

CITY OF SAN DIEGO USE AND OCCUPANCY PERMIT

THIS CITY OF SAN DIEGO USE AND OCCUPANCY PERMIT ("Permit") is entered into by and between **THE CITY OF SAN DIEGO**, a California municipal corporation ("CITY"), and JENNY GARRETT, an individual ("PERMITTEE"), to be effective as of August 1, 2013 (the "Effective Date"), when signed by the parties and approved by the San Diego City Attorney.

FOR VALUABLE CONSIDERATION, the sufficiency of which is acknowledged, the parties agree as follows:

1. **Definitions.** As used in this Permit, the following terms shall be defined as follows:

- a. **"Monthly Rent"** shall be either Five Hundred Dollars (\$500; the "Minimum Monthly Rent") or ten percent (10%) of PERMITTEE'S gross revenue derived from its use of the Permit Area, whichever is greater. "Gross revenue" shall mean all revenue generated by PERMITTEE'S use of the Permit Area, less all sales taxes paid by PERMITTEE and directly resulting from PERMITTEE'S use of the Permit Area.
- b. **"Permit Area"** shall mean a part of that certain CITY-owned property located at 202 "C" Street, San Diego, CA 92101 consisting of the exterior plaza adjacent to the San Diego Community Concourse (the "Concourse Plaza"). The Permit Area is specifically set forth **Exhibit A: Permit Area**, attached hereto. CITY may, in its sole discretion, reasonably relocate the Permit Area from time to time.
- c. **"Permit Use"** shall mean the nonexclusive use of the Permit Area for the operation of a coffee cart concession for sale of coffee drinks, and other limited snacks and beverages as approved by the City. The operation shall include only one coffee cart, one table for coffee condiments, one small table and two chairs, two bar stools, one stand-alone refrigerator for sodas and cold beverages, one counter top refrigerator, and one three-compartment sink. PERMITTEE shall not change its item-specific menu, attached hereto as **Exhibit B: Menu**, without CITY'S prior written consent, which may be unreasonably withheld. PERMITTEE shall not change its hours of operation, attached hereto as **Exhibit C: Hours of Operation**, without CITY'S prior written consent, which may be unreasonably withheld. PERMITTEE may have the non-exclusive use of a portion of the Concourse Plaza other than the Permit Area as may be designated and re-designated by CITY from time to time in its sole discretion, for the storage of supplies and the cart when not in use.
- d. PERMITTEE'S Address for Notices shall be:

Jenny Garrett
P.O. Box 7324
San Diego, CA 92167

2. Occupancy. Subject to the terms and conditions of this Permit, CITY hereby grants permission to PERMITTEE, its officers, employees, agents, and contractors to enter upon and occupy the Permit Area solely for the purpose of the Permit Use.
3. Use of Permit Area. PERMITTEE may use the Permit Area solely for the Permit Use and for no other purpose whatsoever without CITY'S prior written consent in each instance.
4. Governmental Approvals. By entering into this Permit, neither CITY nor CITY'S City Council is obligating itself to PERMITTEE or to any governmental agent, board, commission, or agency with regard to any other discretionary action relating to PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area. Discretionary action includes without limitation re-zonings, variances, environmental clearances, and all other required governmental approvals.
5. CITY'S Consent, Approval. Whenever required under this Permit, CITY'S consent or approval shall mean the written consent or approval of CITY's Mayor, or his or her designee ("Mayor"), unless otherwise expressly provided herein or required by law. CITY's discretionary acts hereunder shall be made in the Mayor's discretion, unless otherwise expressly provided or required by law.
6. Term. The Term shall be three (3) years commencing on the Effective Date. If the Effective Date is not the first day of a calendar month, the first, partial month shall be counted as a full month for purposes of determining the expiration date of this Permit, so that the Term shall expire on the last day of a calendar month, and not to exceed three (3) years.
7. Revocable License. This Permit is not a lease. It is a license to use CITY-owned property, and may be revoked at will by CITY, in its sole discretion. CITY shall not be obligated for any loss, financial or otherwise, which may be incurred by PERMITTEE as a result of such revocation or the termination of this Permit. PERMITTEE expressly waives any claim for expense or loss which PERMITTEE might incur as a result of CITY'S revocation or termination of this Permit.
8. No Holdover. If PERMITTEE continues to occupy the Permit Area after the expiration or earlier termination of this Permit, such occupancy shall neither constitute a renewal or extension of this Permit, nor give PERMITTEE any rights in or to the Permit Area. If PERMITTEE continues to occupy the Permit Area after the expiration or earlier termination of this Permit, PERMITTEE shall pay to CITY rent calculated on a per diem basis using three (3) times the rental rate in effect just prior to such expiration or earlier termination. CITY'S acceptance of such rent shall neither constitute a renewal or extension of this Permit, nor give PERMITTEE any rights in or to the Permit Area.
9. Termination. CITY or PERMITTEE may terminate this Permit for any reason upon thirty (30) days prior written notice.

10. Restoration of Permit Area. Except as otherwise provided in this Permit, prior to the expiration or as soon as practicable after termination of this Permit, PERMITTEE shall restore the Permit Area to its condition on the Effective Date, normal wear and tear excepted.
11. Superior Interests. This Permit is subject to all liens, encumbrances, covenants, conditions, restrictions, reservations, contracts, permits and licenses, easements, and rights-of-way pertaining to the Permit Area, whether or not of record. PERMITTEE shall obtain all licenses, permits, and agreements from such third parties as may be or become necessary or reasonably advisable to allow its use of the Permit Area, relative to any such superior interest. If PERMITTEE'S use of the Permit Area is or becomes inconsistent or incompatible with a preexisting, superior interest, PERMITTEE shall take such actions and pay all costs and expenses necessary to remove such inconsistency or incompatibility to the satisfaction of the holder of the superior interest.
12. Rent. PERMITTEE shall pay the Monthly Rent on or before the last day of the calendar month following the calendar month in which the gross revenue was earned. PERMITTEE shall at the same time provide CITY with an accurate and correct statement of all gross receipts derived or resulting from the Permit Use in a form selected by CITY. The statement shall be signed by PERMITTEE or its authorized agent attesting to the accuracy thereof. Each statement shall include the total gross receipts for the subject month and the percentage rental due to the City, and shall accompany payment of the Monthly Rent as described in Section 1, a. "Monthly Rent."
13. Place of Payment. Monthly Rent shall be made payable to "City Treasurer" and delivered to the Office of the City Treasurer, Civic Center Plaza Building, 1200 Third Avenue, First Floor, San Diego, CA 92101, or mailed with an invoice to:

THE CITY OF SAN DIEGO
P.O. Box 129030
San Diego, CA 92112-9030

14. Delinquent Monthly Rent. If PERMITTEE fails to pay Monthly Rent when due, PERMITTEE shall pay, in addition to the unpaid Monthly Rent, five percent (5%) of the delinquent Monthly Rent. If the Monthly Rent is still unpaid after fifteen (15) days past due, PERMITTEE shall pay an additional five percent (5%) (being a total of ten percent (10%)), which is agreed by the parties to be appropriate to compensate CITY for the cost of servicing the delinquent account. In no event shall the charge for late payments of Monthly Rent be less than Twenty-Five Dollars (\$25). After thirty (30) days past due, unpaid amounts due CITY under this Permit may be referred to the San Diego City Treasurer for collection, and shall be subject to San Diego Municipal Code section 22.1707, as may be amended from time to time. PERMITTEE shall pay to CITY any collection-referral fee and all other fees and charges plus interest as may then be charged by the CITY's City Treasurer under authority of the San Diego Municipal Code. Acceptance of late charges and any portion of the late payment by CITY shall neither constitute a waiver of PERMITTEE'S default with respect to late payment nor prevent CITY from exercising any

other rights and remedies available at law or in equity. As required by law, PERMITTEE is hereby notified that a negative credit report may be submitted to a credit reporting agency if amounts due CITY are not paid when due.

15. Maintenance of the Permit Area. PERMITTEE shall, at PERMITTEE'S sole cost and expense and to CITY'S satisfaction, maintain the Permit Area in good order and repair and in a safe, healthy, and sanitary condition at all times during the Term. CITY shall not be required to make any improvements or repairs to the Permit Area. PERMITTEE shall keep the Permit Area free and clear of rubbish, debris, and litter at all times.
16. Inspection. CITY may at all times enter and inspect the Permit Area.
17. Utilities. PERMITTEE shall order, obtain, and pay for all utilities and service and installation charges in connection with its use of the Permit Area.
18. Improvements/Alterations. PERMITTEE shall not construct any improvements, structures, or installations on the Permit Area, and shall not alter the Permit Area without the express written consent of CITY. Except as required by law, CITY shall not be obligated to make any repair or assume any expense for any improvements or alterations to the Permit Area.
19. Ownership of Improvements and Personal Property.
 - a. Improvements. Upon expiration or termination of this Permit, PERMITTEE shall remove any and all improvements, fixtures, structures, and installations or additions to the Permit Area that were constructed or installed on the Permit Area by PERMITTEE. PERMITTEE shall, at PERMITTEE'S sole cost and expense, remove such items as soon as practicable, but in no event later than sixty (60) days after the expiration or earlier termination of this Permit. PERMITTEE, at its sole cost and expense, shall be responsible for the repair of any and all damage resulting from the removal of its improvements, structures, and installations as required by this Permit. If PERMITTEE fails to remove its improvements, structures, and installations as required, CITY may, at its option, remove them at PERMITTEE'S sole cost and expense. Notwithstanding the foregoing, CITY may, upon notice to PERMITTEE at termination or at any time prior to the expiration of the Term, elect to assume ownership of all or any PERMITTEE-installed permanent improvements, fixtures, structures, and installations. If CITY elects to assume ownership of all or any PERMITTEE Improvements, PERMITTEE shall honor such assumption and execute and deliver all necessary and appropriate documents, materials and other items reasonably needed to effect such transfer of ownership to CITY.
 - b. Personal Property. PERMITTEE shall remove PERMITTEE-owned machines, appliances, equipment, trade fixtures, and other items of personal property upon the expiration of the Term, or as soon as practicable after termination, but in no event later than thirty (30) days after the expiration or earlier termination of this Permit. Any such items which PERMITTEE fails to so remove shall be deemed abandoned and become CITY'S property free of all claims and liens, or CITY may, at its option,

remove such items at PERMITTEE'S sole cost and expense. PERMITTEE, at its sole cost and expense, shall be responsible for the repair of any and all damage resulting from the removal of its personal property from the Permit Area.

- c. Late Removal. Notwithstanding any provision of this Permit to the contrary, PERMITTEE shall pay rent to CITY for any period of time after the expiration or termination of this Permit needed to remove improvements or personal property as required by this Permit, whether by CITY or PERMITTEE. Such rent shall be calculated on a per diem basis using the rental rate in effect just prior to the expiration or termination of this Permit.
 - d. CITY'S Right to Acquire Personal Property. If PERMITTEE wants to dispose of any of its personal property used in its operations on the Permit Area upon expiration or termination of this Permit, CITY shall have the first right to acquire such personal property.
20. Insurance. PERMITTEE shall deliver to CITY'S Real Estate Assets Department a current certificate of insurance and all relevant endorsements for:
- (1) Commercial General Liability Insurance, providing coverage for bodily injury, including death, personal injury, and property damage with limits of at least Two Million Dollars (\$2,000,000) per occurrence, subject to an annual aggregate of at least Four Million Dollars (\$4,000,000);
 - (2) Automobile Liability Insurance, providing coverage for all bodily injury and property damage, with a limit of at least One Million Dollars (\$1,000,000) per occurrence. Such insurance shall cover liability arising out of any vehicle (including owned, hired, and non-owned vehicles) operated in performing any and all work pursuant to this Permit. Coverage shall be written on *ISO form CA 00 01 12 90*, or a substitute form providing equivalent liability coverage; and
 - (3) Workers' Compensation Insurance, as required by the laws of the State of California for all of PERMITTEE'S employees who are subject to this Permit, with Employers' Liability coverage with a limit of at least One Million Dollars (\$1,000,000).
- a. Additional Insureds. Pursuant to a separate endorsement [CG2010 (11/85) or equivalent form], "The City of San Diego, its elected officials, officers, employees, representatives, and agents" shall be named as additional insureds in all policies.
 - b. Primary & Non-Contributory. Insurance policies shall be endorsed such that the coverage is primary and non-contributory to any coverage carried or maintained by CITY.
 - c. Qualified Insurer(s). All insurance required by the terms of this Permit must be provided by insurers licensed to do business in the State of California which are rated at least "A-, VI" by the current AM Best Ratings Guide and which are acceptable to

CITY. Non-admitted surplus lines insurers may be accepted provided they are included on the most recent list of California eligible surplus lines insurers (LESLI list) and otherwise meet CITY requirements.

- d. Deductibles/Retentions. All deductibles and self-insured retentions on any insurance policy are the sole responsibility of PERMITTEE and must be disclosed and acceptable to CITY at the time evidence of insurance is provided.
 - e. Continuity of Coverage. All policies shall be in effect on or before the first day of the Term, except "course of construction fire insurance" shall be in force on commencement of all authorized construction, and full applicable fire insurance coverage shall be effective upon completion of each insurable improvement. The policies shall be kept in force for the duration of the Term. At least thirty (30) days prior to the expiration of each insurance policy, PERMITTEE shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the requirements of this Permit. PERMITTEE shall provide proof of continuing insurance at least annually during the Term. If insurance lapses or is discontinued for any reason, PERMITTEE shall immediately notify CITY and obtain replacement insurance as soon as possible.
 - f. Modification. To assure protection from and against the kind and extent of risk existing with the Permit Use or the Permit Area, CITY, at its discretion, may require the revision of amounts and coverage at any time during the Term by giving PERMITTEE thirty (30) days prior written notice. PERMITTEE shall also obtain any additional insurance required by CITY for new improvements, changed circumstances, or CITY'S reasonable re-evaluation of risk levels related to the Permit Use or the Permit Area.
 - g. Accident Reports. PERMITTEE shall immediately report to CITY any accident causing property damage or injury to persons and related to the Permit Use or the Permit Area. Such report shall contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and other pertinent information.
 - h. Causes of Loss - Special Form Property Insurance. PERMITTEE shall obtain and maintain, at its sole cost, Causes of Loss - Special Form Property Insurance on all of PERMITTEE'S insurable property related to the Permit Use or the Permit Area in an amount to cover 100 percent (100%) of the replacement cost. PERMITTEE shall deliver to CITY a certificate of such insurance.
21. Indemnification & Hold Harmless. PERMITTEE shall protect, defend, indemnify, and hold CITY and its elected officials, officers, employees, representatives, and agents harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to PERMITTEE'S officers, employees, invitees, guests, agents, or contractors, which arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE'S occupancy, use,

development, maintenance, or restoration of the Permit Area, and all expenses of investigating and defending against same, including without limitation attorney fees and costs; provided, however, that PERMITTEE'S duty to indemnify and hold harmless shall not include any established liability arising from the gross negligence or intentional misconduct of CITY and its elected officials, officers, employees, representatives, and agents.

22. California Public Records Act. CITY shall determine, in its sole discretion, whether information provided by PERMITTEE pursuant to this Permit is or is not a public record subject to disclosure under the California Public Records Act. PERMITTEE shall hold CITY and its elected officials, officers and employees harmless for CITY's disclosure of any such information in response to a request for information under the CPRA.
23. No Discrimination. PERMITTEE shall not discriminate in any manner against any person on account of race, color, religion, gender, sexual orientation, medical status, national origin, age, marital status, or disability in PERMITTEE'S use of the Permit Area, including without limitation the provision of goods, services, facilities, privileges, advantages, and accommodations, and the hiring of employees and contractors.
24. Equal Benefits. PERMITTEE shall comply with San Diego Municipal Code sections 22.4301-22.4308, which require applicable parties to offer the same employment benefits to employees with spouses and employees with domestic partners. PERMITTEE shall certify that it will maintain such equal benefits throughout the term of this Permit. PERMITTEE's failure to maintain equal benefits shall be a material breach of this Permit.
25. PERMITTEE'S Risk. PERMITTEE shall bear all risks and liability arising out of or in any manner directly or indirectly connected with PERMITTEE'S occupancy, use, development, maintenance, and restoration of the Permit Area and any damages to the improvements on, under, or in the vicinity of the Permit Area resulting directly or indirectly thereby.
26. No Nuisance. PERMITTEE shall not use the Permit Area in any manner which creates a nuisance or unreasonably disturbs the quiet enjoyment of persons in and to the surrounding area.
27. Assignment and Sublicense. PERMITTEE shall not assign or sublicense any rights granted by this Permit or any interest in this Permit without CITY'S prior written consent. Any assignment by operation of law shall automatically terminate this Permit.
28. Signs. PERMITTEE shall not erect or display any banners, pennants, flags, posters, signs, decorations, marquees, awnings or similar devices or advertising without CITY'S prior written consent. If any such unauthorized item is found on the Permit Area, PERMITTEE shall remove the item at its expense within twenty-four (24) hours after notice by CITY, or CITY may thereafter remove the item at PERMITTEE'S cost.
29. Encumbrances. PERMITTEE shall keep the Permit Area and any CITY-owned property of which the Permit Area is a part free from all encumbrances and liens of any nature which

arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area. PERMITTEE shall protect, defend, indemnify, and hold CITY harmless from and against any and all such encumbrances and/or liens, and from and against any claim, liability, cost or expense, including without limitation all attorney fees and costs, relating to or charged against the Permit Area, including without limitation PERMITTEE'S failure or the failure of any contractor or subcontractor hired by PERMITTEE to pay any person or persons entitled to lien or encumber the Property pursuant to the California Civil Code.

30. Compliance with Laws. PERMITTEE shall, at its sole cost and expense, comply with all rules, regulations, and laws, and all direction by competent authority, which now or hereafter pertain to PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area.
31. Taxes. PERMITTEE shall pay, before delinquency, all taxes, assessments, and fees assessed or levied upon PERMITTEE or the Permit Area, including the land, any buildings, structures, machinery, equipment, appliances, or other improvements or property of any nature whatsoever erected, installed, or maintained by PERMITTEE, or levied by reason of PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area, including without limitation licenses or permits. PERMITTEE acknowledges that this Permit may create a possessory interest subject to property taxation, and that PERMITTEE may be subject to the payment of taxes levied on that interest. PERMITTEE shall pay all such possessory interest taxes. PERMITTEE'S payment for such taxes, fees, and assessments shall not reduce any amount payable to CITY under this Permit.
32. Hazardous Substances. PERMITTEE shall not allow the installation, storage, utilization, generation, sale or release of Hazardous Substance or otherwise regulated substances in, on, under, or from the Permit Area. PERMITTEE and PERMITTEE'S agents and contractors shall not install, store, utilize, generate, or sell any Hazardous Substance on the Permit Area without CITY'S prior written consent. PERMITTEE shall, prior to initiating any operations, obtain all required permits from applicable regulatory agencies, including without limitation the San Diego County Department of Environmental Health, local fire agencies, the San Diego County Department of Weights and Measures, the San Diego County Air Pollution Control District, and the San Diego Regional Water Quality Control Board. Installing, utilizing, storing, or any other presence of a Hazardous Substance includes boxes, bags, bottles, drums, cylinders, above or below ground tanks, equipment with tanks, or any other type of container, equipment, or device which holds or incorporates a Hazardous Substance or hazardous waste.
 - 32.1 Release. For all purposes of this Permit, a "release" shall include without limitation any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping or otherwise disposing of a hazardous substance.
 - 32.2 Hazardous Substance. For all purposes of this Permit, "Hazardous Substance" shall mean any substance listed by the Environmental Protection Agency or the

State of California as a hazardous substance, and all types of petroleum-related substances and their chemical constituents.

- 32.3 Remediation. If PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area ("PERMITTEE's Operations") results in a release of a Hazardous Substance, PERMITTEE shall pay all costs of remediation and removal to the CITY's satisfaction for unrestricted reuse of the Permit Area, and in accordance with all applicable laws, rules and regulations of governmental authorities.
- 32.4 Removal. If PERMITTEE or PERMITTEE's contractor or agent has received approval and permits to store, utilize, generate or install, or otherwise bring Hazardous Substances to the Permit Area, PERMITTEE and/or PERMITTEE's contractor or agent shall remove all Hazardous Substances in any type of container, equipment or device from the Permit Area immediately upon or prior to the expiration or earlier termination of this Permit. CITY reserves the right to conduct inspections of the Permit Area and/or request documentation demonstrating the legal removal and/or disposal of the hazardous materials, wastes or other containers, equipment or devices from the Permit Area. PERMITTEE shall be responsible for any and all costs incurred by CITY to remove any container, equipment or device requiring disposal or removal as required by this provision.
- 32.5 Indemnity. PERMITTEE shall protect, defend, indemnify and hold CITY harmless from any and all claims, costs and expenses related to environmental liabilities resulting from PERMITTEE's Operations, including without limitation: (i) costs of environmental assessments; (ii) costs of regulatory remediation oversight; (iii) costs of remediation and removal; (iv) any necessary CITY response costs; (v) all fines, penalties or fees assessed by any regulatory agency; (vi) damages for injury to natural resources, PERMITTEE's officers, employees, invitees, guests, agents or contractors, or the public; and (vii) all costs of any health assessments or health effect studies.
- 32.6 Notice of Release. If PERMITTEE knows or has reasonable cause to believe that a Hazardous Substance has been released on, from or beneath the Permit Area, PERMITTEE shall immediately notify CITY and any appropriate regulatory or reporting agency pursuant to California Code of Regulations Title 19 and any other applicable laws or regulations. PERMITTEE shall deliver a written report thereof to CITY within three (3) days after receipt of the knowledge or cause for belief and submit any required written reports to regulatory or reporting agencies as required by regulation or law. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent release or is an imminent substantial danger to public health and safety, PERMITTEE shall take all actions necessary to alleviate the danger. PERMITTEE shall immediately notify CITY in writing of any violation, notice to comply, or notice of violation received or the initiation of environmental actions or private suits related to the Permit Area.

- a. Environmental Assessment. Upon reasonable cause to believe that PERMITTEE's Operations resulted in any Hazardous Substance being released on, from or beneath the Permit Area, CITY may cause an environmental assessment under regulatory oversight of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE's sole cost and expense, and shall establish what, if any, Hazardous Substances have more likely than not been caused by PERMITTEE's Operations on, in, from or under the Permit Area, and in what quantities. If any such Hazardous Substances exist in quantities greater than allowed by city, county, state or federal laws, statutes, ordinances or regulations, or require future restricted re-use of the Permit Area, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect unrestricted re-use and in compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, as determined by CITY in its sole discretion, then CITY may cause, the remediation and/or removal recommended in the environmental assessment such that unrestricted re-use of the Permit Area and compliance with environmental laws and regulations are achieved, and PERMITTEE shall pay all costs and expenses therefor.
33. Water Quality Assurances. PERMITTEE shall comply with San Diego Municipal Code Chapter 4, Article 3, Division 3: Stormwater Management and Discharge Control (the "Stormwater Code"), and employ "Best Management Practices" including a "Storm Water Pollution Prevention Plan" as those terms are defined by the Stormwater Code (collectively, "Prevention Plan") and as approved by CITY under its Stormwater Management Program. Within the first thirty (30) days of the Term, PERMITTEE shall submit a Prevention Plan satisfactory to CITY that will control erosion and reduce the amount of "Pollutants," as defined by the Stormwater Code, and other sediments discharged from the Premises. CITY may review the Prevention Plan periodically. Within thirty (30) days after written notice from CITY requesting an update of the Prevention Plan, PERMITTEE shall submit an updated Prevention Plan to CITY'S satisfaction. PERMITTEE shall implement all changes to the Prevention Plan as required by CITY and to ensure compliance with all applicable laws, ordinances, and regulations. PERMITTEE shall inform its employees, contractors, subcontractors, agents and vendors of the Prevention Plan and ensure their compliance therewith.
34. Waiver. The property constituting the Permit Area is publicly owned and held in trust for the benefit of CITY'S citizens. CITY'S failure to insist upon the strict performance of any of PERMITTEE'S obligations under this Permit, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect. CITY'S waiver of a default shall not be a waiver of any other default. Any waiver of a default must be in a writing executed by CITY to constitute a valid and binding waiver. CITY'S delay or failure to exercise a right or seek a remedy shall not be deemed a waiver of that or any other right or remedy under this Permit, at law, or in equity. The

exercise of any particular right or the use of any particular remedy for any default shall not waive the use of any other right or remedy for the same default or for another or later default. CITY'S acceptance of any rents shall not be a waiver of any default preceding the rent payment. CITY'S failure to discover a default or take prompt action to require the cure of any default shall not result in an equitable estoppel, but CITY may at any and all times require the cure of the default.

35. Cumulative Remedies. CITY'S rights and remedies under this Permit are cumulative and shall not limit or otherwise waive or deny any of CITY'S rights or remedies at law or in equity.
36. Survival. Any obligation which accrues under this Permit prior to its expiration or termination shall survive such expiration or termination.
37. Joint and Several Liability. If PERMITTEE is comprised of more than one person or legal entity, such persons and entities, and each of them, shall be jointly and severally liable for the performance of each and every obligation of PERMITTEE under this Permit.
38. No Affiliation. Nothing contained in this Permit shall be deemed or construed to create a partnership, joint venture or other affiliation between CITY and PERMITTEE or between CITY and any other entity or party, or cause CITY to be responsible in any way for the debts or obligations of PERMITTEE or any other party or entity.
39. Entire Agreement. This Permit constitutes the entire agreement between the parties and supersedes any and all prior understandings, representations, warranties, and agreements between them pertaining to this Permit and PERMITTEE'S occupancy, use, development, maintenance, and restoration of the Permit Area. Any modification, alteration, or amendment of this Permit shall be in writing and signed by all the parties hereto.
40. Notices. Any notice required or permitted to be given under this Permit shall be in writing and may be served personally or delivered by United States mail, postage prepaid, and addressed to PERMITTEE at PERMITTEE'S Address for Notices, and to CITY as follows:

Each person executing this Permit on behalf of another person or legal entity represents and warrants

PERMITTEE further represents and warrants that it is not relying on any representation by CITY as to the condition of the Permit Area or its suitability for the Permit Use, and that PERMITTEE is relying solely on its own and independent inspections, tests, investigations and observations of the Permit Area in entering into this Permit. PERMITTEE accepts the Permit Area in its current condition, and acknowledges and agrees that CITY has fulfilled all obligations it may have had to improve, modify, repair, replace, alter, or otherwise develop the Permit Area prior to the Effective Date. PERMITTEE shall not hold CITY responsible for any defects in the Permit Area. PERMITTEE accepts and assumes all risk of harm to all persons and property, including without limitation PERMITTEE'S employees, from any defects in the Permit Area, and shall be solely responsible therefor.
