FOR VALUABLE CONSIDERATION, the sufficiency of which is acknowledged, the parties agree as follows:

1. Occupancy. Subject to the terms and conditions of this Permit, CITY hereby grants permission to PERMITTEE, its officers, employees, agents and contractors to enter upon and occupy the Permit Area solely for the purpose of the Permit Use.
2. Use of Permit Area. PERMITTEE may use the Permit Area solely for the Permit Use and for no other purpose whatsoever without CITY'S prior written consent in each instance.
3. Governmental Approvals. By entering into this Permit, neither CITY nor CITY'S City Council is obligating itself to any governmental agent, board, commission, or agency with

regard to any other discretionary action relating to PERMITTEE'S occupancy, use, development, maintenance or restoration of the Permit Area. Discretionary action includes without limitation re-zonings, variances, environmental clearances, and all other required governmental approvals.

4. CITY'S Consent, Discretion. CITY'S discretionary acts hereunder shall be made in the City Manager's discretion, unless otherwise expressly provided. All references to "City Manager" herein shall be deemed to refer to the Mayor of San Diego or his or her designee for the duration CITY operates under the mayor-council (commonly referred to as "strong mayor") form of governance pursuant to Article XV of The City Charter of the City of San Diego, California.
5. Term. The Term shall commence on the Effective Date. If the Effective Date is not the first day of a calendar month, the first, partial month shall be counted as a full month for purposes of determining the expiration date of this Permit, so that the Term shall expire on the last day of a calendar month, and not to exceed three (3) years.
6. Revocable License. This Permit is not a lease. It is a license to use CITY-owned property, and may be revoked at will by CITY, in its sole discretion. CITY shall not be obligated for any loss, financial or otherwise, which may be incurred by PERMITTEE as a result of such revocation or the termination of this Permit. PERMITTEE expressly waives any claim for expense or loss which PERMITTEE might incur as a result of CITY'S revocation or termination of this Permit.
7. No Holdover. If PERMITTEE continues to occupy the Permit Area after the expiration or earlier termination of this Permit, such occupancy shall neither constitute a renewal or extension of this Permit, nor give PERMITTEE any rights in or to the Permit Area. If PERMITTEE continues to occupy the Permit Area after the expiration or earlier termination of this Permit, PERMITTEE shall pay to CITY rent calculated on a per diem basis using three (3) times the rental rate in effect just prior to such expiration or earlier termination. CITY'S acceptance of such rent shall neither constitute a renewal or extension of this Permit, nor give PERMITTEE any rights in or to the Permit Area.
8. Termination. PERMITTEE may terminate this Permit for any reason upon thirty (30) days prior written notice.
9. Restore and Vacate. Prior to the expiration or PERMITTEE'S earlier termination of this Permit, PERMITTEE shall restore the Permit Area to its condition on the Effective Date, normal wear and tear excepted, and upon such expiration or earlier termination immediately vacate the Permit Area. Upon CITY'S termination of this Permit, PERMITTEE shall immediately cease all operations on the Permit Area and as soon as practicable thereafter restore the Permit Area to its condition on the Effective Date, normal wear and tear excepted, and vacate the Permit Area.

10. Superior Interests. This Permit is subject to all liens, encumbrances, covenants, conditions, restrictions, reservations, contracts, permits and licenses, easements, and rights-of-way pertaining to the Permit Area, whether or not of record. PERMITTEE shall obtain all licenses, permits, and agreements from such third parties as may be or become necessary or reasonably advisable to allow its use of the Permit Area, relative to any such superior interest. If PERMITTEE'S use of the Permit Area is or becomes inconsistent or incompatible with a preexisting, superior interest, PERMITTEE shall take such actions and pay all costs and expenses necessary to remove such inconsistency or incompatibility to the satisfaction of the holder of the superior interest.
11. Maintenance of the Permit Area. PERMITTEE shall, at PERMITTEE'S sole cost and expense and to CITY'S satisfaction, maintain the Permit Area in good order and repair and in a safe, healthy and sanitary condition at all times during the Term, subject to normal and ordinary wear and tear resulting from the use of the Permit Use. CITY shall at no time during the Term of this Permit be required to make any improvements or repairs to the Permit Area. PERMITTEE shall keep the Permit Area free and clear of rubbish, debris and litter at all times.
12. Inspection. CITY may at all times enter and inspect the Permit Area.
13. Improvements/Alterations. PERMITTEE shall not construct any improvements, structures, or installations on the Permit Area, and shall not alter the Permit Area without the express written consent of CITY. Except as required by law, CITY shall not be obligated to make any repair or assume any expense for any improvements or alterations to the Permit Area.
14. Ownership of Improvements and Personal Property.
 - 14.1. Personal Property. PERMITTEE shall remove PERMITTEE-owned machines, appliances, equipment (other than trade fixtures), and other items of personal property upon the expiration of the Term, or as soon as practicable after termination, but in no event later than sixty (60) days after the expiration or earlier termination of this Permit. Any such items which PERMITTEE fails to remove shall be deemed abandoned and become CITY'S property free of all claims and liens, or CITY may, at its option, remove such items at PERMITTEE'S sole cost and expense. If any removal of such personal property by PERMITTEE results in damage to the Permit Area, PERMITTEE shall repair all such damage at its sole cost and expense.
15. Insurance. PERMITTEE represents and warrants to CITY that it is self insured in accordance with applicable law, and shall pay all claims related to this Permit and PERMITTEE'S use of the Permit Area that would be covered by a third-party insurance company in the usual course of business, including without limitation:
 - 1) Commercial General Liability Insurance, providing coverage for bodily injury, including death, personal injury, and property damage with limits of at least Two Million Dollars (\$2,000,000) per occurrence, subject to an annual aggregate of at least Four Million

Dollars (\$4,000,000);

- 2) Automobile Liability Insurance, providing coverage for all bodily injury and property damage, with a limit of at least One Million Dollars (\$1,000,000) per occurrence. Such insurance shall cover liability arising out of any vehicle (including owned, hired, and non-owned vehicles) operated on the Permit Area. Coverage shall be written on *ISO form CA 00 01 12 90*, or a substitute form providing equivalent liability coverage; and
- 3) Workers' Compensation Insurance, as required by the laws of the State of California for all of PERMITTEE'S employees who are subject to this Permit, with Employers' Liability coverage with a limit of at least One Million Dollars (\$1,000,000).

Upon request, PERMITTEE shall provide CITY evidence of insurance or its ability to self-insure.

- 15.1. Additional Insureds. Pursuant to a separate endorsement [CG2010 (11/85) or equivalent form], "The City of San Diego, its elected officials, officers, employees, representatives, and agents" shall be named as additional insureds in all policies.
- 15.2. Primary & Non-Contributory. Insurance policies shall be endorsed such that the coverage is primary and non-contributory to any coverage carried or maintained by CITY. The policies shall be kept in force for the duration of the Term and any extended use. The certificate(s) of insurance shall be filed with CITY'S Real Estate Assets Department.
- 15.3. Deductibles/Retentions. All deductibles and self-insured retentions on any insurance policy are the sole responsibility of PERMITTEE and must be disclosed and acceptable to CITY at the time evidence of insurance is provided.
- 15.4. Continuity of Coverage. All policies shall be in effect on or before the first day of the Term, except "course of construction fire insurance" shall be in force on commencement of all authorized construction, and full applicable fire insurance coverage shall be effective upon completion of each insurable improvement. At least thirty (30) days prior to the expiration of each insurance policy, PERMITTEE shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the requirements of this Permit.
- 15.5. Modification. To assure protection from and against the kind and extent of risk existing on the Permit Area, CITY, at its discretion, may require the revision of amounts and coverage at any time during the Term by giving PERMITTEE thirty (30) days prior written notice. PERMITTEE shall also obtain any additional insurance required by CITY for new improvements, changed circumstances, or CITY'S reasonable re-evaluation of risk levels related to PERMITTEE'S use of the Permit Area.
- 15.6. Accident Reports. PERMITTEE shall immediately report to CITY any accident

causing property damage or injury to persons on the Permit Area. Such report shall contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and other pertinent information.

16. Indemnification. Each party shall defend, indemnify, and hold one another, their officers, employees, and agents, harmless from and against any and all liability, loss, expense, attorneys' fees, or claims for injury or damages arising out of or in connection with this agreement, but only in proportion to and to the extent such liability, loss, expense, attorney's fees, or claims for injury or damages are caused by or result from the negligent or intentional acts or omissions of the indemnifying party, its officers, agents or employees.
17. No Discrimination. PERMITTEE shall not discriminate in any manner against any person on account of race, color, religion, gender, sexual orientation, medical status, national origin, age, marital status, or physical disability in PERMITTEE'S use of the Permit Area, including without limitation the provision of goods, services, facilities, privileges, advantages, and accommodations, and the hiring of employees and contractors.
18. Local Business and Employment. PERMITTEE acknowledges that CITY seeks to promote employment and business opportunities for local residents and firms in all CITY contracts. For work associated with this Permit and to the extent legally possible, PERMITTEE shall use its best efforts to solicit applications for employment and bids and proposals for contracts from local residents and firms as opportunities occur. PERMITTEE shall use its best efforts to hire qualified local residents and firms whenever practicable.
19. Drug-free Workplace. PERMITTEE shall abide by the omnibus drug legislation passed by Congress on November 18, 1988, by adopting and enforcing a policy to maintain a drug-free workplace by doing all of the following:
 - 19.1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensation, possession, or use of controlled substances are prohibited on the Permit Area and specifying the actions that will be taken against employees for violations of the prohibition; and
 - 19.2. Establish a drug-free awareness program to inform employees about all of the following:
 - a) The dangers of drug abuse in the workplace;
 - b) PERMITTEE'S policy of maintaining a drug-free workplace;
 - c) Any available drug counseling, rehabilitation, and employee assistance programs; and
 - d) The penalties that may be imposed upon employees for drug abuse violations.

- 19.3. PERMITTEE shall include in each of its sublicenses and contracts related to this Permit language obligating each sub-licensee and contractor to comply with the provisions of this section to maintain a drug-free workplace. PERMITTEE, and each of its sub-licensees and contractors, shall be individually responsible for their own drug-free workplace program.
20. PERMITTEE'S Risk. PERMITTEE shall bear all risks and liability arising out of or in any manner directly or indirectly connected with PERMITTEE'S occupancy, use, development maintenance and restoration of the Permit Area and any damages to the improvements on, under, or in the vicinity of the Permit Area resulting directly or indirectly thereby.
21. No Nuisance. PERMITTEE shall not use the Permit Area in any manner which creates a nuisance or unreasonably disturbs the quiet enjoyment of persons in and to the surrounding area.
22. Assignment and Sublease. PERMITTEE shall not assign or sublicense any rights granted by this Permit or any interest in this Permit without CITY'S prior written consent, which may be unreasonably withheld or delayed in CITY'S sole and absolute discretion. Any assignment by operation of law shall automatically terminate this Permit.
23. Signs. PERMITTEE shall not erect or display any banners, pennants, flags, posters, signs, decorations, marquees, awnings or similar devices or advertising without CITY'S prior written consent. If any such unauthorized item is found on the Permit Area, PERMITTEE shall remove the item at its expense within 24 hours after notice by CITY, or CITY may thereafter remove the item at PERMITTEE'S cost.
24. Encumbrances. PERMITTEE shall keep the Permit Area and any CITY-owned property of which the Permit Area is a part free from all encumbrances and liens of any nature which arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE'S occupancy, use, development, maintenance or restoration of the Permit Area. PERMITTEE shall protect, defend, indemnify, and hold CITY harmless from and against any and all such encumbrances and/or liens, and from and against any claim, liability, cost or expense, including without limitation all attorney fees and costs, relating to or charged against the Permit Area, including without limitation PERMITTEE'S failure or the failure of any contractor or subcontractor hired by PERMITTEE to pay any person or persons referred to in Section 3181 of the California Civil Code or other applicable sections thereof.
25. Compliance with Laws. PERMITTEE shall, at its sole cost and expense, comply with all the requirements of all rules, regulations, ordinances, laws and direction of governing authorities now in effect or which may hereafter be in effect, which pertain to PERMITTEE'S occupancy, use, development, maintenance and restoration of the Permit Area.
26. Hazardous Substances. PERMITTEE shall not allow the installation or release of hazardous substances in, on, under, or from the Permit Area by PERMITTEE, its officers,

employees, invitees, guests, agents, or contractors ("PERMITTEE Parties"). PERMITTEE Parties shall not store, utilize, or sell any hazardous substance on the Permit Area without CITY'S prior written consent. For the purposes of this provision, a release shall include but not be limited to any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or otherwise disposing of hazardous substances. "Hazardous substances" shall mean those hazardous substances listed by the Environmental Protection Agency in regularly released reports and any other substances incorporated into the State of California's list of hazardous substances. A copy of the presently effective EPA and the State lists is on file in the Office of the City Clerk as Document 769704 and by this reference is incorporated into this Permit.

- 26.1. Remediation. If any release of a hazardous substance occurs as a result of PERMITTEE'S use, development, or maintenance of the Permit Area ("PERMITTEE'S Operations"), PERMITTEE shall pay all costs of remediation and removal of the hazardous substance in accordance with all applicable laws and rules and regulations of governmental authorities.
- 26.2. Notice of Release. If PERMITTEE knows or has reasonable cause to believe that any hazardous substance has been released on or within the Permit Area, PERMITTEE shall give written notice to CITY within three (3) business days after receipt of such knowledge or cause for belief. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent and substantial danger to public health and safety, PERMITTEE shall notify CITY by the most immediate means available and immediately upon receipt of such knowledge or belief and shall take all actions necessary to minimize the danger. PERMITTEE shall notify CITY immediately of any notice of violation received or initiation of environmental actions or private lawsuits related to the Permit Area.
- 26.3. Environmental Assessment. Upon reasonable cause to believe that PERMITTEE'S use, development, or maintenance of the Permit Area ("PERMITTEE'S Operations"), resulted in a hazardous substance being released on or from the Permit Area, CITY may cause an environmental assessment of the Permit Area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist, or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE'S sole cost and expense, and shall establish what, if any, hazardous substances have more likely than not been caused by PERMITTEE'S Operations and in what quantities. If any such hazardous substances exist in quantities greater than allowed by municipal, county, state, or federal laws, statutes, ordinances, or regulations, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, CITY may cause, the remediation and/or removal recommended in the environmental assessment such that compliance with environmental law is achieved, and PERMITTEE shall pay all costs and expenses therefor. If the

environmental assessment conclusively establishes that PERMITTEE'S Operations did not result in a hazardous substance being released on or from the Permit Area, CITY shall reimburse PERMITTEE for the cost of the assessment.

27. Waiver. The property constituting the Permit Area is publicly owned and held in trust for the benefit of CITY'S citizens. CITY'S failure to insist upon the strict performance of any of PERMITTEE'S obligations under this Permit, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect. CITY'S waiver of a default shall not be a waiver of any other default. Any waiver of a default must be in a writing executed by CITY to constitute a valid and binding waiver. CITY'S delay or failure to exercise a right or seek a remedy shall not be deemed a waiver of that or any other right or remedy under this Permit, at law or in equity. The exercise of any particular right or the use of any particular remedy for any default shall not waive the use of any other right or remedy for the same default or for another or later default. CITY'S acceptance of any rents shall not be a waiver of any default preceding the rent payment. CITY'S failure to discover a default or take prompt action to require the cure of any default shall not result in an equitable estoppel, but CITY may at any and all times require the cure of the default.
28. Cumulative Remedies. CITY'S rights and remedies under this Permit are cumulative and shall not limit or otherwise waive or deny any of CITY'S rights or remedies at law or in equity.
29. Survival. Any obligation which accrues under this Permit prior to its expiration or termination shall survive such expiration or termination.
30. Joint and Several Liability. If PERMITTEE is comprised of more than one person or legal entity, such persons and entities, and each of them, shall be jointly and severally liable for the performance of each and every obligation of PERMITTEE under this Permit.
31. No Affiliation. Nothing contained in this Permit shall be deemed or construed to create a partnership, joint venture or other affiliation between CITY and PERMITTEE or between CITY and any other entity or party, or cause CITY to be responsible in any way for the debts or obligations of PERMITTEE or any other party or entity.
32. Entire Agreement. This Permit constitutes the entire agreement between the parties and supersedes any and all prior understandings, representations, warranties and agreements between them pertaining to this Permit and PERMITTEE'S occupancy, use, development, maintenance and restoration of the Permit Area. Any modification, alteration, or amendment of this Permit shall be in writing and signed by all the parties hereto.
33. Legal Proceedings. If any party brings an action or proceeding against another party under this Permit, the prevailing party shall be entitled to recover from the non-prevailing party all reasonable costs and expenses thereof, including without limitation reasonable attorney fees and costs. The "prevailing party" shall be that party who obtains substantially the result sought, whether by settlement, dismissal, or judgment. If, as a result of an action

brought by or against PERMITTEE in connection with this Permit, CITY intervenes therein, becomes a party, or is made a party thereto, PERMITTEE shall pay all of CITY'S costs and expenses thereof, including without limitation reasonable attorney fees and costs.

34. Notices. Any notice required or permitted to be given under this Permit shall be in writing and may be served personally or delivered by United States mail, postage prepaid, and addressed to PERMITTEE at PERMITTEE'S Address for Notices, and to CITY as follows:

36. Acceptance of Permit Area. By signing this Permit, PERMITTEE represents and warrants that it has independently inspected the Permit Area and made all tests, investigations, and observations necessary to satisfy itself as to the condition of the Permit Area and its suitability for the Permit Use. PERMITTEE further represents and warrants that it is not relying on any representation by CITY as to the condition of the Permit Area or its suitability for the Permit Use, and that PERMITTEE is relying solely on its own and independent inspections, tests, investigations and observations of the Permit Area in entering into this Permit.
