4. Term. The term of this Permit ("Term") shall commence on the Effective Date, and shall expire sixteen (16) months following the effective date.
5. Revocable License. This Permit is not a lease. It is a non-exclusive license to use CITY property, and may be revoked at will by CITY, in its sole discretion. CITY shall not be obligated for any loss, financial or otherwise, which may be incurred by PERMITTEE as a result of such revocation or the termination of this Permit. PERMITTEE expressly waives any claim for expense or loss which PERMITTEE might incur as a result of CITY'S termination of this Permit. CITY may at all times enter upon the Permit Area.
6. Restoration. Immediately upon the expiration or earlier termination of this Permit, PERMITTEE shall promptly remove any and all improvements it installed in, on, under, or above the Permit Area and restore the Permit Area to its original condition, all at PERMITTEE'S sole cost and expense.
7. CITY'S Consent, Discretion. Whenever required under this Permit, CITY'S consent or approval shall mean the written consent or approval of the Mayor of San Diego, or his or her designee ("Mayor"), unless otherwise expressly provided. CITY'S discretionary acts hereunder shall be made in the Mayor's discretion, unless otherwise expressly provided.
8. Governmental Approvals. By entering into this Permit, neither CITY nor CITY'S City Council is obligating itself to any other governmental agent, board, commission, or agency with regard to any other discretionary action relating to the Permit Area or PERMITTEE'S use of the Permit Area. Discretionary action includes but is not limited to re-zonings, variances, environmental clearances, or any other governmental agency approvals which may be required for the PERMITTEE'S use of the Permit Area.
9. Hazardous Substances. PERMITTEE shall not allow the installation or release of hazardous substances in, on, under, or from the Permit Area or the City Property. PERMITTEE and PERMITTEE'S agents and contractors shall not store, utilize, or sell any hazardous substance on the Permit Area or the City Property without CITY'S prior written consent. For the purposes of this provision, a release shall include but not be limited to any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leeching, dumping, or otherwise disposing of hazardous substances. "Hazardous substances" shall mean those hazardous substances listed by the Environmental Protection Agency in regularly released reports and any other substances incorporated into the State of California's list of hazardous substances. A copy of the presently effective EPA and the State lists is on file in the Office of the City Clerk as Document 769704 and by this reference is incorporated into this Lease.
- 9.1 Remediation. If PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area results in a release of a hazardous substance, PERMITTEE shall pay all costs of remediation and removal of the hazardous substance in accordance with all applicable laws, rules, and regulations of governmental authorities.

- 9.2 Indemnity. PERMITTEE shall protect, defend, indemnify, and hold CITY harmless from any and all claims, costs, and expenses related to environmental liabilities resulting from PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area, including but not limited to costs of environmental assessments, costs of remediation and removal, any necessary response costs, damages for injury to natural resources or the public, and costs of any health assessment or health effect studies.
- 9.3 Notice of Release. If PERMITTEE knows or has reasonable cause to believe that a hazardous substance has been released on or beneath the Permit Area or the City Property, PERMITTEE shall immediately notify CITY and deliver a written report thereof to CITY within three (3) days of receipt of the knowledge or cause for belief. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent and substantial danger to public health and safety, PERMITTEE shall take all actions necessary to alleviate the danger. PERMITTEE shall notify CITY immediately of any notice of violation received or initiation of environmental actions or private suits related to the Permit Area or the City Property.
- 9.4 Environmental Assessment. Upon reasonable cause to believe that PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area or the City Property ("PERMITTEE'S Operations"), resulted in any hazardous substance being released on or beneath the Permit Area or the City Property, CITY may cause an environmental assessment of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist, or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE'S sole cost and expense, and shall establish what, if any, hazardous substances have more likely than not been caused by PERMITTEE'S Operations on, in, or under the Permit Area or the City Property, and in what quantities. City shall provide PERMITTEE with a copy of the environmental assessment, upon receipt of the report. If any such hazardous substances exist in quantities greater than allowed by city, county, state, or federal laws, statutes, ordinances, or regulations, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, CITY may cause, the remediation and/or removal recommended in the environmental assessment such that compliance with environmental law is achieved, and PERMITTEE shall pay all costs and expenses therefor. PERMITTEE shall only be responsible for remediation related to contamination caused by Kiewit.
10. Relocation. CITY may relocate the Permit Area if, in CITY'S opinion, PERMITTEE'S use of the Permit Area unreasonably interferes with CITY'S present or future use of the City Property. CITY shall provide to PERMITTEE a substitute for the Permit Area reasonably suited to PERMITTEE'S needs at no cost to PERMITTEE. PERMITTEE shall pay for all costs related to the first such relocation of the Permit Area, and CITY shall reimburse PERMITTEE for all reasonable costs incurred for any subsequent relocation.

11. Noninterference. PERMITTEE shall not materially interfere with CITY'S use, operations, and activities on the City Property, and PERMITTEE shall use such routes and follow such procedures on the City Property as shall result in the least damage and inconvenience to CITY and other users of the City Property.
12. Property Damage. PERMITTEE shall pay for all damage to the City Property, CITY'S personal property on the City Property, and the personal property of third parties on the City Property resulting from PERMITTEE'S exercise of the rights granted by this Permit, including without limitation soil erosion, subsidence, or damage resulting thereby. PERMITTEE shall promptly repair and restore to its original condition all such property.
13. Indemnification. PERMITTEE shall protect, defend, indemnify, and hold CITY, its elected officials, officers, representatives, agents, and employees harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to PERMITTEE'S officers, employees, agents, contractor's, students, invitees and guests, which arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area or the City Property, and all expenses of investigating and defending against same, including without limitation attorney fees and costs; provided, however, that PERMITTEE'S duty to indemnify and hold harmless shall not include any claims or liability arising from the established active negligence, sole negligence, or sole willful misconduct of CITY, its elected officials, officers, representatives, agents and employees. CITY may, at its election, conduct the defense or participate in the defense of any claim related in any way to this indemnification. If CITY chooses at its own election to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification, PERMITTEE shall pay all of the costs related thereto, including without limitation reasonable attorney fees and costs.
14. Taxes. PERMITTEE, alone, shall pay any and all taxes, charges, and use fees levied by any governmental agency against PERMITTEE or against any of the City Property as a result of PERMITTEE'S occupancy, use, development, maintenance, or restoration of the Permit Area or the City Property.
15. Encumbrances. PERMITTEE shall keep the City Property free from all encumbrances and liens of any nature which arise out of or are in any manner directly or indirectly connected with this Permit or PERMITTEE'S use of the Permit Area. PERMITTEE shall protect, defend, indemnify, and hold CITY harmless from and against any and all such encumbrances and/or liens, and from and against any claim, liability, cost or expense, including without limitation all attorney fees and costs, relating to or charged against the City Property, including without limitation PERMITTEE'S failure or the failure of any contractor or subcontractor hired by PERMITTEE to pay any person or persons referred to in Section 3181 of the California Civil Code or other applicable sections thereof.
16. No Discrimination. PERMITTEE shall not discriminate in any manner against any person or persons on account of race, color, religion, gender, sexual orientation, medical status, national origin, age, marital status, or physical disability in PERMITTEE'S use of the City

Property, including but not limited to the providing of goods, services, facilities, privileges, advantages, and accommodations, and the obtaining and holding of employment.

17. PERMITTEE'S Risk. PERMITTEE shall bear all risks and liability arising out of or in any manner directly or indirectly connected with PERMITTEE'S use of the City Property and any damages to the improvements on, under, or in the vicinity of the City Property resulting directly or indirectly thereby.
18. Insurance. PERMITTEE shall not use the Permit Area until it has: (a) obtained, and provided to CITY, insurance certificates and endorsements reflecting evidence of all insurance required herein; however, the City reserves the right to request, and PERMITTEE shall submit, copies of any policy upon reasonable request by CITY; (b) obtained City approval of each company or companies as required; and (c) confirmed that all policies contain the required specific provisions. PERMITTEE'S liabilities, including but not limited to PERMITTEE'S indemnity obligations, under this Permit, shall not be deemed limited in any way to the insurance coverage required herein. Except as provided for under California law, all policies of insurance required hereunder must provide that CITY is entitled to thirty (30) days prior written notice (10 days for cancellation due to non-payment of premium) of cancellation or non-renewal of the policy or policies. Maintenance of specified insurance coverage is a material element of this Permit and PERMITTEE'S failure to maintain or renew coverage or to provide evidence of renewal during the term of this Permit may be treated by CITY as grounds for termination of this Permit.

Further, PERMITTEE shall not modify any policy or endorsement thereto which increases CITY'S exposure to loss for the duration of this Permit.

18.1 Types of Insurance. At all times during the term of this Permit, PERMITTEE shall maintain insurance coverage as follows:

18.1.1 Commercial General Liability. Commercial General Liability (CGL) Insurance written on the current version of the ISO Occurrence form CG 00 01 or an equivalent form providing coverage at least as broad which shall cover liability arising from bodily injury or property damage in the amount of \$2,000,000 per occurrence and subject to an annual aggregate of \$4,000,000. There shall be no endorsement or modification of the CGL limiting the scope of coverage for either insured vs. insured claims or contractual liability. All defense costs shall be outside the limits of the policy.

18.1.2 Commercial Automobile Liability. For all of PERMITTEE'S automobiles including owned, hired and non-owned automobiles, PERMITTEE shall keep in full force and effect, automobile insurance written on the current version of the ISO form CA 00 01 or an equivalent form providing coverage at least as broad for bodily injury and property damage for a combined single limit of \$1 million per occurrence.

PERMITTEE shall keep in full force and effect, a Workers' Compensation policy. That policy shall include a minimum of \$1 million of employers' liability coverage, and PERMITTEE shall provide an endorsement that the insurer waives the right of subrogation against CITY and its respective elected officials, officers, employees, agents and representatives.

18.1.4 All Risk Property Insurance. PERMITTEE shall obtain All Risks Property Insurance on all insurable property on the Permit Area in an amount to cover 100% of the replacement cost.

18.2 Deductibles. All deductibles on any policy shall be the responsibility of PERMITTEE and shall be disclosed to CITY at the time the evidence of insurance is provided.

18.3 Acceptability of Insurers.

Except for the State Compensation Insurance Fund, all insurance required by this Permit shall only be carried by insurance companies with a rating of at least "A-, VI" by A.M. Best Company, that are authorized by the California Insurance Commissioner to do business in the State of California, and that have been approved by CITY.

CITY will accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of California and is included on the List of Eligible Surplus Lines Insurers (LESLI list). All policies of insurance carried by non-admitted carriers are subject to all of the requirements for policies of insurance provided by admitted carriers described herein.

18.4 Required Endorsements. The following endorsements to the policies of insurance are required to be provided to CITY before any work is initiated under this Permit.

18.4.1 Additional Insured. To the fullest extent allowed by law, the Commercial General Liability and Commercial Automobile policies must be endorsed to include as an Insured the City of San Diego and its respective elected officials, officers, employees, agents and representatives written on ISO form CG2010 (11/85) or an equivalent form.

18.4.2 Primary and Non-Contributory Coverage. The Commercial General Liability policy or policies must be endorsed to provide that the insurance afforded is primary to any insurance or self-insurance of the City of San Diego and its elected officials, officers, employees, agents and representatives as respects operations of the Named Insured. Any insurance maintained by the City of San Diego and its elected officials, officers, employees, agents and representatives shall be in excess of PERMITTEE'S insurance and shall not contribute to it.

18.4.3 Severability of Interest. The Commercial General Liability and Commercial Automobile policies must be endorsed to provide that PERMITTEE'S insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability and shall provide cross-liability coverage.

18.4.4 Waiver of Subrogation The Worker's Compensation policy must be endorsed to provide that the insurer will waive all rights of subrogation against CITY and its respective elected officials, officers, employees, agents and representatives for losses paid under the terms of this policy or these policies which arise from work performed by the Named Insured for CITY.

18.5 Excess Insurance. All policies providing excess coverage to CITY shall follow the form of the primary policy or policies including but not limited to all endorsements.

18.6 Modification. To assure protection from and against the kind and extent of risk existing on the Permit Area, CITY, at its discretion, may require the revision of amounts and coverage at any time during the Term by giving PERMITTEE thirty (30) days prior written notice. PERMITTEE shall also obtain any additional insurance required by CITY for new improvements, in order to meet the requirements of this Permit.

18.7 Accident Reports. PERMITTEE shall report to CITY any accident causing property damage or injury to persons on CITY Property. Such report shall contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and other pertinent information.

18.8 Failure to Comply. If PERMITTEE fails or refuses to obtain and maintain the required insurance, or fails to provide proof of coverage, CITY may obtain the insurance. PERMITTEE shall reimburse CITY for the premiums paid, with interest at the maximum allowable legal rate then in effect in California. CITY shall notify PERMITTEE of such payment of premiums stating the amount paid, the name(s) of the insurer(s), and the rate of interest. PERMITTEE shall pay such reimbursement and interest within thirty (30) days following CITY'S notice. Notwithstanding any other provision of this Permit, if PERMITTEE fails or refuses to obtain or maintain insurance as required by this Permit, or fails to provide proof of insurance, CITY may terminate this Permit immediately upon such breach.

19. Compliance with Law. PERMITTEE shall, at its sole cost and expense, comply with all laws and the requirements of all municipal, state, and federal authorities now in effect or which may hereafter be in effect, which pertain to the Permit Area and PERMITTEE'S Operations on the Permit Area.

20. Signs. No signs may be displayed on the Permit Area without CITY'S prior written consent.

21. Maintenance of the Permit Area. PERMITTEE shall maintain the Permit Area, at PERMITTEE'S sole cost and expense and to CITY'S satisfaction, in a decent, safe, healthy and sanitary condition.

22. Grading. PERMITTEE represents and warrants that any grading and compaction operations shall be done in such a manner that will not disrupt the existing surface drainage pattern and the final grades will not interfere with the existing flow pattern.

23. Inspection. CITY may, at any and all times, enter and inspect the Permit Area.

24. Waiver. CITY'S failure to insist upon the strict performance of any of PERMITTEE'S obligations under this Permit, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect. The property constituting the Permit Area is publicly-owned and held in trust for the benefit of CITY'S citizens. CITY'S failure to discover a breach of any obligation of this Permit or to take prompt action to require the cure of any such breach shall not result in an equitable estoppel, but CITY may at any and all times require the cure of any such breach.
25. Survival. Any obligation which accrues under this Permit prior to its expiration or termination shall survive such expiration or termination.
26. Entire Permit. This Permit contains the entire agreement between the parties relating to the rights granted hereby and the obligations assumed herein. No modification of this Permit shall be valid unless in writing and signed by the party to be charged.
27. Legal Proceedings. In the event of any controversy, claim, or dispute relating to this Permit, the prevailing party shall be entitled to recover from the non-prevailing party all reasonable costs and expenses thereof, including without limitation attorney fees and costs.
28. Notices.
