**CITY OF SAN DIEGO
FLAT RATE LEASE**

THIS LEASE AGREEMENT is executed between THE CITY OF SAN DIEGO, a municipal corporation, hereinafter called "CITY," and, SAN DIEGO TROLLEY, INC., a California nonprofit public benefit corporation, hereinafter called "LESSEE."

SECTION 1: USES

1.1 Premises. CITY hereby leases to LESSEE and LESSEE leases from CITY all of that certain real property situated in the City of San Diego, County of San Diego, State of California, described in Exhibit "A" attached hereto and by this reference made part of this agreement. Said real property is hereinafter called the "premises" or "leased premises".

1.2 Uses. It is expressly agreed that the premises are leased to LESSEE solely and exclusively for the purpose of installation, maintenance, and operation of radio receiving equipment and all necessary connecting appurtenances, as described in the Development Plan, Section 9.2, hereof. LESSEE may also use the driveway to the premises for vehicular or foot access on a 24-hour nonexclusive basis. The premises may also be used for such other related or incidental communications purposes as may be first approved in writing by the City Manager and for no other purpose whatsoever.

LESSEE covenants and agrees to use the premises for the above-specified purposes and to diligently pursue said purposes throughout the term hereof. Failure to continuously use the premises for said purposes, or the use thereof for purposes not expressly authorized herein, shall be grounds for termination by CITY.

1.3 Interference. Prior to the CITY'S approval of an application for a new radio-electronic use authorization or modification of an existing authorization, on premises, pre-installation or pre-use tests will be required. Such tests will determine whether or not radio frequency interference or degraded performance will result to the existing authorized radio electronic type uses at the facility.

Should the interference problems result, it will be the responsibility of the user implementing the new installation to initiate mutually agreeable actions of the parties involved to settle the problem among themselves.

CITY may recognize the right of prior authorizees and withhold approval of a radio-electronic authorization application or authorization modification pending settlement of interference problems between the applicant and other authorizees. It is mutually agreed that the City of San Diego shall not be obligated for any loss, financial or otherwise, which may be incurred by LESSEE as a result of termination of this lease, and, further, that LESSEE expressly waives any claim for expense or loss which LESSEE might incur as a result of termination of this lease.

a. Pre-installation or pre-use Testing

- (1) It will be the responsibility of the LESSEE to make the complete arrangements and conduct all tests in a technically sound manner.
 - (a) A listing of all radio-electronic land use Permittees/LESSEES operating at the facility will be obtained from the City.
- (2) It will be the responsibility of the LESSEE to notify all radio-electronic Permittees/LESSEES at the facility of the tests and details thereof, at least 14 days in advance of the tests.
 - (a) The notification shall be in the form of letter to each listed Permittee/LESSEE giving a technical summary of the test and shall specify the date and hour the test will start. The letter of notification shall request the Permittees/LESSEES to have a qualified representative present for the test to observe for possible interference problems and with authority to sign an interference or noninterference certification on behalf of the Permittee/LESSEE.
 - (b) A copy of these instructions, "City of San Diego Radio-Electronic Land Use On-The-Air Test Instructions and Procedures" shall be attached to each notification and it shall be so noted in the notification letter.

- (c) Notification to Permittees/LESSEES shall be sent via U.S. Mail or hand delivered.
 - (d) The notification letter to the City Communications Engineer shall include a list of all Permittees/LESSEES notified.
- (3) It will be the Permittee/LESSEE's responsibility to submit to the City Communications Engineer following the completion of the tests, a letter stating test results obtained from each Permittee/LESSEE participating in the test and a list of those Permittees/LESSEES who did not respond.
 - (4) In the event a notified Permittee/LESSEE fails to send a qualified representative to observe and participate in the tests, it will be assumed by the City that the Permittee/LESSEE has assured themselves that their operations will not be affected.

b. On-The-Air Tests - Technical Details

Pre-installation or pre-use on-the-air tests shall be conducted by the LESSEE under the following technical conditions:

- (1) The Permittee/LESSEE's transmitting and/or receiving equipment shall be of the type planned for final use at the site.
 - (a) The transmitted RF power shall be the maximum to be used and authorized at the location.
 - (b) On-the-air transmitter tests shall include the use of full allowable modulation.
 - (c) Antenna height(s), location(s) and type(s) shall be the same as the final installation plan.
- (2) Tests shall include on-the-air operation of all participating transmitter(s) and receiver(s) in all possible combinations with the Permittee/LESSEE's electronic equipment.

- (3) All tests will include testing with all frequencies planned for use by the LESSEE at the location.

1.4 Related Council Actions. By the granting of this lease, neither CITY nor the Council of CITY is obligating itself to any other governmental agent, board, commission, or agency with regard to any other discretionary action relating to development or operation of the premises. Discretionary action includes but is not limited to rezonings, variances, environmental clearances, or any other governmental agency approvals which may be required for the development and operation of the Leased Premises.

1.5 Quiet Possession. LESSEE, paying the rent and performing the covenants and agreements herein, shall at all times during the term peaceably and quietly have, hold, and enjoy the premises. If CITY for any reason cannot deliver possession of the premises to LESSEE at the commencement of the term, or if during the lease term LESSEE is temporarily dispossessed through action or claim of a title superior to CITY'S, then and in either of such events, this lease shall not be voidable nor shall CITY be liable to LESSEE for any loss or damage resulting therefrom, but there shall be determined and stated in writing by the City Manager of CITY a proportionate reduction of the minimum or flat rate rent for the period or periods during which LESSEE is prevented from having the quiet possession of all or a portion of the premises.

1.6 Easements and Reservations.

- a. CITY hereby reserves all rights, title, and interest in any and all subsurface natural gas, oil, minerals, and water on or within the premises.
- b. CITY reserves the right to grant and use easements or to establish and use rights-of-way over, under, along, and across the leased premises for utilities, thoroughfares, or access as it deems advisable for the public good.
- c. CITY has the right to enter the premises for the purpose of making repairs to or developing municipal resources and services.

However, CITY shall not unreasonably or substantially interfere with LESSEE's use of the premises and will reimburse LESSEE for physical damages, if any, to the permanent improvements located on the leased section. Such reimbursement may include a reduction in the rent

proportionate to the amount of physical damage as determined by CITY. CITY will pay the costs of maintenance and repair of all CITY installations made pursuant to these reserved rights.

- 1.7 Competent Management. Throughout the term of this lease agreement, LESSEE shall provide competent management of the Leased Premises to the satisfaction of the City Manager. For the purposes of this paragraph, "competent management" shall mean demonstrated ability in the management and operation of a communication facility and related activities in a fiscally responsible manner.

SECTION 2: TERM

- 2.1 Commencement. The term of this agreement shall be five (5) years commencing on the first day of the calendar month following execution by the City Manager. "Lease year" as used in this lease shall mean the 12-month period commencing on the first day of the calendar month following the execution of this lease by the City Manager.
- 2.2 Holdover. Any holding over by LESSEE after expiration or termination shall not be considered as a renewal or extension of this lease. The occupancy of the premises after the expiration or termination of this agreement constitutes a month-to-month tenancy, and all other terms and conditions of this agreement shall continue in full force and effect; provided, however, CITY shall have the right to apply a reasonable increase in rent to bring the rent to fair market value and to terminate the holdover tenancy at will.
- 2.3 Quitclaim and Surrender of LESSEE'S Interest. On the expiration or earlier termination of this lease, LESSEE shall deliver to CITY a Quitclaim Deed in recordable form quitclaiming all rights in and to the premises.

At the expiration or earlier termination of this lease, LESSEE shall surrender the premises to CITY free and clear of all liens and encumbrances, except those liens and encumbrances which existed on the date of execution hereof, and in a decent, safe, and sanitary condition. In the case of termination of this lease by CITY prior to the end of the specified lease term, any liens and encumbrances must be approved in writing by the City Manager.

SECTION 3: RENT

- 3.1 Time and Place of Payment. Rent is due monthly in advance on or before the first day of each calendar month. All monthly rents will be prorated during the first and final months of any rental period in order to achieve payment on the first day of each calendar month. Checks should be made payable to the City Treasurer and mailed to the Office of the City Treasurer, City of San Diego, P.O. Box 2289, San Diego, California 92112-4165, or delivered to the Office of the City Treasurer, City Operations Building, 1222 First Avenue, Third Floor, San Diego, California.

The place and time of payment may be changed at any time by CITY upon thirty (30) days' written notice to LESSEE. Mailed rental payments shall be deemed paid upon the date such payment is postmarked by the postal authorities. If postmarks are illegible, the payment shall be deemed paid upon actual receipt by the City Treasurer. LESSEE assumes all risk of loss and responsibility for late payment charges if payments are made by mail.

3.2 Rent.

- a. Rent Amount. The minimum rent to the CITY will be Three Thousand, Nine Hundred and Ninety-Nine Dollars (\$3,999.00) per year or Three Hundred Thirty-Three Dollars and 33/100's (\$333.33) per month. Said rent is subject to adjustments based on increases, if any, in the Consumer Price Index (CPI) and in the fair market value of the leased premises as hereinafter provided.
- b. CPI Index Adjustments. At the end of each year following the effective date of the lease, the rent shall be adjusted to reflect increases in the Consumer Price Index (CPI).

The index used will be the CPI for "All Urban Consumers" for Los Angeles/Anaheim/Riverside, California. If this index is no longer published, the index for adjustment will be the U.S. Department of Labor's "Comprehensive Official Index" most comparable to the aforesaid index. If a rental adjustment is calculated using an index from a different base year than 1982-84, which equaled a base figure of 100 for the CPI, the base figure used will first be converted under a formula supplied by the Bureau of Labor Statistics or its successor.

If the Department of Labor indices are no longer published, another index generally recognized as authoritative will be substituted by agreement of CITY and LESSEE. If the parties cannot agree within sixty (60) days after demand by either party, a substitute index will be selected by the Chief Officer of the Regional Office of the Bureau of Labor Statistics or its successor, notwithstanding continued reference herein to "CPI" in any event.

Regardless of the index publication dates, the effective date of the rent adjustment is as specified in this Subsection b.(1) CPI Index Adjustments. Until the rent adjustment can be reasonably determined by the index method, LESSEE shall continue to make payments at the existing rental rate. When the adjustment is determined, the balance of rents due at the adjusted rate will be paid to CITY within thirty (30) days. In no event shall the adjusted rent as established by the Consumer Price Index be less than the rent in existence immediately prior to the adjustment date.

- c. Index Adjustment Computation. The rent for each rental period following the adjustment, until the next adjustment or other rental determination as provided herein, shall be determined prior to the date of adjustment by multiplying the rent which is effective immediately prior to said adjustment by the "adjustment figure" established as follows:

The "adjustment figure" shall be established by dividing the "current index" by the "base figure", both as defined herein:

The "base figure" for the first such adjustment shall be a three-month average of index figures published by said CPI using the fourth, fifth and sixth full months preceding the effective date of this agreement.

To illustrate, if the lease began in May, the CPI figures for November (sixth month), December (fifth month) and January (fourth month) preceding May would be averaged to establish the base figure (Example 1).

The "current index" shall be a three-month average of index figures published by said CPI. The three months to be used to establish said average shall be the fourth, fifth and sixth full months preceding the adjustment date.

The "base figure" for each successive adjustment shall be the "current index" figure used in the last preceding adjustment period (Example 2).

Example 1

Current Index 121
Base Figure 110 = 1.10 (Adjustment Figure)

Effective Rent x 1.10 = Adjusted Rent

Example 2

Current Index 138
Base Figure 121 = 1.14 (Adjustment Figure)

Effective Rent x 1.14 = Adjusted Rent

The adjustment figure is then multiplied by the monthly rent from the preceding adjustment period to determine the new rent. Using the foregoing examples, if the rent is now \$1,000 per month, after the first adjustment it will be \$1,100 per month (\$1,000 x 1.10). In the second adjustment it will be \$1,254 per month (\$1,100 x 1.14).

- 3.3 Delinquent Rent. If LESSEE fails to pay the rent when due, LESSEE will pay, in addition to the unpaid rents, five percent (5%) of the delinquent rent. If the rent is still unpaid at the end of fifteen (15) days, LESSEE shall pay an additional five percent (5%) [being a total of ten percent (10%)], which is hereby mutually agreed by the parties to be appropriate to compensate CITY for loss resulting from rental delinquency, including lost interest, opportunities, legal costs, and the cost of servicing the delinquent account. Notwithstanding the foregoing, in no event shall the charge for late payments of rent be less than Twenty-five Dollars (\$25).

In the event that the CITY audit, if applicable, discloses that the rent for the audited period has been underpaid in excess of five percent (5%) of the total required rent, then LESSEE shall pay CITY the cost of the audit plus ten percent (10%) per year on the amount by which said rent was underpaid, in addition to the unpaid rents as shown to be due CITY as compensation to CITY for administrative costs and loss of interest as previously described herein. LESSEE agrees to pay such amount and further agrees that the specific late charges represent a fair and

reasonable estimate of the costs that CITY will incur from LESSEE'S late payment. Acceptance of late charges and any portion of the late payment by CITY shall in no event constitute a waiver of LESSEE default with respect to late payment, nor prevent CITY from exercising any of the other rights and remedies granted in this lease.

SECTION 4: ASSIGNMENT

- 4.1 Time is of Essence; Provisions Binding on Successors. Time is of the essence of all of the terms, covenants, and conditions of this lease, and, except as otherwise provided herein, all of the terms, covenants, and conditions of this lease shall apply to, benefit, and bind the successors and assigns of the respective parties, jointly and individually.
- 4.2 Assignment and Subletting. LESSEE shall not assign this lease or any interest therein and shall not sublet the Premises or any part thereof, or any right or privilege appurtenant thereto, or suffer any other person, except employees, agents, and guests of LESSEE, to use or occupy the Premises or any part thereof, without the prior written consent of the City Manager in each instance. "Subletting" for the purposes of this clause shall include but is not limited to the use of any portion of the leased premises, the use of any equipment on leased premises in any manner whatsoever, the selling of excess air time or system capacity, the selling or allowing the use of excess air time or system capacity in any manner whatsoever. A consent to assignment, subletting, occupation, or use by any other person shall not be deemed to be a consent to any subsequent assignment, subletting, occupation, or use by another person. Any such assignment or subletting without such consent shall be void and shall, at the option of CITY, terminate this lease. This lease shall not, nor shall any interest therein, be assignable as to the interest of LESSEE by operation of law, without the written consent of the City Manager.

"Assignment": for the purposes of this clause shall include any transfer of any ownership interest in this lease by LESSEE or by any partners, principals, or stockholders, as the case may be, from the original LESSEE, its general partners, or principals.

Approval of any assignment or sublease shall be conditioned upon the assignee or sublessee agreeing in writing that it will assume the rights and obligations thereby assigned or subleased and that it will keep and perform all covenants, conditions, and provisions of this agreement which are applicable to the rights acquired. The City Manager shall require, as

a condition to approval of any sublease of a portion or majority portion of the leasehold or any assignment, that the LESSEE pay additional consideration to CITY, as set forth in Section 4.3, Additional Consideration to CITY, hereof, commencing on the effective date of such proposed sublease of the portion or majority portion of the leasehold or assignment, and may further require that this lease or the requested sublease otherwise be revised to comply with standard CITY lease requirements that are then current. Pursuant to City Charter Section 225, the City Manager must review and approve every person or entity which will have an interest in this lease as a sublessee or assignee. The City Manager shall have sole and absolute discretion in this matter.

- 4.3 Additional Consideration to CITY. LESSEE and CITY agree that in the event of an assignment; in the event of a subletting of a portion or majority of the leasehold; or in the event of a refinancing creating an encumbrance against the leasehold after the permanent improvements have been constructed, pursuant to the Development Plan as described in Section 6.13 hereof, LESSEE shall pay to CITY two percent (2%) of the gross amount paid for the leasehold in connection with an approved assignment of the lease, fifty percent (50%) of any amount paid LESSEE in consideration of an approved sublease of a portion or a majority portion of the leasehold, or two percent (2%) of the amount of any increased loan or encumbrance against the property over and above the amount of the encumbrance needed to finance the improvements. The amount upon which the two percent (2%) shall be based shall be the total consideration resulting from the transaction including total cash payments and the market value of noncash consideration, including, but not limited to, stocks, bonds, deferred payments, secured and unsecured notes, and forbearances regarding claims and judgments. Prior to CITY's consent to any assignment, subletting, or refinancing, LESSEE shall deliver to CITY a written statement of all sums due and owing to CITY from LESSEE pursuant to the provisions of this paragraph, together with an acknowledgment from the proposed assignee, sublessee, or refinancing agency as to the amount due CITY. The sum due CITY shall be payable in full to CITY concurrent with the completion of the transaction, be it an assignment, a sublease, or a refinancing. Any assignment, subletting, or refinancing in violation of the terms and conditions of this paragraph shall be void. The provisions of this paragraph shall not apply to:

- a. An assignment or transfer of a beneficial interest in the leasehold resulting from devise, bequest, intestate succession, or by operation of law for the benefit of the spouse or descendants (i)

of LESSEE (if an individual) or (ii) of LESSEE'S principal owner or chief executive officer (if LESSEE is other than an individual);

- b. Such other assignment for which the City Manager determines that the legal and equitable ownership interests in the leasehold have remained unchanged, such as a change in the legal or fictitious name of the LESSEE without any other change in the equity in beneficial use of, or legal title to, the leasehold as an asset or the income produced thereby.

4.4 Encumbrance. Any encumbrances on the premises or on any permanent improvements thereon must first have the approval in writing of the City Manager. Such subsequent encumbrances shall also be for the exclusive purpose of development of the premises.

4.5 Defaults and Remedies.

a. Default. In the event that:

- (1) LESSEE shall default in the performance of any covenant or condition required by this lease to be performed by LESSEE and shall fail to cure said default within thirty (30) days following written notice thereof from CITY; or if any such default is not curable within thirty (30) days, and LESSEE shall fail to commence to cure the default(s) within said thirty-day period and diligently pursue such cure to completion; or
- (2) LESSEE shall voluntarily file or have involuntarily filed against it any petition under any bankruptcy or insolvency act or law; or
- (3) LESSEE shall be adjudicated a bankrupt; or
- (4) LESSEE shall make a general assignment for the benefit of creditors;

then CITY may, at its option, without further notice or demand upon LESSEE or upon any person claiming rights through LESSEE, immediately terminate this lease and all rights of LESSEE and of all persons claiming rights through LESSEE to the premises or to possession thereof; and CITY may enter and take possession of the premises. Provided,

however, in the event that any default described in Section 4.4a.(1), hereinabove is not curable within thirty (30) days after notice to LESSEE, CITY shall not terminate this lease pursuant to the default if LESSEE immediately commences to cure the default and diligently pursues such cure to completion.

In the event there is a deed of trust or mortgage on the leasehold interest, CITY shall give the mortgagee or beneficiary written notice of the default(s) complained of, and the same mortgagee or beneficiary shall have thirty (30) days from such notice to cure the default(s) or, if any such default is not curable within thirty (30) days, to commence to cure the default(s) and diligently pursue such cure to completion. The thirty-day period may be extended during such time as mortgagee or beneficiary pursues said cure with reasonable diligence.

- b. Remedies of Lender. Should the default(s) be noncurable by LESSEE, then any lender holding a beneficial interest in the leasehold, whose qualifications as an assignee have been approved by CITY, shall have the absolute right to substitute itself to the estate of LESSEE hereunder and to commence performance of this lease. If such mortgagee or beneficiary shall give notice in writing of its election to so substitute itself within the thirty-day period after receiving written notice by CITY of the default, and the default, if curable, is cured by such mortgagee or beneficiary, then this lease shall not terminate pursuant to the default. In that event, CITY expressly consents to the substitution and authorizes the mortgagee or beneficiary to perform under this lease with all the rights, privileges, and obligations of LESSEE, subject to cure of the default, if possible, by mortgagee or beneficiary. LESSEE expressly agrees to assign all its interest in and to its leasehold estate to mortgagee or beneficiary in that event.
- c. Abandonment by LESSEE. Even though LESSEE has breached the lease and abandoned the property, this lease shall continue in effect for so long as CITY does not terminate this lease, and CITY may enforce all its rights and remedies hereunder, including but not limited to the right to recover the rent as it becomes due, plus damages.

- d. Waiver. Any CITY waiver of a default is not a waiver of any other default. Any waiver of a default must be in writing and be executed by the City Manager in order to constitute a valid and binding waiver. CITY delay or failure to exercise a remedy or right is not a waiver of that or any other remedy or right under this lease. The use of one remedy or right for any default does not waive the use of another remedy or right for the same default or for another or later default. CITY'S acceptance of any rents is not a waiver of any default preceding the rent payment. CITY and LESSEE specifically agree that the property constituting the premises is CITY-leased and held in trust for the benefit of the citizens of the City of San Diego and that any failure by the City Manager or CITY staff to discover a default or take prompt action to require the cure of any default shall not result in an equitable estoppel, but CITY shall at all times, have the legal right to require the cure of any default when and as such defaults are discovered or when and as the City Council directs the City Manager to take action or require the cure of any default after such default is brought to the attention of the City Council by the City Manager or by any concerned citizen.

4.6 Eminent Domain. If all or part of the premises are taken through condemnation proceedings or under threat of condemnation by any public authority with the power of eminent domain, the interests of CITY and LESSEE will be as follows:

- a. In the event the entire premises are taken, this lease shall terminate on the date of the transfer of title or possession to the condemning authority, whichever first occurs.
- b. In the event of a partial taking, if, in the opinion of LESSEE or CITY, the remaining part of the premises is unsuitable for the lease operation, this lease shall terminate on the date of the transfer of title or possession to the condemning authority, whichever first occurs.
- c. In the event of a partial taking, if, in the opinion of LESSEE and CITY, the remaining part of the premises is suitable for continued lease operation, this lease shall terminate in regard to the portion taken on the date of the transfer of title or possession to the condemning authority, whichever first occurs, but shall continue for the portion not taken. The minimum rent shall be equitably reduced to reflect the portion of the premises taken.

- d. Award. All monies awarded in any such taking shall belong to CITY, whether such taking results in diminution in value of the leasehold or the fee or both; provided, however, LESSEE shall be entitled to any award attributable to the taking of, or damages to LESSEE'S, then-remaining leasehold interest in installations or improvements of LESSEE. CITY shall have no liability to LESSEE for any award not provided by the condemning authority.
- e. Transfer. CITY has the right to transfer CITY'S interests in the premises in lieu of condemnation to any authority entitled to exercise the power of eminent domain. If a transfer occurs, LESSEE shall retain whatever interest it may have in the fair market value of any improvements placed by it on the premises in accordance with this lease.
- f. No Inverse Condemnation. The exercise of any CITY right under this lease shall not be interpreted as an exercise of the power of eminent domain and shall not impose any liability upon CITY for inverse condemnation.

SECTION 5: INSURANCE RISKS/SECURITY

5.1 Indemnity. LESSEE agrees to defend, indemnify, protect, and hold the CITY, its agents, officers, and employees harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to LESSEE'S employees, invitees, guests, agents, or officers, which arise out of or are in any manner directly or indirectly connected with the development or operation of the leasehold or the work and operations to be performed under this agreement, and all expenses of investigating and defending against same; provided, however, that LESSEE'S duty to indemnify and hold harmless shall not include any claims or liability arising from the established active negligence, sole negligence, or sole willful misconduct of the CITY, its agents, officers, or employees.

5.2 Insurance to be Carried by LESSEE.

- a. Upon the effective date of this Lease, LESSEE shall include the Leased Premises in its program of liability self-insurance, covering LESSEE'S occupancy and use thereof. Evidence of such program of self-insurance shall be evidenced by a "Statement of Coverage" issued by LESSEE to CITY. Self-insurance limits must be, at a minimum, the limits in Paragraph 5.2(a)1&2). LESSEE shall take

out and maintain at all times during the term of this lease the following insurance at its sole expense:

- (1) Public liability and property damage insurance in the amount of not less than One Million Dollars (\$1,000,000) Combined Single Limit Liability with an occurrence claims form. This policy shall cover all injury or damage, including death, suffered by any party or parties from acts or failures to act by CITY or LESSEE or by authorized representatives of CITY or LESSEE on or in connection with the use or operation of the premises.
- (2) Other Insurance. Fire, extended coverage, and vandalism insurance policy on all insurable property on the premises in an amount to cover 100 percent of the replacement cost. Any proceeds from a loss shall be payable jointly to CITY and LESSEE. The proceeds shall be placed in a trust fund to be reinvested in rebuilding or repairing the damaged property. If there is a mortgage or trust deed on the leasehold in accordance with Section 4.4, Encumbrance, hereof, the proceeds may be paid to the approved mortgagee or beneficiary so long as adequate provision reasonably satisfactory to CITY has been made in each case for the use of all proceeds for repair and restoration of damaged or destroyed improvements on the premises.

b. LESSEE'S responsibility to maintain said insurance also includes the following:

- (1) Additional Insured. All insurance policies will name CITY as an additional insured, protect CITY against any legal costs in defending claims, and will not terminate without sixty (60) days' prior written notice to CITY. All insurance companies must be satisfactory to CITY and licensed to do business in California. All policies will be in effect on or before the first day of the lease, except "course of construction fire insurance" shall be in force on commencement of all authorized construction on the premises, and full applicable fire insurance coverage shall be effective upon completion of each insurable improvement. A copy of the insurance policy will remain on file with CITY during the entire term of the lease. At least thirty (30) days prior to the expiration of each policy, LESSEE shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the terms of this lease.

- (2) Modification. CITY, at its discretion, may require the revision of amounts and coverages at any time during the term by giving LESSEE sixty (60) days' prior written notice. CITY'S requirements shall be designed to assure protection from and against the kind and extent of risk existing on the premises. LESSEE also agrees to obtain any additional insurance required by CITY for new improvements, in order to meet the requirements of this lease.
- (3) Accident Reports. LESSEE shall report to CITY any accident causing more than Ten Thousand Dollars (\$10,000) worth of property damage or any serious injury to persons on the premises. This report shall contain the names and addresses of the parties involved, a statement of the circumstances, the date and hour, the names and addresses of any witnesses, and other pertinent information.
- (4) Failure to Comply. If LESSEE fails or refuses to take out and maintain the required insurance or fails to provide the proof of coverage, CITY has the right to obtain the insurance. LESSEE shall reimburse CITY for the premiums paid with interest at the maximum allowable legal rate then in effect in California. CITY shall give notice of the payment of premiums within thirty (30) days of payment stating the amount paid, names of the insurer(s), and rate of interest. Said reimbursement and interest shall be paid by LESSEE on the first (1st) day of the month following the notice of payment by CITY.

Notwithstanding the preceding provisions of this Subsection (4), if LESSEE fails or refuses to take out or maintain insurance as required in this lease or fails to provide the proof of insurance, CITY has the right to declare this lease in default without further notice to LESSEE, and CITY shall be entitled to exercise all legal remedies in the event of such default.

5.3 Waste, Damage, or Destruction.

LESSEE agrees to give notice to CITY of any fire or other damage that may occur on the Leased Premises within ten (10) days of such fire or damage. LESSEE agrees not to commit or suffer to be committed any waste or injury or any public or private nuisance, to keep the premises clean and clear of refuse and obstructions, and to dispose of all garbage, trash, and rubbish in a manner satisfactory to CITY. If the Leased

Premises shall be damaged by any cause which puts the premises into a condition which is not decent, safe, healthy, and sanitary, LESSEE agrees to make or cause to be made full repair of said damage and to restore the premises to the condition which existed prior to said damage; or, at CITY'S option, LESSEE agrees to clear and remove from the Leased Premises all debris resulting from said damage and rebuild the premises in accordance with plans and specifications previously submitted to CITY and approved in writing in order to replace in kind and scope the operation which existed prior to such damage, using for either purpose the insurance proceeds as set forth in Section 5.2, Insurance, hereof.

LESSEE agrees that preliminary steps toward performing repairs, restoration, or replacement of the premises shall be commenced by LESSEE within thirty (30) days, and the required repairs, restoration, or replacement shall be completed within a reasonable time thereafter. CITY may determine an equitable deduction in the rent requirement for such period or periods that said premises are untenable by reason of such damage.

SECTION 6: IMPROVEMENTS/ALTERATIONS/REPAIRS

- 6.1 Acceptance of Premises. By signing this lease, LESSEE represents and warrants that it has independently inspected the premises and made all tests, investigations, and observations necessary to satisfy itself of the condition of the premises. LESSEE agrees it is relying solely on such independent inspection, tests, investigations, and observations in making this lease. LESSEE further acknowledges that the premises are in the condition called for by this lease, that CITY has performed all work with respect to the premises, and that LESSEE does not hold CITY responsible for any defects, whether apparent or latent, in the premises, including the presence of any hazardous wastes.
- 6.2 Entry and Inspection. CITY reserves and shall always have the right, but not the obligation, to enter said premises for the purpose of viewing and ascertaining the condition of the same, or to protect its interests in the premises, or to inspect the operations conducted thereon. In the event that such entry or inspection by CITY discloses that said premises are not in a decent, safe, healthy, and sanitary condition, CITY shall have the right, after ten (10) days' written notice to LESSEE, to have any necessary maintenance work done at the expense of LESSEE, and LESSEE hereby agrees to pay promptly any and all costs incurred by CITY in having such necessary maintenance work done, in order to keep said premises in a decent, safe, healthy, and sanitary condition. Further, if at any time CITY determines that said premises are not in a decent, safe,

healthy, and sanitary condition, CITY may at its sole option, without additional notice, require LESSEE to file with CITY a faithful performance bond to assure prompt correction of any condition which is not decent, safe, healthy, and sanitary. Said bond shall be in an amount adequate in the opinion of CITY to correct the said unsatisfactory condition. LESSEE shall pay the cost of said bond. The rights reserved in this section shall not create any obligations on CITY or increase obligations elsewhere in this lease imposed on CITY.

- 6.3 Maintenance. LESSEE agrees to assume full responsibility and cost for the operation and maintenance of the premises throughout the term. LESSEE will make all repairs and replacements necessary to maintain and preserve the premises in a decent, safe, healthy, and sanitary condition satisfactory to CITY and in compliance with the Development Plan described in Exhibit B hereof and with all applicable laws.
- 6.4 Improvements/Alterations. No improvements, structures, or installations shall be constructed on the premises, and the premises may not be altered by LESSEE without prior written approval by the City Manager. Further, LESSEE agrees that major structural or architectural design alterations to approved improvements, structures, or installations may not be made on the premises without prior written approval by the City Manager and that such approval shall be at the sole and absolute discretion of the City Manager. This provision shall not relieve LESSEE of any obligation under this lease to maintain the premises in a decent, safe, healthy, and sanitary condition, including structural repair and restoration of damaged or worn improvements. CITY shall not be obligated by this lease to make or assume any expense for any improvements or alterations.
- 6.5 Reassignment of Space. CITY reserves the right to reassign LESSEE an equivalent amount of space in a different location when and if the facility has been upgraded and reconfigured. LESSEE agrees to cooperate fully with CITY and its contractors during any renovation, repair, or other alteration of the facility. LESSEE acknowledges that its equipment may be relocated as a result of the renovation, repair, or other alteration of the facility. CITY warrants that every effort will be made to ensure continuous, uninterrupted broadcast/receiving capability during any conversion.
- 6.6 Utilities. LESSEE agrees to order, obtain, and pay for all utilities and service and installation charges in connection with the development and operation of the Leased Premises.

- 6.7 Liens. LESSEE shall at all times save CITY free and harmless and indemnify CITY against all claims for labor or materials in connection with operations, improvements, alterations, or repairs on or to the premises and the costs of defending against such claims, including reasonable attorney's fees.

If improvements, alterations, or repairs are made to the premises by LESSEE or by any party other than CITY, and a lien or notice of lien is filed, LESSEE shall within five (5) days of such filing either:

- a. take all actions necessary to record a valid release of lien, or
- b. file with CITY a bond, cash, or other security acceptable to CITY sufficient to pay in full all claims of all persons seeking relief under the lien.

- 6.8 Taxes. LESSEE agrees to pay, before delinquency, all taxes, assessments, and fees assessed or levied upon LESSEE or the premises, including the land, any buildings, structures, machines, equipment, appliances, or other improvements or property of any nature whatsoever erected, installed, or maintained by LESSEE or levied by reason of the business or other LESSEE activities related to the Leased Premises, including any licenses or permits. LESSEE recognizes and agrees that this lease may create a possessory interest subject to property taxation, and that LESSEE may be subject to the payment of taxes levied on such interest, and that LESSEE shall pay all such possessory interest taxes. LESSEE further agrees that payment for such taxes, fees and assessments will not reduce any rent due CITY.

- 6.9 Signs. LESSEE agrees not to erect or display any banners, pennants, flags, posters, signs, decorations, marquees, awnings, or similar devices or advertising without the prior written consent of CITY. If any such unauthorized item is found on the premises, LESSEE agrees to remove the item at its expense within 24 hours notice thereof by CITY, or CITY may thereupon remove the item at LESSEE'S cost.

- 6.10 Ownership of Improvements and Personal Property.

- a. Any and all improvements, trade fixtures, structures, and installations or additions to the premises now existing or constructed on the premises by LESSEE shall at lease expiration or termination be deemed to be part of the premises and shall become, at CITY'S option, CITY'S property free of all liens and claims, except as otherwise provided in this lease.

- b. If CITY elects not to assume ownership of all or any improvements, trade fixtures, structures, and installations, CITY shall so notify LESSEE thirty (30) days prior to termination or expiration, and LESSEE shall remove all such improvements, structures and installations as directed by CITY at LESSEE'S sole cost on or before lease expiration or termination. If LESSEE fails to remove any improvements, structures, and installations as directed, LESSEE agrees to pay CITY the full cost of any removal.
- c. LESSEE-owned machines, appliances, equipment, and other items of personal property shall be removed by LESSEE by the date of the expiration or termination of this lease. Any said items which LESSEE fails to remove will be considered abandoned and become CITY'S property free of all claims and liens, or CITY may, at its option, remove said items at LESSEE'S expense.
- d. If any removal of such personal property by LESSEE results in damage to the tower or real property on the premises, LESSEE agrees to repair all such damage.
- e. Any necessary removal by either CITY or LESSEE which takes place beyond said expiration or termination hereof shall require LESSEE to pay rent to CITY at the rate in effect immediately prior to said expiration or termination.
- f. Notwithstanding any of the foregoing, in the event LESSEE desires to dispose of any of its personal property used in the operation of said premises upon expiration or termination of this lease, then CITY shall have the first right to acquire or purchase said personal property.

6.11 Unavoidable Delay. If the performance of any act required of CITY or LESSEE is directly prevented or delayed by reason of strikes, lockouts, labor disputes, unusual governmental delays, acts of God, fire, floods, epidemics, freight embargoes, or other causes beyond the reasonable control of the party required to perform an act, said party shall be excused from performing that act for the period equal to the period of the prevention or delay. Provided, however, this provision shall not apply to obligations to pay rental as required pursuant to this lease. In the event LESSEE or CITY claims the existence of such a delay, the party claiming the delay shall notify the other party in writing of such fact within ten (10) days after the beginning of any such claimed delay.

6.12 Hazardous/Toxic Waste. LESSEE will not allow the installation of underground storage tanks or release of hazardous substances in, on,

under, or from the premises. For the purposes of this provision, a release shall include but not be limited to any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leeching, dumping, or otherwise disposing of hazardous substances. "Hazardous substances" shall mean those hazardous substances listed by the Environmental Protection Agency in regularly released reports and any other substances incorporated into the State's list of hazardous substances. A copy of the presently effective EPA and the State lists is on file in the Office of the City Clerk as Document 769704 and by this reference is incorporated herein.

In the event of any release of a hazardous substance, LESSEE shall be responsible for all costs of remediation and removal of such substances in accordance with all applicable rules and regulations of governmental authorities.

LESSEE agrees to assume the defense of, indemnify, and hold CITY harmless from any and all claims, costs, and expenses related to environmental liabilities resulting from LESSEE'S operations on the premises, including but not limited to costs of environmental assessments, costs of remediation and removal, any necessary response costs, damages for injury to natural resources or the public, and costs of any health assessment or health effect studies.

If LESSEE knows or has reasonable cause to believe that any hazardous substance has been released on or beneath the premises, LESSEE shall give written notice to the City Manager within ten (10) days of receipt of such knowledge or cause for belief. Provided, however, if LESSEE knows or has reasonable cause to believe that such substance is an imminent and substantial danger to public health and safety, LESSEE shall notify the City Manager immediately upon receipt of this knowledge or belief and shall take all actions necessary to alleviate such danger. LESSEE will notify the City Manager immediately of any notice of violation received or initiation of environmental actions or private suits relative to the premises. In addition, LESSEE shall not utilize or sell any hazardous substance on the property without the prior written consent of CITY.

At any time within the twelve (12) months before the expiration or earlier termination of this lease, LESSEE, at CITY'S sole option, shall cause an environmental assessment of the premises to be completed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist, or Registered Civil Engineer. Said environmental assessment shall be obtained at the sole cost and expense of LESSEE and shall establish what, if any, hazardous substances exist on, in, or under the premises,

and in what quantities. If any hazardous substances exist in quantities greater than that allowed by CITY, county, state, or federal laws, statutes, ordinances, or regulations, then said environmental assessment shall include a discussion of these substances with recommendations for remediation and removal necessary to effect compliance with those laws or statutes and estimates of the cost of such remediation or removal. LESSEE shall cause the remediation and/or removal recommended in the environmental assessment such that compliance with environmental law is achieved and shall be solely responsible for all costs and expenses incurred.

- 6.13 New or Modified System. No new or modified installations or structures will be permitted until a review of the technical data and structural installation plans have been completed and approval granted by the City Manager. Prior to activating new or modified installations or structures for operations, an inspection by City personnel and an on-the-air test must be conducted to ensure that the system or structure is installed in accordance with the approved plans and the installed system or structure will not cause harmful interference to other lessees' systems. The owner of the new or modified system or structure will be responsible to eliminate any harmful interference, except where such interference occurs because of improper maintenance, repair, or inferior equipment of an existing system. The owner of that system will be required to bring the system up to industrial standards before the owner of the new or modified system or structure is required to initiate corrective action.
- 6.14 System Placed in Operation. Upon completion of a satisfactory inspection and an on-the-air test, the system may be placed in operation. Once the system is placed in operation, it shall be operated and maintained in accordance with the highest standards of the communications industry. If the system subsequently causes harmful interference to other lessees' systems, corrective action shall be initiated immediately. If the problems cannot be eliminated expeditiously, the system, or portion thereof, causing the problem may be required to be shut down until corrective action has been completed. LESSEE shall keep the CITY advised of the name(s) and telephone number(s) of person(s) to be contacted and who is/are authorized to take corrective action if harmful interference occurs because of LESSEE'S equipment. In addition, the CITY shall require the LESSEE to provide a semiannual list of all frequencies in use at the site. The CITY shall also reserve the right to conduct periodic inspections of the LESSEE'S facilities to insure compliance with technical standards, and the other terms of this Lease Agreement.

6.15 LESSEE'S Rights to Improve the Premises. LESSEE shall at its sole cost and expense, have the right from time to time during its tenancy of the premises to:

- a. Improve the premises in a manner consistent with the purposes of this lease as set forth in Section 1.2, Uses, hereof, including but not limited to the installation, operation, maintenance, or removal of said communication equipment, provided that plans for the construction or enlargement of any improvement shall be submitted to the City Manager of City in advance of such construction or enlargement and shall be subject to advance written approval by said City Manager CITY will not unreasonably withhold such approval, and such approval shall not constitute approval of any radio or electronic equipment installed or to be installed by LESSEE, and shall not relieve LESSEE of the obligation of complying with any and all terms and conditions of this lease.
- b. Furnish, install, and use in, upon, and under, and to remove from the lease premises such wires, equipment and other property of whatsoever kind and nature as LESSEE deems necessary, consistent with the purpose of this lease as set forth in Section 1.2, Uses, hereof.
- c. Connect such wires and equipment to lines adjoining the premises. All work done by LESSEE on the premises shall be done in a lawful manner and in conformity with all applicable laws, ordinances, and regulations, and provided further that the premises shall be kept free from any and all liens and charges on account of labor or materials used in or contributing to any work thereon.

6.16 Access Road - Nonexclusive Use. CITY hereby grants to LESSEE a nonexclusive right to use during the term of this lease, that portion of an access road which serves the site. Said right shall be subject to the following conditions and terms:

- a. LESSEE shall exercise said right through its authorized agents, employees, contractors, or servants whenever it is necessary for them or any of them to have access to LESSEE'S facilities, now or hereafter located on said premises.
- b. LESSEE shall use said road at its sole risk and avoid traveling upon it to the greatest practical extent at all times when weather conditions are such that excessive damage to the road surface may result from such use, and further LESSEE shall, at its expense, promptly repair any abnormal or excessive road damage

caused by its use, including such road surface protective features as water drains, berms, or culverts.

- c. In the event gates are placed in fences now or hereafter crossing said road, LESSEE shall provide locks in such a manner that the gates may be used without disturbing the locks of others.

Only the LESSEE, its properly qualified and its authorized agents, employees, contractor, and servants, shall have the right of ingress to and egress from said leased premises.

- 6.17 Emergency Power. Emergency power shall be provided by the City adequate to power all critical systems.

LESSEE acknowledges and agrees that it is aware of, and will comply with, City Council Ordinance No. 18173 (San Diego Municipal Code Sections 22.2701 through 22.2708, as amended), EQUAL EMPLOYMENT OPPORTUNITY OUTREACH PROGRAM, a copy of which is on file in the Office of the City Clerk and by this reference is incorporated herein. Each party has relied on its own examination of the premises, advice from its own attorneys, and the warranties, representations, and covenants of the lease itself. Each of the parties in this lease agrees that no other party, agent, or attorney of any other party has made any promise, representation, or warranty whatsoever which is not contained in this lease.
