during each fiscal year on or before the first day of January. For example, Fiscal Year 2000 rent will be invoiced on July 1, 1999 and said rent will be due and payable on or before January 1, 2000.

- 3.2. Rent. SDPD will pay the Airport Enterprise Fund fair market rent for the Premise throughout the term of the MOA as stated below.

SDPD will pay to the CITY's Airport Enterprise Fund an initial annual rent of One Hundred Fourteen Thousand Eight Hundred Dollars (\$114,800) commencing in Fiscal Year 2000, with periodic rent adjustments, as described below:

- a. CPI Index Adjustments. On July 1, 2005, and at the beginning of each five-year period of the MOA term thereafter, the rent will be adjusted to reflect increases in the Consumer Price Index (CPI) as described below.

The index used will be the CPI for "All Urban Consumers" for Los Angeles/Long Beach/Anaheim, California. If this index is no longer published, the index for adjustment will be the U.S. Department of Labor's "Comprehensive Official Index" most comparable to the aforesaid index. If a rental adjustment is calculated using an index from a different base year than 1982-84, which equaled a base figure of 100 for the CPI, the base figure used will be first converted under a formula supplied by the Bureau of Labor Statistics or its successor.

If the Department of Labor indices are no longer published, another index generally recognized as authoritative will be substituted by AIRPORT.

Regardless of the index publication dates, the effective date of the rent adjustment is as specified in this Subsection a. CPI Index Adjustments., until the rent adjustment can be reasonably determined by the index method, SDPD will continue to make payments at the existing rental rate. When the adjustment is determined, the balance of rents due at the adjusted rate will be paid to AIRPORT on the date of the next scheduled rent payment; or, if the final scheduled MOA rent payment has been paid for that fiscal year, SDPD shall pay the additional rent due AIRPORT within 60 days of invoice by AIRPORT.

- b. Index Adjustment Computation. The rent for each rental period following the adjustment, until the next adjustment or other rental determination as provided herein, will be determined prior to the date of adjustment by multiplying the rent that is effective immediately prior to said adjustment by the "adjustment figure" established as follows:

The "adjustment figure" will be established by dividing the "current index" by the "base figure," both as defined herein:

The "base figure" for the first such adjustment will be the index figure published by said CPI for the month of July 2000, which is 159.1 for the purpose of Example 1 below.

The "current index" for the first adjustment will be the index for June, 2005, which is shown for purposes of Example 1 below as 169.1.

The "base figure" for each successive adjustment will be the "current index" figure used in the last preceding adjustment period; and, the "current index" will be the index for the month of June immediately preceding each adjustment, which is 138 for purposes of Example 2 below.

Example 1

Current Index 169.1 = 1.06 (rounded adjustment figure)
Base Figure 159.1

Effective Annual Rent x 1.06 = Adjusted Annual Rent

Example 2

Current Index 171.0
Base Figure 169.1 = 1.01 (Adjustment Figure)

Effective Annual Rent x 1.01 = Adjusted Annual Rent

The current rent is multiplied by the adjustment figure to determine the adjusted new annual rent. Using the foregoing examples, if the current rent is \$100,000 per year, it will be \$106,000 per year (\$100,000 x 1.06) after the first adjustment and the adjusted annual rent will be \$107,060 per year (\$106,000 x 1.01) after the second adjustment.

- c. Market Value Adjustments. In addition to the above CPI adjustments, the rent will be further adjusted to fair market rent on July 1, 2000, and at the beginning of the tenth (10th) and twentieth (20th) MOA years for the ensuing five-year periods as determined by a current appraisal. These market value adjustments will be calculated by multiplying the capitalization rate of ten percent (10%) by the fair market value of the Premise as of the adjustment date. The fair market value of the Premise will be determined by a professional, independent real estate appraiser selected by the Real Estate Asset Department Director from the CITY's active, approved list of appraisers. SDPD will reimburse AIRPORT for one-half the cost of the appraisal. The results of said appraisals shall be binding on both parties.

In establishing the fair market value of the Premise, the appraiser will consider the property as a fee simple absolute estate and as vacant and available for sale for use as light industrial with offices.

The date of the appraisal used to determine the fair market value must be within six (6) months of the rent adjustment date. If the appraisal is not completed in time to permit the adjustment to be made upon the date specified, SDPD agrees to continue to pay rent in accordance with the then-existing MOA rates and the adjustment, when determined, will be retroactive to said effective date of rental adjustment. Any deficiency will be paid by SDPD to AIRPORT on the next scheduled rent payment; or, if no future rent payments are due, the deficiency will be paid within sixty (60) days.

SECTION 4: ASSIGNMENT

- 4.1 Assignment and Subletting. SDPD will not assign this MOA or any interest therein and will not sublet the Premise or any part thereof or allow other parties, employees, agents and guests of SDPD to use or occupy the Premise without prior written consent from AIRPORT and the City Manager. A consent to assignment, subletting, occupation or use by any other person will not be deemed to be a consent to any subsequent assignment, subletting, occupation or use by another party.

SECTION 5: DEFAULTS AND REMEDIES

- 5.1 Defaults. Each of the following shall constitute an event of default under this lease:

- a. SDPD's failure to make any payment required under this lease when due;
- b. SDPD defaults in the performance of any covenant or condition required by this lease, other than those requiring payment the AIRPORT, to be performed by SDPD and fails to cure said default within thirty (30) days following written notice thereof from AIRPORT; or if any such default, other than those requiring payment to AIRPORT, is not curable within thirty (30) days, and fails to commence to cure the default(s) within said thirty-day period and diligently pursue such cure to completion;
- c. SDPD voluntarily files or involuntarily has filed against it any petition under any bankruptcy or insolvency act or law;
- d. SDPD is adjudicated a bankrupt;
- e. SDPD makes a general assignment for the benefit of creditors;

- 5.2 Remedies.

- a. Upon default by SDPD, AIRPORT may, at its option, give SDPD, or any person claiming rights through SDPD, a written Three (3) Day Notice to Pay or Quit, or

AIRPORT may terminate the lease and all rights of SDPD and of all persons claiming rights through SDPD to the Premise or to possession thereof, and AIRPORT may enter and take possession of the Premise (provided, however, in the event that any default described in Section 5.1 Defaults, hereof, is not curable within thirty (30) days after notice to SDPD, AIRPORT will not terminate this lease pursuant to the default if SDPD immediately commences to cure the default and diligently pursues such cure to completion), and may recover from SDPD the sum of:

- (i) the worth at the time of award of any unpaid rent that had been due at the time of termination;
- (ii) the worth at the time of award of the amount by which (a) the unpaid rent that would have been earned after termination until the time of award exceeds (b) the amount of rental loss, if any, ads SDPD affirmatively proves could have been reasonably avoided;
- (iii) the worth at the time of award of the amount by which (a) the unpaid rent for the balance of the term after the time of award exceeds (b) the amount of rental loss, if any as SDPD affirmatively proves could be reasonably avoided;
- (iv) any other amount necessary to compensate AIRPORT for all the detriment proximately caused by SDPD's failure to perform SDPD's obligations or that, in the ordinary course of things, would be likely to result; and
- (v) all other amounts in addition to or in lieu of those previously stated as may be permitted from time to time by California law.

As used in clauses (I) and (ii) of this Section, the "worth at the time of award" is computed by allowing interest at the rate of ten percent (10%) per annum. As used in clause (iii) of this Section, the "worth at the time of award" is computed by discounting that amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus two percent (2%). As used in this Section the term "rent" shall include Base Rent, Percentage Rent and any other payments required by SDPD.

- d. If there is a deed of trust or mortgage on the leasehold interest, AIRPORT will give the mortgagee or beneficiary written notice of the default(s) complained of, and the same mortgagee or beneficiary will have thirty (30) days from such notice to cure the default(s) or, if any such default is not curable within thirty (30) days, to commence to cure the default(s) and diligently pursue such cure to completion. The thirty (30) day period may be extended during such time as mortgagee or beneficiary pursues said cure with reasonable diligence.

If the mortgagee or beneficiary will be required to exercise its right to cure said default(s) through litigation or through foreclosure, then AIRPORT will have the option of the following courses of action in order that the default(s) may be expeditiously corrected:

- (i) AIRPORT may correct said default(s) and charge the costs thereof to the account of SDPD, which charge will be due and payable on the date that the rent is next due after presentation by AIRPORT to SDPD and mortgagee or beneficiary of a statement of said costs.
- (ii) AIRPORT may correct said default(s) and may pay the costs thereof from the proceeds of any insurance fund held by CITY and SDPD or by CITY and mortgagee or beneficiary, or AIRPORT may use the funds of any faithful performance or cash bond on deposit with AIRPORT, or AIRPORT may call on the bonding agent to correct the default(s) or to pay the costs of correction performed by or at the direction of AIRPORT.
- (iii) AIRPORT may terminate this lease as to the rights of SDPD by assuming or causing the assumption of liability for any trust deed or mortgage. SDPD agrees to assume and pay any and all penalties or bonuses required by the beneficiaries, trustees or mortgagees as a condition for early payoff of the related obligations by AIRPORT. AIRPORT may, as an alternative, substitute for the terminated SDPD a new SDPD reasonably satisfactory to the mortgagee or beneficiary. Any reasonable costs incurred by AIRPORT in releasing to a new tenant will be the responsibility of the terminated SDPD, and SDPD hereby agrees to reimburse AIRPORT for any such costs.

Should the default(s) be noncurable by SDPD, then any lender holding a beneficial interest in the leasehold, whose qualifications as an assignee have been approved by AIRPORT, will have the absolute right to substitute itself to the estate of SDPD hereunder and to commence performance of this lease. If such mortgagee or beneficiary will give notice in writing of its election to so substitute itself within the thirty-day period after receiving written notice by AIRPORT of the default, and the default, if curable, is cured by such mortgagee or beneficiary, then this lease will not terminate pursuant to the default. In that event, AIRPORT expressly consents to the substitution and authorizes the mortgagee or beneficiary to perform under this lease with all the rights, privileges, and obligations of SDPD, subject to cure of the default, if possible, by mortgagee or beneficiary. SDPD expressly agrees to assign all its interest in and to its leasehold estate to mortgagee or beneficiary in that event.

- c. Abandonment by SDPD. Even though SDPD has breached the lease and abandoned

the property, this lease will continue in effect so long as AIRPORT does not terminate this lease, and AIRPORT may enforce all its rights and remedies hereunder, including but not limited to the right to recover the rent as it becomes due, plus damages.

- d. Waiver. Any AIRPORT waiver of a default is not a waiver of any other default. Any waiver of a default must be in writing and be executed by the City Manager in order to constitute a valid and binding waiver. AIRPORT delay or failure to exercise a remedy or right is not a waiver of that or any other remedy or right under this lease. The use of one remedy or right for any default does not waive the use of another remedy or right for the same default or for another or later default. AIRPORT'S acceptance of any rents is not a waiver of any default preceding the rent payment. AIRPORT and SDPD specifically agree that the property constituting the Premise is CITY-owned and held in trust for the benefit of the citizens of The City of San Diego and that any failure by the City Manager or AIRPORT staff to discover a default or take prompt action to require the cure of any default will not result in an equitable estoppel, but AIRPORT will at all times, subject to applicable statute of limitations, have the legal right to require the cure of any default when and as such defaults are discovered or when and as the City Council directs the City Manager to take action or require the cure of any default after such default is brought to the attention of the City Council by the City Manager or by any concerned citizen.

SECTION 6: INSURANCE RISKS/SECURITY

- 6.1 Indemnity. SDPD agrees to defend, indemnify, protect, and hold AIRPORT, its agents, officers, and employees harmless from and against any and all claims for damages or injuries to any person or property, including injury to SDPD's employees, invitees, guests, or officers that arises out of or is in any manner directly or indirectly connected with the operation of the Premise, and all expenses of investigating and defending against same; provided, however, that SDPD's duty to indemnify and hold harmless will not include any claims or liability arising from the established negligence or willful misconduct of AIRPORT, its agents, officers, or employees.
- 6.2 Accident Reports. SDPD will report to AIRPORT any accident resulting in serious injury to a person or persons on the Premise, within ten days of each occurrence. This report will contain the name(s) and address(es) of the party(ies) involved, a statement of the circumstances, the date and hour, the name(s) and address(es) of any witness(es) and other pertinent information, as legally permissible.

SECTION 7: IMPROVEMENTS/ALTERATIONS/REPAIRS

- 7.1 Acceptance of Premise. By signing this MOA, SDPD represents and warrants that it has independently inspected the Premise, and SDPD does not hold AIRPORT responsible for any

defects in the Premise.

- 7.3 Maintenance. Except as hereinafter provided, SDPD, agrees to assume full responsibility and costs of operating and maintaining the Premise throughout the MOA term. All applicable codes and standards of state and federal agencies will be observed. SDPD will, at its expense, keep all trees and other vegetation on the Premise trimmed, both vertically and horizontally, to FAA and AIRPORT standards, which shall include inspecting the trees annually for the purpose of trimming heavy branches and removing any dead or diseased vegetation that might be hazardous during heavy winds.
- 7.4 Alterations. SDPD will not alter the Premise without the prior written consent of AIRPORT. All applicable City, County, State and Federal codes and requirements will apply to any alternations SDPD makes to the Premise or its improvements.

- 7.8 Signs. SDPD will not erect nor display any banners, pennants, flags, posters, signs, lighting or similar devices after commencement of this agreement that are determined by FAA or AIRPORT to be an obstruction or other hazard to aircraft operations.
- 7.9 Hazardous/Toxic Waste. SDPD will not allow hazardous substances in, on, under, or from the Premise during the term of this MOA. "Hazardous substances" will mean those listed by the Environmental Protection Agency in regularly released reports and any other substances included in the State's list of hazardous substances. SDPD will be responsible for all costs of remediation and removal of such hazardous substances resulting during the term of this MOA in accordance with all applicable rules and regulations of governmental authorities.

SDPD agrees to assume the defense of, indemnify, and hold AIRPORT harmless from any and all claims, costs and expenses related to environmental liabilities resulting during the term of this MOA.

If SDPD knows or believes that any hazardous substance has been released on or beneath the Premise, SDPD will give written notice to the City Manager and copy AIRPORT within ten (10) days of receipt of such knowledge. If SDPD has reasonable cause to believe that such substance is an imminent and substantial danger to public health and safety, SDPD will notify the City Manager and AIRPORT immediately. SDPD and SDPD's subtenants will not utilize nor sell any hazardous substance on the Premise without the prior written consent of AIRPORT.

SECTION 8: GENERAL PROVISIONS

- 8.1 Notices. - 8.4 Nondiscrimination. SDPD agrees not to discriminate in any manner against any person or persons on account of race, color, religion, gender, sexual orientation, medical status, national origin, age, marital status, or physical disability in SDPD's use of the Premise.

- 10.3 SDPD's Noninterference with Aircraft. SDPD agrees not to use the Premise or act in any manner that might interfere with any aircraft landing or taking off from Montgomery Field Airport or otherwise create a hazard. If this covenant is breached in any manner, AIRPORT reserves the right to immediately, without further notice, enter the Premise and abate or eliminate the interference at the expense of SDPD.

Memorandum of Agreement - San Diego Police and Real Estate Assets Departments

BACKGROUND:

Approximately fifteen (15) years ago, the City developed Police Eastern and Traffic Divisions partially on City-owned Lots 1, 2, & 3 at Montgomery Field Airport (6.14 acres), which is managed by City's Real Estate Assets Department, Airport Division.

The requested Council Action will authorize a Memorandum of Agreement between San Diego Police Department and Real Estate Asset Department, Airport Division to memorialize the verbal agreement between the two Departments, with the same basic agreement that is required of other Airport tenants; and to transfer monies from the Police Decentralization Fund to compensate the Airport Enterprise Fund for San Diego Police Department's use of the Airport property. The Airport Protection Act of 1996 requires that the Airport Enterprise Fund be fairly compensated for use of Airport land by other City departments and that the funds be used exclusively to benefit the City's Airports.

In Fiscal Year 1998, City transferred \$447,833.30 from the Police Decentralization Fund to the Airport Enterprise Fund to pay rents due. The current rent to the Airport Enterprise Fund is \$114,800 per year, which represents current market rent as established in a 1996 outside appraisal. The rent will be adjusted periodically by Consumer Price Index increases and outside appraisal.

Either Department may cancel this Agreement with a 180-day notice and City Manager approval.

FISCAL IMPACT: A minimum of \$114,800 will be transferred annually from the Police Decentralization Fund to the Airport Enterprise Fund.
