1.6. **“Security Deposit”** shall mean an amount equal to Three Thousand Dollars (\$3,000.00) CITY has received payment of the Security Deposit under a previous Permit. PERMITTEE agrees the Security Deposit being held by CITY will be transferred to and applied as the Security Deposit for this Permit.

1.7. **“Term”** shall mean three (3) years, commencing on the Effective Date and expiring on December 31, 2021.

2. Occupancy. Subject to the terms and conditions of this Permit, CITY hereby grants permission to PERMITTEE, its officers, employees, agents and contractors to enter upon and occupy the Permit Area solely for the purpose of the Permit Use.
3. Use of Permit Area. PERMITTEE may use the Permit Area solely for the Permit Use and for no other purpose whatsoever without CITY’s prior written consent in each instance.
4. Governmental Approvals. By entering into this Permit, neither CITY nor CITY’s City Council is obligating itself to PERMITTEE or to any governmental agent, board, commission, or agency with regard to any other discretionary action relating to PERMITTEE’S occupancy, use, development, maintenance or restoration of the Permit Area. “Discretionary action” includes without limitation re-zonings, variances, environmental clearances and all other required governmental approvals.
5. CITY’S Consent, Discretion. CITY’s discretionary acts hereunder shall be made in the Mayor’s discretion, unless otherwise expressly provided or required by law.
6. Term. The Term shall commence on the Effective Date.
7. Revocable License. This Permit is not a lease. It is a non-exclusive license to use CITY-owned property, and may be revoked at will by CITY, in its sole discretion upon three (3) days prior written notice delivered to PERMITTEE. CITY shall not be obligated for any burden or loss, financial or otherwise, which may be incurred by PERMITTEE as a result of such revocation or the termination of this Permit. PERMITTEE expressly waives any claim for expense or loss which PERMITTEE might incur as a result of CITY’S revocation or termination of this Permit.
8. No Holdover. If PERMITTEE continues to occupy the Permit Area after the expiration or earlier termination of this Permit, such occupancy shall neither constitute a renewal or extension of this Permit, nor give PERMITTEE any rights in or to the Permit Area. If PERMITTEE continues to occupy the Permit Area after the expiration or earlier termination of this Permit, CITY may demand and receive from PERMITTEE rent for the Permit Area calculated on a per diem basis using up to two (2) times the fair market rental rate as of the date of the expiration or termination of this Permit as determined by the CITY in its sole discretion. CITY’s acceptance of such rent shall neither constitute a renewal or extension of this Permit, nor give PERMITTEE any rights in or to the Permit Area.

9. Termination. PERMITTEE may terminate this Permit for any reason upon thirty (30) days prior written notice delivered to City.
10. Restore and Vacate. Prior to the expiration or PERMITTEE's earlier termination of this Permit, PERMITTEE shall restore the Permit Area to its condition on the Effective Date, normal wear and tear excepted, and upon such expiration or earlier termination immediately vacate the Permit Area. Upon CITY's termination of this Permit, PERMITTEE shall immediately cease all operations on the Permit Area and as soon as practicable thereafter restore the Permit Area to its condition on the Effective Date, normal wear and tear excepted, and vacate the Permit Area.
11. Superior Interests. This Permit is subject to all liens, encumbrances, covenants, conditions, restrictions, reservations, contracts, permits and licenses, easements, and rights-of-way pertaining to the Permit Area, whether or not of record. PERMITTEE shall obtain all licenses, permits, and agreements from such third parties as may be or become necessary or reasonably advisable to allow its use of the Permit Area, relative to any such superior interest. If PERMITTEE's use of the Permit Area is or becomes inconsistent or incompatible with a preexisting, superior interest, PERMITTEE shall take such actions and pay all costs and expenses necessary to remove such inconsistency or incompatibility to the satisfaction of the holder of the superior interest.
12. Permit Fee. PERMITTEE shall pay the Permit Fee to CITY upon execution of this Permit.
13. Rent. PERMITTEE shall pay the Monthly Rent in advance on the first day of each month during the Term. If the Effective Date is not the first day of a calendar month, then the Monthly Rent payable for the partial month at the beginning of the Term shall be prorated on a per diem basis.
14. Place of Payment. All payments to be paid by PERMITTEE under this Permit shall be made payable to "City Treasurer" and be mailed with an invoice to:

San Diego City Treasurer
P.O. Box 129030
San Diego, California 92112-9030

or hand delivered to:

The Office of the City Treasurer
Civic Center Plaza
1200 Third Avenue, First Floor
San Diego, California 92101

CITY may change the place of payment at any time upon thirty (30) days written notice to PERMITTEE. Mailed payments shall be deemed paid upon the date the payment is postmarked by the postal authorities. If postmarks are illegible, the payment shall be deemed received only upon actual receipt.

15. Delinquent Payments. If PERMITTEE fails to make any payments under this Permit when due, PERMITTEE shall pay to CITY, in addition to the unpaid amount, five percent (5%) of the unpaid amount which shall be additional rent. If any amount of such payment remains unpaid after fifteen (15) days past due, PERMITTEE shall pay to CITY an additional five percent (5%) of the unpaid amount (being a total of ten percent [10%]), which shall be additional rent. Notwithstanding the foregoing, in no event shall the charge for late payment of rent be less than Twenty-Five Dollars (\$25). After thirty (30) days past due, unpaid amounts due CITY under this Permit may be referred to the San Diego City Treasurer for collection and shall be subject to San Diego Municipal Code section 22.1707, as may be amended from time to time. PERMITTEE shall pay to CITY any collection-referral fee and all other fees and charges plus interest as may be charged by the CITY's City Treasurer under authority of the San Diego Municipal Code. Acceptance of late charges and any portion of the late payment by CITY shall neither constitute a waiver of PERMITTEE's breach or default with respect to the late payment nor prevent CITY from exercising any other rights and remedies available at law or in equity. As required by law, PERMITTEE is hereby notified that a negative credit report may be submitted to a credit reporting agency if amounts due CITY are not paid when due.
16. Security Deposit. CITY shall not be liable to PERMITTEE for any interest thereon. Any interest earned from such deposit or redeposit shall not become part of the Security Deposit but shall be and remain the property of CITY. All or any portion of the Security Deposit shall be available unconditionally to CITY to cure, in whole or in part, any breach or default of this Permit by PERMITTEE, or for expenses incurred by CITY as a result of PERMITTEE's breach or default of this Permit. PERMITTEE shall maintain, and if necessary replenish, the Security Deposit throughout the Term. Notwithstanding any other provision of this Permit to the contrary, if PERMITTEE fails or refuses to deposit or maintain the Security Deposit as required by this Permit, CITY may summarily terminate this Permit immediately upon such breach. Upon such termination, PERMITTEE shall immediately cease its use of the Permit Area and commence and diligently pursue the removal of its property from the Permit Area.
- 16.1. Utilization. If CITY utilizes all or any portion of the Security Deposit, then upon ten (10) days prior written notice, PERMITTEE shall reimburse the Security Deposit to the full required amount.
- 16.2. Increase. Upon thirty (30) days prior written notice by CITY, PERMITTEE shall deliver to CITY such additional funds as CITY may reasonably require as additional Security Deposit to adequately secure PERMITTEE'S obligations under this Permit.
- 16.3. Return. Provided PERMITTEE is not in breach or default of this Permit, CITY shall return the Security Deposit, or any balance thereof, to PERMITTEE within sixty (60) days after the expiration or termination of this Permit.
17. Maintenance of the Permit Area. PERMITTEE shall, at PERMITTEE'S sole cost and expense and to CITY'S satisfaction, maintain the Permit Area in good order and repair and

in a safe, healthy and sanitary condition at all times during the Term, subject to normal and ordinary wear and tear resulting from the use of the Permit Use. CITY shall at no time during the Term of this Permit be required to make any improvements or repairs to the Permit Area. PERMITTEE shall keep the Permit Area free and clear of rubbish, debris and litter at all times. PERMITTEE shall keep the Permit Area free and clear of weeds and brush as reasonably directed by CITY and to CITY's reasonable satisfaction.

18. Inspection. CITY may at all times enter and inspect the Permit Area.
19. Utilities. PERMITTEE shall order, obtain, and pay for all utilities and service and installation charges in connection with its use of the Permit Area.
20. Improvements/Alterations. Except as otherwise allowed by this Permit, PERMITTEE shall not construct any improvements, structures, or installations on the Permit Area, and shall not alter the Permit Area without the express written consent of CITY. Except as required by law, CITY shall not be obligated to make any repair or assume any expense for any improvements or alterations to the Permit Area.
21. Improvements and Personal Property.
 - 21.1 Improvements. Upon expiration or termination of this Permit, PERMITTEE shall remove any and all improvements, fixtures, structures, and installations or additions to the Permit Area that were constructed or installed on the Permit Area by PERMITTEE ("PERMITTEE Improvements"). PERMITTEE shall, at PERMITTEE's sole cost and expense, remove PERMITTEE Improvements as soon as practicable, but in no event later than (60) days after the expiration or earlier termination of this Permit. PERMITTEE, at its sole cost and expense, shall be responsible for the repair of any and all damage resulting from the removal of such PERMITTEE Improvements as required by this Permit. If PERMITTEE fails to remove PERMITTEE Improvements as required, CITY may, at its option, remove them at PERMITTEE's sole cost and expense. Notwithstanding the foregoing, CITY may, upon notice to PERMITTEE at termination or at any time prior to the expiration of the Term, elect to assume ownership of all or any PERMITTEE Improvements as of the expiration or earlier termination of this Permit, at no cost to CITY. If CITY elects to assume ownership of all or any PERMITTEE Improvements, PERMITTEE shall honor such assumption and execute and deliver all necessary and appropriate documents, materials and other items reasonably needed to affect such transfer of ownership to CITY.
 - 21.2 Personal Property. PERMITTEE shall remove from the Permit Area all PERMITTEE-owned machines, appliances, equipment, trade fixtures, and other items of personal property upon the expiration of the Term, or as soon as practicable after termination, but in no event later than thirty (30) days after the expiration or earlier termination of this Permit. Any such items which PERMITTEE fails to remove shall be deemed abandoned and become CITY's property free of all claims and liens, or CITY may, at its option, remove such items at PERMITTEE's sole cost and expense. PERMITTEE, at its sole cost and expense, shall be responsible for the

repair of any and all damage resulting from the removal of its personal property from the Permit Area.

- 21.3 Late Removal. Notwithstanding any provision of this Permit to the contrary, PERMITTEE shall pay rent to CITY for any period of time after the expiration or termination of this Permit needed to remove PERMITTEE Improvements or personal property as required by this Permit, whether by CITY or PERMITTEE. Such rent shall be calculated on a per diem basis using the rental rate in effect just prior to the expiration or termination of this Permit.
- 21.4 CITY's Right to Acquire Personal Property. If PERMITTEE want to dispose of any of its personal property used in its operations on the Permit Area upon expiration or termination of this Permit, CITY shall have the first right to acquire such personal property.
22. Insurance. PERMITTEE shall obtain and maintain throughout the term of this Permit, at its sole cost and expense, all insurance required by this Permit. PERMITTEE's liabilities under this Permit, including without limitation PERMITTEE's indemnity obligations, shall not be deemed limited in any way to the insurance coverage required herein. PERMITTEE's maintenance of the required insurance coverage is a material consideration for this Permit. Notwithstanding any provision of this Permit to the contrary, if PERMITTEE fails to maintain or renew the insurance coverage required herein, or fails to deliver evidence of same to CITY, PERMITTEE shall be in default of this Permit. PERMITTEE shall not modify any policy or endorsement thereto which increases CITY's exposure to loss. PERMITTEE shall obtain and deliver to CITY's Real Estate Assets Department a current certificate of insurance and relevant endorsements for (and subject to CITY's written approval of same):
- (a) Commercial General Liability Insurance ("CGL") written on an *ISO Occurrence form CG 00 01 07 98* or an equivalent form providing coverage at least as broad which shall cover liability arising from any and all personal injury, including death, and property damage with limits of at least Two Million Dollars (\$2,000,000) per occurrence, subject to an annual aggregate of at least Four Million Dollars (\$4,000,000). There shall be no endorsement or modification of the CGL limiting the scope of coverage for either insured vs. insured claims or contractual liability. All defense costs shall be outside the limits of the policy.
 - (b) Commercial Automobile Liability Insurance, providing coverage for all bodily injury, including death, and property damage on an *ISO form CA 00 01 12 90* or a later version of such form or an equivalent form providing coverage at least as broad for a combined single limit of at least One Million Dollars (\$1,000,000) per occurrence. Such insurance shall cover liability arising out of any vehicle (including owned, hired, and non-owned vehicles) operated in performing any and all work pursuant to this Permit.
 - (c) Workers' Compensation Insurance, as required by applicable laws, for all of PERMITTEE's employees who are subject to this Permit, with employers' liability

coverage with a limit of at least One Million Dollars (\$1,000,000), and an endorsement that the insurer waives the right of subrogation against The City of San Diego and its elected officials, officers, employees, representatives and agents.

- 22.1 Additional Insureds. To the fullest extent allowed by law, including without limitation California Insurance Code section 11580.04, each policy must be endorsed to include as an insured "The City of San Diego and its elected officials, officers, employees, representatives and agents" with respect to liability arising out of: (a) ongoing operations performed by PERMITTEE or on PERMITTEE's behalf; (b) PERMITTEE's products; (c) PERMITTEE's work, including without limitation PERMITTEE's completed operations performed by PERMITTEE or on PERMITTEE's behalf; or (d) the Permit Area.
- 22.2 Primary & Non-Contributory. Each policy must be endorsed to provide that the insurance afforded by Commercial General Liability policies is primary to any insurance or self-insurance of The City of San Diego and its elected officials, officers, employees, representatives and agents as respects operations of the named insured. Any insurance maintained by The City of San Diego and its elected officials, officers, employees, representatives and agents shall be in excess of PERMITTEE's insurance and shall not contribute to it.
- 22.3 Severability of Interest. Each policy must be endorsed to provide that PERMITTEE's insurance shall apply separately to each insured against whom claim is made or suit is bought, except with respect to the limits of the insurer's liability and shall provide cross-liability coverage.
- 22.4 Qualified Insurer(s). Except for the State Compensation Insurance Fund, all insurance required by this Permit shall only be carried by insurance companies with a rating of at least "A-, VI" by A.M. Best Company that are authorized by the California Insurance Commissioner to do business in the State of California, and that have been approved by CITY. CITY may accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of California and is included on the List of Eligible Surplus Lines Insurers (i.e., the LESLI list). All policies of insurance carried by non-admitted carriers shall be subject to all of the requirements for policies of insurance provided by admitted carriers described herein. Each insurer shall be subject to CITY's approval in each instance.
- 22.5 Deductibles/Retentions. All deductibles and self-insured retentions on any insurance policy are the sole responsibility of PERMITTEE and must be disclosed and acceptable to CITY at the time evidence of insurance is provided.
- 22.6 Continuity of Coverage. All policies shall be in effect on or before the first day of the Term, except "course of construction fire insurance" shall be in force on commencement of all authorized construction, and full applicable fire insurance coverage shall be effective upon completion of each insurable improvement. The policies shall be kept in force for the duration of the Term. At least thirty (30) days

prior to the expiration of each insurance policy, PERMITTEE shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the requirements of this Permit. PERMITTEE shall provide proof of continuing insurance at least annually during the Term and otherwise upon CITY's request. If insurance lapses or is discontinued for any reason, PERMITTEE shall immediately notify CITY and shall immediately obtain replacement insurance as soon as possible.

- 22.7 Modification. To assure protection from and against the kind and extent of risk existing with the Permit Use, CITY, at its reasonable discretion, may require the revision of amounts and coverage at any time by giving PERMITTEE thirty (30) days prior written notice. PERMITTEE shall also obtain any additional insurance required by CITY for new improvements, changed circumstances, or CITY's reasonable re-evaluation of risk levels related to the Permit Use.
- 22.8 Accident Reports. PERMITTEE shall immediately report to CITY any accident causing property damage or injury to persons on the Premises or otherwise related to the Permit Use. Such report shall contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and other pertinent information.
- 22.9 Causes of Loss - Special Form Property Insurance. PERMITTEE shall obtain and maintain, at its sole cost, Causes of Loss - Special Form Property Insurance on all of PERMITTEE's insurable property related to the Permit Use of the Premises under this Permit or the Premises in an amount to cover 100 percent (100%) of the replacement cost. PERMITTEE shall deliver a certificate of such insurance to CITY's Real Estate Assets Department.
23. Indemnification & Hold Harmless. Lessee will protect, defend, indemnify and hold City and its elected officials, officers, employees, representatives, agents, and volunteers harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to Lessee's officers, employees, invitees, guests, agents or contractors, which arise out of or are in any manner directly or indirectly connected with Lessee's acts or omissions in the performance of its rights and obligations under this Lease, and all expenses of investigating and defending against same, including without limitation attorney fees and costs; provided, however, that Lessee's duty to indemnify and hold City harmless will not include any established liability arising from the sole negligence or willful misconduct of City or its elected officials, officers, employees, representatives, agents, or volunteers. City may, at its election, conduct the defense or participate in the defense of any claim related in any way to this indemnification. If City chooses to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification, Lessee will pay all of the related costs, including without limitation reasonable attorney fees and costs
24. Compliance with Laws. PERMITTEE shall at all times in its use, occupancy, and maintenance of the Permit Area comply with all applicable laws, rules and regulations and direction by competent governmental authorities, and all at PERMITTEE's sole cost and expense. At least annually, PERMITTEE shall deliver to CITY copies of all documentary

evidence of such compliance received by or otherwise available to PERMITTEE (e.g., validation of periodic inspection of PERMITTEE's fire-suppression equipment in the Permit Area).

25. California Public Records Act. CITY shall determine, in its sole discretion, whether information provided by PERMITTEE pursuant to this Permit is or is not a public record subject to disclosure under the California Public Records Act ("CPRA"). PERMITTEE shall hold CITY and its elected officials, officers and employees harmless for CITY's disclosure of any such information in response to a request for information under the CPRA.
26. Equal Opportunity. PERMITTEE shall comply with Title VII of the Civil Rights Act of 1964, as amended; Executive Orders 11246, 11375 and 12086; the California Fair Employment Practices Act; and all other related and applicable federal and state laws and regulations. PERMITTEE shall not discriminate against any employee or applicant for employment based on race, religion, color, ancestry, age, gender, sexual orientation, disability, medical condition or place of birth. PERMITTEE shall cause the foregoing provisions to be inserted in all PERMITTEE's contracts for work related to this Permit so that such provisions will be binding upon each of PERMITTEE's contractors. PERMITTEE shall fully cooperate with any investigation conducted by CITY pursuant to CITY's Nondiscrimination in Contracting Ordinance (i.e., San Diego Municipal Code sections 22.3501-22.3517, as amended from time to time), and upon CITY's request PERMITTEE shall submit a current Workforce Report. PERMITTEE acknowledges that failure to comply with the requirements of this section and/or submitting false information in response to these requirements may result in termination of this Permit and debarment from participating in CITY contracts for a period of not less than one (1) year.
27. Equal Benefits. PERMITTEE shall comply with San Diego Municipal Code sections 22.4301-22.4308, which require applicable parties to offer the same employment benefits to employees with spouses and employees with domestic partners. PERMITTEE shall certify that it will maintain such equal benefits throughout the term of this Permit. PERMITTEE's failure to maintain equal benefits shall be a material breach of this Permit.
28. Accessibility Compliance. PERMITTEE will, as applicable to the Permit Area and PERMITTEE's possession, use, and occupancy of the Permit Area, comply with all accessibility requirements under California Government Code sections 11135-11139.5; Title 24 of the California Code of Regulations; the Federal Rehabilitation Act of 1973, Section 504, Title V; the Americans with Disabilities Act of 1990 (ADA); and all other applicable state and federal laws, rules, and regulations of competent governmental authority protecting the rights of individuals with disabilities. When a conflict exists between any federal or state accessibility requirements, PERMITTEE will follow the most restrictive accessibility requirement (i.e., that which provides the most access). PERMITTEE's compliance will include without limitation the following:
 - 28.1 PERMITTEE will not discriminate against qualified individuals with disabilities in any aspects of employment, including recruitment, hiring, promotions, conditions and privileges of employment, training, compensation, benefits, discipline, layoffs, and termination of employment.

- 28.2 No qualified individual with a disability may be excluded on the basis of disability from participation in, or be denied the benefits of, services, programs, or activities of PERMITTEE.
- 28.3 PERMITTEE will include language in each sublease which indicates the sublessee's agreement to abide by the provisions of this section 28. PERMITTEE and each of its sub-permittees will be individually responsible for their own ADA employment programs.
- 28.4 PERMITTEE will post a statement addressing the requirements of the ADA in a prominent place at the work site.
- 28.5 Where required by law, all improvements, fixtures, structures, or installations on the Permit Area will comply with municipal, state, and federal accessibility requirements by bringing up to code and making accessible any areas of the Permit Area which deny access to individuals with disabilities. All improvements and alterations will be at PERMITTEE's sole expense.
- 28.6 PERMITTEE's failure to comply with the accessibility requirements of this section 28 or submitting false information in response to these accessibility requirements, or both, will be a default of this Permit.
29. Nondiscrimination. This Lease is made and accepted upon and subject to the covenant and condition, which will run with the land, that Lessee or any person claiming under or through Lessee will not establish or allow any discrimination against or segregation of any person or group of persons on account of race, color, religion, gender, gender identity, gender expression, disability, sexual orientation, marital status, national origin, ancestry, familial status or source of income in the possession, use or occupancy of the Premises or in the selection, location, number, use or occupancy of tenants, subtenants or vendees in the Premises.
30. CITY Employee Participation Policy. CITY may unilaterally and immediately terminate this Permit if PERMITTEE employs an individual who, within the twelve (12) months immediately preceding such employment did, in their capacity as a CITY officer or employee, participate in negotiations with or otherwise have an influence on a recommendation made to the San Diego City Council related to the selection of PERMITTEE for this Permit. It is not the intent of this policy that these provisions apply to members of the City Council.
31. Local Business and Employment. PERMITTEE acknowledges that CITY seeks to promote employment and business opportunities for local residents and firms in all CITY contracts. For work associated with this Permit and to the extent legally possible, PERMITTEE shall use its best efforts to solicit applications for employment and bids and proposals for contracts from local residents and firms as opportunities occur. PERMITTEE shall use its best efforts to hire qualified local residents and firms whenever practicable.

32. PERMITTEE's Risk. PERMITTEE shall bear all risks and liability arising out of or in any manner directly or indirectly connected with PERMITTEE'S use or occupancy of the Permit Area and any damages to the improvements on, under or in the vicinity of the Permit Area resulting directly or indirectly thereby.
33. No Nuisance. PERMITTEE shall not use the Permit Area in any manner which creates a nuisance or unreasonably disturbs the quiet enjoyment of persons in and to the surrounding area.
34. Assignment and Sublicense. PERMITTEE shall not assign or sublicense any rights granted by this Permit or any interest in this Permit without CITY'S written consent in each instance. Any assignment by operation of law shall automatically terminate this Permit.
35. Signs. PERMITTEE shall not erect or display any banners, pennants, flags, posters, signs, decorations, marquees, awnings or similar devices or advertising without CITY'S prior written consent. If any such unauthorized item is found on the Permit Area, PERMITTEE shall remove the item at its expense within twenty-four (24) hours after notice by CITY, or CITY may thereafter summarily remove the item at PERMITTEE'S cost.
36. Encumbrances. PERMITTEE shall keep the Permit Area free from all encumbrances and liens of any nature which arise out of or are in any manner directly or indirectly connected with PERMITTEE'S use or occupancy of the Permit Area. PERMITTEE shall protect, defend, indemnify, and hold CITY harmless from and against any and all such encumbrances and/or liens, and from and against any claim, liability, cost or expense, including without limitation all attorney fees and costs, relating to or charged against the Permit Area, including without limitation PERMITTEE'S failure or the failure of any contractor or subcontractor hired by PERMITTEE to pay any person or persons entitled to lien or encumber the Permit Area pursuant to California Civil Code.
37. Taxes. PERMITTEE shall pay, before delinquency, all taxes, assessments, and fees assessed or levied upon PERMITTEE or the Permit Area during the Term, including the land, any buildings, structures, machinery, equipment, appliances, or other improvements or property of any nature whatsoever erected, installed, or maintained by PERMITTEE, or levied by reason of PERMITTEE'S occupancy, use, development, maintenance or restoration of the Permit Area, including without limitation licensing and permitting costs and fees. PERMITTEE acknowledges that this Permit may create a possessory interest subject to property taxation, and that PERMITTEE may be subject to the payment of taxes levied on that interest. PERMITTEE shall pay all such possessory interest taxes. PERMITTEE'S payment for such taxes, fees, and assessments shall not reduce any payment due CITY.
38. Hazardous Substances. PERMITTEE shall not allow the illegal installation, storage, utilization, generation, sale or release of Hazardous Substance or otherwise regulated substances in, on, under or from the Permit Area. Except for as to the Permit Use, PERMITTEE and PERMITTEE's agents and contractors shall not install, store, utilize, generate or sell any Hazardous Substance on the Permit Area without CITY's prior written consent. Department of Environmental Health, local fire agencies, the San Diego County Department of Weights and Measures, the San Diego County Air Pollution Control District, and the San Diego Regional Water Quality Control Board. Installing, utilizing, storing, or any other presence of a Hazardous Substance includes boxes, bags, bottles, drums, cylinders, above or below ground tanks, equipment with tanks, or any other type of container, equipment or device which holds or incorporates a Hazardous Substance or hazardous waste.

- 38.1 Release. For all purposes of this Permit, a “release” shall include without limitation any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or otherwise disposing of Hazardous Substances.
- 38.2 Hazardous Substances. For all purposes of this Permit, “Hazardous Substance” shall mean any substance listed by the Environmental Protection Agency or the State of California as a hazardous substance, and all types of petroleum-related substances and their chemical constituents.
- 38.3 Remediation. If PERMITTEE’s occupancy, use, development, maintenance, or restoration of the Permit Area (“PERMITTEE’s Operations”) results in a release of a Hazardous Substance, PERMITTEE shall pay all costs of remediation and removal to the CITY’s satisfaction for unrestricted reuse of the Permit Area, and in accordance with all applicable laws, rules, and regulations of governmental authorities.
- 38.4 Removal. If PERMITTEE or PERMITTEE’s contractor or agent has received approval and permits to store, utilize, generate, or install, or otherwise bring Hazardous Substances to the Permit Area, PERMITTEE and/or PERMITTEE’s contractor or agent shall remove all Hazardous Substances in any type of container, equipment, or device from the Permit Area immediately upon or prior to the expiration or earlier termination of this Permit. CITY reserves the right to conduct inspections of the Permit Area and/or request documentation demonstrating the legal removal and/or disposal of the hazardous materials, wastes or other containers, equipment, or devices from the Permit Area. PERMITTEE shall be responsible for any and all costs incurred by CITY to remove any container, equipment, or device requiring disposal or removal as required by this provision.
- 38.5 Indemnity. PERMITTEE shall protect, defend, indemnify, and hold CITY harmless from any and all claims, costs, and expenses related to environmental liabilities resulting from PERMITTEE’s Operations including without limitation: (i) costs of environmental assessments; (ii) costs of regulatory remediation oversight; (iii) costs of remediation and removal; (iv) any necessary CITY response costs; (v) all fines, penalties or fees assessed by any regulatory agency; (vi) damages for injury to natural resources, PERMITTEE’s officers, employees, invitees, guests, agents, or contractors, or the public; and (vii) all costs of any health assessments or health effect studies.
- 38.6 Notice of Release. If PERMITTEE knows or has reasonable cause to believe that a Hazardous Substance has been released on, from, or beneath the Permit Area, PERMITTEE shall immediately notify CITY and any appropriate regulatory or reporting agency pursuant to California Code of Regulations Title 19 and any other

applicable laws or regulations. PERMITTEE shall deliver a written report thereof to CITY within three (3) days after receipt of the knowledge or cause for belief and submit any required written reports to regulatory or reporting agencies as required by regulation or law. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent release or is an imminent substantial danger to public health and safety, PERMITTEE shall take all actions necessary to alleviate the danger. PERMITTEE shall immediately notify CITY in writing of any violation, notice to comply, or notice of violation received or the initiation of environmental actions or private suits related to the Permit Area.

38.7 Environmental Assessment. Upon reasonable cause to believe that PERMITTEE's Operations resulted in any Hazardous Substance being released on, from or beneath the Permit Area, CITY may cause an environmental assessment under regulatory oversight of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE's sole cost and expense, and shall establish what, if any, Hazardous Substances have more likely than not been caused by PERMITTEE'S Operations on, in, from or under the Permit Area, and in what quantities. If any such Hazardous Substances exist in quantities greater than allowed by city, county, state, or federal laws, statutes, ordinances, or regulations, or require future restricted re-use of the Permit Area, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect unrestricted re-use and in compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, as determined by CITY in its sole discretion, then CITY may cause the remediation and/or removal recommended in the environmental assessment such that unrestricted re-use of the Permit Area and compliance with environmental laws and regulations are achieved, and PERMITTEE shall pay all costs and expenses therefor.

39. Aboveground Storage Tanks. The requirements below are in addition to all other terms, conditions, and obligations of this Permit, including those contained in Section __ Hazardous Substances. Nothing in the section below is meant to limit the other sections, and if any of the provisions below is deemed to be in conflict with the other sections of this Permit, the provision that provides the CITY with the greatest protection shall be applied. Notwithstanding anything to the contrary herein,

PERMITTEE shall conduct daily visual inspections of all Aboveground Tanks and shall permit the San Diego Regional Water Quality Control Board (the "Water Quality Board"), CITY, and all responsible governmental agencies, to conduct periodic inspections of all Aboveground Tanks.

- 39.3 Fees and Costs. PERMITTEE shall pay all fees and costs related to unauthorized releases of Hazardous Substances from Aboveground Tanks, including without limitation investigative, surface, groundwater cleanup and agency fees. PERMITTEE shall maintain insurance or other financial means to ensure the fulfillment of its obligations hereunder to pay such fees and costs, including without limitation the costs of corrective actions, compensating third parties for personal injuries or property damage, and compensating CITY for damages to the Permit Area, directly or indirectly caused by any and all releases from Aboveground Tanks. PERMITTEE shall deliver to CITY and maintain evidence, satisfactory to CITY, of such financial responsibility. PERMITTEE shall pay all costs and expenses related to Aboveground Tanks, including without limitation costs and expenses to comply with PERMITTEE'S obligations under this Permit.
- 39.4 Development, Maintenance and Repair. PERMITTEE shall develop, maintain and repair all Aboveground Tanks in compliance with all applicable laws, rules and regulations of competent governmental authorities, including without limitation the California Health and Safety Code, as presently existing and as may be amended from time to time ("Health & Safety Code"). PERMITTEE shall: (a) comply with all valid orders of the Water Quality Board; (b) file all required aboveground storage tank statements; (c) establish and maintain all required monitoring programs and systems; (d) report all spills as required; and (e) pay all lawfully imposed penalties and fines.
- 39.5 Records and Inspection. PERMITTEE shall produce and maintain complete and accurate records related to Aboveground Tanks, including without limitation documentation related to permit applications, monitoring, inspections and testing data and results, equipment installation, repairing, closure and removal of Aboveground Tanks, and all unauthorized releases of Hazardous Substances from Aboveground Tanks. PERMITTEE shall keep such records in a format and location readily accessible by CITY and all other competent authorities for a period of not less than thirty-six (36) months after PERMITTEE permanently vacates the Permit Area. PERMITTEE shall make all such records available for inspection by CITY and all other competent authority.
- 39.6 Spill Prevention. PERMITTEE shall prepare and implement a spill prevention control countermeasure plan as required by the Health & Safety Code and conduct periodic inspections to ensure compliance therewith.
- 39.7 Operator Agreements. If applicable, PERMITTEE shall require each operator of an Aboveground Tank to comply with the Health & Safety Code as part of each agreement between PERMITTEE and each operator of an Aboveground Tank.

39.8 Legal Compliance. PERMITTEE shall comply with all laws, rules and regulations presently existing or hereafter enacted applicable to Aboveground Tanks.

40. Water Quality – Best Management Practices. CITY and PERMITTEE are committed to the implementation of controls (best management practices, or BMPs) to manage activities on the Permit Area in a manner which aids in the protection of CITY's precious water resources. It is PERMITTEE's responsibility to identify and implement an effective combination of BMPs so as not to cause pollutant discharges to the storm drain system in violation of San Diego Storm Water Management and Discharge Control Ordinance (San Diego Municipal Code sections 43.0301 to 43.0312).

Therefore, PERMITTEE will, at a minimum, implement and comply, as applicable, with the Minimum Industrial and Commercial BMPs adopted under the San Diego Municipal Code section 43.0307(a).

41. Waiver. The property constituting the Permit Area is publicly owned and held in trust for the benefit of CITY's citizens. CITY's failure to insist upon the strict performance of any of PERMITTEE'S obligations under this Permit, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect. CITY's waiver of a default shall not be a waiver of any other default. Any waiver of a default must be in a writing executed by CITY to constitute a valid and binding waiver. CITY's delay or failure to exercise a right or seek a remedy shall not be deemed a waiver of that or any other right or remedy under this Permit, at law or in equity. The exercise of any particular right or the use of any particular remedy for any default shall not waive the use of any other right or remedy for the same default or for another or later default. CITY's acceptance of any rents shall not be a waiver of any default preceding the rent payment. CITY's failure to discover a default or take prompt action to require the cure of any default shall not result in an equitable estoppel, but CITY may at any and all times require the cure of the default.
42. Cumulative Remedies. CITY's rights and remedies under this Permit are cumulative and shall not limit or otherwise waive or deny any of CITY's rights or remedies at law or in equity.
43. Survival. Any obligation which accrues under this Permit prior to its expiration or termination shall survive such expiration or termination.
44. Joint and Several Liability. If PERMITTEE is comprised of more than one person or legal entity, such persons and entities, and each of them, shall be jointly and severally liable for the performance of each and every obligation of PERMITTEE under this Permit.
45. No Affiliation. Nothing contained in this Permit shall be deemed or construed to create a partnership, joint venture or other affiliation between CITY and PERMITTEE or between

CITY and any other entity or party, or cause CITY to be responsible in any way for the debts or obligations of PERMITTEE or any other party or entity.

46. Entire Agreement.
