

CITY OF SAN DIEGO
RIGHT OF ENTRY PERMIT

THIS CITY OF SAN DIEGO RIGHT OF ENTRY PERMIT ("Permit") is entered into by and between THE CITY OF SAN DIEGO, a California municipal corporation ("CITY"), and Enterprise Rent a Car Company of Los Angeles, a Nevada corporation ("PERMITTEE"), to be effective when signed by the parties and approved by the San Diego City Attorney, as follows:

RECITALS

- A. CITY Of San Diego is the owner of certain real property (the "City Property") consisting of approximately 6,000 square feet, located at the intersections of Kettner, Chalmers and California Street south of Washington Street, San Diego, California 92101, and as specifically set forth on the attached Exhibit A (the "Permit Area"), incorporated by this reference known as Permit Area.
- B. PERMITTEE acknowledges use of the Permit Area retroactive to April 1, 2007. The monthly rent of \$1,425 (one thousand four hundred twenty-five dollars), shall be due and payable upon execution of this permit by PERMITTEE retroactive to April 1, 2007.

NOW, THEREFORE, FOR VALUABLE CONSIDERATION, the sufficiency of which is acknowledged, the parties agree as follows:

- 1. Right to Enter. Subject to the terms and conditions of this Permit, CITY hereby grants permission to PERMITTEE, its employees, agents, contractors, and invitees to enter upon the Permit Area solely for the purpose of parking and storing vehicles and for no other purpose whatsoever.
- 2. Use of Permit Area. PERMITTEE may use the Permit Area on an exclusive basis solely for the purposes of parking and storage of vehicles and for no other purpose whatsoever. PERMITTEE shall obtain all related permits and comply with all applicable environmental laws, rules and regulations related to the Permit Use.
 - 2.1 PERMITTEE and its employees, agents, contractors, and invitees shall comply at all times with the health and safety requirements Title 8 of the California Code of Regulations; as such, regulations are enforced by the State of California Division of Occupational Safety and Health (also known as "Cal/OSHA").
- 3. Term. The term of this Permit ("Term") shall commence on the Effective Date, and is a month-to-month tenancy. CITY and or PERMITTEE may terminate this Permit at will, in their sole discretion. This Permit may be terminated by the CITY or PERMITTEE as a matter of right and without cause at any time upon the giving of thirty (30) days notice in writing to the other party of such termination.
- 4. Revocable License. This Permit is not a lease. It is an exclusive license to use the Permit Area, and may be revoked at will by CITY, in its sole discretion per provisions in paragraph

3 above. CITY shall not be obligated for any loss, financial or otherwise, which may be incurred by PERMITTEE as a result of such revocation or the termination of this Permit. PERMITTEE expressly waives any claim for expense or loss, which PERMITTEE might incur as a result of CITY'S termination of this Permit. CITY may enter the Permit Area during PERMITTEE'S normal business hours after PERMITTEE has received written notification.

5. Permit Fee. Consideration to CITY for granting the license shall be as follows, commencing on the Effective Date subject to recitals (b) herein:

Monthly Rent

\$1,425.00 per month

If PERMITTEE is in possession of the Permit Area on July 1, 2008, the Permit fee will increase by four percent (4%). The Permit fee shall increase by four percent (4%) every twelve (12) months commencing on July 1, 2008.

6. CITY'S Consent, Discretion. Whenever required under this Permit, CITY'S consent or approval shall mean the written consent or approval of the Mayor of San Diego, or his or her designee ("Mayor"), unless otherwise expressly provided. CITY'S discretionary acts hereunder shall be made in the Mayor's discretion, unless otherwise expressly provided.
7. Governmental Approvals. By entering into this Permit, neither CITY nor CITY'S City Council is obligating itself to any other governmental agent, board, commission, or agency with regard to any other discretionary action relating to the Permit Area or PERMITTEE'S use of the Permit Area. Discretionary action includes but is not limited to re-zonings, variances, environmental clearances, or any other governmental agency approvals, which may be required for the PERMITTEE'S use of the Permit Area.
8. Hazardous Substances. PERMITTEE shall not allow the installation or release of hazardous substances in, on, under, or from the Permit Area or the City Property. PERMITTEE and PERMITTEE'S agents and contractors shall not store, utilize, or sell any hazardous substance on the Permit Area or the City Property without CITY'S prior written consent. For the purposes of this provision, a release shall include but not be limited to any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leeching, dumping, or otherwise disposing of hazardous substances. "Hazardous substances" shall mean those hazardous substances listed by the Environmental Protection Agency in regularly released reports and any other substances incorporated into the State of California's list of hazardous substances. A copy of the presently effective EPA and the State lists is on file in the Office of the City Clerk as Document 769704 and by this reference is incorporated into this Lease.
- 8.1 Remediation. If PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area results in a release of a hazardous substance, PERMITTEE shall pay all costs of remediation and removal of the hazardous substance in accordance with all applicable laws, rules, and regulations of governmental authorities.

- 8.2 Indemnity. PERMITTEE shall protect, defend, indemnify, and hold CITY harmless from any and all claims, costs, and expenses related to environmental liabilities resulting from PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area, including but not limited to costs of environmental assessments, costs of remediation and removal, any necessary response costs, damages for injury to natural resources or the public, and costs of any health assessment or health effect studies.
- 8.3 Notice of Release. If PERMITTEE knows or has reasonable cause to believe that a hazardous substance has been released on or beneath the Permit Area or the City Property, PERMITTEE shall immediately notify CITY and deliver a written report thereof to CITY within three (3) days of receipt of the knowledge or cause for belief. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent and substantial danger to public health and safety, PERMITTEE shall take all actions necessary to alleviate the danger. PERMITTEE shall notify CITY immediately of any notice of violation received or initiation of environmental actions or private suits related to the Permit Area or the City Property.
- 8.4 Environmental Assessment. Upon reasonable cause to believe that PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area or the City Property ("PERMITTEE'S Operations"), resulted in any hazardous substance being released on or beneath the Permit Area or the City Property, CITY may cause an environmental assessment of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist, or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE'S sole cost and expense, and shall establish what, if any, hazardous substances have more likely than not been caused by PERMITTEE'S Operations on, in, or under the Permit Area or the City Property, and in what quantities. If any such hazardous substances exist in quantities greater than allowed by city, county, state, or federal laws, statutes, ordinances, or regulations, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, CITY may cause, the remediation and/or removal recommended in the environmental assessment such that compliance with environmental law is achieved, and PERMITTEE shall pay all costs and expenses therefor.
9. Noninterference. PERMITTEE shall not interfere with CITY'S use, operations, and activities on the City Property, and PERMITTEE shall use such routes and follow such procedures on the City Property as shall result in the least damage and inconvenience to CITY and other users of the City Property.
10. Property Damage. PERMITTEE shall pay for all damage to the City Property and CITY'S personal property on the City Property, and the personal property of third parties on the City

Property resulting from PERMITTEE'S exercise of the rights granted by this Permit. PERMITTEE shall promptly repair and restore to its original condition all such property. PERMITTEE shall not be responsible for any damage attributable to normal wear and tear on any City Property or CITY personal property.

11. Signs. No signs may be displayed on the Permit Area without CITY'S prior written consent.
12. Maintenance of the Permit Area. PERMITTEE shall maintain the Permit Area, at PERMITTEE'S sole cost and expense and to CITY'S satisfaction, in a decent, safe, healthy and sanitary condition.
13. Inspection. CITY may, at any and all times, enter and inspect the Permit Area subject to paragraph 4 of this Permit.
14. Restoration. CITY grants permission for PERMITTEE to install, at PERMITTEE'S sole cost and expense, a perimeter security fence subject to all CITY building codes. Prior to installation of the security fence, PERMITTEE must submit plans to CITY with scope of work, specific location of fence, estimated cost and fence type. The CITY must approve the project, in writing, prior to commencement of work. Immediately upon the expiration or earlier termination of this Permit, PERMITTEE shall promptly remove, at the sole discretion of the CITY, any and all improvements it installed in, on, under, or above the Permit Area and restore the Permit Area to its original condition, all at PERMITTEE'S sole cost and expense. As to any improvements owned by PERMITTEE for which CITY does not exercise said option for removal, title thereto shall vest in the CITY, without cost to CITY and without payment to PERMITTEE.
15. Indemnification. PERMITTEE shall protect, defend, indemnify, and hold CITY, its elected officials, officers, representatives, agents, and employees harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to PERMITTEE'S officers, employees, agents, contractor's, and invitees, which arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area or the City Property, and all expenses of investigating and defending against same, including without limitation attorney fees and costs, provided, however, that PERMITTEE'S duty to indemnify and hold harmless shall not include any claims or liability arising from the established active negligence, sole negligence, or sole willful misconduct of CITY, its elected officials, officers, representatives, agents and employees. CITY may, at its election, conduct the defense or participate in the defense of any claim related in any way to this indemnification. If CITY chooses at its own election to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification, PERMITTEE shall pay all of the costs related thereto, including without limitation reasonable attorney fees and costs.
16. Taxes. PERMITTEE, alone, shall pay any and all taxes, charges, and use fees levied by any governmental agency against PERMITTEE or against any of the City Property as a result of

PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area.

17. Encumbrances. PERMITTEE shall keep the City Property free from all encumbrances and liens of any nature which arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE'S use of the Permit Area. PERMITTEE shall protect, defend, indemnify, and hold CITY harmless from and against any and all such encumbrances and/or liens, and from and against any claim, liability, cost or expense, including without limitation all attorney fees and costs, relating to or charged against the City Property, including without limitation PERMITTEE'S failure or the failure of any contractor or subcontractor hired by PERMITTEE to pay any person or persons referred to in Section 3181 of the California Civil Code or other applicable sections thereof.
18. PERMITTEE'S Risk. PERMITTEE shall bear all risks and liability arising out of or in any manner directly ~~or indirectly~~ connected with PERMITTEE'S use of the Permit Area and any damages to the improvements on, under, ~~or in the vicinity of~~ the City Property resulting directly ~~or indirectly~~ thereby.
19. Insurance. On or before the Effective Date, PERMITTEE shall deliver to CITY a current certificate of insurance for a Commercial General Liability policy providing coverage for bodily injury, including death, personal injury, and property damage with limits of at least Two Million Dollars (\$2,000,000) per occurrence.
 - 19.1 Additional Insureds. Pursuant to a separate endorsement [CG2010 (11/85) or equivalent form], "The City of San Diego, its elected officials, officers, employees, representatives, and agents" shall be named as additional insureds in all policies.
 - 19.2 Primary & Non-Contributory. Insurance policies shall be endorsed such that the coverage is primary and non-contributory to any coverage carried or maintained by CITY. The policies shall be kept in force for the duration of the Term and any extended use. The certificate(s) of insurance shall be filed with CITY'S Real Estate Assets Department upon execution of this Permit.
 - 19.3 Qualified Insurer(s). All insurance required by the terms of this Permit must be provided by insurers licensed to do business in the State of California which are rated at least "A-, VI" by the current AM Best Ratings Guide and which are acceptable to CITY. Non-admitted surplus lines insurers may be accepted provided they are included on the most recent list of California eligible surplus lines insurers (LESLI list) and otherwise meet CITY requirements. Any policy of insurance may be maintained under a so-called "blanket policy" insuring other parties and other locations so long as the minimum insurance policy requirements and limits set forth above are maintained. If at any time, the limits of the blanket policy are reached, PERMITTEE shall notify CITY and provide coverage by separate certificate.

- 19.4 Deductibles/Retentions. All deductibles and self-insured retentions on any insurance policy are the sole responsibility of PERMITTEE and must be disclosed and acceptable to CITY at the time evidence of insurance is provided.
- 19.5 Continuity of Coverage. All policies shall be in effect on or before the first day of the Term, except "course of construction fire insurance" shall be in force on commencement of all authorized construction, and full applicable fire insurance coverage shall be effective upon completion of each insurable improvement. At least thirty (30) days prior to the expiration of each insurance policy, PERMITTEE shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the requirements of this Permit.
- 19.6 Modification. To assure protection from and against the kind and extent of risk existing on the Permit Area, CITY, at its discretion, may require the revision of amounts and coverage at any time during the Term by giving PERMITTEE thirty (30) days prior written notice. PERMITTEE shall also obtain any additional insurance required by CITY for new improvements, in order to meet the requirements of this Permit.
- 19.7 Accident Reports. PERMITTEE shall report to CITY any accident causing property damage or injury to persons on the Permit Area. Such report shall contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and other pertinent information.
- 19.8 Failure to Comply. If PERMITTEE fails or refuses to obtain and maintain the required insurance, or fails to provide proof of coverage, CITY may obtain the insurance. PERMITTEE shall reimburse CITY for the premiums paid, with interest at the maximum allowable legal rate then in effect in California. CITY shall notify PERMITTEE of such payment of premiums stating the amount paid, the name(s) of the insurer(s), and the rate of interest. PERMITTEE shall pay such reimbursement and interest within thirty (30) days following CITY'S notice. Notwithstanding any other provision of this Permit, if PERMITTEE fails or refuses to obtain or maintain insurance as required by this Permit, or fails to provide proof of insurance, CITY may terminate this Permit immediately upon such breach.
- 19.9 All-Risk Property Insurance. PERMITTEE shall obtain and maintain, at its sole cost, All-Risk Property insurance on all insurable property on the Permit Area in an amount to cover 100 percent (100%) of the replacement cost. PERMITTEE shall deliver to CITY a certificate of such insurance.
20. Compliance with Law. PERMITTEE shall, at its sole cost and expense, comply with all laws and the requirements of all municipal, state, and federal authorities now in effect or which may hereafter be in effect, which pertain to the Permit Area and PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area or the City Property.

21. No Discrimination. PERMITTEE shall not discriminate in any manner against any person or persons on account of race, color, religion, gender, sexual orientation, medical status, national origin, age, marital status, or physical disability in PERMITTEE'S use of the Permit Area, including but not limited to the providing of goods, services, facilities, privileges, advantages, and accommodations, and the obtaining and holding of employment.
22. Waiver. CITY'S failure to insist upon the strict performance of any of PERMITTEE'S obligations under this Permit, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect. The property constituting the Permit Area is publicly-owned and held in trust for the benefit of CITY'S citizens. CITY'S failure to discover a breach of any obligation of this Permit or to take prompt action to require the cure of any such breach shall not result in an equitable estoppel, but CITY may at any and all times require the cure of any such breach.
23. Survival. Any obligation which accrues under this Permit prior to its expiration or termination shall survive such expiration or termination.
24. Entire Permit. This Permit contains the entire agreement between the parties relating to the rights granted hereby and the obligations assumed herein. No modification of this Permit shall be valid unless in writing and signed by the party to be charged.
25. Legal Proceedings. In the event of any controversy, claim, or dispute relating to this Permit, the prevailing party shall be entitled to recover from the non-prevailing party all reasonable costs and expenses thereof, including without limitation attorney fees and costs.
26. Waiver of CITY'S Lien. CITY will not claim or have a lien of any kind, be it contractual or statutory, on or against PERMITTEE'S motor vehicles for non-payment of Rent, default by PERMITTEE or any other reason, and CITY hereby waives all such liens available to CITY.
