PERMITTEE shall pay to CITY any collection-referral fee and all other fees and charges plus interest as may then be charged by the City Treasurer under authority of the San Diego Municipal Code. Acceptance of late charges and any portion of the late payment by CITY shall neither constitute a waiver of PERMITTEE's breach or default with respect to the late payment nor prevent CITY from exercising any other rights and remedies available at law or in equity. As required by law, PERMITTEE is hereby notified that a negative credit report may be submitted to a credit reporting agency if amounts due CITY are not paid when due.
17. Security Deposit. Upon execution of this Permit, PERMITTEE shall deliver the Security Deposit to CITY as security for the performance of PERMITTEE's obligations under this Permit. Such Monthly Rent shall be calculated on a per diem basis using the rate in effect just prior to the expiration or termination of this Permit.

PERMITTEE shall deliver a written report thereof to CITY within three (3) days after receipt of the knowledge or cause for belief and submit any required written reports to regulatory or reporting agencies as required by regulation or law. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent release or is an imminent substantial danger to public health and safety, PERMITTEE shall take all actions necessary to alleviate the danger. PERMITTEE shall immediately notify CITY in writing of any violation, notice to comply, or notice of violation received or the initiation of environmental actions or private suits related to the Permit Area.
- 38.7 Environmental Assessment. Upon reasonable cause to believe that PERMITTEE's Operations resulted in any Hazardous Substance being released on, from or beneath the Permit Area, CITY may cause an environmental assessment under regulatory oversight of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE's sole cost and expense, and shall establish what, if any, Hazardous Substances have more likely than not been caused by PERMITTEE's Operations on, in, from or under the Permit Area, and in what quantities. If any such Hazardous Substances exist in quantities greater than

allowed by city, county, state or federal laws, statutes, ordinances or regulations, or require future restricted re-use of the Permit Area, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect unrestricted re-use and compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, as determined by CITY in its sole discretion, then CITY may cause, the remediation and/or removal recommended in the environmental assessment such that unrestricted re-use of the Permit Area and compliance with environmental laws and regulations are achieved, and PERMITTEE shall pay all costs and expenses therefor.

39. Storm Water Pollution Prevention Program. PERMITTEE shall comply with the CITY's Storm Water Management and Discharge Control provisions codified in Division 3 of Chapter 4 of the San Diego Municipal Code, as may be amended, and any and all applicable Minimum Best Management Practice requirements, as defined in the City's Jurisdictional Runoff Management Plan, in performing or delivering services at City owned, leased, or managed property, or in performance of services and activities on behalf of CITY regardless of location.

PERMITTEE shall comply with the CITY's Jurisdictional Runoff Management Plan encompassing Citywide programs and activities designed to prevent and reduce storm water pollution within CITY boundaries as adopted by the CITY's City Council on July 1, 2015, via Resolution No. 309791, as may be amended.

PERMITTEE shall comply with each CITY facility or work site's Storm Water Pollution Prevention Plan, as applicable, and institute all controls needed while completing the services to minimize any negative impact to the storm water collection system and environment

40. Waiver. The property constituting the Permit Area is publicly owned and held in trust for the benefit of CITY's citizens. CITY's failure to insist upon the strict performance of any of PERMITTEE's obligations under this Permit, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect. CITY's waiver of a default shall not be a waiver of any other default. Any waiver of a default must be in a writing executed by CITY to constitute a valid and binding waiver. CITY's delay or failure to exercise a right or seek a remedy shall not be deemed a waiver of that or any other right or remedy under this Permit, at law, or in equity. The exercise of any particular right or the use of any particular remedy for any default shall not waive the use of any other right or remedy for the same default or for another or later default. CITY's acceptance of any fees shall not be a waiver of any default preceding the payment. CITY's failure to discover a default or take prompt action to require the cure of any default shall not result in an equitable estoppel, but CITY may at any and all times require the cure of the default.
41. Cumulative Remedies. CITY's rights and remedies under this Permit are cumulative and

shall not limit or otherwise waive or deny any of CITY's rights or remedies at law or in equity.

42. Survival. Any obligation which accrues under this Permit prior to its expiration or termination shall survive such expiration or termination.
43. Joint and Several Liability. If PERMITTEE is comprised of more than one person or legal entity, such persons and entities, and each of them, shall be jointly and severally liable for the performance of each and every obligation of PERMITTEE under this Permit.
44. No Affiliation. Nothing contained in this Permit shall be deemed or construed to create a partnership, joint venture or other affiliation between CITY and PERMITTEE or between CITY and any other entity or party, or cause CITY to be responsible in any way for the debts or obligations of PERMITTEE or any other party or entity.
45. Entire Agreement. This Permit, including the exhibits attached hereto, constitutes the entire agreement between the parties and supersedes any and all prior understandings, representations, warranties and agreements between them pertaining to this Permit and PERMITTEE's occupancy, use, development, maintenance and restoration of the Permit Area. Any modification, alteration or amendment of this Permit shall be in writing and signed by all the parties hereto.
46. Counterparts. This Permit may be executed in one or more counterparts, each of which shall be deemed to constitute an original, but all of which, when taken together, shall constitute one and the same instrument.
