Hi Carla,

To put it quickly, I am totally okay with moving forward without an additional signing authority.

Regarding Delmar's concerns, I understand his point but as long as you feel comfortable taking the letter from the Lease Team as evidence enough that they are seeking to exercise their option, I am as well.

Hi Nick,

DREAM received the attached letter from Sprint regarding its exercising its option to renew the agreement for one additional term of 5 years pursuant to Section 4 as follows:

4. TERM.

The term of this Lease ("Term") shall be five (5) years, commencing on the Effective Date. "Lease Year" shall mean each twelve (12) month period during the Term, commencing on the month and day of the Effective Date and continuing to the same month and day of the following year, minus one (1) calendar day. LESSEE shall have the right to extend the current Term with one additional term of five (5) years. ("Renewal Term") upon LESSEE notifying CITY in writing of LESSEE'S exercise of its right to renew this Agreement at least 30 days prior to the expiration of the initial Term upon the same terms and conditions herewith.

I obtained Delmar's feedback, as attached, regarding whether or not the letter (attached) in the 'Skyline Lease Option to Renew Request 10 25 23' email sufficed. After some back and forth with Sprint, Delmar provided an additional response in the attached email. Per Brandi's email below, Sprint's position is that signing authority is not required since the notice is required by the lease (attached as Skyline PD Lease). Per Delmar, this is ultimately a business decision to be determined by DREAM. I recommend that we accept the letter as Sprint's notice to extend the current term for an additional five years. However, I would like your input and approval regarding whether or not the new letter, attached as 'SD08007A', will suffice as Sprint's notice. Thank you.

Hi Carla: Wanted to let you know that annual rent was issued last week for this site. Check 11188873 dated 3/15/2024 for annual rent due on December 1st 2021, 2022 & 2023.

I have also attached a follow up letter from my manager regarding the term renewal letter I sent last October. T-Mobile legal indicated that they will not provide a signing authority since the request is for a notice required by the lease.

Thanks,

Hi Carla: For the City Inv. B135734 of \$3,921.97. Please see the attached payments made. I show we only under paid by 8 cents. Because we were paying monthly prior to the new 2018 lease, there were monthly payments made toward the new lease. Please review when you have time. The annual payments for December 1st 2021, 2022 and 2023 have been set up to issue. I added 'Skyline PD' to the memo of the check when any payments for this site are made.

T-Mobile legal should be providing the signing authority letter early next week. My manager has been emailing with them.

Good morning: I don't have a signing authority certificate because there are no financials being approved with this notice. This is a simple letter optioning the next term per the lease. If the City is requiring a signing authority letter, then I will have to go through a legal process. Please note, the lease does not require the certificate of authority, therefore the notice is valid, and the lease remains in full force and effect.

I should have a update in a couple of weeks. Thank you.
