

Operating Permit

Date of Application: September 29, 2011

Type of Operation: Fire Fighting Helicopter Operations and associated activities

Contact: Perry Esquer, Chief of Air Operations, 619-279-4464

Aircraft N # 800 DM Type Bell Model 201P
Aircraft N # 807 SS Type Bell Model 412 EP

This agreement is subject to the following conditions:

1. Permittee is insured by the City of San Diego
2. All operations must be coordinated with the Montgomery Field Control Tower and Airport Operations.
3. Permittee shall take all necessary steps to conduct the activities authorized by this permit in a safe and prudent manner and shall abide by all federal, State, and Local rules and regulations.
4. Permission is hereby granted to San Diego Fire Rescue Department to use an area of 92,990 square feet, west of Taxiway J and south of Taxiway H, (as shown in Attachment 1), at Montgomery Field Airport to conduct Fire Rescue operations from September 29, 2011 until June 30, 2012 for the consideration of \$300 per month, or \$3600 per year. Beginning July 1, 2012, the permit cost will increase to \$1,000 per month or \$12,000 per year, and a new permit will supersede this one.

The above is acknowledged and agreed to:

Chief of Air Operations Perry Esquer Date 15 October 2011
Perry Esquer

Deputy Director, Airports M.C. Tussey Date 29 September 2011
M.C. Tussey
