Subject: Re: development plan

Hi Tom,

Mike and I have agreed that it would be in the best interest of the airport if the development plan was adjusted so that the future hangars on the westerly line of Parcel "P" would open toward the East. It would make the hangars more desirable also, due to the prevailing wind. Since the development plan calls for the demolition of the wooden T-hangars and the Nose Dock, there would be a 120' aisle between hangars under one scenario. Under the alternate scenario, there would be 100X100 hangars opening up to 75' aisles on either side. That might be a tight squeeze. If you would like to discuss this in more detail, we are available to meet at your convenience.

Thank you,

Good morning Christian, last week when we spoke the only outstanding issue for our purchase of Aviation Internationals lease that was not solved was the development plan. Have you and Mike made a decision yet?

Development Plan

In accordance with Section 2.5 of the Settlement Agreement and Section 2.1 of the Third Amended and Restated Flat Rate Lease between the City of San Diego, Brown Field Aviation Ventures and Lancair Corp., the following development plan is being submitted:

On or before December 2015, Lancair Corp. will complete a minimum of 20,000 square feet of hangar space valued at a minimum of \$1,000,000. Based on demand, Lancair Corp. will continue to build hangars on the property North of Curran Street. This will require moving existing tenants to our leasehold South of Curran Street. It will also require removal of the Nose Dock buildings and the wooden T-hangars. It has also been discussed that the 98 feet West of Parcel "P" and East of the Border Patrol Nose Dock building will become a Taxi Lane to give access to the land South of Curran Street. We are requesting access to this Taxi Lane so the row of hangars with doors facing West at the West end of Parcel "P" can egress and digress.

CITY OF SAN DIEGO
THIRD AMENDED AND RESTATED
FLAT RATE LEASE
with
BROWN FIELD AVIATION VENTURES

Effective Date _____

DOCUMENT NO. 22-301059
FILED NOV 21 2005
OFFICE OF THE CITY CLERK
SAN DIEGO, CALIFORNIA

CITY OF SAN DIEGO
THIRD AMENDED AND RESTATED
FLAT RATE LEASE

THIS THIRD AMENDED AND RESTATED FLAT RATE LEASE AGREEMENT is executed between THE CITY OF SAN DIEGO, a municipal corporation ("CITY"), and BROWN FIELD AVIATION VENTURES ("LESSEE"), based upon the following facts:

- A. In 1996, CITY and LESSEE entered into a long-term, flat rate lease for approximately fifteen acres at the Brown Field Airport in the Otay Mesa community of the City of San Diego. The leased property included 15,733 square feet of office space. The City Council approved the lease by Ordinance No. O-18361, adopted November 12, 1996.
- B. CITY and LESSEE executed the First Amendment to Lease Agreement on or about March 10, 1997, adding 2.2 acres ("Area H") to the leased property.
- C. CITY and LESSEE executed the Second Amendment to Lease Agreement on or about May 23, 1997, adding 1.78 acres of land and 3,424 square feet of office space ("Area G"). The leased property now totaled 18.98 acres.
- D. CITY and LESSEE executed a Consent to Assignment Agreement on or about April 8, 1999, assigning 2.94 acres and 3,424 square feet of office space ("Area B") to a third party.
- E. CITY and LESSEE executed a Consent to Sublease Agreement on or about April 2, 2001, authorizing LESSEE to sublease the leased premises to Lancair Corporation ("LANCAIR").
- F. On or about September 8, 2003, LESSEE and LANCAIR filed an action against CITY and its Airports Director alleging eleven causes of action, including claims for breach of contract, breach of implied covenant, fraud, intentional interference with prospective economic advantage, violation of FAA Grant Assurances, unfair business practices, common counts, unjust enrichment, federal civil rights violations, inverse condemnation and declaratory relief. (San Diego Sup. Ct. Case No. GIC 817232, "the Civil Action.")
- G. CITY, LESSEE, and LANCAIR have executed a Settlement and Release Agreement finally and forever settling all claims between the parties, including those stated in the Civil Action. As part of the consideration for that Settlement and Release Agreement, CITY and LESSEE amend and restate the existing lease to: (1) add to and delete from the property being leased (§1.1); (2) clarify the use of the office building at 1590 Continental (§§ 1.2.b.); (3) cap the scheduled 2006 market rate rent adjustment at 20% (§ 3.2.a.); (4) waive fees for assignment of the

lease to LANCAIR (§ 4.2); (5) provide terms for extension of the lease term (§ 2.1); (6) provide for a right of first refusal upon expiration of the lease (§ 2.4); and (7) update the parties' development obligations (§ 11.4); all as set forth herein.

NOW THEREFORE, the parties agree as follows:

SECTION 1. USES

1.1. Premises. CITY hereby leases to LESSEE and LESSEE leases from CITY all of that certain real property containing approximately 20.29 acres, all situated in the City of San Diego, County of San Diego, State of California, as set forth in the legal description attached as Exhibit A-1, and as shown on the map attached as Exhibit A-2, both made part of this agreement by this reference (the "premises" or "leased premises"). The leased premises include approximately 30,657 square feet of hangar and office space, including 10,234 square feet of office space in the office building located at 1590 Continental Street. The leased premises also include all improvements located thereon.

1.2. Uses.

- a. Aviation Related Uses Required. Except as set forth in Section 1.2.b., below, it is expressly agreed that the premises are leased to LESSEE solely and exclusively for the purposes of sales, rentals, servicing and repairs of aircraft; construction, sales and rentals of hangar(s) for aviation, aviation parking and tiedowns for aviation; aviation cargo handling; sale of aviation accessories and components, aviation fuel sales; aviation passenger facilities and related offices; operation of aviation flight schools, skydiving activities and related training; car rentals, catering and limo services incidental to aeronautical use ; all in accordance with Section 11.4, and for such other related or incidental aeronautical uses may be first approved in writing by the City Manager and for no other purpose whatsoever. For purposes herein, "aeronautical" shall mean any activity which involves, makes possible, or is required for the operation of aircraft, or which contributes to, or is required for the safety of such operations at an airport. LESSEE shall not deny access to other users of the ramp from the Curran Street entrance. Except as set forth in Section 1.2.b., use of City-owned buildings on the lease shall be for aeronautical related activities only and in addition to the use limitations of this Lease, unauthorized uses shall include non-aeronautical uses that have not been approved by the FAA.
- b. 1590 Continental Office Building. The office building located at 1590 Continental Street may be used for general office use at fair market rent, pursuant to the following terms and conditions:
 - (1) Priority for Aviation Uses. LESSEE shall give aviation-related tenants first priority over non-aviation tenants to lease available space in the 1590 Building. All subleases with non-aviation tenants shall be on a month-to-month basis in order to provide flexibility to obtain aviation related tenants. LESSEE shall provide an annual report to CITY setting forth all of the tenants in the 1590 Building and identifying the business of the

respective tenants as aviation or non-aviation. Such report shall include copies of all leases and state the efforts LESSEE has made to give first priority to aviation related tenants in the 1590 Building.

- (2) Waiver or Reduction of Approval Fee. City shall waive the administrative fee for approval of aviation-related subleases for space in the 1590 Building. The administrative fee for approval of non-aviation related subleases for space in the 1590 Building shall be \$200 per sublease.
 - (3) Automotive Sales. With respect to automotive sales tenants, (a) all automotive sales subleases shall require off-site storage, forbid test driving and storage on airport property, and shall forbid auto-related banners, streamers, signs or other "car lot" style advertising, (b) the sublease may provide for two-parking spaces for the automotive sales subtenant, subject to the above terms, and (c) the City will execute the required DMV certificates provided consent has been given to the sublease. Plaintiffs shall indemnify and hold harmless the City from any and all actions brought by any federal, state or local agency or any entity or individual bringing any action against the City for alleged zoning violations arising from, connected to or associated with the issuance of DMV certificates at 1590 Continental Street.
- c. Termination For Failure to Properly Use. LESSEE covenants and agrees to use the premises for the above-specified purposes and to diligently pursue said purposes throughout the term hereof. Failure to continuously use the premises for said purposes or the use thereof for purposes not expressly authorized herein, shall be grounds for termination by CITY.
 - d. Default for Unauthorized Use. The use of the premises for any unauthorized purpose shall, after reasonable notice and opportunity to cure, constitute a substantial default and subject this lease to termination at the sole option of the CITY.
- 1.3. Related Council Actions. By the granting of this lease, neither CITY nor the Council of CITY is obligating itself to any other governmental agent, board, commission, or agency with regard to any other discretionary action relating to development or operation of the premises. Discretionary action includes, but is not limited to rezoning, variances, environmental clearances or any other governmental agency approvals which may be required for the development and operation of the leased premises.
 - 1.4. Quiet Possession. LESSEE, paying the rent and performing the covenants and agreements herein, shall at all times during the term peaceably and quietly have, hold and enjoy the premises. If CITY for any reason cannot deliver possession of the premises to LESSEE at the commencement of the term, or if during the lease term LESSEE is temporarily dispossessed through action or claim of a title superior to CITY'S, then and in either of such events, this lease shall not be voidable nor shall CITY be liable to LESSEE for any loss or damage resulting therefrom, but there shall be determined and stated in writing by the City Manager of CITY a proportionate reduction of the minimum

or flat rate rent for the period or periods during which LESSEE is prevented from having the quiet possession of all or a portion of the premises. If, for any reason, the airport is closed for more than fifteen days, the CITY shall grant proportionate rent credits or discounts for LESSEE'S loss of use.

1.5. Easements and Reservations.

- (1) CITY hereby reserves all rights, title and interest in any and all subsurface natural gas, oil, minerals and water on or within the premises.
- (2) CITY reserves the right to grant and use easements or to establish and use rights-of-way over, under, along and across the leased premises for utilities, thoroughfares, or access as it deems advisable for the public good.
- (3) CITY has the right to enter the premises for the purpose of making repairs to or developing municipal resources and services upon reasonable notice to LESSEE.

However, CITY shall not unreasonably or substantially interfere with LESSEE'S use of the premises and will reimburse LESSEE for physical damages, if any, to the permanent improvements located on the leased premises resulting from CITY exercising the rights reserved in this section. Such reimbursement may include a reduction in the rent proportionate to the amount of physical damage as determined by CITY. CITY will pay the costs of maintenance and repair of all CITY installations made pursuant to these reserved rights.

1.6. Competent Management. Throughout the term of this Lease Agreement, LESSEE shall provide competent management of the leased premises to the satisfaction of the City Manager. For the purposes of this paragraph, "competent management" shall mean demonstrated ability in the management and operation of aviation-related businesses.

1.7. Political Activities. The leased premises shall be used exclusively for the purposes specified in Section 1, Uses, hereof. The premises shall not be used for working or campaigning for the nomination or election of any individual to any public office, be it partisan or nonpartisan. Provided, however, that LESSEE shall not be precluded from providing a forum for open public debate by candidates such as occurs at a "candidate forum" and similar events.

1.8. Parking. Parking shall be restricted to the leased premises.

SECTION 2. TERM

2.1. Commencement. The term of this agreement shall be thirty-five years beginning on December 1, 1996 (the first day of the month following execution of the original agreement by the City Manager) and ending November 30, 2031 ("Term"). "Lease year" as used in this lease shall mean the 12-month period following commencement.

The Term shall be extended for a period of ten years (December 1, 2031 to November 30, 2041, the "Additional Term") upon the written approval by the City Manager of a new

development plan submitted by LESSEE for the Premises ("New Development Plan") requiring that LESSEE make significant capital improvements to the Premises at a cost of not less than \$1,000,000 and including construction of not less than 20,000 square feet of new hangar space, all to be completed within ten years after the effective date of this Third Amended and Restated Lease. For this provision to take effect, LESSEE must submit the New Development Plan within 180 days of the City's execution of this Third Amended and Restated Lease and obtain the City Manager's written approval of it.

LESSEE shall have the option to extend the Term for an additional ten years (the "Option Term") beyond the expiration of the Additional Term by giving City written notice of its election to exercise its option not later than 180 days prior to the expiration of the Additional Term, i.e., before May 31, 2041, provided, however, that LESSEE's right to exercise the option shall be contingent upon LESSEE having completed the improvements required by the Development Plan and being in compliance with the Third Amended and Restated Lease, including any subsequent amendments. The rent for the Additional Term and the Option Term shall be calculated pursuant to Section 3, Rent.

- 2.2. Holdover. Any holding over by LESSEE after expiration or termination shall not be considered as a renewal or extension of this lease. The occupancy of the premises after the expiration or termination of this agreement constitutes a month-to-month tenancy, and all other terms and conditions of this agreement shall continue in full force and effect; provided, however, CITY shall have the right to apply a reasonable increase in rent to bring the rent to fair market value and to terminate the holdover tenancy at will.
- 2.3. Surrender of Premises. At termination of this lease for any reason, LESSEE shall execute, acknowledge, and deliver to CITY, within five (5) days after written CITY demand, a valid and recordable quitclaim deed covering all of the premises. The premises shall be delivered free and clear of all liens and encumbrances, and in a decent, safe and sanitary condition.

If LESSEE fails or refuses to deliver the required deed, CITY may prepare and record a notice reciting LESSEE'S failure to execute this lease provision and the notice will be conclusive evidence of the termination of this lease and all LESSEE'S rights to the premises.

- 2.4. Right of First Refusal. The CITY does not grant a right to the LESSEE to negotiate exclusively for a new lease. The CITY reserves the right to solicit and/or receive a bona fide offers from third parties to lease the Premises after the end of Lessee's tenancy on terms and conditions acceptable to the CITY. If CITY receives a bona fide offer from a third party to lease the Premises after the end of LESSEE's tenancy on terms and conditions acceptable to CITY (having obtained the necessary approval from the City Council) and provided that LESSEE is in compliance with this Third Amended and Restated Lease and any subsequent amendments, CITY shall provide LESSEE a written notice of such offer ("Notice of Right of First Refusal") and LESSEE shall have the right to lease the Premises on the same terms and conditions set forth in such offer. LESSEE shall have the right for thirty days after receipt of the Notice of Right of First Refusal to accept the terms set forth in the Notice. If LESSEE accepts the terms, LESSEE and CITY shall execute a new lease setting forth such terms.

SECTION 3. RENT

- 3.1. Time and Place of Payment. Rent is due monthly in advance on or before the first day of each calendar month. All monthly rents will be prorated during the first and final months of any rental period in order to achieve payment on the first day of each calendar month. Checks should be made payable to the City Treasurer and mailed to the Office of the City Treasurer, City of San Diego, P.O. Box 2289, San Diego, California 92112-4165, or delivered to the Office of the City Treasurer, Civic Center Plaza Building, 1200 Third Avenue, First Floor, San Diego, California.

The place and time of payment may be changed at any time by CITY upon thirty (30) days' written notice to LESSEE. Mailed rental payments shall be deemed paid upon the date such payment is postmarked by the postal authorities. If postmarks are illegible, the payment shall be deemed paid upon actual receipt by the City Treasurer. LESSEE assumes all risk of loss and responsibility for late payment charges if payments are made by mail.

3.2. Rent

- a. Rent Amount. The rent is \$8,635.51 per month (comprised of 20.2933 acres at \$350/acre = \$7,102.66, plus 3,424 square feet of office space at 6851 Curran (Bldg. 2006 in Area G) at \$0.05 = \$171.20, plus 11,500 square feet of hangar space at 7060 Curran (Area P) at \$0.05 = \$575.00, plus 2,075 square feet of office space at 1424 Continental (Bldg 2002 in Area E) at \$0.05 = \$103.75, plus 10,234 square feet of office space at 1590 Continental (Bldg 1221 in Area F) at \$0.05 = \$511.70, plus 3,424 square feet of office space at 7060 Curran (Area P) at \$0.05 = \$171.20).
- b. Rent shall be renegotiated at the end of the tenth (2006), twentieth (2016) and thirtieth (2026), (and fortieth (2036) and fiftieth (2046) provided the lease term is extended) years to reflect market conditions, subject to arbitration as hereinafter provided. The 2006 market rate adjustment shall not exceed twenty percent (20%) of the existing rental rate.

Said rent is also subject to adjustments based on increases, if any, in the Consumer Price Index (CPI) as hereinafter provided.

- c. (1) CPI Adjustments. At the end of the fifth (2001), fifteenth (2011), and twenty-fifth (2021), (and thirty-fifth (2031) and forty-fifth (2041) provided the lease term is extended) year following the effective date of the lease, the rent shall be adjusted to reflect increases in the Consumer Price Index (CPI).

The index used will be the CPI for "All Urban Consumers" for Los Angeles/Riverside/Orange Counties, California. If this index is no longer published, the index for adjustment will be the U.S. Department of Labor's "Comprehensive Official Index" most comparable to the aforesaid index. If a rental adjustment is calculated using an index from a different base year than 1982-84, which equaled a base figure of 100 for the CPI, the base figure used will

first be converted under a formula supplied by the Bureau of Labor Statistics or its successor.

If the Department of Labor indices are no longer published, another index generally recognized as authoritative will be substituted by agreement of CITY and LESSEE. If the parties cannot agree within sixty (60) days after demand by either party, a substitute index will be selected by the Chief Officer of the Regional Office of the Bureau of Labor Statistics or its successor, notwithstanding continued reference herein to "CPI" in any event.

Regardless of the index publication dates, the effective date of the rent adjustment is as specified in this Subsection b.(1) CPI Adjustments. Until the rent adjustment can be reasonably determined by the index method, LESSEE shall continue to make payments at the existing rental rate. When the adjustment is determined, the balance of rents due at the adjusted rate will be paid to CITY within thirty (30) days. In no event shall the adjusted rent as established by the Consumer Price Index be less than the rent in existence immediately prior to the adjustment date.

(2) CPI Adjustment Computation. The rent for each rental period following the adjustment, until the next adjustment or other rental determination as provided herein, shall be determined prior to the date of adjustment by multiplying the rent which is effective immediately prior to said adjustment by the "adjustment figure" established as follows:

The "adjustment figure" shall be established by dividing the "current index" by the "base figure", both as defined herein:

The "base figure" for the first such adjustment shall be a three-month average of index figures published by said CPI using the fourth, fifth and sixth full months preceding the effective date of this agreement.

To illustrate, if the lease began in May, the CPI figures for November (sixth month), December (fifth month) and January (fourth month) preceding May would be averaged to establish the base figure (Example 1).

The "current index" shall be a three-month average of index figures published by said CPI. The three months to be used to establish said average shall be the fourth, fifth and sixth full months preceding the adjustment date.

The "base figure" for each successive adjustment shall be the "current index" figure used in the last preceding adjustment period (Example 2).

Example 1: Current Index 121
 Base Figure 110 = 1.10 (Adjustment Figure)

Effective Rent x 1.10 = Adjusted Rent

Example 2: Current Index 138
Base Figure 121 = 1.14 (Adjustment Figure)

Effective Rent x 1.14 = Adjusted Rent

The adjustment figure is then multiplied by the monthly rent from the preceding adjustment period to determine the new rent. Using the foregoing examples, if the rent is now \$1,000 per month, after the first adjustment it will be \$1,100 per month (\$1,000 x 1.10). In the second adjustment it will be \$1,254 per month (\$1,100 x 1.14).

- d. Market Value Adjustments. In addition to said CPI adjustments, at the end of the tenth, twentieth and thirtieth (and fortieth and fiftieth if the lease term is extended) year following the effective date of this agreement, subject to the aforesaid CPI adjustments, the rent for the ensuing five years shall be determined by multiplying the capitalization rate of ten percent by the fair market value of the leased premises as of the adjustment date.

The fair market value shall be determined by an appraisal made by a professional real estate appraiser selected by mutual consent of the parties from the list of appraisers approved by CITY. In the event the parties cannot reach agreement upon selection of a mutually acceptable appraiser, then CITY and LESSEE shall each select a professional independent real estate appraiser, which third appraiser will be employed to make the appraisal of fair market value of the premises and which value shall be utilized to determine the adjusted rent previously described herein. In the event that the two selected appraisers fail to mutually select a third appraiser within thirty (30) days, then the third appraiser will be appointed by the presiding judge of the Superior Court of the State of California, County of San Diego, acting in his or her individual capacity, on prompt application by either CITY or LESSEE with notice thereupon to the other party. In the event that the Superior Court judge declines to make the appointment, the parties hereto agree that the third appraiser shall be promptly determined in accordance with the rules of the American Arbitration Association. Said third appraiser shall complete the assignment within sixty (60) days of appointment. Each party shall pay the cost of its own selected appraiser and both CITY and LESSEE agree to equally share the cost of the mutually selected or court appointed third appraiser. CITY and LESSEE agree to accept and be bound by the valuation determined by the selected or appointed appraiser.

In establishing the fair market value of the premises, the appraiser shall consider the property as a fee simple absolute estate and as vacant and available for lease or sale for the authorized purposes of this lease at the commencement of the period under review.

The date of value of the appraisal shall be the date of rental adjustment as hereinabove established. In the event the appraisal is not completed in time to permit the adjustment to be made upon the date specified, LESSEE agrees to continue to pay rent in accordance with the then existing lease rates and the

adjustment, when determined, will be retroactive to said effective date of rental adjustment. Any deficiency shall be paid by LESSEE to CITY within thirty (30) days after determination of the new rental rate. In no event shall the adjusted rent, as established by periodic appraisals as provided for herein, be less than the rent in existence immediately prior to the adjustment date.

- 3.3. Delinquent Rent. If LESSEE fails to pay the rent when due, LESSEE will pay in addition to the unpaid rents, five percent (5%) of the delinquent rent. If the rent is still unpaid at the end of fifteen (15) days, LESSEE shall pay an additional ten percent (10%) [being a total of fifteen percent (15%) which is hereby mutually agreed by the parties to be appropriate to compensate CITY for loss resulting from rental delinquency, including lost interest opportunities, legal costs, and the cost of servicing the delinquent account.
- 3.4. Inspection of Records. LESSEE agrees to make available to CITY for inspection at all reasonable times copies of any leases or other documents so that CITY can determine LESSEE'S compliance with this Lease. Such records will be made available by LESSEE at the leased premises. LESSEE'S failure to keep and maintain such records and make them available for inspection by CITY is a breach of this Lease. LESSEE shall maintain all such records for a minimum period of five (5) years.

SECTION 4. ASSIGNMENT

- 4.1. Time is of Essence: Provisions Binding on Successors. Time is of the essence of all of the terms, covenants and conditions of this lease and, except as otherwise provided herein, all of the terms, covenants and conditions of this lease shall apply to, benefit and bind the successors and assigns of the respective parties, jointly and individually.
- 4.2. Assignment and Subletting. LESSEE shall not assign this lease, or any interest therein, and shall not sublet the premises or any part thereof, or any right or privilege appurtenant thereto, or suffer any other person, except employees, agents and guests of LESSEE, to use or occupy the premises or any part thereof, without the prior written consent of the City Manager in each instance. A consent to assignment, subletting, occupation or use by any other person shall not be deemed to be a consent to any subsequent assignment, subletting, occupation or use by another person. Any such assignment or subletting without such consent shall be void, and shall, at the option of CITY, terminate this lease. This lease shall not, nor shall any interest therein, be assignable, as to the interest of LESSEE, by operation of law, without the written consent of the City Manager.

"Assignment," for the purposes of this clause shall include any transfer of any ownership interest in this lease by LESSEE or by any partners, principals, or stockholders, as the case may be, from the original LESSEE, its general partners or principals.

Approval of any assignment or sublease shall be conditioned upon the assignee or sublessee agreeing in writing that it will assume the rights and obligations thereby assigned or subleased and that it will keep and perform all covenants, conditions and provisions of this agreement which are applicable to the rights acquired. The City Manager may require, as a condition to approval of any sublease or assignment, that the proposed sublessee or assignee pay additional rent to CITY to equal the full fair market

rent justifiable at the date of such proposed sublease or assignment and that this lease or the requested sublease otherwise be revised to comply with standard CITY lease requirements that are then current.

CITY hereby waives the administrative fee for approval of a sublease of office space at 1590 Continental Street for aviation-related uses, as defined in Section 1.2.a. and as set forth in Section 1.2.b.

CITY hereby waives the payment of fees for and consents to the assignment of this Third Amended and Restated Lease, in its entirety and on a single occasion, to Lancair Corp., a Nevada corporation, as that corporation is owned and organized as of the date of City's execution of this Third Amended and Restated Lease.

- 4.3. Encumbrance. Subject to prior consent by CITY, which shall not be unreasonably withheld, LESSEE may encumber this lease, its leasehold estate, and its improvements thereon by deed of trust, mortgage, chattel mortgage, or other security instrument to assure the payment of a promissory note or notes of LESSEE, upon the express condition that the proceeds of such loan or loans be devoted exclusively to the purpose of developing the leased premises in accordance with Section 6.14, Development Plan, hereof. However, a reasonable portion of the loan proceeds may be disbursed for payment of incidental costs of construction, including but not limited to the following: off-site improvements for service of the premises; on-site improvements; escrow charges; premiums for hazard insurance or other insurance or bonds required by CITY; title insurance premiums; reasonable loan costs such as discounts, interest, and commissions; and architectural, engineering, and attorneys' fees and other normal expenses incidental to such construction.

Any subsequent encumbrances on the premises or on any permanent improvements thereon must first have the approval in writing of the City Manager. Such subsequent encumbrances shall also be for the exclusive purpose of development of the premises. Provided, however, after the premises are fully developed in accordance with said Development Plan to the satisfaction of the City Manager, proceeds from refinancing or from such subsequent encumbrances may be used to reduce LESSEE'S equity so long as LESSEE pays additional consideration to CITY as set forth in Section 4.4, Additional Consideration to CITY, hereof, and further that LESSEE understands and specifically agrees that the City Manager shall have the sole and absolute discretion to approve, disapprove, or condition any such proposal, subsequent encumbrance, including but not limited to amending the lease to provide then-current rents and provisions.

In the event any such approved deed of trust or mortgage or other security-type instrument should at any time be in default and be foreclosed or transferred in lieu of foreclosure, CITY will accept the approved mortgagee or beneficiary thereof as its new tenant under this lease with all the rights, privileges, and duties granted and imposed in this lease.

Upon prior written approval by CITY, said mortgagee or beneficiary may assign this lease to its nominee, if nominee is a reputable, qualified, and financially responsible person or entity and willing and able to operate an aviation business pursuant to the uses

allowed hereunder in the opinion of CITY. Any deed of trust, mortgage, or other security instrument shall be subject to all of the terms, covenants, and conditions of this lease and shall not be deemed to amend or alter any of the terms, covenants, or conditions hereof. Pursuant to City Charter Section 225, the City Manager must review and approve every person or entity which will have a financial interest in this lease. The City Manager's approval will not be unreasonably withheld, provided all such persons and entities are of good character and reputation in the community.

- 4.4. Additional Consideration to CITY. LESSEE acknowledges that CITY expends considerable sums for maintenance of areas adjacent to the leasehold. LESSEE further acknowledges that the expenditure of such funds enhances the value of the leasehold. LESSEE and CITY agree that the exact amount of such enhancement is impossible to ascertain. However, CITY desires to be reimbursed to a reasonable extent in consideration for the continued maintenance of adjacent areas. Therefore, LESSEE and CITY agree that except as otherwise provided in this agreement, in the event of an assignment, in the event of subletting of the majority portion of the leasehold, or in the event of a refinancing creating an encumbrance against the leasehold after the permanent improvements have been constructed, pursuant to the Development Plan as described in Section 6.14 hereof; LESSEE shall pay to CITY two percent (2%) of the gross amount paid for the leasehold in connection with an approved assignment of the lease, one percent (1%) of any amount paid LESSEE in consideration of a sublease of all or a majority portion of the leasehold, or two percent (2%) of the amount of any increased loan or encumbrance against the property over and above the amount of the then existing balance(s) of the existing encumbrance(s). The amount upon which the two percent (2%) shall be based shall be the total consideration resulting from the transaction including total cash payments and the market value of noncash consideration, including but not limited to stocks, bonds, deferred payments, secured and unsecured notes, and forbearances regarding claims and judgments. Prior to CITY'S consent to any assignment, majority subletting, or refinancing, LESSEE shall deliver to CITY a written statement of all sums due and owing to CITY from LESSEE pursuant to the provisions of this paragraph, together with an acknowledgement from the proposed assignee, sublessee, or refinancing agency as to the amount due CITY. The sum due CITY shall be payable in full to CITY concurrent with the completion of the transaction, be it an assignment, a sublease, or a refinancing. Any assignment, subletting, or refinancing in violation of the terms and conditions of this paragraph shall be void. The provisions of this paragraph shall not apply to:

- a. An assignment or transfer of a beneficial interest in the leasehold resulting from devise bequest, intestate succession, or by operation of law for the benefit of the spouse or descendants (i) of LESSEE (if an individual) or (ii) of LESSEE'S principal owner or chief executive officer (if LESSEE is other than an individual);
- b. Such other assignment for which the City Manager determines that the legal and equitable ownership interests in the leasehold have remained unchanged, such as a change in the legal or fictitious name of the LESSEE without any other change in the equity in beneficial use of, or legal title to, the leasehold as an asset or the income produced thereby.

4.5. Defaults and Remedies. On the occurrence of a default by LESSEE, CITY shall have the right to pursue any one or more of the remedies listed in this section in addition to any other remedies now or later available to CITY in law or equity. These remedies are cumulative, not exclusive.

a. Defaults. Each of the following shall constitute an event of default under this lease:

- (1) LESSEE'S failure to make any payments required under this Lease when due; or
- (2) LESSEE defaults in the performance of any covenant or condition required by this Lease, including, without limitation, any use of the premises for any unauthorized purpose, other than those requiring payment to CITY, to be performed by LESSEE and fails to cure the default within thirty (30) days following written notice thereof from CITY; or if any default is not curable within thirty (30) days, and LESSEE fails to commence to cure the default(s) within the thirty (30) day period and diligently pursue cure to completion; or
- (3) LESSEE voluntarily files any petition under any bankruptcy or insolvency act or law; or
- (4) LESSEE has involuntarily filed against it any petition under any bankruptcy or insolvency act or law and the matter is not dismissed within ninety (90) days of filing; or
- (5) LESSEE is adjudicated a bankrupt; or
- (6) LESSEE makes a general assignment for the benefit of creditors.

b. Remedies.

- (1) For Default Based Upon Nonpayment. Upon default by LESSEE for nonpayment under Section 4.5.a.(1) above, CITY may, at its option, give LESSEE, or any person claiming rights through LESSEE, a written Three-Day Notice to Pay or Quit or CITY may terminate the Lease and all rights of LESSEE and of all persons claiming rights through LESSEE to the premises or to possession of the premises and CITY may enter and take possession of the premises and may recover the sum set forth below.
- (2) For Any Other Default. Upon default by LESSEE based upon Section 4.5.a.(2)-(7) above, CITY may, at its option, terminate the Lease and all rights of LESSEE and of all persons claiming rights through LESSEE to the premises or to possession of the premises, and may recover from LESSEE the sums set forth below. However, in the event that any default described in Section 4.5.a.(2)-(7) is not curable within thirty (30) days after notice to LESSEE, CITY will not terminate this Lease pursuant to

the default if LESSEE immediately commences to cure the default and diligently pursues the cure to completion.

- (3) In the event that there is a deed of trust or mortgage on the leasehold interest, CITY shall give the mortgagee or beneficiary written notice of the default(s) complained of and the same mortgagee or beneficiary shall have thirty (30) days from such notice to cure the default(s) or, if any such default is not curable within thirty (30) days, to commence to cure the default(s) and diligently pursue such cure to completion. The thirty-day period may be extended during such time as mortgagee or beneficiary pursues said cure with reasonable diligence. If the mortgagee or beneficiary shall be required to exercise its right to cure said default(s) through litigation or through foreclosure, then CITY shall have the option of the following courses of action in order that the default(s) may be expeditiously corrected:

(a) CITY may correct said default(s) and charge the costs thereof to the account of LESSEE, which charge shall be due and payable on the date that the rent is next due after presentation by CITY to LESSEE and mortgagee or beneficiary of a statement of said costs.

(b) CITY may correct said default(s) and may pay the costs thereof from the proceeds of any insurance fund held by CITY, CITY and LESSEE or by CITY and mortgagee or beneficiary, or CITY may use the funds of any faithful performance or cash bond on deposit with CITY, or CITY may call on the bonding agent to correct the default(s) or to pay the costs of correction performed by the CITY.

(c) CITY may terminate this Lease as to the rights of LESSEE by assuming or causing the assumption of liability for any trust deed or mortgage. LESSEE agrees to assume and pay any and all penalties or bonuses required by the beneficiaries, trustees or mortgagees as a condition for early payoff of the related obligations by CITY. CITY may, as an alternative, substitute for the terminated LESSEE a new LESSEE reasonably satisfactory to the mortgagee or beneficiary. Any reasonable costs incurred by CITY in releasing to a new tenant shall be the responsibility of the terminated LESSEE, and LESSEE hereby agrees to reimburse CITY for any such costs.

Should the default(s) be noncurable by LESSEE, then any lender holding a beneficial interest in the leasehold, whose qualifications as an assignee have been approved by CITY, shall have the absolute right to substitute itself to the estate of LESSEE hereunder and to commence performance of this Lease. If such mortgagee or beneficiary shall give notice in writing of its election to so substitute itself within the thirty-day period after receiving written notice by CITY of the default, and the default, if curable, is cured by such mortgagee or beneficiary, then this lease shall not terminate pursuant to the default. In that event, CITY expressly consents

to the substitution and authorizes the mortgagee or beneficiary to perform under this lease with all the rights, privileges, and obligations of LESSEE, subject to cure of the default, if possible, by mortgagee or beneficiary. LESSEE expressly agrees to assign all its interest in and to its leasehold estate to mortgagee or beneficiary in that event.

- (4) Upon termination of this lease due to default, CITY may recover the sum of:
 - (a) the worth at the time of award of any unpaid rent that had been due at the time of termination;
 - (b) the worth at the time of award of the amount by which (i) the unpaid rent that would have been earned after termination until the time of award minus (ii) the amount of rent lost, if any, and that LESSEE affirmatively proves could have been reasonably avoided;
 - (c) the worth at the time of award of the amount by which (i) the unpaid rent for the balance of the term after the time of the award minus (ii) the amount of rental lost, if any, and that LESSEE affirmatively proves could be reasonably avoided;
 - (d) any other amount necessary to compensate CITY for the detriment proximately caused by LESSEE's failure to perform LESSEE's obligations or that, in the ordinary course of things, would be likely to result; and
- (5) all other amounts in addition to or in lieu of those previously stated as may be permitted by California law. As used in clauses (a) and (b) of this section, the "worth at time of award" is computed by allowing interest at the rate of ten percent (10%) per annum. As used in clause (c) of this section, the "worth at the time of award" is computed by discounting that amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus two percent (2%). As used in this section, the term "rent" shall include base rent, percentage rent, if any, and any other payments required of LESSEE.

- b. Abandonment by LESSEE. Even though LESSEE has breached the Lease and abandoned the premises, this Lease shall continue in effect for so long as CITY does not terminate this Lease, and CITY may enforce all its rights and remedies under this Lease, including but not limited to the right to recover the rent as it becomes due, plus damages. Any personal property left at the premises thirty days after the expiration or earlier termination of this Lease shall be considered abandoned and LESSEE forfeits all ownership to the abandoned personal property. CITY may dispose of the abandoned personal property as it deems appropriate, without further liability to LESSEE or any person claiming an interest in the personal property. CITY may, at its option, remove or dispose of

the abandoned personal property at LESSEE's expense. LESSEE shall hold CITY harmless and shall defend CITY against all claims asserted by third persons claiming an interest in the personal property.

- c. Waiver. Any CITY waiver of a default is not a waiver of any other default. Any waiver of a default must be in writing and be executed by the City Manager in order to constitute a valid and binding waiver. CITY delay or failure to exercise a remedy or right is not a waiver of that or any other remedy or right under this lease. The use of one remedy or right for any default does not waive the use of another remedy or right for the same default or for another or later default. CITY'S acceptance of any rents is not a waiver of any default preceding the rent payment. CITY and LESSEE specifically agree that the property constituting the premises is CITY-owned and held in trust for the benefit of the citizens of the City of San Diego and that any failure by the City Manager or CITY staff to discover a default or take prompt action to require the cure of any default shall not result in an equitable estoppel, but CITY shall at all times, subject to applicable statute of limitations, have the legal right to require the cure of any default when and as such defaults are discovered or when and as the City Council directs the City Manager to take action or require the cure of any default after such default is brought to the attention of the City Council by the City Manager or by any concerned citizen.

4.6. Eminent Domain. If all or part of the premises are taken through condemnation proceedings or under threat of condemnation by any public authority with the power of eminent domain, the interests of CITY and LESSEE (or beneficiary or mortgagee) will be as follows:

- a. In the event the entire premises are taken, this lease shall terminate on the date of the transfer of title or possession to the condemning authority, whichever first occurs.
- b. In the event of a partial taking, if, in the opinion of CITY, the remaining part of the premises is unsuitable for the lease operation, this lease shall terminate on the date of the transfer of title or possession to the condemning authority, whichever first occurs.
- c. In the event of a partial taking, if in the opinion of CITY, the remainder of the premises is suitable for continued lease operation, this lease shall terminate in regard to the portion taken on the date of the transfer of title or possession to the condemning authority, whichever first occurs, but shall continue for the portion not taken. The minimum rent shall be equitably reduced to reflect the portion of the premises taken.
- d. Award. All monies awarded in any such taking shall belong to CITY, whether such taking results in diminution in value of the leasehold or the fee or both; provided, however, LESSEE shall be entitled to any award attributable to the taking of or damages to LESSEE'S then remaining leasehold interest in

installations or improvements of LESSEE. CITY shall have no liability to LESSEE for any award not provided by the condemning authority.

- e. Transfer. CITY has the right to transfer CITY'S interests in the premises in lieu of condemnation to any authority entitled to exercise the power of eminent domain. If a transfer occurs, LESSEE shall retain whatever interest it may have in the fair market value of any improvements placed by it on the premises in accordance with this lease.
- f. No Inverse Condemnation. The exercise of any CITY right under this lease shall not be interpreted as an exercise of the power of eminent domain and shall not impose any liability upon CITY for inverse condemnation.

SECTION 5. INSURANCE RISKS/SECURITY

- 5.1. Indemnity. LESSEE agrees to defend, indemnify, protect, and hold CITY, its officials, agents, officers, representatives, and employees harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to LESSEE'S employees, invitee, guests, or officers, which arise out of or are in any manner directly or indirectly connected with the development or operation of the leasehold or the work to be performed under this agreement, and all expenses of investigating and defending against same: provided however, that LESSEE'S duty to indemnify and hold harmless shall not include any claims or liability arising from the established active negligence, sole negligence or sole willful misconduct of CITY, its officials, agents, officers, representatives, or employees.

- 5.2. Insurance.

- a. LESSEE shall take out and maintain at all times during the term of this lease the following insurance at its sole expense:
 - (1) Airport general liability insurance with limits of not less than Five Million Dollars (\$5,000,000) per occurrence/Five Million Dollars (\$5,000,000) aggregate. This policy shall cover all claims for personal or bodily injury, including death, or property damage suffered by any party or parties from acts or failures to act by CITY or LESSEE or by authorized representatives of CITY or LESSEE on or in connection with the use or operation of the Premises. This coverage must be primary and non-contributory with respect to any coverage of self-insurance maintained by CITY.
 - (2) Hangar Keeper's Insurance. LESSEE agrees to maintain the following insurance at its sole expense, during the term of this lease: Hangar Keeper's Insurance sufficient to cover any aircraft hangared for others. The insurance is subject to the same requirements, restrictions and penalties in the event of failure to provide or maintain as detailed under the insurance provision of this lease.

- (3) Fire, extended coverage, and vandalism insurance policy on all insurable property on the premises in an amount to cover 100 percent of the replacement cost. Any proceeds from a loss shall be payable jointly to CITY and LESSEE. The proceeds shall be placed in a trust fund to be reinvested in rebuilding or repairing the damaged property.

b. LESSEE'S responsibility to maintain said insurance also includes the following:

- (1) Additional Insured. All insurance policies will name CITY, its officials, representatives, agents, officers and employees, as additional insureds, protect CITY against any legal costs in defending claims, and will not terminate without sixty (60) days' prior written notice to CITY. A copy of the additional insured endorsement must be provided to CITY at the time evidence of insurance is required.
- (2) Requirements. All insurance required by express provision of this Lease shall be carried only by insurers rated "A-, VI" or better by the current AM Best Rating Guide, which are licensed to do business in the State of California and approved by CITY. All policies will be in effect, and a copy submitted to CITY, on or before the first day of the Lease, except "course of construction fire insurance" shall be in force on commencement of all authorized construction on the premises, and full applicable fire insurance coverage shall be effective upon completion of each insurable improvement. Any deductibles or self-insured retentions shall be disclosed to and approved by CITY at time evidence of insurance is provided. A copy of the insurance policy(ies) will remain on file with CITY during the entire term of the Lease. At least thirty (30) days prior to the expiration of each policy, LESSEE shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the terms of this Lease.
- (3) Modification. CITY, at its discretion, may require the revision of amounts and coverages at any time during the term by giving LESSEE sixty (60) days' prior written notice. CITY'S requirements shall be designed to assure protection from and against the kind and extent of risk existing on the premises. LESSEE also agrees to obtain any additional insurance required by CITY for new improvements in order to meet the requirements of this Lease.
- (4) Accident Reports. LESSEE shall report to CITY any accident causing serious injury to person(s) on the premises and any accident causing more than FIVE THOUSAND DOLLARS (\$5,000) worth of property damage on the premises. This report shall contain the names and addresses of the parties involved, a statement of the circumstances, the date and hour, the names and addresses of any witnesses, and other pertinent information.
- (5) Failure to Comply. If LESSEE fails or refuses to take out and maintain the required insurance or fails to provide the proof of coverage, CITY has the right to obtain the insurance. LESSEE shall reimburse CITY for the

premiums paid with interest at the maximum allowable legal rate then in effect in California. CITY shall give notice of the payment of premiums within thirty (30) days of payment stating the amount paid, names of the insurer(s), and rate of interest. Said reimbursement and interest shall be paid by LESSEE on the first (1st) day of the month following the notice of payment by CITY.

Notwithstanding the preceding provisions of this Subsection (4), if LESSEE fails or refuses to take out or maintain insurance as required in this lease, or fails to provide the proof of insurance, CITY has the right to declare this lease in default without further notice to LESSEE and CITY shall be entitled to exercise all legal remedies in the event of such default.

- 5.3. Waste, Damage, or Destruction. LESSEE agrees to give notice to CITY of any fire or other damage that may occur on the leased premises within ten (10) days of such fire or damage. LESSEE agrees not to commit or suffer to be committed any waste or injury or any public or private nuisance, to keep the premises clean and clear of refuse or obstructions, and to dispose of all garbage, trash and rubbish in a manner satisfactory to CITY. If the leased premises shall be damaged by any cause which puts the premises into a condition which is not decent, safe, healthy and sanitary, LESSEE agrees to make or cause to be made full repair of said damage and to restore the premises to the condition which existed prior to said damage; or, at CITY'S option, LESSEE agrees to clear and remove from the leased premises all debris resulting from said damage and rebuild the premises in accordance with plans and specifications previously submitted to CITY and approved in writing in order to replace in kind and in scope the operation which existed prior to such damage, using for either purpose the insurance proceeds as set forth in Section 5.2, Insurance, hereof. LESSEE agrees that preliminary steps toward performing repairs, restoration, or replacement of the premises shall be commenced by LESSEE within thirty (30) days, and the required repairs, restoration, or replacement shall be completed within a reasonable time thereafter. CITY may determine an equitable reduction in the fixed annual rent requirement for such period or periods that said premises are untenable by reason of such damage.
- 5.4. Security Deposit. A security deposit shall be paid to CITY by LESSEE in the sum of \$3,000 (Three Thousand Dollars) on or before the commencement date of this lease. All or any portion of the principal sum shall be available unconditionally to CITY for correcting any default or breach of this lease by LESSEE, LESSEE'S successors or assigns or for payment of expenses incurred by CITY as a result of LESSEE'S failure to faithfully perform all terms, covenants and conditions of this lease. The security deposit shall take one of the forms set out below:
- a. Cash. Cash deposits shall be deposited with CITY and CITY shall not be liable to LESSEE for any interest thereon. Provided further, any interest earned by CITY from such deposit or redeposit shall be and remain the property of CITY.
 - b. Instrument(s) of Credit. An instrument(s) of credit from one or more financial institutions, subject to regulation and insurance by the state or federal government, shall pledge that the funds are on deposit and guaranteed for

payment. and agree that any or all funds shall be paid to CITY upon demand by CITY. The financial institution and the form of any instrument pledging the funds must be approved by CITY.

LESSEE will maintain the required security deposit throughout the lease term and for ninety (90) days thereafter unless previously released by CITY. Failure to do so shall be considered a default and is grounds for immediate termination of this lease.

In the event CITY utilizes all or any portion of the security deposit, LESSEE shall reimburse the deposit within ten (10) days of notice from CITY to bring the security deposit up to the full specified amount.

The security or any balance thereof will be returned to LESSEE within ninety (90) days following expiration or termination of this lease, provided LESSEE has faithfully complied with all terms, covenants and conditions hereof.

The security deposit may be increased by CITY proportionate to any increased performance or rental liability of LESSEE upon sixty (60) days' prior written notice from CITY of such required increase.

SECTION 6. IMPROVEMENTS/ALTERATIONS/REPAIRS

- 6.1. Acceptance of Premises. By signing this lease, LESSEE represents and warrants that it has independently inspected the premises and made all tests, investigations, and observations necessary to satisfy itself of the condition of the premises. LESSEE agrees it is relying solely on such independent inspection, tests, investigations, and observations in making this lease. LESSEE further acknowledges that the premises are in the condition called for by this lease, that CITY has performed all work with respect to the premises. and that LESSEE does not hold CITY responsible for any defects in the premises.
- 6.2. Entry and Inspection. CITY reserves and shall always have the right to enter said premises for the purpose of viewing and ascertaining the condition of the same, or to protect its interests in the premises, or to inspect the operations conducted thereon. In the event that such entry or inspection by CITY discloses that said premises are not in a decent, safe, healthy, and sanitary condition; CITY shall have the right, after ten (10) days written notice to LESSEE, to have any necessary maintenance work done at the expense of LESSEE, and LESSEE hereby agrees to pay promptly any and all costs incurred by CITY in having such necessary maintenance work done. in order to keep said premises in a decent, safe, healthy. and sanitary condition. Further, if at any time CITY determines that said premises are not in a decent, safe, healthy, and sanitary condition; CITY may at its sole option, without additional notice, require LESSEE to file with CITY a faithful performance bond to assure prompt correction of any condition which is not decent, safe, healthy, and sanitary. Said bond shall be in an amount adequate in the opinion of CITY to correct the said unsatisfactory condition. LESSEE shall pay the cost of said bond. The rights reserved in this section shall not create any obligations on CITY or increase obligations elsewhere in this lease imposed on CITY.

- 6.3. Maintenance. Except as hereinafter provided, LESSEE agrees to assume full responsibility and cost for the operation and maintenance of the premises throughout the term. LESSEE will perform all such repairs and replacements necessary to maintain and preserve the premises in a decent, safe, healthy and sanitary condition satisfactory to CITY and in compliance with all applicable laws. All applicable codes and standards of CITY, state and federal-agencies shall be observed in all maintenance, repairs and replacements on the premises.
- 6.4. Improvements/Alterations. No improvements, structures, or installations shall be constructed on the premises, and the premises may not be altered by LESSEE without prior written approval by the City Manager. Further, LESSEE agrees that major structural or architectural design alterations to approved improvements, structures, or installations may not be made on the premises without prior written approval by the City Manager and that such approval shall not be unreasonably withheld. This provision shall not relieve LESSEE of any obligation under this lease to maintain the premises in a decent, safe, healthy, and sanitary condition,' including structural repair and restoration of damaged or worn improvements.
- 6.5. Utilities. Except as hereinafter provided, LESSEE agrees to order, obtain and pay for all utilities necessary for operation of the premises. All utilities will be installed underground. CITY shall provide reasonable amounts of water for use on the leased premises for the first five years. The City Manager shall have sole and absolute discretion to determine what constitutes a "reasonable amount" for purposes of this paragraph.
- 6.6. Liens. LESSEE shall at all times save CITY free and harmless and indemnify CITY against all claims for labor or materials in connection with operations, improvements, alterations, or repairs on or to the premises and the costs of defending against such claims, including reasonable attorney's fees.

If improvements, alterations, or repairs are made to the premises by LESSEE or by any party other than CITY, and a lien or notice of lien is filed, LESSEE shall within five (5) days of such filing either:

- a. take all actions necessary to record a valid release of lien, or
 - b. file with CITY a bond, cash, or other security acceptable to CITY sufficient to pay in full all claims of all persons seeking relief under the lien.
- 6.7. Taxes. LESSEE agrees to pay, before delinquency, all taxes, assessments, and fees assessed or levied upon LESSEE or the premises, including the land, any buildings, structures, machines, equipment, appliances, or other improvements or property of any nature whatsoever erected, installed, or maintained by LESSEE or levied by reason of the business or other LESSEE activities related to the leased premises, including any licenses or permits. LESSEE recognizes and agrees that this lease may create a possessory interest subject to property taxation, and that LESSEE may be subject to the payment of taxes levied on such interest, and that LESSEE shall pay all such possessory interest taxes. LESSEE further agrees that payment for such taxes, fees and assessments will not reduce any rent due CITY.

- 6.8. Signs. LESSEE shall comply with the approved Signage Program for Brown Field. LESSEE agrees not to erect or display any banners, pennants, flags, posters, signs, decorations, marquees, awnings, or similar devices or advertising without the prior written consent of CITY. If any such unauthorized item is found on the premises, LESSEE agrees to remove the item at its expense within 24 hours notice thereof by CITY, or CITY may thereupon remove the item at LESSEE'S cost.
- 6.9. Ownership of Improvements and Personal Property.
- a. Any and all improvements, trade fixtures, structures, and installations or additions to the premises now existing or constructed on the premises by LESSEE shall at lease expiration or termination be deemed to be part of the premises and shall become, at CITY'S option, CITY'S property, free of all liens and claims except as otherwise provided in this lease.
 - b. If CITY elects not to assume ownership of all or any improvements, trade fixtures, structures and installations, CITY shall so notify LESSEE One-Hundred-Eighty (180) days prior to expiration: and LESSEE shall remove all such improvements, structures and installations as directed by CITY at LESSEE'S sole cost on or before lease expiration or termination. If LESSEE fails to remove any improvements, structures, and installations as directed, LESSEE agrees to pay CITY the full cost of any removal.
 - c. LESSEE-owned machines, appliances, equipment (other than trade fixtures), and other items of personal property shall be removed by LESSEE by the date of the expiration or termination of this lease. Any said items which LESSEE fails to remove will be considered abandoned and become CITY'S property free of all claims and liens, or CITY may, at its option, remove said items at LESSEE'S expense.
 - d. If any removal of such personal property by LESSEE results in damage to the remaining improvements on the premises, LESSEE agrees to repair all such damage.
 - e. Any necessary removal by either CITY or LESSEE which takes place beyond said expiration or termination hereof shall require LESSEE to pay rent to CITY at the rate in effect immediately prior to said expiration or termination.
 - f. Notwithstanding any of the foregoing, in the event LESSEE desires to dispose of any of its personal property used in the operation of said premises upon expiration or termination of this lease, then CITY shall have the first right to acquire or purchase said personal property.
- 6.10. Unavoidable Delay. If the performance of any act required of CITY or LESSEE is directly prevented or delayed by reason of strikes, lockouts, labor disputes, unusual governmental delays, acts of God, fire, floods, epidemics, freight embargoes, or other causes beyond the reasonable control of the party required to perform an act, said party shall be excused from performing that act for the period equal to the period of the

prevention or delay. Provided, however, this provision shall not apply to obligations to pay rental as required pursuant to this lease. In the event LESSEE or CITY claims the existence of such a delay, the party claiming the delay shall notify the other party in writing of such fact within ten (10) days after the beginning of any such claimed delay.

- 6.11. Hazardous/Toxic Waste. LESSEE will not allow the installation of additional underground storage tanks or release of hazardous substances in, on, or under or from the premises. For the purposes of this provision, a release shall include, but not be limited to, any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or otherwise disposing of hazardous substances. "Hazardous substances" shall mean those hazardous substances listed by the Environmental Protection Agency in regularly released reports and any other substances incorporated into the State's list of hazardous substances. A copy of the presently effective EPA and the State lists is on file in the City Clerk's Office as City Clerk Document 769704. Notwithstanding the above, LESSEE shall not be responsible for the introduction of any hazardous substances which occurred prior to LESSEE'S occupancy of the premises.

In the event of any release of a hazardous substance, LESSEE shall be responsible for all costs of remediation and removal of such substances in accordance with all applicable rules and regulations of governmental authorities.

LESSEE agrees to assume the defense of, indemnify and hold the CITY harmless from any and all claims, costs and expenses related to environmental liabilities resulting from LESSEE'S operations on the premises, including, but not limited to, costs of environmental assessments, costs of remediation and removal, any necessary response costs, damage for injury to natural resources or the public, and costs of any health assessment or health effect studies.

If LESSEE knows or has reasonable cause to believe, that any hazardous substance has been released on or beneath the premises, LESSEE shall give written notice to the City Manager within ten (10) days of receipt of such knowledge or cause for belief. Provided however, if LESSEE knows, or has reasonable cause to believe that such substance is an imminent and substantial danger to public health and safety. LESSEE shall notify the City Manager immediately upon receipt of this knowledge or belief and shall take all actions necessary to alleviate such danger. LESSEE will notify the City Manager immediately of any notice of violation received or initiation of environmental actions or private suits relative to the premises. In addition, LESSEE and LESSEE'S sublessees shall not utilize or sell any hazardous substance on the property without the prior written consent of the CITY.

At any time within the twelve (12) months before the expiration or earlier termination of this lease, LESSEE at the CITY'S sole option shall cause an environmental assessment of the premises to be completed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist, or Registered Civil Engineer. Said environmental assessment shall be obtained at the sole cost and expense of LESSEE and shall establish what, if any, hazardous substances exist on, in or under the premises, and in what quantities. If any hazardous substances exist in

quantities greater than that allowed by CITY, County, State, or Federal laws, statutes, ordinances, or regulations, then said environmental assessment shall include a discussion of these substances with recommendations for remediation and removal necessary to effect compliance with those laws or statutes and estimates of the cost of such remediation or removal. LESSEE shall cause the remediation and/or removal recommended in the environmental assessment such that compliance with environmental law is achieved and shall be solely responsible for all cost and expense incurred for hazardous substances found to have been introduced by LESSEE.

6.12. Maintenance of Fuel Tanks.

- a. LESSEE shall be fully responsible for the maintenance, repair or replacement of all storage tanks, including piping and equipment located on the premises.
- b. Lessee shall remove all storage tanks and all fueling equipment at LESSEE'S sole expense upon termination of this lease, or post a bond to cover the costs thereof; LESSEE shall also restore the ground to a clean, safe condition upon removal of the tanks. LESSEE shall not be responsible for any underground storage tanks located on the premises at the start of the lease. or rented from the City by LESSEE.

6.13. Development Plan. LESSEE has completed performance of its original General Development Plan, as detailed in Section 11.4. LESSEE may submit a New Development Plan as set forth in Section 2.1. Any New Development Plan shall be subject to the approval of the City Manager. Upon its approval, LESSEE agrees to develop the leased premises in accordance with the New Development Plan. The City Manager or his designee shall have the authority to authorize changes to the Plan. Failure by LESSEE to comply with the approved Development Plan shall constitute a major default and subject this lease to termination by CITY pursuant to the Section 4.5, Default and Remedies, of this lease.

6.14. Failure to Meet Development Schedule. Should LESSEE fail to complete construction in accordance with the schedule of development for its New Development Plan, LESSEE shall not be entitled to an extension of the lease term and it is specifically agreed by LESSEE and CITY that CITY will be entitled to damages in the amount of Fifty Dollars (\$50) for every day of failure to meet said schedule of development until completion of development, said amount representing liquidated damages therefor. In the event that construction is not completed within twelve (12) months following the date specified for completion in the Development Plan, CITY may, at its option, terminate this lease.

SECTION 7. GENERAL PROVISIONS

7.1. Notices.

- a. Any notice required or permitted to be given hereunder shall be in writing and may be served personally or by United States mail, postage prepaid, addressed to LESSEE at the leased premises or at such other address designated in writing by LESSEE; and to CITY as follows:

EXHIBIT A-2

SUBLEASE AGREEMENT

This Sublease Agreement ("Sublease") is entered into effective March 26, 2001, between Brown Field Aviation Ventures Inc., a California corporation ("BFAV") and Lancair Corporation, a Nevada corporation ("LC"), with reference to the following facts:

A. The City of San Diego, a municipal corporation ("City") as Lessor, and BFAV, as Lessee, executed the City of San Diego Flat Rate Lease dated December 4, 1996 for certain real property containing approximately 15 acres situated in the City of San Diego. First and Second Amendments to said Flat Rate Lease were subsequently executed by the parties increasing the site to 18.98 acres. BFAV entered into the Flying "J" Aviation Assignment Agreement which reduced the site to 16.04 acres. Additionally, a separate agreement for the assignment of the Bearden lease to Bearden Aviation has been approved by BFAV which will result in a reduction of the site to 11.42 acres. The Flat Rate Lease, the two Amendments thereto, and the Flying "J" Assignment Agreement are attached hereto as Exhibit "A", incorporated herein by reference as though set forth in full, and collectively referred to herein as the "Master Lease".

B. LC and BFAV acknowledge that subleases for hangars, office space, and ramp space, as listed on Exhibit "B" attached hereto (collectively "Rentals"), are currently in full force and effect. The parties wish to have the Rentals assigned to LC, and to have LC honor all of the terms and conditions of the Rentals as part of the sublease of the Master Lease from BFAV.

C. BFAV has entered into an agreement to provide Flying "J" Aviation adequate parking spaces for their business in return for access to their ramp space to be used as a taxilane ("FJA Agreement"). The parties wish to have LC assigned all rights and obligations of the FJA Agreement as part of the sublease of the Master Lease from BFAV.

D. BFAV desires to sublease to LC the property occupied by BFAV pursuant to the terms of the Master Lease including all rights and obligations of BFAV arising under the Rentals and the FJA Agreement. LC desires to sublease the property from BFAV and to assume the rights and obligations of BFAV under the Master Lease, including all rights and obligations of BFAV arising under the Rentals and the FJA Agreement.

E. The written consent to this Sublease by City is required by the provisions of Section 4.2 of the Master Lease.

NOW, THEREFORE, in consideration of the mutual promises and covenants herein contained, the undersigned hereby agree as follows:

1. Incorporation of Recitals. All of the recitals set forth above are true and correct and are hereby incorporated in and made a part of this Agreement.
2. Subleasing of Property. Subject to the terms, covenants, and conditions set forth in this Sublease and the Master Lease, BFAV hereby subleases to LC, and LC hereby subleases from BFAV, the entirety of the property identified in and covered by

the Master Lease, including all rights and obligations arising from the Rentals and the FJA Agreement. LC agrees to perform all of the requirements and fulfill all of the conditions which Lessee is required to perform or fulfill under the Master Lease, and all obligations required to be performed by BFAV under the Rentals and the FJA Agreement. LC shall indemnify, defend and hold harmless BFAV and the City of San Diego with respect to all costs and expenses arising from the Master Lease, the Rentals, and the FJA Agreement.

3. Term. The term of this Sublease shall be thirty (30) years beginning on May 1, 2001.

4. Rent. LC shall pay to BFAV as rent for the subleased premises the sum of \$15,858.05 per month plus the amount of all rent and other charges due to the City from BFAV pursuant to the Master Lease. Rent shall be paid to BFAV in advance on or before the first day of each calendar month and must be received by BFAV at its office located at 436 Country Club Lane, Coronado, California 92118 on or before the first day of each calendar month. Payments which BFAV does not receive on time shall be subject to the late payment charges set forth in the Master Lease.

5. Developmental Plan. LC shall, in addition to complying with the developmental plan in the Master Lease, develop the leasehold estate according to the Developmental Plan set forth in Exhibit "C" attached hereto and incorporated herein by reference.

6. Default. In the event LC fails to comply with any of the terms and conditions of this Sublease or fails to perform any and all of the provisions of the Master Lease for which Lessee is responsible, LC's rights under this Sublease shall be terminated at BFAV's option, and LC shall forfeit any and all rights which it may have under this Sublease or the Master Lease.

7. Attorneys Fees. If any action or other proceeding arising out of this Sublease is commenced by either party, then as between BFAV and LC, the prevailing party shall be entitled to receive from the other, in addition to any other relief that may be granted, reasonable attorneys fees, court costs, and other expenses incurred in the action or proceeding by the prevailing party.

IN WITNESS WHEREOF, this Sublease is executed effective March 26, 2001, at San Diego, California.

Dear Ms. Gleeson:

**Brown Field
Amended Lease Agreement**

We are writing regarding the proposed *City of San Diego Third Amended and Restated Flat Rate Lease with Brown Field Aviation Venture*. We examined the amended lease and provided the City of San Diego with comments. In response, the City made several revisions to the amended lease. We appreciate the City's cooperative response to our concerns and comments.

We have completed our review of the revised draft of the amended lease. Based on the review, we are advising the City that the FAA does not object to the amended lease agreement. This determination is based on our assessment that the amended lease, as revised, does not appear to contain provisions that would conflict with the requirements of the grant assurances or the conveyance deed for Brown Field.

Be aware that this determination does not represent an approval or endorsement of the amended lease. We make no judgment as to the merits of the amended leases' terms and conditions.

If you have any questions, please call me at (310) 725-3634.

Sincerely,

SETTLEMENT AND MUTUAL RELEASE AGREEMENT

This Settlement and Release Agreement ("Agreement") is executed effective _____ (the "Effective Date") by and among BROWN FIELD AVIATION VENTURES, INC. ("BFAV"), LANCAIR CORPORATION ("Lancair"), and THE CITY OF SAN DIEGO ("City"). BFAV and Lancair are collectively referred to as "Plaintiffs," and ~~BFAV, Lancair and City are collectively referred to as the "Parties."~~

RECITALS

This Agreement is made with reference to the following essential facts:

A. On November 12, 1996, the City Council of the City of San Diego ("City Council") adopted Ordinance O-18361 approving a lease of real property at the City-owned Brown Field Airport with BFAV. The City-BFAV lease and its subsequent amendments are referred to herein as the "Master Lease".

B. The Master Lease premises (the "Premises") currently consist of approximately 16.04 acres and 15,733 square feet of office space, as shown in Exhibit A to the Second Amendment to Lease Agreement. The Premises consist of the following general areas: the developed area adjacent to the airstrip (the "Ramp"), east of the former Paladin leasehold, bordered on the south-west by Continental Street ("Area E/F") and extending to include the office building at 1590 Continental Street ("1590 Continental"); the area on the Ramp between the Aviation International leasehold and the First Flight leasehold, north of and bordered by Curran Street ("Area D"); the area south of Curran Street, adjacent to Area D and extending west to the end of the Ramp ("Area C/H"), 0.85 acres extending 125 feet west at the west-end of the Ramp and north of Curran Street ("Area A"); and 1.78 acres north of Curran Street between Area D and the First Flight leasehold ("Area G").

C. On April 2, 2001, the City provided its consent to a sublease of the majority of the Premises to Lancair, a fixed base operator, subject to the terms of the Master Lease (the "Sublease").

D. A dispute arose among the parties regarding, among other things, use and subleasing of the Premises, including non-aviation uses.

E. On or about September 4, 2003, Plaintiffs filed an action in the Superior Court of California, County of San Diego, Case No. GIC817232, regarding the dispute between Plaintiffs and the City and alleging causes of action for, among other things, Breach of Contract, Inverse Condemnation, and Declaratory Relief (the "Civil Action").

F. The parties now wish to resolve all of their claims on the terms and conditions set forth in this Agreement, including dismissal of the Civil Action with prejudice and release of all claims referenced in the Civil Action.

G. By entering into this Agreement, City is not admitting, either explicitly or

implicitly, the validity of any of Plaintiffs' claims, but instead seeks to avoid the expenses of trial, and allow the parties to move forward and focus on providing improved service to the users of the Brown Field Airport.

H. Brown Field Airport is subject to grant conditions and assurances monitored by the Federal Aviation Administration ("FAA"). For that reason, the parties recognize the need for the FAA's approval of this Agreement and agree that this Agreement is subject to and conditional upon the express written approval of the FAA.

I. As part of this Agreement, the Parties intend to amend and restate the Master Lease to reflect the Parties' agreement, substantially as set forth in the Third Amended and Restated Lease, attached as Exhibit 1 to this Agreement.

AGREEMENT

1. Approvals and Conditions.

1.1. **FAA Approval.** This Agreement is subject to and conditional upon the express written approval of the FAA. City shall seek the FAA's approval of this Agreement upon its execution. In the event that the FAA declines to approve this Agreement, then this Agreement shall be null and void and the contemplated settlement shall be of no force or effect.

1.2. **City Council Approval.** Should the City Council not authorize execution of the Third Amended and Restated Lease within sixty days of the FAA's approval of this Agreement, then this Agreement shall be null and void and the contemplated settlement shall be of no force or effect.

2. Terms of Settlement.

2.1. **1590 Continental Office Building.** 1590 Continental shall remain available for general office use at fair market rent consistent with the terms of the Master Lease, and pursuant to the following terms:

(a) **Priority for Aviation Uses.** Plaintiffs shall give aviation-related tenants first priority over non-aviation tenants to lease available space in the 1590 Building.

(b) **Waiver or Reduction of Approval Fee.** City shall waive the administrative fee for approval of aviation-related subleases for space in the 1590 Building. The administrative fee for approval of non-aviation related subleases for space in the 1590 Building shall be \$200 per sublease.

(c) **Automotive Sales.** With respect to subtenants conducting automotive sales, (i) all automotive sales subleases shall require storage of vehicles off of the airport, forbid test driving and storage on airport property, and

shall forbid auto-related banners, streamers, signs or other exterior advertising, (ii) the sublease may provide for two-parking spaces for the automotive sales subtenant, subject to the above terms, and (iii) the City will execute the required DMV certificates provided consent has been given to the sublease. Plaintiffs shall indemnify and hold harmless the City from any and all actions brought by any federal, state or local agency or any entity or individual bringing any action against the City for alleged zoning violations arising from, connected to or associated with the issuance of DMV certificates at 1590 Continental Street.

(d) **Amendment of the Master Lease.** The Parties shall amend the Master Lease to reflect these terms and any additional terms necessary to carry out the intent of the parties, as set forth in the Third Amended and Restated Lease (attached hereto as Exhibit 1).

2.2. **Reconfiguration of BFAV Leasehold.** The Parties agree to amend the Master Lease to reconfigure the Premises to eliminate acreage south of Curran Street (Area J, formerly part of Area C/H) and the property west of the Ramp (Area A) from the Premises and to add an area of land from the former Paladin leasehold immediately adjacent to BFAV's current leasehold ("Area P"). The Parties agree to implement this change as follows:

(a) City shall conduct a survey of the property to accurately identify the boundaries of the property to be eliminated from and added to the Premises, and to provide a legal description of the Premises for the Third Amended and Restated Lease. The boundaries shall be approximately as shown on the Map attached as Exhibit A, provided that the area being added shall be the same total square footage as the area being eliminated. If the resulting configuration results in square footage in excess of the area eliminated from the Premises, that excess shall be accounted for through a rent adjustment consistent with section 3.2 of the Master Lease, but in no event shall the total rent be less than the rent paid prior to the realignment of the lease boundaries.

(b) Upon execution of this Agreement, Lancair shall provide City with a complete list of subtenants currently occupying the facilities located on Area J and Area A, including name, business address and phone number, and a copy of any existing sublease agreement. Within thirty days of receipt of the subtenant information, City shall notify Lancair in writing of any subleases that City agrees to accept by assignment from Lancair, or any subtenants that City will permit to remain on the Premises by separate agreement with that subtenant. Lancair shall notify its remaining tenants to vacate the Premises and shall take all reasonable steps necessary to remove its tenants from the Premises in an expeditious manner, including prosecution of unlawful detainer actions and eviction of the tenants.

(c) Except as to those subtenants that City expressly permits to remain on the Premises pursuant to subsection (b) above, Plaintiffs shall return Areas A and J to the City in a clean and vacant condition within a reasonable period of

time, not to exceed ninety days from execution by City of the Third Amended and Restated Lease.

(d) Upon the return of Areas A and J to City in a condition acceptable to City, Plaintiffs shall have access to and use of Area P.

(e) The property added to the Premises (*i.e.*, Area P) shall be used for aviation-related business only, and for no other purpose, consistent with Section 1.2, Uses, of the Master Lease.

2.3. **Paladin Fuel Farm.** The fuel farm located on the former Paladin leasehold (Area P) is not included as part of the reconfigured leasehold, and shall be moved to another location at the Brown Field Airport as designated and directed by City at Lancair's sole cost. City shall identify the new location for the fuel farm within thirty days of execution of the Third Amended and Restated Lease Agreement. The fuel farm shall be moved to a location identified by City within thirty days of City's request. All other improvements existing on the reconfigured leasehold shall be part of the Premises. Any improvements remaining on the Premises at the end of the lease term shall revert to the City.

2.4. **Attorney's Fees.** Within ten days after City's execution of the Third Amended and Restated Lease, City shall pay Plaintiffs \$60,000 for Plaintiff's attorney's fees.

2.5. **Extension of Lease Term.** The Third Amended and Restated Lease shall provide for an extension of the lease term upon receipt and approval by City of a development plan for the newly configured Premises reflecting significant capital improvement of at least \$1,000,000 and including not less than 20,000 square feet of new hangar space, to be completed within ten years of execution of the Third Amended and Restated Lease. The Third Amended and Restated Lease shall provide for such ten year extension and an option for an additional ten years.

2.6. **Right of First Refusal.** The Third Amended and Restated Lease shall provide a right of first refusal to BFAV or its assignee for lease of the Premises upon the expiration or termination of the Lease providing BFAV or its assignee meets or exceeds any proposal being considered by City for lease of the premises.

2.7. **Rent Increases.** The Third Amended and Restated Lease shall provide that the next market rate adjustment in rent, currently scheduled for 2006, shall be limited to twenty per cent of the previous year's rental rate. This cap shall apply only to the market rate adjustment scheduled for 2006.

2.8. **Assignment of the Lease.** The Third Amended and Restated Lease shall provide that City consents to the assignment of the lease to Lancair, and, for purposes of that assignment only, City agrees for that single instance to waive payment of the assignment fee required in section 4.4, Additional Consideration to CITY, of the Master

Lease.

2.9. **Amendment of Lease.** An amendment to the Master Lease implementing the current conditions and terms of this Agreement and deleting obsolete terms will be docketed for City Council, substantially in the form of the Third Amended and Restated Lease, attached as Exhibit 1, within thirty days of the FAA's written approval of this Agreement.

2.10. **Dismissal of Action With Prejudice.** Immediately upon satisfaction of all of the following, Plaintiffs promise and agree to and shall file with the Superior Court a Request for Dismissal With Prejudice to terminate the Civil Action: (a) written approval of this Agreement by the FAA; (b) execution of the Third Amended and Restated Lease by City; and (c) receipt of payment pursuant to Section 2.4 above.

3. **Plaintiffs' Release of City.**

3.1. In consideration for the actions on the part of City set forth in this Agreement, Plaintiffs shall, except as reserved in Section 5 of this Agreement, completely release and forever discharge the City, its agents, servants, representatives, attorneys, officers, employees, former employees, successors in interest and assigns, of and from any and all claims, demands, obligations, actions, causes of action, rights, damages, costs, losses, expenses and compensation of any nature whatsoever, known or unknown, suspected or unsuspected, including rights arising out of alleged violations of any contracts, express or implied, any covenant of good faith and fair dealing, express or implied, or any tort, which may presently exist, in law or in equity, including without limitation, those which relate to Plaintiffs' Civil Action, the Master Lease, the Sublease, or the Property, or any claim that was or could have been asserted in the Civil Action. This release shall be a fully binding and complete settlement between Plaintiffs, City, and each of them, their successors and assigns.

3.2. Plaintiffs acknowledge and agree that the Release set forth in Section 3.1 is a general release and further expressly waive and assume the risk of any and all claims against City arising from Plaintiffs' Civil Action and which exist as of this date but of which Plaintiffs do not know or suspect to exist, whether through ignorance, oversight, error, negligence or otherwise, and which, if known, would materially affect Plaintiffs' decision to enter into this Agreement. Plaintiffs further agree to accept performance of the actions called for herein as a complete compromise of matters involving disputed issues of law and fact, and assume the risk that the facts or law may be otherwise than they believe.

3.3. **Waiver of Statutory Rights.** Except as provided in Section 5, it is also agreed by the parties that all rights under California Civil Code §1542 are hereby expressly waived. Plaintiffs certify that each has read section 1542 of the California Civil Code, set out below, and indicates that fact by initialing here: 

A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.

Plaintiffs represent that they have had the opportunity to discuss this Agreement with a lawyer. Plaintiffs waive application of California Civil Code § 1542 by initialing here:

4. City's Release of Plaintiffs.

4.1. In consideration for the actions on the part of Plaintiffs set forth in this Agreement, City shall, except as reserved in Section 5 of this Agreement, completely release and forever discharge Plaintiffs, their agents, servants, representatives, attorneys, officers, employees, former employees, successors in interest and assigns, of and from any and all claims, demands, obligations, actions, causes of action, rights, damages, costs, losses, expenses and compensation of any nature whatsoever, known or unknown, suspected or unsuspected, including rights arising out of alleged violations of any contracts, express or implied, any covenant of good faith and fair dealing, express or implied, or any tort, which may presently exist, in law or in equity, including without limitation, those which relate to Plaintiffs' Civil Action, the Master Lease, the Sublease, or the Premises, or any claim that could have been asserted in the Civil Action. This release shall be a fully binding and complete settlement between Plaintiffs, City, and each of them, their successors and assigns.

4.2. City acknowledges and agrees that the Release set forth in Section 4.1 is a general release and further expressly waives and assumes the risk of any and all claims against Plaintiffs related to Plaintiffs' Civil Action and which exist as of this date but of which City does not know or suspect to exist, whether through ignorance, oversight, error, negligence or otherwise, and which, if known, would materially affect City's decision to enter into this Agreement. City further agrees to accept performance of the actions called for herein as a complete compromise of matters involving disputed issues of law and fact, and assumes the risk that the facts or law may be otherwise than it believes.

4.3. **Waiver of Statutory Rights.** Except as provided in Section 5, it is also agreed by the parties that all rights under California Civil Code §1542 are hereby expressly waived. The authorized representative for City certifies that he has read section 1542 of the California Civil Code, set out below, and indicates that fact by initialing here:

A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him

must have materially affected his settlement with the debtor.

The authorized representative for City represents that the City has had the opportunity to discuss this Agreement with a lawyer and that City waives application of California Civil Code §1542, by initialing here: WJ

5. Claims Not Released.

5.1. Notwithstanding anything to the contrary contained herein, under no circumstances is this release intended, nor shall this release be interpreted, to act as a release of any continuing obligations under this Agreement, the Master Lease as amended and restated in the Third Amended and Restated Lease, nor of any continuing obligations between BFAV and Lancair under the Sublease.

5.2. Disputed Claims. It is understood and agreed by the parties that this settlement is a compromise of disputed claims and does not constitute any admission of liability by any party to any other party. The parties to this Agreement expressly deny any liability to the other parties. The parties further acknowledge that they enter into this Agreement solely for the purpose of buying their peace with one another and terminating all pending and potential litigation among them.

6. **Representations and Warranties.** Each party hereby represents and warrants that they execute this Agreement with full knowledge of any and all rights that they may have with respect to the matters set forth and claims released herein and that they are entering into this Agreement of their own free will. The parties, or their authorized representatives, have each carefully read this Agreement and know and fully understand its contents and significance. The parties acknowledge that they have each had the opportunity to be represented by counsel in the negotiation and preparation of this Agreement and that each party enters into this Agreement freely, without coercion, based upon each party's own judgment and not in reliance on any other representations or promises.

7. **Cooperation as to Subsequent Documentation.** Fulfillment of the terms of this agreement will require drafting and execution of further documentation including but not limited to lease amendments, releases and dismissals. The Parties shall cooperate fully and promptly in the production, revision, and execution of such documents as may be necessary to satisfy the letter, spirit and intent of this agreement.

8. **No Admission of Liability.** Nothing in this Agreement shall be construed as an admission of liability by or against either party.

9. **Attorney's Fees.** In the event any litigation, arbitration, mediation, or other proceeding ("Proceeding") is initiated by any party(ies) against any other party(ies) to enforce, interpret or otherwise obtain judicial or quasi-judicial relief in connection with this Agreement, the prevailing Party(ies) in such Proceeding shall be entitled to recover

from the unsuccessful party(ies) all costs, expenses, actual attorney's and expert witness fees, relating to or arising out of (1) such Proceeding (whether or not such Proceeding proceeds to judgment), and (2) any post-judgment or post-award proceeding including, without limitation, one to enforce any judgment or award resulting from any such Proceeding. Any such judgment or award shall contain a specific provision for the recovery of all such subsequently incurred costs, expenses, actual attorney and expert witness fees.

10. **Modification.** This Agreement may be modified only by a contract in writing executed by the party to this Agreement against whom enforcement of such modification is sought.

11. **Prior Understandings.** This Agreement contains the entire agreement between the parties to this Agreement with respect to the subject matter of this Agreement, is intended as a final expression of such parties' agreement with respect to such terms as are included in this Agreement, is intended as a complete and exclusive statement of the terms of such agreement, and supersedes all negotiations, stipulations, understandings, agreements, representations and warranties, if any, with respect to such subject matter, which precede or accompany the execution of this Agreement.

12. **Interpretation.** Whenever the context so requires in this Agreement, all words used in the singular shall be construed to have been used in the plural (and vice versa), each gender shall be construed to include any other genders, and the word "person" shall be construed to include a natural person, a corporation, a firm, a partnership, a joint venture, a trust, an estate or any other entity.

13. **Successors-in-Interest and Assigns.** This Agreement shall be binding upon and shall inure to the benefit of the successors-in-interest and assigns of each party to this Agreement.

14. **Counterparts.** This Agreement may be executed in counterparts, each of which is deemed an original and all of which together constitute one document.

15. **Facsimile Signatures.** This Agreement may be signed by facsimile signature which shall be regarded and have the same force and effect as an original signature.

16. **Drafting Ambiguities.** Each party to this Agreement and her/its legal counsel have reviewed and revised this Agreement. The rule of construction that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Agreement or any amendments or exhibits to this Agreement.

17. **Effectiveness.** This Agreement is effective when signed by all parties and approved in writing by a representative of the Federal Aviation Administration.

18. **Governing Law.** This Agreement has been negotiated and entered into in the State of California, and shall be governed by, construed, interpreted and enforced in accordance with the laws of the State of California.

19. **Assignments.** The parties represent that they have not previously assigned, transferred, or purported to have assigned or transferred in any manner, the claim held by it, him or her against the other party. Each party agrees to indemnify and hold harmless the other and pay the other's attorneys' fees in the event that any individual or entity asserts a purported written assignment of a claim from the party to that individual or entity.

~~20. **Waiver of Rule Governing Construing Ambiguity Against Drafter of This Agreement.** Each party acknowledges and agrees that this Agreement has been prepared by the mutual parties and reviewed by each of them, and therefore shall not be construed against any party because that party's representative drafted the Agreement or any portion of it.~~

21. **Supersedure.** In the event of any inconsistency between this Agreement and the fully executed Third Amended and Restated Lease, the terms of the Third Amended and Restated Lease shall control.

IN WITNESS HEREOF, THE PARTIES HAVE EXECUTED THIS AGREEMENT AS OF THE DATE AND YEAR SET FORTH BELOW.

BROWN FIELD AVIATION VENTURES INC.

FLAT RATE LEASE

THIS LEASE AGREEMENT is executed between BROWN FIELD AVIATION VENTURES INC., a California corporation, hereinafter called "BFAV," and BEARDEN AVIATION INC., hereinafter called "LESSEE." In all the following sections where the word "CITY" or "CITY Manager" is used in relation to a law, ordinance, or agreement with another government entity, insert the words "City of San Diego". In all other instances where the word "CITY" or CITY Manager is used insert the word "BFAV".

SECTION 1: USES

1.1 Premises. BFAV hereby leases to LESSEE and LESSEE leases from BFAV all of that certain real property containing approximately 4.62 acres, all situated in the CITY of San Diego, County of San Diego, State of California, described in Exhibit "A" attached hereto and by this reference made part of this agreement. Said real property is hereinafter called the "premises" or "leased premises."

1.2 Uses. It is expressly agreed that the premises are leased to LESSEE solely and exclusively for the purposes of sales, rentals, servicing and repairs of aircraft; construction, sales and rentals of hangar(s), aircraft parking and tiedowns; cargo handling; sale of aviation accessories and components, aviation fuel sales; passenger facilities and related offices, operation of flight schools, skydiving activities and related training, car rentals, catering, limo services, all in accordance with Section 11.4, and for such other related or incidental purposes as may be first approved in writing by the City Manager and for no other purpose whatsoever. LESSEE will not deny access to other users of the ramp from the Curran Street entrance. Use of City-owned buildings on the lease shall be for aviation-related activities only.

LESSEE covenants and agrees to use the premises for the above-specified purposes and to diligently pursue said purposes throughout the term hereof. Failure to continuously use the premises for said purposes, or the use thereof for purposes not expressly authorized herein, shall be grounds for termination by CITY.

The use of the premises for any unauthorized purpose shall, after reasonable notice and opportunity to cure, constitute a substantial default and subject this lease to termination at the sole option of the CITY.

1.3 Related Council Actions. By the granting of this lease, neither CITY nor the Council of CITY is obligating itself to any other governmental agent, board, commission, or agency

with regard to any other discretionary action relating to development or operation of the premises. Discretionary action includes, but is not limited to rezoning, variances, environmental clearances or any other governmental agency approvals which may be required for the development and operation of the leased premises.

- 1.4 Quiet Possession. LESSEE, paying the rent and performing the covenants and agreements herein, shall at all times during the term peaceably and quietly have, hold and enjoy the premises. If CITY for any reason cannot deliver possession of the premises to LESSEE at the commencement of the term, or if during the lease term LESSEE is temporarily dispossessed through action or claim of a title superior to CITY'S, then and in either of such events, this lease shall not be voidable nor shall CITY be liable to LESSEE for any loss or damage resulting therefrom, but there shall be determined and stated in writing by the City Manager of CITY a proportionate reduction of the minimum or flat rate rent for the period or periods during which LESSEE is prevented from having the quiet possession of all or a portion of the premises. If, for any reason, the airport is closed for more than fifteen days, the CITY shall grant proportionate rent credits or discounts for LESSEE'S loss of use.

1.5 Easements and Reservations.

- (1) CITY hereby reserves all rights, title and interest in any and all subsurface natural gas, oil, minerals and water on or within the premises.
- (2) CITY reserves the right to grant and use easements or to establish and use rights-of-way over, under, along and across the leased premises for utilities, thoroughfares, or access as it deems advisable for the public good.
- (3) CITY has the right to enter the premises for the purpose of making repairs to or developing municipal resources and services upon reasonable notice to LESSEE.

However, CITY shall not unreasonably or substantially interfere with LESSEE'S use of the premises and will reimburse LESSEE for physical damages, if any, to the permanent improvements located on the leased premises resulting from CITY exercising the rights reserved in this section. Such reimbursement may include a reduction in the rent proportionate to the amount of physical damage as determined by CITY. CITY will pay the costs of maintenance and repair of all CITY installations made pursuant to these reserved rights.

- 1.6 Competent Management. Throughout the term of this Lease Agreement, LESSEE shall provide competent management of the leased premises to the satisfaction of the City Manager. For the purposes of this paragraph, "competent management" shall mean demonstrated ability in the management and operation of aviation-related businesses.

- 1.7 Political Activities. The leased premises shall be used exclusively for the purposes specified in Section 1, Uses, hereof. The premises shall not be used for working or campaigning for the nomination or election of any individual to any public office, be it partisan or nonpartisan. Provided, however, that LESSEE shall not be precluded from providing a forum for open public debate by candidates such as occurs at a "candidate forum" and similar events.
- 1.8 Parking. Parking shall be restricted to the leased premises.

SECTION 2: TERM

- 2.1 Commencement. The term of this agreement shall be thirty-five years beginning on the first day of the month following execution of this agreement by the City Manager. "Lease year" as used in this lease shall mean the 12-month period following commencement. The effective date of the lease shall be December 1, 1996.
- 2.2 Holdover. Any holding over by LESSEE after expiration or termination shall not be considered as a renewal or extension of this lease. The occupancy of the premises after the expiration or termination of this agreement constitutes a month-to-month tenancy, and all other terms and conditions of this agreement shall continue in full force and effect; provided, however, CITY shall have the right to apply a reasonable increase in rent to bring the rent to fair market value and to terminate the holdover tenancy at will.
- 2.3 Surrender of Premises. At termination of this lease for any reason, LESSEE shall execute, acknowledge and deliver to CITY, within five (5) days after written CITY demand, a valid and recordable quitclaim deed covering all of the premises. The premises shall be delivered free and clear of all liens and encumbrances, and in a decent, safe and sanitary condition.

If LESSEE fails or refuses to deliver the required deed, the CITY may prepare and record a notice reciting LESSEE'S failure to execute this lease provision and the notice will be conclusive evidence of the termination of this lease and all LESSEE'S rights to the premises.

SECTION 3: RENT

- 3.1 Time and Place of Payment. Rent is due monthly in advance on or before the first day of each calendar month. All monthly rents will be prorated during the first and final months of any rental period in order to achieve payment on the first day of each calendar month. Checks should be made payable to BROWN FIELD AVIATION VENTURES INC. and mailed to the Office of BROWN FIELD AVIATION VENTURES INC, 1590 CONTINENTAL STREET, SAN DIEGO CA 92173, or delivered to the BFAV 1590 CONTINENTAL STREET, SAN DIEGO CA 92173

The place and time of payment may be changed at any time by BFAV upon thirty (30) days' written notice to LESSEE. Mailed rental payments shall be deemed paid upon the date such payment is postmarked by the postal authorities. If postmarks are illegible, the payment shall be deemed paid upon actual receipt by the BFAV Treasurer. LESSEE assumes all risk of loss and responsibility for late payment charges if payments are made by mail.

3.2 Rent

- a. Rent Amount. The initial rent is One Thousand Seven Hundred Twenty One (\$1,721) per month, (comprised of 4.62 acres of land @ \$350/acre = \$1,617; plus 2,075 sq. ft. of office space in Bldg. 2002 @ .05 = \$104).

Rent shall be renegotiated at the end of the tenth, twentieth and thirtieth year to reflect market conditions, subject to arbitration as hereinafter provided.

Said rent is also subject to adjustments based on increases, if any, in the Consumer Price Index (CPI) as hereinafter provided.

- b. (1) CPI Index Adjustments. At the end of the fifth, fifteenth, and twenty-fifth year following the effective date of the lease, the rent shall be adjusted to reflect increases in the Consumer Price Index (CPI).

The index used will be the CPI for "All Urban Consumers" for Los Angeles/Long Beach/Anaheim, California. If this index is no longer published, the index for adjustment will be the U.S. Department of Labor's "Comprehensive Official Index" most comparable to the aforesaid index. If a rental adjustment is calculated using an index from a different base year than 1982-84, which equaled a base figure of 100 for the CPI, the base figure used will first be converted under a formula supplied by the Bureau of Labor Statistics or its successor.

If the Department of Labor indices are no longer published, another index generally recognized as authoritative will be substituted by agreement of CITY and LESSEE. If the parties cannot agree within sixty (60) days after demand by either party, a substitute index will be selected by the Chief Officer of the Regional Office of the Bureau of Labor Statistics or its successor, notwithstanding continued reference herein to "CPI" in any event.

Regardless of the index publication dates, the effective date of the rent adjustment is as specified in this Subsection b.(1) CPI Index Adjustments. Until the rent adjustment can be reasonably determined by the index method, LESSEE shall continue to make payments at the existing rental rate. When the adjustment is determined, the balance of rents due at the adjusted rate will be paid to CITY within thirty (30) days. In no event shall the adjusted

rent as established by the Consumer Price Index be less than the rent in existence immediately prior to the adjustment date.

(2) Index Adjustment Computation. The rent for each rental period following the adjustment, until the next adjustment or other rental determination as provided herein, shall be determined prior to the date of adjustment by multiplying the rent which is effective immediately prior to said adjustment by the "adjustment figure" established as follows:

The "adjustment figure" shall be established by dividing the "current index" by the "base figure", both as defined herein:

The "base figure" for the first such adjustment shall be a three-month average of index figures published by said CPI using the fourth, fifth and sixth full months preceding the effective date of this agreement.

To illustrate, if the lease began in May, the CPI figures for November (sixth month), December (fifth month) and January (fourth month) preceding May would be averaged to establish the base figure (Example 1).

The "current index" shall be a three-month average of index figures published by said CPI. The three months to be used to establish said average shall be the fourth, fifth and sixth full months preceding the adjustment date.

The "base figure" for each successive adjustment shall be the "current index" figure used in the last preceding adjustment period (Example 2).

Example 1: Current Index 121
Base Figure 110 = 1.10 (Adjustment Figure)

Effective Rent x 1.10 = Adjusted Rent

Example 2: Current Index 138
Base Figure 121 = 1.14 (Adjustment Figure)

Effective Rent x 1.14 = Adjusted Rent

The adjustment figure is then multiplied by the monthly rent from the preceding adjustment period to determine the new rent. Using the foregoing examples, if the rent is now \$1,000 per month, after the first adjustment it will be \$1,100 per month (\$1,000 x 1.10). In the second adjustment it will be \$1,254 per month (\$1,100 x 1.14).

c. Market Value Adjustments. In addition to said C.P.I. adjustments, at the end of the tenth, twentieth and thirtieth year following the effective date of this agreement, subject to the aforesaid C.P.I. adjustments, the rent for the ensuing five

years shall be determined by multiplying the capitalization rate of ten percent by the fair market value of the leased premises as of the adjustment date.

The fair market value shall be determined by an appraisal made by a professional real estate appraiser selected by mutual consent of the parties from the list of appraisers approved by the CITY. In the event the parties cannot reach agreement upon selection of a mutually acceptable appraiser, then CITY and LESSEE shall each select a professional independent real estate appraiser, which third appraiser will be employed to make the appraisal of fair market value of the premises and which value shall be utilized to determine the adjusted rent previously described herein. In the event that the two selected appraisers fail to mutually select a third appraiser within thirty (30) days, then the third appraiser will be appointed by the presiding judge of the Superior Court of the State of California, County of San Diego, acting in his or her individual capacity, on prompt application by either CITY or LESSEE with notice thereupon to the other party. In the event that the Superior Court judge declines to make the appointment, the parties hereto agree that the third appraiser shall be promptly determined in accordance with the rules of the American Arbitration Association. Said third appraiser shall complete the assignment within sixty (60) days of appointment. Each party shall pay the cost of its own selected appraiser and both CITY and LESSEE agree to equally share the cost of the mutually selected or court appointed third appraiser. CITY and LESSEE agree to accept and be bound by the valuation determined by the selected or appointed appraiser.

In establishing the fair market value of the premises, the appraiser shall consider the property as a fee simple absolute estate and as vacant and available for lease or sale for the authorized purposes of this lease at the commencement of the period under review.

The date of value of the appraisal shall be the date of rental adjustment as hereinabove established. In the event the appraisal is not completed in time to permit the adjustment to be made upon the date specified, LESSEE agrees to continue to pay rent in accordance with the then existing lease rates and the adjustment, when determined, will be retroactive to said effective date of rental adjustment. Any deficiency shall be paid by LESSEE to CITY within thirty (30) days after determination of the new rental rate. In no event shall the adjusted rent, as established by periodic appraisals as provided for herein, be less than the rent in existence immediately prior to the adjustment date.

- 3.3 Delinquent Rent. If LESSEE fails to pay the rent when due, LESSEE will pay in addition to the unpaid rents, five percent (5%) of the delinquent rent. If the rent is still unpaid at the end of fifteen (15) days, LESSEE shall pay an additional ten percent (10%) [being a total of fifteen percent (15%)] which is hereby mutually agreed by the parties to be appropriate to compensate CITY for loss resulting from rental delinquency, including lost interest, opportunities, legal costs, and the cost of servicing the delinquent account.

SECTION 4: ASSIGNMENT

- 4.1 Time is of Essence; Provisions Binding on Successors. Time is of the essence of all of the terms, covenants and conditions of this lease and, except as otherwise provided herein, all of the terms, covenants and conditions of this lease shall apply to, benefit and bind the successors and assigns of the respective parties, jointly and individually.
- 4.2 Assignment and Subletting. LESSEE shall not assign this lease, or any interest therein, and shall not sublet the premises or any part thereof, or any right or privilege appurtenant thereto, or suffer any other person, except employees, agents and guests of LESSEE, to use or occupy the premises or any part thereof, without the prior written consent of the City Manager in each instance. A consent to assignment, subletting, occupation or use by any other person shall not be deemed to be a consent to any subsequent assignment, subletting, occupation or use by another person. Any such assignment or subletting without such consent shall be void, and shall, at the option of CITY, terminate this lease. This lease shall not, nor shall any interest therein, be assignable, as to the interest of LESSEE, by operation of law, without the written consent of the City Manager.

"Assignment," for the purposes of this clause shall include any transfer of any ownership interest in this lease by LESSEE or by any partners, principals, or stockholders, as the case may be, from the original LESSEE, its general partners or principals.

Approval of any assignment or sublease shall be conditioned upon the assignee or sublessee agreeing in writing that it will assume the rights and obligations thereby assigned or subleased and that it will keep and perform all covenants, conditions and provisions of this agreement which are applicable to the rights acquired. The City Manager may require, as a condition to approval of any sublease or assignment, that the proposed sublessee or assignee pay additional rent to CITY to equal the full fair market rent justifiable at the date of such proposed sublease or assignment and that this lease or the requested sublease otherwise be revised to comply with standard CITY lease requirements that are then current.

- 4.3 Encumbrance. Subject to prior consent by CITY, which shall not be unreasonably withheld, LESSEE may encumber this lease, its leasehold estate, and its improvements thereon by deed of trust, mortgage, chattel mortgage, or other security instrument to assure the payment of a promissory note or notes of LESSEE, upon the express condition that the proceeds of such loan or loans be devoted exclusively to the purpose of developing the leased premises in accordance with Section 6.14, Development Plan, hereof. However, a reasonable portion of the loan proceeds may be disbursed for payment of incidental costs of construction, including but not limited to the following: off-site improvements for service of the premises; on-site improvements; escrow charges; premiums for hazard insurance or other insurance or bonds required by CITY; title insurance premiums; reasonable loan costs such as discounts, interest, and commissions; and architectural, engineering, and attorneys' fees and other normal expenses incidental to

such construction.

Any subsequent encumbrances on the premises or on any permanent improvements thereon must first have the approval in writing of the City Manager. Such subsequent encumbrances shall also be for the exclusive purpose of development of the premises. Provided, however, after the premises are fully developed in accordance with said Development Plan to the satisfaction of the City Manager, proceeds from refinancing or from such subsequent encumbrances may be used to reduce LESSEE'S equity so long as LESSEE pays additional consideration to CITY as set forth in Section 4.4, Additional Consideration to CITY, hereof, and further that LESSEE understands and specifically agrees that the City Manager shall have the sole and absolute discretion to approve, disapprove, or condition any such proposed subsequent encumbrance, including but not limited to amending the lease to provide then-current rents and provisions.

In the event any such approved deed of trust or mortgage or other security-type instrument should at any time be in default and be foreclosed or transferred in lieu of foreclosure, CITY will accept the approved mortgagee or beneficiary thereof as its new tenant under this lease with all the rights, privileges, and duties granted and imposed in this lease.

Upon prior written approval by CITY, said mortgagee or beneficiary may assign this lease to its nominee, if nominee is a reputable, qualified, and financially responsible person or entity in the opinion of CITY. Any deed of trust, mortgage, or other security instrument shall be subject to all of the terms, covenants, and conditions of this lease and shall not be deemed to amend or alter any of the terms, covenants, or conditions hereof. Pursuant to City Charter Section 225, the City Manager must review and approve every person or entity which will have a financial interest in this lease. The City Manager's approval will not be unreasonably withheld, provided all such persons and entities are of good character and reputation in the community.

- 4.4 Additional Consideration to CITY. LESSEE acknowledges that CITY expends considerable sums for maintenance of areas adjacent to the leasehold. LESSEE further acknowledges that the expenditure of such funds enhances the value of the leasehold. LESSEE and CITY agree that the exact amount of such enhancement is impossible to ascertain. However, CITY desires to be reimbursed to a reasonable extent in consideration for the continued maintenance of adjacent areas. Therefore, LESSEE and CITY agree that in the event of an assignment, in the event of subletting of the majority portion of the leasehold, or in the event of a refinancing creating an encumbrance against the leasehold after the permanent improvements have been constructed, pursuant to the Development Plan as described in Section 6.14 hereof, LESSEE shall pay to CITY two percent (2%) of the gross amount paid for the leasehold in connection with an approved assignment of the lease, one percent (1%) of any amount paid LESSEE in consideration of a sublease of all or a majority portion of the leasehold, or two percent (2%) of the amount of any increased loan or encumbrance against the property over and above the amount of

the then existing balance(s) of the existing encumbrance(s). The amount upon which the two percent (2%) shall be based shall be the total consideration resulting from the transaction including total cash payments and the market value of noncash consideration, including but not limited to stocks, bonds, deferred payments, secured and unsecured notes, and forbearances regarding claims and judgments. Prior to CITY'S consent to any assignment, majority subletting, or refinancing, LESSEE shall deliver to CITY a written statement of all sums due and owing to CITY from LESSEE pursuant to the provisions of this paragraph, together with an acknowledgement from the proposed assignee, sublessee, or refinancing agency as to the amount due CITY. The sum due CITY shall be payable in full to CITY concurrent with the completion of the transaction, be it an assignment, a sublease, or a refinancing. Any assignment, subletting, or refinancing in violation of the terms and conditions of this paragraph shall be void. The provisions of this paragraph shall not apply to:

- a. An assignment or transfer of a beneficial interest in the leasehold resulting from devise bequest, intestate succession, or by operation of law for the benefit of the spouse or descendants (i) of LESSEE (if an individual) or (ii) of LESSEE'S principal owner or chief executive officer (if LESSEE is other than an individual);
- b. Such other assignment for which the City Manager determines that the legal and equitable ownership interests in the leasehold have remained unchanged, such as a change in the legal or fictitious name of the LESSEE without any other change in the equity in beneficial use of, or legal title to, the leasehold as an asset or the income produced thereby.

4.5 Defaults and Remedies.

- a. Default. In the event that:

(1) LESSEE shall default in the performance of any covenant or condition required by this lease to be performed by LESSEE and shall fail to cure said default within thirty (30) days following written notice thereof from CITY; or if any such default is not curable within thirty (30) days, shall fail to commence to cure the default(s) within said thirty-day period and diligently pursue such cure to completion; or

(2) LESSEE shall voluntarily file or have involuntarily filed against it any petition under any bankruptcy or insolvency act or law; or

(3) LESSEE shall be adjudicated a bankrupt; or

(4) LESSEE shall make a general assignment for the benefit of creditors;

then CITY may, at its option, without further notice or demand upon LESSEE or

upon any person claiming rights through LESSEE, immediately terminate this lease and all rights of LESSEE and of all persons claiming rights through LESSEE to the premises or to possession thereof; and CITY may enter and take possession of the premises. Provided, however, in the event that any default described in Section 4.5 Defaults and Remedies, hereof, is not curable within thirty (30) days after notice to LESSEE, CITY shall not terminate this lease pursuant to the default if LESSEE immediately commences to cure the default and diligently pursues such cure to completion.

In the event that there is a deed of trust or mortgage on the leasehold interest, CITY shall give the mortgagee or beneficiary written notice of the default(s) complained of, and the same mortgagee or beneficiary shall have thirty (30) days from such notice to cure the default(s) or, if any such default is not curable within thirty (30) days, to commence to cure the default(s) and diligently pursue such cure to completion. The thirty-day period may be extended during such time as mortgagee or beneficiary pursues said cure with reasonable diligence.

- b. Remedies. If the mortgagee or beneficiary shall be required to exercise its right to cure said default(s) through litigation or through foreclosure, then CITY shall have the option of the following courses of action in order that the default(s) may be expeditiously corrected:

(1) CITY may correct said default(s) and charge the costs thereof to the account of LESSEE, which charge shall be due and payable on the date that the rent is next due after presentation by CITY to LESSEE and mortgagee or beneficiary of a statement of said costs.

(2) CITY may correct said default(s) and may pay the costs thereof from the proceeds of any insurance fund held by CITY, CITY and LESSEE or by CITY and mortgagee or beneficiary, or CITY may use the funds of any faithful performance or cash bond on deposit with CITY, or CITY may call on the bonding agent to correct the default(s) or to pay the costs of correction performed by or at the direction of CITY.

(3) CITY may terminate this lease as to the rights of LESSEE by assuming or causing the assumption of liability for any trust deed or mortgage. LESSEE agrees to assume and pay any and all penalties or bonuses required by the beneficiaries, trustees or mortgagees as a condition for early payoff of the related obligations by CITY. CITY may, as an alternative, substitute for the terminated LESSEE a new LESSEE reasonably satisfactory to the mortgagee or beneficiary. Any reasonable costs incurred by CITY in releasing to a new tenant shall be the responsibility of the terminated LESSEE, and LESSEE hereby agrees to reimburse CITY for any such costs.

Should the default(s) be noncurable by LESSEE, then any lender holding a beneficial interest in the leasehold, whose qualifications as an assignee have been approved by CITY, shall have the absolute right to substitute itself to the estate of LESSEE hereunder and to commence performance of this lease. If such mortgagee or beneficiary shall give notice in writing of its election to so substitute itself within the thirty-day period after receiving written notice by CITY of the default, and the default, if curable, is cured by such mortgagee or beneficiary, then this lease shall not terminate pursuant to the default. In that event, CITY expressly consents to the substitution and authorizes the mortgagee or beneficiary to perform under this lease with all the rights, privileges, and obligations of LESSEE, subject to cure of the default, if possible, by mortgagee or beneficiary. LESSEE expressly agrees to assign all its interest in and to its leasehold estate to mortgagee or beneficiary in that event.

c. Abandonment by LESSEE. Even though LESSEE has breached the lease and abandoned the property, this lease shall continue in effect for so long as CITY does not terminate this lease, and CITY may enforce all its rights and remedies hereunder, including but not limited to the right to recover the rent as it becomes due, plus damages.

d. Waiver. Any CITY waiver of a default is not a waiver of any other default. Any waiver of a default must be in writing and be executed by the City Manager in order to constitute a valid and binding waiver. CITY delay or failure to exercise a remedy or right is not a waiver of that or any other remedy or right under this lease. The use of one remedy or right for any default does not waive the use of another remedy or right for the same default or for another or later default. CITY'S acceptance of any rents is not a waiver of any default preceding the rent payment. CITY and LESSEE specifically agree that the property constituting the premises is CITY-owned and held in trust for the benefit of the citizens of the City of San Diego and that any failure by the City Manager or CITY staff to discover a default or take prompt action to require the cure of any default shall not result in an equitable estoppel, but CITY shall at all times, subject to applicable statute of limitations, have the legal right to require the cure of any default when and as such defaults are discovered or when and as the City Council directs the City Manager to take action or require the cure of any default after such default is brought to the attention of the City Council by the City Manager or by any concerned citizen.

4.6 Eminent Domain. If all or part of the premises are taken through condemnation proceedings or under threat of condemnation by any public authority with the power of eminent domain, the interests of CITY and LESSEE (or beneficiary or mortgagee) will be as follows:

a. In the event the entire premises are taken, this lease shall terminate on the date of the transfer of title or possession to the condemning authority, whichever first

occurs.

- b. In the event of a partial taking, if, in the opinion of CITY, the remaining part of the premises is unsuitable for the lease operation, this lease shall terminate on the date of the transfer of title or possession to the condemning authority, whichever first occurs.
- c. In the event of a partial taking, if, in the opinion of CITY, the remainder of the premises is suitable for continued lease operation, this lease shall terminate in regard to the portion taken on the date of the transfer of title or possession to the condemning authority, whichever first occurs, but shall continue for the portion not taken. The minimum rent shall be equitably reduced to reflect the portion of the premises taken.
- d. Award. All monies awarded in any such taking shall belong to CITY, whether such taking results in diminution in value of the leasehold or the fee or both; provided, however, LESSEE shall be entitled to any award attributable to the taking of or damages to LESSEE'S then remaining leasehold interest in installations or improvements of LESSEE. CITY shall have no liability to LESSEE for any award not provided by the condemning authority.
- e. Transfer. CITY has the right to transfer CITY'S interests in the premises in lieu of condemnation to any authority entitled to exercise the power of eminent domain. If a transfer occurs, LESSEE shall retain whatever interest it may have in the fair market value of any improvements placed by it on the premises in accordance with this lease.
- f. No Inverse Condemnation. The exercise of any CITY right under this lease shall not be interpreted as an exercise of the power of eminent domain and shall not impose any liability upon CITY for inverse condemnation.

SECTION 5: INSURANCE RISKS/SECURITY

- 5.1 Indemnity. LESSEE agrees to defend, indemnify, protect, and hold the CITY, its agents, officers, and employees harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to LESSEE'S employees, invitee, guests, or officers, which arise out of or are in any manner directly or indirectly connected with the development or operation of the leasehold or the work to be performed under this agreement, and all expenses of investigating and defending against same; provided, however, that LESSEE'S duty to indemnify and hold harmless shall not include any claims or liability arising from the established active negligence, sole negligence, or sole willful misconduct of the CITY, its agents, officers, or employees.

5.2 Insurance.

- a. LESSEE shall take out and maintain at all times during the term of this lease the following insurance at its sole expense:

(1) Public liability and property damage insurance in the amount of not less than ONE MILLION DOLLARS (\$1,000,000) Combined Single Limit Liability with an occurrence claims form. This policy shall cover all injury or damage, including death, suffered by any party or parties from acts or failures to act by CITY or LESSEE or by authorized representatives of CITY or LESSEE on or in connection with the use or operation of the premises.

(2) Hangar Keeper's Insurance. LESSEE agrees to maintain the following insurance at its sole expense, during the term of this lease; Hangar Keeper's Insurance sufficient to cover any aircraft hangared for others. The insurance is subject to the same requirements, restrictions and penalties in the event of failure to provide or maintain as detailed under the insurance provision of this lease.

(3) Fire, extended coverage, and vandalism insurance policy on all insurable property on the premises in an amount to cover 100 percent of the replacement cost. Any proceeds from a loss shall be payable jointly to CITY and LESSEE. The proceeds shall be placed in a trust fund to be reinvested in rebuilding or repairing the damaged property.

- b. LESSEE'S responsibility to maintain said insurance also includes the following:

(1) Additional Insured. All insurance policies will name CITY as an additional insured, protect CITY against any legal costs in defending claims, and will not terminate without sixty (60) days' prior written notice to CITY. All insurance companies must be satisfactory to CITY and licensed to do business in California. All policies will be in effect on or before the first day of the lease, except "course of construction fire insurance" shall be in force on commencement of all authorized construction on the premises, and full applicable fire insurance coverage shall be effective upon completion of each insurable improvement. A copy of the insurance policy will remain on file with CITY during the entire term of the lease. At least thirty (30) days prior to the expiration of each policy, LESSEE shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the terms of this lease.

(2) Modification. CITY, at its discretion, may require the revision of amounts and coverages at any time during the term by giving LESSEE sixty (60) days' prior written notice. CITY'S requirements shall be designed to assure protection from and against the kind and extent of risk existing on the premises. LESSEE also agrees to obtain any additional insurance required by CITY for new improvements,

in order to meet the requirements of this lease.

(3) Accident Reports. LESSEE shall report to CITY any accident causing more than TEN THOUSAND DOLLARS (\$10,000) worth of property damage or any serious injury to persons on the premises. This report shall contain the names and addresses of the parties involved, a statement of the circumstances, the date and hour, the names and addresses of any witnesses and other pertinent information.

(4) Failure to Comply. If LESSEE fails or refuses to take out and maintain the required insurance, or fails to provide the proof of coverage, CITY has the right to obtain the insurance. LESSEE shall reimburse CITY for the premiums paid with interest at the maximum allowable legal rate then in effect in California. CITY shall give notice of the payment of premiums within thirty (30) days of payment stating the amount paid, names of the insurer(s) and rate of interest. Said reimbursement and interest shall be paid by LESSEE on the first (1st) day of the month following the notice of payment by CITY.

Notwithstanding the preceding provisions of this Subsection (4), if LESSEE fails or refuses to take out or maintain insurance as required in this lease, or fails to provide the proof of insurance, CITY has the right to declare this lease in default without further notice to LESSEE and CITY shall be entitled to exercise all legal remedies in the event of such default.

- 5.3 Waste, Damage, or Destruction. LESSEE agrees to give notice to CITY of any fire or other damage that may occur on the leased premises within ten (10) days of such fire or damage. LESSEE agrees not to commit or suffer to be committed any waste or injury or any public or private nuisance, to keep the premises clean and clear of refuse or obstructions, and to dispose of all garbage, trash and rubbish in a manner satisfactory to CITY. If the leased premises shall be damaged by any cause which puts the premises into a condition which is not decent, safe, healthy and sanitary, LESSEE agrees to make or cause to be made full repair of said damage and to restore the premises to the condition which existed prior to said damage; or, at CITY'S option, LESSEE agrees to clear and remove from the leased premises all debris resulting from said damage and rebuild the premises in accordance with plans and specifications previously submitted to CITY and approved in writing in order to replace in kind and in scope the operation which existed prior to such damage, using for either purpose the insurance proceeds as set forth in Section 5.2, Insurance, hereof. LESSEE agrees that preliminary steps toward performing repairs, restoration, or replacement of the premises shall be commenced by LESSEE within thirty (30) days, and the required repairs, restoration, or replacement shall be completed within a reasonable time thereafter. CITY may determine an equitable reduction in the fixed annual rent requirement for such period or periods that said premises are untenable by reason of such damage.

5.4 Security Deposit. A security deposit shall be paid to the CITY by LESSEE in the sum of \$855 (Eight Hundred fifty five Dollars) on or before the commencement date of this lease.

All or any portion of the principal sum shall be available unconditionally to CITY for correcting any default or breach of this lease by LESSEE, LESSEE'S successors or assigns, or for payment of expenses incurred by CITY as a result of LESSEE'S failure to faithfully perform all terms, covenants and conditions of this lease. The security deposit shall take one of the forms set out below:

- a. Cash. Cash deposits shall be deposited with CITY and CITY shall not be liable to LESSEE for any interest thereon. Provided further, any interest earned by CITY from such deposit or redeposit shall be and remain the property of CITY.
- b. Instrument(s) of Credit. An instrument(s) of credit from one or more financial institutions, subject to regulation and insurance by the state or federal government, shall pledge that the funds are on deposit and guaranteed for payment, and agree that any or all funds shall be paid to CITY upon demand by CITY. The financial institution and the form of any instrument pledging the funds must be approved by CITY.

LESSEE will maintain the required security deposit throughout the lease term and for ninety (90) days thereafter unless previously released by CITY. Failure to do so shall be considered a default and is grounds for immediate termination of this lease.

In the event CITY utilizes all or any portion of the security deposit, LESSEE shall reimburse the deposit within ten (10) days of notice from CITY to bring the security deposit up to the full specified amount.

The security or any balance thereof will be returned to LESSEE within ninety (90) days following expiration or termination of this lease, provided LESSEE has faithfully complied with all terms, covenants and conditions hereof.

The security deposit may be increased by CITY proportionate to any increased performance or rental liability of LESSEE upon sixty (60) days' prior written notice from CITY of such required increase.

SECTION 6: IMPROVEMENTS/ALTERATIONS/REPAIRS

- 6.1 Acceptance of Premises. By signing this lease, LESSEE represents and warrants that it has independently inspected the premises and made all tests, investigations, and observations necessary to satisfy itself of the condition of the premises. LESSEE agrees it is relying solely on such independent inspection, tests, investigations, and observations in making this lease. LESSEE further acknowledges that the premises are in the condition called for by this lease, that CITY has performed all work with respect to the premises, and that LESSEE does not hold CITY responsible for any defects in the premises.

- 6.2 Entry and Inspection. CITY reserves and shall always have the right to enter said premises for the purpose of viewing and ascertaining the condition of the same, or to protect its interests in the premises, or to inspect the operations conducted thereon. In the event that such entry or inspection by CITY discloses that said premises are not in a decent, safe, healthy, and sanitary condition, CITY shall have the right, after ten (10) days written notice to LESSEE, to have any necessary maintenance work done at the expense of LESSEE, and LESSEE hereby agrees to pay promptly any and all costs incurred by CITY in having such necessary maintenance work done, in order to keep said premises in a decent, safe, healthy, and sanitary condition. Further, if at any time CITY determines that said premises are not in a decent, safe, healthy, and sanitary condition, CITY may at its sole option, without additional notice, require LESSEE to file with CITY a faithful performance bond to assure prompt correction of any condition which is not decent, safe, healthy, and sanitary. Said bond shall be in an amount adequate in the opinion of CITY to correct the said unsatisfactory condition. LESSEE shall pay the cost of said bond. The rights reserved in this section shall not create any obligations on CITY or increase obligations elsewhere in this lease imposed on CITY.
- 6.3 Maintenance. Except as hereinafter provided, LESSEE agrees to assume full responsibility and cost for the operation and maintenance of the premises throughout the term. LESSEE will perform all such repairs and replacements necessary to maintain and preserve the premises in a decent, safe, healthy and sanitary condition satisfactory to CITY and in compliance with all applicable laws. All applicable codes and standards of CITY, state and federal agencies shall be observed in all maintenance, repairs and replacements on the premises.
- 6.4 Improvements/Alterations. No improvements, structures, or installations shall be constructed on the premises, and the premises may not be altered by LESSEE without prior written approval by the City Manager. Further, LESSEE agrees that major structural or architectural design alterations to approved improvements, structures, or installations may not be made on the premises without prior written approval by the City Manager and that such approval shall not be unreasonably withheld. This provision shall not relieve LESSEE of any obligation under this lease to maintain the premises in a decent, safe, healthy, and sanitary condition, including structural repair and restoration of damaged or worn improvements.
- 6.5 Utilities. Except as hereinafter provided, LESSEE agrees to order, obtain and pay for all utilities necessary for operation of the premises. All utilities will be installed underground. CITY shall provide reasonable amounts of water for use on the leased premises for the first five years. The City Manager shall have sole and absolute discretion to determine what constitutes a "reasonable amount" for purposes of this paragraph.
- 6.6 Liens. LESSEE shall at all times save CITY free and harmless and indemnify CITY against all claims for labor or materials in connection with operations, improvements,

alterations, or repairs on or to the premises and the costs of defending against such claims, including reasonable attorney's fees.

If improvements, alterations, or repairs are made to the premises by LESSEE or by any party other than CITY, and a lien or notice of lien is filed, LESSEE shall within five (5) days of such filing either:

- a. take all actions necessary to record a valid release of lien, or
- b. file with CITY a bond, cash, or other security acceptable to CITY sufficient to pay in full all claims of all persons seeking relief under the lien.

6.7 Taxes. LESSEE agrees to pay, before delinquency, all taxes, assessments, and fees assessed or levied upon LESSEE or the premises, including the land, any buildings, structures, machines, equipment, appliances, or other improvements or property of any nature whatsoever erected, installed, or maintained by LESSEE or levied by reason of the business or other LESSEE activities related to the leased premises, including any licenses or permits. LESSEE recognizes and agrees that this lease may create a possessory interest subject to property taxation, and that LESSEE may be subject to the payment of taxes levied on such interest, and that LESSEE shall pay all such possessory interest taxes. LESSEE further agrees that payment for such taxes, fees and assessments will not reduce any rent due CITY.

6.8 Signs. LESSEE shall comply with the approved Signage Program for Brown Field. LESSEE agrees not to erect or display any banners, pennants, flags, posters, signs, decorations, marquees, awnings, or similar devices or advertising without the prior written consent of CITY. If any such unauthorized item is found on the premises, LESSEE agrees to remove the item at its expense within 24 hours notice thereof by CITY, or CITY may thereupon remove the item at LESSEE'S cost.

6.9 Ownership of Improvements and Personal Property.

- a. Any and all improvements, trade fixtures, structures, and installations or additions to the premises now existing or constructed on the premises by LESSEE shall at lease expiration or termination be deemed to be part of the premises and shall become, at CITY'S option, CITY'S property, free of all liens and claims except as otherwise provided in this lease.
- b. If CITY elects not to assume ownership of all or any improvements, trade fixtures, structures and installations, CITY shall so notify LESSEE One-Hundred-Eighty (180) days prior to expiration, and LESSEE shall remove all such improvements, structures and installations as directed by CITY at LESSEE'S sole cost on or before lease expiration or termination. If LESSEE fails to remove any improvements, structures, and installations as directed, LESSEE agrees to pay

CITY the full cost of any removal.

- c. LESSEE-owned machines, appliances, equipment (other than trade fixtures), and other items of personal property shall be removed by LESSEE by the date of the expiration or termination of this lease. Any said items which LESSEE fails to remove will be considered abandoned and become CITY'S property free of all claims and liens, or CITY may, at its option, remove said items at LESSEE'S expense.
 - d. If any removal of such personal property by LESSEE results in damage to the remaining improvements on the premises, LESSEE agrees to repair all such damage.
 - e. Any necessary removal by either CITY or LESSEE which takes place beyond said expiration or termination hereof shall require LESSEE to pay rent to CITY at the rate in effect immediately prior to said expiration or termination.
 - f. Notwithstanding any of the foregoing, in the event LESSEE desires to dispose of any of its personal property used in the operation of said premises upon expiration or termination of this lease, then CITY shall have the first right to acquire or purchase said personal property.
- 6.10 Unavoidable Delay. If the performance of any act required of CITY or LESSEE is directly prevented or delayed by reason of strikes, lockouts, labor disputes, unusual governmental delays, acts of God, fire, floods, epidemics, freight embargoes, or other causes beyond the reasonable control of the party required to perform an act, said party shall be excused from performing that act for the period equal to the period of the prevention or delay. Provided, however, this provision shall not apply to obligations to pay rental as required pursuant to this lease. In the event LESSEE or CITY claims the existence of such a delay, the party claiming the delay shall notify the other party in writing of such fact within ten (10) days after the beginning of any such claimed delay.
- 6.11 Hazardous/Toxic Waste. LESSEE will not allow the installation of additional underground storage tanks or release of hazardous substances in, on, or under or from the premises. For the purposes of this provision, a release shall include, but not be limited to, any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leeching, dumping, or otherwise disposing of hazardous substances. "Hazardous substances" shall mean those hazardous substances listed by the Environmental Protection Agency in regularly released reports and any other substances incorporated into the State's list of hazardous substances. A copy of the presently effective EPA and the State lists is on file in the City Clerk's Office as City Clerk Document 769704. Notwithstanding the above, LESSEE shall not be responsible for the introduction of any hazardous substances which occurred prior to LESSEE'S occupancy of the premises.

In the event of any release of a hazardous substance, LESSEE shall be responsible for all costs of remediation and removal of such substances in accordance with all applicable rules and regulations of governmental authorities.

LESSEE agrees to assume the defense of, indemnify and hold the CITY harmless from any and all claims, costs and expenses related to environmental liabilities resulting from LESSEE'S operations on the premises, including, but not limited to, costs of environmental assessments, costs of remediation and removal, any necessary response costs, damage for injury to natural resources or the public, and costs of any health assessment or health effect studies.

If LESSEE knows or has reasonable cause to believe, that any hazardous substance has been released on or beneath the premises, LESSEE shall give written notice to the City Manager within ten (10) days of receipt of such knowledge or cause for belief. Provided however, if LESSEE knows, or has reasonable cause to believe that such substance is an imminent and substantial danger to public health and safety, LESSEE shall notify the City Manager immediately upon receipt of this knowledge or belief and shall take all actions necessary to alleviate such danger. LESSEE will notify the City Manager immediately of any notice of violation received or initiation of environmental actions or private suits relative to the premises. In addition, LESSEE and LESSEE'S sublessees shall not utilize or sell any hazardous substance on the property without the prior written consent of the CITY.

At any time within the twelve (12) months before the expiration or earlier termination of this lease, LESSEE at the CITY'S sole option shall cause an environmental assessment of the premises to be completed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist, or Registered Civil Engineer. Said environmental assessment shall be obtained at the sole cost and expense of LESSEE and shall establish what, if any, hazardous substances exist on, in or under the premises, and in what quantities. If any hazardous substances exist in quantities greater than that allowed by CITY, County, State, or Federal laws, statutes, ordinances, or regulations, then said environmental assessment shall include a discussion of these substances with recommendations for remediation and removal necessary to effect compliance with those laws or statutes and estimates of the cost of such remediation or removal. LESSEE shall cause the remediation and/or removal recommended in the environmental assessment such that compliance with environmental law is achieved and shall be solely responsible for all cost and expense incurred for hazardous substances found to have been introduced by LESSEE..

6.12 Maintenance of Fuel Tanks.

- a. LESSEE shall be fully responsible for the maintenance, repair or replacement of all storage tanks, including piping and equipment located on the premises.

- b. Lessee shall remove all storage tanks and all fueling equipment at LESSEE'S sole expense upon termination of this lease, or post a bond to cover the costs thereof;
LESSEE shall also restore the ground to a clean, safe condition upon removal of the tanks. LESSEE shall not be responsible for any underground storage tanks located on the premises at the start of the lease, or rented from the City by LESSEE.

- 6.13 Development Plan. LESSEE agrees to develop the leased premises in accordance with the General Development Plan approved by the City Manager and filed in the Office of the City Clerk which plan is hereby incorporated by this reference. The general contents and provisions of the Development Plan are described in Exhibit 11.4 hereof. The City Manager or his designee shall have the authority to authorize changes to the plan provided that the basic concept may not be modified without City Council approval and a document evidencing any approved changes shall be filed in the Office of the City Clerk. Failure by LESSEE to comply with the General Development Plan shall constitute a major default and subject this lease to termination by CITY. The City Manager, in his sole discretion, may approve an extension to the date specified for completion in the Development Plan of up to one (1) year without further City Council approval.
- 6.14 Failure to Meet Development Schedule. Should LESSEE fail to complete construction in accordance with the schedule of development of the General Development Plan hereof, it is specifically agreed by LESSEE and CITY that CITY will be entitled to damages in the amount of Fifty Dollars (\$50) for every day of failure to meet said schedule of development until completion of development, (which may be waived by CITY), said amount representing liquidated damages therefor. In the event that construction is not completed within twelve (12) months following the date specified for completion in the Development Plan, CITY may, at its option, terminate this lease. The City Manager, in his sole discretion, may approve an extension to the development schedule of up to one (1) year without further City Council approval.

SECTION 7: GENERAL PROVISIONS

LESSEE agrees to hire qualified local residents and firms whenever feasible.

LESSEE understands that failure to comply with the above requirements and/or submitting false information in response to these requirements may result in termination of this lease agreement and debarment from participating in CITY contracts for a period of not less than one (1) year.

- 7.6 Partial Invalidity. If any term, covenant, condition, or provision of this lease is found invalid, void, or unenforceable by a court of competent jurisdiction, the remaining provisions will remain in full force and effect.

The numbers of the paragraphs and pages of this lease may not be consecutive. Such lack of consecutive numbers is intentional and shall have no effect on the enforceability of this lease.
- 7.10 Entire Understanding. This lease contains the entire understanding of the parties. LESSEE, by signing this agreement, agrees that there is no other written or oral understanding between the parties with respect to the leased premises except a MOU signed by Bearden, Jones, and AASI dated August 16, 1996 and a MOU signed by Bearden and AASI dated May 7, 1996. Each party has relied on its own examination of the premises, advice from its own attorneys, and the warranties, representations, and covenants of the lease itself. Each of the parties in this lease agrees that no other party, agent, or attorney of any other party has made any promise, representation, or warranty

7.13 Disabled Access Compliance. LESSEE agrees to comply with the California Government Code, Sections 11135-11139.5; the Federal Rehabilitation Act of 1973, Section 504, Title V; the Americans with Disabilities Act of 1990 (ADA); and any other applicable state and federal laws and regulations hereafter enacted protecting the rights of people with disabilities. LESSEE'S compliance shall include but not necessarily be limited to the following:

- a. LESSEE shall not discriminate against qualified persons with disabilities in any aspects of employment, including recruitment, hiring, promotions, conditions and privileges of employment, training, compensation, benefits, discipline, layoffs, and termination of employment.
- b. No qualified individual with a disability may be excluded on the basis of disability from participation in, or be denied the benefits of, services, programs, or activities of LESSEE.

- 9.3 LESSEE'S Noninterference with Aircraft. LESSEE and LESSEE'S successors, assigns and sublessees agree not to use the premises in any manner or act in any manner that might interfere with any aircraft landing or taking off from Brown Field Airport or otherwise create a hazard. If this covenant is breached in any way, CITY reserves the right to enter the premises and abate or eliminate the interference at the expense of LESSEE.
- 9.4 Lease Subordinate to CITY-United States Agreements. This lease shall be subordinate to the terms of any existing or future agreements between CITY and the United States, or to any United States legal requirement relative to the development, operation or maintenance of the airport.
- 9.5 Height Limitation. LESSEE and LESSEE'S successors, sublessees and assigns agree not to erect or permit any structure or tree on the premises to reach a mean sea level elevation of more than (50') feet above ground level. If this covenant is breached in any way, CITY reserves the right to enter the premises and remove the structure, object, or tree, at the expense of LESSEE.
- 9.6 Right of Flight Easement. CITY and its successors and assigns reserve a right of flight for the passage of aircraft in the air space above the premises, for the benefit and use of the public. This right includes the right to make noise inherent in the operation of existing or future aircraft that operate in any way on or near Brown Field Airport.

Federal Aviation Act of 1958 (Title 49, Section 1349 of the United States Code).

9.10 Landing Area Maintenance. CITY reserves the right, but not the obligation, to maintain and repair the airport landing area and all other public facilities. CITY also has the right to direct and control all LESSEE activities affecting the maintenance and repair of these facilities.

9.11 FAA Nondiscrimination Covenant.

a. LESSEE and LESSEE'S representatives, successors, sublessees and assigns agree, as part of the consideration that:

(1) No person shall be denied benefits, participation or subjected to discrimination in the use of facilities on the premises based on race, color, sex or national origin.

(2) No person shall be denied benefits, excluded from participation in or subject to discrimination in the construction of any improvements nor the furnishing of any services on the premises, based on race, color, sex or national origin.

(3) LESSEE shall use the premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations (CFR), Department of Transportation, Subtitle A, Office of the Secretary, Part 21, "Nondiscrimination in Federally-Assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964," as now exists or may be amended in the future.

b. If any of the provisions are breached, CITY may terminate the lease and reenter and repossess the premises as if this lease had never been made. This provision is not effective until the procedures of 49 CFR Part 21 are allowed and completed, including expiration of appeal rights.

c. LESSEE agrees to furnish accommodations and services on a fair and equal basis to all users and will charge fair, reasonable and equal prices for each item or service. LESSEE is allowed to make reasonable and nondiscriminatory discounts, rebates or similar price reductions to volume purchasers. If LESSEE does not comply with this provision, CITY has the right to terminate this lease agreement, without liability, or either CITY or the United States may judicially enforce this entire covenant.

d. LESSEE agrees to include the entire covenant in any sublease or lease agreement by which LESSEE grants any right or privilege to any firm, corporation or person providing services or accommodations to the public on the leased premises.

- 9.12 Equal Opportunity. LESSEE, LESSEE'S successors, assigns, sublessees, and any suborganizations agree to undertake an equal opportunity program as required by Title 14, Code of Federal Regulations, Part 152, Subpart E, to insure that no person shall be excluded from any employment program or opportunity, nor be denied any service described, based on race, creed, color, national origin or sex.
- 9.13 CITY to Mitigate Impacts of Subordination. If subordination agreements between CITY and United States of America result in LESSEE'S inability to operate as a business on the premises, or if the business operations permitted under this agreement are materially affected during a period of subordination, CITY agrees to make a reasonable rental reduction or adjustment, as determined by CITY. LESSEE agrees that any damages claimed during this subordination period will be limited to this rental relief.
- 9.14 CITY to Mitigate Impacts of Subordination by Termination or Extension. If subordination agreements between CITY and the United States of America result in LESSEE'S inability to operate as a business on the premises, or if the business operations permitted under this agreement are materially affected during a period of subordination, CITY, upon written request from LESSEE, will terminate this lease or extend the term of this lease for the period of time that LESSEE'S operation is affected, and no rent shall accrue during any period of inoperation.
- 9.15 Licenses and Certifications. LESSEE agrees that it will not maintain any activities such as a flight school, air charter, air taxi or grounds school, without the required FAA certifications and licenses. Failure to comply with this provision constitutes a default and CITY then has the right to terminate the lease without liability.

- 9.17 Subordination to Brown Field Quitclaim Deed. LESSEE agrees that this lease agreement is subordinate to the provisions of the Brown Field Quitclaim Deed to CITY.
- 9.18 Aircraft Parking. LESSEE shall require that all aircraft under its control be parked only on the leased premises, except as otherwise provided by the direction of the City Manager. At no time shall any aircraft, vehicle or other object, including refuse, under LESSEE'S control, be allowed to obstruct any designated taxiways.
- 9.19 Noise Abatement. CITY airports are severely impacted by noise; therefore, LESSEE shall comply at all times with all airport noise abatement rules and regulations ("Noise Abatement Program") as may be applicable to LESSEE'S use of CITY-owned airports and this lease. Current information on the Noise Abatement Program for CITY airports may be obtained at CITY'S Airport Noise Abatement Office.

It is CITY'S intent to take whatever action is necessary to enforce its Noise Abatement Program. This may include fining violators and/or terminating their use of the airport. LESSEE shall fully cooperate with CITY in its enforcement of its Noise Abatement Program with users of the leased premises, including providing CITY with any information it has in its records that would assist the CITY in identifying and locating those that violate the Airport's Noise Abatement Program.

9.20 Minority Business Policy

- a. If LESSEE receives any federal funds governed by Title 49, Code of Federal Regulations, Part 23, LESSEE agrees that it and its contractor will ensure that minority business enterprises have the maximum opportunity to compete for and perform contracts and subcontracts. LESSEE and LESSEE'S contractors agree not to discriminate on the basis of race, color, national origin or sex in the award and performance of any Federal Department of Transportation assisted contracts.
- b. Developer will comply with Title VII of the Civil Rights Act of 1964, as amended, the California Fair Employment Practice Act, and any other applicable federal and state laws and regulations hereinafter enacted. Developer will not discriminate based on race, religion, color, ancestry, age, gender, sexual orientation, disability, medical condition or place of birth against any employee, applicant for employment, or firm seeking to conduct business with developer.

Further, developer will cause the foregoing provisions to be inserted in all subcontracts for any work covered by this agreement so that such provisions will be binding upon each subcontractor.

- 9.21 Asbestos Disclosure. (Buildings Built Prior to 1979) City discloses to LESSEE that portions of the structural component of the premises may contain asbestos. LESSEE acknowledges having received notice from CITY of the presence of such asbestos in accordance with Health and Safety Code Section 25915. LESSEE shall disclose the existence of asbestos on the leased premises, as required by Health and Safety Code Section 25915.
