PERCENTAGE LEASE

Approved by Council Resolution

No. 222988 dated MAR 5 1979

THIS LEASE AGREEMENT is executed by and between THE CITY OF SAN DIEGO, a municipal corporation, hereinafter called "CITY" and MISSION BAY MARINA, a limited partnership of which COASTAL MARINE MANAGEMENT, a California corporation, dba Mission Bay Marina is the general partner hereinafter called "LESSEE".

I. DEMISED PREMISES. CITY hereby leases to LESSEE and LESSEE leases from CITY all of that certain real property situated in the City of San Diego, County of San Diego, State of California, described as Lots 25, 26, 27 and 28 of Quivira Basin, Mission Bay Park, together with the water areas adjacent thereto all as delineated on Exhibit "A" attached hereto and by this reference made part of this agreement. Said real property is hereinafter called the "premises".

- A. PERMITTED USE. Said premises are leased to LESSEE only for the purposes of construction, operation, and maintenance of a boat and boat motor repair yard, sale of boats, boat motors, and boat accessories, boat storage including launching and haul out facilities; marine hardware sales, marina, public yacht club, boat rentals, boat shows, charter boat rentals, not exceeding six passengers, restaurant, do-it-yourself boat repair yard and for such other purposes related or incidental to the above purposes as may first be approved in writing by the City Manager of said City and for no other purpose.
- B. OBLIGATION TO DILIGENTLY USE. LESSEE covenants to use said premises for the above-specified purposes and to diligently conduct the business thereon to produce a reasonable and substantial gross income.
- C. RELATED COUNCIL ACTIONS. By the granting of this lease, the City Council of The City of San Diego is not obligating itself with regard to any other discretionary action relating to development or operation of said premises. Such discretionary action includes, but is not limited to, rezonings, variances, environmental clearances or any other governmental agency approvals which are required.

II. TERM OF AGREEMENT.

- A. COMMENCEMENT AND TERMINATION. The term of this agreement shall be fifty (50) years commencing on the date of execution hereof by CITY.
- B. SURRENDER OF PREMISES. At the expiration or earlier termination of this lease, LESSEE shall execute, acknowledge and deliver to CITY, within five days after written demand by CITY, a valid and recordable quitclaim deed covering all of the leasehold premises. The leasehold premises shall be delivered free and clear of all liens and encumbrances.

CONSIDERATION

A. RENT.

Beginning on the date of execution of this agreement, LESSEE shall pay to CITY, monthly in arrears, and prior to the last day of calendar month following that month in which the revenue subject to rent was earned, a sum of money equal to:

- 1) FOUR PERCENT (4%) of gross income from repair and painting of boats, repair of motors; sale of boat and motor parts, accessories and marine hardware, and for boat launching, haul out, and lay days (as hereinafter defined);
- 2) ONE-HALF PERCENT (1/2%) of the gross sales price from sale of new or used boats, boat engines, and boat trailers, and accessories of such sale, in which LESSEE has a financial interest. Provided, however, that in the event the sale price includes a commission to a person not employed by LESSEE who also has an obligation to pay rent to the CITY based upon the commission income from said sale, then the gross sale price will be reduced by an amount equal to said commission prior to applying the 1/2 percentage rate. Provided further, that all costs for repairs, maintenance, and make-ready for a boat in preparation for its sale shall be included in the price of the boat and shall not be again included in the percentage rates for separate repairs, maintenance, etc., as shall follow under paragraph 1 hereof. Provided further that five years from the effective date hereof, this rate shall be reviewed by City Manager and LESSEE; at the option of CITY the rate may be increased to a rate not to exceed 2%, if the return from this activity is found to be not commensurate with that return provided by like operations on other City-owned property.
- 3) FIVE PERCENT (5%) of LESSEE'S retained commissions (as hereinafter defined) from sale of new and used boats, boat engines, and boat trailers in which LESSEE has no financial interest (otherwise known as "new and used boat brokerage") and from insurance brokerage;
- 4) TEN PERCENT (10%) of gross income from boat slip rental and other wet storage for the first two and one-half years from the effective date of this agreement; FIFTEEN PERCENT (15%) of gross income for the next two and one-half years; TWENTY PERCENT (20%) of gross income thereafter and continuing for the remainder of this lease term; Provided, however, that five years from the effective date hereof, this rate shall be reviewed by City Manager to determine the comparability of

return to CITY from this activity with that of like operations throughout the Southern California area. CITY shall have the right at that time to increase the rate of return commensurate with said like operations; Provided, however, such increase may not exceed a rate of 27 1/2 %.

- 20% 5) SEVEN PERCENT (7%) of gross income from dry storage (as hereinafter defined);
- 6) SEVEN PERCENT (7%) on gross income from charters on passenger boats of six or less passengers and from rentals of boats and marine equipment;
- 7) THREE PERCENT (3%) of gross income from sale of food, and non-alcoholic beverages; FIVE PERCENT (5%) from sale of alcoholic beverages;
- 8) SEVEN PERCENT (7%) of gross income from dues and initiation fees from any public yacht club memberships;
- 9) SEVEN PERCENT (7%) of gross income from rental of office space;
- 10) SEVEN PERCENT (7%) of gross income accruing to the LESSEE from coin-operated machines and telephones in which LESSEE has no ownership equity computed on the basis of income received by LESSEE, rather than the total income of said machines or telephones. Provided, however, that in the event the total gross income of said machines and/or telephones exceeds the amount of FIVE HUNDRED DOLLARS (\$500.00) per month, then the total gross income of said machines and/or telephones shall be computed.
- 11) SEVEN PERCENT (7%) of gross income from the admission fees to any boat shows held on subject premises;
- 12) THREE PERCENT (3%) of gross income from tool rental, space rental, and consultation fees for "do-it-yourself" boat repairs;
- 13) TWO PERCENT (2%) of gross income from specialty marine retail shops;
- 14) TEN PERCENT (10%) of all gross income from all other sales, services, or operation conducted on said premises not hereinabove specified. Provided however, that, in the event LESSEE requests City Manager permission to sell gasoline or diesel fuel on subject premises, (such permission shall not be unreasonably withheld), the City Manager and LESSEE may mutually agree in writing

to a percentage corresponding to the average rental paid for like services in the reasonable vicinity of subject premises, i.e. Mission Bay. Provided further, the City Manager and LESSEE may mutually agree in writing to another percentage rate or flat rate of rent for each such other sale, service, or operation not specifically named herein, prior to the commencement of each such other sale, service, or operation as approved by the City Manager.

B DEFINITIONS AND EXCLUSIONS.

- 1) The term "retained commissions" shall mean that sum of money retained by LESSEE or LESSEE'S agents only from the sale of items specified in paragraph 3 above. The commission which may be paid from the sale proceeds to a cooperating broker, agent, or salesman not employed by LESSEE is not included in LESSEE'S gross income.
- 2) The term "lay days" shall mean boat dry storage for less than 30 days or for a specific purpose, including, but not limited to, storage awaiting delivery to a buyer, awaiting repairs, or awaiting a survey by a marine surveyor. Excluded from the provision of paragraph 1) above shall be any income for wet storage for the purpose of "do-it-yourself" repairs. Said income shall be governed by the provisions of paragraph 12.
- 3) The term "dry storage" shall mean storage (other than for "do-it-yourself" repairs) for more than 30 days or for an indefinite period for no specific purpose.
- 4) The provisions of Paragraph A 14) shall not include boat sales or brokerage sales made off subject premises which may be included in LESSEE'S gross income as defined herein. All "off-premises" sales which are included in gross income shall be governed by the provisions of paragraphs A 2) and 3) above.

C. PERCENTAGE RENT ADJUSTMENT. Prior to the the end of the tenth year of the term of this agreement and prior to the end of each tenth year thereafter, the parties hereto by mutual consent or through arbitration as hereinafter set forth, will adjust the percentage rates of LESSEE'S gross income to be paid by CITY effective upon the first day of the succeeding ten-year period. Said adjustment will be made to the degree necessary to provide a fair rental to CITY as determined by CITY. Provided, however, no such adjustment will result in a projected rental increase exceeding 10% over the rents paid and payable for the three years preceding each adjustment if the adjusted percentage rates were applied to the gross income recorded for said preceding three years. In the event that such adjustment is not made by mutual consent prior to sixty days before the end of said ten-year periods, then the parties hereto will refer the matter to arbitration under the terms hereinafter set forth.

- i. Arbitration of Percentage Rent Adjustment. In the event the parties do not agree upon the amount of adjustment to said percentage rates as provided for in the previous paragraph, then the adjustment shall be determined by a qualified professional independent real estate appraiser selected by mutual consent of the parties to this agreement from the list of appraisers approved by the City Council of CITY. In the event the parties do not reach agreement as to selection of a mutually acceptable appraiser, then CITY and LESSEE will each select a qualified professional independent real estate appraiser who in turn will select a third qualified professional independent real estate appraiser who will be employed to set the percentage rates to be applied to LESSEE'S gross income for the ensuing period until the next percentage rent adjustment. In the event a mutually acceptable third appraiser is not agreed upon between the two selected appraisers within ten days, then the two selected appraisers will be discharged and the process repeated until mutuality is achieved and an appraiser is selected to complete the assignment. Each party shall pay the cost of its own selected appraiser and both CITY and LESSEE agree to equally share the cost of the third mutually appointed appraiser. CITY and LESSEE agree to accept and be bound by the percentage rates determined by the appraiser selected to complete the assignment.

In establishing the percentage rates for the items under controversy, the appraiser shall consider the CITY'S property as a fee simple absolute estate, as vacant and available for a full lease term on the open market for its highest and best use or, if this lease has a restricted purpose, then for uses consistent with the authorized purposes of this lease at the commencement of the rental period under arbitration. The appraiser will be guided by prevailing published market percentage rates for similar operations primarily (if available) within the Southern California area.

The date of value of the appraisal shall be on the date of rental adjustment as hereinabove established. In the event the appraisal is not completed in time to permit the percentage adjustment to be made upon the date specified, LESSEE agrees to continue to pay rent in accordance with the then existing lease rates and the adjustment, when determined, will be retroactive to said effective date of rental adjustment as hereinabove established. Any deficiency or overage shall be paid by LESSEE or refunded as applicable by CITY within sixty days after determination of the new percentage rate(s).

D. GROSS INCOME. Gross income, as used in this lease, shall include all income resulting from occupancy of the leased premises from whatever source derived whether received or to become due. Provided, however, gross income shall not include federal, state or municipal taxes collected from the consumer (regardless of whether the amount thereof is stated to the consumer as a separate charge) and paid over periodically by LESSEE to a governmental agency accompanied by a tax return or statement as required by law. The amount of such taxes shall be shown on the books and records elsewhere herein required to be maintained. The aforesaid percentage rent shall be calculated and paid by LESSEE on the basis of said gross income whether the income is received by LESSEE or by any sublessee or their agents and all gross income received by any sublessee or other party as a result of occupancy of said premises or the operation thereof shall be regarded as gross income of LESSEE for the purpose of calculating the percentage rent hereunder required to be paid by LESSEE to CITY. By use of the phrase "as a result of occupancy of said premises or the operation thereof" it is expressly understood by the parties hereto that gross income shall not include any income of LESSEE'S corporation, partnership, agents, or sublessees derived from services, sales, or operations performed off of subject premises and not brought about because of the occupancy of subject premises. Said exclusion from gross income shall include but not be limited to the sale of any boat which has never been located on subject premises, to customers not obtained because of the occupancy.

E. FINANCIAL RECORDS MAINTENANCE.

1. LESSEE shall keep true, accurate and complete records in a manner and form satisfactory to CITY from which CITY can at all reasonable times determine the nature and amounts of income subject to rental from the operation of the leased premises. Such records shall show all transactions relative to the conduct of the operation, and such transactions shall be supported by documents of original entry such as sales slips, cash register tapes, purchase invoices and tickets issued, or other means satisfactory to CITY. Together with each rental payment, LESSEE shall render to CITY a detailed statement as to the source of the receipts showing all gross income of the preceding calendar month together with the amount payable to CITY as hereinabove provided and shall accompany same with a remittance of the amount so shown to be due CITY. After the end of each lease year, LESSEE shall cause an audit of the business of LESSEE, its agents, sublessees, concessionaires or licensees operating on said premises to be made by a licensed public accountant or certified public accountant, and shall, within sixty days after the end of each

lease year, furnish a copy thereof to CITY without any cost or expense to CITY. In the event such audit discloses that the percentage rental required for the preceding lease year exceeds the amount of monthly percentage rental paid to CITY by LESSEE during said period, LESSEE shall immediately pay to CITY the amount of such deficiency. Also, in the event said audit discloses that the percentage rental on the annual gross sales for the preceding lease year is less than the amount of minimum annual rent required therefor, LESSEE shall also immediately pay to CITY the amount of such deficiency. In the event that such audit discloses that the percentage rental required for the preceding lease year is less than the amounts of monthly percentage rents paid to CITY during said period, then upon confirmation of said audit findings by CITY through means provided in Subparagraph 3 hereof, the amount of overpayment shall be credited against equal amounts of monthly rents due CITY during the succeeding payments until said overpayment is fully credited. Any such overpayment occurring in the last lease year shall be refunded by CITY within thirty days of confirmation by CITY of said audit findings.

2. LESSEE shall also maintain accurate records of actual and projected operating expenses and revenue, and such other operating information as CITY from time to time deems necessary and LESSEE shall submit such information to CITY upon request.
3. Said records and accounts shall be maintained separate from all other accounts not relating to the operation of the leased premises and shall be made available to CITY at one location within the limits of the City of San Diego. CITY shall have, through its duly authorized agents or representatives, the right to examine and audit said records and accounts at any and all reasonable times. In the event of discrepancies between the audit furnished to CITY in behalf of LESSEE and the CITY'S audit, the latter shall prevail. Any additional sums due CITY as determined by CITY'S audit are due and payable within thirty days of notification thereof by CITY.
4. In the event that such audit discloses that the rent for the audited period has been underpaid in excess of five percent (5%) of the total required rent, then LESSEE shall pay CITY ten percent (10%) of the amount by which said rent was underpaid in addition to the unpaid rents so shown to be due CITY as compensation to CITY for administrative cost and loss of interest.

F. MINIMUM RENT.

1. Amount and Payment. For that period of this lease agreement beginning upon the aforesaid date that LESSEE is required to pay CITY a percentage of gross income, if the total amount of said percentage of gross income paid to CITY by LESSEE in any one year ending upon the day prior to the anniversary date of the commencement of this agreement (lease year) is less than the sum of TWENTY THOUSAND AND NO/100 DOLLARS (\$20,000), herein referred to as "minimum rent", then LESSEE shall pay to CITY within sixty days of said anniversary date a sum of money equal to the difference between the amount actually paid to CITY and the minimum rent. Provided, however, if the anniversary date and the date upon which LESSEE is required to commence payment of a percentage of gross income do not coincide, then said minimum rent and percentage rents for that year shall be prorated to the anniversary date, which shall then become the computation date thereafter. The minimum rent set forth above shall continue until the first anniversary of this agreement following one year from the filing of the notice of completion upon the construction of the additional boat slips, as called for in the Development Plan. At that time the minimum ~~monthly~~ rent shall increase according to the following schedule:

- a) \$30,000 for one year; — effective 3/5/81
b) \$40,000 for the next year; — 3-5-82
c) \$50,000 for the next year; — 3-5-83
d) \$55,000 for the next year; and thereafter — 3-5-84
such rent may be adjusted according to paragraph 2 below.

2. Minimum Rent Adjustment. Prior to the end of the sixth year of this agreement and prior to the end of each third year thereafter, the minimum rent for the ensuing three-year period shall be set at eighty percent (80%) of the average annual rent paid CITY during the three years preceding the rental review date. If the application of this formula indicates a minimum rent substantially in excess of that which would be a fair rental value based upon a reasonable capitalization of the fair market value of the leased premises, then the City Manager shall have the discretion in the forthcoming period to set a minimum rent figure which represents a fair rental value.

F. MINIMUM RENT.

1. Amount and Payment. For that period of this lease agreement beginning upon the aforesaid date that LESSEE is required to pay CITY a percentage of gross income, if the total amount of said percentage of gross income paid to CITY by LESSEE in any one year ending upon the day prior to the anniversary date of the commencement of this agreement (lease year) is less than the sum of TWENTY THOUSAND AND NO/100 DOLLARS (\$20,000), herein referred to as "minimum rent", then LESSEE shall pay to CITY within sixty days of said anniversary date a sum of money equal to the difference between the amount actually paid to CITY and the minimum rent. Provided, however, if the anniversary date and the date upon which LESSEE is required to commence payment of a percentage of gross income do not coincide, then said minimum rent and percentage rents for that year shall be prorated to the anniversary date, which shall then become the computation date thereafter. The minimum rent set forth above shall continue until the first anniversary of this agreement following one year from the filing of the notice of completion upon the construction of the additional boat slips, as called for in the Development Plan. At that time the minimum monthly rent shall increase according to the following schedule:
 - a) \$30,000 for one year;
 - b) \$40,000 for the next year;
 - c) \$50,000 for the next year;
 - d) \$55,000 for the next year; and thereafter such rent may be adjusted according to paragraph 2 below.
2. Minimum Rent Adjustment. Prior to the end of the sixth year of this agreement and prior to the end of each third year thereafter, the minimum rent for the ensuing three-year period shall be set at eighty percent (80%) of the average annual rent paid CITY during the three years preceding the rental review date. If the application of this formula indicates a minimum rent substantially in excess of that which would be a fair rental value based upon a reasonable capitalization of the fair market value of the leased premises, then the City Manager shall have the discretion in the forthcoming period to set a minimum rent figure which represents a fair rental value.

- G. DELINQUENT RENT. In the event LESSEE fails to pay the applicable rents when due, then LESSEE shall pay CITY, in addition to the delinquent rent, a sum of money equal to FIVE PERCENT (5%) of said delinquent rent; provided, however, in the event said delinquent rent is still unpaid after fifteen days of becoming delinquent, then LESSEE shall pay CITY, instead of said FIVE PERCENT (5%), a sum of money equal to TEN PERCENT (10%) of said delinquent rent. It is the intent of this provision that CITY shall be compensated by such additional sums for loss resulting from rental delinquency including costs to CITY of servicing the delinquent account. The City Manager, at his option, may for good cause waive any such delinquency compensation required herein, upon written application of LESSEE.
- H. DEVELOPMENT AS ADDITIONAL CONSIDERATION. LESSEE agrees as additional consideration to develop the leased premises in accordance with the City-approved Development Plan described in Section IV, B 8, Development of this agreement. The Plan shall provide for: (i) any replacement of landscaping to be of a drought resistant type where practical and economically feasible, (ii) install water conservation devices on toilets and faucets and low-flow water use toilets and faucets as those items are replaced, (iii) install pressure reducing valves if practical where line pressure is above 50 psi, and (iv) the insulation of exposed, exterior hot water lines. Any other improvements to the premises shall be developed to include such energy and water conservation devices as may be appropriate.

IV. COVENANTS AND CONDITIONS.

A. CITY COVENANTS.

1. Quiet Possession. LESSEE, paying the said rent and performing the covenants and agreements herein, shall and may at all times during the said term peaceably and quietly have, hold and enjoy the said premises for the term hereof. If CITY for any reason whatsoever cannot deliver possession of the said premises to LESSEE at the commencement of said term as hereinbefore specified, or if LESSEE is dispossessed through action of a title superior to CITY'S, then and in either of such events, this lease shall not be void or voidable nor shall CITY be liable to LESSEE for any loss or damage resulting therefrom, but there shall be determined and stated in writing by the City Manager of CITY a proportionate reduction of the rent covering the period or periods during which LESSEE is prevented from having the quiet possession of all or a portion of the demised premises.
2. Right to Assign and Sublet. When in the opinion of the City Manager, and subject to the approval of the City Council whenever required, if it is deemed consistent with the best interests of the CITY, LESSEE may assign this lease or any interest therein and may sublease any portion thereof to an assignee or sublessee who has, in the opinion of City Manager, the financial capability and overall competence to successfully operate the assigned or subleased premises. The consent of the City Manager and/or City Council will not be unreasonably withheld. This lease and any interest herein shall not be assignable by operation of law without the written consent of the City Manager.

If CITY has been notified in writing of the existence of a trust deed or mortgage secured by the leasehold, CITY agrees to give the trustee or beneficiary notice of any sublease or assignment prior to CITY'S approval thereon.

Approval of any assignment or sublease shall be conditioned upon Assignee or Sublessee agreeing in writing that they will assume the rights and obligations thereby assigned or subleased and that they will keep and perform all covenants, conditions and provisions of this agreement which are applicable to the rights acquired.

Nothing herein contained shall require the CITY'S prior approval of an assignment of this lease if LESSEE shall choose to alter its form of conducting business (from or to a corporation or general partnership, for example) provided William L. Roberts and Charles P. Bluth maintain at least a 51 percent ownership of any such newly formed entity, which entity shall then become the assignee of this lease.

3. Right to Encumber. CITY does hereby consent and agree that LESSEE may encumber this lease, its leasehold estate and its improvements thereon by deed of trust, mortgage, chattel mortgage or other security type instrument to assure the payment of a promissory note or notes of the LESSEE. CITY further agrees that in the event said deed of trust or mortgage or other security type instrument should at any time be in default and be foreclosed, or transferred in lieu of foreclosure the CITY will accept the mortgagee or beneficiary thereof, if reputable, qualified and financially responsible, such as a State or Federal regulated financial institution, as its new tenant under this lease with all the rights, privileges and duties granted and imposed in this lease contract. In the event said mortgagee or beneficiary desires to assign this lease to its nominee, if nominee is a reputable, qualified and financially responsible person in the opinion of CITY, CITY hereby agrees that upon the filing of an application for consent to such assignment, CITY will give its consent thereto.

B. LESSEE COVENANTS.

4. Affirmative Action. LESSEE agrees to take affirmative action to improve employment opportunities of minorities and women. When applicable, LESSEE agrees to abide by the Affirmative Action Program for Lessees as it now exists or is hereafter amended. A copy of the program, effective as of the date of this agreement, is on file in the Office of the City Clerk as Document No. 746205 and by this reference is incorporated herein. Minorities are presently defined as Mexican-American, Black, Filipino, American Indian and Asian/Oriental. The goal of this program shall be the attainment of the employment of minorities and women in all areas of employment in a total percentage of employment approximately equal to the total level of minority and women employment as established by the CITY for its Affirmative Action Program each year.
5. Compliance with Law. LESSEE agrees, at its sole cost and expense, to comply and secure compliance with all the requirements now in force, or which may hereafter be in force, of all municipal, county, state and federal authorities, pertaining to the said premises, or the operations conducted thereon, and to faithfully observe and secure compliance with, in the use of the premises, all applicable county and municipal ordinances and state and federal statutes now in force or which may hereafter be in force, and to pay before delinquency all taxes, assessments, and fees assessed or levied upon the LESSEE or the leased premises including the land and any buildings, structures, machines, appliances or other improvements of any nature whatsoever, erected installed or maintained by LESSEE or by reason of the business or other activities of LESSEE upon or in connection with the leased premises. LESSEE recognizes and understands that this lease may create a possessory interest subject to property taxation and that the LESSEE may be subject to the payment of property taxes levied on such interest. LESSEE further agrees that such tax payment shall not reduce any rent due the CITY hereunder and that any such tax shall be paid by the LESSEE before becoming delinquent. The judgment of any court of competent jurisdiction, or the admission of LESSEE or any sublessee or permittee in any action or proceeding against them, or any of them, whether CITY be a party thereto or not, that LESSEE, sublessee or permittee has violated any such ordinance or statute in the use of the premises shall be conclusive of that fact as between CITY and LESSEE.

6. Construction/Alterations. LESSEE agrees not to construct or install any buildings or structures on said premises or otherwise improve or alter said premises in any manner except in accordance with plans and specifications previously submitted to the City Manager and approved by him in writing. LESSEE shall not make any major structural or architectural design alterations to approved buildings, structures or improvements installed on said premises except in accordance with plans and specifications previously approved in writing by the City Manager. This provision shall not limit or set aside any obligation of LESSEE under this lease to maintain said premises in a decent, safe, healthy and sanitary condition, including structural repair and restoration of damaged or worn improvements. CITY shall not be obligated by this lease to make any improvements or alterations to said premises or to assume any expense therefor.

7. Construction Bond. LESSEE agrees to file with CITY, prior to commencement of any construction performed upon the premises a faithful performance bond in the amount of 100% of the construction costs of the work to be performed, or submit evidence satisfactory to the City Manager of ability to finance the cost of construction of improvements as proposed in the Development Plan, including assurance of disbursement of funds for 100% of the cost of said construction. Said bond may be in cash or may be a corporate surety bond satisfactory to CITY or in a combination of both. Said bond shall insure that the construction commenced by LESSEE shall be completed in accordance with approved plans, or at option of the CITY, that the uncompleted construction be removed and the premises restored to a condition satisfactory to CITY. The surety bond will be filed with CITY and any cash used as a part of the bond may be deposited with CITY to be held in trust for the purpose specified above or may be placed in an escrow or other trust approved by CITY. Upon application by LESSEE, CITY may waive this requirement to file a bond. In the event that LESSEE fails to file any such required bond, this lease may be terminated by CITY.

8. Development. LESSEE agrees to develop the leased premises in accordance with the General Development Plan approved by the City Manager and filed in the Office of the City Clerk. To the extent applicable to the proposed development, said plan shows the design, materials of construction, elevations and colors of all structures, the plot plan of all structures and above-ground improvements, the uses of all facilities, the schedule of development, the estimated construction costs and financing plan and such other factors as are necessary or desirable in the opinion of the City Manager. The City Manager or his designee shall have the authority to authorize changes to the plan provided that the basic concept may not be modified without City Council approval and a document evidencing any approved changes shall be filed in the Office of the City Clerk.
9. Indemnity. LESSEE agrees that CITY, its agents, officers and employees, shall not be liable for any claims, alleged liabilities, penalties, fines or for any damage to the goods, properties or effects of LESSEE, its sublessees or representatives, agents, employees, guests, licensees, invitees, patrons or clientele or of any other person whomsoever, nor for personal injuries to, or deaths of any persons, whether alleged to have been caused by or resulting from any acts or omission of LESSEE or its sublessees in or about the leased premises, or any act or omission of any person or from any defect in any part of the leased premises or from any other cause or reason whatsoever. LESSEE agrees to indemnify and save free and harmless CITY and its authorized agents, officers, and employees against any of the foregoing alleged liabilities and any costs and expenses incurred by CITY on account of any claim or claims therefor.
10. Insurance Coverage. During the entire term of this lease, LESSEE agrees to procure and maintain public liability insurance which names CITY as an additional insured with an insurance company satisfactory to CITY licensed to do business in California to protect against loss from liability imposed by law for damages on account of bodily injury, including death therefrom, suffered or alleged to be suffered by any person or persons whomsoever, resulting directly or indirectly from any act or activities of CITY or LESSEE, its sublessees or any person acting for CITY,

or LESSEE or under its control or direction, and also to protect against loss from liability imposed by law for damages to any property of any person caused directly or indirectly by or from acts or activities of CITY, or LESSEE, or its sublessees, or any person acting for CITY or LESSEE, or under its control or direction. Such PD and PL insurance shall also provide for and protect CITY against incurring any legal cost in defending claims for alleged loss. Such public liability and property damage insurance shall be maintained in full force and effect during the entire term of this lease in the amount of not less than ONE MILLION AND NO/100 DOLLARS (\$1,000,000.00)

COMBINED SINGLE LIMIT LIABILITY. LESSEE agrees to submit a policy of said insurance to the CITY on or before the effective date of this agreement indicating full coverage of the contractual liability imposed by this agreement and stipulating that the insurance company shall not terminate, cancel or limit said policy in any manner without at least thirty days prior written notice thereof to CITY. If the operation under this agreement results in an increased or decreased risk in the opinion of the City Manager, then LESSEE agrees that the minimum limits hereinabove designated shall be changed accordingly upon request by the City Manager. LESSEE agrees that provisions of this paragraph as to maintenance of insurance shall not be construed as limiting in any way the extent to which the LESSEE may be held responsible for the payment of damages to persons or property resulting from LESSEE'S activities, the activities of its sublessees or the activities of any person or persons for which LESSEE is otherwise responsible.

LESSEE also agrees to procure and maintain during the entire term of this lease, a policy of fire, extended coverage and vandalism insurance on all permanent property of an insurable nature located upon the leased premises. Said policy shall name the CITY as an additional insured and shall be written by an insurance company satisfactory to CITY licensed to transact business in the State of California and shall be in an amount sufficient to cover at least 80% of the replacement costs of said property. LESSEE agrees to submit a certificate of said policy to the CITY on or before the effective date of this lease. Said policy shall contain a condition that it is not to be terminated or cancelled without at least thirty (30) days prior written notice to CITY by the insurance company. LESSEE agrees to pay the premium for such insurance and shall require that any insurance proceeds resulting from a loss under said policy are payable jointly to CITY and LESSEE and said proceeds shall constitute a trust fund to be reinvested in rebuilding or repairing the damaged property or said proceeds may be

disposed of as specified in Section IV, 16, Waste, Damage or Destruction, hereof; provided, however, that within the period during which there is in existence a mortgage or deed of trust upon the leasehold, then and for that period all policies of fire insurance, extended coverage and vandalism shall be made payable jointly to the mortgagee or beneficiary, the named insured, and CITY, and shall be disposed of jointly by the parties for the following purposes:

- a. As a trust fund to be retained by said mortgagee or beneficiary and applied in reduction of the debt secured by such mortgage or deed of trust with the excess remaining after full payment of said debt to be paid over to LESSEE and CITY to pay for reconstruction, repair, or replacement of the damaged or destroyed improvements in progress payments as the work is performed. The balance of said proceeds shall be paid to LESSEE.

Provided, further however, nothing herein shall prevent LESSEE, at its option and with the approval of said mortgagee or beneficiary, from filing a faithful performance bond in favor of said mortgagee or beneficiary and CITY in an amount equivalent to said insurance proceeds in lieu of surrendering said insurance proceeds to said mortgagee or beneficiary; and CITY.

- b. In the event that this lease is terminated by mutual agreement and said improvements are not reconstructed, repaired or replaced, the insurance proceeds shall be jointly retained by CITY and said mortgagee or beneficiary to the extent necessary to first discharge the debt secured by said mortgage or deed of trust and then to restore the premises in a neat and clean condition. Said mortgagee or beneficiary shall hold the balance of said proceeds for CITY and LESSEE as their interests may appear.

LESSEE agrees to increase the limits of liability when, in

the opinion of CITY, the value of the improvements covered is increased, subject to the availability of such insurance at the increased limits. LESSEE agrees, at his sole expense, to comply and secure compliance with all insurance requirements necessary for the maintenance of reasonable fire and public liability insurance covering said premises, buildings and appurtenances.

11. Labor and Materialmen's Bond. LESSEE agrees to save CITY free and harmless, indemnify it against all claims for labor and materials in connection with improvements, repairs or alterations to the leased premises, and the cost of defending against such claims, including reasonable attorney's fees. In the event that improvements, repairs or alterations are constructed on the leased premises by other than the CITY, and a lien is filed, LESSEE agrees to file with CITY within five days a bond sufficient to pay in full all claims of all persons seeking relief under the lien. The bond shall be acknowledged by LESSEE as principal and by a corporation satisfactory to CITY licensed by the Insurance Commissioner of the State of California to transact the business of a fidelity and surety insurance company as surety.
12. Legal Proceedings. LESSEE agrees that should it become necessary for CITY to commence legal proceedings to collect rent, recover possession, or enforce any other provision of this lease, the prevailing party will be entitled to legal costs in connection therewith, including reasonable attorney's fees as determined by the court. The parties agree that the law of the State of California shall be used in interpreting this lease agreement and will govern all disputes under this lease agreement and will determine all rights and obligations hereunder. Personal service either within or without the State of California shall be sufficient to give personal jurisdiction to any court in which an action is filed for litigation of rights under this lease agreement.
13. Maintenance. LESSEE agrees to assume full responsibility for the operation and maintenance of said premises throughout the term hereof without expense to CITY unless otherwise specified herein, and to perform all repairs and replacements necessary to maintain and preserve said premises in a decent, safe, healthy and sanitary condition in a manner satisfactory to CITY and in compliance with all applicable laws. LESSEE agrees that CITY shall not be required to perform any maintenance, repairs or services or to assume any expense not specifically assumed herein in connection with said premises and LESSEE hereby waives all rights to make repairs or to cause any work to be performed at the expense of CITY as provided for in Sections 1941 and 1942 of the California Civil Code.

14. Nondiscrimination. LESSEE agrees to not discriminate in any manner against any person or persons on account of race, marital status, sex, religious creed, color, ancestry, national origin, physical handicap or medical condition in LESSEE'S use of the premises, including, but not limited to, the providing of goods, services, facilities, privileges, advantages and accommodations, and the obtaining and holding of employment.
15. Utility Costs. LESSEE agrees to order, obtain and pay for all utilities and service and installation charges in connection therewith. All utilities installed by LESSEE shall be installed underground.
16. Waste, Damage or Destruction. LESSEE agrees to give notice to the CITY of any fire or other damage that may occur on the leased premises within ten days of such fire or damage. LESSEE agrees not to commit or suffer to be committed any waste or injury or any public or private nuisance, to keep the premises clean and clear of refuse and obstructions, and to dispose of all garbage, trash and rubbish in a manner satisfactory to the CITY. If the leased premises shall be damaged by any cause which puts the premises into a condition which is not decent, safe, healthy and sanitary, LESSEE agrees to make or cause to be made full repair of said damage and to restore the premises to the condition which existed prior to said damage, or LESSEE agrees to clear and remove from the leased premises all debris resulting from said damage and rebuild the premises in accordance with plans and specifications previously submitted to the CITY and approved in writing in order to replace in kind and scope the operation which existed prior to such damage. LESSEE agrees not to hold CITY liable for any damage to the leasehold caused by tidal surge or siltation. CITY will not unnecessarily delay solution of the surge or siltation problems and will take no actions which will substantially increase the risk of such surge or siltation to the premises.

LESSEE agrees that preliminary steps toward performing repairs, restoration or replacement of the premises shall be commenced by LESSEE within thirty days and the required repairs, restoration or replacement shall be completed within a reasonable time thereafter. CITY may determine an equitable deduction in the minimum annual rent requirement for such period or periods that said premises are untenable by reason of such damage.

C. RESTRICTIVE CONDITIONS

17. Administration and Notices. Control and administration of this lease is under the jurisdiction of the City Manager of CITY as to CITY'S interest herein and any communication relative to the terms or conditions or any changes thereto or any notice or notices provided for by this lease or by

law to be given or served upon CITY may be given or served by registered letter deposited in the United States mails, postage prepaid, and addressed to the City Manager, Attention Property Director, City Administration Building, 202 "C" Street, San Diego, California 92101. Any notice or notices provided for by this lease or by law to be given or served upon LESSEE, Mortgagee, Trustee or Beneficiary may be given or served by depositing in the United States mails, postage prepaid, a letter addressed to said LESSEE at the leased premises or at such other address designated in writing by LESSEE, Mortgagee, Trustee or Beneficiary or may be personally served upon them or any person hereafter authorized by them to receive such notice. Any notice or notices given or served as provided herein shall be effectual and binding for all purposes upon the principals of the parties so served upon personal service or forty-eight hours after mailing in the manner required herein.

18. City Approval and Consent. The approval or consent of the CITY, wherever required in this agreement, shall mean the approval or consent of the City Manager unless otherwise specified, without need for further resolution by the City Council.
19. Eminent Domain. In the event the leased premises or any part thereof shall be taken for public purposes by condemnation as a result of any action or proceeding in eminent domain, then the interests of CITY and LESSEE (or Beneficiary or Mortgagee if there is a Trust Deed or Mortgagee then in effect), in the award and the effect of the taking upon this lease agreement shall be as follows:
 - a. In the event of such taking of only a part of the leased premises, leaving the remainder of said premises in such location and in such form, shape and size as to be used effectively and practicably in the opinion of CITY for the conduct thereon of the operations permitted hereunder, this lease shall terminate and end as to the portion of the leased premises so taken as of the date title to such portion vests in the condemning authority, but shall continue in full force and effect as to the portion of the leased premises not so taken and from and after such date the contract rent, or in the event there is a minimum rent specified herein, then the minimum rental required by this lease to be paid by LESSEE to CITY shall be reduced in the proportion to which the value of the leased premises so taken bears to the total value of the demised premises; provided, however, CITY shall have the right, with the consent of LESSEE, to substitute like adjacent property and maintain the rent schedule without diminution.

- b. In the event of the taking of only a part of the leased premises, leaving the remainder of said premises in such location, or in such form, shape or reduced size as to render the same not effectively and practicably usable, in the opinion of CITY, for the conduct thereon of the operations permitted hereunder, this lease and all right, title and interest thereunder shall cease on the date title to said premises or the portion thereof so taken vests in the condemning authority.
 - c. In the event the entire leased premises are so taken, this lease and all of the right, title and interest thereunder shall cease on the date title to said premises so taken vests in the condemning authority.
 - d. In the event of any taking under Subparagraphs a, b, or c, hereinabove, the only portion of any award of compensation which shall be paid to LESSEE shall be the fair market value of LESSEE'S interest in the improvements placed upon that portion of the leased premises which are taken by the condemning agency. It is the intention of this provision that LESSEE shall not in any condemnation receive any bonus or penalty by reason of LESSEE'S contractual rights in connection with the property condemned.
 - e. Notwithstanding the foregoing provisions of this section, CITY may, in its discretion and without affecting the validity and existence of this lease, transfer the CITY'S interests in said premises in lieu of condemnation to any authority entitled to exercise the power of eminent domain. In the event of such transfer by CITY, LESSEE shall retain whatever rights it may have to recover from the said authority the fair market value of LESSEE'S interest in the improvements taken by the authority and which LESSEE has placed upon the leased premises in accordance with the provisions of this lease.
20. Entry and Inspection. CITY reserves and shall always have the right to enter said premises for the purpose of viewing and ascertaining the condition of the same, or to protect its interests in the premises or to inspect the operations conducted thereon. In the event that such entry or inspection by CITY discloses that said premises are not in a decent, safe, healthy and sanitary condition, CITY shall have the right, after ten days written notice to LESSEE, to have any necessary maintenance work done for and at the expense of LESSEE and LESSEE hereby agrees to pay promptly any and all costs incurred by CITY in having such necessary maintenance work done in order to keep said premises in a decent, safe, healthy and sanitary condition. Further, if at any time the CITY determines that said premises are not in a decent, safe, healthy and sanitary condition, CITY may at its sole option, without additional notice, require

LESSEE to file with CITY a faithful performance bond to assure prompt correction of any condition which is not decent, safe, healthy and sanitary. Said bond shall be in an amount adequate in the opinion of the CITY to correct the said unsatisfactory condition. LESSEE shall pay the cost of said bond. The rights reserved in this section shall not create any obligations on CITY or increase obligations elsewhere in this lease imposed on CITY.

21. Holding Over. The occupancy of the demised premises after the expiration of the term of this agreement shall be construed to be a tenancy from month to month, and all other terms and conditions of this agreement shall continue in full force and effect.
22. Merger. The voluntary or other surrender of this lease by LESSEE, or a mutual cancellation thereof, shall not work a merger and shall, at the option of CITY, terminate all or any existing subleases or subtenancies or may, at the option of CITY, operate as an assignment to it of any or all such subleases or subtenancies.
23. Oral Representation. It is specifically understood and agreed hereby that this lease contains the complete expression of the whole agreement between the parties hereto, and that there are no promises, representations, agreements, warranties or inducements, either expressed orally or implied by the said parties, except as are fully set forth herein; and further, that this lease cannot be enlarged, modified or changed in any respect except by written agreement duly executed by and between the said parties.
24. Ownership of Improvements. All improvements, except such fixtures as are hereinafter described on the attached addendum, which have been installed by LESSEE in accordance with the provisions of this agreement, shall at the option of CITY become the property of CITY upon expiration or sooner termination of this agreement. LESSEE shall have the right to remove from the demised premises only those fixtures described on the attached addendum at any time prior to the expiration or earlier termination of the agreement, provided that such removal would not, in the opinion of CITY, restrict the operation of the demised premises to the extent that the rent paid to CITY is reduced as a direct result therefrom. LESSEE'S removal of any said fixtures shall be at LESSEE'S own expense and shall be conditioned upon LESSEE'S repairing any damage to the remaining improvements and upon LESSEE leaving the demised premises in good order and condition. In the event LESSEE does not so remove said fixtures prior to the expiration of this agreement, CITY may remove, sell or destroy the same at

the expense of LESSEE, and if the proceeds of the sale are not adequate, LESSEE shall promptly pay to CITY its reasonable cost of any such removal, sale or destruction together with the reasonable cost of repair of damages to CITY'S property resulting from such removal, sale or destruction. At the option of CITY, any such fixtures not removed by LESSEE may be deemed abandoned and may be removed and sold by CITY and all income received by CITY therefrom shall be the property of CITY exclusively. Said addendum may be changed from time to time upon approval of the City Manager, without further resolution by the City Council.

25. Remedies of City.

a. Default by Lessee. In the event that:

- (1) LESSEE shall default in the performance or fulfillment of any covenant or condition herein required to be performed or fulfilled by LESSEE and shall fail to cure said default within thirty days following the service on LESSEE of a written notice from CITY specifying the default complained of; or
- (2) LESSEE shall voluntarily file or have involuntarily filed against him any petition under any bankruptcy or insolvency act or law; or
- (3) LESSEE shall be adjudicated a bankrupt; or
- (4) LESSEE shall make a general assignment for the benefit of creditors;

then CITY may, at its option, without further notice or demand upon LESSEE or upon any person claiming through LESSEE, immediately terminate this lease and all rights of LESSEE and of all persons claiming rights through LESSEE in or to the said premises or in or to further possession thereof and CITY may thereupon enter and take possession of said premises and expel LESSEE and all persons so claiming rights thereto. Provided, however, in the event that any default described in Part a, (1) of this section is not curable within thirty (30) days after the service of a written notice upon LESSEE, CITY shall not terminate this lease pursuant to said default if LESSEE immediately commences to cure said default and diligently pursues such cure to completion.

Provided, further, in the event that there is a deed of trust or mortgage on the leasehold interest, CITY shall not terminate this lease until it first shall have served upon the mortgagee or beneficiary written notice of the default or defaults complained of, and the

mortgagee or beneficiary shall have thirty (30) days from service of such notice within which to commence such cure as may be necessary and this lease shall not terminate if said mortgagee or beneficiary shall prosecute said cure with reasonable diligence thereafter, and said thirty-day period shall be extended during the time required for said mortgagee or beneficiary to perfect, through litigation or through foreclosure, its rights to cure.

Provided however, that in the event rent paid to CITY is calculated on the basis of a percentage or percentages of LESSEE'S gross income, and during said period required for mortgagee or beneficiary to perfect a cure of any default or defaults which have been caused by LESSEE'S failure to pay said rent; then in those events if CITY is paid the minimum rent due under this agreement, CITY will not prosecute its right to terminate the mortgagee's or beneficiary's interest. Provided further, that when the mortgagee or beneficiary has secured control of said premises, and before an assignment to a new LESSEE, mortgagee or beneficiary shall cause to be paid to CITY, any amounts due CITY as a result of the gross income of the said premises exceeding that amount necessary for payment of the minimum rent. In computing the gross rent upon which the computation of the CITY rent is based, reasonable administrative expenses of a court appointed receiver may first be deducted.

b. City Recourse. If the mortgagee or beneficiary shall be required to perfect its right to cure said default or defaults through litigation or through foreclosure, then CITY shall have the option of the following courses of action in order that such default or defaults may be expeditiously corrected:

- (1) CITY may correct or cause to be corrected said default or defaults and charge the costs therefor (including costs incurred by CITY in enforcing this provision) to the account of the LESSEE, which charge shall be due and payable on the date that the rent is next due after presentation by CITY of a statement of all or part of said costs.
- (2) CITY may correct or cause to be corrected said default or defaults and may pay the costs thereof (including costs incurred by CITY in enforcing this provision) from the proceeds of any insurance fund held by CITY and LESSEE or by CITY and mortgagee or beneficiary or CITY may use said funds of any faithful performance or cash bond on deposit with CITY, or CITY may call on the bonding agent

to correct said default or defaults or to pay the costs of such correction performed by or at the direction of CITY.

- (3) CITY may terminate this lease as to the rights of LESSEE herein by assuming liability for any trust deed or mortgage. LESSEE will assume and agrees to pay any and all penalties or bonuses required by the beneficiaries, trustees or mortgagees as a condition for early payoff of the related notes by CITY. CITY may, as an alternative, substitute for said terminated LESSEE a new LESSEE reasonably satisfactory to the mortgagee or beneficiary.

Should said default or defaults be noncurable by LESSEE, then any lender holding a beneficial interest in said leasehold whose qualifications have been approved by CITY for assignment of the leasehold interest shall have the absolute right to substitute itself to the estate of the LESSEE hereunder and to commence performance of this lease and this lease shall not terminate if such mortgagee or beneficiary shall give notice in writing of its election to so substitute itself and commence performance within said thirty-day period after service upon it of said written notice by CITY of the default. In the event of the election by the mortgagee or beneficiary to so substitute itself to LESSEE'S estate hereunder, the CITY expressly consents to said substitution and authorizes said mortgagee or beneficiary to perform under this lease with all the rights, privileges and obligations of the original LESSEE hereunder, subject to cure of the default if possible by mortgagee or beneficiary, and LESSEE expressly agrees to assign all its interest in and to its leasehold estate in that event.

- c. Abandonment by Lessee. Even though LESSEE has breached the lease and abandoned the property, this lease shall continue in effect for so long as CITY does not terminate LESSEE'S right to possession, and CITY may enforce all its rights and remedies under said lease, including, but not limited to, the right to recover the rent as it becomes due under the lease. For purposes of this section, the following do not constitute a termination of LESSEE'S right to possession:

- (1) Acts by CITY of maintenance, or preservation, or efforts to relet the property.
- (2) The appointment of a receiver upon initiative of CITY to protect the CITY'S interest under the lease.

d. Damages. Damages which CITY may recover in the event of default under this lease include the worth, at the time of award, of the amount by which the unpaid rent for the balance of the term after the date of award, or for any shorter period of time specified in this lease, exceeds the amount of such rental loss for the same period that the LESSEE proves could be reasonably avoided. The remedies provided by this section are not exclusive and shall be cumulative to all other rights and remedies possessed by CITY, and nothing contained herein shall be construed so as to defeat any other rights or remedies to which CITY may be entitled.

26. Reservation of City Rights. CITY hereby reserves all rights, title and interest in any and all gas, oil, minerals and water beneath said leased premises. CITY shall have the right to enter said leased premises for the purpose of making repairs to or developing municipal services. CITY hereby reserves the right to grant and use such easements or establish and use such rights of way over, under, along and across said leased premises for utilities, thoroughfares, or access as it may deem advisable for the public good. Provided, however, CITY shall not unreasonably interfere with LESSEE'S use of the premises and will reimburse LESSEE for physical damages, if any, to the permanent improvements of LESSEE located on the leased premises resulting from CITY'S exercising the rights retained in this paragraph. Such reimbursement shall include a reduction in the annual rent proportionate to the amount of said physical damage as determined by the City Manager. CITY shall pay the costs of maintenance and repair of all CITY installations made pursuant to the rights reserved herein.

27. Time is of the Essence. Time is of the essence of each and all of the terms and provisions of this lease and this lease shall inure to the benefit of and be binding upon the parties hereto and any successor of LESSEE as fully and to the same extent as though specifically mentioned in each instance, and all covenants, stipulations and agreements in this lease shall extend to and bind any assigns or sublessees of LESSEE.

28. Waiver. The waiver by CITY of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition, or any subsequent breach of the same or any other term, covenant or condition herein contained. The subsequent acceptance of rent hereunder by CITY shall not be deemed to be a waiver of any preceding breach by LESSEE of any term, covenant or condition of this lease, regardless of CITY'S knowledge of such preceding breach at the time of acceptance of such rent. Failure on the part of CITY to require or exact full and complete compliance with any of the covenants, conditions or agreements of this lease shall not be construed as in any manner changing the terms hereof and shall not prevent CITY from enforcing any provision hereof.

IN WITNESS WHEREOF, this lease agreement is executed by CITY,
acting by and through the City Manager, and by LESSEE, acting
by and through its lawfully authorized officers.
