INTERDEPARTMENTAL MEMORANDUM OF UNDERSTANDING**

THIS CITY OF SAN DIEGO INTERDEPARTMENTAL MEMORANDUM OF UNDERSTANDING ("MOU") is made by and between the City of San Diego Department of Real Estate and Airport Management ("DREAM") and the City of San Diego Transportation Department ("TRANSPORTATION") to be effective as of March 1, 2022 (the "Effective Date"), as follows:

RECITALS

- A. WHEREAS, the City of San Diego ("City") owns the real property located at 8575 Gibbs Drive, San Diego, California, ("Property"), which is part of the Montgomery Gibbs-Executive Airport ("Airport"), which is an asset managed and operated by DREAM; and
- B. WHEREAS, TRANSPORTATION is in need of office and storage area for service delivery to other City departments and the public, and TRANSPORTATION has determined that the best location for TRANSPORTATION to consolidate staff into one central location is on a portion of the Property; and
- C. WHEREAS, as a result of FAA grant assurances, and other applicable regulations pertaining to the management and use of public airports in the National Plan of Integrated Airports Systems, DREAM is required to obtain fair market value for use of the Property for all nonaeronautical activities, even if such use is by another City department; and
- D. WHEREAS, TRANSPORTATION needed to immediately relocate to the Property and on March 1, 2022 initially occupied 6,075 sq. ft. of office space on the Property until such time the Fair Market Value Appraisal was received by DREAM; and
- E. WHEREAS, DREAM received the Fair Market Value Appraisal on August 2, 2022; and
- F. WHEREAS, this MOU is intended to clarify the terms under which TRANSPORTATION will continue to occupy and use a portion of the Property, including the rent to be paid, the term of the use and occupancy, and the responsibilities for maintenance and compliance with the grant assurances; and
- G. WHEREAS, TRANSPORTATION's future use of any other portion of the Property will be documented, either by amending this MOU, or by entering into additional MOUs;

NOW THEREFORE, TRANSPORTATION and DREAM agree as follows:

- 1. Premises. Pursuant to the terms of this MOU, TRANSPORTATION shall have the right to use and occupy a total of 9,859 sq. ft. ("Premises") of the following areas of the Property:

Effective March 1, 2022, TRANSPORTATION began to occupy a total of approximately 6,075 sq. ft. of office space on the second floor and kitchen on the first floor as depicted in **Exhibit A** attached hereto.

Effective on the later of December 1, 2022 or upon occupancy, TRANSPORTATION will occupy an additional 3,784 sq. ft. (suites 103 and 130) as depicted in **Exhibit A-1** attached hereto.

2. **Parking.** TRANSPORTATION shall have the right to access and use the parking lots associated with the Property, including non-exclusive use of twenty-eight (28) parking spaces (based on 2.85 parking spaces per 1,000 rentable square feet.) in Parking Lot C and non-exclusive use of two (2) parking spaces in the parking garage in Parking Lot A, as depicted in the attached **Exhibit B**, for its staff, guests, and visitors. TRANSPORTATION will ensure that any use of the parking lots complies with the most recent version of the Rules and Regulations provided to TRANSPORTATION by DREAM, attached hereto as **Exhibit B-1**. If for any reasons DREAM determines that it needs to close, change, alter, or rearrange the parking spaces in the parking lots and/or parking garage, DREAM will work with TRANSPORTATION to locate alternative parking arrangements. However, DREAM is not required under this MOU to provide alternative parking arrangements, and DREAM and TRANSPORTATION agree that changes to the available parking shall not reduce the amount of rent owed to DREAM for TRANSPORTATION's use and occupancy of the Premises.

3. **Uses.** TRANSPORTATION will only use the Premises for office and storage purposes and TRANSPORTATION shall not use or permit the Premises to be used for any other purpose, or by any other City department or third party, except with DREAM's prior written consent. Further, TRANSPORTATION agrees that it will ensure that its employees, contractors, agents, and all others using, entering onto or occupying the Premises as a result of this MOU will conform to the FAA covenants and reservations of rights set forth in **Exhibit C**, attached hereto.

5. **Term.** The term of this MOU shall be for three years commencing on March 1, 2022 ("Commencement Date") and ending on February 28, 2025 ("Termination Date"). Either DREAM or TRANSPORTATION may terminate this MOU for any reason with a ninety (90)-day notice to the other department.

6. **Rent.** On or before the first day of each month, TRANSPORTATION shall pay a monthly flat-rate rent for the Premises as follows:

Rent Effective March 1, 2022: Nine Thousand Nine Hundred Two Dollars and Twenty-Five Cents (\$9,902.25) per month (\$1.63 per square foot per month) for the approximately 6,075 square feet of office space and kitchen Premises. The obligation to pay rent shall commence on the Commencement Date.

Additional Rent: Effective on the later of December 1, 2022 or upon occupancy the additional 3,784 square feet of the Premises (Suite 103 and 130), rent shall be calculated on a daily rate of \$205.58 per day for partial calendar months and at a monthly rate of \$6,167.92 for every calendar month.

One year from the Commencement Date, the rent will be increased by three percent (3%). Two years from the Commencement Date, the rent will be increased an additional three percent (3%). Rent for the additional Premises will be increased by three percent (3%) annually commencing on the anniversary of the occupancy of the additional Premises.

7. **Holdover.** Any holding over by TRANSPORTATION after expiration of the term shall not be considered as a renewal or extension of this MOU. The continued occupancy of the

Premises by TRANSPORTATION after the expiration or termination of this MOU shall constitute a month-to-month tenancy, and all other terms and conditions of this MOU shall continue in full force and effect provided TRANSPORTATION shall, during the holdover tenancy, pay DREAM monthly rent of 150% of the last monthly rent amount owed under this MOU prior to the holdover tenancy.

8. Accident Reports. TRANSPORTATION shall immediately report to DREAM any accident causing property damage or injury to persons on the Premises or otherwise related to the allowed uses. Such report shall contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and other pertinent information.

DREAM shall use reasonable efforts to provide additional or after-hours heating or air conditioning at TRANSPORTATION's prior written request, provided TRANSPORTATION pays to DREAM the cost of such service as determined by DREAM.

DREAM reserves the right to exclude or expel from the Building any person who, in DREAM's judgment, is intoxicated or under the influence of liquor or drugs or who is in violation of any of the Rules and Regulations of the Building.
2. DREAM will re-key the Premises to City of San Diego "T" locks and furnish TRANSPORTATION with 18 keys to front building entrance door and suite entrance door, and DREAM may make a reasonable charge for any additional keys requested by TRANSPORTATION. TRANSPORTATION shall not have any keys made for the premises nor shall TRANSPORTATION alter any lock, or install new or additional locks or bolts, on any door without the prior express written approval of DREAM. In the event of such alteration or installation approved by DREAM, TRANSPORTATION making such alteration shall supply DREAM with a key for any such lock or bolt. TRANSPORTATION, upon the expiration or termination of its tenancy, shall deliver to DREAM all keys and access cards in any such TRANSPORTATION's possession for all locks and bolts in the Building and in the event of loss of any keys or cards so furnished shall pay DREAM therefore.
3. TRANSPORTATION shall not cause any unnecessary labor by reason of such TRANSPORTATION's carelessness or indifference in the preservation of good order and cleanliness of the premises. In the event TRANSPORTATION must dispose of crates, boxes, etc., which will not fit into office waste paper baskets, it will be the responsibility of TRANSPORTATION to dispose of same. In no event shall TRANSPORTATION set such items in the public hallways or other areas of the building or garage facility, excepting TRANSPORTATION's own premises, for disposal. TRANSPORTATION shall store all of its trash and garbage within its premises or in any other facilities provided by DREAM. All garbage and refuse disposal shall be made in accordance with directions issued from time to time by DREAM.
4. DREAM reserves the right to prescribe the date, time, method, and conditions that any personal property, equipment, trade fixtures, merchandise, and other similar items

shall be delivered to or removed from the Building. No iron safe or other heavy or bulky object shall be delivered to or removed from the Building, except by experienced safe personnel, movers, or riggers approved in writing in advance by DREAM. All damage done to the Building by the delivery or removal of such items, or by reason of their presence in the Building, shall be paid to DREAM, immediately upon demand, by TRANSPORTATION by, through, or under whom such damage was done. There shall not be any hand trucks, except those equipped with rubber tires, used in any space, or in the public halls of the Building, either by TRANSPORTATION or by jobbers or others, in the delivery or receipt of merchandise. TRANSPORTATION's initial move-in and subsequent deliveries of bulky items, such as furniture, safes and similar items shall, unless otherwise agreed in writing by DREAM, be made during the hours of 5:30 p.m. to 7:00 a.m., or on Saturday, or Sunday. 7. No sign, name, placard, advertisement or notice visible from the exterior of any premises, shall be inscribed, painted or affixed by TRANSPORTATION on any part of the Building without the prior written approval of DREAM.
8. No signaling, telegraphic or telephonic instruments or devices, burglar alarm systems or similar service, or other wire, instruments or devices, shall be installed in connection with the leased premises without the prior written approval of DREAM. Such installations, and the boring or cutting for wires, shall be made at the sole cost and expense of TRANSPORTATION and under the control and direction of DREAM. DREAM retains, in all cases, the right to require: (i) the installation and use of such electrical protecting devices that prevent the transmission of excessive currents of electricity into or through the Building; (ii) the changing of wires and of their installation and arrangement underground or otherwise as DREAM may direct; and (iii) compliance on the part of all using or seeking to use such wires with such rules as DREAM may establish relating thereto. All such wires used by TRANSPORTATION must be clearly tagged at the distribution boards and junction boxes and elsewhere in the Building, with (i) the number of the premises to which said wires lead; (ii) the

11. No canvassing, soliciting, distribution of hand bills or other written material, or peddling shall be permitted in the Building, and TRANSPORTATION shall cooperate with DREAM in presentation and elimination of same.
12. TRANSPORTATION shall give DREAM prompt notice of all accidents to or defects in air conditioning equipment, plumbing, electrical facilities, or any part or appurtenances of the premises.
13. If any premises become infested with vermin, TRANSPORTATION, at its sole cost and expense, shall cause its premises to be exterminated from time to time to the satisfaction of DREAM and shall employ such exterminators as shall be approved by DREAM.
14. No curtains, blinds, shades, screens, awnings, or other coverings or projections of any nature shall be attached to or hung in, or used in connection with any door, window, or wall of a leased premise of the Building without the prior written consent of DREAM.

15. TRANSPORTATION shall not place a load upon any floor of the leased premises which exceeds the load per square foot which such floor was designated to carry and which is allowed by law. DREAM shall have right to prescribe weight, size and position of all equipment, materials, furniture, or other property brought into the building. Heavy objects shall, if considered necessary by DREAM, stand on such platform as determined by DREAM to be necessary to properly distribute the weight, which platform shall be provided at TRANSPORTATION's expense. Business machines and mechanical equipment belonging to TRANSPORTATION, which cause noise or vibration that may be transmitted to the structure of the Building or to any space therein to such a degree as to be objectionable to DREAM or to any tenants in the Building, shall be placed and maintained by TRANSPORTATION at TRANSPORTATION's expense, on vibration eliminators, or other devices sufficient to eliminate noise or vibration. DREAM will not be responsible for loss of, or damage to, any such equipment or other property for any cause, and all damage done to the Building by maintaining or moving such equipment or other property shall be repaired at the expense of TRANSPORTATION.
16. TRANSPORTATION shall not waste electricity, water, or air conditioning and agrees to cooperate with DREAM to assure the most effective operation of the building's heat and air conditioning and to comply with the governmental energy saving rules, laws, or regulations of which TRANSPORTATION has actual notice, and shall refrain from attempting to adjust controls. TRANSPORTATION shall keep corridors closed and shall keep window coverings closed at the end of each business day.
17. DREAM shall have the right to prohibit any advertising by TRANSPORTATION, which in DREAM's opinion, tends to impair the reputation of DREAM or of the Building, or its desirability as an office building for existing or prospective tenants who require the highest standards of integrity and respectability, and upon written notice from DREAM, TRANSPORTATION shall immediately refrain from or discontinue such advertising.
18. Whenever the word "TRANSPORTATION" occurs, it is understood and agreed that it shall also mean TRANSPORTATION's associates, employees, agents, and any other person entering the Building or the leased premises under the express or implied invitation of TRANSPORTATION. TRANSPORTATION shall cooperate with DREAM to assure compliance by all such parties with the Rules and Regulations.
19. DREAM reserves the right to make reasonable amendments, modifications, and additions to the Rules and Regulations heretofore set forth, and to make additional reasonable rules and regulations as in DREAM's sole judgment may from time to time be needed for the safety, care, cleanliness, and preservation or good order of the Building.
20. A request by TRANSPORTATION will be attended to only upon application at the office of the Building. Employees of DREAM shall not perform any work or do anything outside of their regular duties unless under special instructions from

DREAM, and no employee will admit any person (TRANSPORTATION or otherwise) to any leased premises without specific instructions from DREAM.

21. DREAM shall have the right, exercisable without notice and without liability to TRANSPORTATION, to change the name and the street address of the Building of which leased premises are a part. DREAM will pay for all reasonable costs incurred by TRANSPORTATION as a result of changing the street address of the Building unless the change is requested by an authorized governmental agency.
22. TRANSPORTATION shall not obtain for use upon the premises ice, towel, or other similar services, except from persons authorized by DREAM and at the hours and under regulations fixed by DREAM.
23. DREAM may waive any one or more of these Rules and Regulations for the benefit of TRANSPORTATION, but no such waiver by DREAM shall be construed as a waiver of such Rules and Regulations in favor of TRANSPORTATION or any other tenant nor prevent DREAM from thereafter enforcing any such Rules and Regulations against any or all of the tenants of the Building.
24. TRANSPORTATION assumes any and all responsibility for protecting its leased premises from theft, robbery, and pilferage, which includes keeping doors locked and other means of entry to the leased premises secured. Federal Aviation Administration Lease and Use Agreement Provisions

TRANSPORTATION (Lessee) shall adhere to the following terms and conditions during the entirety of the time period covered by this MOU. If any term and or condition contained in this Exhibit conflicts with any provision contained in the main body of the MOU, the terms and conditions contained in the main body of the MOU shall prevail.

Definitions: (For information purposes only)

Aeronautical Activities: Any activity that involves, makes possible, or is required for the operation of aircraft, or which contributes to or is required for the safety of such operations. Activities within this definition, commonly conducted at airports, include but are not limited to air taxi and charter operations, scheduled and nonscheduled air carrier services, pilot training, aircraft rental and sightseeing, aerial photography, crop dusting, aerial advertising and surveying, aircraft sales and services, aircraft storage, sale of aviation petroleum products, repair and maintenance of aircraft, sale of aircraft parts, parachute, glider, balloon or ultralight activities and any other activities which, because of their direct relationship to the operation of aircraft, can appropriately be regarded as aeronautical activities.

Nonaeronautical activities: These include but are not limited to ground transportation (taxi, car rentals, limousines), restaurants, barber shops, auto parking lots, non-aviation businesses, recreational facilities and any other commodities, services, or accommodations made available to the general public that are of a nonaeronautical nature.

Assurance: A provision contained in a federal grant agreement with which the recipient of federal airport development assistance has voluntarily agreed to comply in consideration of the assistance provided.

Exclusive Right: A power, privilege, or other right excluding or debarring another from enjoying or exercising a like power, privilege, or right. An exclusive right can be conferred by express agreement, by the imposition of unreasonable standards or requirements, or by any other means. Such a right conferred on one or more parties but excluding others from enjoying or exercising a similar right or rights, would be an exclusive right.

Federal Obligation: Used in the context of a federal grant program, federal airport development assistance, land transfers, or other federal aid. It refers to an airport sponsor's legal duty and responsibility to comply with the terms of conveyance instruments and grant agreements.

Minimum Standards: The qualifications or criteria which may be established by an airport owner as the minimum requirements that must be met by businesses engaged in on-airport aeronautical activities for the right to conduct those activities.

4. DREAM reserves the right to further develop or improve the landing area of the airport as it sees fit, regardless of the desires or views of TRANSPORTATION and without interference or hindrance.

5. DREAM reserves the right, but shall not be obligated to TRANSPORTATION, to maintain and keep in repair the landing area of the airport and all publicly owned facilities of the airport, together with the right to direct and control all activities of the Lessee in this regard.
6. This lease shall be subordinate to the provisions and requirements of any existing or future agreement between City and the United States, relative to the development, operation, or maintenance of the airport. Failure of TRANSPORTATION or any occupant to comply with the requirements of any existing or future agreement between the lessor and the United States, which failure shall continue after reasonable notice to make appropriate corrections, shall be cause for immediate termination of Lessee's rights hereunder.
7. There is reserved to the DREAM, its successors and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the leased premises. This public right of flight shall include the right to cause in said airspace any noise inherent in the operation of any aircraft used for navigation or flight through said airspace or landing at, taking off from, or operating on the airport premises.

In the event the aforesaid covenants are breached, the owner reserves the right to enter upon the land hereunder and to remove the offending structure or object or cut the offending natural growth, all of which shall be at the expense of the Lessee.
10. TRANSPORTATION by accepting this lease agrees for itself, its successors and assigns that it will not make use of the leased premises in any manner which might interfere with the landing and taking off of aircraft or otherwise constitute a hazard. In the event the aforesaid covenant is breached, the owner reserves the right to enter upon the premises hereby leased and cause the abatement of such interference at the expense of TRANSPORTATION.

It is understood and agreed that nothing herein contained shall be construed to grant or authorize the granting of an exclusive right within the meaning of U.S. Code 40103 (e) and 47107(a)(4).

11. This lease and all the provisions hereof shall be subject to whatever right the United States Government now has or in the future may have or acquire, affecting the control, operation, regulation and taking over of said airport or the exclusive or nonexclusive use of the airport by the United States during the time of war or national emergency.

12. TRANSPORTATION will furnish services on a reasonable and not unjustly discriminatory basis to all users, and charge reasonable and not unjustly discriminatory prices for each unit or service, provided that the contractor may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.
13. TRANSPORTATION will conform to airport and Federal Aviation Administration safety and security rules and regulations regarding use of the airport operations area including runways, taxiways, aircraft aprons by vehicles, employees, customers, visitors, etc. in order to prevent security breaches and avoid aircraft incursions and vehicle/pedestrian deviations; will complete and pass airfield safe driving instruction program when offered or required by the airport; and will be subject to penalties as prescribed by the airport for violations of the airport safety and security requirements.
