4. Governmental Approvals. By entering into this Permit, neither CITY nor CITY's City Council is obligating itself to PERMITTEE or to any governmental agent, board, commission or agency with regard to any other discretionary action relating to PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area. 6. Revocable License. This Permit is not a lease. It is a license to use CITY property, and

may be revoked at will by CITY, in its sole discretion: (a) if for PERMITTEE's breach or default of any of PERMITTEE's obligations under this Permit or in case of an emergency, immediately upon written notice delivered to PERMITTEE; and (b) if for CITY's convenience, upon thirty (30) days prior written notice delivered to PERMITTEE. CITY shall not be obligated for any burden or loss, financial or otherwise, which may be incurred by PERMITTEE as a result of such revocation or the termination of this Permit.

- 6.1 PERMITTEE's Waiver. PERMITTEE expressly waives any claim against CITY and its elected officials, officers, employees, representatives and agents for any burden, expense or loss which PERMITTEE incurs as a result of CITY's revocation or termination of this Permit.
7. Holdover. If PERMITTEE continues to occupy the Permit Area after the expiration or earlier termination of this Permit, such occupancy shall neither constitute a renewal or extension of this Permit, nor give PERMITTEE any rights in or to the Permit Area. Subject to the Late Removal provisions of this Permit, if PERMITTEE continues to occupy the Permit Area after the expiration or earlier termination of this Permit, CITY may demand and receive from PERMITTEE rent for the Permit Area calculated on a per diem basis using up to two (2) times the fair market rental rate to be determined as of the date of the expiration or termination of this Permit by an appraisal prepared by a qualified appraiser selected by CITY in its sole discretion. CITY's acceptance of such rent shall neither constitute a renewal or extension of the license, nor give PERMITTEE any rights in or to the Permit Area.
8. Termination. PERMITTEE or CITY may terminate this Permit for any reason upon thirty (30) days prior written notice delivered to either party.
9. Restoration of Permit Area. Except as otherwise provided in this Permit, prior to the expiration of this Permit or within thirty (30) days after termination of this Permit, PERMITTEE shall begin its efforts to restore the Permit Area to its condition on the Effective Date, normal wear and tear excepted. Restoration period not to exceed 45 days.
10. Superior Interests. This Permit is subject to all liens, encumbrances, covenants, conditions, restrictions, reservations, contracts, permits and licenses, easements and rights-of-way pertaining to the Permit Area, whether or not of record. PERMITTEE shall obtain all licenses, permits and agreements from such third parties as may be or become necessary or reasonably advisable to allow its use of the Permit Area, relative to any such superior interest. If PERMITTEE's use of the Permit Area is or becomes inconsistent or incompatible with a preexisting, superior interest, PERMITTEE shall take such actions and pay all costs and expenses necessary to remove such inconsistency or incompatibility to the satisfaction of the holder of the superior interest.
11. Permit Fee. PERMITTEE shall pay the Permit Fee in advance on the first day of the Term.
12. Invoicing Courtesy. CITY may invoice PERMITTEE for amounts payable under this Permit. However, any such invoicing shall be deemed a courtesy only; PERMITTEE shall

make all payments under this Permit on or before each applicable due date, regardless of being invoiced. No grace period shall apply to any amount payable under this Permit.

13. Place of Payment. All payments to be paid by PERMITTEE under this Permit shall be made payable to "City Treasurer" and be mailed to:

San Diego City Treasurer
P.O. Box 129030
San Diego, California 92112-9030

or hand delivered to:

The Office of the City Treasurer
Civic Center Plaza
1200 Third Avenue, First Floor
San Diego, California 92101

CITY may change the place of payment at any time upon thirty (30) days written notice to PERMITTEE. Mailed payments shall be deemed paid upon the date the payment is postmarked by the postal authorities. If postmarks are illegible, the payment shall be deemed received only upon actual receipt.

14. Default and Delinquent Payments. If PERMITTEE fails to make any payment under this Permit when due, PERMITTEE shall pay to CITY, in addition to the unpaid amount, five percent (5%) of the unpaid amount, which shall be additional rent. If any amount of such payment remains unpaid after fifteen (15) days past due, PERMITTEE shall pay to CITY an additional five percent (5%) of the unpaid amount [being a total of ten percent (10%)], which shall be additional rent. Notwithstanding the foregoing, in no event shall the charge for late payment of rent be less than Twenty-Five Dollars (\$25). After thirty (30) days past due, unpaid amounts due CITY under this Permit may be referred to the San Diego City Treasurer for collection, and shall be subject to San Diego Municipal Code section 22.1707, as may be amended from time to time. PERMITTEE shall pay to CITY any collection-referral fee and all other fees and charges plus interest as may then be charged by the San Diego City Treasurer under authority of the San Diego Municipal Code. Acceptance of late charges and any portion of the late payment by CITY shall neither constitute a waiver of PERMITTEE's breach or default with respect to the late payment nor prevent CITY from exercising any other rights and remedies available at law or in equity. As required by law, PERMITTEE is hereby notified that a negative credit report may be submitted to a credit reporting agency if amounts due CITY are not paid when due.

- 14.1 General. Upon PERMITTEE'S default under this Permit, CITY may pursue any one or more of the remedies listed in this section in addition to any other remedies now or later available to CITY, in law or equity. Such remedies shall be cumulative and not exclusive.

15. Maintenance of the Permit Area. PERMITTEE shall, at PERMITTEE's sole cost and expense, maintain the Permit Area and all improvements, fixtures, structures or installations thereon in a decent, safe, healthy and sanitary condition reasonably satisfactory to CITY. PERMITTEE shall keep the Permit Area free and clear of rubbish, debris, litter, weeds and brush to CITY's reasonable satisfaction. CITY shall have no obligation or responsibility to remove debris, or to construct, maintain, repair or replace improvements, fixtures, structures or installations on the Permit Area.
16. Entry and Inspection. CITY may at all times enter and inspect the Permit Area.
17. Utilities. PERMITTEE shall not install utilities in the Permit Area.
18. Improvements/Alterations. PERMITTEE shall not construct any improvements, structures or installations on the Permit Area, and shall not alter the Permit Area without the express written consent of CITY. Except as required by law, CITY shall not be obligated to make any repair or assume any expense for any improvements or alterations to the Permit Area.
19. Improvements and Personal Property.
 - 19.1 Improvements. Upon expiration or termination of this Permit, PERMITTEE shall remove any and all improvements, fixtures, structures and installations or additions to the Permit Area that were constructed or installed on the Permit Area by PERMITTEE ("PERMITTEE Improvements"). PERMITTEE shall, at PERMITTEE's sole cost and expense, remove PERMITTEE Improvements as soon as practicable, but in no event later than sixty (60) days after the expiration or earlier termination of this Permit. PERMITTEE, at its sole cost and expense, shall be responsible for the repair of any and all damage resulting from the removal of PERMITTEE Improvements as required by this Permit. If PERMITTEE fails to remove PERMITTEE Improvements as required, CITY may, at its option, remove them at PERMITTEE's sole cost and expense. Notwithstanding the foregoing, CITY may, upon notice to PERMITTEE at termination or at any time prior to the expiration of the Term, elect to assume ownership of all or any PERMITTEE Improvements as of the expiration or earlier termination of this Permit, at no cost to CITY. If CITY elects to assume ownership of all or any PERMITTEE Improvements, PERMITTEE shall honor such assumption and execute and deliver all necessary and appropriate documents, materials and other items reasonably needed to effect such transfer of ownership to CITY.
 - 19.2 Personal Property. PERMITTEE shall remove from the Permit Area all PERMITTEE-owned machines, appliances, equipment, trade fixtures and other items of personal property upon the expiration of the Term, or as soon as practicable after termination, but in no event later than thirty (30) days after the expiration or earlier termination of this Permit. Any such items which PERMITTEE fails to so remove shall be deemed abandoned and become CITY's property free of all claims and liens, or CITY may, at its option, remove such items at PERMITTEE's sole cost and expense. PERMITTEE, at its sole cost and

expense, shall be responsible for the repair of any and all damage resulting from the removal of its personal property from the Permit Area.

Post-Permit License. CITY grants permission to PERMITTEE to enter upon and occupy the Permit Area, under the same terms and conditions of this Permit, after the expiration or earlier termination of this Permit solely for the purpose of removing PERMITTEE Improvements and PERMITTEE's personal property as provided by this Permit. This provision shall survive the expiration or earlier termination of this Permit.

- 19.3 Late Removal. Notwithstanding any provision of this Permit to the contrary, PERMITTEE shall pay rent to CITY for any period of time after the expiration or termination of this Permit needed to remove PERMITTEE Improvements or personal property as required by this Permit, whether by CITY or PERMITTEE. Such rent shall be calculated on a per diem basis using the rental rate in effect just prior to the expiration or termination of this Permit.
- 19.4 CITY's Right to Acquire Personal Property. If PERMITTEE wants to dispose of any of its personal property used in its operations on the Permit Area upon expiration or termination of this Permit, CITY shall have the first right to acquire such personal property.
20. Insurance. PERMITTEE shall not begin operating under this Lease until it has: (a) obtained, and upon CITY's request provided to CITY, insurance certificates reflecting evidence of all insurance required in below; however, CITY reserves the right to request, and PERMITTEE shall submit, copies of any policy upon reasonable request by CITY; (b) obtained CITY approval of each company or companies; and (c) confirmed that all policies contain the specific provisions required below. PERMITTEE's liabilities, including but not limited to PERMITTEE's indemnity obligations, under this Lease, shall not be deemed limited in any way to the insurance coverage required herein. Except as provided for under California law, all policies of insurance required hereunder must provide that CITY is entitled to thirty (30) days prior written notice (10 days for cancellation due to non-payment of premium) of cancellation or non-renewal of the policy or policies. Maintenance of specified insurance coverage is a material element of this Lease and PERMITTEE's failure to maintain or renew coverage or to provide evidence of renewal during the term of this Lease may be treated as a material breach of contract by CITY.
- Further, PERMITTEE shall not modify any policy or endorsement thereto which increases CITY's exposure to loss for the duration of this Lease.
- 20.1 Insurance. Permittee certifies that it is self-insured against public liability and property damage claims for at least two million dollars (\$2,000,000) combined single limit liability per occurrence. Permittee shall provide to CITY a letter of self-insurance as evidence of such coverage in lieu of certificates of insurance.
21. Indemnification & Hold Harmless. PERMITTEE shall protect, defend, indemnify and hold

CITY and its elected officials, officers, employees, representatives and agents harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to PERMITTEE's officers, employees, invitees, guests, agents or contractors, which arise out of or are in any manner directly or indirectly connected with this Permit, approval of this Permit, PERMITTEE's acts or omissions in the performance of its rights and obligations under this Permit, or PERMITTEE's occupancy, use, development, maintenance, or restoration of the Permit Area, and all expenses of investigating and defending against same, including without limitation attorney fees and costs; provided, however, that PERMITTEE's duty to indemnify and hold CITY harmless shall not include any established liability arising from the sole negligence or intentional misconduct of CITY or its elected officials, officers, employees, representatives and agents. CITY may, at its election, conduct the defense or participate in the defense of any claim related in any way to this indemnification. If CITY chooses at its own election to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification, PERMITTEE shall pay all of the costs related thereto, including without limitation reasonable attorney fees and costs.

22. Revocable Permit: This Permit is not a lease. It is a license to use CITY property, and may be revoked at will by CITY, in its sole discretion: (a) immediately upon written notice delivered to PERMITTEE if PERMITTEE breaches or defaults any of PERMITTEE's obligations under this Permit, or in case of an emergency; or (b) upon reasonable prior written notice, but not less than thirty (30) days, delivered to PERMITTEE if for CITY's convenience. CITY shall not be obligated for any burden or loss, financial or otherwise, which may be incurred by PERMITTEE as a result of such revocation or the termination of this Permit.
23. Compliance with Laws. PERMITTEE shall at all times in its use, occupancy, maintenance, and restoration of the Permit Area comply with all applicable laws, rules, regulations and directives of competent governmental authorities, and at PERMITTEE's sole cost and expense. At least annually, or upon City's request, PERMITTEE shall deliver to CITY copies of all documentary evidence of such compliance received by or otherwise available to PERMITTEE (e.g., validation of periodic inspections, if applicable).
24. Permits & Approvals. PERMITTEE, at PERMITTEE's sole cost and expense, shall obtain all required permits and approvals from the applicable local, state and federal authorities, including without limitation from CITY.
25. California Public Records Act. CITY shall determine, in its sole discretion, whether this Permit or information provided to CITY by PERMITTEE pursuant to this Permit is or is not a public record subject to disclosure under the California Public Records Act ("CPRA"). PERMITTEE shall hold CITY, its elected officials, officers and employees harmless for CITY's disclosure of any such information in response to a request for information under the CPRA. Upon CITY's request, PERMITTEE shall provide CITY with specific and detailed legal grounds, including any applicable case law, upon which CITY may rely, in CITY's sole discretion, for withholding any information requested pursuant to the CPRA. If CITY withholds disclosure of information in reliance on such legal analysis provided by PERMITTEE, PERMITTEE shall protect, defend, indemnify and hold CITY and its elected

officials, officers, employees, representatives and agents harmless for and from legal actions or challenges seeking to obtain the information from CITY and all costs incurred by CITY associated therewith, and shall defend, at PERMITTEE's sole expense, any action brought against CITY resulting from CITY's nondisclosure of the information. CITY may, at its election, conduct the defense or participate in the defense of any claim related in any way to this indemnification. If CITY chooses at its own election to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification, PERMITTEE shall pay all of the costs related thereto, including without limitation reasonable attorney fees and costs.

- 25.1 CITY shall not be liable or obligated for any burden or loss (financial or otherwise) incurred by PERMITTEE as a result of CITY's disclosure or non-disclosure of this Permit or PERMITTEE information requested pursuant to the CPRA. PERMITTEE shall cause the foregoing provisions to be inserted in all of PERMITTEE's contracts for work related to this Permit so that such provisions will be binding upon each of PERMITTEE's contractors. PERMITTEE shall fully cooperate with any investigation conducted by CITY pursuant to CITY'S Nondiscrimination in Contracting Ordinance (i.e., San Diego Municipal Code sections 22.3501-22.3517, as amended from time to time), and upon CITY's request PERMITTEE shall submit a current Workforce Report. PERMITTEE acknowledges that failure to comply with the requirements of this section and/or submitting false information in response to these requirements may result in termination of this Permit and debarment from participating in CITY contracts for a period of not less than one (1) year.
28. Equal Benefits. PERMITTEE shall comply with San Diego Municipal Code Sections 22.4301-22.4308, which require applicable parties to offer the same employment benefits to employees with spouses and employees with domestic partners. PERMITTEE shall

- 29.5 PERMITTEE shall include language in each sublicense agreement, if any, indicating the sublicensee's agreement to abide by the foregoing provisions.

PERMITTEE and each of its sublicensees, if any, shall be individually responsible for their own ADA compliance program. PERMITTEE's failure to comply with the above requirements and/or submitting false information in response to those requirements shall be a default under this Permit.

30. CITY Employee Participation Policy. CITY may unilaterally and immediately terminate this Permit if PERMITTEE employs an individual who, within the twelve (12) months immediately preceding such employment did, in their capacity as a CITY officer or employee, participate in negotiations with or otherwise have an influence on a recommendation made to the San Diego City Council related to the selection of PERMITTEE for this Permit. It is not the intent of this policy that these provisions apply to members of the City Council.

PERMITTEE acknowledges that this Permit may create a possessory interest subject to property taxation, and that PERMITTEE may be subject to the payment of taxes levied on that interest. PERMITTEE shall pay all such possessory interest taxes. PERMITTEE's payment for such taxes, fees and assessments shall not reduce any payment due CITY.

39. Hazardous Substances. PERMITTEE shall not allow the illegal installation, storage, utilization, generation, sale or release of a Hazardous Substance or otherwise regulated substance in, on, under or from the Permit Area. PERMITTEE and PERMITTEE's agents and contractors shall not install, store, utilize, generate or sell any Hazardous Substance on the Permit Area without CITY's prior written consent. PERMITTEE shall, prior to initiating any operations, obtain all required permits from applicable regulatory agencies, including without limitation the San Diego County Department of Environmental Health, local fire agencies, the San Diego County Department of Weights and Measures, the San Diego County Air Pollution Control District, and the San Diego Regional Water Quality Control Board. If PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area results in a release of a Hazardous Substance, PERMITTEE shall pay all costs of remediation and removal to the CITY's satisfaction for unrestricted reuse of the Permit Area, and in accordance with all applicable laws, rules and regulations of governmental authorities.
- 39.4 Removal. If PERMITTEE or PERMITTEE's contractor or agent has received approval and permits to store, utilize, generate or install, or otherwise bring Hazardous Substances or hazardous wastes to the Permit Area, PERMITTEE and/or PERMITTEE's contractor or agent shall remove all Hazardous Substances and hazardous wastes in any type of container, equipment or device from the Permit Area immediately upon or prior to the expiration or earlier termination of this Permit. Upon CITY's request, PERMITTEE shall deliver to CITY true copies of

PERMITTEE shall be responsible for any and all costs incurred by CITY to remove any container, equipment or device requiring disposal or removal as required by this provision.

PERMITTEE shall deliver a written report thereof to CITY within three (3) days after receipt of the knowledge or cause for belief and submit any required written reports to regulatory or reporting agencies as required by regulation or law. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent release or is an imminent substantial danger to public health and safety, PERMITTEE shall take all actions necessary to alleviate the danger. PERMITTEE shall immediately notify CITY in writing of any violation, notice to comply, or notice of violation received or the initiation of environmental actions or private suits related to the Permit Area.
- 39.7 Environmental Assessment. Upon reasonable cause to believe that PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area ("PERMITTEE's Operations"), resulted in any Hazardous Substance being released on, from or beneath the Permit Area, CITY may cause an environmental assessment under regulatory oversight of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE's sole cost and expense, and shall establish what, if any, Hazardous Substances have more likely than not been caused by PERMITTEE's Operations on, in, from or under the Permit Area, and in what quantities. If any such Hazardous Substances exist in quantities greater than allowed by city, county, state or federal laws, statutes, ordinances or regulations, or require future restricted re-use of the Permit Area, then the environmental assessment shall include a discussion of such substances with

recommendations for remediation and removal necessary to effect unrestricted re-use and in compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, as determined by CITY in its sole discretion, CITY may cause the remediation and/or removal recommended in the environmental assessment such that unrestricted re-use of the Permit Area and compliance with environmental law and regulations are achieved, and PERMITTEE shall pay all costs and expenses therefor.

PERMITTEE shall comply with the CITY's Storm Water Management and Discharge Control provisions codified in Division 3 of Chapter 4 of the San Diego Municipal Code, as may be amended, and any and all applicable Minimum Best Management Practice requirements, as defined in the City's Jurisdictional Runoff Management Plan, in performing or delivering services at City owned, leased, or managed property, or in performance of services and activities on behalf of CITY regardless of location.

PERMITTEE shall comply with the CITY's Jurisdictional Runoff Management Plan encompassing Citywide programs and activities designed to prevent and reduce storm water pollution within CITY boundaries as adopted by the CITY's City Council on July 1, 2015, via Resolution No. 309791, as may be amended.

PERMITTEE shall comply with each CITY facility or work site's Storm Water Pollution Prevention Plan, as applicable, and institute all controls needed while completing the services to minimize any negative impact to the storm water collection system and environment.

42. Waiver. The property constituting the Permit Area is publicly owned and held in trust for the benefit of CITY's citizens. CITY's failure to insist upon the strict performance of any of PERMITTEE's obligations under this Permit, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect.
