- 1.6 "Security Deposit" shall mean an amount equal to Four Thousand Dollars (\$4,000.00).
2. Occupancy. Subject to the terms and conditions of this Permit, CITY hereby grants permission to PERMITTEE and its officers, employees, agents and contractors to enter upon and occupy the Permit Area solely for the Permit Use.
 3. Use of Permit Area. PERMITTEE may use the Permit Area solely for the Permit Use and for no other purpose whatsoever without CITY's prior written consent in each instance.
 4. Term. The term of this Permit shall be three (3) years, commencing on the Effective Date ("Term").
 5. Permit Processing Fee. PERMITTEE shall pay CITY the Permit Processing Fee upon execution of this Permit.
 6. Rent. PERMITTEE shall pay to CITY the Monthly Rent in advance on or before the first day of each month during the Term. If the Effective Date is not the first day of a calendar month, then the Monthly Rent payable for the partial month at the beginning of the Term shall be prorated on a per diem basis.
 7. Place of Payment. All payments to be paid by PERMITTEE as a part of this Permit shall be payable to "City Treasurer" and be mailed to:

San Diego City Treasurer
P.O. Box 129030
San Diego, California 92112-9030

or hand delivered to:

The Office of the City Treasurer
Civic Center Plaza
1200 Third Avenue, First Floor
San Diego, California 92101

CITY may change the place of payment at any time upon thirty (30) days written notice to PERMITTEE. Mailed payments shall be deemed paid upon the date the payment is postmarked by the postal authorities. If postmarks are illegible, the payment shall be deemed received only upon actual receipt.

8. Delinquent Payments. If PERMITTEE fails to make any payment under this Permit when due, PERMITTEE shall pay to CITY, in addition to the unpaid amount, five percent (5%) of

the unpaid amount, which shall be included in the additional Monthly Rent for that pay period. If any amount of such payment remains unpaid after fifteen (15) days past due, PERMITTEE shall pay to CITY an additional five percent (5%) of the unpaid amount [being a total of ten percent (10%)], which shall be included in the additional Monthly Rent for that pay period. Notwithstanding the foregoing, in no event shall the charge for late payment of Monthly Rent be less than twenty-five dollars (\$25). After thirty (30) days past due, unpaid amounts due to CITY under this Permit may be referred to the San Diego City Treasurer for collection and shall be subject to San Diego Municipal Code section 22.1707, as may be amended from time to time. PERMITTEE shall pay to CITY any collection-referral fee and all other fees and charges plus interest as may then be charged by the San Diego City Treasurer under authority of the San Diego Municipal Code. Acceptance of late charges and any portion of the late payment by CITY shall neither constitute a waiver of PERMITTEE's breach or default with respect to the late payment nor prevent CITY from exercising any other rights and remedies available at law or in equity. As required by law, PERMITTEE is hereby notified that a negative credit report may be submitted to a credit reporting agency if amounts due CITY are not paid when due.

9. Security Deposit. CITY has received payment of the Security Deposit under a previous permit. PERMITTEE agrees the Security Deposit being held by CITY will be transferred to and applied as the Security Deposit for this Permit. CITY shall not be liable to PERMITTEE for any interest pertaining to the Security Deposit. Any interest earned from such deposit or redeposit shall not become part of the Security Deposit but shall be and remain the property of CITY. All or any portion of the Security Deposit shall be available unconditionally to CITY to cure, in whole or in part, any breach or default of this Permit by PERMITTEE, or for expenses incurred by CITY as a result of PERMITTEE's breach or default of this Permit. PERMITTEE shall maintain, and if necessary, replenish, the Security Deposit throughout the Term. Notwithstanding any other provision of this Permit to the contrary, if PERMITTEE fails or refuses to deposit or maintain the Security Deposit as required by this Permit, CITY may summarily terminate this Permit immediately upon such breach. Upon such termination, PERMITTEE shall immediately cease its use of the Permit Area and commence and diligently pursue the removal of its property from the Permit Area.
 - 9.1. Utilization. If CITY utilizes all or any portion of the Security Deposit, then upon ten (10) days' prior written notice, PERMITTEE shall reimburse the Security Deposit to the full required amount.
 - 9.2. Increase. Upon thirty (30) days' prior written notice by CITY, PERMITTEE shall deliver to CITY such additional funds as CITY may reasonably require as additional Security Deposit to adequately secure PERMITTEE'S obligations under this Permit.
 - 9.3. Return. Provided PERMITTEE is not in breach or default of this Permit, CITY shall return the Security Deposit, or any balance thereof, to PERMITTEE within sixty (60) days after the expiration or termination of this Permit.

10. Governmental Approvals. By entering into this Permit, neither CITY nor CITY's City Council is obligating itself to PERMITTEE or to any governmental agent, board, commission or agency with regard to any other discretionary action relating to PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area. "Discretionary action" includes without limitation re-zonings, variances, environmental clearances and all other required governmental approvals.
11. CITY's Consent, Discretion. CITY's consent or approval under this Permit shall mean the written consent or approval of the Mayor of San Diego, or his or her designee ("Mayor"), unless otherwise required by law or expressly provided herein, and shall be made in the Mayor's discretion, subject to all applicable laws, rules, regulations and directives of competent governmental authorities.
12. Revocable License. This Permit is not a lease. It is a license to use CITY property, and may be revoked at will by CITY, in its sole discretion: (a) if for PERMITTEE's breach or default of any of PERMITTEE's obligations under this Permit or in case of an emergency, immediately upon written notice delivered to PERMITTEE; and (b) if for CITY's convenience, upon ninety (90) days prior written notice delivered to PERMITTEE. CITY shall not be obligated for any burden or loss, financial or otherwise, which may be incurred by PERMITTEE as a result of such revocation or the termination of this Permit.
13. Holdover. If PERMITTEE continues to occupy the Permit Area after the expiration or earlier termination of this Permit, such occupancy shall neither constitute a renewal or extension of this Permit, nor give PERMITTEE any rights in or to the Permit Area. If PERMITTEE continues to occupy the Permit Area after the expiration or earlier termination of this Permit, CITY may demand and receive from PERMITTEE rent for the Permit Area calculated on a per diem basis using up to two (2) times the fair market rental rate as of the date of the expiration or termination of this Permit by an appraisal prepared by a qualified appraisal selected by CITY in its sole discretion. CITY's acceptance of such rent shall neither constitute a renewal or extension of this Permit, nor give PERMITTEE any rights in or to the Permit Area.
14. Termination. PERMITTEE or CITY may terminate this Permit for any reason upon thirty (30) days' prior written notice delivered to either party.
15. Restore and Vacate. Prior to the expiration or PERMITTEE's earlier termination of this Permit, PERMITTEE shall restore the Permit Area to its condition on the Effective Date, normal wear and tear excepted, and upon such expiration or earlier termination immediately vacate the Permit Area. Upon CITY's termination of this Permit, PERMITTEE shall immediately cease all operations on the Permit Area and as soon as practicable thereafter restore the Permit Area to its condition on the Effective Date, normal wear and tear excepted, and vacate the Permit Area.
16. Superior Interests. This Permit is subject to all liens, encumbrances, covenants, conditions, restrictions, reservations, contracts, permits and licenses, easements, and rights-of-way pertaining to the Permit Area, whether or not of record. PERMITTEE shall obtain all

licenses, permits, and agreements from such third parties as may be or become necessary or reasonably advisable to allow its use of the Permit Area, relative to any such superior interest. If PERMITTEE's use of the Permit Area is or becomes inconsistent or incompatible with a preexisting, superior interest, PERMITTEE shall take such actions and pay all costs and expenses necessary to remove such inconsistency or incompatibility to the satisfaction of the holder of the superior interest.

17. Maintenance of the Permit Area. PERMITTEE shall, at PERMITTEE's sole cost and expense and to CITY's satisfaction, maintain the Permit Area and all improvements, fixtures, structures or installations thereon in a decent, safe, healthy and sanitary condition at all times during the Term, subject to normal wear and tear resulting from the use of the Permit Use. CITY shall at no time during the Term of this Permit be required to make any improvements or repairs to the Permit Area. PERMITTEE shall keep the Permit Area free and clear of rubbish, debris and litter at all times. PERMITTEE shall keep the Permit Area free and clear of weeds and brush as reasonably directed by CITY and to CITY's reasonable satisfaction.
18. Inspection. City may at all times enter and inspect the Permit Area.
19. Utilities. PERMITTEE shall order, obtain, and pay for all utilities and service and installation charges in connection with its use of the Permit Area.
20. Signs. PERMITTEE shall not erect or display any banners, pennants, flags, posters, signs, decorations, marquees, awnings or similar devices or advertising without CITY's prior written consent. If any unauthorized item is found on the Permit Area, PERMITTEE shall remove the item at its expense within twenty-four (24) hours after notice by CITY, or CITY may thereafter summarily remove the item at PERMITTEE's sole cost and expense.
21. Improvements/Alterations. Except as otherwise allowed by this Permit, PERMITTEE shall not construct any improvements, structures, or installations on the Permit Area, and shall not alter the Permit Area without the express written consent of CITY. Except as required by law, CITY shall not be obligated to make any repair or assume any expense for any improvements or alterations to the Permit Area.
22. Improvements and Personal Property.
 - 22.1 Improvements. Upon expiration or termination of this Permit, PERMITTEE shall remove any and all improvements, fixtures, structures, and installations or additions to the Permit Area that were constructed or installed on the Permit Area by PERMITTEE ("PERMITTEE Improvements"). PERMITTEE shall, at PERMITTEE's sole cost and expense, remove PERMITTEE Improvements as soon as practicable, but in no event later than sixty (60) days after the expiration or earlier termination of this Permit. PERMITTEE, at its sole cost and expense, shall be responsible for the repair of any and all damage resulting from the removal of such PERMITTEE Improvements as required by this Permit. If PERMITTEE fails to remove PERMITTEE Improvements as required, CITY may, at its option, remove them at PERMITTEE's sole cost and expense. Notwithstanding the foregoing, CITY

may, upon notice to PERMITTEE at termination or at any time prior to the expiration of the Term, elect to assume ownership of all or any PERMITTEE Improvements as of the expiration or earlier termination of this Permit, at no cost to CITY. If CITY elects to assume ownership of all or any PERMITTEE Improvements, PERMITTEE shall honor such assumption and execute and deliver all necessary and appropriate documents, materials and other items reasonably needed to affect such transfer of ownership to CITY.

- 22.2 Personal Property. PERMITTEE shall remove from the Permit Area all PERMITTEE-owned machines, appliances, equipment, trade fixtures, and other items of personal property upon the expiration of the Term, or as soon as practicable after termination, but in no event later than thirty (30) days after the expiration or earlier termination of this Permit. Any such items which PERMITTEE fails to remove shall be deemed abandoned and become CITY's property free of all claims and liens, or CITY may, at its option, remove such items at PERMITTEE's sole cost and expense. PERMITTEE, at its sole cost and expense, shall be responsible for the repair of any and all damage resulting from the removal of its personal property from the Permit Area.
- 22.3 Late Removal. Notwithstanding any provision of this Permit to the contrary, PERMITTEE shall pay rent to CITY for any period of time after the expiration or termination of this Permit needed to remove PERMITTEE Improvements or personal property as required by this Permit, whether by CITY or PERMITTEE. Such rent shall be calculated on a per diem basis using the rental rate in effect just prior to the expiration or termination of this Permit.
- 22.4 CITY's Right to Acquire Personal Property. If PERMITTEE want to dispose of any of its personal property used in its operations on the Permit Area upon expiration or termination of this Permit, CITY shall have the first right to acquire such personal property.
23. Insurance. PERMITTEE shall obtain and maintain throughout the term of this Permit, at its sole cost and expense, all insurance required by this Permit. PERMITTEE's liabilities under this Permit, including without limitation PERMITTEE's indemnity obligations, shall not be deemed limited in any way to the insurance coverage required herein. PERMITTEE's maintenance of the required insurance coverage is a material consideration for this Permit. Notwithstanding any provision of this Permit to the contrary, if PERMITTEE fails to maintain or renew the insurance coverage required herein, or fails to deliver evidence of same to CITY, PERMITTEE shall be in default of this Permit. PERMITTEE shall not modify any policy or endorsement thereto which increases CITY's exposure to loss. PERMITTEE shall obtain and deliver to CITY's Department of Real Estate and Airport Management a current certificate of insurance and relevant endorsements for (and subject to CITY's written approval of same):

which shall cover liability arising from any and all personal injury, including death, and property damage with limits of at least Two Million Dollars (\$2,000,000) per occurrence, subject to an annual aggregate of at least Four Million Dollars (\$4,000,000). There shall be no endorsement or modification of the CGL limiting the scope of coverage for either insured vs. insured claims or contractual liability. All defense costs shall be outside the limits of the policy.

- 23.2 Commercial Automobile Liability Insurance, providing coverage for all bodily injury, including death, and property damage on an *ISO form CA 00 01 12 90* or a later version of such form or an equivalent form providing coverage at least as broad for a combined single limit of at least One Million Dollars (\$1,000,000) per occurrence. Such insurance shall cover liability arising out of any vehicle (including owned, hired, and non-owned vehicles) operated in performing any and all work pursuant to this Permit.

Each policy must be endorsed to provide that the insurance afforded by Commercial General Liability policies is primary to any insurance or self-insurance of The City of San Diego and its elected officials, officers, employees, representatives and agents as respects operations of the named insured. Any insurance maintained by The City of San Diego and its elected officials, officers, employees, representatives and agents shall be in excess of PERMITTEE's insurance and shall not contribute to it.
- 23.6 Severability of Interest. Each policy must be endorsed to provide that PERMITTEE's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability and shall provide cross-liability coverage.

California Insurance Commissioner to do business in the State of California, and that have been approved by CITY. CITY may accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of California and is included on the List of Eligible Surplus Lines Insurers (i.e., the LESLI list). All policies of insurance carried by non-admitted carriers shall be subject to all of the requirements for policies of insurance provided by admitted carriers described herein. Each insurer shall be subject to CITY's approval in each instance.

The policies shall be kept in force for the duration of the Term. At least thirty (30) days prior to the expiration of each insurance policy, PERMITTEE shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the requirements of this Permit. If insurance lapses or is discontinued for any reason, PERMITTEE shall immediately notify CITY and shall immediately obtain replacement insurance as soon as possible.
- 23.10 Modification. To assure protection from and against the kind and extent of risk existing with the Permit Use, CITY, at its reasonable discretion, may require the revision of amounts and coverage at any time by giving PERMITTEE thirty (30) days prior written notice. PERMITTEE shall also obtain any additional insurance required by CITY for new improvements, changed circumstances, or CITY's reasonable re-evaluation of risk levels related to the Permit Use.
- 23.11 Accident Reports. PERMITTEE shall immediately report to CITY any accident causing property damage or injury to persons on the Property or otherwise related to the Permit Use. Such report shall contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, photos or video, if any, and other pertinent information.

PERMITTEE shall obtain and maintain, at its sole cost, Causes of Loss - Special Form Property Insurance on all of PERMITTEE's insurable property related to the Permit Use or the Permit Area in an amount to cover 100 percent (100%) of the replacement cost. PERMITTEE shall deliver a certificate of such insurance to CITY's Department of Real Estate and Airport Management.

CITY may, at its election, conduct the defense or participate in the defense of any claim related in any way to this indemnification. If CITY chooses at its own election to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification, PERMITTEE shall pay all reasonable costs related thereto, including without limitation reasonable attorney fees and costs.

PERMITTEE shall, prior to initiating any operations, obtain all required permits from applicable regulatory agencies, including without limitation the San Diego County Department of Environmental Health, local fire agencies, the San Diego County Department of Weights and Measures, the San Diego County Air Pollution Control District, and the San Diego Regional Water Quality Control Board. Installing, utilizing, storing, or any other presence of a Hazardous Substance includes boxes, bags, bottles, drums, cylinders, above or below ground tanks, equipment with tanks, or any other type of container, equipment or device which holds or incorporates a Hazardous Substance or hazardous waste.
- 25.1 Release. For all purposes of this Permit, a "release" shall include without limitation any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or otherwise disposing of Hazardous Substances.
- 25.2 Hazardous Substances. For all purposes of this Permit, "Hazardous Substance" shall mean any substance listed by the Environmental Protection Agency or the State of California as a hazardous substance, and all types of petroleum-related substances and their chemical constituents.
- 25.3 Remediation. If PERMITTEE's occupancy, use, development, maintenance, or restoration of the Permit Area ("PERMITTEE's Operations") results in a release of a Hazardous Substance, PERMITTEE shall pay all costs of remediation and removal to the CITY's satisfaction for unrestricted reuse of the Permit Area, and in accordance with all applicable laws, rules, and regulations of governmental authorities.

- 25.4 Removal. If PERMITTEE or PERMITTEE's contractor or agent has received approval and permits to store, utilize, generate, or install, or otherwise bring Hazardous Substances to the Permit Area, PERMITTEE and/or PERMITTEE's contractor or agent shall remove all Hazardous Substances in any type of container, equipment, or device from the Permit Area immediately upon or prior to the expiration or earlier termination of this Permit. CITY reserves the right to conduct inspections of the Permit Area and/or request documentation demonstrating the legal removal and/or disposal of the hazardous materials, wastes or other containers, equipment, or devices from the Permit Area. PERMITTEE shall deliver a written report thereof to CITY within three (3) days after receipt of the knowledge or cause for belief and submit any required written reports to regulatory or reporting agencies as required by regulation or law. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent release or is an imminent substantial danger to public health and safety, PERMITTEE shall take all actions necessary to alleviate the danger. PERMITTEE shall immediately notify CITY in writing of any violation, notice to comply, or notice of violation received or the initiation of environmental actions or private suits related to the Permit Area.
- 25.7 Environmental Assessment. Upon reasonable cause to believe that PERMITTEE's Operations resulted in any Hazardous Substance being released on, from or beneath the Permit Area, CITY may cause an environmental assessment under regulatory oversight of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE's sole cost and expense, and shall establish what, if any, Hazardous Substances have more likely than not been caused by PERMITTEE'S Operations on, in, from or under the Permit Area, and in what quantities. If any such Hazardous Substances exist in quantities greater than

allowed by city, county, state, or federal laws, statutes, ordinances, or regulations, or require future restricted re-use of the Permit Area, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect unrestricted re-use and in compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, as determined by CITY in its sole discretion, then CITY may cause the remediation and/or removal recommended in the environmental assessment such that unrestricted re-use of the Permit Area and compliance with environmental laws and regulations are achieved, and PERMITTEE shall pay all costs and expenses therefor.

CITY shall determine, in its sole discretion, whether this Permit or information provided to CITY by PERMITTEE pursuant to this Permit is or is not a public record subject to disclosure under the California Public Records Act ("CPRA"). PERMITTEE shall hold CITY, its elected officials, officers and employees harmless for CITY's disclosure of any such information in response to a request for information under the CPRA. Upon CITY's request, PERMITTEE shall provide CITY with specific and detailed legal grounds, including any applicable case law, upon which CITY may rely, in CITY's sole discretion, for withholding any information requested pursuant to the CPRA. If CITY withholds disclosure of information in reliance on such legal analysis provided by PERMITTEE, PERMITTEE shall protect, defend, indemnify and hold CITY and its elected officials, officers, employees, representatives and agents harmless for and from legal actions or challenges seeking to obtain the information from CITY and all costs incurred by CITY associated therewith, and shall defend, at PERMITTEE's sole expense, any action brought against CITY resulting from CITY's nondisclosure of the information. CITY may, at its election, conduct the defense or participate in the defense of any claim related in any way to this indemnification. If CITY chooses at its own election to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification, PERMITTEE shall pay all of the costs related thereto, including without limitation reasonable attorney fees and costs.
- 29.1 CITY shall not be liable or obligated for any burden or loss (financial or otherwise) incurred by PERMITTEE as a result of CITY's disclosure or non-disclosure of this Permit or PERMITTEE information requested pursuant to the CPRA. PERMITTEE EXPRESSLY WAIVES ANY CLAIM AGAINST CITY AND ITS ELECTED OFFICIALS, OFFICERS, EMPLOYEES, REPRESENTATIVES AND AGENTS FOR ANY BURDEN, EXPENSE OR LOSS WHICH PERMITTEE INCURS AS A RESULT OF CITY'S DISCLOSURE OR NON-DISCLOSURE OF THIS PERMIT OR ANY PERMITTEE INFORMATION REQUESTED PURSUANT TO THE CPRA.
30. Nondiscrimination. PERMITTEE shall not discriminate in any manner against any person on account of race, color, religion, gender, gender expression, gender identity, sexual orientation, medical status, national origin, ethnicity, age, marital status or disability in PERMITTEE's use of the Permit Area, including without limitation the provision of goods, services, facilities, privileges, advantages and accommodations, and the hiring and retention of employees and contractors.

31. Equal Opportunity. PERMITTEE shall comply with Title VII of the Civil Rights Act of 1964, as amended; Executive Orders 11246, 11375 and 12086; the California Fair Employment Practices Act; and all other related and applicable federal and state laws and regulations. PERMITTEE shall not discriminate against any employee or applicant for employment based on race, religion, color, ancestry, age, gender, sexual orientation, disability, medical condition or place of birth. PERMITTEE shall cause the foregoing provisions to be inserted in all of PERMITTEE's contracts for work related to this Permit so that such provisions will be binding upon each of PERMITTEE's contractors. PERMITTEE shall fully cooperate with any investigation conducted by CITY pursuant to CITY'S Nondiscrimination in Contracting Ordinance (i.e., San Diego Municipal Code sections 22.3501-22.3517, as amended from time to time), and upon CITY's request PERMITTEE shall submit a current Workforce Report. PERMITTEE acknowledges that failure to comply with the requirements of this section and/or submitting false information in response to these requirements may result in termination of this Permit and debarment from participating in CITY contracts for a period of not less than one (1) year.
32. Equal Benefits. PERMITTEE shall comply with San Diego Municipal Code Sections 22.4301-22.4308, which require applicable parties to offer the same employment benefits to employees with spouses and employees with domestic partners. PERMITTEE shall certify that it will maintain such equal benefits throughout the term of this Permit. PERMITTEE's failure to maintain equal benefits shall be a material breach of this Permit.
33. Equal Pay Ordinance. Unless an exception applies, PERMITTEE shall comply with the Equal Pay Ordinance codified in San Diego Municipal Code sections 22.4801 through 22.4809. By signing this Permit, PERMITTEE certifies that it will comply with the requirements of the Equal Pay Ordinance throughout the Term.
 - 33.1 PERMITTEE and Sub-Permittee Requirement. The Equal Pay Ordinance applies to any sub-permittee of the Permit Area to the same extent as it would apply to PERMITTEE. PERMITTEE shall require sub-permittees to certify compliance with the Equal Pay Ordinance.
 - 33.1 Notice Requirement. PERMITTEE must post a notice informing its employees of their rights under the Equal Pay Ordinance in their workplace or job site.
34. Disabled Access Compliance. PERMITTEE shall, as applicable to the Permit Area and PERMITTEE's possession, use, and occupancy of the Permit Area, comply with all accessibility requirements under California Government Code sections 11135-11139.5; Title 24 of the California Code of Regulations (i.e., the "California Building Code"); the Federal Rehabilitation Act of 1973, Section 504, Title V; the Americans with Disabilities Act of 1990 ("ADA"); and all other applicable state and federal laws, rules, and regulations of competent governmental authority enacted protecting the rights of people with disabilities. When a conflict exists between any federal or state accessibility requirements, PERMITTEE will follow the most restrictive accessibility requirement (i.e., that which provides the most access). PERMITTEE's compliance shall include without limitation the following:

- 34.1 PERMITTEE shall not discriminate against qualified persons with disabilities in any aspects of employment, including recruitment, hiring, promotions, conditions and privileges of employment, training, compensation, benefits, discipline, layoffs and termination of employment;
 - 34.2 No qualified individual with a disability may be excluded on the basis of disability from participation in, or be denied the benefits of, services, programs or activities of PERMITTEE;
 - 34.3 PERMITTEE shall post a statement addressing the requirements of the ADA in a prominent place at the work site;
 - 34.4 Where required by law, all improvements, fixtures, structures, or installations on the Permit Area will comply with municipal, state, and federal accessibility requirements by bringing up to code and making accessible any areas of the Permit Area which deny access to individuals with disabilities. All improvements and alterations will be at PERMITTEE's sole expense. PERMITTEE shall, at PERMITTEE's sole cost and in conformance with all applicable building codes and accessibility regulations, comply with applicable disabled-access requirements by making accessible any areas of the Permit Area which deny access to disabled persons; and
 - 34.5 PERMITTEE shall include language in each sublicense agreement, if any, indicating the sub-licensee's agreement to abide by the foregoing provisions.
 - 34.6 PERMITTEE and each of its sub-licensees shall be individually responsible for their own ADA compliance program.
 - 34.7 PERMITTEE's failure to comply with the above accessibility requirements of this section and/or submitting false information in response to those accessibility requirements shall be a default under this Permit.
35. CITY Employee Participation Policy. CITY may unilaterally and immediately terminate this Permit if PERMITTEE employs an individual who, within the twelve (12) months immediately preceding such employment did, in their capacity as a CITY officer or employee, participate in negotiations with or otherwise have an influence on a recommendation made to the San Diego City Council related to the selection of PERMITTEE for this Permit. It is not the intent of this policy that these provisions apply to members of the City Council.
36. Local Business and Employment. PERMITTEE acknowledges that CITY seeks to promote employment and business opportunities for local residents and firms in all CITY contracts. For work associated with this Permit and to the extent legally possible, PERMITTEE shall use its best efforts to solicit applications for employment and bids and proposals for contracts from local residents and firms as opportunities occur. PERMITTEE shall use its best efforts to hire qualified local residents and firms whenever practicable.

37. PERMITTEE's Risk. PERMITTEE shall bear all risks and liability arising out of or in any manner directly or indirectly connected with PERMITTEE's use or occupancy of the Permit Area and any damages to the improvements on, under or in the vicinity of the Permit Area resulting directly or indirectly thereby.
38. Nuisance and Noise Disturbances. PERMITTEE shall not use the Permit Area in any manner which, in the opinion of the CITY creates a nuisance or disturbs the quiet enjoyment of persons in the surrounding area or that violates the CITY's Noise Abatement and Control Ordinance (Chapter 5, Article 9.5 of the San Diego Municipal Code, as amended from time to time).
39. Assignment and Sublicense. PERMITTEE shall not assign or sublicense any rights granted by this Permit or any interest in this Permit without CITY's prior written consent in each instance. Approval of any such proposed assignment or sublicense may be withheld at the sole and absolute discretion of the CITY. Any assignment by operation of law shall automatically terminate this Permit.
40. Encumbrances. PERMITTEE shall keep the Permit Area and the property of which it is a part (the "Property") free from all encumbrances and liens of any nature which arise out of or are in any manner directly or indirectly connected with PERMITTEE's use or occupancy of the Permit Area. PERMITTEE shall protect, defend, indemnify, and hold CITY harmless from and against any and all such encumbrances and/or liens, and from and against any claim, liability, cost or expense, including without limitation all attorney fees and costs, relating to or charged against the Property in connection with such encumbrances and/or liens, including without limitation PERMITTEE's failure or the failure of any contractor or subcontractor hired by PERMITTEE to pay any person or persons entitled to lien or encumber the Property pursuant to the California Civil Code.
41. Taxes. PERMITTEE shall pay, before delinquency, all taxes, assessments, and fees assessed or levied upon PERMITTEE or the Permit Area during the Term, including the land, any buildings, structures, machinery, equipment, appliances, or other improvements or property of any nature whatsoever erected, installed, or maintained by PERMITTEE, or levied by reason of PERMITTEE'S occupancy, use, development, maintenance or restoration of the Permit Area, including without limitation licensing and permitting costs and fees. PERMITTEE acknowledges that this Permit may create a possessory interest subject to property taxation and that PERMITTEE may be subject to the payment of property taxes levied on such interest. PERMITTEE's payment for such taxes, fees, and assessments shall not reduce any payment due to CITY under this Permit.
42. Accessibility Assessment. In accordance with California Civil Code section 1938, CITY hereby states that the Permit Area has not been inspected by a Certified Access Specialist (CASP).
43. Waiver. The Property constituting the Permit Area is publicly owned and held in trust for the benefit of CITY's citizens. CITY's failure to insist upon the strict performance of any

of PERMITTEE's obligations under this Permit, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect. CITY's waiver of a default shall not be a waiver of any other default. Any waiver of a default must be in a writing executed by CITY to constitute a valid and binding waiver. CITY's delay or failure to exercise a right or seek a remedy shall not be deemed a waiver of that or any other right or remedy under this Permit, at law, or in equity. The exercise of any particular right or the use of any particular remedy for any default shall not waive the use of any other right or remedy for the same default or for another or later default. CITY's acceptance of any fees shall not be a waiver of any default preceding the fee payment. CITY's failure to discover a default or take prompt action to require the cure of any default shall not result in an equitable estoppel, but CITY may at any and all times require the cure of the default.

44. Governing Law. This Permit shall be governed, construed, and enforced in accordance with the laws of the State of California. Any lawsuit to enforce this Permit shall be filed in the Superior Court of California, County of San Diego, and Central Division.
45. Cumulative Remedies. CITY's rights and remedies under this Permit are cumulative and shall not limit or otherwise waive or deny any of CITY's rights or remedies at law or in equity.
46. Survival. Any obligation which accrues under this Permit prior to its expiration or termination shall survive such expiration or termination.
47. Severability. The unenforceability, invalidity, or illegality of any provision of this Permit shall not render any other provision of this Permit unenforceable, invalid, or illegal.
48. Joint and Several Liability. If PERMITTEE is comprised of more than one person or legal entity, such persons and entities, and each of them, shall be jointly and severally liable for the performance of each and every obligation of PERMITTEE under this Permit.
49. No Affiliation. Nothing contained in this Permit shall be deemed or construed to create a partnership, joint venture or other affiliation between CITY and PERMITTEE or between CITY and any other entity or party, or cause CITY to be responsible in any way for the debts or obligations of PERMITTEE or any other party or entity.
50. Entire Agreement. This Permit constitutes the entire agreement between the parties and supersedes any and all prior understandings, representations, warranties and agreements between them pertaining to this Permit and PERMITTEE's occupancy, use, development, maintenance and restoration of the Permit Area. Any modification, alteration or amendment of this Permit shall be in writing and signed by all the parties hereto. Each party represents and warrants that this Permit is binding upon such party in accordance with its terms.
51. Maintenance of Records. PERMITTEE shall maintain complete and accurate records in a manner satisfactory to CITY from which CITY can determine the amounts of all income subject to percentage fee payment.
