9. Termination. PERMITTEE may terminate this Permit for any reason upon thirty (30) days prior written notice delivered to CITY.
10. Restoration of Permit Area. Except as otherwise provided in this Permit, prior to the expiration or as soon as practicable after termination of this Permit, PERMITTEE shall restore the Permit Area to its condition on the Effective Date, normal wear and tear excepted.

If PERMITTEE's use of the Permit Area is or becomes inconsistent or incompatible with a preexisting, superior interest, PERMITTEE shall take such actions and pay all costs and expenses necessary to remove such inconsistency or incompatibility to the satisfaction of the holder of the superior interest.
12. Permit Fee. PERMITTEE shall pay the Permit Fee to CITY upon execution of this Permit.
13. Rent. PERMITTEE shall pay the Monthly Rent in advance on the first day of each month during the Term. Each fiscal year (i.e., July 1, 2017 and June 30, 2018), the rent will be adjusted using this formula based on the actual total annual commercial rent in Mission Bay Park paid to the CITY during the immediately preceding fiscal year (July 1 through June 30).
14. Invoicing Courtesy. CITY may invoice PERMITTEE for amounts payable under this Permit. However, any such invoicing shall be deemed a courtesy only; PERMITTEE shall

make all payments under this Permit on or before each applicable due date, regardless of being invoiced. No grace period shall apply to any amount payable under this Permit.

15. Place of Payment. All payments to be paid by PERMITTEE under this Permit shall be made payable to "City Treasurer" and be mailed to:

San Diego City Treasurer
P.O. Box 129030
San Diego, California 92112-9030

or hand delivered to:

The Office of the City Treasurer
Civic Center Plaza
1200 Third Avenue, First Floor
San Diego, California 92101

CITY may change the place of payment at any time upon thirty (30) days written notice to PERMITTEE. Mailed payments shall be deemed paid upon the date the payment is postmarked by the postal authorities. If postmarks are illegible, the payment shall be deemed received only upon actual receipt.

16. Delinquent Payments. If PERMITTEE fails to make any payment under this Permit when due, PERMITTEE shall pay to CITY, in addition to the unpaid amount, five percent (5%) of the unpaid amount, which shall be additional rent. If any amount of such payment remains unpaid after fifteen (15) days past due, PERMITTEE shall pay to CITY an additional five percent (5%) of the unpaid amount [being a total of ten percent (10%)], which shall be additional rent. Notwithstanding the foregoing, in no event shall the charge for late payment of rent be less than Twenty-Five Dollars (\$25). After thirty (30) days past due, unpaid amounts due CITY under this Permit may be referred to the San Diego City Treasurer for collection, and shall be subject to San Diego Municipal Code section 22.1707, as may be amended from time to time. PERMITTEE shall pay to CITY any collection-referral fee and all other fees and charges plus interest as may then be charged by the CITY's City Treasurer under authority of the San Diego Municipal Code. Acceptance of late charges and any portion of the late payment by CITY shall neither constitute a waiver of PERMITTEE's breach or default with respect to the late payment nor prevent CITY from exercising any other rights and remedies available at law or in equity. As required by law, PERMITTEE is hereby notified that a negative credit report may be submitted to a credit reporting agency if amounts due CITY are not paid when due.
17. Security Deposit. By execution of this Permit, PERMITTEE authorizes CITY to keep on account the Security Deposit previously deposited with CITY as security for the performance of PERMITTEE's obligations under the previous permit, and to use said funds as security for the performance of PERMITTEE's obligations under this Permit. CITY shall not be liable to PERMITTEE for any interest thereon. Any interest earned from such deposit or redeposit shall not become part of the security deposit, but shall be and remain the property of CITY. All or any portion of the security deposit shall be available

unconditionally to CITY to cure, in whole or in part, any breach or default of this Permit by PERMITTEE, or for expenses incurred by CITY as a result of PERMITTEE's breach or default of this Permit. PERMITTEE shall maintain, and if necessary replenish, the Security Deposit throughout the Term. Notwithstanding any other provision of this Permit to the contrary, if PERMITTEE fails or refuses to deposit or maintain the Security Deposit as required by this Permit, CITY may terminate this Permit immediately upon such breach. Upon such termination, PERMITTEE shall immediately cease its use of the Permit Area and commence and diligently pursue the removal of its property from the Permit Area.

- 17.1 Utilization. If CITY utilizes all or any portion of the Security Deposit, then upon ten (10) days prior written notice, PERMITTEE shall reimburse the Security Deposit to the full required amount.
- 17.2 Increase. Upon thirty (30) days prior written notice by CITY, PERMITTEE shall deliver to CITY such additional funds as CITY may reasonably require as additional Security Deposit to adequately secure PERMITTEE's obligations under this Permit.
- 17.3 Return. Provided PERMITTEE is not in breach or default of this Permit, CITY shall return the Security Deposit, or any balance thereof, to PERMITTEE within sixty (60) days after the expiration or termination of this Permit.
18. Maintenance of the Permit Area. PERMITTEE shall, at PERMITTEE's sole cost and expense and to CITY's satisfaction, maintain the Permit Area in good order and repair and in a safe, healthy and sanitary condition at all times during the Term. CITY shall not be required to make any improvements or repairs to the Permit Area. PERMITTEE shall keep the Permit Area free and clear of rubbish, debris and litter at all times. PERMITTEE shall keep the Permit Area free and clear of weeds and brush as reasonably directed by CITY and to CITY's reasonable satisfaction.
19. Security and Safety of Permit Area. PERMITTEE shall bear sole responsibility for the security and safety of its activities and property kept at the Permit Area. PERMITTEE shall be responsible for the routine maintenance, cleanup, and securing of the Permit Area, as appropriate, to ensure security and safety of the Permit Area. PERMITTEE shall comply with all applicable laws, rules, regulations and directives of competent governmental authorities, at PERMITTEE's sole cost and expense, with respect to maintaining the Permit Area in a safe and secure manner during the Term.
20. Inspection. CITY may at all times enter and inspect the Permit Area.
21. Utilities. PERMITTEE shall order, obtain and pay for all utilities and service and installation charges in connection with its use of the Permit Area.
22. Improvements/Alterations. PERMITTEE shall not construct any improvements, structures or installations on the Permit Area, and shall not alter the Permit Area without the express written consent of CITY. Except as required by law, CITY shall not be obligated to make any repair or assume any expense for any improvements or alterations to the Permit Area.

23. Improvements and Personal Property.

- 23.1 Improvements. Upon expiration or termination of this Permit, PERMITTEE shall remove any and all improvements, fixtures, structures and installations or additions to the Permit Area that were constructed or installed on the Permit Area by PERMITTEE ("PERMITTEE Improvements"). PERMITTEE shall, at PERMITTEE's sole cost and expense, remove PERMITTEE Improvements as soon as practicable, but in no event later than sixty (60) days after the expiration or earlier termination of this Permit. PERMITTEE, at its sole cost and expense, shall be responsible for the repair of any and all damage resulting from the removal of PERMITTEE Improvements as required by this Permit. If PERMITTEE fails to remove PERMITTEE Improvements as required, CITY may, at its option, remove them at PERMITTEE's sole cost and expense. Notwithstanding the foregoing, CITY may, upon notice to PERMITTEE at termination or at any time prior to the expiration of the Term, elect to assume ownership of all or any PERMITTEE Improvements as of the expiration or earlier termination of this Permit, at no cost to CITY. If CITY elects to assume ownership of all or any PERMITTEE Improvements, PERMITTEE shall honor such assumption and execute and deliver all necessary and appropriate documents, materials and other items reasonably needed to effect such transfer of ownership to CITY.
- 23.2 Personal Property. PERMITTEE shall remove from the Permit Area all PERMITTEE-owned machines, appliances, equipment, trade fixtures and other items of personal property upon the expiration of the Term, or as soon as practicable after termination, but in no event later than thirty (30) days after the expiration or earlier termination of this Permit. Any such items which PERMITTEE fails to so remove shall be deemed abandoned and become CITY's property free of all claims and liens, or CITY may, at its option, remove such items at PERMITTEE's sole cost and expense. PERMITTEE, at its sole cost and expense, shall be responsible for the repair of any and all damage resulting from the removal of its personal property from the Permit Area.
- 23.3 Post-Permit License. CITY grants permission to PERMITTEE to enter upon and occupy the Permit Area after the expiration or earlier termination of this Permit solely for the purpose of removing PERMITTEE Improvements and PERMITTEE's personal property as provided by this Permit. This provision shall survive the expiration or earlier termination of this Permit.
- 23.4 Late Removal. Notwithstanding any provision of this Permit to the contrary, PERMITTEE shall pay rent to CITY for any period of time after the expiration or termination of this Permit needed to remove PERMITTEE Improvements or personal property as required by this Permit, whether by CITY or PERMITTEE. Such rent shall be calculated on a per diem basis using the rental rate in effect just prior to the expiration or termination of this Permit.
- 23.5 CITY's Right to Acquire Personal Property. If PERMITTEE wants to dispose of

any of its personal property used in its operations on the Permit Area upon expiration or termination of this Permit, CITY shall have the first right to acquire such personal property.

24. **Insurance.** PERMITTEE shall obtain and maintain throughout the Term of this Permit, at its sole cost and expense, all insurance required by this Permit. PERMITTEE's liabilities under this Permit, including without limitation PERMITTEE's indemnity obligations, shall not be deemed limited in any way to the insurance coverage required herein. PERMITTEE's maintenance of the required insurance coverage is a material consideration for this Permit. Notwithstanding any provision of this Permit to the contrary, if PERMITTEE fails to maintain or renew the insurance coverage required herein, or fails to deliver evidence of same to CITY, PERMITTEE shall be in default of this Permit. PERMITTEE shall not modify any policy or endorsement thereto which increases CITY's exposure to loss. PERMITTEE shall obtain and deliver to CITY's Real Estate Assets Department a current certificate of insurance and relevant endorsements for the following insurance, which shall be subject to CITY's written approval thereof:
- (a) Commercial General Liability Insurance ("CGL") written on an *ISO Occurrence form CG 00 01 07 98* or an equivalent form providing coverage at least as broad which shall cover liability arising from any and all personal injury, including death, and property damage with limits of at least Two Million Dollars (\$2,000,000) per occurrence, subject to an annual aggregate of at least Four Million Dollars (\$4,000,000). There shall be no endorsement or modification of the CGL limiting the scope of coverage for either insured vs. insured claims or contractual liability. All defense costs shall be outside the limits of the policy.
 - (b) Commercial Automobile Liability Insurance, providing coverage for all bodily injury, including death, and property damage on an *ISO form CA 00 01 12 90* or a later version of such form or an equivalent form providing coverage at least as broad for a combined single limit of at least One Million Dollars (\$1,000,000) per occurrence. Such insurance shall cover liability arising out of any vehicle (including owned, hired, and non-owned vehicles) operated in performing any and all work pursuant to this Permit.
 - (c) Workers' Compensation Insurance, as required by applicable laws, for all of PERMITTEE's employees who are subject to this Permit, with employers' liability coverage with a limit of at least One Million Dollars (\$1,000,000), and an endorsement that the insurer waives the right of subrogation against The City of San Diego and its elected officials, officers, employees, representatives and agents.
- 24.1 **Additional Insureds.** To the fullest extent allowed by law, including without limitation California Insurance Code section 11580.04, each policy must be endorsed to include as insureds "The City of San Diego and its elected officials, officers, employees, representatives and agents" with respect to liability arising out of: (a) ongoing operations performed by PERMITTEE or on PERMITTEE's behalf; (b) PERMITTEE's products; (c) PERMITTEE's work, including without limitation

PERMITTEE's completed operations performed by PERMITTEE or on PERMITTEE's behalf; or (d) the Permit Area.

- 24.2 Primary & Non-Contributory. Each policy must be endorsed to provide that the insurance afforded by Commercial General Liability policies is primary to any insurance or self-insurance of The City of San Diego and its elected officials, officers, employees, representatives and agents as respects operations of the named insured. Any insurance maintained by The City of San Diego and its elected officials, officers, employees, representatives and agents shall be in excess of PERMITTEE's insurance and shall not contribute to it.
- 24.3 Severability of Interest. Each policy must be endorsed to provide that PERMITTEE's insurance shall apply separately to each insured against whom claim is made or suit is bought, except with respect to the limits of the insurer's liability and shall provide cross-liability coverage.

Except for the State Compensation Insurance Fund, all insurance required by this Permit shall only be carried by insurance companies with a rating of at least "A-, VI" by A.M. Best Company that are authorized by the California Insurance Commissioner to do business in the State of California, and that have been approved by CITY. CITY may accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of California and is included on the List of Eligible Surplus Lines Insurers (i.e., the LESLI list). All policies of insurance carried by non-admitted carriers shall be subject to all of the requirements for policies of insurance provided by admitted carriers described herein. Each insurer shall be subject to CITY's approval in each instance.
- 24.5 Deductibles/Retentions. All deductibles and self-insured retentions on any insurance policy are the sole responsibility of PERMITTEE and must be disclosed and acceptable to CITY at the time evidence of insurance is provided.
- 24.6 Continuity of Coverage. All policies shall be in effect on or before the first day of the Term, except "course of construction fire insurance" shall be in force on commencement of all authorized construction, and full applicable fire insurance coverage shall be effective upon completion of each insurable improvement. The policies shall be kept in force for the duration of the Term. At least thirty (30) days prior to the expiration of each insurance policy, PERMITTEE shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the requirements of this Permit. PERMITTEE shall provide proof of continuing insurance at least annually during the Term and otherwise upon CITY's request. If insurance lapses or is discontinued for any reason, PERMITTEE shall immediately notify CITY and shall immediately obtain replacement insurance as soon as possible.
- 24.7 Modification. To assure protection from and against the kind and extent of risk

existing with the Permit Use, CITY, at its reasonable discretion, may require the revision of amounts and coverage at any time by giving PERMITTEE thirty (30) days prior written notice. PERMITTEE shall also obtain any additional insurance required by CITY for new improvements, changed circumstances, or CITY's reasonable re-evaluation of risk levels related to the Permit Use.

- 24.8 Accident Reports. PERMITTEE shall immediately report to CITY any accident causing property damage or injury to persons on the Permit Area or otherwise related to the Permit Use. Such report shall contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and other pertinent information.
- 24.9 Causes of Loss - Special Form Property Insurance. PERMITTEE shall obtain and maintain, at its sole cost, Causes of Loss - Special Form Property Insurance on all of PERMITTEE's insurable property related to the Permit Use of the Permit Area under this Permit or the Permit Area in an amount to cover 100 percent (100%) of the replacement cost. PERMITTEE shall deliver a certificate of such insurance to CITY's Real Estate Assets Department.
25. Indemnification & Hold Harmless. PERMITTEE shall protect, defend, indemnify and hold CITY and its elected officials, officers, employees, representatives and agents harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to PERMITTEE's officers, employees, invitees, guests, agents or contractors, which arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area, and all expenses of investigating and defending against same, including without limitation attorney fees and costs; provided, however, that PERMITTEE's duty to indemnify and hold harmless shall not include any established liability arising from the sole negligence or intentional misconduct of CITY and its elected officials, officers, employees, representatives and agents.
26. Restore and Vacate. Subject to the exception set forth in Section 24.1 above, prior to the expiration of this Permit or upon PERMITTEE's earlier termination of this Permit, PERMITTEE shall restore the Permit Area to the same or similar condition that existed on the Effective Date, normal wear and tear excepted for authorized Permit Uses, and upon such expiration or earlier termination immediately vacate the Permit Area. 27. Compliance with Laws. PERMITTEE shall at all times in its use, occupancy, and maintenance of the Permit Area comply with all applicable laws, rules and regulations and direction by competent governmental authorities, and all at PERMITTEE's sole cost and expense. At least annually, PERMITTEE shall deliver to City copies of all documentary evidence of such compliance received by or otherwise available to PERMITTEE (e.g.,

validation of periodic inspection of PERMITTEE's fire-suppression equipment in the Permit Area).

28. California Public Records Act. CITY shall determine, in its sole discretion, whether information provided by PERMITTEE pursuant to this Permit is or is not a public record subject to disclosure under the California Public Records Act. PERMITTEE shall hold CITY and its elected officials, officers and employees harmless for CITY's disclosure of any such information in response to a request for information under the CPRA.
29. No Discrimination. PERMITTEE shall not discriminate in any manner against any person on account of race, color, religion, gender identity, gender expression, sexual orientation, medical status, national origin, age, marital status or disability in PERMITTEE's use of the Permit Area, including without limitation the provision of goods, services, facilities, privileges, advantages and accommodations, and the hiring and retention of employees and contractors.

PERMITTEE shall fully cooperate with any investigation conducted by CITY pursuant to CITY'S Nondiscrimination in Contracting Ordinance (i.e., San Diego Municipal Code sections 22.3501-22.3517, as amended from time to time), and upon CITY's request PERMITTEE shall submit a current Workforce Report. PERMITTEE acknowledges that failure to comply with the requirements of this section and/or submitting false information in response to these requirements may result in termination of this Permit and debarment from participating in CITY contracts for a period of not less than one (1) year.
31. Equal Benefits. PERMITTEE shall comply with San Diego Municipal Code sections 22.4301-22.4308, which require applicable parties to offer the same employment benefits to employees with spouses and employees with domestic partners. PERMITTEE and each of its sublicensees shall be individually responsible for their own ADA compliance program. PERMITTEE's failure to comply with the above requirements and/or submitting false information in response to those requirements shall be a default under this Permit.

- 33. CITY Employee Participation Policy. CITY may unilaterally and immediately terminate this Permit if PERMITTEE employs an individual who, within the twelve (12) months immediately preceding such employment did, in their capacity as a CITY officer or employee, participate in negotiations with or otherwise have an influence on a recommendation made to the San Diego City Council related to the selection of PERMITTEE for this Permit. If PERMITTEE’s occupancy, use, development, maintenance or restoration of the Permit Area (“PERMITTEE’s Operations”) results in a release of a hazardous substance or petroleum related substance or its chemical constituents, PERMITTEE shall pay all costs of remediation and removal to the CITY’s satisfaction for unrestricted reuse of the Permit Area, and in accordance with all applicable laws, rules and regulations of governmental authorities.
- 41.4 Removal. If PERMITTEE or PERMITTEE’s contractor or agent has received approval and permits to store, utilize, generate or install, or otherwise bring hazardous materials or hazardous wastes to the Permit Area, PERMITTEE and/or PERMITTEE’s contractor or agent shall remove all hazardous substances and hazardous wastes in any type of container, equipment or device from the Permit Area immediately upon or prior to the expiration or earlier termination of this Permit. CITY reserves the right to conduct inspections of the Permit Area and/or request documentation demonstrating the legal removal and/or disposal of the hazardous materials, wastes or other containers, equipment or devices from the Permit Area. PERMITTEE shall be responsible for any and all costs incurred by CITY to remove any container, equipment or device requiring disposal or removal as required by this provision.
- 41.5 Indemnity. PERMITTEE shall protect, defend, indemnify and hold CITY harmless from any and all claims, costs and expenses related to environmental liabilities resulting from PERMITTEE’s Operations, including without limitation: (i) costs of environmental assessments; (ii) costs of regulatory remediation oversight; (iii) costs of remediation and removal; (iv) any necessary CITY response costs; (v) all fines, penalties or fees assessed by any regulatory agency; (vi) damages for injury to natural resources, PERMITTEE’s officers, employees, invitees, guests, agents or contractors, or the public; and (vii) all costs of any health assessments or health effect studies.
- 41.6 Notice of Release. If PERMITTEE knows or has reasonable cause to believe that a hazardous substance or petroleum related substance or its chemical constituents has been released on, from or beneath the Permit Area, PERMITTEE shall immediately notify CITY and any appropriate regulatory or reporting agency pursuant to

California Code of Regulations Title 19 and any other applicable laws or regulations. PERMITTEE shall deliver a written report thereof to CITY within three (3) days after receipt of the knowledge or cause for belief and submit any required written reports to regulatory or reporting agencies as required by regulation or law. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent release or is an imminent substantial danger to public health and safety, PERMITTEE shall take all actions necessary to alleviate the danger. PERMITTEE shall immediately notify CITY in writing of any violation, notice to comply, or notice of violation received or the initiation of environmental actions or private suits related to the Permit Area.

- 41.7 Environmental Assessment. Upon reasonable cause to believe that PERMITTEE's Operations resulted in any hazardous substance being released on, from or beneath the Permit Area, CITY may cause an environmental assessment under regulatory oversight of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE's sole cost and expense, and shall establish what, if any, hazardous substances have more likely than not been caused by PERMITTEE's Operations on, in, from or under the Permit Area, and in what quantities. If any such hazardous substances exist in quantities greater than allowed by city, county, state or federal laws, statutes, ordinances or regulations, or require future restricted re-use of the Permit Area, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect unrestricted re-use and in compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, as determined by CITY in its sole discretion, then CITY may cause, the remediation and/or removal recommended in the environmental assessment such that unrestricted re-use of the Permit Area and compliance with environmental laws and regulations are achieved, and PERMITTEE shall pay all costs and expenses therefore.
42. Water Quality Assurances. The CITY and PERMITTEE are committed to the implementation of controls known as Best Management Practices (BMP's) to manage activities in the Permit Area in a manner which aids in the protection of the City of San Diego's precious water resources. It is the PERMITTEE'S responsibility to identify and implement an effective combination of BMP's so as not to cause pollutant discharges to the storm drain system in violation of the Stormwater Ordinance (San Diego Municipal Code Sections 43.0301 through 43.0312).
- Therefore, PERMITTEE shall, at a minimum, implement and comply, as applicable, with the BMP requirements for industrial and commercial facilities adopted under the San Diego Municipal Code Section 43.0307(a).

It is ultimately the PERMITTEE'S responsibility to prevent pollutant discharge to the storm drain system. Therefore, the PERMITTEE will identify and implement any additional BMPs that may be required to avoid the discharge of pollutants to the waters of Mission Bay Park.

43. Waiver. The property constituting the Permit Area is publicly owned and held in trust for the benefit of CITY's citizens. CITY's failure to insist upon the strict performance of any of PERMITTEE's obligations under this Permit, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect. CITY's waiver of a default shall not be a waiver of any other default. Any waiver of a default must be in a writing executed by CITY to constitute a valid and binding waiver. CITY's delay or failure to exercise a right or seek a remedy shall not be deemed a waiver of that or any other right or remedy under this Permit, at law, or in equity. The exercise of any particular right or the use of any particular remedy for any default shall not waive the use of any other right or remedy for the same default or for another or later default. CITY's acceptance of any rents shall not be a waiver of any default preceding the rent payment. CITY's failure to discover a default or take prompt action to require the cure of any default shall not result in an equitable estoppel, but CITY may at any and all times require the cure of the default.
44. Cumulative Remedies. CITY's rights and remedies under this Permit are cumulative and shall not limit or otherwise waive or deny any of CITY's rights or remedies at law or in equity.
45. Survival. Any obligation which accrues under this Permit prior to its expiration or termination shall survive such expiration or termination.
46. Joint and Several Liability. If PERMITTEE is comprised of more than one person or legal entity, such persons and entities, and each of them, shall be jointly and severally liable for the performance of each and every obligation of PERMITTEE under this Permit.
47. No Affiliation. Nothing contained in this Permit shall be deemed or construed to create a partnership, joint venture or other affiliation between CITY and PERMITTEE or between CITY and any other entity or party, or cause CITY to be responsible in any way for the debts or obligations of PERMITTEE or any other party or entity.
48. Entire Agreement. This Permit constitutes the entire agreement between the parties and supersedes any and all prior understandings, representations, warranties and agreements between them pertaining to this Permit and PERMITTEE's occupancy, use, development, maintenance and restoration of the Permit Area. Any modification, alteration or amendment of this Permit shall be in writing and signed by all the parties hereto.
49. Counterparts. This Permit may be executed in one or more counterparts, each of which shall be deemed to constitute an original, but all of which, when taken together, shall constitute one and the same instrument.

50. Notices. Any notice required or permitted to be given under this Permit shall be in writing and may be served personally or delivered by United States mail, postage prepaid, and addressed to PERMITTEE at PERMITTEE's Address for Notices, and to CITY as follows:

PERMITTEE further represents and warrants that it is not relying on any representation by CITY as to the condition of the Permit Area or its suitability for the Permit Use, and that PERMITTEE is relying solely on its own and independent inspections, tests, investigations and observations of the Permit Area in entering into this Permit. PERMITTEE accepts the Permit Area in its current condition. PERMITTEE acknowledges and agrees that unless set forth in this Permit, CITY has no obligation to improve, modify, repair, replace, alter, secure, or otherwise develop the Permit Area at any time either prior to, on or after the Effective Date. PERMITTEE shall not hold CITY responsible for any defects in the Permit Area. PERMITTEE accepts and assumes all risk of harm to all persons and property, including without limitation PERMITTEE's employees, from any defects in the Permit Area, and shall be solely responsible therefor.
