PERMITTEE, at its sole cost and expense, shall be responsible for the repair of any and all damage resulting from the removal of its personal property from the Permit Area.
- 19.3 Post-Permit License. CITY grants permission to PERMITTEE to enter upon and occupy the Permit Area after the expiration or earlier termination of this Permit solely for the purpose of promptly removing PERMITTEE's personal property as provided by this Permit. This provision shall survive the expiration or earlier termination of this Permit.
20. Insurance. PERMITTEE shall obtain and maintain throughout the term of this Permit, at its sole cost and expense, all insurance required by this Permit. PERMITTEE's liabilities under this Permit, including without limitation PERMITTEE's indemnity obligations, shall not be deemed limited in any way to the insurance coverage required herein. PERMITTEE's maintenance of the required insurance coverage is a material consideration for this Permit. Notwithstanding any provision of this Permit to the contrary, if PERMITTEE fails to maintain or renew the insurance coverage required herein, or fails to deliver evidence of same to CITY, PERMITTEE shall be in default of this Permit. PERMITTEE shall not modify any policy or endorsement thereto which increases CITY's exposure to loss. PERMITTEE shall obtain and deliver to CITY's Real Estate Assets Department a current certificate of insurance and all relevant endorsements for (and subject to CITY's written approval of same):
- (a) Commercial General Liability Insurance ("CGL") written on an *ISO Occurrence form CG 00 01 07 98* or an equivalent form providing coverage at least as broad which shall cover liability arising from any and all personal injury, including death, and property damage with limits of at least Two Million Dollars (\$2,000,000) per

There shall be no endorsement or modification of the CGL limiting the scope of coverage for either insured vs. insured claims or contractual liability. All defense costs shall be outside the limits of the policy.

- (b) Commercial Automobile Liability Insurance ("Auto"), if and when PERMITTEE uses vehicles on the Permit Area and/or in connection with PERMITTEE's use of the Permit Area, providing coverage for all bodily injury, including death, and property damage on an *ISO form CA 00 01 12 90* or a later version of such form or an equivalent form providing coverage at least as broad for a combined single limit of at least One Million Dollars (\$1,000,000) per occurrence. Such insurance shall cover liability arising out of any vehicle (including owned, hired, and non-owned vehicles) operated in performing any and all work and Permit Use pursuant to this Permit.
 - (c) Workers' Compensation Insurance, as required by applicable laws, for all of PERMITTEE's employees, if any, who work on the Permit Area and/or in connection with PERMITTEE's use of the Permit Area, with employers' liability coverage with a limit of at least One Million Dollars (\$1,000,000), and an endorsement that the insurer waives the right of subrogation against CITY and its elected officials, officers, employees, representatives and agents.
- 20.1 Additional Insureds. To the fullest extent allowed by law, including without limitation California Insurance Code section 11580.04, each CGL and Auto policy must be endorsed to include as an insured "The City of San Diego and its elected officials, officers, employees, representatives and agents" with respect to liability arising out of: (a) ongoing operations performed by PERMITTEE or on PERMITTEE's behalf; (b) PERMITTEE's products; (c) PERMITTEE's work, including without limitation PERMITTEE's completed operations performed by PERMITTEE or on PERMITTEE's behalf; or (d) the Permit Area.
- 20.2 Primary and Non-Contributory. Each CGL and Auto policy must be endorsed to provide that the insurance afforded by Commercial General Liability policies is primary to any insurance or self-insurance of The City of San Diego and its elected officials, officers, employees, representatives and agents as respects operations of the named insured. Any insurance maintained by The City of San Diego and its elected officials, officers, employees, representatives and agents shall be in excess of PERMITTEE's insurance and shall not contribute to it.
- 20.3 Severability of Interest. Each CGL and Auto policy must be endorsed to provide that PERMITTEE's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability and shall provide cross-liability coverage.
- 20.4 Qualified Insurer(s). Except for the State Compensation Insurance Fund, all insurance required by this Permit shall only be carried by insurance companies with

a rating of at least "A-, VI" by A.M. Best Company that are authorized by the California Insurance Commissioner to do business in the State of California, and that have been approved by CITY. CITY may accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of California and is included on the List of Eligible Surplus Lines Insurers (i.e., the LESLI list). All policies of insurance carried by non-admitted carriers shall be subject to all of the requirements for policies of insurance provided by admitted carriers described herein. Each insurer shall be subject to CITY's approval in each instance.

- 20.5 Deductibles/Retentions. All deductibles and self-insured retentions on any insurance policy are the sole responsibility of PERMITTEE and must be disclosed and acceptable to CITY at the time evidence of insurance is provided.
- 20.6 Continuity of Coverage. All policies shall be in effect on or before the first day of the Term, except "course of construction fire insurance" shall be in force on commencement of all authorized construction, and full applicable fire insurance coverage shall be effective upon completion of each insurable improvement. The policies shall be kept in force for the duration of the Term. At least thirty (30) days prior to the expiration of each insurance policy, PERMITTEE shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the requirements of this Permit. PERMITTEE shall provide proof of continuing insurance at least annually during the Term and otherwise upon CITY's request. If insurance lapses or is discontinued for any reason, PERMITTEE shall immediately notify CITY and shall immediately obtain replacement insurance as soon as possible.
- 20.7 Modification. To assure protection from and against the kind and extent of risk existing with the Permit Use, CITY, at its reasonable discretion, may require the revision of amounts and coverage at any time by giving PERMITTEE thirty (30) days prior written notice. PERMITTEE shall also obtain any additional insurance required by CITY for new improvements, changed circumstances, or CITY's reasonable re-evaluation of risk levels related to the Permit Use.
- 20.8 Accident Reports. PERMITTEE shall immediately report to CITY any accident causing property damage or injury to persons on the Permit Area or otherwise related to the Permit Use. Such report shall contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and other pertinent information.
- 20.9 Causes of Loss - Special Form Property Insurance. PERMITTEE shall obtain and maintain, at its sole cost, Causes of Loss - Special Form Property Insurance on all of PERMITTEE's insurable property related to the Permit Use or the Permit Area in an amount to cover 100 percent (100%) of the replacement cost. PERMITTEE shall deliver to CITY a certificate of such insurance.

21. Indemnification and Hold Harmless. PERMITTEE shall protect, defend, indemnify and hold CITY and its elected officials, officers, employees, representatives and agents harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to PERMITTEE's officers, employees, invitees, guests, agents or contractors, which arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area, and all expenses of investigating and defending against same, including without limitation attorney fees and costs; provided, however, that PERMITTEE's duty to indemnify and hold harmless shall not include any established liability arising from the gross negligence or willful misconduct of CITY and its elected officials, officers, employees, representatives and agents. CITY may, at its election, conduct the defense or participate in the defense of any claim related in any way to this indemnification. If CITY chooses at its own election to conduct its own defense, participate in its own defense or obtain independent legal counsel in defense of any claim related to this indemnification, PERMITTEE shall pay all reasonable costs related thereto, including without limitation reasonable attorneys' fees and costs.
22. Compliance with Laws. PERMITTEE shall at all times in its use and occupancy of the Permit Area comply with all applicable laws, rules and regulations and direction by competent governmental authorities, and all at PERMITTEE's sole cost and expense. At least annually, PERMITTEE shall deliver to City copies of all documentary evidence of such compliance received by or otherwise available to PERMITTEE.
23. California Public Records Act. CITY shall determine, in its sole discretion, whether information provided by PERMITTEE pursuant to this Permit is or is not a public record subject to disclosure under the California Public Records Act ("CPRA"). PERMITTEE shall hold CITY and its elected officials, officers and employees harmless for CITY's disclosure of any such information in response to a request for information under the CPRA.
24. No Discrimination. PERMITTEE shall not discriminate in any manner against any person on account of race, color, religion, gender, sexual orientation, medical status, national origin, age, marital status or disability in PERMITTEE's use of the Permit Area, including without limitation the provision of goods, services, facilities, privileges, advantages and accommodations, and the hiring and retention of employees and contractors.
25. Equal Opportunity. PERMITTEE shall comply with Title VII of the Civil Rights Act of 1964, as amended; Executive Orders 11246, 11375 and 12086; the California Fair Employment Practices Act; and all other related and applicable federal and state laws and regulations. PERMITTEE shall not discriminate against any employee or applicant for employment based on race, religion, color, ancestry, age, gender, sexual orientation, disability, medical condition or place of birth. PERMITTEE shall cause the foregoing provisions to be inserted in all of PERMITTEE's contracts for work related to this Permit so that such provisions will be binding upon each of PERMITTEE's contractors. PERMITTEE shall fully cooperate with any investigation conducted by CITY pursuant to CITY'S Nondiscrimination in Contracting Ordinance (i.e., San Diego Municipal Code

sections 22.3501-22.3517, as amended from time to time), and upon CITY's request PERMITTEE shall submit a current Workforce Report. PERMITTEE acknowledges that failure to comply with the requirements of this section and/or submitting false information in response to these requirements may result in termination of this Permit and debarment from participating in CITY contracts for a period of not less than one (1) year.

26. Equal Benefits. PERMITTEE shall comply with San Diego Municipal Code sections 22.4301-22.4308, which require applicable parties to offer the same employment benefits to employees with spouses and employees with domestic partners. PERMITTEE shall certify that it will maintain such equal benefits throughout the term of this Permit. PERMITTEE's failure to maintain equal benefits shall be a material breach of this Permit.
27. Disabled Access Compliance. PERMITTEE shall comply with Title 24 of the California Code of Regulations (i.e., the "Building Code", as defined in Title 24 of the California Health and Safety Code); the Americans with Disabilities Act of 1990 ("ADA"); and any other applicable state and federal laws and regulations enacted protecting the rights of people with disabilities. PERMITTEE's compliance shall include without limitation the following:
 - a. PERMITTEE shall not discriminate against qualified persons with disabilities in any aspects of employment, including recruitment, hiring, promotions, conditions and privileges of employment, training, compensation, benefits, discipline, layoffs and termination of employment;
 - b. No qualified individual with a disability may be excluded on the basis of disability from participation in, or be denied the benefits of, services, programs or activities of PERMITTEE;
 - c. PERMITTEE shall post a statement addressing the requirements of the ADA in a prominent place at the work site;
 - d. Where required by law, PERMITTEE shall, at PERMITTEE's sole cost and in conformance with all applicable building codes, comply with applicable disabled-access requirements by making accessible any areas of the Permit Area which deny access to disabled persons; and
 - e. PERMITTEE shall include language in each sublicense agreement, if any, indicating the sublicensee's agreement to abide by the foregoing provisions.

PERMITTEE and each of its sublicensees shall be individually responsible for their own ADA compliance program. PERMITTEE's failure to comply with the above requirements and/or submitting false information in response to those requirements shall be a default under this Permit.

28. CITY Employee Participation Policy. CITY may unilaterally and immediately terminate this Permit if PERMITTEE employs an individual who, within the twelve (12) months

immediately preceding such employment did, in their capacity as a CITY officer or employee, participate in negotiations with or otherwise have an influence on a recommendation made to the San Diego City Council related to the selection of PERMITTEE for this Permit. It is not the intent of this policy that these provisions apply to members of the City Council.

29. Local Business and Employment. PERMITTEE acknowledges that CITY seeks to promote employment and business opportunities for local residents and firms in all CITY contracts. For work associated with this Permit and to the extent legally possible, PERMITTEE shall use its best efforts to solicit applications for employment and bids and proposals for contracts from local residents and firms as opportunities occur. PERMITTEE shall use its best efforts to hire qualified local residents and firms whenever practicable.
30. PERMITTEE's Risk. PERMITTEE shall bear all risks and liability arising out of or in any manner directly or indirectly connected with PERMITTEE's use or occupancy of the Permit Area and any damages to the improvements on, under or in the vicinity of the Permit Area resulting directly or indirectly thereby.
31. No Nuisance. PERMITTEE shall not use the Permit Area in any manner which, in the opinion of CITY creates a nuisance or disturbs the quiet enjoyment of persons in the surrounding area or that violates CITY's Noise Abatement and Control Ordinance (Chapter 5, Article 9.5 of the San Diego Municipal Code, as amended from time to time).
32. Assignment and Sublicense. PERMITTEE shall not assign or sublicense any rights granted by this Permit or any interest in this Permit without CITY's written consent in each instance. Approval of any such proposed assignment or sublicense may be withheld at the sole and absolute discretion of CITY. Any assignment by operation of law shall automatically terminate this Permit.
33. Signs. PERMITTEE shall not erect or display any pennants, flags, posters, signs, decorations, marquees, awnings or similar devices or advertising in the Permit Area without CITY's prior written consent. If any such unauthorized item is found on the Permit Area, PERMITTEE shall remove the item at its expense within twenty-four (24) hours after notice by CITY, or CITY may thereafter remove the item at PERMITTEE's cost. PERMITTEE may erect and display banners on the existing light standards in the Permit Area solely to promote Old Town San Diego events after securing any and all applicable permits and approvals as required by competent governmental entities.
34. Encumbrances. PERMITTEE shall keep the Permit Area and the property of which it is a part (the "Property") free from all encumbrances and liens of any nature which arise out of or are in any manner directly or indirectly connected with PERMITTEE'S use or occupancy of the Permit Area. PERMITTEE shall protect, defend, indemnify and hold CITY harmless from and against any and all such encumbrances and/or liens, and from and against any claim, liability, cost or expense, including without limitation all attorney fees and costs, relating to or charged against the Property, including without limitation PERMITTEE'S failure or the failure of any contractor or subcontractor hired by

PERMITTEE to pay any person or persons entitled to lien or encumber the Property pursuant to the California Civil Code.

35. Taxes. PERMITTEE shall pay, before delinquency, all taxes, assessments and fees assessed or levied upon PERMITTEE or the Permit Area during the Term, including the land and any buildings, structures, machinery, equipment, appliances or other improvements or property of any nature whatsoever erected, installed or maintained by PERMITTEE, or levied by reason of PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area, including without limitation licensing and permitting costs and fees. PERMITTEE acknowledges that this Permit may create a possessory interest subject to property taxation, and that PERMITTEE may be subject to the payment of taxes levied on that interest. PERMITTEE shall pay all such possessory interest taxes. PERMITTEE's payment for such taxes, fees and assessments shall not reduce any payment due CITY.
36. Hazardous Substances. PERMITTEE shall not allow the illegal installation, storage, utilization, generation, sale or release of Hazardous Substance or otherwise regulated substances in, on, under or from the Permit Area. PERMITTEE and PERMITTEE's agents and contractors shall not install, store, utilize, generate or sell any Hazardous Substance on the Permit Area without CITY's prior written consent. PERMITTEE shall, prior to initiating any operations, obtain all required permits from applicable regulatory agencies, including without limitation the San Diego County Department of Environmental Health, local fire agencies, the San Diego County Department of Weights and Measures, the San Diego County Air Pollution Control District, and the San Diego Regional Water Quality Control Board. Installing, utilizing, storing, or any other presence of a Hazardous Substance includes boxes, bags, bottles, drums, cylinders, above or below ground tanks, equipment with tanks, or any other type of container, equipment or device which holds or incorporates a Hazardous Substance or hazardous waste.
- 36.1 Release. For all purposes of this Permit, a "release" shall include without limitation any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping or otherwise disposing of a Hazardous Substance.
- 36.2 Hazardous Substance. For all purposes of this Permit, "Hazardous Substance" shall mean any substance listed by the Environmental Protection Agency or the State of California as a hazardous substance, and all types of petroleum-related substances and their chemical constituents.
- 36.3 Remediation. If PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area ("PERMITTEE's Operations") results in a release of a Hazardous Substance, PERMITTEE shall pay all costs of remediation and removal to CITY's satisfaction for unrestricted reuse of the Permit Area, and in accordance with all applicable laws, rules and regulations of governmental authorities.
- 36.4 Removal. If PERMITTEE or PERMITTEE's contractor or agent has received approval and permits to store, utilize, generate or install, or otherwise bring

Hazardous Substances to the Permit Area, PERMITTEE and/or PERMITTEE's contractor or agent shall remove all Hazardous Substances in any type of container, equipment or device from the Permit Area immediately upon or prior to the expiration or earlier termination of this Permit. CITY reserves the right to conduct inspections of the Permit Area and/or request documentation demonstrating the legal removal and/or disposal of the hazardous materials, wastes or other containers, equipment or devices from the Permit Area. PERMITTEE shall be responsible for any and all costs incurred by CITY to remove any container, equipment or device requiring disposal or removal as required by this provision.

- 36.5 Indemnity. PERMITTEE shall protect, defend, indemnify and hold CITY harmless from any and all claims, costs and expenses related to environmental liabilities resulting from PERMITTEE's Operations, including without limitation: (i) costs of environmental assessments; (ii) costs of regulatory remediation oversight; (iii) costs of remediation and removal; (iv) any necessary CITY response costs; (v) all fines, penalties or fees assessed by any regulatory agency; (vi) damages for injury to natural resources, PERMITTEE's officers, employees, invitees, guests, agents or contractors, or the public; and (vii) all costs of any health assessments or health effect studies.
- 36.6 Notice of Release. If PERMITTEE knows or has reasonable cause to believe that a Hazardous Substance has been released on, from or beneath the Permit Area, PERMITTEE shall immediately notify CITY and any appropriate regulatory or reporting agency pursuant to California Code of Regulations Title 19 and any other applicable laws or regulations. PERMITTEE shall deliver a written report thereof to CITY within three (3) days after receipt of the knowledge or cause for belief and submit any required written reports to regulatory or reporting agencies as required by regulation or law. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent release or is an imminent substantial danger to public health and safety, PERMITTEE shall take all actions necessary to alleviate the danger. PERMITTEE shall immediately notify CITY in writing of any violation, notice to comply, or notice of violation received or the initiation of environmental actions or private suits related to the Permit Area.
- 36.7 Environmental Assessment. Upon reasonable cause to believe that PERMITTEE's Operations resulted in any Hazardous Substance being released on, from or beneath the Permit Area, CITY may cause an environmental assessment under regulatory oversight of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE's sole cost and expense, and shall establish what, if any, Hazardous Substances have more likely than not been caused by PERMITTEE's Operations on, in, from or under the Permit Area, and in what quantities. If any such Hazardous Substances exist in quantities greater than allowed by city, county, state or federal laws, statutes, ordinances or regulations, or require future restricted re-use of the Permit Area, then the environmental

assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect unrestricted re-use and in compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, as determined by CITY in its sole discretion, then CITY may cause, the remediation and/or removal recommended in the environmental assessment such that unrestricted re-use of the Permit Area and compliance with environmental laws and regulations are achieved, and PERMITTEE shall pay all costs and expenses therefor.

37. Water Quality Assurances. PERMITTEE shall, at its sole cost and expense, comply with all laws, rules, regulations and direction of competent governmental authority (such as the San Diego Regional Water Quality Control Board) relating to water quality assurance and storm water management. PERMITTEE acknowledges and agrees that such legal requirements may change at any time and from time to time.

37.1 NPDES: PERMITTEE shall comply with all applicable requirements of the National Pollutant Discharge Elimination System ("NPDES") permit in force on the Effective Date of this Permit (i.e., Permit No. R9-2013-0001), and any and all amendments thereto and all applicable succeeding NPDES permits.

37.2 Stormwater Management: PERMITTEE shall comply with all applicable requirements of the San Diego Municipal Code Chapter 4, Article 3, Division 3: Stormwater Management and Discharge Control (the "Stormwater Code"), and employ "Best Management Practices," as that term is defined by the Stormwater Code, and as approved by CITY, in its governmental capacity, under its Stormwater Management Program.

38. Waiver. The property constituting the Permit Area is publicly owned and held in trust for the benefit of CITY's citizens. CITY's failure to insist upon the strict performance of any of PERMITTEE's obligations under this Permit, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect. CITY's waiver of a default shall not be a waiver of any other default. Any waiver of a default must be in a writing executed by CITY to constitute a valid and binding waiver. CITY's delay or failure to exercise a right or seek a remedy shall not be deemed a waiver of that or any other right or remedy under this Permit, at law, or in equity. The exercise of any particular right or the use of any particular remedy for any default shall not waive the use of any other right or remedy for the same default or for another or later default. CITY's acceptance of any rents shall not be a waiver of any default preceding the rent payment. CITY's failure to discover a default or take prompt action to require the cure of any default shall not result in an equitable estoppel, but CITY may at any and all times require the cure of the default.
39. Cumulative Remedies. CITY's rights and remedies under this Permit are cumulative and shall not limit or otherwise waive or deny any of CITY's rights or remedies at law or in equity.

40. Survival. Any obligation which accrues under this Permit prior to its expiration or termination shall survive such expiration or termination.
41. Joint and Several Liability. If PERMITTEE is comprised of more than one person or legal entity, such persons and entities, and each of them, shall be jointly and severally liable for the performance of each and every obligation of PERMITTEE under this Permit.
42. No Affiliation. Nothing contained in this Permit shall be deemed or construed to create a partnership, joint venture or other affiliation between CITY and PERMITTEE or between CITY and any other entity or party, or cause CITY to be responsible in any way for the debts or obligations of PERMITTEE or any other party or entity.
43. Entire Agreement. This Permit represents the entire agreement between the parties for PERMITTEE's use and occupancy of the Permit Area, and supersedes all prior negotiations, representations or agreements concerning same, either oral or written. Each party represents and warrants that this Permit is binding upon such party in accordance with its terms.
44. Counterparts. This Permit may be executed in one or more counterparts, each of which shall be deemed to constitute an original, but all of which, when taken together, shall constitute one and the same instrument.
45. Notices. Any notice required or permitted to be given under this Permit shall be in writing and may be served personally or delivered by United States mail, postage prepaid, and addressed to PERMITTEE at PERMITTEE's Address for Notices, and to CITY as follows:

46. Authority to Contract. Each individual executing this Permit on behalf of another person or legal entity represents and warrants that they are authorized to execute and deliver this Permit on behalf of such person or entity in accordance with duly adopted resolutions or other authorizing actions which are necessary and proper and under such legal entity's articles, charter, bylaws or other written rules of conduct or governing agreement, and that this Permit is binding upon such person or entity in accordance with its terms. Each person executing this Permit on behalf of another person or legal entity shall provide CITY with evidence, satisfactory to CITY, that such authority is valid and that such entity is a valid government agency, qualified corporation, limited liability company, partnership or other unincorporated association in good standing in its home state and that it is qualified to do business in California.

47. Acceptance of Permit Area.
