

CITY OF SAN DIEGO

USE AND OCCUPANCY PERMIT

THIS CITY OF SAN DIEGO USE AND OCCUPANCY PERMIT ("Permit") is entered into by and between **THE CITY OF SAN DIEGO**, a California municipal corporation ("CITY"), and Faraidoon Tavackoli and Farideh Farahani d.b.a. City Café ("PERMITTEE"), to be effective when signed by the parties and approved by the San Diego City Attorney (the "Effective Date").

FOR VALUABLE CONSIDERATION, the sufficiency of which is acknowledged, the parties agree as follows:

1. **Definitions.** As used in this Permit, the following terms shall be defined as follows:

- a. **"Minimum Rent"** shall mean monetary consideration to CITY as follows:
The annual minimum rent established following the Effective Date is Ten Thousand Four Hundred and Forty Dollars (\$10,440), which is Eight Hundred and Seventy Dollars (\$870) on a monthly installment basis.

If the minimum rent is greater than the percentage rent on a calendar month basis, then 1/12 of the annual minimum rent is required to be paid for that month.

Minimum rents are to be paid in monthly installments on or before the day of the calendar month when percentage rents are due pursuant to Section 12.

Provided, however, if the combined total percentage rent payments and monthly installments of the minimum rent during any Permit Year equal or exceed the required annual minimum rent for that year, then for the balance of such year, PERMITTEE shall discontinue paying monthly installments of the minimum rent and shall continue paying only percentage rents until the beginning of the following Permit Year. Provided further, if in any Permit Year, minimum rents paid plus percentage rents paid exceed the annual minimum rent and also exceed the rent which would have been paid if the percentage rent had been paid on total gross income, the excess over the total rent owed shall be credited against the next payable rent as it becomes due. It is the intent of this provision that PERMITTEE shall pay monthly installments of the annual minimum rent as a guarantee against the percentage rent requirement and that the greater of the two requirements, minimum or percentage, whichever occurs throughout the Permit Term, shall prevail on an annual basis.

- b. **"Percentage Rent"** shall be calculated on a calendar month basis and will consist of Seven percent (7%) of all Gross Income (as defined in Section 1(c)) resulting from the use of the Premises. If the term of the Permit is extended, the percentage rent shall increase to Seven and one quarter percent (7.25%) in the first one-year extension and shall increase to Seven and one half percent (7.5%) in the second one-year extension.

The Mayor, in his sole discretion, may approve another percentage rate or flat rate of rent for each other incidental service or operation supplementary to the permitted use(s) set forth under Section 1(c), as may be approved in writing by the Mayor prior

to commencement of the other service(s) or operation(s).

- c. **“Gross Income”** shall mean all income derived by PERMITTEE resulting from occupancy of the Premises from whatever source derived whether received or to become due. Gross Income includes income received by PERMITTEE as a result of occupancy or operation of the Premises, except as may be otherwise specified in this Permit. Gross Income does not include federal, state, or municipal taxes collected from the consumer (regardless of whether the amount is stated to the consumer as a separate charge) and paid over periodically by PERMITTEE to a governmental agency accompanied by a tax return or statement as required by law. Possessory interest taxes or other property taxes shall not be deducted in computing gross income. Gross Income shall not include refunds for goods returned for resale on the Premises or refunds of deposits. The amount of such taxes and refunds shall be clearly shown on the books and records of PERMITTEE. The percentage rent shall be calculated and paid by PERMITTEE on the basis of said gross income whether the income is received by PERMITTEE or by any sublessee, permittee or licensee, or their agents, and all gross income received by any sublessee, permittee, licensee, or other party as a result of occupancy of said premises or the operation thereof shall be regarded as gross income of PERMITTEE for the purpose of calculating the percentage rent hereunder required to be paid by PERMITTEE to CITY, except as may be otherwise specified by or pursuant to this Permit.
 - d. **“Permit Area”** shall mean that CITY-owned real property within “The Concourse”, located at 202 “C” Street, situated in the City of San Diego, State of California, consisting of approximately 600 square feet, which includes a food preparation and storage area, counter space and customer seating, and more particularly described in **Exhibit A: Permit Area**, attached hereto.
 - e. **“Permit Use”** shall mean the exclusive use of the Permit Area solely for the purposes of its management and operation as a deli and for other related purposes or incidental purposes as may be first approved in writing at the sole discretion of Mayor and for no other purpose whatsoever.
 - f. **“PERMITTEE’S Address for Notices”** shall be: City Cafe
ATTENTION: Fred Tavackoli
12968 Cree Drive
Poway, CA 92064
 - g. **“Security Deposit”** shall mean an amount equal to Seventeen Hundred and Forty Dollars (\$1,740.00).
 - h. **“Term”** shall mean three (3) years, commencing on the Effective Date.
2. **Occupancy.** Subject to the terms and conditions of this Permit, CITY hereby grants permission to PERMITTEE, its officers, employees, agents, and contractors to enter upon and occupy the Permit Area solely for the purpose of the Permit Use.

3. Use of Permit Area. PERMITTEE may use the Permit Area solely for the Permit Use and for no other purpose whatsoever without CITY'S prior written consent in each instance. PERMITTEE shall continuously occupy and use the Permit Area throughout the Term.
4. Governmental Approvals. By entering into this Permit, neither CITY nor CITY'S City Council is obligating itself to any governmental agent, board, commission, or agency with regard to any other discretionary action relating to PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area. "Discretionary action" includes without limitation re-zonings, variances, environmental clearances, and all other required governmental approvals.
5. CITY'S Consent, Discretion. CITY'S consent or approval under this Permit shall mean the written consent or approval of the Mayor of San Diego, or his or her designee ("Mayor"), unless otherwise expressly provided. CITY'S discretionary acts hereunder shall be made in the Mayor's discretion, unless otherwise expressly provided.
6. Term. The Term shall commence on the Effective Date. If the Effective Date is not the first day of a calendar month, the first, partial month shall be counted as a full month for purposes of determining the expiration date of this Permit, so that the Term shall expire on the last day of a calendar month. The Term shall not exceed three (3) years unless authorized by CITY'S City Council.
7. Revocable License. This Permit is not a lease. It is a license to use CITY-owned property, and may be revoked at will by CITY, in its sole discretion. CITY shall not be obligated for any loss, financial or otherwise, which may be incurred by PERMITTEE as a result of such revocation or the termination of this Permit. PERMITTEE expressly waives any claim for expense or loss which PERMITTEE might incur as a result of CITY'S revocation or termination of this Permit.
8. No Holdover. If PERMITTEE continues to occupy the Permit Area after the expiration or earlier termination of this Permit, such occupancy shall neither constitute a renewal or extension of this Permit, nor give PERMITTEE any rights in or to the Permit Area. If PERMITTEE continues to occupy the Permit Area after the expiration or earlier termination of this Permit, CITY may demand and receive from PERMITTEE rent for the Permit Area calculated on a per diem basis using up to three (3) times the fair market rental rate to be determined as of the date of the expiration or termination of this Permit by an appraisal prepared by a qualified appraiser selected by CITY in its sole discretion. CITY'S acceptance of such rent shall neither constitute a renewal or extension of the license, nor give PERMITTEE any rights in or to the Permit Area.
9. Termination. Either party may terminate this Permit for any reason upon ninety (90) days prior written notice.

10. Restoration of Permit Area. Except as otherwise provided in this Permit, prior to the expiration or as soon as practicable after termination of this Permit, PERMITTEE shall restore the Permit Area to its condition on the Effective Date, normal wear and tear excepted.
11. Superior Interests. This Permit is subject to all liens, encumbrances, covenants, conditions, restrictions, reservations, contracts, permits and licenses, easements, and rights-of-way pertaining to the Permit Area, whether or not of record. PERMITTEE shall obtain all licenses, permits, and agreements from such third parties as may be or become necessary or reasonably advisable to allow its use of the Permit Area, relative to any such superior interest. If PERMITTEE'S use of the Permit Area is or becomes inconsistent or incompatible with a preexisting, superior interest, PERMITTEE shall take such actions and pay all costs and expenses necessary to remove such inconsistency or incompatibility to the satisfaction of the holder of the superior interest.
12. Payment Procedure.
 - a. On or before the last day of the calendar month following the calendar month in which the Gross Income subject to rents was earned, LESSEE shall provide to CITY a statement signed by LESSEE or its authorized agent attesting to its accuracy, which shall be legally binding upon LESSEE, and which will include the following:
 1. One-twelfth of the annual minimum rent until the full annual rent is achieved in any Lease Year.
 2. Total gross receipts for the subject month, itemized as to business categories for which separate percentage rents are established. A gross receipts breakdown of each business conducted on the Premises must be included when a reported category shows gross income to be from more than one business operation.
 3. The percentage rental due CITY, computed and totaled.
 4. The accumulated total of all rents previously paid for the current Lease Year.
 - b. Together with the statements, LESSEE shall provide payment in the greater of the two following amounts:
 1. One-twelfth of the annual minimum rent; or
 2. The total percentage rent due CITY computed as described in this section.
 - c. Any rents due CITY from sublease activities or operations shall be calculated based upon the earliest of the following dates (whether or not prior approval was given by CITY as required by this Lease and whether or not a separate percentage rent was established by CITY).

1. Sublease commencement date; or
 2. Physical occupancy date; or
 3. Earliest activity date (i.e., sale of goods, solicitation of business, construction or alterations, etc.).
13. Place of Payment. Monthly Rent shall be made payable to "City Treasurer" and delivered to the Office of the City Treasurer, Civic Center Plaza Building, 1200 Third Avenue, First Floor, San Diego, CA 92101, or mailed with an invoice to:

THE CITY OF SAN DIEGO
Office of the City Treasurer
P.O. Box 122289
San Diego, CA 92112-4165

14. Delinquent Payments. Amounts due CITY under this Permit and not paid when due will be referred to the San Diego City Treasurer for collection, and PERMITTEE shall pay to CITY a collection-referral fee in the amount of ten percent (10%) of the unpaid amount or Twenty-Five Dollars (\$25), whichever is greater, plus interest on the unpaid amount at the rate of twelve percent (12%) per year. Acceptance of late charges and any portion of the late payment by CITY shall neither constitute a waiver of PERMITTEE'S default with respect to late payment nor prevent CITY from exercising any other rights and remedies available at law or in equity. As required by law, PERMITTEE is hereby notified that a negative credit report may be submitted to a credit reporting agency if amounts due CITY are not paid when due.
15. Security Deposit. Upon execution of this Permit, PERMITTEE shall deliver the Security Deposit to CITY as security for the performance of PERMITTEE'S obligations under this Permit. CITY shall not be liable to PERMITTEE for any interest thereon. Any interest earned from such deposit or redeposit shall not become part of the security deposit, but shall be and remain the property of CITY. All or any portion of the security deposit shall be available unconditionally to CITY to cure, in whole or in part, any breach or default of this Permit by PERMITTEE, or for expenses incurred by CITY as a result of PERMITTEE'S breach or default of this Permit. PERMITTEE shall maintain the security deposit throughout the Term. Notwithstanding any other provision of this Permit to the contrary, if PERMITTEE fails or refuses to deposit or maintain the Security Deposit as required by this Permit, CITY may terminate this Permit immediately upon such breach. Upon such termination, PERMITTEE shall immediately cease its use of the Permit Area and commence and diligently pursue the removal of its property from the Permit Area.
- a. Utilization. If CITY utilizes all or any portion of the Security Deposit, then upon ten (10) days prior written notice, PERMITTEE shall reimburse the Security Deposit to the full required amount.

- b. **Increase.** Upon thirty (30) days prior written notice by CITY, PERMITTEE shall deliver to CITY such additional funds as CITY may reasonably require to adequately secure PERMITTEE'S obligations under this Permit.
 - c. **Return.** Provided PERMITTEE is not in breach or default of this Permit, CITY shall return the Security Deposit, or any balance thereof, to PERMITTEE within sixty (60) days after the expiration or termination of this Permit.
16. **Records.** PERMITTEE shall, at all times during the Term, keep or cause to be kept true, accurate, and complete books, records, and accounts of all financial transactions in the operation of PERMITTEE's business and all other business activities conducted on the Premises, and all financial transactions resulting from PERMITTEE's use of the Premises. The records shall be supported by source documents such as sales slips, daily cash register tapes, purchase invoices, or other documents (which may be in electronic form) as necessary to allow CITY to easily determine Gross Revenue. All retail sales or charges shall be recorded by means of cash registers or other comparable devices which display to the customer the amount of the transaction and automatically issue a receipt. Such registers or other devices shall record sales totals and other transaction numbers and sales details, and shall not be re-settable. Registered totals shall be read and recorded at the beginning and end of each business day. All sales and charges may be recorded by a system other than cash registers or other comparable devices, provided such system is approved by CITY.
- a. **Financial Statements.** Within sixty (60) days after the end of each Permit Year, PERMITTEE shall, at its sole cost and expense, deliver to CITY a statement of annual Gross Revenue for the Permit Year, prepared using generally accepted accounting principles consistently applied, with revenue categorized by source, and deductions categorized by type. Each such statement shall be signed by an officer, general partner, or principal of PERMITTEE attesting to the accuracy and completeness thereof, which shall be legally binding upon PERMITTEE. PERMITTEE shall comply with all reasonable requests by CITY to modify the form and content of such financial statements. PERMITTEE shall provide such additional information reasonably requested by CITY regarding the operation of PERMITTEE's business and all other business activities conducted on the Premises, and all financial transactions resulting from PERMITTEE's use of the Premises.
 - b. **CITY's Right to Inspect and Audit.** PERMITTEE shall keep all of its books of account, records, and supporting documentation throughout the Term, plus five (5) years. PERMITTEE shall make such books, records, and documentation available for inspection and audit by CITY in one location within the County of San Diego. PERMITTEE shall maintain separate books and records related to PERMITTEE's use of the Premises. Upon reasonable prior notice, CITY may inspect and audit the operation of PERMITTEE's business and all other business activities conducted on the Premises, and all financial transactions resulting from PERMITTEE's use of the Premises as CITY may deem necessary, in its sole reasonable discretion, to protect CITY's rights under this Permit. If required by competent legal authority,

PERMITTEE shall promptly deliver to CITY, at CITY's reasonable request and at PERMITTEE's sole cost and expense, any and all data reasonably needed to fully comply with such authority's requirements related to the operation of PERMITTEE's business and all other business activities conducted on the Premises, and all financial transactions resulting from PERMITTEE's use of the Premises.

- c. Audit Cost. The full cost of each CITY audit shall be borne by CITY, unless one or both of the following conditions exists, in which case PERMITTEE shall reimburse CITY for all costs of the audit:
1. For any given Permit Year, if an audit reveals an underpayment of rent of more than five percent (5%) on an annual basis, calculated as the difference between the rent reported as payable by PERMITTEE and the rent payable as determined by the audit; or
 2. PERMITTEE failed to maintain true, accurate, and complete books, records, accounts, and supporting source documents as required by this Permit.

Any rent deficiency determined by the audit shall be delinquent rent, subject to all penalties and remedies provided to CITY for delinquent rent under this Permit. CITY shall credit any overpayment determined by the audit, without interest, against future rents due under this Permit. If no future rents are then due under this Permit, CITY shall refund to PERMITTEE any overpayment determined by the audit, without interest, within sixty (60) days after CITY's certification of the audit.

- d. Default. PERMITTEE'S failure to keep complete and accurate records by means of double-entry bookkeeping and make them available for CITY inspection is, like all other failures to comply with covenants of this Permit, a material breach of this Permit and cause for termination.
- e. Audit Deficiency. If a CITY audit(s), as applicable, discloses that the rent for the audited period(s) has been underpaid in excess of five percent (5%) of the total required rent, then PERMITTEE shall pay CITY the cost of the audit(s) plus ten percent (10%) per year on the amount by which said rent was underpaid, in addition to the unpaid rents as shown to be due CITY, as compensation to CITY for administrative costs and loss of interest as previously described in this Permit. In the event CITY audit(s) discloses that the unpaid rent is less than five percent (5%) of the total rent, and should PERMITTEE fail to pay said unpaid rent within thirty (30) days after written notice from CITY, an additional fee of ten percent (10%) of said unpaid amount shall be added to the unpaid amount to compensate CITY for costs and losses due to such nonpayment. PERMITTEE agrees to pay such amounts and further agrees that the specific late charges represent a fair and reasonable estimate of the costs that CITY will incur from PERMITTEE'S late payment. Acceptance of late charges and any portion of the late payment by CITY shall in no event constitute a waiver of PERMITTEE default with respect to late payment, nor prevent CITY from exercising any of the other rights and remedies granted in this Permit.

17. Maintenance of the Permit Area. PERMITTEE shall, at PERMITTEE'S sole cost and expense and to CITY'S satisfaction, maintain the Permit Area in good order and repair and in a safe, healthy, and sanitary condition at all times during the Term. CITY shall not be required to make any improvements or repairs to the Permit Area. PERMITTEE shall keep the Permit Area free and clear of rubbish, debris, and litter at all times. PERMITTEE shall keep the Permit Area free and clear of weeds and brush as reasonably directed by CITY and to CITY'S reasonable satisfaction.
18. Inspection. CITY may at all times enter and inspect the Permit Area.
19. Utilities. PERMITTEE shall order, obtain, and pay for all utilities and service and installation charges in connection with its use of the Permit Area.
20. Improvements/Alterations. PERMITTEE shall not construct any improvements, structures, or installations on the Permit Area, and shall not alter the Permit Area without the express written consent of CITY. Except as required by law, CITY shall not be obligated to make any repair or assume any expense for any improvements or alterations to the Permit Area.
21. Ownership of Improvements and Personal Property.
 - a. Improvements. Upon expiration or termination of this Permit, PERMITTEE shall remove any and all improvements, fixtures, structures, and installations or additions to the Permit Area that were constructed or installed on the Permit Area by PERMITTEE ("PERMITTEE Improvements"). PERMITTEE shall, at PERMITTEE'S sole cost and expense, remove PERMITTEE Improvements as soon as practicable, but in no event later than sixty (60) days after the expiration or earlier termination of this Permit. PERMITTEE, at its sole cost and expense, shall be responsible for the repair of any and all damage resulting from the removal of PERMITTEE Improvements as required by this Permit. If PERMITTEE fails to remove PERMITTEE Improvements as required, CITY may, at its option, remove them at PERMITTEE'S sole cost and expense. Notwithstanding the foregoing, CITY may, upon notice to PERMITTEE at termination or at any time prior to the expiration of the Term, elect to assume ownership of all or any PERMITTEE Improvements.
 - b. Personal Property. PERMITTEE shall remove PERMITTEE-owned machines, appliances, equipment, trade fixtures, and other items of personal property upon the expiration of the Term, or as soon as practicable after termination, but in no event later than thirty (30) days after the expiration or earlier termination of this Permit. Any such items which PERMITTEE fails to so remove shall be deemed abandoned and become CITY'S property free of all claims and liens, or CITY may, at its option, remove such items at PERMITTEE'S sole cost and expense. PERMITTEE, at its sole cost and expense, shall be responsible for the repair of any and all damage resulting from the removal of its personal property from the Permit Area.
 - c. Post-Permit License. CITY grants permission to PERMITTEE to enter upon and

occupy the Permit Area after the expiration or earlier termination of this Permit solely for the purpose of removing PERMITTEE Improvements and PERMITTEE'S personal property as provided by this Permit. This provision shall survive the expiration or earlier termination of this Permit.

- d. Late Removal. Notwithstanding any provision of this Permit to the contrary, PERMITTEE shall pay rent to CITY for any period of time after the expiration or termination of this Permit needed to remove PERMITTEE Improvements or personal property as required by this Permit, whether by CITY or PERMITTEE. Such rent shall be calculated on a per diem basis using the rental rate in effect just prior to the expiration or termination of this Permit.
- e. CITY'S Right to Acquire Personal Property. If PERMITTEE wants to dispose of any of its personal property used in its operations on the Permit Area upon expiration or termination of this Permit, CITY shall have the first right to acquire such personal property.

22. Insurance. PERMITTEE shall deliver to CITY'S Real Estate Assets Department a current certificate of insurance for:

- (1) Commercial General Liability Insurance, providing coverage on the Permit Area for bodily injury, including death, personal injury, and property damage with limits of at least Two Million Dollars (\$2,000,000) per occurrence, subject to an annual aggregate of at least Four Million Dollars (\$4,000,000);
- (2) Automobile Liability Insurance, providing coverage on the Permit Area for all bodily injury and property damage, with a limit of at least One Million Dollars (\$1,000,000) per occurrence. Such insurance shall cover liability arising out of any vehicle (including owned, hired, and non-owned vehicles) operated in performing any and all work pursuant to this Permit. Coverage shall be written on *ISO form CA 00 01 12 90*, or a substitute form providing equivalent liability coverage; and
- (3) Workers' Compensation Insurance, as required by the laws of the State of California for all of PERMITTEE'S employees who are subject to this Permit, with Employers' Liability coverage with a limit of at least One Million Dollars (\$1,000,000).
 - a. Additional Insureds. Pursuant to a separate endorsement [CG2010 (11/85) or equivalent form], "The City of San Diego, its elected officials, officers, employees, representatives, and agents" shall be named as additional insureds in all policies.
 - b. Primary & Non-Contributory. Insurance policies shall be endorsed such that the coverage is primary and non-contributory to any coverage carried or maintained by CITY.

- c. Qualified Insurer(s). All insurance required by the terms of this Permit must be provided by insurers licensed to do business in the State of California which are rated at least "A-, VI" by the current AM Best Ratings Guide and which are acceptable to CITY. Non-admitted surplus lines insurers may be accepted provided they are included on the most recent list of California eligible surplus lines insurers (LESLI list) and otherwise meet CITY requirements.
 - d. Deductibles/Retentions. All deductibles and self-insured retentions on any insurance policy are the sole responsibility of PERMITTEE and must be disclosed and acceptable to CITY at the time evidence of insurance is provided.
 - e. Continuity of Coverage. All policies shall be in effect on or before the first day of the Term, except "course of construction fire insurance" shall be in force on commencement of all authorized construction, and full applicable fire insurance coverage shall be effective upon completion of each insurable improvement. The policies shall be kept in force for the duration of the Term. At least thirty (30) days prior to the expiration of each insurance policy, PERMITTEE shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the requirements of this Permit. PERMITTEE shall provide proof of continuing insurance at least annually during the Term. If insurance lapses or is discontinued for any reason, PERMITTEE shall immediately notify CITY and obtain replacement insurance as soon as possible.
 - f. Modification. To assure protection from and against the kind and extent of risk existing with the Permit Use or the Permit Area, CITY, at its discretion, may require the revision of amounts and coverage at any time during the Term by giving PERMITTEE thirty (30) days prior written notice. PERMITTEE shall also obtain any additional insurance required by CITY for new improvements, changed circumstances, or CITY'S reasonable re-evaluation of risk levels related to the Permit Use or the Permit Area.
 - g. Accident Reports. PERMITTEE shall immediately report to CITY any accident causing property damage or injury to persons and related to the Permit Use or the Permit Area. Such report shall contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and other pertinent information.
 - h. Causes of Loss - Special Form Property Insurance. PERMITTEE shall obtain and maintain, at its sole cost, Causes of Loss - Special Form Property Insurance on all of PERMITTEE'S insurable property related to the Permit Use or the Permit Area in an amount to cover 100 percent (100%) of the replacement cost. PERMITTEE shall deliver to CITY a certificate of such insurance.
23. Indemnification & Hold Harmless. PERMITTEE shall protect, defend, indemnify, and hold CITY and its elected officials, officers, employees, representatives, and agents harmless from and against any and all claims asserted or liability established for damages

or injuries to any person or property, including injury to PERMITTEE'S officers, employees, invitees, guests, agents, or contractors, which arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area, and all expenses of investigating and defending against same, including without limitation attorney fees and costs; provided, however, that PERMITTEE'S duty to indemnify and hold harmless shall not include any claims or liability arising from the gross negligence, recklessness, or intentional misconduct of CITY and its elected officials, officers, employees, representatives, and agents.

24. Compliance with Laws. PERMITTEE shall at all times in the construction, maintenance, occupancy, and operation of the Permit Area comply with all applicable laws, rules, and regulations, and direction by competent authority at PERMITTEE'S sole cost and expense. At least annually, PERMITTEE shall deliver to City copies of all documentary evidence of such compliance received by or otherwise available to PERMITTEE (e.g., validation of periodic inspection of PERMITTEE'S fire-suppression equipment in the Permit Area).
25. No Discrimination. PERMITTEE shall not discriminate in any manner against any person on account of race, color, religion, gender, sexual orientation, medical status, national origin, age, marital status, or physical disability in PERMITTEE'S use of the Permit Area, including without limitation the provision of goods, services, facilities, privileges, advantages, and accommodations, and the hiring and retention of employees and contractors.
26. Disabled Access Compliance. PERMITTEE shall comply with Title 24 of the California Code of Regulations (i.e., the "Building Code", as defined in Title 24 of the California Health and Safety Code), the Americans with Disabilities Act of 1990 ("ADA"); and any other applicable state and federal laws and regulations enacted protecting the rights of people with disabilities. PERMITTEE'S compliance shall include without limitation the following:
 - a. PERMITTEE shall not discriminate against qualified persons with disabilities in any aspects of employment, including recruitment, hiring, promotions, conditions and privileges of employment, training, compensation, benefits, discipline, layoffs, and termination of employment;
 - b. No qualified individual with a disability may be excluded on the basis of disability from participation in, or be denied the benefits of, services, programs, or activities of PERMITTEE;
 - c. PERMITTEE shall post a statement addressing the requirements of the ADA in a prominent place at the work site;
 - d. Where required by law, PERMITTEE shall, at PERMITTEE'S sole cost and in conformance with all applicable building codes, comply with applicable disabled-

access requirements by making accessible any areas of the Permit Area which deny access to disabled persons; and

- e. PERMITTEE shall include language in each sublicense agreement, if any, indicating the sublicensee's agreement to abide by the foregoing provisions.

PERMITTEE and each of its sublicensees shall be individually responsible for their own ADA compliance program. PERMITTEE'S failure to comply with the above requirements and/or submitting false information in response to those requirements shall be a default under this Permit.

- 27. CITY Employee Participation Policy. CITY may unilaterally and immediately terminate this Permit if PERMITTEE employs an individual who, within the twelve (12) months immediately preceding such employment did, in their capacity as a CITY officer or employee, participate in negotiations with or otherwise have an influence on a recommendation made to the San Diego City Council related to the selection of PERMITTEE for this Permit. It is not the intent of this policy that these provisions apply to members of the City Council.
- 28. Local Business and Employment. PERMITTEE acknowledges that CITY seeks to promote employment and business opportunities for local residents and firms in all CITY contracts. For work associated with this Permit and to the extent legally possible, PERMITTEE shall use its best efforts to solicit applications for employment and bids and proposals for contracts from local residents and firms as opportunities occur. PERMITTEE shall use its best efforts to hire qualified local residents and firms whenever practicable.
- 29. PERMITTEE'S Risk. PERMITTEE shall bear all risks and liability arising out of or in any manner directly or indirectly connected with PERMITTEE'S occupancy, use, development, maintenance, and restoration of the Permit Area and any damages to the improvements on, under, or in the vicinity of the Permit Area resulting directly or indirectly thereby.
- 30. No Nuisance. PERMITTEE shall not use the Permit Area in any manner which creates a nuisance or unreasonably disturbs the quiet enjoyment of persons in and to the surrounding area.
- 31. Assignment and Sublicense. PERMITTEE shall not assign or sublicense any rights granted by this Permit or any interest in this Permit without CITY'S prior written consent. Any assignment by operation of law shall automatically terminate this Permit.
- 32. Signs. PERMITTEE shall not erect or display any banners, pennants, flags, posters, signs, decorations, marquees, awnings or similar devices or advertising without CITY'S prior written consent. If any such unauthorized item is found on the Permit Area, PERMITTEE shall remove the item at its expense within twenty-four (24) hours after notice by CITY, or CITY may thereafter remove the item at PERMITTEE'S cost.
- 33. Encumbrances. PERMITTEE shall keep the Permit Area and any CITY-owned property of which the Permit Area is a part free from all encumbrances and liens of any nature which

arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area. PERMITTEE shall protect, defend, indemnify, and hold CITY harmless from and against any and all such encumbrances and/or liens, and from and against any claim, liability, cost or expense, including without limitation all attorney fees and costs, relating to or charged against the Permit Area, including without limitation PERMITTEE'S failure or the failure of any contractor or subcontractor hired by PERMITTEE to pay any person or persons referred to in Section 3181 of the California Civil Code (or other applicable sections thereof).

34. Taxes. PERMITTEE shall pay, before delinquency, all taxes, assessments, and fees assessed or levied upon PERMITTEE or the Permit Area during the Term, including the land and any buildings, structures, machinery, equipment, appliances, or other improvements or property of any nature whatsoever erected, installed, or maintained by PERMITTEE, or levied by reason of PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area, including without limitation licensing and permitting costs and fees. PERMITTEE acknowledges that this Permit may create a possessory interest subject to property taxation, and that PERMITTEE may be subject to the payment of taxes levied on that interest. PERMITTEE shall pay all such possessory interest taxes. PERMITTEE'S payment for such taxes, fees, and assessments shall not reduce any payment due CITY.
35. Hazardous Substances. PERMITTEE shall not allow the installation, storage, utilization, generation, sale or release of hazardous or otherwise regulated substances in, on, under, or from the Permit Area. PERMITTEE and PERMITTEE'S agents and contractors shall not install, store, utilize, generate, or sell any hazardous substance on the Permit Area without CITY'S prior written consent. PERMITTEE shall, prior to initiating any operations, obtain all required permits from applicable regulatory agencies, including without limitation the San Diego County Department of Environmental Health, local fire agencies, the San Diego County Department of Weights and Measures, the San Diego County Air Pollution Control District, and the San Diego Regional Water Quality Control Board. Installing, utilizing, storing, or any other presence of a hazardous substance includes boxes, bags, bottles, drums, cylinders, above or below ground tanks, equipment with tanks, or any other type of container, equipment, or device which holds or incorporates a hazardous substance or hazardous waste.
 - a. Release. For the purposes of this provision, a release shall include without limitation any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or otherwise disposing of hazardous substances. "Hazardous substances" shall mean any hazardous liquid, solid, or gaseous material substances listed by the Environmental Protection Agency or the State of California as a hazardous substance, and any type of petroleum-related substances and their chemical constituents. A copy of the presently effective EPA and the State lists is on file in the Office of the City Clerk as Document 769704 and is hereby incorporated into this Permit.

- b. Remediation. If PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area results in a release of a hazardous substance, or petroleum related substance or its chemical constituents, PERMITTEE shall pay all costs of remediation and removal to the CITY's satisfaction for unrestricted reuse of the Permit Area, and in accordance with all applicable laws, rules, and regulations of governmental authorities.
- c. Removal. If PERMITTEE or PERMITTEE's contractor or agent has received approval and permits to store, utilize, generate, or install, or otherwise bring hazardous materials or hazardous wastes to the Permit Area, PERMITTEE and/or PERMITTEE's contractor or agent shall remove all hazardous substances and hazardous wastes in any type of container, equipment, or device from the Permit Area immediately upon or prior to the expiration or earlier termination of this Permit. CITY reserves the right to conduct inspections of the Permit Area and/or request documentation demonstrating the legal removal and/or disposal of the hazardous materials, wastes or other containers, equipment, or devices from the Permit Area. PERMITTEE shall be responsible for any and all costs incurred by CITY to remove any container, equipment, or device requiring disposal or removal as required by this provision.
- d. Indemnity. PERMITTEE shall protect, defend, indemnify, and hold CITY harmless from any and all claims, costs, and expenses related to environmental liabilities resulting from PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area, including without limitation: (i) costs of environmental assessments; (ii) costs of regulatory remediation oversight; (iii) costs of remediation and removal; (iv) any necessary CITY response costs; (v) all fines, penalties, or fees assessed by any regulatory agency; (vi) damages for injury to natural resources, PERMITTEE'S officers, employees, invitees, guests, agents, or contractors, or the public; and (vii) all costs of any health assessments or health effect studies.
- e. Notice of Release. If PERMITTEE knows or has reasonable cause to believe that a hazardous substance or petroleum related substance or its chemical constituents has been released on, from, or beneath the Permit Area, PERMITTEE shall immediately notify CITY and any appropriate regulatory or reporting agency per California Administrative Code Title 19 and any other applicable laws or regulations. PERMITTEE shall deliver a written report thereof to CITY within three (3) days after receipt of the knowledge or cause for belief and submit any required written reports to regulatory or reporting agencies as required by regulation or law. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent release or is an imminent substantial danger to public health and safety, PERMITTEE shall take all actions necessary to alleviate the danger. PERMITTEE shall immediately notify CITY in writing of any violation, notice to comply, or notice of violation received or the initiation of environmental actions or private suits related to the Permit Area.
- f. Environmental Assessment. Upon reasonable cause to believe that PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area ("PERMITTEE'S Operations"), resulted in any hazardous substance being released

on, from or beneath the Permit Area, CITY may cause an environmental assessment under regulatory oversight of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist, or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE'S sole cost and expense, and shall establish what, if any, hazardous substances have more likely than not been caused by PERMITTEE'S Operations on, in, from or under the Permit Area, and in what quantities. If any such hazardous substances exist in quantities greater than allowed by city, county, state, or federal laws, statutes, ordinances, or regulations, or require future restricted re-use of the Permit Area, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect unrestricted re-use and in compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, as determined by CITY in its sole discretion, CITY may cause the remediation and/or removal recommended in the environmental assessment such that unrestricted re-use of the Permit Area and compliance with environmental law and regulations are achieved, and PERMITTEE shall pay all costs and expenses therefor.

36. Waiver. The property constituting the Permit Area is publicly owned and held in trust for the benefit of CITY'S citizens. CITY'S failure to insist upon the strict performance of any of PERMITTEE'S obligations under this Permit, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect. CITY'S waiver of a default shall not be a waiver of any other default. Any waiver of a default must be in a writing executed by CITY to constitute a valid and binding waiver. CITY'S delay or failure to exercise a right or seek a remedy shall not be deemed a waiver of that or any other right or remedy under this Permit, at law, or in equity. The exercise of any particular right or the use of any particular remedy for any default shall not waive the use of any other right or remedy for the same default or for another or later default. CITY'S acceptance of any rents shall not be a waiver of any default preceding the rent payment. CITY'S failure to discover a default or take prompt action to require the cure of any default shall not result in an equitable estoppel, but CITY may at any and all times require the cure of the default.
37. Cumulative Remedies. CITY'S rights and remedies under this Permit are cumulative and shall not limit or otherwise waive or deny any of CITY'S rights or remedies at law or in equity.
38. Survival. Any obligation which accrues under this Permit prior to its expiration or termination shall survive such expiration or termination.
39. Joint and Several Liability. If PERMITTEE is comprised of more than one person or legal entity, such persons and entities, and each of them, shall be jointly and severally liable for the performance of each and every obligation of PERMITTEE under this Permit.

40. No Affiliation. Nothing contained in this Permit shall be deemed or construed to create a partnership, joint venture, or other affiliation between CITY and PERMITTEE or between CITY and any other entity or party, or cause CITY to be responsible in any way for the debts or obligations of PERMITTEE or any other party or entity.
41. Entire Agreement. This Permit constitutes the entire agreement between the parties and supersedes any and all prior understandings, representations, warranties, and agreements between them pertaining to this Permit and PERMITTEE'S occupancy, use, development, maintenance, and restoration of the Permit Area. Any modification, alteration, or amendment of this Permit shall be in writing and signed by all the parties hereto.
