PERMITTEE shall comply with all conditions of the Construction Noise Permit. Permittee may conduct daily safety tailgate meetings prior to commencing work in the Permit Area.
 - 3.6 CITY in its capacity as property owner has allowed PERMITTEE to use the Permit Area for a helicopter landing zone, but PERMITTEE shall be solely responsible for ensuring the Permit Area is fit and appropriate for this use and shall be solely responsible for obtaining all required permits, licenses, and approvals from the applicable local, state and federal authorities, including without limitation from CITY related to this use.
 - 3.7 PERMITTEE shall not conduct refueling activities, store fuel, or allow storage of fuel or refueling in the Permit Area.
4. Governmental Approvals. By entering into this Permit, neither CITY nor CITY's City Council is obligating itself to PERMITTEE or to any governmental agent, board, commission or agency with regard to any other discretionary action relating to PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area. "Discretionary action" includes without limitation re-zonings, variances, environmental clearances and all other required governmental approvals.

5. CITY's Consent, Discretion. CITY's consent or approval under this Permit shall mean the written consent or approval of the Mayor of San Diego, or his or her designee ("Mayor"), unless otherwise required by law or expressly provided herein, and shall be made in the Mayor's discretion, subject to all applicable laws, rules, regulations and directives of competent governmental authorities.
6. Revocable License. This Permit is not a lease. It is a license to use CITY property, and may be revoked at will by CITY, in its sole discretion: (a) if for PERMITTEE's breach or default of any of PERMITTEE's obligations under this Permit; and (b) if for CITY's convenience, upon thirty (30) days prior written notice delivered to PERMITTEE. CITY shall not be obligated for any burden or loss, financial or otherwise, which may be incurred by PERMITTEE as a result of such revocation or the termination of this Permit.
 - 6.1 PERMITTEE's Waiver. PERMITTEE expressly waives any claim against CITY and its elected officials, officers, employees, representatives and agents for any burden, expense or loss which PERMITTEE incurs as a result of CITY's revocation or termination of this Permit.
7. Holdover. If PERMITTEE continues to occupy the Permit Area after the expiration or earlier termination of this Permit, such occupancy shall neither constitute a renewal or extension of this Permit, nor give PERMITTEE any rights in or to the Permit Area. Subject to the Late Removal provisions of this Permit, if PERMITTEE continues to occupy the Permit Area after the expiration or earlier termination of this Permit, CITY may demand and receive from PERMITTEE rent for the Permit Area calculated on a per diem basis using up to two (2) times the fair market rental rate to be determined as of the date of the expiration or termination of this Permit by an appraisal prepared by a qualified appraiser selected by CITY in its sole discretion. CITY's acceptance of such rent shall neither constitute a renewal or extension of the Permit, nor give PERMITTEE any rights in or to the Permit Area.
8. Rent. PERMITTEE shall pay the Annual Rent in advance on the Effective Date.
9. Place of Payment. All payments to be paid by PERMITTEE under this Permit shall be made payable to "City Treasurer" and be mailed to:

San Diego City Treasurer
P.O. Box 129030
San Diego, California 92112-9030

or hand delivered to:

The Office of the City Treasurer
Civic Center Plaza
1200 Third Avenue, First Floor
San Diego, California 92101

CITY may change the place of payment at any time upon thirty (30) days written notice to PERMITTEE. Mailed payments shall be deemed paid upon the date the payment is postmarked by the postal authorities. If postmarks are illegible, the payment shall be deemed received only upon actual receipt.

10. Default and Delinquent Payments. If PERMITTEE fails to make any payment under this Permit when due, PERMITTEE shall pay to CITY, in addition to the unpaid amount, five percent (5%) of the unpaid amount, which shall be additional rent. If any amount of such payment remains unpaid after fifteen (15) days past due, PERMITTEE shall pay to CITY an additional five percent (5%) of the unpaid amount [being a total of ten percent (10%)], which shall be additional rent. Notwithstanding the foregoing, in no event shall the charge for late payment of rent be less than Twenty-Five Dollars (\$25). After thirty (30) days past due, unpaid amounts due CITY under this Permit may be referred to the San Diego City Treasurer for collection, and shall be subject to San Diego Municipal Code section 22.1707, as may be amended from time to time. PERMITTEE shall pay to CITY any collection-referral fee and all other fees and charges plus interest as may then be charged by the San Diego City Treasurer under authority of the San Diego Municipal Code. Acceptance of late charges and any portion of the late payment by CITY shall neither constitute a waiver of PERMITTEE's breach or default with respect to the late payment nor prevent CITY from exercising any other rights and remedies available at law or in equity. As required by law, PERMITTEE is hereby notified that a negative credit report may be submitted to a credit reporting agency if amounts due CITY are not paid when due.

10.1 General. Upon PERMITTEE'S default under this Permit, CITY may pursue any one or more of the remedies listed in this section in addition to any other remedies now or later available to CITY, in law or equity. Such remedies shall be cumulative and not exclusive.

11. Invoicing Courtesy. CITY may invoice PERMITTEE for amounts payable under this Permit. However, any such invoicing shall be deemed a courtesy only; PERMITTEE shall make all payments under this Permit on or before each applicable due date, regardless of being invoiced. No grace period shall apply to any amount payable under this Permit.
12. Termination. PERMITTEE or CITY may terminate this Permit for any reason upon sixty (60) days prior written notice delivered to either party.
13. Restoration of Permit Area. Except as otherwise provided in this Permit, prior to the expiration of this Permit or upon earlier termination of this Permit, PERMITTEE shall begin its efforts to restore the Permit Area to its condition on the Effective Date, normal wear and tear excepted for authorized Permit Uses. Restoration period not to exceed 45 days.
14. Superior Interests. This Permit is subject to all liens, encumbrances, covenants, conditions, restrictions, reservations, contracts, permits and licenses, easements and rights-of-way pertaining to the Permit Area, whether or not of record. PERMITTEE shall obtain all licenses, permits and agreements from such third parties as may be or become necessary or reasonably advisable to allow its use of the Permit Area, relative to any such superior interest. If PERMITTEE's use of the Permit Area is or becomes inconsistent or incompatible with a

preexisting, superior interest, PERMITTEE shall take such actions and pay all costs and expenses necessary to remove such inconsistency or incompatibility to the satisfaction of the holder of the superior interest.

15. Maintenance of Permit Area. PERMITTEE shall, at PERMITTEE's sole cost and expense, maintain the Permit Area and all improvements, fixtures, structures or installations thereon in a decent, safe, healthy and sanitary condition reasonably satisfactory to CITY. PERMITTEE shall keep the Permit Area free and clear of rubbish, debris, litter, weeds and brush to CITY's reasonable satisfaction. CITY shall have no obligation or responsibility to remove debris, or to construct, maintain, repair or replace improvements, fixtures, structures or installations on the Permit Area.
16. Entry and Inspection. CITY may at all times enter and inspect the Permit Area.
17. Utilities. PERMITTEE shall not install utilities in the Permit Area.
18. Improvements/Alterations. PERMITTEE shall not construct any improvements, structures or installations on the Permit Area, and shall not alter the Permit Area without the express written consent of CITY. Except as required by law, CITY shall not be obligated to make any repair or assume any expense for any improvements or alterations to the Permit Area.
19. Improvements and Personal Property.
 - 19.1 Improvements. Upon expiration or termination of this Permit, PERMITTEE shall remove any and all improvements, fixtures, structures and installations or additions to the Permit Area that were constructed or installed on the Permit Area by PERMITTEE ("PERMITTEE Improvements"). PERMITTEE shall, at PERMITTEE's sole cost and expense, remove PERMITTEE Improvements as soon as practicable, but in no event later than sixty (60) days after the expiration or earlier termination of this Permit. PERMITTEE, at its sole cost and expense, shall be responsible for the repair of any and all damage resulting from the removal of PERMITTEE Improvements as required by this Permit. If PERMITTEE fails to remove PERMITTEE Improvements as required, CITY may, at its option, remove them at PERMITTEE's sole cost and expense.
 - 19.2 Personal Property. PERMITTEE shall remove from the Permit Area all PERMITTEE-owned machines, appliances, equipment, trade fixtures and other items of personal property upon the expiration of the Term, or as soon as practicable after termination, but in no event later than thirty (30) days after the expiration or earlier termination of this Permit. CITY may, at its option, remove such items at PERMITTEE's sole cost and expense. PERMITTEE, at its sole cost and expense, shall be responsible for the repair of any and all damage resulting from the removal of its personal property from the Permit Area.
 - 19.3 Post-Permit License. CITY grants permission to PERMITTEE to enter upon and occupy the Permit Area, under the same terms and conditions of this Permit, after the

expiration or earlier termination of this Permit solely for the purpose of removing PERMITTEE Improvements and PERMITTEE's personal property as provided by this Permit. This provision shall survive the expiration or earlier termination of this Permit for the limited time periods stated above.

- 19.4 Late Removal. Notwithstanding any provision of this Permit to the contrary, PERMITTEE shall pay rent to CITY for any period of time after the expiration or termination of this Permit needed to remove PERMITTEE Improvements or personal property as required by this Permit, whether by CITY or PERMITTEE. Such rent shall be calculated on a per diem basis using the rental rate in effect just prior to the expiration or termination of this Permit.
- 19.5 CITY's Right to Acquire Personal Property. If PERMITTEE wants to dispose of any of its personal property used in its operations on the Permit Area upon expiration or termination of this Permit, CITY shall have the first right to acquire such personal property.
20. Insurance. PERMITTEE is permissibly self-insured in the State of California and shall have the right to self-insure required insurance per this section 20. Permittee shall not begin operating under the Permit until it has: (i) obtained, and provided to CITY, Letter of self-insurance and/or certificates reflecting evidence of all insurance as required in Section 20.2; however, CITY reserves the right to request, and PERMITTEE shall submit, copies of any policy upon reasonable request by CITY; (ii) obtained CITY approval of each company or companies as required in Section 20.4; and (iii) confirmed that all policies contain the specific provisions and endorsements as required in this Section.
- 20.1 PERMITTEE's liabilities, including but not limited to PERMITTEE's indemnity obligations, under the Permit, shall not be deemed limited in any way to the insurance coverage required herein. Except as provided for under California law, all policies of insurance required hereunder must provide that CITY is entitled to thirty (30) days prior written notice (10 days for cancellation due to non-payment of premium) of cancellation or non-renewal of the policy or policies. Maintenance of specified insurance coverage is a material element of the Permit and PERMITTEE's failure to maintain or renew coverage or to provide evidence of renewal during the term of the Permit may be treated as a material breach of contract by CITY. Further, PERMITTEE shall not modify any policy or endorsement thereto which increases CITY's exposure to loss for the term of the Permit.
- 20.2 Types of Insurance. At all times during the Term, the PERMITTEE shall maintain self-insurance and/or insurance coverage and shall require PERMITTEE's contractors and subcontractors conducting work on the Permit Area to maintain insurance coverage as follows:

amount of \$2 million per occurrence and subject to an annual aggregate of \$4 million. There shall be no endorsement or modification of the CGL limiting the scope of coverage for either insured vs. insured claims or contractual liability. All defense costs shall be outside the limits of the policy.

- 20.2.2 Commercial Automobile Liability. For all of PERMITTEE's automobiles including owned, hired and non-owned automobiles, PERMITTEE shall keep in full force and effect, automobile insurance written on an ISO form CA 00 01 12 90 or a later version of this form or an equivalent form providing coverage at least as broad for bodily injury and property damage for a combined single limit of \$1 million per occurrence. - 20.2.3 Workers' Compensation. For all of PERMITTEE's employees who are subject to the Permit and to the extent required by the applicable state or federal law, PERMITTEE shall keep in full force and effect, a Workers' Compensation policy. That policy shall provide a minimum of \$1 million of employers' liability coverage, and PERMITTEE shall provide an endorsement that the insurer waives the right of subrogation against CITY and its respective elected officials, officers, employees, agents and representatives.
- 20.3 Deductibles. All deductibles on any policy shall be the responsibility of PERMITTEE and shall be disclosed to CITY at the time the evidence of insurance is provided.
- 20.4 Acceptability of Insurers. Except for the State Compensation Insurance Fund, all insurance required by the Permit shall only be carried by insurance companies with a rating of at least "A-, VI" by A.M. Best Company, that are authorized by the California Insurance Commissioner to do business in the State of California, and that have been approved by CITY. CITY will accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of California and is included on the List of Eligible Surplus Lines Insurers (LESLI list). All policies of insurance carried by non-admitted carriers are subject to all of the requirements for policies of insurance provided by admitted carriers described herein.
- 20.5 Modification. PERMITTEE shall also obtain any additional insurance required by CITY for new improvements, changed circumstances, or CITY's reasonable re-evaluation of risk levels related to the Allowed Uses.
- 20.6 Accident Reports. PERMITTEE shall immediately report to CITY any accident causing property damage or injury to persons on the Premises or otherwise related to the Allowed Uses. Such report shall contain the names and addresses of the involved

parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses and other pertinent information.

- 20.8 Self-Insurance. PERMITTEE shall have the right to self-insure for any or all risks and liabilities required under this Permit and shall provide to CITY a letter of self-insurance as evidence of such coverage in lieu of certificates of insurance.
21. Subcontractors' Insurance and Indemnification of CITY. Unless PERMITTEE's insurance covers work performed by all of PERMITTEE's subcontractors working on the Project or in the Permit Area, PERMITTEE shall require PERMITTEE's subcontractors to indemnify the CITY and to maintain insurance coverage to the same extent that PERMITTEE is required to indemnify the CITY and maintain insurance coverage pursuant to Section 20 herein, including all obligations to provide documentation and all of the endorsements set forth in Section 17, including naming the City of San Diego and its respective elected officials, officers, employees, agents and representatives as an Additional Insured in each insurance policy.

If CITY chooses at its own election to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification, PERMITTEE shall pay all of the costs related thereto, including without limitation reasonable attorney fees and costs.
23. Compliance with Laws. PERMITTEE shall at all times in its use, occupancy, maintenance, and restoration of the Permit Area comply with all applicable laws, rules, regulations and directives of competent governmental authorities, and at PERMITTEE's sole cost and expense. At least annually, or upon City's request, PERMITTEE shall deliver to CITY copies of all requested documentary evidence of such compliance received by or otherwise available to PERMITTEE (e.g., validation of periodic inspections, if applicable).
24. Permits & Approvals. PERMITTEE, at PERMITTEE's sole cost and expense, shall obtain all required permits, licenses, and approvals from the applicable local, state and federal authorities, including without limitation from CITY.
25. California Public Records Act. CITY shall determine, in its sole discretion, whether this Permit or information provided to CITY by PERMITTEE pursuant to this Permit is or is not a public record subject to disclosure under the California Public Records Act ("CPRA"). PERMITTEE shall hold CITY, its elected officials, officers and employees harmless for

CITY's disclosure of any such information in response to a request for information under the CPRA.

- 25.1 CITY shall not be liable or obligated for any burden or loss (financial or otherwise) incurred by PERMITTEE as a result of CITY's disclosure or non-disclosure of this Permit or PERMITTEE information requested pursuant to the CPRA. PERMITTEE shall fully cooperate with any investigation conducted by CITY pursuant to CITY'S Nondiscrimination in Contracting Ordinance (i.e., San Diego Municipal Code sections 22.3501-22.3517, as amended from time to time), and upon CITY's request PERMITTEE shall submit a current Workforce Report. PERMITTEE acknowledges that failure to comply with the requirements of this section and/or submitting false information in response to these requirements may result in termination of this Permit and debarment from participating in CITY contracts for a period of not less than one (1) year.

PERMITTEE shall certify that it will maintain such equal benefits throughout the term of this Permit. PERMITTEE's failure to maintain equal benefits shall be a material breach of this Permit.
30. Disabled Access Compliance. PERMITTEE shall comply with Title 24 of the California Code of Regulations (i.e., the "California Building Code"); the Americans with Disabilities Act of 1990 ("ADA"); and all other applicable state and federal laws and regulations enacted protecting the rights of people with disabilities. 31. CITY Employee Participation Policy. CITY may unilaterally and immediately terminate this Permit if PERMITTEE employs an individual who, within the twelve (12) months immediately preceding such employment did, in their capacity as a CITY officer or employee, participate in negotiations with or otherwise have an influence on a recommendation made to the San Diego City Council related to the selection of PERMITTEE for this Permit. 36. Signs. PERMITTEE shall not erect or display any banners, pennants, flags, posters, signs, decorations, marquees, awnings or similar devices or advertising without CITY's prior written consent. If any such unauthorized item is found on the Permit Area, PERMITTEE shall remove the item at its expense within twenty-four (24) hours after notice by CITY, or CITY may thereafter summarily remove the item at PERMITTEE's cost.
37. Security and Safety of Permit Area. PERMITTEE shall bear sole responsibility for the security and safety of the Permit Area affected by or relating to the Permit Use or activity during the Term. PERMITTEE acknowledges that this Permit may create a possessory interest subject to property taxation, and that PERMITTEE may be subject to the payment of taxes levied on that interest. PERMITTEE shall pay all such possessory interest taxes. PERMITTEE's payment for such taxes, fees and assessments shall not reduce any payment due CITY.

40. Above Ground Storage Tanks.

40.1 Monitoring. If CITY, as permittor under this Permit (rather than in its governmental capacity) allows, and if PERMITTEE installs or maintains, any aboveground storage tanks within the Permit Area (individually and collectively, "Aboveground Tanks"), PERMITTEE shall monitor each Aboveground Tank during the Term in compliance with this Permit and all applicable laws, rules and regulations. PERMITTEE shall conduct daily visual inspections of all Aboveground Tanks and shall permit the San Diego Regional Water Quality Control Board (the "Water Quality Board"), CITY, and all responsible governmental agencies, to conduct periodic inspections of all Aboveground Tanks.

40.2 Reporting. PERMITTEE shall report to CITY each and every unauthorized release of a hazardous substance from Aboveground Tanks within twenty-four (24) hours of each such release.

PERMITTEE shall maintain insurance or other financial means to ensure the fulfillment of its obligations hereunder to pay such fees and costs, including without limitation the costs of corrective actions, compensating third parties for personal injuries or property damage, and compensating CITY for damages to the Permit Area and surrounding CITY-owned property, directly or indirectly caused by any and all releases from Aboveground Tanks. PERMITTEE shall deliver to CITY and maintain evidence, satisfactory to CITY, of such financial responsibility. PERMITTEE shall pay all costs and expenses related to Aboveground Tanks, including without limitation costs and expenses to comply with PERMITTEE's obligations under this Permit.

40.4 Development, Maintenance and Repair. PERMITTEE shall develop, maintain and repair all Aboveground Tanks in compliance with all applicable laws, rules and

regulations of competent governmental authorities, including without limitation the California Health and Safety Code, as presently existing and as may be amended from time to time ("Health & Safety Code"). PERMITTEE shall obtain all required permits and produce and deliver such documents as any and all responsible governmental agencies may require. PERMITTEE shall: (a) comply with all valid orders of the Water Quality Board; (b) file all required aboveground storage tank statements; (c) establish and maintain all required monitoring programs and systems; (d) report all spills as required; and (e) pay all lawfully-imposed penalties and fines.

41. Hazardous Substances. PERMITTEE shall not allow the illegal installation, storage, utilization, generation, sale or release of a Hazardous Substance or otherwise regulated substance in, on, under or from the Permit Area. PERMITTEE and PERMITTEE's agents and contractors shall not install, store, utilize, generate or sell any Hazardous Substance on the Permit Area without CITY's prior written consent. PERMITTEE shall, prior to initiating any operations, obtain all required permits from applicable regulatory agencies, including without limitation the San Diego County Department of Environmental Health, local fire agencies, the San Diego County Department of Weights and Measures, the San Diego County Air Pollution Control District, and the San Diego Regional Water Quality Control Board. Installing, utilizing, storing, or any other presence of a Hazardous Substance includes boxes, bags, bottles, drums, cylinders, above or below ground tanks, equipment with tanks, or any other type of container, equipment or device which holds or incorporates a Hazardous Substance or hazardous waste.
 - 41.1 Release. A "release" shall include without limitation any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping or otherwise disposing of a hazardous substance.
 - 41.2 Hazardous Substance. "Hazardous Substance" shall mean any substance listed by the Environmental Protection Agency or the State of California as a hazardous substance, and all types of petroleum-related substances and their chemical constituents.
 - 41.3 Remediation. If PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area results in a release of a Hazardous Substance, PERMITTEE shall pay all costs of remediation and removal to the CITY's satisfaction for unrestricted reuse of the Permit Area, and in accordance with all applicable laws, rules and regulations of governmental authorities.
 - 41.4 Removal. If PERMITTEE or PERMITTEE's contractor or agent has received approval and permits to store, utilize, generate or install, or otherwise bring Hazardous Substances or hazardous wastes to the Permit Area, PERMITTEE and/or PERMITTEE's contractor or agent shall remove all Hazardous Substances and hazardous wastes in any type of container, equipment or device from the Permit Area immediately upon or prior to the expiration or earlier termination of this Permit. Upon CITY's request, PERMITTEE shall deliver to CITY true copies of

documentation demonstrating the legal removal and/or disposal of the Hazardous Substances and/or hazardous wastes, containers, equipment or devices from the Permit Area. PERMITTEE shall be responsible for any and all costs incurred by CITY to remove any container, equipment or device requiring disposal or removal as required by this provision.

- 41.5 Indemnity. PERMITTEE shall protect, defend, indemnify and hold CITY harmless from any and all claims, costs and expenses related to environmental liabilities resulting from PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area, including without limitation: (i) costs of environmental assessments; (ii) costs of regulatory remediation oversight; (iii) costs of remediation and removal; (iv) any necessary CITY response costs; (v) all fines, penalties or fees assessed by any regulatory agency; (vi) damages for injury to natural resources, PERMITTEE's officers, employees, invitees, guests, agents or contractors, or the public; and (vii) all costs of any health assessments or health effect studies.
- 41.6 Notice of Release. If PERMITTEE knows or has reasonable cause to believe that a Hazardous Substance or petroleum related substance or its chemical constituents has been released on, from or beneath the Permit Area, PERMITTEE shall immediately notify CITY and any appropriate regulatory or reporting agency in compliance with California Code of Regulations Title 19 and all other applicable laws or regulations. PERMITTEE shall deliver a written report thereof to CITY within three (3) days after receipt of the knowledge or cause for belief and submit any required written reports to regulatory or reporting agencies as required by regulation or law. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent release or is an imminent substantial danger to public health and safety, PERMITTEE shall take all actions necessary to alleviate the danger. PERMITTEE shall immediately notify CITY in writing of any violation, notice to comply, or notice of violation received or the initiation of environmental actions or private suits related to the Permit Area.
- 41.7 Environmental Assessment. Upon reasonable cause to believe that PERMITTEE's occupancy, use, development, maintenance or restoration of the Permit Area ("PERMITTEE's Operations"), resulted in any Hazardous Substance being released on, from or beneath the Permit Area, CITY may cause an environmental assessment under regulatory oversight of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE's sole cost and expense, and shall establish what, if any, Hazardous Substances have more likely than not been caused by PERMITTEE's Operations on, in, from or under the Permit Area, and in what quantities. If any such Hazardous Substances exist in quantities greater than allowed by city, county, state or federal laws, statutes, ordinances or regulations, or require future restricted re-use of the Permit Area, then the environmental assessment shall include a discussion of such substances with recommendations for remediation

and removal necessary to effect unrestricted re-use and in compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, as determined by CITY in its sole discretion, CITY may cause the remediation and/or removal recommended in the environmental assessment such that unrestricted re-use of the Permit Area and compliance with environmental law and regulations are achieved, and PERMITTEE shall pay all costs and expenses therefor.

42. Storm Water Pollution Prevention Program. PERMITTEE shall comply with the CITY's Storm Water Management and Discharge Control provisions codified in Division 3 of Chapter 4 of the San Diego Municipal Code, as may be amended, and any and all applicable Minimum Best Management Practice requirements, as defined in the CITY's Jurisdictional Runoff Management Plan, in performing or delivering services at CITY owned, leased, or managed property, or in performance of services and activities on behalf of CITY regardless of location.

PERMITTEE shall comply with all applicable provisions in the CITY's Jurisdictional Runoff Management Plan encompassing citywide programs and activities designed to prevent and reduce storm water pollution within CITY boundaries as adopted by the CITY's City Council on July 1, 2015, via Resolution No. 309791, as may be amended.

PERMITTEE shall comply with each CITY facility or work site's Storm Water Pollution Prevention Plan, as applicable, and institute all controls needed while completing the services to minimize any negative impact to the storm water collection system and environment.

43. Accessibility Assessment. In accordance with California Civil Code section 1938, CITY hereby states that the Permit Area has not been inspected by a Certified Access Specialist (CAsp).
44. Waiver. The property constituting the Permit Area is publicly owned and held in trust for the benefit of CITY's citizens. CITY's failure to insist upon the strict performance of any of PERMITTEE's obligations under this Permit, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect. CITY's waiver of a default shall not be a waiver of any other default. Any waiver of a default must be in a writing executed by CITY to constitute a valid and binding waiver. CITY's delay or failure to exercise a right or seek a remedy shall not be deemed a waiver of that or any other right or remedy under this Permit, at law, or in equity. The exercise of any particular right or the use of any particular remedy for any default shall not waive the use of any other right or remedy for the same default or for another or later default. CITY's acceptance of any rents shall not be a waiver of any default preceding the rent payment. CITY's failure to discover a default or take prompt action to require the cure of any default shall not result in an equitable estoppel, but CITY may at any and all times require the cure of the default.
45. Cumulative Remedies. CITY's rights and remedies under this Permit are cumulative and shall not limit or otherwise waive or deny any of CITY's rights or remedies at law or in equity.

46. Survival. Any obligation which accrues under this Permit prior to its expiration or termination shall survive such expiration or termination.
47. Joint and Several Liability. If PERMITTEE is comprised of more than one person or legal entity, such persons and entities, and each of them, shall be jointly and severally liable for the performance of each and every obligation of PERMITTEE under this Permit.
48. No Affiliation. Nothing contained in this Permit shall be deemed or construed to create a partnership, joint venture or other affiliation between CITY and PERMITTEE or between CITY and any other entity or party, or cause CITY to be responsible in any way for the debts or obligations of PERMITTEE or any other party or entity.
49. Entire Agreement. This Permit constitutes the entire agreement between the parties and supersedes any and all prior understandings, representations, warranties and agreements between them pertaining to this Permit and PERMITTEE's occupancy, use, development, maintenance and restoration of the Permit Area.
