CITY OF SAN DIEGO

LEASE AGREEMENT

THIS CITY OF SAN DIEGO LEASE AGREEMENT ("Lease") is entered into by and between THE CITY OF SAN DIEGO, a California municipal corporation ("CITY"), and SAN DIEGO GAS & ELECTRIC COMPANY, a California corporation ("LESSEE"), to be effective upon execution by CITY ("Commencement Date") and approval by the City Attorney, as follows:

SECTION 1: PREMISES

1.1 Leased Premises.

CITY owns multiple parcels of real property located in the County of San Diego, State of California. Portions of the property shall be described in Exhibit "A" – Legal Description, attached to this Lease and by this reference made part of this Lease, which shall be referred to as the "Site." LESSEE leases from CITY the portions of the Site described in Exhibit "B" – Site Plan/Location, attached to this Lease and by this reference made part of this Lease, which portions shall be referred to as the "Premises." LESSEE, its agents, employees, contractors, guests and invitees may enter the Premises using the access point shown on the attached Exhibit "B" – Site Plan/Location on a 24-hour nonexclusive basis.

1.2 Easements and Reservations.

1.2.1 CITY reserves all rights, title, and interest in any and all subsurface natural gas, oil, minerals, and water on or within the Premises.

1.2.2 CITY reserves the right to grant and use easements or to establish and use rights-of-way over, under, along, and across the Premises for utilities, thoroughfares, or access as it deems advisable, in its sole discretion, for the public good.

1.2.3 CITY may enter the Premises to develop and/or repair municipal resources and services.

CITY shall not unreasonably or substantially interfere with LESSEE'S use of the Premises and shall reimburse LESSEE for physical damages, if any, to the permanent improvements located on the Premises or Communications Equipment (defined below) resulting from CITY exercising the rights reserved in this section. The reimbursement may include a reduction in the rent proportionate to the amount of physical damage as reasonably determined by CITY. CITY shall pay the costs of maintenance and repair of all CITY installations made pursuant to these reserved rights.

1.3 Eminent Domain.

If all or part of the Premises is taken through condemnation proceedings or under threat of condemnation by any public authority with the power of eminent domain, the interests of CITY and LESSEE (or beneficiary or mortgagee) shall be as follows:

- 1.3.1 Full Taking. If the entire Premises is taken, this Lease shall terminate on the date of the transfer of title or possession to the condemning authority, whichever first occurs.
- 1.3.2 Partial Taking - Remainder Unusable. If a partial taking of the Premises occurs, and in the opinion of CITY, the remaining part of the Premises is unsuitable for the Lease operation, this Lease shall terminate on the date of the transfer of title or possession to the condemning authority, whichever first occurs.
- 1.3.3 Partial Taking - Remainder Usable. If a partial taking of the Premises occurs, and in the opinion of CITY, the remaining part of the Premises is suitable for continued Lease operation, this Lease shall terminate in regard to the portion taken on the date of the transfer of title or possession to the condemning authority, whichever first occurs, but shall continue for the portion not taken. The rent shall be equitably reduced to reflect the portion of the Premises taken, only to the extent that LESSEE'S operations are reduced or impaired.
- 1.3.4 Award. All monies awarded in any taking shall belong to CITY, whether the taking results in diminution in value of the leasehold or the fee or both. LESSEE shall be entitled to any award attributable to the taking of, or damages to, LESSEE'S then remaining leasehold interest in installations or improvements of LESSEE. CITY shall have no liability to LESSEE for any award not provided by the condemning authority.
- 1.3.5 Transfer. CITY may transfer CITY'S interests in the Premises in lieu of condemnation to any authority entitled to exercise the power of eminent domain. If a transfer occurs, LESSEE shall retain whatever interest it may have in the fair market value of any improvements placed by it on the Premises in accordance with this Lease.
- 1.3.6 No Inverse Condemnation. The exercise of any CITY right under this Lease shall not be interpreted as an exercise of the power of eminent domain and shall not impose any liability upon CITY for inverse condemnation.

1.4 Related Council Actions.

By entering into this Lease, neither CITY nor the San Diego City Council is obligating itself to any other governmental agent, board, commission, or agency with regard to any other discretionary action relating to the development or operation of the Premises. Discretionary action includes, but is not limited to, rezonings, variances, environmental clearances, or any other governmental agency approvals which may be required for the development and operation of the Premises. LESSEE shall diligently seek all entitlements and actions, from both CITY and other governmental agencies with jurisdiction over the Premises, as are necessary to develop and operate the uses contemplated by this Lease, all at no cost to CITY.

1.5 Quiet Possession.

LESSEE, paying the rent and performing its obligations under this Lease, shall at all times during the Term (defined in Section 2.1) peaceably and quietly have, hold, and enjoy the Premises. If CITY for any reason cannot deliver possession of the Premises to LESSEE on the Commencement Date (defined in Section 2.1), or if during the Term LESSEE is temporarily dispossessed through action or claim of a title superior to CITY'S, then this Lease shall not be voidable nor shall CITY be liable to LESSEE for any loss or resulting damage; provided, however, the Commencement Date shall automatically extend until the date CITY delivers possession of the Premises to LESSEE.

1.6 Reassignment of Space.

At any time during the Term, CITY, in its sole discretion, may reassign LESSEE an equivalent amount of space in a different location at the Site. CITY shall exercise its reassignment right by delivering written notice (the "Reassignment Notice") to LESSEE that proposes one or more alternate locations on the Site to which LESSEE may relocate its Communications Equipment. LESSEE shall have ninety (90) days from the date it receives the Reassignment Notice to evaluate CITY'S proposed relocation space, during which period LESSEE shall have the right to conduct tests to determine the technological feasibility of the proposed relocation space. Any relocation space which CITY and LESSEE agree upon in writing is referred to in this Lease as the "Relocation Space." LESSEE shall then have a period of ninety (90) days to relocate its Communications Equipment to the Relocation Space after the later to occur of: execution of a written agreement between the parties concerning the location and dimensions of the Relocation Space; or receipt by CITY of all necessary permits and approvals required for any CITY construction or redevelopment project which requires a relocation of the Communications Equipment (including all permits and approvals required for LESSEE'S use of the Relocation Space. LESSEE shall cooperate fully with CITY and its contractors during any reassignment, and shall pay all expenses associated with the reassignment; provided, however, that the actual

relocation of all or any part of LESSEE'S Communications Equipment shall only be done by LESSEE or LESSEE'S contractors. CITY shall use its best efforts to ensure continuous, uninterrupted broadcast/receiving capability during any conversion, including the installation and operation by LESSEE of a CITY-approved temporary communications facility on the Site. If CITY and LESSEE are unable to agree on a mutually acceptable Relocation Space, then LESSEE may terminate this Lease upon thirty (30) days prior written notice to CITY, without further obligation. Upon relocation of the Communications Equipment, or any part thereof, to the Relocation Space, all references to the Premises in this Lease shall be deemed to be references to the Relocation Space. CITY and LESSEE agree that "as built" drawings of the Relocation Space (including the access and utility easement) may be prepared by a licensed architect at the sole cost of LESSEE and such drawings shall then replace the relevant portions of Exhibit "A" – Legal Description and Exhibit "B" - Site Plan/Location and by this reference made a part of this Lease. Except as expressly provided in this Section 1.6, the relocation of the Communications Equipment, or any part thereof, shall not alter, modify or otherwise change any of the terms and conditions of this Lease.

SECTION 2: TERM

2.1 Term.

The Term of this Lease shall be ten (10) years ("Term"). "Lease Year" as used in this Lease shall mean the first full 12-month period following the Commencement Date, and each succeeding 12-month period thereafter during the Term.

2.2 Holdover.

LESSEE may not continue in possession of any Premises past the expiration or earlier termination of this Lease. Any extension of the Term shall require approval by the City Council pursuant to City Council Policy 700-10: Disposition of City-Owned Real Property.

2.3 Quitclaim and Surrender of LESSEE'S Interest.

2.3.1 Quitclaim Deed. At termination of this Lease for any reason, LESSEE shall execute, acknowledge and deliver to CITY, within five (5) days after written demand, a valid and recordable quitclaim deed covering all of the Premises. If LESSEE fails or refuses to deliver the required quitclaim deed, CITY may prepare and record a notice reciting LESSEE'S failure to execute this Lease provision, and the notice shall be conclusive evidence of the termination of this Lease and all LESSEE'S rights to the Premises.

- 2.3.2 Surrender and Restoration of Premises. Upon the expiration or earlier termination of this Lease, LESSEE shall surrender the Premises to CITY free and clear of all liens and encumbrances, except those liens and encumbrances which (i) existed on the Commencement Date, and (ii) existing after the Commencement Date and not the result of LESSEE'S use of the Premises, and in a decent, safe, and sanitary condition.

SECTION 3: USES

3.1 Sole Permitted Uses.

The Premises are leased to LESSEE solely and exclusively for the purposes of installing, constructing, modifying, maintaining, operating, and removing, at its expense, a communications facility on the Premises, including, without limitation, antenna equipment, cable wiring, utility lines, transmission lines, air conditioned equipment shelters, backup power sources that may include, with proper permits obtained, backup power generators with connected fuel storage tanks for emergency backup power, related fixtures and, if applicable to the Premises, an antenna structure or structures (collectively, "Communications Equipment"), as listed in the attached Exhibit "C" - Equipment. The use of the Premises for any unauthorized, illegal or unpermitted purpose shall constitute a default and subject this Lease to termination at the sole option of the CITY. LESSEE shall have the right to replace or repair the Communications Equipment, or any portion thereof, pursuant to Sections 9.3 and 9.4 herein.

3.2 Co-location.

Where a Site is a shared site, LESSEE shall not access any other wireless communication facility or CITY-owned communications equipment, including any towers, without CITY'S prior consent.

3.3 Competent Management.

Throughout the Term, LESSEE shall provide competent management of the Premises for the permitted uses to the reasonable satisfaction of the City Manager. For purposes of this section, "competent management" shall mean demonstrated ability in the management and operation of a communications facility and related activities in a fiscally responsible manner and in accordance with industry standards.

SECTION 4: RENT

4.1 Time and Place of Payment.

Rent is due annually in advance on or before the first day of each Lease Year. If the Commencement Date is not the first day of a calendar month, then the accrued rent for the partial month at the beginning of the Term shall be prorated on a per diem basis, and paid in conjunction with the rent for the first full month of the Term. All rents required by this Lease must be made payable to the City Treasurer and mailed to:

The Office of the City Treasurer
City of San Diego
P.O. Box 122289
San Diego, California 92112-4165

or hand delivered to:

The Office of the City Treasurer
Civic Center Plaza
1200 Third Avenue
First Floor
San Diego, California

The place of payment may be changed at any time by CITY upon thirty (30) days prior written notice to LESSEE. Mailed rental payments shall be deemed paid upon the date the payment is postmarked by the postal authorities. If postmarks are illegible, the payment shall be deemed paid upon actual receipt by the City Treasurer. LESSEE assumes all risk of loss and responsibility for late payment charges if payments are made by mail. LESSEE shall clearly identify the Premises by location and include CITY'S customer account number for LESSEE on the rent payment so CITY can apply the rent to the appropriate account.

4.2 Rent.

4.2.1 Rent Amount. LESSEE shall pay CITY an initial rent of Eight Thousand Seven Hundred Dollars (\$8,700) annually in advance, subject to annual adjustments on the first day of each Lease Year as provided in the following rent schedule:

Lease Year Two	\$9,048.00
Lease Year Three	\$9,409.92
Lease Year Four	\$9,786.32
Lease Year Five	\$10,177.77
Lease Year Six	Market Rate

The above rent schedule reflects an annual rent escalation equal to four percent (4%) of the annual rent for each preceding Lease Year. At Lease Year Six the rent is subject to the adjustment provisions by appraisal described in Section 4.2.2 below.

4.2.2 Market Rent Adjustment – By Appraisal. At the end of the fifth Lease Year, the rent for the ensuing five (5) years, subject to percentage escalations for each Lease Year, seven through ten, as described in Section 4.2.1 above, shall be determined by an appraisal of the site under this Lease as of the adjustment date by a Real Estate Assets Department (“READ”) staff appraiser or a California State Certified General Real Estate Appraiser who is confirmed by READ as being competent in determining market rent for telecommunication sites/properties/leases (“Qualified Appraiser”). In establishing a market rent for the leased portfolio of mini-cell sites, the Qualified Appraiser shall base his or her determination on a current appraisal by surveying comparable market rents for similar leased facilities in Southern California or other comparable market areas. The date of value of the appraisal shall be the date of rental adjustment as established in this section. If the appraisal is not completed in time to permit the adjustment to be made upon the date specified, LESSEE shall continue to pay rent in accordance with the then existing Lease rates, and the adjustment, when determined, will be retroactive to the effective date of rental adjustment. Any deficiency shall be paid by LESSEE to CITY within thirty (30) days after determination of the new rental rate. In no event shall the adjusted rent be less than the rent in existence immediately prior to the adjustment date. The City Manager, in his sole discretion, may determine that no market value adjustment is necessary and waive the requirement for the appraisal process for any specific adjustment period.

4.3 Delinquent Rent.

If LESSEE fails to pay rent when due, LESSEE shall pay, in addition to the unpaid rents, five percent (5%) of the delinquent rent. If the rent is still unpaid at the end of fifteen (15) days past due, LESSEE shall pay an additional five percent (5%) [being a total of ten percent (10%)], which is agreed by the parties to be appropriate to compensate CITY for loss resulting from rental delinquency, including lost interest, opportunities, legal costs, and the cost of servicing the delinquent account. In no event shall the charge for late payments of rent be less than One Hundred Dollars (\$100). Acceptance of late charges and any portion of the late payment by CITY shall neither constitute a waiver of LESSEE’S default with respect to late payment nor prevent CITY from exercising any other rights and remedies available at law or in equity.

SECTION 5: ASSIGNMENT

5.1 Assignment and Subletting.

LESSEE shall not assign this Lease, in whole or in part, or any interest in this Lease, and shall not sublet the Premises, or any part of the Premises, or any right or appurtenant privilege to the Premises, or permit any other person, except employees, agents, and guests of LESSEE, to use or occupy the Premises or any part of the Premises, without CITY'S prior written consent in each instance, which consent may not be unreasonably withheld, except that LESSEE may, without the consent of CITY, assign its interest in this Lease to any entity that controls, is controlled by or is under common control with LESSEE or in connection with a merger between LESSEE and another entity or a sale of all or substantially all of LESSEE'S assets.

5.1.1 Consent to an assignment, subletting, occupation, or use by any other person shall not be deemed to be consent to any subsequent assignment, subletting, occupation, or use by another person. Any assignment or subletting without CITY'S consent shall be void and shall be a default of this Lease, in whole or in part.

5.1.2 This Lease shall not, nor shall any interest in this Lease, be assignable as to the interest of LESSEE, by operation of law, without the CITY'S written consent. For the purpose of this section, "assignment" shall include without limitation the transfer of any interest in this Lease and, if LESSEE is other than a natural person, the transfer of a controlling interest in LESSEE or any of LESSEE'S general partners, principals, or controlling shareholders.

5.1.3 CITY'S approval of any assignment or sublease shall be conditioned upon the assignee or sublessee agreeing in writing that it will assume the rights and obligations assigned or subleased and that the assignee or sublessee will keep and perform all covenants, conditions, and provisions of this Lease which are applicable to the rights acquired.

5.1.4 As a condition to CITY'S approval of any sublease or other rental agreement or assignment as allowed under this Lease, LESSEE shall pay to CITY fifty percent (50%) of the gross revenues payable to LESSEE under any such sublease or other rental agreement, and CITY may further require that this Lease or the requested sublease otherwise be revised to comply with then-current CITY lease requirements. Pursuant to City Charter Section 225, incorporated herein, the City Manager must review and approve every person or entity which will have any direct or indirect interest in this Lease as a sublessee or assignee, which approval may not be unreasonably withheld.

5.2 Encumbrance.

Only with CITY'S prior written consent in each instance and upon the condition that LESSEE apply the loan proceeds exclusively to its installation of wireless communication facilities on the Premises, LESSEE may pledge its leasehold estate hereunder to secure its performance under the subject debt instrument.

- 5.2.1 A reasonable portion of the loan proceeds may be disbursed for payment of incidental costs of construction of LESSEE'S wireless communication facilities, including but not limited to the following: off-site improvements for service of the Premises; on-site improvements; escrow charges; premiums for hazard insurance or other insurance or bonds required by CITY; title insurance premiums; reasonable loan costs such as discounts, interest, and commissions; and architectural, engineering, and attorney fees and other normal expenses incidental to such construction.
- 5.2.2 After the Premises are fully developed as contemplated by this Lease and to CITY'S satisfaction, if LESSEE proposes a subsequent encumbrance on its leasehold estate hereunder, then CITY'S consent thereto may be subject, in CITY'S sole discretion and without limitation, to increasing the rent to then-current market rates. LESSEE may use the proceeds from any such subsequent encumbrance for any purpose approved by CITY.
- 5.2.3 Upon a foreclosure or transfer in lieu of foreclosure of a CITY-approved encumbrance, CITY shall accept the approved mortgagee or beneficiary as the "LESSEE" under this Lease, with all rights and obligations thereof granted and imposed herein. Such mortgagee or beneficiary may assign its interest in this Lease to its nominee if CITY deems, in its sole discretion, such nominee to be a reputable, qualified, and financially responsible person.
- 5.2.4 Any CITY-approved encumbrance shall be subject and subordinate to all of the terms, covenants, and conditions of this Lease, and shall not be deemed to amend or alter any such term, covenant, or condition. LESSEE acknowledges that pursuant to City Charter Section 225, each person having an interest in this Lease shall be subject to CITY'S review and approval, which may not be unreasonably withheld, provided such person is of good character and reputation in the community.

SECTION 6: DEFAULTS AND REMEDIES

6.1 Defaults.

Each of the following shall constitute an event of default under this Lease:

- 6.1.1 LESSEE'S failure to make any payment required under this Lease when due if the failure continues for five (5) days following written notice of the failure by CITY;
- 6.1.2 LESSEE'S breach of any of its obligations under this Lease, other than those requiring payment to CITY, and LESSEE either: (i) fails to cure the breach within thirty (30) days following written notice from CITY; or, (ii) if such breach is not curable within thirty (30) days, fails to commence to cure the breach within thirty (30) days and diligently pursue the cure to completion;
- 6.1.3 LESSEE voluntarily files any petition under any bankruptcy or insolvency act or law;
- 6.1.4 LESSEE has involuntarily filed against it any petition under any bankruptcy or insolvency act or law and the matter is not dismissed by a court of competent jurisdiction within ninety (90) days of filing;
- 6.1.5 LESSEE is adjudicated a bankrupt;
- 6.1.6 LESSEE makes a general assignment for the benefit of creditors; and
- 6.1.7 LESSEE uses the Premises for any unauthorized purpose.

6.2 Remedies.

Upon LESSEE'S default under this Lease, CITY may pursue any one or more of the remedies listed in this section in addition to any other remedies now or later available to CITY, in law or equity. Such remedies shall be cumulative and not exclusive.

- 6.2.1 For Default Based Upon Nonpayment. Upon LESSEE'S default for nonpayment under Section 6.1.1 of this Lease, CITY may, at its option, give LESSEE, or any person claiming rights through LESSEE, a written Five-Day Notice to Pay or Quit or CITY may terminate this Lease, in whole or in part, and all rights of LESSEE and of all persons claiming rights through LESSEE to the Premises or to possession of the Premises, and CITY may enter and take possession of the Premises and may recover the amount set forth below.
- 6.2.2 For Any Other Default. Upon LESSEE'S default based upon Sections 6.1.2 through 6.1.7 of this Lease, CITY may, at its option, terminate this Lease, in whole or in part, and all applicable rights of LESSEE and of all persons claiming rights through LESSEE to the applicable Premises or possession of the applicable Premises, and CITY may enter and take possession of the applicable Premises and may recover from LESSEE the

amount set forth below. If any default described in Sections 6.1.2 through 6.1.7 of this Lease is not curable within thirty (30) days after notice to LESSEE, CITY will not terminate this Lease pursuant to the default, if LESSEE immediately commences to cure the default and diligently pursues the cure to completion.

6.3 CITY'S Recovery.

Upon termination of the Lease due to LESSEE'S default, CITY may recover the sum of:

- 6.3.1 The worth at the time of award of any unpaid rent that had been due at the time of termination; plus
- 6.3.2 The worth at the time of award of the amount by which (i) the unpaid rent that would have been earned after termination until the time of award minus (ii) the amount of the rent lost, if any, that LESSEE affirmatively proved could have been reasonably avoided; plus
- 6.3.3 The worth at the time of award of the amount by which (i) the unpaid rent for the balance of the Term after the time of the award minus (ii) the amount of rent lost, if any, as LESSEE affirmatively proves could be reasonably avoided; plus
- 6.3.4 Any other amount necessary to compensate CITY for the detriment proximately caused by LESSEE'S failure to perform LESSEE'S obligations or that, in the ordinary course of things, would be likely to result; plus
- 6.3.5 All other amounts in addition to or in lieu of those previously stated as may be permitted by California law.
- 6.3.6 As used in Sections 6.3.1 and 6.3.2, above, the "worth at time of award" shall be computed by allowing interest at the rate of ten percent (10%) per annum. As used in Section 6.3.3, above, the "worth at the time of award" shall be computed by discounting that amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus two percent (2%). As used in this section, the terms "rent" shall include base rent, percentage rent and any and all other amounts that LESSEE is required to pay to CITY under this Lease.

6.4 Default if the Leasehold Interest is Encumbered.

If LESSEE is in default under this Lease and the leasehold is pledged as security for a CITY-authorized encumbrance, CITY shall notify the mortgagee or beneficiary thereof of LESSEE'S default. CITY shall allow such mortgagee or

beneficiary thirty (30) days to cure the default or, if the default is not curable within thirty (30) days, to commence to cure the default and diligently pursue the cure to completion. CITY may, in its sole discretion, extend such time to cure the default if CITY deems that the mortgagee or beneficiary is pursuing the cure with reasonable diligence.

6.4.1 If the mortgagee or beneficiary is required to exercise its right to cure a default through litigation or foreclosure, then CITY may take the following actions to expeditiously cure the default:

6.4.1.1 CITY may correct the default and charge the costs incurred to LESSEE'S account, which charge shall be due and payable on the date that the rent is next due after CITY'S statement of such costs is delivered to LESSEE and mortgagee or beneficiary;

6.4.1.2 CITY may correct the default and may recover the costs incurred from the proceeds of any insurance fund held by CITY, CITY and LESSEE, or by CITY and mortgagee or beneficiary, or CITY may use the funds of any faithful performance or cash bond on deposit with CITY, or CITY may call on the bonding agent to correct the default or to pay the cost of correction performed by or at the direction of CITY; or

6.4.1.3 CITY may terminate this Lease, in whole or in part, as to the rights of LESSEE by assuming or causing the assumption of liability for any CITY-authorized encumbrance on the leasehold. LESSEE shall assume and pay any and all penalties or bonuses required by the beneficiaries, trustees or mortgagees as a condition of CITY'S early payoff of the related obligations. CITY may, as an alternative, substitute for the terminated LESSEE a new tenant reasonably satisfactory to the mortgagee or beneficiary. Any reasonable costs incurred by CITY in entering into a new lease with the same terms and conditions as this Lease with the new tenant shall be the responsibility of the terminated LESSEE, and LESSEE shall reimburse CITY for all such costs.

6.4.2 If the default is not curable by LESSEE, then any lender holding a beneficial interest in the leasehold, whose qualifications as an assignee are approved by CITY, may substitute itself in the place of LESSEE by assuming all of LESSEE'S rights and obligations under this Lease. If such a lender notifies CITY of its intention to substitute itself in LESSEE'S place in writing within thirty (30) days after receipt of CITY'S notice of default, and the default is cured by the lender, then this Lease will not terminate pursuant to the default. Subject to such a cure and LESSEE'S assignment to the lender of LESSEE'S rights and obligations under this Lease, CITY shall consent to the assignment.

6.5 Abandonment by LESSEE.

If LESSEE breaches this Lease and abandons the Premises, this Lease shall continue in effect as long as CITY does not terminate this Lease, and CITY may enforce all its rights and remedies under this Lease, including but not limited to the right to recover the rent as it becomes due, plus damages.

6.6 Waiver.

CITY'S waiver of a default shall not be a waiver of any other default. Any waiver of a default shall be in a writing executed by CITY in order to constitute a valid and binding waiver. CITY'S delay or failure to exercise its rights shall not be a waiver of that or any other right under this Lease. The use of one remedy for a default shall not waive the use of any other remedy for the same or any other default. CITY'S acceptance of any rent shall not be a waiver of any default preceding the rent payment. The property constituting the Premises is CITY-owned and held in trust for the benefit of the citizens of the City of San Diego. CITY'S failure to discover a breach or default or take prompt action to require the cure of any breach or default shall not result in an equitable estoppel; CITY may at all times require the cure of any default regardless of when it is discovered.

SECTION 7: INDEMNIFICATION

LESSEE shall protect, defend, indemnify, and hold CITY, its elected officials, officers, representatives, agents and employees, harmless from and against any and all claims asserted or liability established which arise out of or are in any manner directly or indirectly connected with this Lease or the development, occupancy, or use of the Premises, and all costs and expenses of investigating and defending against same, including without limitation reasonable attorney fees and costs; provided, however, that LESSEE'S duty to indemnify and hold harmless shall not include any claims or liability arising from the established active negligence, sole negligence, or sole willful misconduct of CITY, its elected officials, officers, representatives, agents and employees, or consequential or indirect damages. CITY may, at its election, conduct the defense or participate in the defense of any claim related in any way to this indemnification. LESSEE shall also obtain any additional insurance required by CITY for new improvements, in order to meet the requirements of this Lease.

8.7 Self Insurance.

LESSEE may self insure the insurance requirements in Sections 8.1, 8.2 and 8.5 of this Lease.

8.8 Accident Reports.

LESSEE shall report to CITY any accident causing property damage or injury to persons on the Site. Such report shall contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and other pertinent information.

8.9 Failure to Comply.

If LESSEE fails or refuses to obtain and maintain the required insurance, or fails to provide proof of coverage, CITY may obtain the insurance, but only after CITY has provided LESSEE with notice of failure to maintain insurance giving LESSEE ten (10) business days to remedy such failure to maintain insurance. LESSEE shall reimburse CITY for the premiums paid, with interest at the maximum allowable legal rate then in effect in California. CITY shall notify LESSEE of such payment of premiums stating the amount paid, the name of each insurer, and the rate of interest. LESSEE shall pay such reimbursement and interest on the first (1st) day of the month following CITY'S notice.

Upon such termination, LESSEE shall immediately cease its use of the Premises and commence and diligently pursue the removal of its property from the Sites.

8.10 Waste, Damage or Destruction.

LESSEE shall notify CITY if LESSEE'S investigations indicate the presence of any hazardous substances on the Premises. LESSEE waives any claims against CITY which may result from the presence of hazardous substances on the Premises.

9.2 Entry and Inspection.

CITY may at any time, without any obligation to do so, enter the Premises for the purpose of viewing and ascertaining the condition of the Premises, or to protect its interests in the Premises, or to inspect the operations conducted on the Premises. If CITY'S entry or inspection discloses that the Premises are not in a decent, safe, healthy, and sanitary condition, CITY may, after ten (10) days written notice to LESSEE, have any necessary maintenance work done in order to keep the Premises in a decent, safe, healthy, and sanitary condition, all at LESSEE'S sole cost and expense, and LESSEE shall promptly pay any and all costs incurred by CITY in having the necessary maintenance work done. If at any time CITY determines that the Premises are not in a decent, safe, healthy, and sanitary condition, CITY may, without additional notice, require LESSEE to file with CITY a faithful performance bond to assure prompt correction of any condition which is not decent, safe, healthy, and sanitary. The bond shall be in an amount adequate in CITY'S opinion, to correct the unsatisfactory condition. LESSEE shall pay the cost of the bond. The rights reserved in this section shall not create any obligation on CITY or increase CITY'S obligations elsewhere in this Lease.

9.3 Maintenance.

LESSEE shall, at its sole cost and expense, continuously operate and maintain the Premises throughout the Term. LESSEE shall make all repairs and replacements necessary to maintain and preserve the Premises in a decent, safe, healthy, and sanitary condition satisfactory to CITY and in compliance with the applicable Addendum, and with all applicable laws. This Lease is subject to all liens, encumbrances, covenants, conditions, restrictions, reservations, contracts, leases and licenses, easements, and rights of way pertaining to the Premises, whether or not of record. LESSEE acknowledges that this Lease may create a possessory interest subject to property taxation, and that LESSEE may be subject to the payment of taxes therefore. LESSEE shall pay all such possessory interest taxes. LESSEE'S payment of taxes, fees and assessments shall not reduce any rent due CITY.

9.8 Signs.

LESSEE shall only post signs required by federal, state, or local regulations, including without limitation safety signs required by OSHA, FAA or FCC. LESSEE shall not erect or display any banners, pennants, flags, posters, signs, decorations, marquees, awnings, or similar devices or advertising on the Premises without CITY'S prior written consent. LESSEE'S failure to comply with the approved plans shall be a default of this Lease.

LESSEE shall not allow the installation or release of hazardous substances in, on, under, or from the Premises or the Sites. LESSEE and LESSEE'S agents and contractors shall not store, utilize, or sell any hazardous substance on the Premises or the Sites without CITY'S prior written consent. The environmental assessment shall be obtained at LESSEE'S sole cost and expense, and shall establish what, if any, hazardous substances have more likely than not been caused by LESSEE'S Operations on, in, or under the Premises or the Site, and in what quantities. If any such hazardous substances exist in quantities greater than allowed by CITY, county, state, or federal laws, statutes, ordinances, or regulations, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect compliance with those laws or statutes, and estimates of the cost of such remediation or removal. EXHIBIT D – **Interference Protection Requirements - Information, Technology, and Communications Division Sites.**

- a. **Interference.** Prior to the Effective Date or at anytime during the Term of this Lease, LESSEE may be required to provide an intermodulation report (“Report”) to CITY. This Report shall include the calculation parameters used to compile the Report, all intermodulation “hits,” a brief description of the results of the intermodulation calculations; a list of possible interference situations that may result from the proposed Communications Equipment; transmission frequencies that are currently being operated at the Site, and similar or other relevant data from other permittees/lessees/users operating on-site. The information required to compile the Report, including intermodulation parameters and currently known transmission frequencies at the Site may be obtained from CITY’S Communications Division (“CD”). CITY is not responsible for any omitted data provided for the purpose of creating the Report. The Report shall be provided to CD, Senior Communications Engineer.
- b. **City of San Diego Land Radio/Electronic Use “ON THE AIR” Test Instructions and Procedures.** For the purpose of confirming interference situations calculated by the Report and for the discovery of any other actual interference situations, on-premises, pre-installation or pre-use tests may be required. The tests will determine whether or not radio frequency interference or degraded performance will result to any existing authorized radio/electronic type uses at the Site.

Pre-installation or pre-use Testing

- (1) LESSEE shall notify all permittees/lessees/users at the Site of the tests and details of the tests, at least fourteen (14) days in advance of the test. A listing of all permittees/lessees/users operating at the Site may be obtained from CITY and used to compile a notification list.
 - (a) The notification shall be in the form of a letter to each listed permittee/lessee/user giving a technical data summary of the test and shall specify the date and hour the test will start. The letter of notification shall request the permittees/lessees/users to have a qualified representative present for the test to observe for possible interference problems and with authority to sign an interference or noninterference certification on behalf of the permittee/lessee/user. Technical Data Summary and Test Results Certification sheets are included below.

- (b) A copy of these instructions, "City of San Diego Radio/Electronic Land Use On-The-Air Test Instructions and Procedures" shall be attached to each notification and it shall be noted in the notification letter.
 - (c) Notification to permittees/lessees/users shall be sent via U.S. Mail, pre-paid First-Class postage, certified return receipt requested or hand delivered.
 - (d) The notification letter to the CD Senior Communications Engineer shall include a list of all permittees/lessees/users notified.
- (2) Following the completion of the tests, LESSEE shall provide a letter to the CD Senior Communications Engineer stating the test results obtained from each permittee/lessee/user participating in the test and a list of those permittees/lessees/users who did not respond.
 - (3) If a notified permittee/lessee/user fails to send a qualified representative to observe and participate in the tests, it will be assumed by CITY that the permittee/lessee/user has assured itself that their operations will not be affected.
 - (4) It shall be the responsibility of LESSEE to make complete arrangements and conduct all tests in accordance with applicable Federal/FCC Rules and Regulations.

c. On-The-Air Tests - Technical Details

Pre-installation or pre-use on-the-air tests shall be conducted by the LESSEE under the following technical conditions:

- (1) The LESSEE'S transmitting and/or receiving equipment shall be of the type planned for final use at the Site.
 - (a) The transmitted RF power shall be the maximum to be used and authorized at the Site.
 - (b) On-the-air transmitter tests shall include the use of full allowable modulation.
 - (c) Antenna height(s), location(s) and type(s) shall be the same or comparable to the final installation plan.

- (2) Tests shall include on-the-air operation of all participating transmitter(s) and receiver(s) in all possible combinations with the LESSEE'S electronic equipment.
- (3) All tests shall include testing with all frequencies planned for use by the LESSEE at the Site.

d. Radio Frequency Interference to City Radio Equipment

The radio equipment use proposed by LESSEE shall not directly or indirectly result in degraded technical performance of the CITY'S existing radio equipment installed at the Site or used in the general area. Resulting degraded technical performance in this instance will include, but is not limited to:

- (1) Detectable or measurable received intermodulation;
- (2) Audio distortion or noise; and
- (3) Receiver desensitization in excess of 3.0 dB with respect to 12dB SINAD test.

e. Modifications to Equipment

LESSEE shall notify CITY prior to modifications to transmitting equipment that will change effective radiated power, transmitter frequency, transmitter modulation, or transmitter spurious and harmonic emissions. These modifications may require retest using this "ON THE AIR" testing procedure and the newly proposed equipment.

f. Resulting Interference

LESSEE shall resolve interference problems that the Communications Equipment might cause with (i) other equipment located at the Premises on the Addendum Effective Date or (ii) when LESSEE desires to add additional Communications Equipment to the Premises, any equipment that became attached to the Premises between the Addendum Effective Date and such future date by initiating mutually agreeable actions with the affected parties. CITY may recognize the right of prior authorized permittees/lessees/users and withhold approval or disallow use of a new, returned, or modified installation pending settlement of the interference problems between LESSEE and other authorized users. CITY shall not be obligated for any loss, financial or otherwise, which may be incurred by LESSEE as a result of CITY withholding approval and LESSEE waives any claim for expense or loss which LESSEE might incur as a result of CITY withholding approval.

EXHIBIT D: Installation Standards for Information, Technology and Communications Division Sites

- a. All waveguide and coaxial cable runs shall be installed and supported on the tower, cable ladder, and ice bridges using equivalent hardware and methods to those currently used on site.
- b. All waveguide and coaxial cable shall be installed in a neat manner with sweeping bends and straight runs on the tower cable ladder and ice bridges.
- c. Three ground kits shall be installed as follows: Near the antenna, where the coax transitions to horizontal at the junction between the cable ladder and ice bridge, and where the cable enters the building. Grounds shall be installed to shunt any lightning directly to earth ground.
- d. All antenna mounts and hardware utilized on towers and structures shall be hot-dip galvanized or stainless steel and of standard manufacture.
- e. All drawings submitted for installation approval shall clearly show the following items:
 - (1) A plot plan of the site to include the building and tower location with the proposed equipment shown in its proposed location.
 - (2) A tower drawing clearly showing the location of the proposed antenna and the routing of the waveguide or coax cable specifying grounding locations.
 - (3) If equipment is to be located inside the building, a drawing shall be provided showing the rack location of the equipment, an elevation drawing of the rack, and a plot plan of the equipment installed in the rack.
 - (4) A list of all equipment to be installed shall be provided. This list shall include the type and manufacturer of equipment, RF frequency, RF power, modulation type, RF filtering, antenna type, antenna model, antenna gain and azimuth, waveguide and/or coax cable length and AC power requirement including any HVAC.
- f. All transmitters shall have necessary protection to eliminate any RF degradation of the receive signal to any other user on the site, such as filtering and isolators.
- g. To minimize the number of antennas and waveguide or coax cables to be mounted on the tower, transmitter combining will be required whenever possible.
- h. All cabinets and racks shall be grounded to the site grounding system.
- i. Should CITY determine that a tower loading analysis is required, the requesting user shall have the tower analysis done at its expense and provide CITY with information on how the additional load to the tower will affect tower structural integrity.

- j. Tower Climbing: All tower climbing shall be done in compliance with all CAL-OSHA requirements.
- k. RF Radiation: Hazardous RF radiation levels may be encountered when climbing on existing antenna structures. Refer to FCC OET Bulletin 65. When it is necessary to climb on the antenna structure for installation or maintenance, contact the CITY'S CD Fixed Maintenance Supervisor at (619) 525-8650 for shutdown scheduling and procedures. Any equipment installed on the Site may at times require shutdown to allow maintenance personnel to access the antenna structure.
