1. DEFINITIONS.

For the purposes of this Lease, the terms listed below are defined as follows:

"Communications Equipment" means the antenna support structure, antenna equipment, cable wiring, utility lines, transmission lines, air-conditioned equipment shelters, back-up power sources (that may include back-up power generators with connected fuel storage tanks for emergency power), and related fixtures that LESSEE will construct and maintain on the Site, more particularly described and depicted in the Site Plans attached hereto as Exhibit B.

2. LEASED PROPERTY.

- 2.2. Access to Site. Unless otherwise provided, LESSEE, its agents, employees, contractors, guests, and invitees may enter the Premises on a 24-hour, non-exclusive basis to access the Site.
- 2.3. Memorandum of Lease. Upon LESSEE'S request, CITY shall execute and deliver to LESSEE a "Memorandum of Lease," substantially in the form attached hereto as Exhibit C, which LESSEE may record in the Office of the San Diego County Recorder.

3. USES.

LESSEE shall use the Site solely and exclusively for the purposes, with proper permits and approvals obtained, of installing, constructing, modifying, maintaining, operating, and removing, all at LESSEE'S sole cost and expense, LESSEE'S Communications Equipment ("LESSEE'S Operations").

- 3.1. Continuous Use. LESSEE shall continuously occupy and use the Site throughout the "Term" (defined below) of this Lease.
- 3.2. Unauthorized Use. The use of the Premises or Site for any unauthorized, illegal, or non-permitted purpose shall constitute a default of this Lease.

4. TERM.

The term of this Lease ("Term") shall be ten (10) years, commencing on the Effective Date. "Lease Year" shall mean each twelve (12) month period during the Term, commencing on the month and day of the Effective Date and continuing to the same month and day of the following year, minus one (1) calendar day.

- 4.1. Holdover. LESSEE may not continue in possession of the Site past the expiration or earlier termination of this Lease. Any extension of the Term shall require approval by the City Council pursuant to City Council Policy 700-10, titled Disposition of City-Owned Real Property.
- 4.2. Surrender. Upon the expiration or earlier termination of this Lease, LESSEE shall surrender the Site to CITY in a decent, safe, and sanitary condition, and free and clear of all liens and encumbrances caused by or resulting from LESSEE'S Operations, except those liens and encumbrances which: (1) existed on the Effective Date, and (2) exist after the Effective Date and are not the result of LESSEE'S Operations. Except otherwise stated in Section 30, below, LESSEE shall surrender the Site in the same condition as it was on the Effective Date, normal wear and tear excepted.

5. RENT.

LESSEE shall pay rent to CITY in the amount of \$38,000 (Thirty-Eight Thousand Dollars) per year, in advance, subject to annual adjustments as of the first day of the second Lease Year and each Lease Year thereafter, as follows:

Lease Year Two	\$39,330.00
Lease Year Three	\$40,706.55
Lease Year Four	\$42,131.28
Lease Year Five	\$43,605.87
Lease Years Six – Ten	Market Rent Adjustments by Appraisal

The above rent schedule reflects an annual rent escalation equal to three and one-half percent (3.5%) above the annual rent for each preceding Lease Year. For the sixth through the tenth Lease Years, the rent may be adjusted upward pursuant to the “Market Rent Adjustments by Appraisal” section, below.

- 5.1. Market Rent Adjustments by Appraisal. At the end of the fifth Lease Year, the annual rent for the sixth Lease Year shall be adjusted to equal the then existing market rent as determined by an appraisal, which adjustment shall be effective as of the first day of the sixth Lease Year (“Adjustment Date”). Such appraisal shall be performed by a staff appraiser of CITY’S Real Estate Assets Department (“READ”) or by a California State Certified General Real Estate Appraiser who is confirmed by READ as being competent in determining market rent for telecommunications sites, properties, and leases (“Qualified Appraiser”) and shall be in conformance with Uniform Standards of Professional Appraisal Practice. In establishing the market rent for the Site, the Qualified Appraiser shall base the valuation on an appraisal not more than six (6) months old, as of the Adjustment Date, prepared by surveying comparable market rents for similar leased facilities in Southern California or other comparable market areas. If the appraisal is not completed prior to the Adjustment Date, LESSEE shall continue to pay rent in accordance with the then-existing Lease rates, and the adjustment, when determined, shall be retroactive to the Adjustment Date. Any deficiency shall be paid by LESSEE to CITY within thirty (30) calendar days after determination of the new rental rate. In no event shall the adjusted rent be less than the rent in effect immediately prior to the Adjustment Date. Once adjusted, the annual rent shall increase on each anniversary of the Adjustment Date by an amount equal to three and one-half percent (3.5%) of the annual rent paid in the preceding Lease Year. In lieu of the above adjustment to market rent, CITY may determine that no market value adjustment is necessary and waive the requirement for an appraisal, in which case, the rent for each year of the remaining five (5) Lease Years shall be set at three and one-half percent (3.5%) above the annual rent for each preceding Lease Year. In no event shall the rent ever decrease from the rental rate established for the previous Lease Year.
- 5.2. Time and Place of Payment. Rent is due annually in advance on or before the first day of each Lease Year. All rents required by this Lease shall be made payable to the City Treasurer and mailed to:

The City of San Diego
Office of the City Treasurer
P.O. Box 129030
San Diego, California 92112-9030

or hand delivered to:

Office of the City Treasurer
Civic Center Plaza
1200 Third Avenue, First Floor
San Diego, California 92101

LESSEE shall include CITY'S customer account number for LESSEE on the rent payment so CITY can apply the rent to the appropriate account. The place of payment may be changed at any time by CITY upon thirty (30) calendar days' prior written notice to LESSEE. Mailed payments shall be deemed paid upon the date the payment is postmarked by the postal authorities. If postmarks are illegible, the payment shall be deemed paid upon actual receipt by the City Treasurer. LESSEE assumes all risk of loss and responsibility for late payment charges if payments are made by mail.

- 5.3. Invoicing Courtesy. CITY may invoice LESSEE for amounts payable under this Lease. However, any such invoicing shall be deemed a courtesy only; LESSEE shall make all payments under this Lease on or before each applicable due date, regardless of being invoiced. No grace period shall apply to any amount payable under this Lease.
- 5.4. Delinquent Rent. If LESSEE fails to pay rent when due, LESSEE shall pay, in addition to the unpaid rent, five percent (5%) of the delinquent rent. If the rent is still unpaid after fifteen (15) days past due, LESSEE shall pay an additional five percent (5%) (being a total of ten percent (10%)), which is agreed by the parties to be appropriate to compensate CITY for the cost of servicing the delinquent account. In no event shall the charge for late payments of rent be less than Twenty-Five Dollars (\$25). Acceptance of late charges and any portion of the late payment by CITY shall neither constitute a waiver of LESSEE'S default with respect to late payment nor prevent CITY from exercising any other rights and remedies available at law or in equity.
- 5.5. Financial Records. LESSEE shall maintain, in accordance with generally accepted accounting practices, complete and accurate financial records showing all receipts from its use of the Site. LESSEE shall make any and all of its records and accounts relating to its use of the Site available to CITY for inspection at a reasonable location and time so that CITY can determine LESSEE'S compliance with this Lease. LESSEE'S failure to keep and maintain records and make them available for inspection by CITY shall be a default of this Lease. LESSEE shall maintain all records and accounts for a minimum period of five (5) years past the expiration or earlier termination of this Lease. This section shall survive the expiration or earlier termination of this Lease.

6. QUIET POSSESSION.

LESSEE, paying the rent and performing its obligations under this Lease, shall, at all times during the Term, peaceably and quietly have, hold, and enjoy the Site. If during the Term, LESSEE is temporarily dispossessed through action or claim of a title superior to CITY'S, this Lease shall not be voided thereby, and CITY shall not be liable to LESSEE for any loss or resulting damage, but there shall be determined and stated by CITY, in writing, a proportionate reduction of the rent for the period or periods during which LESSEE is prevented from having the quiet possession of all or a portion of the Site.

7. INSURANCE

LESSEE shall obtain and maintain throughout the term of this Lease, at its sole cost and expense, all insurance required by this Lease. LESSEE's liabilities under this Lease, including without limitation LESSEE's indemnity obligations, shall not be deemed limited in any way to the insurance coverage required herein. LESSEE's maintenance of the required insurance coverage is a material consideration for this Lease.

Notwithstanding any provision of this Lease to the contrary, if LESSEE fails to maintain or renew the insurance coverage required herein, or fails to deliver evidence of same to CITY, LESSEE shall be in default of this Lease. LESSEE shall not modify any policy or endorsement thereto which increases CITY's exposure to loss. LESSEE shall obtain and deliver to CITY's Real Estate Assets Department a current certificate of insurance and relevant endorsements for (and subject to CITY's reasonable written approval of same):

The Commercial General Liability policy is primary to any insurance or self-insurance of The City of San Diego and its elected officials, officers, employees, and representatives as respects operations of the named insured. Any insurance maintained by The City of San Diego and its elected officials, officers, employees, and representatives shall be in excess of LESSEE’s insurance and shall not contribute to it.
- 7.1.3 Severability of Interest. Each policy shall provide that LESSEE’s insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer’s liability and shall provide cross-liability coverage.

CITY may accept insurance provided by non-admitted, “surplus lines” carriers only if the carrier is authorized to do business in the State of California and is included on the List of Eligible Surplus Lines Insurers (i.e., the LESLI list). All policies of insurance carried by non-admitted carriers shall be subject to all of the requirements for policies of insurance provided by admitted carriers described herein. Each insurer shall be subject to CITY’s approval in each instance.
- 7.1.5 Deductibles/Retentions. All deductibles and self-insured retentions on any insurance policy are the sole responsibility of LESSEE. LESSEE shall provide CITY with a letter (“Verification Letter”) confirming that LESSEE’s parent company has a net worth of at least \$100,000,000, which Verification Letter shall be provided to CITY within thirty (30) days after this Lease is fully executed. Thereafter, LESSEE shall provide Verification Letter on or before each annual anniversary of the Effective Date.

LESSEE shall provide proof of continuing insurance at least annually during the Term and otherwise upon CITY’s request. If insurance lapses or is discontinued for any reason, LESSEE shall immediately obtain replacement insurance as soon as possible.

- 7.1.7 Modification. To assure protection from and against the kind and extent of risk existing with the Allowed Uses, CITY, at its reasonable discretion, may require the revision of amounts and coverage at any time by giving LESSEE thirty (30) days prior written notice. LESSEE shall also obtain any additional insurance required by CITY for new improvements, changed circumstances, or CITY's reasonable re-evaluation of risk levels related to the Allowed Uses.
- 7.1.8 Accident Reports. LESSEE shall immediately, or as soon as practicable and not more than 48 hours after LESSEE becomes aware of such accident, report to CITY any accident causing property damage or injury to persons on the Premises or otherwise related to the Allowed Uses. Such report shall contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and other pertinent information.

LESSEE shall obtain and maintain, at its sole cost, Causes of Loss - Special Form Property Insurance on all of LESSEE's insurable property related to the Allowed Uses of the Premises under this Lease or the Premises in an amount to cover one hundred percent (100%) of the replacement cost. LESSEE shall deliver a certificate of such insurance to CITY's Real Estate Assets Department.

8. ACCEPTANCE OF SITE.

LESSEE represents and warrants that LESSEE has independently inspected the Site and made all tests, investigations, and observations necessary to satisfy itself of the condition of the Site. The environmental assessment shall be obtained at LESSEE'S sole cost and expense, and shall establish what, if any, Hazardous Substances have more likely than not been caused by LESSEE'S occupancy, use, development, maintenance, or restoration of the Site, and in what quantities. If any such Hazardous Substances exist in quantities greater than allowed by CITY, county, state or federal laws, statutes, ordinances or regulations, or require future restricted re-use of the Site and/or Premises, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect unrestricted re-use to the extent as required by applicable law and in compliance with those laws or statutes, and estimates of the cost of such remediation or removal. LESSEE shall cause, or if LESSEE fails to do so within a reasonable period of time, as determined by CITY in its sole discretion, then CITY may cause, the remediation and/or removal recommended in the environmental assessment such that unrestricted re-use of the Site and/or Premises and compliance with environmental laws and regulations are achieved, and LESSEE shall pay all costs and expenses therefor.

17. SIGNS.

LESSEE shall only post signs required by federal, state, or local regulations, including, without limitation, safety signs required by OSHA, FAA, and/or FCC. LESSEE shall not erect or display any banners, pennants, flags, posters, signs, decorations, marquees, awnings, or similar devices or advertising on the Premises and/or Site without CITY'S prior written consent, which consent shall be in CITY'S sole discretion. If any such unauthorized item is found on the Premises and/or Site, LESSEE shall remove the item at LESSEE'S sole cost and expense within twenty-four (24) hours after CITY'S demand therefor, or CITY may then enter the Site and/or Premises and remove the item at LESSEE'S cost and expense. LESSEE shall post a clearly marked sign at the Site indicating LESSEE'S name and emergency telephone number.

18. MAINTENANCE.

LESSEE shall, at its sole cost and expense, continuously maintain the Site throughout the Term. In doing so, LESSEE shall, at its sole cost and expense, make all repairs, restoration, and replacements (including structural repairs and restoration of damaged or worn improvements) necessary to maintain and preserve the Site in a decent, safe, healthy, and sanitary condition. All such maintenance, repairs, restoration, and replacements shall be completed to the satisfaction of CITY, in conformance with the description of the Site and Premises set forth in Exhibit A, the approved Site Plans set forth in Exhibit B, and in compliance with all applicable codes and standards of CITY, state, and federal agencies. This provision is not meant to supersede the obligations of the Parties stated in section 10.1 above in regards to Landscaping.

- 18.1. CITY Maintenance. CITY reserves the right to perform any needed maintenance on the Site at any time. If CITY performs such maintenance, CITY shall provide LESSEE with at least forty-eight (48) hours notice prior to commencing the work (except in the event of an emergency, in which case, no prior notice shall be required, but CITY shall give LESSEE notice as soon as reasonably possible thereafter), and LESSEE shall comply with all applicable safety requirements issued by CITY to ensure the safety of CITY personnel performing such maintenance on the Site.
- 18.2. Emergency Maintenance Procedures. The Parties shall comply with the emergency maintenance procedures set forth in Exhibit F, including the requirement to notify the other party, in writing, of any changes to its emergency contacts and telephone numbers.

19. ENTRY AND INSPECTION.

CITY may, at any time, without any obligation to do so, enter the Site for the purpose of viewing and ascertaining the condition of the Site, or to protect CITY'S interest in the Site, or to inspect the operations conducted on the Site. If CITY'S entry or inspection discloses that the Site are not in a decent, safe, healthy, and sanitary condition, CITY may, after ten (10) calendar days written notice to LESSEE, have any necessary maintenance work done in order to keep the Site in a decent, safe, healthy, and sanitary condition, all at LESSEE'S sole cost and expense, and LESSEE shall promptly pay any and all costs incurred by CITY in having the necessary maintenance work done. If at any time CITY determines that the Site are not in a decent, safe, healthy, and sanitary condition, CITY may, without additional notice, require LESSEE to file with CITY a faithful performance bond to assure prompt correction of any condition which is not decent, safe, healthy, and sanitary. The bond shall be in an amount adequate, in CITY'S opinion, to correct the unsatisfactory condition. LESSEE shall pay the cost of the bond. The rights reserved in this section shall not create any obligation on CITY or increase CITY'S obligations elsewhere in this Lease.

20. UTILITIES.

LESSEE shall order, obtain, and pay for all utilities, including installation and service charges, in connection with LESSEE'S Operations. All utilities on the Site shall be installed underground and shall be used for LESSEE'S Operations only. Utilities shall be constructed and located in accordance with the approved Site Plans.

21. TAXES.

LESSEE shall pay, before delinquency, all taxes, assessments, and fees assessed or levied upon LESSEE or the Site, including the land, any buildings, structures, machines, equipment, appliances, or other improvements or property of any nature whatsoever erected, installed, or maintained by LESSEE, or levied by reason of LESSEE'S business or other LESSEE activities related to the Site, including, without limitation, any licenses or permits. LESSEE acknowledges that this Lease may create a possessory interest subject to property taxation, and that LESSEE may be subject to the payment of taxes levied on the leasehold interests. LESSEE shall pay all such possessory interest taxes. LESSEE'S payment of taxes, fees, and assessments shall not reduce any rent due CITY.

22. SUPERIOR INTERESTS.

This Lease is subject to all liens, encumbrances, covenants, conditions, restrictions, reservations, contracts, leases, licenses, easements, and rights-of-way pertaining to the Site, whether or not of record. LESSEE shall obtain all licenses, permits, and agreements from such third parties as may be or may become necessary or reasonably advisable to allow LESSEE'S Operations, relative to any such superior interest. If LESSEE'S Operations are or become inconsistent or incompatible with a preexisting, superior interest, LESSEE shall take such actions and pay all costs and expenses necessary to remove such inconsistency or incompatibility to the satisfaction of the holder of the superior interest.

23. ENCUMBRANCES.

Only with CITY'S prior written consent in each instance, which consent shall be in CITY'S sole discretion, and upon the condition that LESSEE apply any Site-related loan proceeds exclusively to its installation of wireless communication facilities on the Site, LESSEE may pledge its leasehold estate hereunder to secure its performance under the subject debt instrument.

- 23.1. Use of Loan Proceeds. A reasonable portion of such loan proceeds may be disbursed for payment of incidental costs of installing LESSEE'S wireless communication facilities on the Site, including, but not limited to, the following: off-site improvements for service of the Site; on-site improvements; escrow charges; premiums for hazard insurance or other insurance or bonds required by CITY; title insurance premiums; reasonable loan costs, such as discounts, interest, and commissions; and architectural, engineering, and attorney fees and other normal expenses incidental to such installation.
- 23.2. Subsequent Encumbrances. After the Site is fully developed, as contemplated by this Lease and to CITY'S satisfaction, if LESSEE proposes a subsequent encumbrance on its leasehold estate hereunder, then CITY'S consent thereto may be subject, in CITY'S sole discretion and without limitation, to increasing the rent to then-current market rates. LESSEE may use the proceeds from any such subsequent encumbrance for any purpose approved by CITY.
- 23.3. Acceptance of Approved Mortgagee or Beneficiary. Upon a foreclosure or transfer in lieu of foreclosure of a CITY-approved encumbrance, CITY shall accept the

approved mortgagee or beneficiary as the “LESSEE” under this Lease, with all rights and obligations thereof granted and imposed herein. Such mortgagee or beneficiary may assign its interest in this Lease to its nominee if CITY deems, in its sole discretion, such nominee to be a reputable, qualified, and financially responsible person.

- 23.4. Encumbrance Approved by CITY. Any CITY-approved encumbrance shall be subject and subordinate to all of the terms, covenants, and conditions of this Lease, and shall not be deemed to amend or alter any such term, covenant, or condition. LESSEE acknowledges that pursuant to City Charter section 225, each person having an interest in this Lease shall be subject to CITY’S review and approval.
- 23.5. Liens. LESSEE shall at all times protect, defend, indemnify, and hold CITY harmless from and against any and all claims for labor or materials in connection with LESSEE’S use, improvement, alteration, maintenance, or repair of the Site, and all costs of defending against such claims, including, without limitation, reasonable attorney fees. If LESSEE’S use, improvement, alteration, maintenance, or repair of the Site results in a lien or notice of lien being filed against the Premises and/or Site LESSEE shall, within five (5) calendar days after such filing, either: (a) take all actions necessary to record a valid release of the lien; or (b) deliver to CITY a bond, cash, or other security acceptable to CITY in an amount sufficient to pay in full all claims of all persons seeking relief under the lien.

24. ASSIGNMENT AND SUBLETTING.

24.1. Assignment.

- 24.1.1. For the purposes of this section, “Assignment” shall include, without limitation, the transfer of any interest in this Lease by LESSEE or by any partners, principals, or controlling shareholders of LESSEE, and, if LESSEE is other than a natural person, the transfer of a controlling interest in LESSEE or any of LESSEE’S general partners, principals, or controlling shareholders.
- 24.1.2. LESSEE shall not assign this Lease, or any interest in this Lease, without CITY’S prior written consent, which consent shall be in CITY’S sole discretion. LESSEE shall not assign this Lease, or any interest in this Lease, to any person or entity engaged in the design, development, construction, operation, sale, and/or leasing of telecommunication towers or poles.
- 24.1.3. CITY’S consent to any Assignment pursuant to Section 24.1.2 shall be conditioned upon the assignee agreeing, in writing, that it will assume the rights and obligations assigned, and that it will keep and perform all covenants, conditions, and provisions of this Lease which are applicable to the rights acquired.

- 24.1.4. LESSEE shall not permit any person or entity (other than the employees, agents, contractors, and/or guests of LESSEE) to use or occupy the Site, or any part of the Premises.
 - 24.1.5. Consent by CITY to any Assignment of this Lease pursuant to Section 24.1.2 shall not be deemed to be consent to any subsequent Assignment to the same or any other person.
 - 24.1.6. Neither this Lease nor any interest herein shall be assignable as to LESSEE'S interest herein by operation of law, without CITY'S prior written consent.
 - 24.1.7. Any Assignment of this Lease, or any use or occupancy of the Site and/or Premises by any other person or entity, in violation of the foregoing provisions (Sections 24.1.1 through 24.1.6) shall be void and a default of this Lease, and CITY may thereupon terminate this Lease.
- 24.2. Subletting. LESSEE shall not sublet, in whole or in part, the Site, or any right or appurtenant privilege to the Site.
- 24.2.1. Any subletting, in whole or in part, of the Site shall be void and shall be a default of this Lease, and CITY may thereupon terminate this Lease.
- 24.3. Provisions Binding on Successors. Except as otherwise provided in this Lease, all of the terms, covenants, and conditions of this Lease shall apply to, benefit, and bind the successors and assigns of the respective parties, jointly and individually.

25. INDEMNIFICATION.

LESSEE shall protect, defend, indemnify, and hold CITY, its elected officials, officers, representatives, agents, and employees harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to LESSEE'S officers, employees, agents, contractors, invitees and guests, which arise out of or are in any manner directly or indirectly connected with this Lease or LESSEE'S Operations, including damages arising out of the release of Hazardous Substances caused by LESSEE'S Operations, and all expenses of investigating and defending against same, including without limitation reasonable attorney fees and costs; provided, however, that LESSEE'S duty to indemnify and hold harmless shall not include any established liability arising from the gross negligence or willful misconduct of CITY, its elected officials, officers, representatives, agents and employees. CITY may, at its election, conduct the defense or participate in the defense of any claim related in any way to this indemnification. If CITY chooses at its own election to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification, LESSEE shall pay all reasonable costs related thereto, including without limitation reasonable attorney fees and costs.

26. OTHER GOVERNMENTAL ACTIONS.

By entering into this Lease, neither CITY nor the San Diego City Council is obligating itself to any other governmental agent, board, commission, or agency with regard to any other discretionary action relating to the development, occupancy, use, or maintenance of the Site. Discretionary action includes, but is not limited to any rezoning, variance, environmental clearance, or any other governmental approval that may be required for LESSEE'S Operations. LESSEE shall diligently seek, at its sole cost and expense, all entitlements and actions from both CITY and other governmental agencies with jurisdiction over the Site, as are necessary for LESSEE'S Operations.

27. CITY'S RESERVATION OF RIGHTS.

- 27.1. Resources. CITY reserves all rights, title, and interest in any and all subsurface natural gas, oil, minerals, and water on or within the Site.
- 27.2. Use. CITY reserves the right to grant and use easements or to establish and use rights-of-way over, under, along, and across the Site for utilities, thoroughfares, or access as CITY deems advisable, in its sole discretion, for the public good.
- 27.3. Entry. CITY may enter the Site to develop and/or make repairs to municipal resources and services. CITY shall not unreasonably interfere with LESSEE'S use of the Site and shall reimburse LESSEE for physical damages, if any, to the permanent improvements located on the Site or to LESSEE'S Communications Equipment resulting from CITY exercising the rights reserved in this section. Such reimbursement may include a reduction in the rent proportionate to the amount of physical damage, as reasonably determined by CITY. CITY shall pay the costs of maintenance and repair of all CITY installations made pursuant to these reserved rights.

28. REASSIGNMENT OF SPACE.

At any time during the Term, but only once during the Term, CITY, in its sole discretion, may reassign LESSEE to a different location within the Premises ("Relocation Site").

- 28.1. Timing and Costs. LESSEE shall relocate its Communications Equipment to the Relocation Site either within ninety (90) calendar days after the execution of a written agreement between the Parties concerning the location and dimensions of the Relocation Site, or otherwise as soon as possible after receipt of all necessary permits and approvals required for any CITY construction or redevelopment project which requires such relocation, and receipt of all permits and approvals required for LESSEE'S use of the Relocation Site. LESSEE shall cooperate fully with CITY and its contractors during any reassignment, and shall pay all expenses associated with the reassignment.
- 28.2. Physical Relocation of Equipment. The physical relocation of all or any part of LESSEE'S Communications Equipment shall only be done by LESSEE or LESSEE'S contractors.

- 28.3. Broadcast and/or Receiving Capability. During physical relocation of the Communications Equipment to the Relocation Site, CITY will work with LESSEE to attempt to secure an alternative CITY-approved site for LESSEE to operate temporary installed communications equipment, which may include a CITY-approved temporary wireless communication facility on the Premises and which will be installed and maintained at LESSEE'S sole cost and expense.
- 28.4. No Agreement. If CITY and LESSEE are unable to agree on an acceptable Relocation Site, then LESSEE or CITY may terminate this Lease upon thirty (30) calendar days prior written notice, without further obligation thereto.
- 28.5. Site Redefined. After a reassignment and relocation as provided in this section, the Site shall be redefined to be the Relocation Site. CITY and LESSEE agree that "as built" drawings of the Relocation Site, including any access and utility easements, may be prepared by a licensed architect at LESSEE'S sole cost and expense. In such event, Exhibits A and B of this Lease, as applicable, shall be amended (pursuant to Section 33.11 below) to include a full description of the Relocation Site and the new "as built" drawings. Except as expressly provided in this section, any such reassignment and relocation shall not alter, modify, or otherwise change any of the terms or conditions of this Lease.

29. EMINENT DOMAIN.

If all or part of the Site is taken through condemnation proceedings or under threat of condemnation by any public authority with the power of eminent domain, the interests of CITY and LESSEE (or its beneficiary or mortgagee) shall be as follows:

- 29.1. Full Taking. If the entire Site is taken, this Lease shall terminate on the date of the transfer of title or possession to the condemning authority, whichever first occurs.
- 29.2. Partial Taking - Remainder Unusable. If a partial taking of the Site occurs, and in the opinion of CITY, the remaining part of the Site is unsuitable for the Lease operation, this Lease shall terminate on the date of the transfer of title or possession to the condemning authority, whichever first occurs.
- 29.3. Partial Taking - Remainder Usable. If a partial taking of the Site occurs, and in the opinion of CITY, the remaining part of the Site is suitable for continued Lease operation, this Lease shall terminate in regard to the portion taken on the date of the transfer of title or possession to the condemning authority, whichever first occurs, but shall continue for the portion not taken. The rent shall be equitably reduced to reflect the portion of the Site taken, but only to the extent that LESSEE'S use of the Site is reduced or impaired.
- 29.4. Award. All monies awarded in any taking shall belong to CITY, whether the taking results in diminution in value of the leasehold or the fee, or both. LESSEE shall be entitled to any award attributable to the taking of, or damages to, LESSEE'S then-remaining leasehold interest in installations or improvements of LESSEE. CITY shall have no liability to LESSEE for any award not provided by the condemning authority.

29.5. Transfer. CITY may transfer CITY'S interests in the Site in lieu of condemnation to any authority entitled to exercise the power of eminent domain. If such a transfer occurs, LESSEE shall retain whatever interest LESSEE may have in the fair market value of any improvements placed by LESSEE on the Site in accordance with this Lease.

29.6. No Inverse Condemnation. CITY'S exercise of any right under this Lease shall not be interpreted as an exercise of the power of eminent domain and shall not impose any liability upon CITY for inverse condemnation.

30. DEFAULT AND REMEDIES.

30.1. Default. Each of the following shall constitute an event of default under this Lease:

30.1.1. LESSEE'S failure to make any payment required under this Lease when due, if the failure continues for five (5) calendar days past due following written notice of the failure by CITY;

30.1.2. LESSEE'S breach of any of its obligations under this Lease, other than those requiring payment to CITY, and LESSEE either: (i) fails to cure the breach within thirty (30) calendar days following written notice from CITY; or, (ii) if such breach is not curable within thirty (30) calendar days, fails to commence to cure the breach within thirty (30) calendar days and to diligently pursue the cure to completion;

30.1.3. LESSEE voluntarily files any petition under any bankruptcy or insolvency act or law;

30.1.4. LESSEE has involuntarily filed against it any petition under any bankruptcy or insolvency act or law and the matter is not dismissed by a court of competent jurisdiction within ninety (90) calendar days of filing;

30.1.5. LESSEE is adjudicated a bankrupt;

30.1.6. LESSEE makes a general assignment for the benefit of creditors; and

30.1.7. LESSEE uses the Site for any unauthorized purpose.

30.2. Remedies.

30.2.1. General. Upon LESSEE'S default under this Lease, CITY may pursue any one or more of the remedies listed in this section in addition to any other remedies now or later available to CITY, in law or equity. Such remedies shall be cumulative and not exclusive.

30.2.2. For Monetary Default. Upon LESSEE'S default for nonpayment under Section 30.1.1 of this Lease, CITY may, in its sole discretion, either give LESSEE, or any person claiming rights through LESSEE, a written Five-Day Notice to Pay or Quit, or CITY may terminate this Lease and all rights of LESSEE and of all persons claiming rights through LESSEE to the

Site or to possession of the Site, and CITY may enter and take possession of the Site and may recover the amount set forth below.

- 30.2.3. For Non-Monetary Default. Upon LESSEE'S default based upon Sections 30.1.2 through 30.1.7 of this Lease, CITY may, in its sole discretion, terminate this Lease, and all rights of LESSEE and of all persons claiming rights through LESSEE to the Site or possession of the Site, and CITY may enter and take possession of the Site and may recover from LESSEE the amount set forth below. If any default described in Sections 30.1.2 through 30.1.7 of this Lease is not curable within thirty (30) calendar days after notice to LESSEE, CITY will not terminate this Lease pursuant to the default, if LESSEE immediately commences to cure the default and diligently pursues the cure to completion.
- 30.2.4. CITY'S Recovery Upon Termination. Upon termination of the Lease due to LESSEE'S default, CITY may recover the sum of:
- 30.2.4.1. The worth at the time of award of any unpaid rent that had been due at the time of termination; plus
 - 30.2.4.2. The worth at the time of award of the amount by which (i) the unpaid rent that would have been earned after termination until the time of award minus (ii) the amount of the rent lost, if any, that LESSEE affirmatively proved could have been reasonably avoided; plus
 - 30.2.4.3. The worth at the time of award of the amount by which (i) the unpaid rent for the balance of the Term after the time of the award minus (ii) the amount of rent lost, if any, as LESSEE affirmatively proves could be reasonably avoided; plus
 - 30.2.4.4. Any other amount necessary to compensate CITY for the detriment proximately caused by LESSEE'S failure to perform LESSEE'S obligations or that, in the ordinary course of things, would be likely to result; plus
 - 30.2.4.5. All other amounts in addition to or in lieu of those previously stated as may be permitted by California law.
 - 30.2.4.6. As used in Sections 30.2.4.1 and 30.2.4.2, the "worth at time of award" shall be computed by allowing interest at the rate of ten percent (10%) per annum. As used in Section 30.2.4.3, the "worth at the time of award" shall be computed by discounting that amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus two percent (2%). As used in this section, the term "rent" shall include base rent and any and all other amounts that LESSEE is required to pay to CITY under this Lease.

30.2.4.7. The calculation of any sum under this section shall be based on a 30-day month and a 360-day year.

30.3. Leasehold Pledged as Security. If LESSEE is in default under this Lease and the leasehold is pledged as security for a CITY-authorized encumbrance, CITY shall notify the mortgagee or beneficiary thereof of LESSEE'S default. CITY shall allow such mortgagee or beneficiary thirty (30) calendar days to cure the default or, if the default is not curable within thirty (30) calendar days, to commence to cure the default and diligently pursue the cure to completion. CITY may, in its sole discretion, extend such time to cure the default if CITY deems that the mortgagee or beneficiary is pursuing the cure with reasonable diligence.

30.3.1. If the mortgagee or beneficiary is required to exercise its right to cure a default through litigation or foreclosure, then CITY may take the following actions to expeditiously cure the default:

30.3.1.1. CITY may correct the default and charge the costs incurred to LESSEE'S account, which charge shall be due and payable within thirty (30) days after CITY'S statement of such costs is delivered to LESSEE and mortgagee or beneficiary;

30.3.1.2. CITY may correct the default and may recover the costs incurred from the proceeds of any insurance fund held by CITY, CITY and LESSEE, or by CITY and mortgagee or beneficiary, or CITY may use the funds of any faithful performance or cash bond on deposit with CITY, or CITY may call on the bonding agent to correct the default or to pay the cost of correction performed by or at the direction of CITY; or

30.3.1.3. CITY may terminate this Lease as to the rights of LESSEE by assuming or causing the assumption of liability for any CITY-authorized encumbrance on the leasehold. LESSEE shall assume and pay any and all penalties or bonuses required by the beneficiaries, trustees or mortgagees as a condition of CITY'S early payoff of the related obligations. CITY may, as an alternative, substitute for the terminated LESSEE a new tenant reasonably satisfactory to the mortgagee or beneficiary. Any reasonable costs incurred by CITY in entering into a new lease with the same terms and conditions as this Lease with the new tenant shall be the responsibility of the terminated LESSEE, and LESSEE shall reimburse CITY for all such costs.

30.3.2. If the default is not curable by LESSEE, then any lender holding a beneficial interest in the leasehold, whose qualifications as an assignee are approved by CITY, may substitute itself in the place of LESSEE by assuming all of LESSEE'S rights and obligations under this Lease. If such a lender notifies CITY of its intention to substitute itself in LESSEE'S place, in writing, within thirty (30) calendar days after receipt of CITY'S notice of default, and the default is cured by the lender, then this Lease will

not terminate pursuant to the default. Subject to such a cure and LESSEE'S assignment to the lender of LESSEE'S rights and obligations under this Lease, CITY shall consent to the assignment.

- 30.4. Quitclaim Deed. Upon termination of this Lease for any reason, LESSEE shall execute, acknowledge, and deliver to CITY, within thirty (30) calendar days after written demand, a valid and recordable quitclaim deed relinquishing LESSEE'S interest in the Site. If LESSEE fails or refuses to deliver any such quitclaim deed, CITY may prepare and record a notice reciting LESSEE'S failure to perform such obligation, and such notice shall be conclusive evidence of the termination of this Lease and termination of LESSEE'S rights to the Site.
- 30.5. Abandonment by LESSEE. If LESSEE breaches this Lease and abandons the Site, this Lease shall continue in effect as long as CITY does not terminate this Lease, and CITY may enforce all its rights and remedies under this Lease, including, without limitation, the right to recover the rent as it becomes due, plus damages.
- 30.6. Waiver. CITY'S waiver of a default shall not constitute a waiver of any other default. Any waiver of a default shall be in a writing executed by CITY in order to constitute a valid and binding waiver. CITY'S delay or failure to exercise a remedy or right shall not be a waiver of that or any other remedy or right under this Lease. The use of one remedy or right for any default shall not waive the use of another remedy or right for the same or any other default. CITY'S acceptance of any rent shall not be a waiver of any default preceding the rent payment. The property constituting the Site is CITY-owned and held in trust for the benefit of the citizens of the City of San Diego. CITY'S failure to discover a breach or default or take prompt action to require the cure of any breach or default shall not result in an equitable estoppel, but CITY may, at all times, require the cure of any breach or default regardless of when discovered.

31. OWNERSHIP OF IMPROVEMENTS AND PERSONAL PROPERTY.

Except as otherwise provided in this section, all improvements constructed on the Site by LESSEE or by LESSEE'S contractors and/or subcontractors at any time during the Term, including any tower structure, equipment shelters, conduit, and fence (hereinafter referred to in this section as "LESSEE'S Improvements"), as well as all Communications Equipment, machines, and appliances brought to the Site by LESSEE or LESSEE'S contractors and/or subcontractors at any time during the Term (hereinafter referred to as "LESSEE'S Personal Property") shall be the property of LESSEE during the Term (hereinafter referred to as "LESSEE'S Property").

- 31.1. At the expiration or earlier termination of this Lease, and at CITY'S option, any and all of LESSEE'S Improvements shall be deemed to be part of the Site and shall become CITY'S property free of all liens and claims, except as otherwise provided in this Lease. As applicable, LESSEE shall present CITY with a bill of sale transferring ownership of LESSEE'S Improvements to the CITY; provided however, that such bill of sale shall transfer ownership to CITY without any representation or warranty from LESSEE regarding the condition of LESSEE'S Improvements or their fitness for any particular purpose.

- 31.1.1. If CITY elects not to assume ownership of any of LESSEE'S Improvements, CITY shall notify LESSEE at least one hundred eighty (180) calendar days prior to the expiration of this Lease, or immediately upon earlier termination of this Lease, and LESSEE shall remove all such LESSEE'S Improvements as directed by CITY, all at LESSEE'S sole cost and expense. If LESSEE fails to remove any of LESSEE'S Improvements as directed, CITY may cause their removal, and LESSEE shall reimburse CITY on demand for the full cost thereof.
- 31.2. On or before the expiration of this Lease, or as CITY may direct upon earlier termination of this Lease, LESSEE shall remove from the Site LESSEE'S Personal Property. If LESSEE fails to remove any of LESSEE'S Personal Property as required herein, then either: (i) such property shall be considered abandoned and become CITY'S property free of all claims and liens; or (ii) CITY may cause such property's removal, and LESSEE shall reimburse CITY on demand for the full cost of the removal, storage and all other costs reasonably associated therewith.
- 31.2.1. If LESSEE desires to dispose of any of LESSEE'S Personal Property used in the operation of its wireless communication facilities on the Site, CITY shall have the first right to acquire or purchase such property.
- 31.3. LESSEE shall repair, at its sole cost and expense, all damage to the Premises or Site resulting from the removal of LESSEE'S Property from the Premises by LESSEE or LESSEE's contractors and/or subcontractors.
- 31.3.1. If the removal of LESSEE'S Property by LESSEE or LESSEE'S contractors and/or subcontractors or by CITY takes place after expiration of this Lease, or beyond CITY'S direction upon earlier termination of this Lease, LESSEE shall pay rent to CITY at the rate in effect immediately prior to the expiration or earlier termination of this Lease, until all of LESSEE'S Property has been removed from the Site.

- 33.2. Entire Understanding. This Lease contains the entire understanding of the Parties. CITY and LESSEE agree that there is no other written or oral understanding between them with respect to LESSEE'S Operations. Each party has relied on its own examination of the Site, advice from its own attorneys, and the warranties, representations, and covenants of the Lease itself. Each party to this Lease agrees that no other party, agent, or attorney of any other party has made any promise, representation, or warranty whatsoever which is not contained in this Lease. The failure or refusal of any party to read this Lease or other documents, inspect the Site, and obtain legal or other advice relevant to this transaction constitutes a waiver of any objection, contention, or claim that might have been based on such actions.
- 33.3. Supersedure. As of the Effective Date, this Lease shall supersede and annul all prior leases, right-of-entry permits, or other agreements concerning LESSEE'S Operations, by and between CITY and LESSEE, and each such agreement shall be void and of no effect, except as to any rentals and fees that may have accrued or any rights and remedies accrued or granted to CITY under those agreements.

Interference Protection Requirements

- a. Interference. Prior to the Effective Date or at any time during the Term of this Lease, LESSEE may be required to provide an intermodulation report ("Report") to CITY. This Report shall include the calculation parameters used to compile the Report, all intermodulation "hits," a brief description of the results of the intermodulation calculations; a list of possible interference situations that may result from the proposed Communications Equipment; transmission frequencies that are currently being operated at the Site, and similar or other relevant data from other permittees/lessees/users operating on-site. The information required to compile the Report, including intermodulation parameters and currently known transmission frequencies at the Site may be obtained from CITY'S General Services Department, Communications Division. CITY is not responsible for any omitted data provided for the purpose of creating the Report. The Report shall be provided to CITY'S General Services Department, Communications Division ("GSDCD"), Attention: Senior Communications Engineer.
- b. City of San Diego Land Radio/Electronic Use "ON THE AIR" Test Instructions and Procedures. For the purpose of confirming interference situations calculated by the Report and for the discovery of any other actual interference situations, on-premises, pre-installation or pre-use tests may be required. The tests will determine whether or not radio frequency interference or degraded performance will result to any existing authorized radio/electronic type uses at the Site.

Pre-installation or pre-use Testing

- (1) LESSEE shall notify all permittees/lessees/users at the Site of the tests and details of the tests, at least fourteen (14) calendar days in advance of the test. A listing of all permittees/lessees/users operating at the Site may be obtained from CITY and used to compile a notification list.
 - (a) The notification shall be in the form of a letter to each listed permittee/lessee/user giving a technical data summary of the test and shall specify the date and hour the test will start. The letter of notification shall request the permittees/lessees/users to have a qualified representative present for the test to observe for possible interference problems and with authority to sign an interference or noninterference certification on behalf of the permittee/lessee/user. Technical Data Summary and Test Results Certification sheets are included below.
 - (b) A copy of these instructions, "City of San Diego Radio/Electronic Land Use On-The-Air Test Instructions and Procedures" shall be attached to each notification and it shall be noted in the notification letter.
 - (c) Notification to permittees/lessees/users shall be sent via U.S. Mail, pre-paid First-Class postage, certified return receipt requested or hand delivered.

- (d) The notification letter to the GSDCD Senior Communications Engineer shall include a list of all permittees/lessees/users notified.
- (2) Following the completion of the tests, LESSEE shall provide a letter to the GSDCD Senior Communications Engineer stating the test results obtained from each permittee/lessee/user participating in the test and a list of those permittees/lessees/users who did not respond.
- (3) If a notified permittee/lessee/user fails to send a qualified representative to observe and participate in the tests, it will be assumed by CITY that the permittee/lessee/user has assured itself that their operations will not be affected.
- (4) It shall be the responsibility of LESSEE to make complete arrangements and conduct all tests in accordance with applicable Federal/FCC Rules and Regulations.

c. On-The-Air Tests - Technical Details

Pre-installation or pre-use on-the-air tests shall be conducted by the LESSEE under the following technical conditions:

- (1) The LESSEE'S transmitting and/or receiving equipment shall be of the type planned for final use at the Site.
 - (a) The transmitted RF power shall be the maximum to be used and authorized at the Site.
 - (b) On-the-air transmitter tests shall include the use of full allowable modulation.
 - (c) Antenna height(s), location(s) and type(s) shall be the same or comparable to the final installation plan.
- (2) Tests shall include on-the-air operation of all participating transmitter(s) and receiver(s) in all possible combinations with the LESSEE'S electronic equipment.
- (3) All tests shall include testing with all frequencies planned for use by the LESSEE at the Site.

d. Radio Frequency Interference to City Radio Equipment

The radio equipment use proposed by LESSEE shall not directly or indirectly result in degraded technical performance of the CITY'S existing radio equipment installed at the Site or used in the general area. Resulting degraded technical performance in this instance will include, but is not limited to:

- (1) Detectable or measurable received intermodulation;

- (2) Audio distortion or noise; and

e. Modifications to Equipment

LESSEE shall notify CITY prior to modifications to transmitting equipment that will change effective radiated power, transmitter frequency, transmitter modulation, or transmitter spurious and harmonic emissions. These modifications may require retest using this "ON THE AIR" testing procedure and the newly proposed equipment.

f. Resulting Interference

Should an interference problem occur at the Site or in the nearby surrounding area as a result of LESSEE'S newly installed, retuned, or modified Communications Equipment, LESSEE shall initiate mutually agreeable actions among the affected parties to mitigate or resolve the interference problem. CITY may recognize the right of prior authorized permittees/lessees/users and withhold consent or disallow use of a new, retuned, or modified installation pending settlement of the interference problems between LESSEE and other authorized users. PROJECT DESCRIPTION: Conditional Use Permit (CUP) and Planned Development Permit (PDP) to allow for a Wireless Communication Facility (WCF) consisting of antennas located on two park stadium light standards with an above-ground 355 square foot equipment enclosure.

ENTITY CONSIDERING PROJECT APPROVAL: City of San Diego Planning Commission

ENVIRONMENTAL DETERMINATION: Categorically exempt from CEQA pursuant to CEQA State Guidelines Section 15301 (Existing Facilities) and Section 15303 (New Construction or Conversion of Small Structures)

ENTITY MAKING ENVIRONMENTAL DETERMINATION: City of San Diego

STATEMENT SUPPORTING REASON FOR ENVIRONMENTAL DETERMINATION: The proposed project is exempt from CEQA pursuant to Section 15301 which allows for the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures involving negligible or no expansion of use. PROJECT NO. 266550
PLANNING COMMISSION

This **CONDITIONAL USE PERMIT (CUP) NO. 937861** and **PLANNED DEVELOPMENT PERMIT (PDP) NO. 992269** are granted by the **Planning Commission** of the City of San Diego to THE CITY OF SAN DIEGO, Owner, and VERIZON WIRELESS, Permittee, pursuant to San Diego Municipal Code [SDMC] sections 126.0301, 126.0601, and 141.0420. The site is located at 8285 Skyline Drive, in the OP-1-1 zone of the Skyline-Paradise Hills community plan area. The project site is legally described as that portion of Quarter Section 26 of Rancho de la Nacion, in the City of San Diego, County of San Diego, State of California, according to Map Thereof No. 166, filed in the Office of the County Recorder of San Diego County, May 11, 1869.

Subject to the terms and conditions set forth in this Permit, permission is granted to Owner/Permittee to construct, operate, and maintain a Wireless Communication Facility (WCF), described and identified by size, dimension, quantity, type, and location on the approved exhibits [Exhibit "A"] dated July 12, 2012, on file in the Development Services Department.

The project shall include:

- a. Two 65-foot high stadium light standards, supporting twelve (12) panel antennas, and a 355 square foot above-ground equipment enclosure;
- b. The above-ground equipment enclosure, located within the Skyline Hills Community Park, deviates from Land Development Code (LDC) Section 141.0420(i)(1)(B), which requires enclosures to be located underground within parks and the enclosure, at 355 square feet, deviates from the 250 square foot maximum permitted by LDC Section 141.0420(g)(3); these deviations are permitted with the processing of this PDP;
- c. Landscaping (planting, irrigation and landscape related improvements);

- d. Accessory improvements determined by the Development Services Department to be consistent with the land use and development standards in effect for this site per the adopted community plan, California Environmental Quality Act Guidelines, public and private improvement requirements of the City Engineer, the underlying zone(s), conditions of this Permit, and any other applicable regulations of the SDMC in effect for this site.

STANDARD REQUIREMENTS:

1. This permit must be utilized within thirty-six (36) months after the date on which all rights of appeal have expired. Failure to utilize and maintain utilization of this permit as described in the SDMC will automatically void the permit unless an Extension of Time has been granted. Any such Extension of Time must meet all SDMC requirements and applicable guidelines in effect at the time the extension is considered by the appropriate decision maker. This permit must be utilized by July 26, 2015.
2. No permit for the construction, occupancy or operation of any facility or improvement described herein shall be granted, nor shall any activity authorized by this Permit be conducted on the premises until:
 - a. The Owner and Permittee signs and returns the Permit to the Development Services Department; and
 - b. The Permit is recorded in the Office of the San Diego County Recorder.
3. Unless this Permit has been revoked by the City of San Diego the property included by reference within this Permit shall be used only for the purposes and under the terms and conditions set forth in this Permit unless otherwise authorized by the Development Services Department.
4. This Conditional Use Permit (CUP) and Planned Development Permit (PDP) and corresponding use of this site shall expire on July 12, 2022. Upon expiration of this Permit, the facilities and improvements described herein shall be removed from this site and the property shall be restored to its original condition preceding approval of this Permit.
5. No later than ninety (90) days prior to the expiration of this permit, the Permittee may submit a new application to the City Manager for consideration with review and a decision by the appropriate decision maker at that time. Failure to submit prior to the deadline will be cause for enforcement for noncompliance, which may include penalties and fines.
6. Under no circumstances, does approval of this permit authorize the Permittee to utilize this site for wireless communication purposes beyond the permit expiration date. Use of this permit beyond the expiration date of this permit is prohibited.
7. This Permit is a covenant running with the subject property and shall be binding upon the Permittee and any successor or successors, and the interests of any successor shall be subject to each and every condition set out in this Permit and all referenced documents.

8. The continued use of this Permit shall be subject to the regulations of this and any other applicable governmental agency.

9. Issuance of this Permit by the City of San Diego does not authorize the Permittee for this permit to violate any Federal, State or City laws, ordinances, regulations or policies including, but not limited to, the Endangered Species Act of 1973 [ESA] and any amendments thereto (16 U.S.C. § 1531 et seq.).

11. Construction plans shall be in substantial conformity to Exhibit "A." No changes, modifications or alterations shall be made unless appropriate application(s) or amendment(s) to this Permit have been granted.

12. All of the conditions contained in this Permit have been considered and have been determined to be necessary in order to make the findings required for this Permit. It is the intent of the City that the holder of this Permit be required to comply with each and every condition in order to be afforded the special rights which the holder of the Permit is entitled as a result of obtaining this Permit.

In the event that any condition of this Permit, on a legal challenge by the Permittee of this Permit, is found or held by a court of competent jurisdiction to be invalid, unenforceable, or unreasonable, this Permit shall be void. However, in such an event, the Permittee shall have the right, by paying applicable processing fees, to bring a request for a new permit without the "invalid" condition(s) back to the discretionary body which approved the Permit for a determination by that body as to whether all of the findings necessary for the issuance of the proposed permit can still be made in the absence of the "invalid" condition(s). Such hearing shall be a hearing de novo and the discretionary body shall have the absolute right to approve, disapprove, or modify the proposed permit and the condition(s) contained therein.

13. The applicant shall defend, indemnify, and hold harmless the City, its agents, officers, and employees from any and all claims, actions, proceedings, damages, judgments, or costs, including attorney's fees, against the City or its agents, officers, or employees, relating to the issuance of this permit including, but not limited to, any action to attack, set aside, void, challenge, or annul this development approval and any environmental document or decision. The City will promptly notify applicant of any claim, action, or proceeding and, if the City should fail to cooperate fully in the defense, the applicant shall not thereafter be responsible to defend, indemnify, and hold harmless the City or its agents, officers, and employees. The City may elect to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification. In the event of such election, applicant shall pay all of the costs related thereto, including without limitation reasonable attorney's fees and costs. In the event of a disagreement between the City and applicant regarding litigation issues, the City shall have the authority to control the litigation and make litigation related decisions, including, but not limited to, settlement or other disposition of the

matter. However, the applicant shall not be required to pay or perform any settlement unless such settlement is approved by applicant.

PLANNING COMMISSION
RESOLUTION NO. PC-4816
CONDITIONAL USE PERMIT NO. 937861
PLANNED DEVELOPMENT PERMIT NO. 992269
VERIZON – SKYLINE HILLS
PROJECT NUMBER 266550

WHEREAS, THE CITY OF SAN DIEGO, Owner, and VERIZON WIRELESS, Permittee, filed an application with the City of San Diego for a permit to construct, operate, and maintain a Wireless Communication Facility (WCF) (as described in and by reference to the approved Exhibits "A" and corresponding conditions of approval for the associated Permit Nos. 937861 and 992269);

WHEREAS, the project site is located at 8285 Skyline Drive, in the OP-1-1 zone of the Skyline-Paradise Hills community plan area;

WHEREAS, the project site is legally described as that portion of Quarter Section 26 of Rancho de la Nacion, in the City of San Diego, County of San Diego, State of California, according to Map Thereof No. 166, filed in the Office of the County Recorder of San Diego County, May 11, 1869;

WHEREAS, on May 7, 2012, the City of San Diego, as Lead Agency, through the Development Services Department, made and issued an Environmental Determination that the project is exempt from the California Environmental Quality Act (CEQA) (Public Resources Code section 21000 et. seq.) under CEQA Guideline Sections 15301 (Existing Facilities) and 15303 (New Construction or Conversion of Small Structures) and there was no appeal of the Environmental Determination filed within the time period provided by San Diego Municipal Code Section 112.0520;

WHEREAS, on July 12, 2012, the Planning Commission of the City of San Diego considered Conditional Use Permit No. 937861 and Planned Development Permit No. 992269 pursuant to the Land Development Code of the City of San Diego;

NOW, THEREFORE, BE IT RESOLVED by the Planning Commission of the City of San Diego as follows:

That the Planning Commission adopts the following written Findings, dated July 12, 2012:

FINDINGS:

Conditional Use Permit - Section 126.0305

- 1. The proposed development will not adversely affect the applicable land use plan;**

The City's General Plan (UD-15) requires that the visual impact of wireless facilities be minimized by concealing wireless facilities in existing structures or using screening techniques to hide or blend them into the surrounding area. The plan also calls for these facilities to be designed to be aesthetically pleasing and respectful of the neighborhood context. Furthermore, the plan states that equipment associated with wireless facilities be concealed from view. In this case, the project consists of two 65-foot high light standards, that primarily serve to illuminate the multi-purpose sports field in Skyline Hills Community Park. Twelve (12) panel antennas are

proposed to be attached to the light standards along with an above-ground equipment enclosure. The antennas will be mounted to the light standard with cabling routed internally in the pole and underground to the equipment enclosure. The equipment enclosure will be located near a park edge in an area determined to be compatible with the park design, in consultation with the Park & Recreation Department. The design of the enclosure was reviewed and accepted by the Park & Recreation Department as consistent with Charter Section 55 and is compatible with other park buildings. Existing trees within the park are to be protected during the construction of this facility. Based on the design of this project, the WCF will not adversely affect the applicable land use plans.

2. The proposed development will not be detrimental to the public health, safety, and welfare; and

The Telecommunication Act of 1996 preempts local governments from regulating the “placement, construction and modification of wireless communication facilities on the basis of the environmental effects of Radio Frequency (RF) emissions to the extent that such facilities comply with the Federal Communication Commission’s (FCC) standards for such emissions.” The proposed project would be consistent with the FCC’s regulations for wireless facilities. To insure that the FCC standards are being met, a condition has been added to the permit to require that Verizon Wireless perform a cumulative model RF test and submit the finding in a report to the City of San Diego prior to the issuance of a building permit. (Note: This condition is in addition to LDC section 141.0420(b)(1)(A), which requires compliance with federal and state standards and regulations with regards to WCF’s.) Therefore, based on the above, the project would not result in any significant health or safety risks to the surrounding area within the jurisdiction of the City.

3. The proposed development will comply with the regulations of the Land Development Code, including any allowable deviations pursuant to the Land Development Code.

This project complies with the regulations of the Land Development Code, specifically the WCF Regulations, LDC 141.0420. WCF’s are permitted in dedicated parkland and in an Open Space zone, with a CUP. Two deviations are requested to the WCF Regulations: 1) The equipment area, at 355 square feet, exceeds the 250 square foot maximum permitted by LDC Section 141.0420(g)(3); and 2) The WCF Park Site Installation regulations require that equipment in parks be located underground, but include an allowance for equipment to be located above-ground when not in conflict with Charter Section 55. See PDP Finding no. 3 which details the findings related to these two deviations. The WCF Design Requirements state that WCF’s shall utilize the smallest, least visually intrusive antennas, components, and other necessary equipment. Furthermore, the applicant shall use all reasonable means to conceal or minimize the visual impacts of the WCF’s through integration. Integration with existing structures or among other existing uses shall be accomplished through the use of architecture, landscape, and siting solutions. In this case, the panel antennas are proposed to be located on two new 65-foot high stadium light standards. Equipment associated with the antennas will be located within an above-ground equipment enclosure in the park. Light standards are a typical element found in a park around a multi-purpose field and will act to integrate the WCF with the surrounding park use and neighborhood. Existing mature trees will act to integrate the facility with the park. Based on the design of the facility, the project complies with the applicable regulations of the Land Development Code, including the allowed deviations being processed with the PDP.

4. The proposed use is appropriate at the proposed location.

WCF's are permitted in dedicated parks and in Open Space zones with the processing of a Conditional Use Permit. Additionally, Council Policy 600-43 encourages that carriers locate WCF in non-residential areas. In this case, Verizon needs to provide coverage in this area, which is surrounded by residential uses. The park space – a non-residential use – is a more preferable area to locate this facility than in the surrounding residentially zoned areas with residential uses. The WCF is permitted by the Land Development Code and is appropriate at the proposed location.

Planned Development Permit - Section 126.0604

1. The proposed development will not adversely affect the applicable land use plan;

The City's General Plan (UD-15) requires that the visual impact of wireless facilities be minimized by concealing wireless facilities in existing structures or using screening techniques to hide or blend them into the surrounding area. The plan also calls for these facilities to be designed to be aesthetically pleasing and respectful of the neighborhood context. Furthermore, the plan states that equipment associated with wireless facilities be concealed from view. In this case, the project consists of two 65-foot high light standards, that primarily serve to illuminate the multi-purpose sports field in Skyline Hills Community Park. Twelve (12) panel antennas are proposed to be attached to the light standards along with an above-ground equipment enclosure. The antennas will be mounted to the light standard with cabling routed internally in the pole and underground to the equipment enclosure. The equipment enclosure will be located near a park edge in an area determined to be compatible with the park design, in consultation with the Park & Recreation Department. The design of the enclosure was reviewed and accepted by the Park & Recreation Department as consistent with Charter Section 55 and is compatible with other park buildings. Existing trees within the park are to be protected during the construction of this facility. Based on the design of this project, the WCF will not adversely affect the applicable land use plans.

2. The proposed development will not be detrimental to the public health, safety, and welfare;

The Telecommunication Act of 1996 preempts local governments from regulating the "placement, construction and modification of wireless communication facilities on the basis of the environmental effects of Radio Frequency (RF) emissions to the extent that such facilities comply with the Federal Communication Commission's (FCC) standards for such emissions." The proposed project would be consistent with the FCC's regulations for wireless facilities. To insure that the FCC standards are being met, a condition has been added to the permit to require that Verizon Wireless perform a cumulative model RF test and submit the finding in a report to the City of San Diego prior to the issuance of a building permit. (Note: This condition is in addition to LDC section 141.0420(b)(1)(A), which requires compliance with federal and state standards and regulations with regards to WCF's.) Therefore, based on the above, the project would not result in any significant health or safety risks to the surrounding area within the jurisdiction of the City.

3. **The proposed development will comply with the regulations of the Land Development Code including any proposed deviations pursuant to Section 126.0602(b)(1) that are appropriate for this location and will result in a more desirable project than would be achieved if designed in strict conformance with the development regulations of the applicable zone; and any allowable deviations that are otherwise authorized pursuant to the Land Development Code.**

This project complies with the regulations of the Land Development Code and requests two deviations:

- 1) The equipment area is located above-ground, where LDC Section 141.0420(i)(1)(B) requires that equipment enclosures be placed underground. While LDC Section 141.0420(i)(1)(B) states that, "equipment enclosures shall be placed underground" in parks, LDC Section 141.0420(i)(1)(C) allows for above-ground equipment in dedicated parkland where the WCF use would not violate City Charter Section 55. In this case, the above-ground equipment would not remove "usable park space." The current use of the area proposed for the WCF installation consists of ornamental planting at an edge of the park. The WCF will not interfere with the intended use or preclude park uses from occurring in this area.
- 2) The equipment enclosure, at 355 square feet, deviates from the 250 square foot maximum permitted by LDC Section 141.0420(g)(3).

The deviations requested are appropriate for this location and results in a more desirable project than would be achieved if the project was designed in strict conformance with the WCF Design Requirements. An underground equipment enclosure would require significant disturbance to the park during the construction of the facility, could potentially disrupt existing mature trees, and would still have certain above-ground structures such as air vents. The design of the equipment enclosure is compatible with the existing park design and will match elements of other existing park buildings. The enclosure, at 355 square feet, allows Verizon to meet its coverage and capacity objectives with this WCF. An equipment enclosure with a lower square footage could require additional WCF in the area to meet an equivalent level of coverage and capacity.

Based on these considerations, the requested deviations are appropriate for this location and based on the design of the project, results in a more desirable project than would be achieved if the project was designed in strict conformance with the LDC.

BE IT FURTHER RESOLVED that, based on the findings hereinbefore adopted by the Planning Commission, CONDITIONAL USE PERMIT NO. 937861 and PLANNED DEVELOPMENT PERMIT NO. 992269 are hereby GRANTED by the Planning Commission to the referenced Owner/Permittee, in the form, exhibits, terms and conditions as set forth in Permit Nos. 937861 and 992269, a copy of which is attached hereto and made a part hereof.
