

CITY OF SAN DIEGO

USE AND OCCUPANCY PERMIT

THIS CITY OF SAN DIEGO USE AND OCCUPANCY PERMIT ("Permit") is entered into by and between THE CITY OF SAN DIEGO, a California municipal corporation ("CITY"), and CLEAR CHANNEL OUTDOOR, INC., a Delaware corporation ("PERMITTEE"), to be effective as of the date the Permit is signed by the parties and approved by the San Diego City Attorney (the "Effective Date").

RECITALS

- A. CITY is the owner of real property located at 3220 Sports Arena Boulevard, San Diego, California 92110 and more particularly depicted on **Exhibit A**, attached hereto and by this reference incorporated herein (the "Property").
- B. PERMITTEE owns the billboard structure which is currently affixed to the Property. PERMITTEE wishes to continue to use the Property and have the billboard structure affixed to the Permit Area, so that it may continue to maintain and erect advertising on the billboard. The billboard as highlighted in yellow and the ground immediately below it, as shown on **Exhibit A**, are the Permit Area.
- C. PERMITTEE has previously used the Permit Area under the terms of a sublease between the PERMITTEE and PIER 1 IMPORTS (U.S.), INC., a Delaware corporation, (LESSEE) the entity that was previously the CITY's LESSEE. That sublease expires on its own terms as of May 31, 2018. The CITY is not entering into a new lease with LESSEE, and PERMITTEE wishes to enter into a direct agreement with CITY to allow PERMITTEE to continue its current use.

NOW THEREFORE, based upon the forgoing Recitals, which are incorporated into this Permit by this reference, and for valuable consideration, the sufficiency of which is acknowledged, the parties agree as follows:

- 1. Right to Enter. Subject to the terms and conditions of this Permit, CITY hereby grants permission to PERMITTEE to enter upon the Permit Area.
- 2. Revocable License. This Permit is not a lease. It is a license to access Permit Area for the purposes stated herein, and may be revoked at will by CITY as set forth in Paragraph 33, in its sole discretion. CITY shall not be obligated for any loss, financial or otherwise, which may be incurred by PERMITTEE as a result of such revocation or the termination of this Permit. PERMITTEE expressly waives any claim for expense or loss which PERMITTEE might incur as a result of CITY'S revocation or termination of this Permit. CITY may at all times enter upon the Permit Area.

3. Term. The term of this Permit ("Term") shall be two (2) years, commencing on the Effective Date and expiring on May 31, 2020, subject to earlier termination by either party as set forth in Paragraph 33.
4. Permit Fee. PERMITTEE shall pay CITY a one-time, non-refundable permit processing fee in the amount of Nine Hundred Sixty Dollars (\$960) payable to City Treasurer.
5. Holdover. Any hold over by PERMITTEE after the expiration or earlier termination of this Permit shall not be considered a renewal or extension of this Permit. The occupancy of the Permit Area after the expiration or earlier termination of this Permit shall constitute a month-to-month at will revocable license, and all other terms and conditions of this Permit shall continue in full force and effect, except that PERMITTEE shall then pay to CITY fair market rent as determined by CITY.
6. Rent. PERMITTEE shall pay to CITY monthly rent ("Monthly Rent") in the amount of Three Thousand Dollars (\$3,000.00). Monthly Rent shall be increased by three percent (3.0%) on June 1, 2019, and the Monthly Rent for the period June 1, 2019 through May 31, 2020 shall be Three Thousand Ninety Dollars (\$3,090.00). PERMITTEE shall pay the Monthly Rent in advance on the first day of each month during the term.
7. Time and Place of Payment. All payments to be paid by PERMITTEE under this Permit shall be made payable to "City Treasurer" and be mailed to:

The Office of the City Treasurer
City of San Diego
P.O. Box 129030
San Diego, California 92112-9030

or hand-delivered to:

The Office of the City Treasurer
Civic Center Plaza
1200 Third Avenue, First Floor
San Diego, California 92101

CITY may change the place of payment at any time upon thirty (30) days written notice to PERMITTEE. Mailed payments shall be deemed paid upon the date the payment is postmarked by the postal authorities. If postmarks are illegible, the payment shall be deemed received only upon actual receipt.

8. Delinquent Monthly Rent. If PERMITTEE fails to pay Monthly Rent when due, PERMITTEE shall pay, in addition to the unpaid Monthly Rent, five percent (5%) of the delinquent Monthly Rent. If the Monthly Rent is still unpaid after fifteen (15) days past due, PERMITTEE shall pay an additional five percent (5%) (being a total of ten percent [10%]), which is agreed by the parties to be appropriate to compensate CITY for the cost of servicing the delinquent account. In no event shall the charge for late payments of Monthly Rent be less than Twenty-Five Dollars (\$25). Acceptance of late charges and any

portion of the late payment by CITY shall neither constitute a waiver of PERMITTEE'S default with respect to late payment nor prevent CITY from exercising any other rights and remedies available at law or in equity.

9. Use of Permit Area. PERMITTEE may use the Permit Area to access the billboard structure and install and erect signage and advertising on the billboard structure ("Permitted Uses") and for no other uses of any kind. PERMITTEE may not install any advertising or signage within the Permit Area, except on the billboard portion of the Permit Area as highlighted in yellow in Exhibit A.
10. Maintenance of the Permit Area. PERMITTEE shall, at PERMITTEE's sole cost and expense, and to CITY's satisfaction, maintain the Permit Area in good order and repair and in a safe, healthy and sanitary condition at all times during the Term, subject to normal and ordinary wear and tear resulting from PERMITTEE's authorized use of the Permit Area. CITY shall at no time during the Term of this Permit be required to make any improvements or repairs to the Permit Area. PERMITTEE shall keep the Permit Area free and clear of rubbish, debris and litter at all times. PERMITTEE shall keep the Permit Area free and clear of weeds and brush as reasonably directed by CITY and to CITY's reasonable satisfaction.
11. Superior Interests. This Permit is subject to all liens, encumbrances, covenants, conditions, restrictions, reservations, contracts, permits and licenses, easements, and rights of way pertaining to the Property, whether or not of record. PERMITTEE shall obtain all licenses, permits, and agreements from such third parties as may be or become necessary or reasonably advisable to allow its use of the Permit Area for the Permitted Use, relative to any such superior interest. If PERMITTEE'S use of the Permit Area is or becomes inconsistent or incompatible with a preexisting, superior interest, PERMITTEE shall take such actions and pay all costs and expenses necessary to remove such inconsistency or incompatibility to the satisfaction of the holder of the superior interest.
12. Removal of Billboard and Restoration of the Permit Area. At the end of the Term, PERMITTEE will have the right for thirty (30) calendar days to remove the billboard structure in its entirety, and restore the Permit Area to the condition in which it existed prior to the billboard being constructed and installed within the Permit Area, to CITY's satisfaction. If PERMITTEE fails to remove the billboard structure from the Permit Area, the billboard structure shall be considered a fixture and will become a part of the Property, free and clear of all liens and encumbrances, and PERMITTEE shall have no further rights to the billboard structure, including the right to erect or install advertising thereon. If CITY determines in its sole discretion that it does not desire to have the billboard structure become a part of the Property, CITY must provide written notice to PERMITTEE no later than sixty (60) days prior to the expiration of the Term, or within five (5) days following the earlier termination of the Permit. If CITY provides such notice, PERMITTEE must remove the billboard at its sole costs and expense, and if PERMITTEE fails to do so, CITY may remove it and charge PERMITTEE for all costs associated with removal.
13. CITY's Consent, Discretion. CITY's consent or approval under this Permit shall mean the written consent or approval of the Mayor of San Diego or his designee ("Mayor"), unless

otherwise required by law or expressly provided herein, and shall be made in the Mayor's discretion, subject to all applicable laws, rules, regulations and directives of competent governmental authorities.

14. Unauthorized Activities. PERMITTEE shall not engage in any activity on the Property other than the Permitted Use. Any use of the Property that was not previously approved in writing by the CITY or otherwise authorized by this Permit, shall subject PERMITTEE to being liable for all costs and damages associated with inspecting, remediating, and/or taking other actions to ensure that the Property and the Permit Area shall be returned to its condition on the Effective Date, as well as being a basis for immediate termination of this Permit, all of which shall be subject to the sole discretion of the CITY.
15. Improvements/Alterations. PERMITTEE shall not construct any improvements, structures, or installations on the Permit Area, and shall not alter the Permit Area except as otherwise permitted hereunder. Except as required by law, CITY shall not be obligated to make any repair or assume any expense for any improvements or alterations to the Permit Area.
16. Insurance. PERMITTEE shall not enter or come onto the Property, nor begin any use of the Property under this Agreement until it has done all of the following: (a) obtained, and provided to the CITY, insurance certificates reflecting evidence of all insurance required below, however, the CITY reserves the right to request, and the PERMITTEE shall submit, copies of any policy upon reasonable request by the CITY; (b) obtained CITY approval of each insurance company or companies; and (c) confirmed that all policies contain the specific provisions required below. PERMITTEE's liabilities, including but not limited to PERMITTEE's indemnity obligations, under this Agreement, shall not be deemed limited in any way to the insurance coverage required herein. Maintenance of specified insurance coverage is a material element of this Agreement and PERMITTEE's failure to maintain or renew coverage or to provide evidence of renewal during the term of this Agreement may be treated as a material breach of contract by the CITY. The PERMITTEE shall not modify any policy or endorsement thereto which increases the CITY's exposure to loss for the duration of this Agreement.
 - 16.1 Types of Insurance. At all times during the term of this Permit, the PERMITTEE shall maintain insurance coverage as follows:
 - a. Commercial General Liability (CGL). Insurance written on an ISO Occurrence form CG 00 01 07 98 or an equivalent form providing coverage at least as broad which shall cover liability arising from any and all personal injury or property damage in the amount of \$2 million per occurrence and subject to an annual aggregate of \$4 million. CITY may, at its election, conduct the defense or participate in the defense of any claim related in any way to this indemnification. 22. No Assignment. PERMITTEE shall not assign any rights granted by this Permit nor any interest therein without the prior written approval of the CITY. Approval of any such proposed assignment may be withheld at the sole and absolute discretion of the CITY. Any assignment by operation of law shall automatically terminate this Permit.
23. Security and Safety of Permit Area. PERMITTEE shall bear sole responsibility for the security and safety of the Permit Area during the Term relating to any work performed as authorized by this Permit or under the direction of PERMITTEE. PERMITTEE shall be responsible for the maintenance, cleanup, and securing of the Permit Area, as appropriate, immediately following each day's work to ensure security and safety. PERMITTEE shall comply with all applicable laws, rules, regulations and directives of competent governmental authorities, at PERMITTEE's sole cost and expense, with respect to maintaining the Permit Area in a safe and secure manner during the Term. CITY has no obligation to provide oversight of the Permit Area or staffing or resources for the maintenance of the Permit Area during the Term.

PERMITTEE and PERMITTEE's agents and contractors shall not install, store, utilize, generate or sell any Hazardous Substance on the Permit Area without CITY's prior written consent. PERMITTEE shall, prior to initiating any operations, obtain all required permits from applicable regulatory agencies, including without limitation the San Diego County Department of Environmental Health, local fire agencies, the San Diego County Department of Weights and Measures, the San Diego County Air Pollution Control District, and the San Diego Regional Water Quality Control Board. Installing, utilizing, storing, or any other presence of a Hazardous

Substance includes boxes, bags, bottles, drums, cylinders, above or below ground tanks, equipment with tanks, or any other type of container, equipment or device which holds or incorporates a Hazardous Substance or hazardous waste.

- 26.1 Release. For all purposes of this Permit, a "release" shall include without limitation any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping or otherwise disposing of a Hazardous Substance.
- 26.2 Hazardous Substance. For all purposes of this Permit, "Hazardous Substance" shall mean any substance listed by the Environmental Protection Agency or the State of California as a hazardous substance, and all types of petroleum-related substances and their chemical constituents.
- 26.3 Remediation. If PERMITTEE's occupancy, use, development, maintenance, or restoration of the Permit Area results in a release of a Hazardous Substance, PERMITTEE shall pay all costs of remediation and removal to the CITY's satisfaction for unrestricted reuse of the Permit Area or any portion of the Property affected by such release, and in accordance with all applicable laws, rules, and regulations of governmental authorities.
- 26.4 Removal. If PERMITTEE or PERMITTEE's agent has received approval and permits to store, utilize, generate or install, or otherwise bring Hazardous Substances to the Permit Area, PERMITTEE or PERMITTEE's agent shall remove all Hazardous Substances in any type of container, equipment or device from the Permit Area immediately upon or prior to the expiration or earlier termination of this Permit. CITY reserves the right to conduct inspections of the Permit Area and/or request documentation demonstrating the legal removal and/or disposal of the hazardous materials, wastes or other containers, equipment or devices from the Permit Area. PERMITTEE shall be responsible for any and all costs incurred by CITY to remove any container, equipment or device requiring disposal or removal as required by this provision.
- 26.5 Indemnity. PERMITTEE shall protect, defend, indemnify, and hold CITY harmless from any and all claims, costs, and expenses related to environmental liabilities resulting from PERMITTEE's occupancy, use, development, maintenance, or restoration of the Permit Area, including without limitation: (i) costs of environmental assessments; (ii) costs of regulatory remediation oversight; (iii) costs of remediation and removal; (iv) any necessary CITY response costs; (v) all fines, penalties or fees assessed by any regulatory agency; (vi) damages for injury to natural resources, PERMITTEE's officers, employees, invitees, guests, agents or contractors, or the public; and (vii) all costs of any health assessments or health effect studies.
- 26.6 Notice of Release. If PERMITTEE knows or has reasonable cause to believe that a Hazardous Substance has been released on, from or beneath the Permit Area, PERMITTEE shall immediately notify CITY and any appropriate regulatory or reporting agency pursuant to California Code of Regulations Title 19 and any other

applicable laws or regulations. PERMITTEE shall deliver a written report thereof to CITY within three (3) days after receipt of the knowledge or cause for belief and submit any required written reports to regulatory or reporting agencies as required by regulation or law. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent release or is an imminent substantial danger to public health and safety, PERMITTEE shall take all actions necessary to alleviate the danger. PERMITTEE shall immediately notify CITY in writing of any violation, notice to comply, or notice of violation received or the initiation of environmental actions or private suits related to the Permit Area.

- 26.7 Environmental Assessment. Upon reasonable cause to believe that PERMITTEE's occupancy, use, development, maintenance, or restoration of the Permit Area resulted in any Hazardous Substance being released on, from or beneath the Permit Area, CITY may cause an environmental assessment under regulatory oversight of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE's sole cost and expense, and shall establish what, if any, Hazardous Substances have more likely than not been caused by PERMITTEE's occupancy, use, development, maintenance, or restoration of the Permit Area, and in what quantities. If any such Hazardous Substances exist in quantities greater than allowed by CITY, county, state or federal laws, statutes, ordinances or regulations, or require future restricted re-use of the Permit Area or the Property, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect unrestricted re-use and in compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, as determined by CITY in its sole discretion, then CITY may cause, the remediation and/or removal recommended in the environmental assessment such that unrestricted re-use of the Permit Area and the Property and compliance with environmental laws and regulations are achieved, and PERMITTEE shall pay all costs and expenses therefore.
27. Repair. PERMITTEE shall be responsible, at its sole cost and expense, for the repair or replacement of any damage to the Permit Area or the Property caused directly or indirectly by PERMITTEE's use of the Permit Area, including items that CITY staff has determined to be damaged. PERMITTEE shall comply with the direction of CITY's Real Estate Assets Department with respect to the method of any repairs or replacement arising under this Permit.
28. Storm Water Pollution Prevention Program: PERMITTEE shall comply with the CITY's Storm Water Management and Discharge Control provisions codified in Division 3 of Chapter 4 of the San Diego Municipal Code, as may be amended, and any and all applicable Minimum Best Management Practice requirements, as defined in the City's Jurisdictional Runoff Management Plan, in performing or delivering services at City owned, leased, or managed property, or in performance of services and activities on behalf of CITY regardless of location.

PERMITTEE shall comply with the CITY's Jurisdictional Runoff Management Plan encompassing City-wide programs and activities designed to prevent and reduce storm water pollution within CITY boundaries as adopted by the CITY's City Council on July 1, 2015, via Resolution No. 309791, as may be amended.

PERMITTEE shall comply with each CITY facility or work site's Storm Water Pollution Prevention Plan, as applicable, and institute all controls needed while completing the services to minimize any negative impact to the storm water collection system and environment.

29. Grading and Barriers. PERMITTEE shall not change the surface grade or construct any permanent barriers within the Permit Area or on the Property. Any violations shall be corrected by PERMITTEE at its sole expense to the satisfaction of the CITY and are grounds, at the CITY's option, for immediate termination of this Permit.
30. Waiver. CITY'S failure to insist upon the strict performance of any of PERMITTEE'S obligations under this Permit, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect. The property constituting the Permit Area is CITY-owned and held in trust for the benefit of CITY'S citizens. CITY'S failure to discover a breach of any obligation of this Permit or take prompt action to require the cure of any such breach shall not result in an equitable estoppel, but CITY may at any and all times require the cure of any such breach.
31. Acceptance of Permit Area. By signing this Permit, PERMITTEE represents and warrants that it has independently inspected the Permit Area and made all tests, investigations and observations necessary to satisfy itself as to the condition of the Permit Area. PERMITTEE further represents and warrants that it is not relying on any representation by CITY as to the condition of the Permit Area or its suitability for the Permitted Uses, and that PERMITTEE is relying solely on its own and independent inspections, tests, investigations and observations of the Permit Area in entering into this Permit. PERMITTEE accepts the Permit Area in its current condition. PERMITTEE acknowledges and agrees that unless set forth in this Permit, CITY has no obligation to improve, modify, repair, replace, alter, secure, or otherwise develop the Permit Area at any time either prior to, on or after the Effective Date. PERMITTEE shall not hold CITY responsible for any defects in the Permit Area. PERMITTEE accepts and assumes all risk of harm to all persons and property from any defects in the Permit Area or any improvements thereon, and shall be solely responsible therefore.
32. No Affiliation. Nothing contained in this Permit shall be deemed or construed to create a partnership, joint venture or other affiliation between CITY and PERMITTEE or between CITY and any other entity or party, or cause CITY to be responsible in any way for the debts or obligations of PERMITTEE or any other party or entity.
33. Termination. CITY may terminate this Permit for any reason upon thirty (30) days prior written notice delivered to PERMITTEE by CITY; however, in the event of a default or emergency during which the CITY in its sole discretion determines it necessary to

terminate the Permit, termination may occur upon 24 hours prior written notice. PERMITTEE may terminate this Permit for any reason upon prior written notice delivered to CITY by PERMITTEE.

34. Cumulative Remedies. CITY's rights and remedies under this Permit are cumulative and shall not limit or otherwise waive or deny any of CITY's rights or remedies at law or in equity.
35. Survival. Any obligation which accrues under this Permit prior to its expiration or termination shall survive such expiration or termination.
36. Entire Agreement. This Permit constitutes the entire agreement between the parties and supersedes any and all prior understandings, representations, warranties and agreements between them and pertaining to this Permit and the Permitted Use. Any modification, alteration, or amendment of this Permit shall be in writing and signed by all the parties hereto.
37. Notices. Any notice required or permitted to be given under this Permit shall be in writing and may be served personally or delivered by United States mail, postage prepaid, and addressed to CITY (referred to herein as the "CITY Contact") or PERMITTEE, respectively, as follows:
