- 2.4. **Use of PREMISES:** LICENSEE may use the PREMISES solely for the LICENSE USE and for no other purpose whatsoever, without CITY's prior written consent in each instance. CITY is granting LICENSEE a non-exclusive right of entry to enter the PREMISES and make limited use of the PREMISES, based on the terms and conditions of this AGREEMENT. No provisions of this AGREEMENT shall be construed to either create a landlord/tenant or agency relationship between CITY and LICENSEE, or create any form of a limited estate in favor of LICENSEE. CITY reserves the right to enter upon the PREMISES at all times and to inspect and maintain the Premises as CITY deems necessary.
- 2.5. **Revocable License.** This AGREEMENT is not a lease. This AGREEMENT is a non-exclusive license to use the PREMISES, and may be revoked at will by CITY, in its sole discretion: (a) immediately upon written notice delivered to LICENSEE if LICENSEE

- 2.6. Assignment and Sublicense. LICENSEE shall not assign or sublicense any rights granted by this AGREEMENT or any interest in this AGREEMENT without CITY'S prior written consent. Approval of any such proposed assignment or sublicense may be withheld at the sole and absolute discretion of the CITY. Any assignment by operation of law shall automatically terminate this AGREEMENT.
- 2.7. Compliance with Law. LICENSEE shall, at its sole cost and expense, at all times in its occupancy, use and maintenance of the Premises, comply with all rules, regulations and laws, and all direction by competent authority, which now or hereafter pertain to LICENSEE's occupancy, use, and maintenance of the PREMISES. If the Term of this AGREEMENT exceeds one (1) year, at least annually, LICENSEE shall deliver to CITY copies of all documentary evidence of such compliance received by or otherwise available to LICENSEE (e.g., validation of periodic inspections, if applicable).
- 2.8. Drug-Free Workplace and Non-Discrimination. LICENSEE agrees to comply with the CITY's Drug-Free Workplace requirements set forth in Council Policy 100-17, adopted by San Diego Resolution R-277952, and incorporated into this AGREEMENT by this reference.

Except as required by law, CITY shall not be obligated to make any repair or assume any expense for any improvements or alterations to PREMISES.

- 2.11. Signs. CITY reserves the right, at any time, to require LICENSEE to remove any display, banner, pennant, flag, poster, sign, decoration, awning, or similar advertising that CITY in its sole discretion deems offensive or inappropriate for a professional environment. If any such unauthorized item remains on the PREMISES twenty-four hours after CITY's request to remove, CITY may thereafter remove the item at LICENSEE's cost.
- 2.12. Inspection. CITY reserves the right to enter and inspect the PREMISES at any time, without notice.
- 2.13. Insurance. LICENSEE shall not begin any work under this AGREEMENT until it has: (a) obtained, and provided to CITY, insurance certificates reflecting evidence of all insurance required below; however, CITY reserves the right to request, and LICENSEE shall submit, copies of any policy upon reasonable request by CITY; (b) obtained CITY approval of each insurance company or companies; and (c) confirmed that all policies contain the specific provisions required below. LICENSEE's liabilities, including but not limited to LICENSEE's indemnity obligations, under this AGREEMENT, shall not be deemed limited in any way to the insurance coverage required herein. Maintenance of specified insurance coverage is a material element of this AGREEMENT and LICENSEE's failure to maintain or renew coverage or to provide evidence of renewal during the term of this AGREEMENT may be treated by CITY as a material breach of the terms of this AGREEMENT. LICENSEE shall not modify any policy or endorsement thereto which increases CITY's exposure to loss for the duration of this AGREEMENT.

MINIMUM SCOPE AND LIMIT OF INSURANCE

Coverage shall be at least as broad as:

- 2.13.1. Commercial General Liability (CGL). - 2.13.2. Automobile Liability. Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if Consultant has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than \$1,000,000 per accident for bodily injury and property damage.

The insurance requirements in paragraph 2.13.2 do not apply if LICENSEE's scope of work has no driving component.

- 2.13.3. Workers' Compensation. Insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.

- 2.13.4. Professional Liability (Errors and Omissions). For consultant contracts, Insurance appropriate to the Consultant's profession, with limit no less than \$1,000,000 per occurrence or claim, \$2,000,000 aggregate.

If the contractor maintains broader coverage and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverage and/or the higher limits maintained by the contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

- 2.13.5. Other Insurance Provisions. The insurance policies are to contain, or be endorsed to contain, the following provisions:

- 2.13.5.1. Additional Insured Status. The City, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the LICENSEE including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the LICENSEE's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 if a later edition is used).
- 2.13.5.2. Primary Coverage. For any claims related to this contract, the LICENSEE's insurance coverage shall be primary coverage at least as broad as ISO CG 20 01 04 13 as respects the Entity, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees, or volunteers shall be excess of the LICENSEE's insurance and shall not contribute with it.
- 2.13.5.3. Notice of Cancellation. Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the City.
- 2.13.5.4. Waiver of Subrogation. LICENSEE hereby grants to City a waiver of any right to subrogation which any insurer of said LICENSEE may acquire against the City by virtue of the payment of any loss under such insurance. LICENSEE agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Entity has received a waiver of

subrogation endorsement from the insurer.

- 2.13.5.5. Claims Made Policies (applicable only to professional liability). The Retroactive Date must be shown, and must be before the date of the contract or the beginning of contract work. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract of work. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the LICENSEE must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work.
- 2.14. Self-Insured Retentions. Self-insured retentions must be declared to and approved by the Entity. The City may require the LICENSEE to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or City.
- 2.15. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VI, unless otherwise acceptable to the City. City will accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of California and is included on the List of Approved Surplus Lines Insurers (LASLI list). All policies of insurance carried by non-admitted carriers are subject to all of the requirements for policies of insurance provided by admitted carriers described herein.
- 2.16. Verification of Coverage. LICENSEE shall furnish the City with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by the City before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the LICENSEE's obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
- 2.17. Special Risks or Circumstances. Entity reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
- 2.18. Additional Insurance. LICENSEE may obtain additional insurance not required by this AGREEMENT.
- 2.19. Excess Insurance. All policies providing excess coverage to City shall follow the form of the primary policy or policies including but not limited to all endorsements.
- 2.20. Indemnification. LICENSEE shall protect, defend, indemnify, and hold CITY and its elected officials, officers, employees, representatives, and agents harmless from and

against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to LICENSEE's officers, employees, invitees, guests, agents, or contractors, which arise out of or are in any manner directly or indirectly connected with this AGREEMENT or LICENSEE's occupancy, use or maintenance of the PREMISES, and all expenses of investigating and defending against same, including without limitation attorney fees and costs; provided, however, that LICENSEE's duty to indemnify and hold harmless shall not include any established liability arising from the sole gross negligence or willful misconduct of CITY and its elected officials, officers, employees, representatives, and agents. CITY may, at its election, conduct the defense or participate in the defense of any claim related in any way to this indemnification. If CITY chooses at its own election to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification, LICENSEE shall pay all reasonable costs related thereto, including without limitation reasonable attorney fees and costs.

- 2.21. LICENSEE's Risk and Accident Reports. LICENSEE shall bear all risks and liability arising out of or in any manner directly or indirectly connected with the LICENSEE's occupancy, use and maintenance of the PREMISES, and any damages to CITY improvements and property on, under, or in the vicinity of the PREMISES. LICENSEE shall immediately report to CITY any accident causing property damage or injury to persons and related to the LICENSE USE or the PREMISES. Such report shall contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and other pertinent information.
- 2.22. Obligations of CITY. CITY acknowledges and agrees:
- 2.22.1. To be responsible for the PREMISES and its use, with ultimate authority to deny any person or group (civilian or sworn) the use of PREMISES.
 - 2.22.2. To be responsible for all firearms class-related issues at the RANGE, with ultimate authority by the Range Master.
 - 2.22.3. Through the Range Master, to review all civilian firearms class lead and assistant instructors' qualifications to ensure they are qualified to instruct firearms at the RANGE.

2.22.7. To provide to the SDPRC on an annual basis, or when the document is edited or altered, a copy of the rules as set forth in “San Diego Police Range Rules for Civilian Use.”

2.23. Obligations of LICENSEE. LICENSEE acknowledges and agrees:

2.23.1. To be responsible for use of the RANGE by all civilian personnel and ensure the eligibility of all non-police personnel using the RANGE.

2.23.2. To be jointly responsible with Range Master in the enforcement of all RANGE rules.

2.23.3. To handle the RANGE office facility, and provide services to all civilians using the RANGE, on a day to day basis.
