CITY OF SAN DIEGO
LEASE AGREEMENT

This City of San Diego Lease Agreement ("Lease") is entered into by and between the CITY OF SAN DIEGO, a California municipal corporation ("CITY"), and SAN DIEGO METROPOLITAN TRANSIT SYSTEM ("LESSEE"), a California public agency, to be effective as of November 1, 2014 ("Commencement Date"), when signed by the Parties and approved by the San Diego City Attorney, as follows:

1. PREMISES

1.1. Leased Premises.

CITY owns certain real property situated in the County of San Diego, State of California, commonly known as "Moody Canyon Communications Center" and more particularly described in Exhibit A - Legal Description, attached hereto and by this reference made part of this Lease, shall hereinafter be referred to as the "Site." LESSEE leases from CITY that certain portion of the Site, described in Exhibit B - Floor Plan/Rack Location, attached hereto and by this reference made part of this Lease, which portion shall hereinafter be called the "Premises." LESSEE, its agents, employees, contractors, guests and invitees may enter the Premises shown on the attached Exhibit B - Floor Plan/Rack Location on a 24-hour nonexclusive basis.

1.2. Easements and Reservations.

- 1.2.1. CITY reserves all rights, title, and interest in any and all subsurface natural gas, oil, minerals, and water on or within the Premises.
- 1.2.2. CITY reserves the right to grant and use easements or to establish and use rights-of-way over, under, along, and across the Premises for utilities, thoroughfares, or access as CITY deems advisable, in its sole discretion, for the public good.
- 1.2.3. CITY may enter the Premises to develop and/or repair municipal resources and services. CITY shall not unreasonably or substantially interfere with LESSEE'S use of the Premises and shall reimburse LESSEE for physical damages, if any, to the permanent improvements located on the Premises or Communications Equipment (defined below) resulting from CITY exercising the rights reserved in this section. Such reimbursement may include a reduction in the rent proportionate to the amount of physical damage as reasonably determined by CITY. CITY shall pay the costs of maintenance and repair of all CITY installations made pursuant to these reserved rights.

 CITY LESSEE

1.3. Eminent Domain.

If all or part of the Premises is taken through condemnation proceedings or under threat of condemnation by any public authority with the power of eminent domain, the interests of CITY and LESSEE (or beneficiary or mortgagee) shall be as follows:

- 1.3.1. Full Taking. If the entire Premises is taken, this Lease shall terminate on the date of the transfer of title or possession to the condemning authority, whichever first occurs.
- 1.3.2. Partial Taking - Remainder Unusable. If a partial taking of the Premises occurs, and in the opinion of CITY, the remaining part of the Premises is unsuitable for the Lease operation, this Lease shall terminate on the date of the transfer of title or possession to the condemning authority, whichever first occurs.
- 1.3.3. Partial Taking - Remainder Usable. If a partial taking of the Premises occurs, and in the opinion of CITY, the remaining part of the Premises is suitable for continued Lease operation, this Lease shall terminate in regard to the portion taken on the date of the transfer of title or possession to the condemning authority, whichever first occurs, but shall continue for the portion not taken. The rent shall be equitably reduced to reflect the portion of the Premises taken, only to the extent that LESSEE'S operations are reduced or impaired.
- 1.3.4. Award. All monies awarded in any taking shall belong to CITY, whether the taking results in diminution in value of the leasehold or the fee or both. LESSEE shall be entitled to any award attributable to the taking of, or damages to, LESSEE'S then remaining leasehold interest in installations or improvements of LESSEE. CITY shall have no liability to LESSEE for any award not provided by the condemning authority.
- 1.3.5. Transfer. CITY may transfer CITY'S interests in the Premises in lieu of condemnation to any authority entitled to exercise the power of eminent domain. If a transfer occurs, LESSEE shall retain whatever interest it may have in the fair market value of any improvements placed by it on the Premises in accordance with this Lease.
- 1.3.6. No Inverse Condemnation. The exercise of any CITY right under this Lease shall not be interpreted as an exercise of the power of eminent domain and shall not impose any liability upon CITY for inverse condemnation.

1.4. Other Governmental Actions.

By entering into this Lease, neither CITY nor the San Diego City Council is obligating itself to any other governmental agent, board, commission, or agency with regard to any other discretionary action relating to the development or operation of the Premises. Discretionary action includes, but is not limited to, rezonings, variances, environmental clearances, or any other governmental approvals which may be required for the development and operation of the Premises. LESSEE shall diligently seek, at its sole cost and expense, all entitlements and actions from both CITY and other governmental agencies with jurisdiction over the Premises, as are necessary to develop and operate the uses contemplated by this Lease..

1.5. Quiet Possession.

LESSEE, paying the rent and performing its obligations under this Lease, shall at all times during the Term (defined in Section 2.1) peaceably and quietly have, hold, and enjoy the Premises. If CITY for any reason cannot deliver possession of the Premises to LESSEE on the Commencement Date (defined on page 1), or if during the Term LESSEE is temporarily dispossessed through action or claim of a title superior to CITY'S, then this Lease shall not be voidable nor shall CITY be liable to LESSEE for any loss or resulting damage; provided, however, the Commencement Date shall automatically extend until the date CITY delivers possession of the Premises to LESSEE. Notwithstanding the foregoing, if CITY is unable to deliver possession of the Premises to LESSEE within six (6) months of the full execution and delivery of this Lease, LESSEE may terminate this Lease upon written notice to CITY without further liability and any prepaid rent paid by LESSEE to CITY shall be returned in full to LESSEE.

1.6. Reassignment of Space.

At any time during the Term, CITY, in its sole discretion, may reassign LESSEE to a different location within the Site ("Relocation Site").

1.6.1. Timing and Costs. LESSEE shall relocate its Communications Equipment to the Relocation Site either within ninety (90) calendar days after the execution of a written agreement between the Parties concerning the location and dimensions of the Relocation Site, or otherwise as soon as possible after receipt of all necessary permits and approvals required for any CITY construction or redevelopment project which requires such relocation, and receipt of all permits and approvals required for LESSEE'S use of the Relocation Site. LESSEE shall cooperate fully with CITY and its contractors during any reassignment, and shall pay all expenses associated with the reassignment.

INITIALS:

CITY

and

LESSEE

- 1.6.2. Physical Relocation of Equipment. The physical relocation of all or any part of LESSEE'S Communications Equipment shall only be done by LESSEE or LESSEE'S contractors.
- 1.6.3. Broadcast and/or Receiving Capability. During physical relocation of the Communications Equipment to the Relocation Site, CITY will work with LESSEE to attempt to secure an alternative CITY-approved site for LESSEE to operate temporary installed communications equipment, which may include a CITY-approved temporary wireless communication facility on the Site and which will be installed and maintained at LESSEE'S sole cost and expense.
- 1.6.4. No Agreement. If CITY and LESSEE are unable to agree on an acceptable Relocation Site, then LESSEE or CITY may terminate this Lease upon thirty (30) calendar days prior written notice, without further obligation thereto.
- 1.6.5. Site Redefined. After a reassignment and relocation as provided in this section, the Premises shall be redefined to be the Relocation Site. CITY and LESSEE agree that "as built" drawings of the Relocation Site, including any access and utility easements, may be prepared by a licensed architect at LESSEE'S sole cost and expense. In such event, Exhibit B of this Lease, as applicable, shall be amended (pursuant to Section 14.7, Lease Modifications, below) to include a full description of the Relocation Site and the new "as built" drawings. Except as expressly provided in this section, any such reassignment and relocation shall not alter, modify, or otherwise change any of the terms or conditions of this Lease.

2. TERM

2.1. Term.

The Term of this Lease shall be ten (10) years ("Term"), commencing on the Commencement Date. "Lease Year" as used in this Lease shall mean the first full 12-month period following the Commencement Date, and each succeeding 12-month period thereafter during the Term.

2.2. Holdover.

LESSEE may not continue in possession of the Premises past the expiration or earlier termination of this Lease. Any extension of the Term shall require approval by the City Council pursuant to City Council Policy 700-10 ("Disposition of City-Owned Real Property").

2.3. Quitclaim and Surrender of LESSEE'S Interest.

2.3.1. Quitclaim Deed. At termination of this Lease for any reason, LESSEE shall execute, acknowledge and deliver to CITY, within five (5) days after written demand, a valid and recordable quitclaim deed covering all of the Premises. If LESSEE fails or refuses to deliver the required quitclaim deed, CITY may prepare and record a notice reciting LESSEE'S failure to execute this Lease provision, and the notice shall be conclusive evidence of the termination of this Lease and all LESSEE'S rights to the Premises.

2.3.2. Surrender. Upon the expiration or earlier termination of this Lease, LESSEE shall surrender the Premises to CITY in a decent, safe, and sanitary condition, and free and clear of all liens and encumbrances caused by or resulting from LESSEE'S Operations, except those liens and encumbrances which: (1) existed on the Commencement Date, and (2) exist after the Commencement Date and are not the result of LESSEE'S Operations. LESSEE shall surrender the Premises in the same condition as it was on the Commencement Date, normal wear and tear excepted.

3. **USES**

3.1. Sole Permitted Uses.

The Premises are leased to LESSEE solely and exclusively for the purposes of installing, constructing, modifying, maintaining, operating, and removing, at its expense, a communications facility on the Premises ("LESSEE'S Operations") solely as listed in the attached Exhibit C – Equipment ("Communications Equipment"). The use of the Premises for any unauthorized, illegal or unpermitted purpose shall constitute a default and subject this Lease to termination at the sole option of CITY.

3.2. Competent Management.

Throughout the Term, LESSEE shall provide competent management of the Premises for the permitted uses to the reasonable satisfaction of the CITY. "Competent management" shall mean demonstrated ability in the management and operation of a communications facility and related activities in a responsible manner and in accordance with industry standards.

4. **RENT**

4.1. Time and Place of Payment.

Rent is due annually in arrears on or before the first day of each Lease Year. All rents required by this Lease must be made payable to the City Treasurer and mailed to:

City of San Diego

San Diego, California 92112-9030

or hand delivered to:

The Office of the City Treasurer
Civic Center Plaza
1200 Third Avenue
First Floor
San Diego, California

The place of payment may be changed at any time by CITY upon thirty (30) calendar days' prior written notice to LESSEE. Mailed rental payments shall be deemed paid upon the date the payment is postmarked by the postal authorities. If postmarks are illegible, the payment shall be deemed paid upon actual receipt by the City Treasurer. LESSEE assumes all risk of loss and responsibility for late payment charges if payments are made by mail. LESSEE shall clearly identify the Premises by location and include CITY'S customer account number for LESSEE on the rent payment so CITY can apply the rent to the appropriate account.

4.2. Rent.

- 4.2.1. Rent Amount. LESSEE shall pay CITY an initial rent of Twenty-Five Thousand Two Hundred Dollars (\$25,200) annually in arrears, subject to annual adjustments on the first day of each Lease Year as provided in the following rent schedule:

Lease Year Two	\$25,956
Lease Year Three	\$26,735
Lease Year Four	\$27,537
Lease Year Five	\$28,363
Lease Year Six	Market Rate

The above rent schedule reflects an annual rent escalation equal to three percent (3%) of the annual rent for each preceding Lease Year. At Lease Year Six the rent is subject to the adjustment provisions by appraisal described in Section 4.2.2 below.

- 4.2.2. Market Rent Adjustment – By Appraisal. At the end of the fifth Lease Year, the annual rent for the sixth Lease Year shall be adjusted to equal the then existing market rent as determined by an appraisal, which adjustment shall be effective as of the first day of the sixth Lease Year ("Adjustment

INITIALS:

CITY

and

LESSEE

Date"). Such appraisal shall be performed by a staff appraiser of CITY'S Real Estate Assets Department ("READ") or by a California State Certified General Real Estate Appraiser who is confirmed by READ as being competent in determining market rent for telecommunications sites, properties, and leases ("Qualified Appraiser") and shall be in conformance with Uniform Standards of Professional Appraisal Practice. In establishing the market rent for the Premises, the Qualified Appraiser shall base the valuation on an appraisal not more than six (6) months old, as of the Adjustment Date, prepared by surveying comparable market rents for similar leased facilities in Southern California or other comparable market areas. If the appraisal is not completed prior to the Adjustment Date, LESSEE shall continue to pay rent in accordance with the then-existing Lease rates, and the adjustment, when determined, shall be retroactive to the Adjustment Date. Any deficiency shall be paid by LESSEE to CITY within thirty (30) calendar days after determination of the new rental rate. In no event shall the adjusted rent be less than the rent in effect immediately prior to the Adjustment Date. Once adjusted, the annual rent shall increase on each anniversary of the Adjustment Date by an amount equal to 3% of the annual rent paid in the preceding Lease Year. In lieu of the above adjustment to market rent, CITY may determine that no market value adjustment is necessary and waive the requirement for an appraisal, in which case, the rent for each year of the remaining five (5) Lease Years shall be set at three percent (3%) above the annual rent for each preceding Lease Year.

4.3. Delinquent Rent.

If LESSEE fails to pay rent when due, LESSEE shall pay, in addition to the unpaid rent, five percent (5%) of the delinquent rent. If the rent is still unpaid at the end of fifteen (15) calendar days past due, LESSEE shall pay an additional five percent (5%), for a total of ten percent (10%), which is agreed by the Parties to be appropriate to compensate CITY for loss resulting from rental delinquency, including lost interest, opportunities, legal costs, and the cost of servicing the delinquent account. Acceptance of late charges and any portion of the late payment by CITY shall neither constitute a waiver of LESSEE'S default with respect to late payment nor prevent CITY from exercising any other rights and remedies available at law or in equity.

4.4. Inspection of Records.

LESSEE shall maintain, in accordance with generally acceptable accounting practices, complete and accurate records and accounts showing all income and receipts from use of the Premises. LESSEE shall make any and all records and accounts relating to the use of the Premises available to CITY for inspection at a reasonable location and at all reasonable times so that CITY can determine LESSEE'S compliance with this Lease. LESSEE'S failure to keep and maintain

INITIALS:

CITY

records and make them available for inspection by CITY shall be a default of this Lease and cause for termination. LESSEE shall maintain all records and accounts for a minimum period of five (5) years. This section shall survive the expiration or earlier termination of this Lease.

5. ASSIGNMENT AND SUBLETTING

5.1. Assignment.

- 5.1.1. For the purposes of this section, "Assignment" shall include, without limitation, the transfer of any interest in this Lease by LESSEE or by any partners, principals, or controlling shareholders of LESSEE, and, if LESSEE is other than a natural person, the transfer of a controlling interest in LESSEE or any of LESSEE'S general partners, principals, or controlling shareholders.
- 5.1.2. LESSEE shall not assign this Lease, or any interest in this Lease, without CITY'S prior written consent, which consent shall be in CITY'S sole discretion. LESSEE shall not assign this Lease, or any interest in this Lease, to any person or entity engaged in the design, development, construction, operation, sale, and/or leasing of telecommunication towers or poles.
- 5.1.3. CITY'S consent to any Assignment pursuant to Section 5.1.2 shall be conditioned upon the assignee agreeing, in writing, that it will assume the rights and obligations assigned, and that it will keep and perform all covenants, conditions, and provisions of this Lease which are applicable to the rights acquired.
- 5.1.4. LESSEE shall not permit any person (other than the employees, agents, contractors, and/or guests of LESSEE) to use or occupy the Premises, or any part of the Premises.
- 5.1.5. Consent by CITY to any Assignment of this Lease pursuant to Section 5.1.2 shall not be deemed to be consent to any subsequent Assignment to the same or any other person.
- 5.1.6. Neither this Lease nor any interest herein shall be assignable as to LESSEE'S interest herein by operation of law, without CITY'S prior written consent.
- 5.1.7. Any Assignment of this Lease, or any use or occupancy of the Premises by any other person, in violation of the foregoing provisions (Sections 5.1.1 through 5.1.6) shall be void and a default of this Lease, and CITY may thereupon terminate this Lease.

INITIALS:

CITY

and

LESSEE

5.2. Subletting. LESSEE shall not sublet, in whole or in part, the Premises, or any right or appurtenant privilege to the Premises.

5.2.1. Any subletting, in whole or in part, of the Premises shall be void and shall be a default of this Lease, and CITY may thereupon terminate this Lease.

6. DEFAULTS AND REMEDIES

6.1. Defaults and Remedies.

Upon default by LESSEE, CITY may pursue any one or more of the remedies listed in this section in addition to any other remedies now or later available to CITY in law or equity. These remedies are not exclusive but cumulative.

6.1.1. Defaults. Each of the following shall constitute an event of default under this Lease:

- 6.1.1.1. LESSEE'S failure to make any payment required under this Lease when due if the failure continues for five (5) days following written notice of the failure by CITY; or
- 6.1.1.2. LESSEE'S breach of any of its obligations under this Lease, other than those requiring payment to CITY, and LESSEE either: (i) fails to cure the breach within thirty (30) days following written notice from CITY; or, (ii) if such breach is not curable within thirty (30) days, fails to commence to cure the breach within thirty (30) days and diligently pursue the cure to completion; or
- 6.1.1.3. LESSEE voluntarily files any petition under any bankruptcy or insolvency act or law; or
- 6.1.1.4. LESSEE has involuntarily filed against it any petition under any bankruptcy or insolvency act or law and the matter is not dismissed by a court of competent jurisdiction within ninety (90) days of filing; or
- 6.1.1.5. LESSEE is adjudicated a bankrupt; or
- 6.1.1.6. LESSEE makes a general assignment for the benefit of creditors; or
- 6.1.1.7. LESSEE uses the Premises for any unauthorized purpose.

6.1.2. Remedies.

INITIALS:

CITY

and

LESSEE

6.1.2.1. For Default Based Upon Nonpayment. Upon default by LESSEE for nonpayment under Section 6.1.1.1 of this Lease, CITY may, at its option, give LESSEE, or any person claiming rights through LESSEE, a written Five-Day Notice to Pay or Quit or CITY may terminate the Lease and all rights of LESSEE and of all persons claiming rights through LESSEE to the Premises or to possession of the Premises, and CITY may enter and take possession of the Premises and may recover the amount set forth below.

6.1.2.2. For Any Other Default. Upon default by LESSEE based upon Sections 6.1.1.2 through 6.1.1.7 of this Lease, CITY may, at its option, terminate the Lease and all rights of LESSEE and of all persons claiming rights through LESSEE to the Premises or possession of the Premises, and CITY may enter and take possession of the Premises and may recover from LESSEE the amount set forth below. If any default described in Sections 6.1.1.2 through 6.1.1.7 of this Lease, is not curable within thirty (30) days after notice to LESSEE; CITY will not terminate this Lease pursuant to the default if LESSEE immediately commences to cure the default and diligently pursues the cure to completion.

6.1.2.3. City Recovery Upon LESSEE Default. Upon termination of the Lease due to LESSEE's default, CITY may recover the sum of:

6.1.2.3.1. The worth at the time of award of any unpaid rent that had been due at the time of termination; plus

6.1.2.3.2. The worth at the time of award of the amount by which (i) the unpaid rent that would have been earned after termination until the time of award minus (ii) the amount of the rent lost, if any, that LESSEE affirmatively proved could have been reasonably avoided; plus

6.1.2.3.3. The worth at the time of award of the amount by which (i) the unpaid rent for the balance of the Term after the time of the award minus (ii) the amount of rent lost, if any, as LESSEE affirmatively proves could be reasonably avoided; plus

6.1.2.3.4. Any other amount necessary to compensate CITY for the detriment proximately caused by LESSEE'S failure to perform LESSEE'S obligations or that, in the ordinary course of things, would be likely to result; plus

INITIALS:

CITY

and

LESSEE

6.1.2.3.5. All other amounts in addition to or in lieu of those previously stated as may be permitted by California law.

6.1.2.3.6. As used in Sections 6.1.2.3.1 and 6.1.2.3.2 of this Lease, the "worth at time of award" is computed by allowing interest at the rate of ten percent (10%) per annum. As used in Section 6.1.2.3.3 of this Lease, the "worth at the time of award" is computed by discounting that amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus two percent (2%). As used in this section the terms "rent" shall include base rent and any other payments required of LESSEE under this Lease.

6.1.2.3.7. The calculation of any sum under this section shall be based on a 30-day month and a 360-day year.

6.1.2.4. Abandonment by LESSEE. If LESSEE breaches the Lease and abandons the Premises, this Lease shall continue in effect as long as CITY does not terminate this Lease, and CITY may enforce all its rights and remedies under this Lease, including but not limited to the right to recover the rent as it becomes due, plus damages.

6.1.2.5. Waiver. Any CITY waiver of a default is not a waiver of any other default. Any waiver of a default must be in writing and be executed by the CITY in order to constitute a valid and binding waiver. CITY'S delay or failure to exercise a remedy or right is not a waiver of that or any other remedy or right under this Lease. The use of one remedy or right for any default does not waive the use of another remedy or right for the same default or for another or later default. CITY'S acceptance of any rents is not a waiver of any default preceding the rent payment. The property constituting the Premises is CITY-owned and held in trust for the benefit of the citizens of the City of San Diego. Any failure by the CITY to discover a default or take prompt action to require the cure of any default shall not result in an equitable estoppel; but CITY shall at all times have the legal right to require the cure of any default when the default is discovered.

7. INSURANCE

LESSEE shall not begin any work on the Premises or Site until it has: (a) provided to CITY insurance certificates reflecting evidence of all insurance required below; however, the CITY reserves the right to request, and the LESSEE shall submit, copies of any policy upon reasonable request by the CITY; (b) obtained CITY approval of each insurance company or companies; and (c) confirmed with CITY that all policies contain the specific provisions

INITIALS: and
CITY LESSEE

required below. LESSEE'S liabilities, including but not limited to LESSEE'S indemnity obligations, under this Lease, shall not be deemed limited in any way to the insurance coverage required herein. Maintenance of specified insurance coverage is a material element of this Lease and LESSEE'S failure to maintain or renew coverage or to provide evidence of renewal during the Term may be treated as a material breach of contract by the CITY. The LESSEE shall not modify any policy or endorsement thereto which increases the CITY'S exposure to loss for the Term.

7.1. Types of Insurance: At all times during the term of this Lease, the LESSEE shall maintain insurance coverage as follows:

a. Commercial General Liability (CGL). Insurance written on an ISO Occurrence form CG 00 01 07 98 or an equivalent form providing coverage at least as broad which shall cover liability arising from any and all personal injury or property damage in the amount of \$2 million per occurrence and subject to an annual aggregate of \$4 million. There shall be no endorsement or modification of the CGL limiting the scope of coverage for either insured vs. insured claims or contractual liability. All defense costs shall be outside the limits of the policy.

b. Commercial Automobile Liability. For all of the LESSEE'S automobiles including owned, hired and non-owned automobiles, the LESSEE shall keep in full force and effect, automobile insurance written on an ISO form CA 00 01 12 90 or a later version of this form or an equivalent form providing coverage at least as broad for bodily injury and property damage for a combined single limit of \$1 million per occurrence. Insurance certificate shall reflect coverage for any automobile (any auto).

c. Causes of Loss - Special Form Property Insurance. LESSEE shall obtain and maintain, at its sole cost, Causes of Loss - Special Form Property Insurance on all of the insurable property constructed and/or installed by LESSEE or at LESSEE'S direction on the Premises in an amount to cover 100 percent (100%) of the replacement cost. LESSEE shall deliver a certificate of such insurance to CITY'S Real Estate Assets Department.

c. Workers' Compensation. For all of the LESSEE'S employees who are subject to this Lease and to the extent required by the applicable state or federal law, the LESSEE shall keep in full force and effect, a Workers' Compensation policy. That policy shall provide a minimum of \$1 million of employers' liability coverage, and the LESSEE shall provide an endorsement that the insurer waives the right of subrogation against the CITY and its respective elected officials, officers, employees, agents and representatives

7.2. Deductibles: All deductibles on any policy shall be the responsibility of the LESSEE and shall be disclosed to the CITY at the time the evidence of insurance is provided.

7.3. Acceptability of Insurers: Except for the State Compensation Insurance Fund, all insurance required by this Lease shall only be carried by insurance companies with a

rating of at least "A-, VI" by A.M. Best Company, that are authorized by the California Insurance Commissioner to do business in the State of California, and that have been approved by the CITY. CITY will accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of California and is included on the List of Eligible Surplus Lines Insurers (LESLI list). EXHIBIT D – Interference Protection Requirements.

- a. Interference. Prior to the Commencement Date or at any time during the Term of this Lease, LESSEE may be required to provide an intermodulation report ("Report") to CITY. This Report shall include the calculation parameters used to compile the Report, all intermodulation "hits," a brief description of the results of the intermodulation calculations; a list of possible interference situations that may result from the proposed Communications Equipment; transmission frequencies that are currently being operated at the Site, and similar or other relevant data from other permittees/lessees/users operating on-site. The information required to compile the Report, including intermodulation parameters and currently known transmission frequencies at the Site may be obtained from CITY'S Communications Division ("CD"). CITY is not responsible for any omitted data provided for the purpose of creating the Report. The Report shall be provided to CD, Senior Communications Engineer.
- b. City of San Diego Land Radio/Electronic Use "On The Air" Test Instructions and Procedures. For the purpose of confirming interference situations calculated by the Report and for the discovery of any other actual interference situations, on-premises, pre-installation or pre-use tests may be required. The tests will determine whether or not radio frequency interference or degraded performance will result to any existing authorized radio/electronic type uses at the Site.

Pre-installation or pre-use Testing

- (1) It will be the responsibility of LESSEE to notify all permittees/lessees/users at the Site of the tests and details of the tests, at least fourteen (14) days in advance of the test. A listing of all permittees/lessees/users operating at the Site may be obtained from CITY and used to compile a notification list.
- (a) The notification shall be in the form of a letter to each listed permittee/lessee/user giving a technical data summary of the test and shall specify the date and hour the test will start. The letter of notification shall request the permittees/lessees/users to have a qualified representative present for the test to observe for possible interference problems and with authority to sign an interference or noninterference certification on behalf of the permittee/lessee/user. Technical Data Summary and Test Results Certification sheets are included below.
- (b) A copy of these instructions, "City of San Diego Radio/Electronic Land Use On-The-Air Test Instructions

and Procedures" shall be attached to each notification and it shall be noted in the notification letter.

- (c) Notification to permittees/lessees/users shall be sent via U.S. Mail, pre-paid first-class postage, certified return receipt requested or hand delivered.
 - (d) The notification letter to the CD Senior Communications Engineer shall include a list of all permittees/lessees/users notified.
- (2) Following the completion of the tests, LESSEE shall provide a letter to the CD Senior Communications Engineer stating the test results obtained from each permittee/lessee/user participating in the test and a list of those permittees/lessees/users who did not respond.
 - (3) If a notified permittee/lessee/user fails to send a qualified representative to observe and participate in the tests, it will be assumed by CITY that the permittee/lessee/user has assured themselves that their operations will not be affected.
 - (4) It shall be the responsibility of LESSEE to make complete arrangements and conduct all tests in accordance with applicable Federal/FCC Rules and Regulations.

c. On-The-Air Tests - Technical Details

Pre-installation or pre-use on-the-air tests shall be conducted by LESSEE under the following technical conditions:

- (1) LESSEE'S transmitting and/or receiving equipment shall be of the type planned for final use at the Site.
 - (a) The transmitted RF power shall be the maximum to be used and authorized at the Site.
 - (b) On-the-air transmitter tests shall include the use of full allowable modulation.
 - (c) Antenna height(s), location(s) and type(s) shall be the same or comparable to the final installation plan.
- (2) Tests shall include on-the-air operation of all participating transmitter(s) and receiver(s) in all possible combinations with LESSEE'S electronic equipment.

INITIALS:

CITY

and

LESSEE

- (3) All tests will include testing with all frequencies planned for use by LESSEE at the Site.

d. Radio Frequency Interference to City Radio Equipment

The radio equipment use proposed by the applicant shall not directly or indirectly result in degraded technical performance of CITY'S existing radio equipment installed at the Site or used in the general area. Resulting degraded technical performance in this instance will include, but is not limited to:

- (1) Detectable or measurable received intermodulation.
- (2) Audio distortion or noise.
- (3) Receiver desensitization in excess of 3.0 dB with respect to 12dB SINAD test.

e. Modifications to Equipment

LESSEE shall notify CITY prior to modifications to transmitting equipment that will change effective radiated power, transmitter frequency, transmitter modulation, or transmitter spurious and harmonic emissions. These modifications may require retest using this "On The Air" testing procedure and the newly proposed equipment.

f. Resulting Interference

Should an interference problem occur at the Site or in the nearby surrounding area as a result of LESSEE'S newly installed, retuned, or modified Communications Equipment, LESSEE shall be responsible for initiating mutually agreeable actions among the affected parties to mitigate or resolve the interference problem. CITY may recognize the right of prior authorized permittees/lessees/users and withhold approval or disallow use of a new, retuned, or modified installation pending settlement of the interference problems between LESSEE and other authorized users. CITY shall not be obligated for any loss, financial or otherwise, which may be incurred by LESSEE as a result of CITY withholding approval and LESSEE waives any claim for expense or loss which LESSEE might incur as a result of CITY withholding approval.
