**CITY OF SAN DIEGO
TELECOMMUNICATIONS FLAT RATE LEASE**

THIS LEASE AGREEMENT is executed between THE CITY OF SAN DIEGO, a municipal corporation, hereinafter called "CITY," and THE DEPARTMENT OF THE TREASURY, US CUSTOMS SERVICE hereinafter called "LESSEE."

SECTION 1: USES

- 1.1 Premises. CITY hereby leases to LESSEE one (1) rack space and placement on the antenna tower in the Communications Center located at San Ysidro View Park. Said real property is situated in the County of San Diego, State of California, hereinafter called the "Premises" or the "Leased Premises" and is described on Exhibit "A."
- 1.2 Uses. It is expressly agreed that the Premises are Leased to LESSEE solely and exclusively for the purpose of constructing, maintaining, repairing, altering and operating radio transmitting and receiving equipment in accordance with Exhibits "B" and "C" hereof, and for such other related or incidental purposes as may be first approved in writing by the City Manager and for no other purpose whatsoever.

The use of the Premises for any unauthorized purpose shall constitute a substantial default and subject this lease to termination at the sole option of the CITY.

LESSEE covenants and agrees to use the Premises for the above-specified purposes and to diligently pursue said purposes throughout the term hereof. Failure to continuously use the Premises for said purposes, or the use thereof for purposes not expressly authorized herein, shall be grounds for termination by CITY.

- 1.3 Interference. Prior to the CITY'S approval of an application for a new radio-electronic use authorization or modification of an existing authorization, on Premises, pre-installation or pre-use tests will be required. Such tests will determine whether or not radio frequency interference or degraded performance will result to the existing authorized radio electronic type uses at the facility.

Should the interference problems result, it will be the responsibility of the user implementing the new installation to initiate mutually agreeable actions of the parties involved to settle the problem among themselves.

CITY may recognize the right of prior authorizes and withhold approval of a radio-electronic authorization application or authorization modification pending settlement of interference problems between the applicant and other authorizees. It is mutually agreed that the City of San Diego shall not be obligated for any loss, financial or otherwise, which may be incurred by LESSEE as a result of termination of this lease, and, further, that LESSEE expressly waives any claim for expense or loss which LESSEE might incur as a result of termination of this lease.

a. Pre-installation or pre-use Testing

- (1) It will be the responsibility of the LESSEE to make the complete arrangements and conduct all tests in a technically sound manner.
 - (a) A listing of all radio-electronic land use Permittees/LESSEES operating at the facility will be obtained from the City.
- (2) It will be the responsibility of the LESSEE to notify all radio-electronic Permittees/LESSEES at the facility of the tests and details thereof, at least 14 days in advance of the tests.
 - (a) The notification shall be in the form of letter to each listed Permittee/LESSEE giving a technical summary of the test and shall specify the date and hour the test will start. The letter of notification shall request the Permittees/LESSEES to have a qualified representative present for the test to observe for possible interference problems and with authority to sign an interference or noninterference certification on behalf of the Permittee/LESSEE.
 - (b) A copy of these instructions, "City of San Diego Radio-Electronic Land Use On-The-Air Test Instructions and Procedures" shall be attached to each notification and it shall be so noted in the notification letter.
 - (c) Notification to Permittees/LESSEES shall be sent via U.S. Mail or hand delivered.

- (d) The notification letter to the City Communications Engineer shall include a list of all Permittees/LESSEES notified.
- (3) It will be the LESSEE's responsibility to submit to the City Communications Engineer following the completion of the tests, a letter stating test results obtained from each Permittee/LESSEE participating in the test and a list of those Permittees/LESSEES who did not respond.
- (4) In the event a notified Permittee/LESSEE fails to send a qualified representative to observe and participate in the tests, it will be assumed by the City that the Permittee/LESSEE has assured themselves that their operations will not be affected.

b. On-The-Air Tests - Technical Details

Pre-installation or pre-use on-the-air tests shall be conducted by the LESSEE under the following technical conditions:

- (1) The LESSEE's transmitting and/or receiving equipment shall be of the type planned for final use at the site.
 - (a) The transmitted RF power shall be the maximum to be used and authorized at the location.
 - (b) On-the-air transmitter tests shall include the use of full allowable modulation.
 - (c) Antenna height(s), location(s) and type(s) shall be the same as the final installation plan.
- (2) Tests shall include on-the-air operation of all participating transmitter(s) and receiver(s) in all possible combinations with the LESSEE's electronic equipment.
- (3) All tests will include testing with all frequencies planned for use by the LESSEE at the location.

1.4 Related Council Actions. By the granting of this lease, neither CITY nor the Council of CITY is obligating itself to any other governmental agent, board, commission, or agency with regard to any other discretionary action relating to development or operation of the premises. Discretionary action includes but is

not limited to rezonings, variances, environmental clearances, or any other governmental agency approvals which may be required for the development and operation of the Leased Premises.

- 1.5 Quiet Possession. LESSEE, paying the rent and performing the covenants and agreements herein, shall at all times during the term peaceably and quietly have, hold, and enjoy the Premises. If CITY for any reason cannot deliver possession of the Premises to LESSEE at the commencement of the term, or if during the lease term LESSEE is temporarily dispossessed through action or claim of a title superior to CITY'S, then and in either of such events, this lease shall not be voidable nor shall CITY be liable to LESSEE for any loss or damage resulting therefrom, but there shall be determined and stated in writing by the City Manager of CITY a proportionate reduction of the minimum or flat rate rent for the period or periods during which LESSEE is prevented from having the quiet possession of all or a portion of the Premises.

1.6 Easements and Reservations.

- a. CITY hereby reserves all rights, title, and interest in any and all subsurface natural gas, oil, minerals, and water on or within the Premises.
- b. CITY reserves the right to grant and use easements or to establish and use rights-of-way over, under, along, and across the Leased Premises for utilities, thoroughfares, or access as it deems advisable for the public good.
- c. CITY has the right to enter the Premises for the purpose of making repairs to or developing municipal resources and services.

However, CITY shall not unreasonably or substantially interfere with LESSEE'S use of the Premises and will reimburse LESSEE for physical damages, if any, to the permanent improvements located on the Leased Premises resulting from CITY exercising the rights reserved in this section.

- 1.7 Competent Management. Throughout the term of this lease agreement, LESSEE shall provide competent management of the Leased Premises to the satisfaction of the City Manager. For the purposes of this paragraph, "competent management" shall mean demonstrated ability in the management and operation of a communication facility and related activities in a fiscally responsible manner.

SECTION 2: TERM

- 2.1 Commencement. The term of this agreement shall be 5 years commencing on the first day of the calendar month following execution by the City Manager (Commencement Date). "Lease year" as used in this lease shall mean the 12-month period commencing on the first day of the calendar month following the execution of this lease by the City Manager. Provided that LESSEE is not in default of this lease, LESSEE has an option for 3 additional 5-year periods contingent upon LESSEE agreeing to the 5th, 10th and 15th year market value adjustments. CITY or LESSEE may terminate this lease at any time after providing 180 days written notice of intention to do so.
- 2.2 Holdover. Any holding over by LESSEE after expiration or termination shall not be considered as a renewal or extension of this lease. The occupancy of the Premises after the expiration or termination of this agreement constitutes a month-to-month tenancy, and all other terms and conditions of this agreement shall continue in full force and effect; provided, however, CITY shall have the right to apply a reasonable increase in rent to bring the rent to fair market value and to terminate the holdover tenancy at will.
- 2.3 Quitclaim and Surrender of LESSEE'S Interest. On the expiration or earlier termination of this lease, LESSEE shall deliver to CITY a letter notifying the CITY of its turning back of all rights in and to the Premises.

At the expiration or earlier termination of this lease, LESSEE shall surrender the Premises to CITY free and clear of all liens and encumbrances, except those liens and encumbrances which existed on the date of execution hereof, and in a decent, safe, and sanitary condition. In the case of termination of this lease by CITY prior to the end of the specified lease term, any liens and encumbrances must be approved in writing by the City Manager.

SECTION 3: RENT

- 3.1 Time and Place of Payment. Rent is due monthly in arrears on or before the first day of each calendar month. Checks should be made payable to the City Treasurer and mailed to the Office of the City Treasurer, City of San Diego, P.O. Box 2289, San Diego, California 92112-4165, or delivered to the Office of the City Treasurer, City Operations Building, 1222 First Avenue, Third Floor, San Diego, California.

The place and time of payment may be changed at any time by CITY upon thirty (30) days' written notice to LESSEE. Mailed rental payments shall be deemed paid upon the date such payment is postmarked by the postal authorities. If

postmarks are illegible, the payment shall be deemed paid upon actual receipt by the City Treasurer.

3.2 Rent.

- a. Rent Amount. The minimum rent to the CITY will be Four Hundred and Twenty Dollars (\$420) per month. This rental rate is consideration based on the equipment and facility depicted in the attached Exhibits "B" & "C". LESSEE understands and agrees that modification of existing equipment or installation of new equipment which alters or enhances original permitted use may result in a fair market increase to this rent.

Beginning with the second year of this lease and continuing each year thereafter, the rent will be increased annually on the Commencement Date defined in Section 2.1 of this lease. The annual increase shall be six percent (6%) of the preceding years annual rent.

- b. Rent Adjustment. At least six (6) months prior to the end of the fifth year of the term of this agreement and at least six (6) months prior to the end of each five-year period thereafter, the parties hereto, by mutual consent or through appraisal as hereinafter set forth, will adjust LESSEE'S rent to be paid CITY effective upon the first day of the succeeding five-year period. Said adjustment will be made to the degree necessary to provide a fair rental to CITY as determined by the City Manager and LESSEE, taking into consideration the criteria set forth in Section 3.2c. below. In the event that such adjustment is not made by mutual consent prior to two (2) months before the end of said five-year periods, then the parties hereto will refer the matter to appraisal under the terms hereinafter set forth.

- c. Fair Market Value Adjustments. At the end of the fifth year following the Commencement Date of this agreement and at the end of the 10th and 15th year, the rent for the ensuing five years, subject to the aforesaid adjustments, shall be determined by an appraisal of the Leased Premises as of the adjustment date by a qualified, competent experienced real estate appraiser, who has demonstrated expertise in determining rent for telecommunication site(s)/properties. The fair market rent of the Leased Premises shall be determined by an appraisal made by a professional independent real estate appraiser selected by mutual consent of the parties from the list of appraisers approved by CITY. In the event the parties cannot reach agreement upon selection of a mutually acceptable appraiser, then CITY and LESSEE shall each select a professional independent real estate appraiser who in turn will select a third independent real estate appraiser, which third appraiser will be employed to make the appraisal of

the fair market rent of the premises and which value will be utilized to determine the adjusted rent previously described herein. In the event that the two selected appraisers fail to mutually select a third appraiser within thirty (30) days, then the third appraiser will be appointed by the presiding judge of the Superior Court of the State of California, County of San Diego, acting in his or her individual capacity, on prompt application by either CITY or LESSEE with notice thereupon to the other party. In the event that the Superior Court judge declines to make the appointment, the parties hereto agree that the third appraiser shall be promptly determined in accordance with the rules of the American Arbitration Association. Said third appraiser shall complete the assignment within sixty (60) days of appointment. Each party shall pay the cost of its own selected appraiser, and both CITY and LESSEE agree to equally share the cost of the mutually selected or court appointed third appraiser. CITY and LESSEE agree to accept and be bound by the valuation determined by the selected or appointed appraiser.

In establishing the fair market rent of the premises, the appraiser shall consider the property as a fee simple absolute estate and as vacant and available for lease or sale for the authorized purposes of this lease at the commencement of the rental period under review, and that the authorized communication system is considered the highest and best use.

The date of value of the appraisal shall be the date of rental adjustment as hereinabove established. In the event the appraisal is not completed in time to permit the adjustment to be made upon the date specified, LESSEE agrees to continue to pay rent in accordance with the then-existing lease rates, and the adjustment, when determined, will be retroactive to said effective date of rental adjustment. Any deficiency shall be paid by LESSEE to CITY within thirty (30) days after determination of the new rental rate. IN NO EVENT SHALL THE ADJUSTED RENT, AS ESTABLISHED BY PERIODIC APPRAISALS AS PROVIDED FOR HEREIN, BE LESS THAN THE RENT IN EXISTENCE IMMEDIATELY PRIOR TO THE ADJUSTMENT DATE.

Notwithstanding the foregoing, the City Manager, in his sole discretion, may determine that no market value adjustment is necessary and waive the requirement for the appraisal process for any specific adjustment period.

- 3.3 Delinquent Rent. The provisions of GSAR 552.232.75 Prompt Payment will determine the interest to be paid for delinquent rent. Acceptance of late charges and any portion of the late payment by CITY shall in no event constitute a waiver of LESSEE default with respect to late payment, nor prevent CITY from exercising any of the other rights and remedies granted in this lease.

SECTION 4: ASSIGNMENT

- 4.1 Time is of Essence; Provisions Binding on Successors. Time is of the essence of all of the terms, covenants, and conditions of this lease, and, except as otherwise provided herein, all of the terms, covenants, and conditions of this lease shall apply to, benefit, and bind the successors and assigns of the respective parties, jointly and individually.
- 4.2 Assignment and Subletting. LESSEE shall not assign this lease or any interest therein and shall not sublet the Premises or any part thereof, or any right or privilege appurtenant thereto, or suffer any other person, except employees, agents, and guests of LESSEE, to use or occupy the Premises or any part thereof.
- 4.3 Encumbrance. Any encumbrances on the Premises or on any permanent improvements thereon must first have the approval in writing of the City Manager. Such subsequent encumbrances shall also be for the exclusive purpose of development of the Premises.
- 4.4 Defaults and Remedies.
- a. Default. In the event that:
 - (1) LESSEE shall default in the performance of any covenant or condition required by this lease to be performed by LESSEE and shall fail to cure said default within thirty (30) days following written notice thereof from CITY; or if any such default is not curable within thirty (30) days, and LESSEE shall fail to commence to cure the default(s) within said thirty-day period and diligently pursue such cure to completion then CITY may, at its option, without further notice or demand upon LESSEE or upon any person claiming rights through LESSEE, immediately terminate this lease and all rights of LESSEE and of all persons claiming rights through LESSEE to the Premises or to possession thereof; and CITY may enter and take possession of the Premises.
 - b. Abandonment by LESSEE. Even though LESSEE has breached the lease and abandoned the property, this lease shall continue in effect for so long as CITY does not terminate this lease, and CITY may enforce all its rights and remedies hereunder, including but not limited to the right to recover the rent as it becomes due, plus damages.

- c. Waiver. Any CITY waiver of a default is not a waiver of any other default. Any waiver of a default must be in writing and be executed by the City Manager in order to constitute a valid and binding waiver. CITY delay or failure to exercise a remedy or right is not a waiver of that or any other remedy or right under this lease. The use of one remedy or right for any default does not waive the use of another remedy or right for the same default or for another or later default. CITY'S acceptance of any rents is not a waiver of any default preceding the rent payment. CITY and LESSEE specifically agree that the property constituting the premises is CITY-leased and held in trust for the benefit of the citizens of the City of San Diego and that any failure by the City Manager or CITY staff to discover a default or take prompt action to require the cure of any default shall not result in an equitable estoppel, but CITY shall at all times, have the legal right to require the cure of any default when and as such defaults are discovered or when and as the City Council directs the City Manager to take action or require the cure of any default after such default is brought to the attention of the City Council by the City Manager or by any concerned citizen.

4.5 Eminent Domain. If all or part of the Premises are taken through condemnation proceedings or under threat of condemnation by any public authority with the power of eminent domain, the interests of CITY and LESSEE will be as follows:

- a. In the event the entire Premises are taken, this lease shall terminate on the date of the transfer of title or possession to the condemning authority, whichever first occurs.
- b. In the event of a partial taking, if, in the opinion of LESSEE or CITY, the remaining part of the Premises is unsuitable for the lease operation, this lease shall terminate on the date of the transfer of title or possession to the condemning authority, whichever first occurs. If LESSEE elects to continue, the consideration paid by LESSEE for all its subsequent years of this Lease shall be reduced by an amount proportionate to the reduction of the utility of the Premises to LESSEE'S intended use caused by the taking.
- c. In the event of a partial taking, if, in the opinion of LESSEE and CITY, the remaining part of the Premises is suitable for continued lease operation, this lease shall terminate in regard to the portion taken on the date of the transfer of title or possession to the condemning authority, whichever first occurs, but shall continue for the portion not taken. The minimum rent shall be equitably reduced to reflect the portion of the Premises taken.

- d. Award. All monies awarded in any such taking shall belong to CITY, whether such taking results in diminution in value of the leasehold or the fee or both; provided, however, LESSEE shall be entitled to any award attributable to the taking of, or damages to LESSEE'S, then-remaining leasehold interest in installations or improvements of LESSEE. CITY shall have no liability to LESSEE for any award not provided by the condemning authority. In the event LESSEE should not be allowed to remove any fixtures or other personal property as provided by the terms of this Lease, then LESSEE shall receive that portion of the award, paid to CITY, which shall represent the value of LESSEE'S property so retained.
- e. Transfer. CITY has the right to transfer CITY'S interests in the Premises in lieu of condemnation to any authority entitled to exercise the power of eminent domain. If a transfer occurs, LESSEE shall retain whatever interest it may have in the fair market value of any improvements placed by it on the Premises in accordance with this lease.
- f. No Inverse Condemnation. The exercise of any CITY right under this lease shall not be interpreted as an exercise of the power of eminent domain and shall not impose any liability upon CITY for inverse condemnation.

SECTION 5: INSURANCE RISKS/SECURITY

- 5.1 Indemnification. The United States Government, in the absence of statutory authority to purchase insurance to cover loss or damage to Government property or for the liability of Government employees, is self insured and is responsible for any negligent action of its employees acting within the scope of their employment, under the provisions of the Federal Tort Claims Act, 28 U.S.C. 2671 et seq (Article 15, Indemnification). LESSEE agrees to defend, indemnify, protect, and hold the CITY, its officers, employees, agents or LESSEES harmless from and against any damages, losses or liabilities (collectively, a "Claim"), to the extent arising from (i) any breach or default by misconduct of LESSEE or LESSEE'S agents, invitee, employees or contractors. LESSEE shall, at its expense and with counsel satisfactory to CITY, defend such action or proceeding or bear the costs thereof in a suit involving the intentional misconduct or negligence of LESSEE, or its employees, agents or contractors, or defects in the Premises.

Nothing in the indemnification by LESSEE contained in this Section, or elsewhere in this Lease, shall be deemed to obligate LESSEE to indemnify and hold CITY harmless from damage, loss or injury arising from the negligence or willful misconduct of CITY, CITY'S officers, employees, agents, invitee servants

or contractors for liability caused by the negligence or willful misconduct of CITY, its agents, servants or employees.

Both parties to this Lease agree to notify the other party when claims occur and/or litigation involving the Premises commences. Additionally, both parties reserve the right to personal choice of legal representation, and if this choice is made, shall pay their own attorney fees.

5.2 Insurance to be Carried by LESSEE - Option One. Upon the effective date of this lease, LESSEE shall include the Leased Premises in its program of liability self-insurance, covering LESSEE'S occupancy and use thereof. Self-insurance program shall be evidenced by a "Statement of Coverage" issued by LESSEE to CITY. Self-insurance limits must be, at a minimum, the limits in Paragraph 5.3(a)(1 & 2). The CITY is a self insured Municipal Corporation.

5.3 Insurance to be Carried by LESSEE - Option Two.

a. LESSEE shall take out and maintain at all times during the term of this lease the following insurance at its sole expense:

(1) Public liability and property damage insurance in the amount of not less than One Million Dollars (\$1,000,000) Combined Single Limit Liability with an occurrence claims form. This policy shall cover all injury or damage, including death, suffered by any party or parties from acts or failures to act by CITY or LESSEE or by authorized representatives of CITY or LESSEE on or in connection with the use or operation of the premises.

(2) Fire, extended coverage, and vandalism insurance policy on all insurable property on the premises in an amount to cover 100 percent of the replacement cost. Any proceeds from a loss shall be payable jointly to CITY and LESSEE. The proceeds shall be placed in a trust fund to be reinvested in rebuilding or repairing the damaged property. If there is a mortgage or trust deed on the leasehold in accordance with Section 4.3, Encumbrance, hereof, the proceeds may be paid to the approved mortgagee or beneficiary so long as adequate provision reasonably satisfactory to CITY has been made in each case for the use of all proceeds for repair and restoration of damaged or destroyed improvements on the premises.

b. LESSEE'S responsibility to maintain said insurance also includes the following:

- (1) Additional Insured. All insurance policies will name CITY as an additional insured, protect CITY against any legal costs in defending claims, and will not terminate without sixty (60) days' prior written notice to CITY. All insurance companies must be satisfactory to CITY and licensed to do business in California. All policies will be in effect on or before the first day of the lease, except "course of construction fire insurance" shall be in force on commencement of all authorized construction on the Premises, and full applicable fire insurance coverage shall be effective upon completion of each insurable improvement. A copy of the insurance policy will remain on file with CITY during the entire term of the lease. At least thirty (30) days prior to the expiration of each policy, LESSEE shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the terms of this lease.
- (2) Modification. CITY, at its discretion, may require the revision of amounts and coverages at any time during the term by giving LESSEE sixty (60) days' prior written notice. CITY'S requirements shall be designed to assure protection from and against the kind and extent of risk existing on the premises. LESSEE also agrees to obtain any additional insurance required by CITY for new improvements, in order to meet the requirements of this lease.
- (3) Accident Reports. LESSEE shall report to CITY any accident causing more than Ten Thousand Dollars (\$10,000) worth of property damage or any serious injury to persons on the premises. This report shall contain the names and addresses of the parties involved, a statement of the circumstances, the date and hour, the names and addresses of any witnesses, and other pertinent information.
- (4) Failure to Comply. If LESSEE fails or refuses to take out and maintain the required insurance or fails to provide the proof of coverage, CITY has the right to obtain the insurance. LESSEE shall reimburse CITY for the premiums paid with interest at the maximum allowable legal rate then in effect in California. CITY shall give notice of the payment of premiums within thirty (30) days of payment stating the amount paid, names of the insurer(s), and rate of interest. Said reimbursement and interest shall be paid by LESSEE on the first (1st) day of the month following the notice of payment by CITY.

Notwithstanding the preceding provisions of this Subsection (4), if LESSEE fails or refuses to take out or maintain insurance as required in this lease or fails to provide the proof of insurance, CITY has the right to declare this lease in default without further notice to LESSEE, and CITY shall be entitled to exercise all legal remedies in the event of such default.

- 5.4 Waste, Damage, or Destruction. LESSEE agrees to give notice to CITY of any fire or other damage that may occur on the Leased Premises within ten (10) days of such fire or damage. LESSEE agrees not to commit or suffer to be committed any waste or injury or any public or private nuisance, to keep the Premises clean and clear of refuse and obstructions, and to dispose of all garbage, trash, and rubbish in a manner satisfactory to CITY. If the Leased Premises shall be damaged by any cause which puts the Premises into a condition which is not decent, safe, healthy, and sanitary, LESSEE agrees to make or cause to be made full repair of said damage and to restore the Premises to the condition which existed prior to said damage; or, at CITY'S option, LESSEE agrees to clear and remove from the Leased Premises all debris resulting from said damage and rebuild the Premises in accordance with plans and specifications previously submitted to CITY and approved in writing in order to replace in kind and scope the operation which existed prior to such damage, using for either purpose the insurance proceeds as set forth in Section 5.2, Insurance, hereof.

LESSEE agrees that preliminary steps toward performing repairs, restoration, or replacement of the Premises shall be commenced by LESSEE within thirty (30) days, and the required repairs, restoration, or replacement shall be completed within a reasonable time thereafter. CITY may determine an equitable deduction in the rent requirement for such period or periods that said Premises are untenable by reason of such damage.

SECTION 6: IMPROVEMENTS/ALTERATIONS/REPAIRS

- 6.1 Acceptance of Premises. By signing this lease, LESSEE represents and warrants that it has independently inspected the Premises and made all tests, investigations, and observations necessary to satisfy itself of the condition of the premises. LESSEE agrees it is relying solely on such independent inspection, tests, investigations, and observations in making this lease. LESSEE further acknowledges that the Premises are in the condition called for by this lease, that CITY has performed all work with respect to the Premises, and that LESSEE does not hold CITY responsible for any defects, whether apparent or latent, in the Premises, including the presence of any hazardous wastes.

- 6.2 Entry and Inspection. CITY reserves and shall always have the right, but not the obligation, to enter said Premises for the purpose of viewing and ascertaining the condition of the same, or to protect its interests in the Premises, or to inspect the operations conducted thereon. In the event that such entry or inspection by CITY discloses that said Premises are not in a decent, safe, healthy, and sanitary condition, CITY shall have the right, after ten (10) days' written notice to LESSEE, to have any necessary maintenance work done at the expense of LESSEE, and LESSEE hereby agrees to pay promptly any and all costs incurred by CITY in having such necessary maintenance work done, in order to keep said Premises in a decent, safe, healthy, and sanitary condition.
- 6.3 Maintenance. LESSEE agrees to assume full responsibility and cost for the operation and maintenance of the Premises throughout the term. LESSEE will make all repairs and replacements necessary to maintain and preserve the Premises in a decent, safe, healthy, and sanitary condition satisfactory to CITY.
- 6.4 Improvements/Alterations. No improvements, structures, or installations shall be constructed on the Premises, and the Premises may not be altered by LESSEE without prior written approval by the City Manager. Further, LESSEE agrees that major structural or architectural design alterations to approved improvements, structures, or installations may not be made on the Premises without prior written approval by the City Manager and that such approval shall not be unreasonably withheld. This provision shall not relieve LESSEE of any obligation under this lease to maintain the Premises in a decent, safe, healthy, and sanitary condition, including structural repair and restoration of damaged or worn improvements. CITY shall not be obligated by this lease to make or assume any expense for any improvements or alterations.
- 6.5 Reassignment of Space. CITY reserves the right to reassign LESSEE an equivalent amount of space in a different location when and if the Communications Center and / or tower has been upgraded and reconfigured.
