By entering into this Permit, neither CITY nor CITY's City Council is obligating itself to PERMITTEE or to any governmental agent, board, commission or agency with regard to any other discretionary action relating to PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area. "Discretionary action" includes without limitation re-zonings, variances, environmental clearances and all other required governmental approvals.
 - 14.1 PERMITTEE acknowledges that this Permit is only to facilitate due diligence regarding the potential award of a contract for concessionaire services at Qualcomm Stadium, and, prior to an actual award of the contract by the City Council, that by entering into this Permit CITY is not guaranteeing or making any representation or warranty regarding final award of that contract to PERMITTEE.
15. No Assignment. PERMITTEE shall not assign any rights granted by this Permit nor any interest therein without the prior written approval of the CITY. 17. PERMITTEE's Risk. PERMITTEE shall bear all risks and liability arising out of or in any manner directly or indirectly connected with PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area and any damages to the improvements on, under or in the vicinity of the Permit Area resulting directly or indirectly thereby. CITY has no obligation to provide oversight of the Activity or staffing or resources for the Activity at the Permit Area during the Term.

- 18.3 Remediation. If PERMITTEE’s occupancy, use, development, maintenance, or restoration of the Permit Area results in a release of a Hazardous Substance, PERMITTEE shall pay all costs of remediation and removal to the CITY’s satisfaction for unrestricted reuse of the Permit Area, and in accordance with all applicable laws, rules, and regulations of governmental authorities.
- 18.4 Removal. If PERMITTEE or PERMITTEE’s officers, employees, agents, contractors, invitees and guests has received approval and permits to store, utilize, generate or install, or otherwise bring Hazardous Substances to the Permit Area, PERMITTEE shall remove all Hazardous Substances in any type of container, equipment or device from the Permit Area immediately upon or prior to the expiration or earlier termination of this Permit. CITY reserves the right to conduct inspections of the Permit Area and/or request documentation demonstrating the legal removal and/or disposal of the hazardous materials, wastes or other containers, equipment or devices from the Permit Area. PERMITTEE shall be responsible for any and all costs incurred by CITY to remove any container, equipment or device requiring disposal or removal as required by this provision.
- 18.5 Indemnity. - 18.6 Notice of Release. If PERMITTEE knows or has reasonable cause to believe that a Hazardous Substance has been released on, from or beneath the Permit Area, PERMITTEE shall immediately notify CITY and any appropriate regulatory or reporting agency pursuant to California Code of Regulations Title 19 and any other applicable laws or regulations. PERMITTEE shall deliver a written report thereof to CITY within three (3) days after receipt of the knowledge or cause for belief and submit any required written reports to regulatory or reporting agencies as required by regulation or law. If PERMITTEE knows or has reasonable cause to believe that

PERMITTEE shall immediately notify CITY in writing of any violation, notice to comply, or notice of violation received or the initiation of environmental actions or private suits related to the Permit Area.

- 18.7 Environmental Assessment. Upon reasonable cause to believe that PERMITTEE's occupancy, use, development, maintenance, or restoration of the Permit Area resulted in any Hazardous Substance being released on, from or beneath the Permit Area, CITY may cause an environmental assessment under regulatory oversight of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE's sole cost and expense, and shall establish what, if any, Hazardous Substances have more likely than not been caused by PERMITTEE's occupancy, use, development, maintenance, or restoration of the Permit Area, and in what quantities. If any such Hazardous Substances exist in quantities greater than allowed by CITY, county, state or federal laws, statutes, ordinances or regulations, or require future restricted re-use of the Permit Area, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect unrestricted re-use and in compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, as determined by CITY in its sole discretion, then CITY may cause, the remediation and/or removal recommended in the environmental assessment such that unrestricted re-use of the Permit Area and compliance with environmental laws and regulations are achieved, and PERMITTEE shall pay all costs and expenses therefor.

CITY'S waiver of a breach shall not be a waiver of any other breach. Any waiver of a breach must be in a writing executed by CITY to constitute a valid and binding waiver. CITY'S delay or failure to exercise a right or seek a remedy shall not be deemed a waiver of that or any other right or remedy under this Permit, at law or in equity. The exercise of any particular right or the use of any particular remedy for any breach shall not waive the use of any other right or remedy for the same breach or for another or later breach. PERMITTEE shall, at its sole cost and expense, comply with all laws, rules, regulations and direction of competent governmental authority (such as the San Diego Regional Water Quality Control Board) relating to water quality assurance and storm water management. PERMITTEE acknowledges and agrees that such legal requirements may change at any time and from time to time.
 - 24.1 NPDES: PERMITTEE shall comply with all applicable requirements of the National Pollutant Discharge Elimination System ("NPDES") permit in force on the Effective Date of this Permit (i.e., Permit No. R9-2013-0001), and any and all amendments thereto and all applicable succeeding NPDES permits.
 - 24.2 Stormwater Management: PERMITTEE shall comply with all applicable requirements of the San Diego Municipal Code Chapter 4, Article 3, Division 3: Storm water Management and Discharge Control (the "Stormwater Code"), and employ "Best Management Practices," as that term is defined by the Stormwater Code, and as approved by CITY, in its governmental capacity, under its Stormwater Management Program.

29. Acceptance of Permit Area. By signing this Permit, PERMITTEE represents and warrants that it has independently inspected the Permit Area and made all tests, investigations and observations necessary to satisfy itself as to the condition of the Permit Area and its suitability for the Activity. PERMITTEE further represents and warrants that it is not relying on any representation by CITY as to the condition of the Permit Area or its suitability for the Activity, and that PERMITTEE is relying solely on its own and independent inspections, tests, investigations and observations of the Permit Area in entering into this Permit. PERMITTEE accepts the Permit Area in its current condition. PERMITTEE acknowledges and agrees that unless set forth in this Permit, CITY has no obligation to improve, modify, repair, replace, alter, secure, or otherwise develop the Permit Area at any time either prior to, on or after the Effective Date. PERMITTEE shall not hold CITY responsible for any defects in the Permit Area. PERMITTEE accepts and assumes all risk of harm to all persons and property from any defects in the Permit Area or any improvements thereon, and shall be solely responsible therefor.
30. No Affiliation. Nothing contained in this Permit shall be deemed or construed to create a partnership, joint venture or other affiliation between CITY and PERMITTEE or between CITY and any other entity or party, or cause CITY to be responsible in any way for the debts or obligations of PERMITTEE or any other party or entity.
