Dear Heide,

Happy New Year to you as well! Clark Construction has removed the camera and will not need to renew the license agreement. Thank you for giving us permission, as it was a great view.

Sincerely,

Hi Julie,

I hope you had an enjoyable holiday and Happy New Year!

I just wanted to see if Clark Construction needed a new License Agreement for the camera that was installed at the fire station located at 9366 Friars Road. The camera was installed to tape the stadium demolition and construction. The current agreement is due to expire on January 31, 2024.
