CITY OF SAN DIEGO

DATE

November 1, 1996

SUBJECT

Permit City of La Mesa - El Monte Pipeline

BACKGROUND: The City of San Diego owns a 3.89-acre parcel of land within the city limits of La Mesa. Since 1982, under various permits, the City of La Mesa has used the parcel for access to La Mesa's adjacent Sunset Park. The City of La Mesa maintains an access road on the parcel, which is the only portion of the property that is improved or in use.

The City of La Mesa has requested a 10-year renewal of the permit to allow continued public access to the park. This permit is revocable at any time by the City of San Diego. Consideration for granting the permit is the continued maintenance of the road and weed and litter removal on the subject site and two other City owned sites located in La Mesa. The agreement has been approved by the La Mesa City Council and the City's Water Department.

FISCAL IMPACT: The City receives no monetary consideration under the agreement; however the City of La Mesa will continue to maintain the road and provide weed and litter services as indicated above.

Dear Mr. O'Grady:

The City of San Diego ("City") hereby grants permission to the City of La Mesa ("Permittee") to enter upon the above-referenced City-owned property ("permit area"), as delineated on the attached Exhibits "A", "B1", and "B2", upon the following terms and conditions:

1. Permittee's use of the permit area shall be limited to access to and access from Sunset Park for the purposes of complete maintenance of the property, including and especially all weed and litter control. In addition, Permittee agrees to provide and be responsible for all weed and litter control on two other parcels owned by the City, which are shown on the attached Exhibits "B1" and "B2".
2. Consideration to City for granting this permit shall be maintenance, weed and litter control of the permit area.
3. This permit shall be in effect upon execution hereof by City and Permittee and shall expire ten (10) years thereafter, unless terminated earlier pursuant to Section 9 below.
4. Permittee acknowledges that it is liable for the negligent, wrongful acts, or omissions of its agents and employees while acting within the scope of their employment to the extent permitted by the Federal Tort Claims Act, 28 U.S.C. 1346 (b), and Permittee intends to be liable to the City to the fullest extent permitted by law.

5. Permittee agrees to defend, indemnify, protect, and hold the City, its agents, officers, and employees harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to Permittee's employees, invitees, guests, agents, or officers, which arise out of or are in any manner directly or indirectly connected with the development or operation of the permit area or the work and operations to be performed under this agreement, and all expenses of investigating and defending against same; provided, however, that Permittee's duty to indemnify and hold harmless shall not include any claims or liability arising from the established active negligence, sole negligence, or sole willful misconduct of the City, its agents, officers, or employees.
6. Permittee agrees not to discriminate in any manner against any person or persons on account of race, color, religion, gender, sexual orientation, medical status, national origin, age, marital status, or physical disability in Permittee's use of the permit area, including but not limited to the providing of goods, services, facilities, privileges, advantages, and accommodations, and the obtaining and holding of employment.
7. All risks in connection with Permittee's use of the permit area and any damages to the improvements thereon, thereunder, or in the vicinity thereof shall be borne in full by Permittee.
8. Permittee shall not use the permit area in any manner which, in the opinion of the City Manager, creates a nuisance or disturbs the quiet enjoyment of persons in the surrounding area.
9. This permit is revocable at any time by the City of San Diego. It is mutually agreed that the City of San Diego shall not be obligated for any loss, financial or otherwise, which may be incurred by Permittee as a result of termination of this permit, and, further, that Permittee expressly waives any claim for expense or loss which Permittee might incur as a result of termination of this permit.

11. Permittee shall not assign any rights granted by this permit nor any interest therein without the prior written approval of the City Manager. Approval of any such proposed assignment may be withheld in the sole and absolute

1. Permittee's use of the above-referenced property shall be limited to ingress to and egress from Sunset Park.

6. All risks in connection with Permittee's use of said property and any damages to the improvements thereon, thereunder, or in the vicinity thereof shall be borne in full by Permittee.
7. Permittee shall not use the premises in any manner which in the opinion of the City Manager of San Diego creates a nuisance or disturbs the peace of persons in the surrounding area.
8. This permit is revocable at any time by either party without cause upon 90 days prior written notice to the other party. It is mutually agreed that the City of San Diego shall not be obligated for any loss, financial or otherwise, which may be incurred by Permittee as a result of termination of this permit, and further that Permittee expressly waives any claim for expense or loss which Permittee might incur as a result of termination of this permit.
9. Upon expiration or earlier termination of this permit, the City of San Diego may require Permittee to repair and/or restore the premises to their original condition at Permittee's sole cost and expense to the satisfaction of the City Manager of San Diego.
10. Permittee shall at its sole cost and expense comply with all the requirements of all Municipal, State, and Federal authorities now in effect or which may hereafter be in effect, which pertain to the permitted premises.
11. Permittee shall not assign any rights granted by this permit nor any interest therein. Any assignment by operation of law shall automatically terminate this permit.
12. No signs shall be displayed on the premises without the prior written consent of the City Manager of San Diego.
13. Permittee understands that the permitted premises are under the jurisdiction of the City of San Diego Water Utilities Department and agrees to first clear any plans for excavation, construction, or landscaping that could affect the underlying El Monte Pipeline with the Systems Engineering Division of that department.

Please acknowledge your agreement to the foregoing terms and conditions on the original and two duplicate copies of this letter and return them to the Property Department for processing to the San Diego City Council.
