A PUBLIC ENTITY, AND THE PROPERTY IS NOT SUBJECT TO THE IMPOSITION OF MECHANIC'S LIENS OR ANY OTHER LIENS IN FAVOR OF PROVIDERS OF SERVICES, LABOR, MATERIAL, OR EQUIPMENT ON OR TO THE PROPERTY. LICENSEE FURTHER AGREES TO INFORM EACH PROVIDER OF SERVICES, LABOR, MATERIAL, OR EQUIPMENT ON OR TO THE PROPERTY HIRED BY OR FOR THE BENEFIT OF ONE OR MORE LICENSEE PARTIES OF SUCH FACT AND THAT CITY AND THE PROPERTY ARE NOT RESPONSIBLE FOR PAYMENT OF ANY CLAIMS BY ANY SUCH PROVIDERS OF SERVICES, LABOR, MATERIAL, OR EQUIPMENT.

- 4.4 Signs. Licensee shall not place any banner, pennant, flag, poster, sign, decoration, marquee, awning, or similar device or advertising (each, a "**Sign**") on the License Area without City's prior written consent, in each instance, which consent may be given or withheld in City's sole and absolute discretion. All Signs on the License Area will be maintained by Licensee in good, clean, and operating condition during the Term. Licensee will remove all Signs placed by Licensee from the License Area on or before the Termination Date and repair all damage caused by placement, installation, or removal of Signs, all at Licensee's sole cost and expense. Licensee shall comply with all Laws requiring the posting of Signs on the License Area. Licensee shall be responsible for the cleanup and securing of the License Area disturbed by Licensee, as appropriate, immediately following each day's work to ensure the daily security and safety of the License Area. In conducting the Permitted Use, Licensee shall comply with all Laws, at Licensee's sole cost and expense, with respect to maintaining the License Area in a safe and secure manner during the Term.
- 4.8 City Work. City reserves the right to perform work on the License Area at any time. If City intends to perform work on the License Area, City shall give Licensee at least forty-eight (48) hours' Notice prior to commencing the work (except in the event of an emergency, in which case, no prior Notice is required). Licensee shall comply with all safety instructions issued by City to ensure the safety of City personnel or contractors performing work on the License Area.
- 4.9 Inspection. City may, at any time, for any reason or no reason, without any obligation to do so, enter the License Area for the purposes of inspecting the License Area and the Permitted Use conducted on the License Area for compliance with this Agreement. Licensee shall make a Licensee representative available to be present at any City inspection under this Section 4.9 on, at least, 48 hours' Notice; provided, however, the presence of a Licensee representative is not required for City to exercise its inspection rights under this Section 4.9.

- 4.14 **Unauthorized Use Charge.** Licensee shall pay City one hundred (100%) of the gross revenue (all revenue without any deduction, credit, or set-off) from any use of the License Area that is not part of the Permitted Use, regardless of any related penalties charged Licensee by competent Government authorities. The gross revenue from each use of the License Area that is not part of the Permitted Use is payable to City within thirty (30) days after Licensee receives such revenue. Nothing in this Section 4.14 or City's acceptance of any payment under this Section 4.14 is intended to authorize any use of the License Area that is not part of the Permitted Use, waive Licensee's Default for conducting or allowing such use, or waive any City right or remedy under this Agreement.
5. **LICENSEE INSURANCE.** Licensee must obtain at its own cost and expense and keep in force and effect during the term of this Agreement, including any extensions, policies of insurance or programs of self-insurance with policy limits in sufficient amounts to cover any and all potential liability of such Licensee hereunder as described in Exhibit A. Proof of any self-insurance or policy shall be provided by Licensee and attached to this Agreement as Exhibit A-1.
6. **WASTE OR DAMAGE.** Licensee shall immediately Notify City of any waste, casualty, or damage to the License Area or other areas of the Property of which Licensee becomes aware. Licensee shall not commit, or allow to be committed, any waste, casualty, or damage to property or injury to person on or around the Property. If waste, casualty, or damage to the Property arises from the Permitted Use, action by a Licensee Party, or failure to act by a Licensee Party that had a duty to act, at City's election, in City's sole

and absolute discretion, Licensee shall make, or cause to be made, full repair of the waste, casualty, or damage and restore the Property to its condition existing immediately prior to the waste, casualty, or damage. Licensee shall commence preliminary steps toward restoration of the Property as soon as practicable, but no later than thirty (30) days after the date the waste, casualty, or damage occurs. Licensee shall complete all required repairs or restoration within ninety (90) days after the date the waste, casualty, or damage occurs. Licensee must obtain all Approvals required for repair or restoration of all waste, casualty, or damage to the Property. Following the occurrence of any casualty that materially restricts use of the License Area or access to the License Area for the Permitted Use for more than thirty (30) days, City or Licensee may terminate this Agreement by seven (7) days' Notice to the other Party. This Section 6 shall survive the Termination Date.

7. ENVIRONMENTAL CONDITIONS. Licensee shall not cause or permit any Environmental Condition. - 7.3 **Reports.** Licensee shall deliver a written report describing the circumstances of each Environmental Condition in reasonable detail to City within three (3) days after Notifying City of the Environmental Condition. Licensee shall also submit all required reports relating to the Environmental Condition to other Governments as required by Law.

The environmental assessment shall be performed at Licensee's sole cost and expense. Licensee shall reimburse City for all costs and expenses reasonably incurred by City in performing the environmental assessment within fifteen (15) days after Notice to Licensee of the amount of such costs and expenses. Any amount reimbursable to City by Licensee under this Section 7.4 that is not paid within fifteen (15) days after Notice to Licensee of such amount, shall accrue Default Interest until paid.

8. **COMPLIANCE WITH LAW.** The Permitted Use shall comply with all Laws, at Licensee's sole cost and expense. Licensee shall comply with all notices, orders, directives, or the like issued by City or any other Government under the authority of current or future Law.
9. **COMPLIANCE WITH CITY STANDARD CONTRACT PROVISIONS.** In entering the License Area or performing the Permitted Use, all under this Agreement, Licensee shall comply with all City standard contract provisions set forth in **Exhibit C** attached to this Agreement.
10. **INDEMNIFICATION.**
 - 10.1 Claims Arising from Sole Acts or Omissions of a Party. Each party to this Agreement agrees to defend and indemnify the other party to this Agreement, their agents, officers, and employees, from any claim, action, or proceeding against the other party that arises solely out of its own acts or omissions in the performance of this Agreement. At each party's sole discretion, each party may participate at its own expense in the defense of any claim, action, or proceeding, but such participation shall not relieve any party of any obligation imposed by this Agreement. Parties shall notify each other promptly of any claim, action, or proceeding arising from this Agreement and cooperate fully in the defense.
 - 10.2 Claims Arising from Concurrent Acts or Omissions. The parties agree to defend themselves from any claim, action, or proceeding arising out of the concurrent acts or omission of the parties. In such cases, each party agrees to retain their own legal counsel, bear their own defense costs, and waive their right to seek reimbursement of such costs.
 - 10.3 Mutual Obligations. Licensee's obligations to Indemnify the City Parties under this Agreement shall not be construed or interpreted as in any way restricting, limiting, or modifying Licensee's insurance or other obligations under this Agreement. Licensee's obligations to Indemnify the City Parties under this Agreement are independent of Licensee's insurance and other obligations under this Agreement. Licensee's compliance with its insurance obligations and other obligations under this Agreement shall not in any way restrict, limit, or modify Licensee's obligations to Indemnify the City Parties under this Agreement and are independent of Licensee's obligations to Indemnify the City Parties and other obligations under this Agreement. Obligations to indemnify any party under this Agreement shall survive the Termination Date, until all actual or prospective Claims subject to obligations under this Agreement are fully, finally, absolutely, and completely barred by applicable statutes of limitations. Wherever this Agreement requires any party to indemnify another the affected party shall notify the other party of the Claim within a reasonable time.
11. **END OF TERM.** Before the Termination Date, Licensee shall remove or cause the removal of all the personal property of the Licensee Parties from the License Area, and

place the License Area in a condition as close as possible to the condition of the License Area before the Effective Date.

12. **TERMINATION DATE.** The duration of this Agreement (“Term”) shall begin on the Effective Date and terminate upon 11:59 p.m. Pacific on the date of the earliest to occur of the following events (“Termination Date”):
 - 12.1 Licensee Notice. The seventh (7th) day after the date Licensee both gives City Notice of termination of this Agreement and performs all of Licensee’s obligations under Section 11;
 - 12.2 City Notice. The seventh (7th) day after the date City gives Licensee Notice of termination of this Agreement;
 - 12.3 Expiration. Five (5) years from the date of execution;
13. **CITY CURE RIGHT.** If Licensee fails to take any action this Agreement requires of Licensee, without waiving or releasing Licensee from any obligation, Default, or Event of Default and without waiving City’s right to take such action as this Agreement may permit as a result of a Default or Event of Default, City may (but need not) take such action. Licensee shall reimburse City for an amount equal to: (a) all reasonable costs and expenses (including Legal Costs) incurred by City in exercising its cure rights under this Section 15; and (b) Default Interest on all amounts described in clause “(a)” until all such amounts are reimbursed in full to City by Licensee. Nothing in this Section 14 is intended to modify or restrict any other cure right provided to City in this License Agreement.
14. **REMEDIES.** After the occurrence of an Event of Default by the other Party, the non-defaulting Party shall be entitled to take any or all action authorized by this Agreement after the occurrence of an Event of Default by the other Party, including legal proceedings to enforce any or all contractual rights or remedies available to the non-defaulting Party, or pursue any or all other remedies or damages relating to such Event of Default available to the non-defaulting Party at law or in equity.
15. **LEGAL ACTIONS.** Either Party may institute legal action, at law or in equity, to enforce or interpret the rights or obligations of the Parties under this Agreement or recover damages.
16. **CUMULATIVE RIGHTS AND REMEDIES.** The rights and remedies of the Parties under this Agreement are cumulative with all other rights or remedies of the Parties under this Agreement, at law, or in equity. The exercise by either Party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or a different time, of any other right or remedy for the same Default or Event of Default by the other Party or the same right or remedy for any other Default or Event of Default by the other Party.
17. **CITY’S RESERVATION OF RIGHTS.**
 - 17.1 Government Action. By entering into this Agreement, neither City nor the City Council is obligating itself or any other Government regarding any discretionary action relating to the development, occupancy, use, or maintenance of the License Area, including re-zonings, variances, environmental clearances, or any Approval required to conduct the Permitted Use.

17.2 **Resources.** City reserves all right, title, and interest in all natural resources relating to the Property, including subsurface natural gas, oil, minerals, and water, on or within the Property.

18. **NO DISCRIMINATION OR SEGREGATION.** Licensee covenants by and for itself, himself or herself, its, his or her heirs, executors, administrators, and assigns, and all Persons claiming under or through it, him or her, that neither Licensee nor any Person claiming under or through Licensee shall establish or allow any discrimination against or segregation of any Person or group of Persons on account of race, color, religion, gender, gender expression, gender identity, disability, sexual orientation, marital status, national origin, ancestry, familial status, or source of income in the use of the License Area.

19. **NOTICES.** All Notices submitted by a Party to the other Party under or as required by this Agreement shall be sent by messenger for immediate personal delivery, nationally recognized overnight (one Business Day) delivery service (i.e., United Parcel Service, Federal Express, etc.), registered or certified first-class mail, postage prepaid, return receipt requested through the United States Postal Service to the address of the recipient Party designated below in this Section 2. Notices may be sent in the same manner to such other addresses as either Party may from time to time designate by Notice in accordance with this Section 2. Any reference to Business Days in this Agreement shall mean consecutive Business Days.

21. **PRINCIPLES OF INTERPRETATION.** No inference in favor of or against any Party shall be drawn from the fact that such Party drafted any part of this Agreement. The Parties participated substantially in the negotiation, drafting, and revision of this Agreement, with advice from legal and other counsel and advisers of their own selection. A word,

term, or phrase defined in the singular in this Agreement may be used in the plural, and vice versa, all in accordance with ordinary principles of English grammar, which shall govern all language in this Agreement. The Parties acknowledge and agree that this Agreement is entered into, is to be fully performed in and relates to real property located in the County. All legal actions arising from this Agreement shall be filed in the Superior Court of the State in and for the County or in the United States District Court with jurisdiction in the County.
23. **PRIOR AGREEMENT TERMINATION.** As of the Effective Date, all leases, right-of-entry permits, use and occupancy permits, or other agreements between City and Licensee concerning the Permitted Use on the Property, other than this Agreement, are terminated, except as to any rents, fees, rights, or remedies accrued to either Party under those agreements prior to the Effective Date.
24. **RELATIONSHIP OF PARTIES.** The Parties each intend and agree that City and Licensee are independent contracting entities and do not intend by this Agreement to create any partnership, joint venture, or similar business arrangement, relationship, or association between them.
25. **WARRANTY AGAINST PAYMENT OF CONSIDERATION FOR AGREEMENT.** Licensee represents and warrants to City that: (a) Licensee has not employed or retained any Person to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees of Licensee; and (b) no gratuities, in the form of entertainment, gifts or otherwise have been or will be given by Licensee or any of Licensee's agents, employees, or representatives to any elected or appointed official or employee of City in an attempt to secure this Agreement or favorable terms or conditions for this Agreement. Breach of the representations or warranties in this Section 26 shall entitle City to terminate this Agreement immediately. Upon any termination of this Agreement under this Section 26, Licensee shall immediately repay to City all payments made to or on behalf of Licensee by City (if any) under this Agreement prior to the Termination Date.
26. **UNAVOIDABLE DELAY; EXTENSION OF TIME FOR PERFORMANCE.** Performance by either Party under this Agreement shall not be considered to be in Default, where any such Default is due to the occurrence of an Unavoidable Delay. Any Party claiming an Unavoidable Delay shall Notify the other Party: (a) within twenty (20) days after such Party knows of the Unavoidable Delay; and (b) within twenty (20) days after the Unavoidable Delay ceases to exist. To be effective, any Notice of an Unavoidable Delay must describe the Unavoidable Delay in reasonable detail. The Party claiming an extension of time to perform due to an Unavoidable Delay shall exercise commercially

reasonable efforts to cure the condition causing the Unavoidable Delay, within a reasonable time. Notwithstanding anything to the contrary in this Agreement, no obligation of Licensee for payment of money under this Agreement may be delayed by the occurrence of an Unavoidable Delay, unless the delay in payment of money is due to an Unavoidable Delay that prevents or materially limits the ability to transfer funds by or between Federal or State chartered financial institutions.

27. **NO OTHER REPRESENTATIONS OR WARRANTIES.** Except as expressly set forth in this Agreement, no Party makes any representation or warranty material to this Agreement to another Party.
28. **NO THIRD-PARTY BENEFICIARIES.** Nothing in this Agreement, express or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any Person other than the Parties and their respective permitted successors and assigns (if any), nor is anything in this Agreement intended to relieve or discharge any obligation of any Third Person to any Party or give any Third Person any right of subrogation or action over or against any Party.
29. **TIME OF THE ESSENCE.** As to the performance of any obligation under this Agreement of which time is a component, the performance of such obligation within the time specified is of the essence of this Agreement.
30. **WAIVERS AND AMENDMENTS.** Each waiver of a term, provision, covenant, condition, restriction, or agreement contained in this Agreement must be in writing and signed by the authorized representative(s) of the Party making the waiver. Failure to insist on strict compliance with a term, provision, covenant, condition, restriction, or agreement contained in this Agreement at any time or times shall not constitute a waiver of such term, provision, covenant, condition, restriction, or agreement at any other time, nor shall any waiver or relinquishment of any right or power under this Agreement at any time or times constitute a waiver or relinquishment of such right or power at any other time. Each amendment to this Agreement must be in writing and signed by the authorized representative(s) of both City and Licensee.
31. **ACCESSIBILITY ASSESSMENT.** City discloses to Licensee that the Property has not been inspected by a Certified Access Specialist (CASP). Additionally, even though this is not a lease or rental agreement, the City further states:

A Certified Access Specialist (CASP) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises. Cal. Civ. Code section 1938(e).

32. **SURVIVAL OF AGREEMENT.** All the provisions of this Agreement shall be applicable to any dispute between the Parties arising from this Agreement, whether prior to or after the Termination Date, until any such dispute is finally and completely resolved between the Parties, either by written settlement, entry of a non-appealable judgment, or

expiration of all applicable statutory limitations periods, and all terms and conditions of this Agreement relating to dispute resolution and remedies shall survive the Termination Date.

33. **INTEGRATION.** This Agreement includes twenty four (24) pages, a signature page, and three (3) exhibits (the exhibits are incorporated into this Agreement by reference) constituting the entire understanding and agreement of the Parties regarding the subject matter of this Agreement and supersedes all previous negotiations or agreements between the Parties relating to the subject matter of this Agreement.
34. **TITLES AND HEADINGS FOR REFERENCE ONLY.** The titles and headings of the articles, paragraphs, or sections of this Agreement are for convenience of reference only, are not to be considered a part of this Agreement, and shall not in any way interpret, modify, or restrict the meaning of any term, provision, covenant, condition, restriction, reservation, or agreement in this Agreement.
35. **SEVERABILITY.** If a term, provision, covenant, condition, restriction, or agreement contained in this Agreement or its application to any Person or circumstance shall to any extent be invalid or unenforceable, then the remainder of this Agreement, or the application of such a term, provision, covenant, condition, restriction, or agreement to Persons or circumstances other than those as to which the term or provision is invalid or unenforceable, shall not be affected by such invalidity. All remaining terms, provisions, covenants, conditions, restrictions, or agreements contained in this Agreement shall be valid and enforced to the fullest extent Law allows.
36. **COUNTERPARTS.** This Agreement may be signed in multiple counterpart originals, each of which shall be considered an original, and all of which shall constitute one and the same agreement.
37. **ELECTRONIC SIGNATURES.** The Parties agree: (a) to deliver and accept signatures on or under this Agreement by e-mail or electronic means (including digital signatures); and (b) that signatures delivered by e-mail or electronic means (including digital signatures) shall be binding as originals upon the Party so signing and delivering.

All costs of defense shall be outside the limits of the policy.
- 1.2. *Liability Insurance.* Commercial general liability insurance against claims for bodily injury, personal injury, death, or property damage occurring upon, in or about the License Area or adjoining streets or passageways, at least as broad as Insurance Services Office Occurrence Form CG0001, with a minimum liability limit of Five Million Dollars (\$5,000,000) for any one occurrence and Ten Million Dollars (\$10,000,000) aggregate. Commercial general liability insurance coverage may be provided through a combination of primary and excess or umbrella insurance policies. If commercial general liability insurance or other form with a general aggregate limit is used, the general aggregate limit shall apply separately to the License Area.
- 1.3. *Property Insurance.* You shall procure the insurance described below, at your sole cost and expense, to provide coverage against claims for loss including injuries to persons or damage to property, which may arise out of or in connection with the performance of the Work by you, your agents, representatives, officers, employees or Subcontractors. Insurance coverage for property damage resulting from your operations is on a replacement cost valuation. The market value will not be accepted.
- 1.4. *Workers Compensation Insurance.* Workers compensation insurance complying with the provisions of State law and an employer's liability insurance policy or endorsement to a liability insurance policy, with a minimum liability limit of One Million Dollars (\$1,000,000) per accident for bodily injury, or disease, covering all employees of Licensee.
- 1.5. *Aviation Liability Insurance.* The Licensee shall procure and maintain at their expense or require any subcontractor to procure and maintain Aviation Liability Insurance on an occurrence basis, including products and completed operations, property damage, bodily injury with limits no less than One Million (\$1,000,000) per occurrence, and Two Million (\$2,000,000) in the aggregate.

2. **Nature of Insurance.** The contents of this EXHIBIT A are sometimes referred to as the "Insurance Requirements." All Liability Insurance, Automobile Liability Insurance, Property Insurance, and Workers Compensation Insurance policies required by these Insurance Requirements shall be issued by carriers that: (a) are listed in the then current "Best's Key Rating Guide—Property/Casualty—United States & Canada" publication (or its equivalent, if such publication ceases to be published) with a minimum financial strength rating of "A-" and a minimum financial size category of "VII" (exception may be made for the State Compensation Insurance Fund when not specifically rated); and (b) are authorized to do business in the State by the State

Department of Insurance. Licensee may provide any insurance under a "blanket" or "umbrella" insurance policy, provided that: (i) such policy or a certificate of such policy shall specify the amount(s) of the total insurance allocated to the License Area, which amount(s) shall equal or exceed the amount(s) required by these Insurance Requirements; and (ii) such policy otherwise complies with the requirements of these Insurance Requirements.

3. **Policy Requirements and Endorsements.** All insurance policies required by these Insurance Requirements shall contain (by endorsement or otherwise) the following provisions:
 - 3.1. *Insured.* General Liability Insurance, Automobile Liability Insurance, and Aviation Liability Insurance policies shall name the City Parties as "additional insured." The coverage afforded to the City Parties shall be at least as broad as that afforded to Licensee regarding the License Area and may not contain any terms, conditions, exclusions, or limitations applicable to the City Parties that do not apply to Licensee.
 - 3.2. *Primary Coverage.* Any insurance or self-insurance maintained by the City Parties shall be excess of all insurance required to be maintained by Licensee under these Insurance Requirements and shall not contribute with any insurance required to be maintained by Licensee under these Insurance Requirements.
 - 3.3. *Contractual Liability.* Liability Insurance policies shall contain contractual liability coverage for Licensee's Indemnity obligations under this Agreement. Licensee's obtaining or failing to obtain such contractual liability coverage shall not relieve Licensee from nor satisfy any Indemnity obligation of Licensee under this Agreement.
 - 3.4. *Deliveries to City.* Evidence of Licensee's maintenance of all insurance policies required by these Insurance Requirements shall be delivered to City before the Effective Date. No later than ten (10) days before any insurance required by these Insurance Requirements expires, is cancelled or its liability limits are reduced or exhausted, Licensee shall deliver to City evidence of Licensee's maintenance of all insurance required by these Insurance Requirements. Each insurance policy required by these Insurance Requirements shall be endorsed to state that coverage shall not be cancelled, suspended, voided, reduced in coverage or in limits, except after thirty (30) days' advance Notice of such action to City. Phrases such as "endeavor to" and "but failure to mail such notice shall impose no obligation or liability of any kind upon the company" shall not be included in the cancellation wording of any certificates or policies of insurance applicable to the City Parties under these Insurance Requirements.
 - 3.5. *Waiver of Certain Claims.* Licensee shall cause each insurance carrier providing any Liability Insurance, Worker's Compensation Insurance, and Automobile Liability Insurance coverage under these Insurance Requirements to endorse their applicable policy(ies) with a Waiver of Subrogation (defined below) with respect to the City Parties, if not originally in the policy. To the extent Licensee obtains an insurance policy covering both the Licensee Parties and the City Parties and containing a Waiver of Subrogation, the Parties release each other from any Claims for damage to any Person or property to the extent such Claims are paid by the insurance carrier under such insurance policy. "**Waiver of Subrogation**" means and refers to a provision in, or endorsement to, any insurance policy, under which the carrier agrees to waive rights of recovery by

way of subrogation against the City Parties for any loss such insurance policy covers.

- 3.6. *No Representation.* No Party makes any representation that the limits, scope, or forms of insurance coverage required by these Insurance Requirements are adequate or sufficient.
- 3.6.1. *No Claims Made Coverage.* None of the insurance coverage required by these Insurance Requirements may be written on a claims-made basis.
- 3.7. *Fully Paid and Non-Assessable.* All insurance obtained and maintained by Licensee in satisfaction of these Insurance Requirements shall be fully paid for and non-assessable.
- 3.8. *Separation of Insured.* All Liability Insurance and Automobile Liability Insurance shall provide for separation of insured for Licensee and the City Parties. Insurance policies obtained in satisfaction of these Insurance Requirements may provide a cross-suits exclusion for suits between named insured Persons but shall not exclude suits between named insured Persons and additional insured Persons.
- 3.9. *Deductibles and Self-Insured Retentions.* All deductibles or self-insured retentions under insurance policies required by these Insurance Requirements shall be declared to and approved by City. Licensee shall pay all such deductibles or self-insured retentions regarding the City Parties. Each insurance policy issued in satisfaction of these Insurance Requirements shall provide that, to the extent Licensee fails to pay all or any portion of a self-insured retention under such policy in reference to an otherwise insured loss, City may pay the unpaid portion of such self-insured retention, in City's sole and absolute discretion. All amounts paid by City toward self-insured retentions regarding insurance policies covering the City Parties under these Insurance Requirements shall be reimbursed to City by Licensee in the same manner that insurance costs are reimbursable to City from Licensee under Section 5 of these Insurance Requirements.
- 3.10. *No Separate Insurance.* Licensee shall not carry separate or additional insurance coverage concurrent in form or contributing in the event of loss with insurance coverage required by these Insurance Requirements unless the City Parties are made additional insured under such insurance coverage.
- 4. **Insurance Independent of Indemnification.** These Insurance Requirements, are independent of the Parties' Indemnification and other obligations under this Agreement and shall not be construed or interpreted in any way to satisfy, restrict, limit or modify the Parties' Indemnification or other obligations or to limit the Parties' liability under this Agreement, whether within, outside or in excess of such coverage, and regardless of solvency or insolvency of the insurer issuing the coverage, nor shall the provision of such insurance preclude City from taking such other actions as are available to City under any other provision of this Agreement or otherwise at law or in equity.
- 5. **City Option to Obtain Coverage.** During the continuance of an Event of Default arising from the failure of Licensee to carry any insurance coverage required by these Insurance Requirements, City may, in City's sole and absolute discretion, purchase such required insurance coverage. City shall be entitled to immediate payment from

Licensee of all premiums and associated reasonable costs paid by City to obtain such insurance coverage. Each amount becoming due and payable to City under this Section 5 that is not paid within fifteen (15) days after Notice from City with an explanation of the amounts owed, will accrue Default Interest from the date incurred until paid. Election by City to purchase or not to purchase insurance coverage otherwise required by these Insurance Requirements to be carried by Licensee shall not relieve Licensee of any Default or Event of Default or Licensee's obligation to obtain and maintain any insurance coverage required by these Insurance Requirements.

6. **Self-Insurance.** Notwithstanding the insurance provisions of this Exhibit A to the contrary, Licensee shall have the right to self-insure with respect to any of the insurance required to be carried by Licensee under Exhibit A, provided that: Licensee has not assigned its interest in this Agreement to any other entity; Licensee governs and manages (either internally or through a third-party administrator) its self-insurance program, and maintains sufficient reserves on its balance sheet committed to its self-insurance program liabilities, in a manner consistent with comparable programs managed by cities of comparable size and population; and Applicable laws(s) do not prohibit or render unenforceable Licensee's indemnification obligations under this Agreement.

NON-EMERGENCY AIRCRAFT, AND WATERCRAFT OPERATIONS AT CITY RESERVOIRS

Quagga/Zebra Mussels

State and federal agencies have joined forces to avert further infestations of Quagga/Zebra mussels and are urging boaters to help stop the spread of Quagga/Zebra mussels in California. A multi-agency taskforce, including the California Departments of Fish and Game, Boating and Waterways, Water Resources, Parks and Recreation, and Food and Agriculture as well as the U.S. Fish and Wildlife Service, U.S. Bureau of Reclamation, National Park Services, and many local governments and water agencies, has launched a statewide outreach campaign to alert the public – about the Quagga/Zebra mussel threat.

Boaters should be aware that laws now make it illegal to transport Quagga/Zebra mussels. Boats found with evidence of the mussels may be quarantined and boat owners may face fines in some states. Contaminated or suspect boats are being turned away. As of 2007, quagga mussels have been found in five of the City's nine reservoirs. The following is the current status of the City's reservoirs:

Infested reservoirs:

- El Capitan
- Miramar
- Murray
- Otay
- San Vicente

Non-infested Reservoirs

- Barrett
- Hodges
- Morena
- Sutherland

Procedures of aircraft operations at infested reservoirs:

1. Do not suck organic and bottom materials into water intakes when drafting from the reservoir. Use screens.
2. Do not transfer water from the reservoir to any other body of water. Dump all water so it returns to the same reservoir.
3. When the operation is completed at the reservoir and before operating in another water body the following must be done:
 - a. The exterior of all tanks, hoses, and related equipment must be cleaned by power washing with water greater than or equal to 140 degrees F(at the point of contact).
 - b. The interior of all tanks, hoses, and related equipment must be drained and completely dry for at least 14 days. Or the interior of all tanks, hoses, and related equipment must be decontaminated with 5% Quat 128 or 3% Sparquat solutions as defined in the USFS guidelines.

Procedures for aircraft operations at non-infested reservoirs:

1. If the equipment being used has been exposed to infested water or it is unknown whether the equipment has been exposed, then the following must be done before operations begin:

- a. The exterior of all tanks, hoses, and related equipment must be cleaned by power washing with water greater than or equal to 140 degrees F (at the point of contact).
- b. The interior of all tanks, hoses, and related equipment must be drained and completely dry for at least 14 days, or the interior of all tanks, hoses, and related equipment must be decontaminated with 5% Quat 128 or 3% Sparquat solutions as detailed in the USFS guidelines.

Procedures for the use of dive gear

1. Check all gear that could potentially hide any water (veligers*) (include regulators, buoyancy compensation device (BCD), wetsuits, masks, gloves, boots, snorkels, and any other dive gear).
2. Thoroughly clean all regulators, BCDs, wetsuits, masks, snorkels, and any other dive gear, making sure to clean both the inside and outside of the BCD to ensure that no mud or organic matter is present – use a brush to scrub if necessary.
3. After cleaning, rinse your suit, equipment and inside of BCD with hot (<40° C or 104°F) or salt water (1/2 cup salt/gallon). Note, if you use the salt-water solution, it is very important to thoroughly rinse the equipment in freshwater after your cleaning because the salt crystals can harm your equipment. Divers can also use potassium at 100mg/liter at a temperature of >30° C or using commercially available dive equipment cleaning compound that contains ammonia, vinegar, or chlorine. Dispose of cleaning solution properly.
4. Allow gear, suit, and other equipment to dry before diving in different waters. Veligers can survive on a wetsuit if left damp.
5. If feasible, consider freezing your equipment overnight to kill any veligers.
