Licensee shall also submit all required reports relating to the Environmental Condition to other Governments as required by Law.
- 7.4 Environmental Assessment. Upon reasonable cause to believe that an Environmental Condition has occurred, City may cause an environmental assessment of the Property to be performed by a professional environmental consultant registered with the State as a Professional Engineer, Certified Engineering Geologist, or Registered Civil Engineer. The environmental assessment shall be performed at Licensee's sole cost and expense. Licensee shall reimburse City for all costs and expenses reasonably incurred by City in performing the environmental assessment within thirty (30) days after Notice to Licensee of the amount of such costs and expenses. Any amount reimbursable to City by Licensee under this Section 7.4 that is not paid within thirty (30) days after Notice to Licensee of such amount, shall accrue Default Interest until paid.
8. **COMPLIANCE WITH LAW**. The Permitted Use shall comply with all Laws, at Licensee's sole cost and expense. Licensee shall comply with all notices, orders, directives, or the like issued by City or any other Government under the authority of current or future Law.
9. **COMPLIANCE WITH CITY STANDARD CONTRACT PROVISIONS**. In entering the License Area or performing the Permitted Use, all under this Agreement, Licensee shall comply with all City standard contract provisions set forth in **Exhibit D** attached to this Agreement. COA:
10. **INDEMNIFICATION**.
- 10.1 Licensee Indemnity Obligations. In addition to Licensee's obligations to Indemnify the City Parties under other provisions of this Agreement, Licensee shall Indemnify the City Parties against all Claims to the extent arising from: (a) Licensee's use of the License Area; (b) Licensee's breach of this Agreement; (c) personal injury (including death) or property damage (to property of Licensee or any other Person) occurring on the License Area or adjoining real property, but only to the extent arising out of Licensee's acts or omissions; (d) personal injury (including death) or property damage resulting from Licensee's use of the License Area; (e) a wrongful intentional act or negligence of one or more of the Licensee Parties; (f) strict liability relating to Licensee's use of the License Area; (g) all Applications made by or on behalf of one or more Licensee Parties; (h) all agreements that one or more Licensee Parties makes with a Third Person regarding this Agreement or the License Area; (i) services, labor, material, or equipment supplied to, for, on behalf of, or at the request of one or more Licensee Parties; (j) a workers' compensation claim by one or more employees or contractors of one or more Licensee Parties; or (j) an Environmental Condition occurring on or after the Effective Date. Notwithstanding anything to the contrary in this Agreement, Licensee's obligations to Indemnify the City Parties excludes Claims arising solely from the established active negligence or willful misconduct of a City Party.

- 10.2 Independence of Insurance and Indemnity Obligations. Licensee's obligations to Indemnify the City Parties under this Agreement shall not be construed or interpreted as in any way restricting, limiting, or modifying Licensee's insurance or other obligations under this Agreement. Licensee's obligations to Indemnify the City Parties under this Agreement are independent of Licensee's insurance and other obligations under this Agreement. Licensee's compliance with its insurance obligations and other obligations under this Agreement shall not in any way restrict, limit, or modify Licensee's obligations to Indemnify the City Parties under this Agreement and are independent of Licensee's obligations to Indemnify the City Parties and other obligations under this Agreement.
- 10.3 Survival of Indemnification Obligations. Licensee's obligations to Indemnify the City Parties under this Agreement shall survive the Termination Date, until all actual or prospective Claims subject to Licensee's obligations to Indemnify the City Parties under this Agreement are fully, finally, absolutely, and completely barred by applicable statutes of limitations.
- 10.4 Indemnification Procedures. Wherever this Agreement requires Licensee to Indemnify the City Parties:
- 10.4.1 *Notice.* The affected City Parties shall Notify Licensee of the Claim within a reasonable time.
- 10.4.2 *Selection of Counsel.* Licensee shall select counsel reasonably acceptable to City's City Council. Even though Licensee shall defend the Claim, the affected City Parties may, at their respective options, engage separate legal counsel, at Licensee's expense, to advise them regarding the Claim and their defense. The affected City Parties' separate legal counsel(s) may attend all proceedings and meetings. Licensee's legal counsel shall actively consult with the City Parties' separate legal counsel, subject to applicable conflict of interest and privileged communication limitations.
- 10.4.3 *Cooperation.* The affected City Parties shall reasonably cooperate with Licensee's defense of the City Parties.
- 10.4.4 *Settlement.* Licensee may only settle a Claim with the prior written consent of the affected City Parties, in their respective sole and absolute discretion.
- 10.5 Immediate Duty to Defend. The duty to defend that is within Licensee's obligations to Indemnify the City Parties under this Agreement includes Claims for which the City Parties may be liable without fault or strictly liable and applies regardless of whether the issues of negligence, liability, fault, default, or other obligation on the part of Licensee or the City Parties have been determined. The duty to defend applies immediately, regardless of whether the City Parties have paid any sums or incurred any detriment arising out of or relating (directly or indirectly) to any Claims. It is the express intention of the Parties that the City Parties be entitled to obtain summary adjudication or summary judgment regarding Licensee's duty to defend the City Parties at any stage of a Claim within the scope of Licensee's obligations to Indemnify the City Parties under this Agreement.

- 10.6 Savings Provision. Notwithstanding anything in this Agreement to the contrary, if the extent of Licensee's obligation to Indemnify the City Parties under this Agreement exceeds the indemnity obligation allowed by applicable Law, Licensee's obligation to Indemnify the City Parties shall be reduced to the extent required to comply with applicable Law.
11. **END OF TERM**. Before the Termination Date, Licensee shall remove or cause the removal of all the personal property of the Licensee Parties from the License Area, and place the License Area in a condition as close as possible to the condition of the License Area before the Effective Date.
12. **INITIAL TERM; TERM EXTENSIONS**
- 12.1 Initial Term. The initial term ("**Initial Term**") of this Agreement shall be for five (5) years, commencing on the later of 2025, or the Effective Date ("**Commencement Date**"), and ending at 11:59 p.m. on the day before the fifth (5th) anniversary of the Commencement Date.
- 12.2 First Term Extension. If Licensee is not in Default at the end of the Initial Term, Licensee may request that the Agreement be extended for a period of three (3) years, commencing on the fifth (5th) anniversary of the Commencement Date and ending at 11:59 p.m. on the day before the eighth (8th) anniversary of the Commencement Date ("**First Extended Term**"). Licensee may only request an extension of the Initial Term by Notice to City at least sixty (60) days before the end of the Initial Term. City may, in its sole discretion, agree to the First Extended Term, subject to the following conditions: (a) Licensee is not in Default on the last day of the Initial Term; and (b) the Mayor provides prior written consent within 30 days after City's receipt of Licensee's Notice requesting the First Extended Term, which may be given or withheld in the Mayor's sole and absolute discretion.
13. **TERMINATION DATE**. The duration of this Agreement ("**Term**") shall begin on the Effective Date and terminate upon 11:59 p.m. Pacific on the date of the earliest to occur of the following events ("**Termination Date**"):
- 13.1 Licensee Notice. The seventh (7th) day after the date Licensee both gives City Notice of termination of this Agreement and performs all of Licensee's obligations under Section 11;
- 13.2 City Notice. The seventh (7th) day after the date City gives Licensee Notice of termination of this Agreement;
- 13.3 Expiration. The expiration of this Agreement at 11:59 p.m. Pacific Time on the latest of the following dates: (1) the end of the Initial Term; or (2) the end of the First Extended Term (if applicable);
- 13.4 Eminent Domain. Termination of this Agreement under Section 20;
- 13.5 Event of Default. Following the occurrence of an Event of Default, City giving Licensee Notice of termination of this Agreement;

- 13.7 **Breach of Warranty.** City termination of this Agreement under Section 28.
- 13.8 **Legal Challenge or Change in Law.** Termination of this Agreement under Section 18.
14. **CITY CURE RIGHT.** If Licensee fails to take any action this Agreement requires of Licensee, without waiving or releasing Licensee from any obligation, Default, or Event of Default and without waiving City's right to take such action as this Agreement may permit as a result of a Default or Event of Default, City may (but need not) take such action. Licensee shall reimburse City for an amount equal to: (a) all reasonable costs and expenses (including Legal Costs) incurred by City in exercising its cure rights under this Section 14; and (b) Default Interest on all amounts described in clause "(a)" until all such amounts are reimbursed in full to City by Licensee. Nothing in this Section 14 is intended to modify or restrict any other cure right provided to City in this License Agreement.
15. **REMEDIES.** After the occurrence of an Event of Default by the other Party, the non-defaulting Party shall be entitled to take any or all action authorized by this Agreement after the occurrence of an Event of Default by the other Party, including legal proceedings to enforce any or all contractual rights or remedies available to the non-defaulting Party, or pursue any or all other remedies or damages relating to such Event of Default available to the non-defaulting Party at law or in equity.
16. **LEGAL ACTIONS.** Either Party may institute legal action, at law or in equity, to enforce or interpret the rights or obligations of the Parties under this Agreement or recover damages.
17. **CUMULATIVE RIGHTS AND REMEDIES.** The rights and remedies of the Parties under this Agreement are cumulative with all other rights or remedies of the Parties under this Agreement, at law, or in equity. The exercise by either Party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or a different time, of any other right or remedy for the same Default or Event of Default by the other Party or the same right or remedy for any other Default or Event of Default by the other Party.
18. **LEGAL CHALLENGE OR CHANGE IN LAW.** If a lawsuit is filed against City or Licensee to prevent or prohibit Licensee from carrying out the Permitted Use on the License Area, or a subsequent change in Law prohibits the Permitted Use on the License Area, either Party shall have the right to terminate this Agreement, in its respective sole and absolute discretion, on thirty (30) days' Notice to the other Party.
19. **CITY'S RESERVATION OF RIGHTS.**
- 19.1 **Government Action.** By entering into this Agreement, neither City nor the City Council is obligating itself or any other Government regarding any discretionary action relating to the development, occupancy, use, or maintenance of the License Area, including re-zonings, variances, environmental clearances, or any Approval required to conduct the Permitted Use.
- 19.2 **Resources.** City reserves all right, title, and interest in all natural resources relating to the Property, including subsurface natural gas, oil, minerals, and water, on or within the Property.

20. **EMINENT DOMAIN.** If all or part of the License Area or any other part of the Property is taken through eminent domain proceedings or under threat of the exercise of the power of eminent domain by any Person with the power of eminent domain, City may terminate this Agreement immediately by Notice to Licensee. City may transfer its title or interest in the Property in lieu of condemnation to any Person entitled to exercise the power of eminent domain over the Property. City's exercise of any right under this Agreement shall not be interpreted as an exercise of the power of eminent domain and shall not impose any liability upon City for inverse condemnation.
21. **NO DISCRIMINATION OR SEGREGATION.** Licensee covenants by and for itself, himself or herself, its, his or her heirs, executors, administrators, and assigns, and all Persons claiming under or through it, him or her, that neither Licensee nor any Person claiming under or through Licensee shall establish or allow any discrimination against or segregation of any Person or group of Persons on account of race, color, religion, gender, gender expression, gender identity, disability, sexual orientation, marital status, national origin, ancestry, familial status, or source of income in the use of the License Area.
22. **NOTICES.** All Notices submitted by a Party to the other Party under or as required by this Agreement shall be sent by messenger for immediate personal delivery, nationally recognized overnight (one Business Day) delivery service (i.e., United Parcel Service, Federal Express, etc.), registered or certified first-class mail, postage prepaid, return receipt requested through the United States Postal Service, or by e-mail, to the address of the recipient Party designated below in this Section 2. Notices may be sent in the same manner to such other addresses as either Party may from time to time designate by Notice in accordance with this Section 2. Notice shall be considered received by the addressee, regardless of whether or when any return receipt is received by the sender or the date set forth on such return receipt, on the day the Notice is sent by messenger for immediate personal delivery, one (1) Business Day after delivery to a nationally recognized overnight delivery service, three (3) days after the Notice is deposited with the United States Postal Service in accordance with this Section 2, or on a Business Day sent by e-mail, if sent before 4:00 p.m. Pacific Time, otherwise on the next Business Day. Any reference to Business Days in this Agreement shall mean consecutive Business Days.

24. **PRINCIPLES OF INTERPRETATION.** No inference in favor of or against any Party shall be drawn from the fact that such Party drafted any part of this Agreement. The Parties participated substantially in the negotiation, drafting, and revision of this Agreement, with advice from legal and other counsel and advisers of their own selection. A word, term, or phrase defined in the singular in this Agreement may be used in the plural, and vice versa, all in accordance with ordinary principles of English grammar, which shall govern all language in this Agreement. The words “include” and “including” in this Agreement shall be construed to be followed by the words: “without limitation.” Each collective noun in this Agreement shall be interpreted as if followed by the words “(or any part of it),” except where the context clearly requires otherwise. Every reference to a document, including this Agreement, refers to such document, as modified from time to time (excepting any modification violating this Agreement), and includes all exhibits, schedules, addenda, and riders to such document. The word “or” in this Agreement includes the word “and,” except where the context clearly requires otherwise. Every reference to a law, statute, regulation, order, form, or similar Government requirement refers to each such requirement as amended, modified, renumbered, superseded, or succeeded, from time to time.
25. **GOVERNING LAW.** The procedural and substantive laws of the State shall govern the interpretation and enforcement of this Agreement, without application of conflicts of laws principles or statutes. The Parties acknowledge and agree that this Agreement is entered into, is to be fully performed in and relates to real property located in the County. All legal actions arising from this Agreement shall be filed in the Superior Court of the State in and for the County or in the United States District Court with jurisdiction in the County.
26. **PRIOR AGREEMENT TERMINATION.** As of the Effective Date, all leases, right-of-entry permits, use and occupancy permits, or other agreements between City and Licensee concerning the Permitted Use on the Property, other than this Agreement, are terminated, except as to any rents, fees, rights, or remedies accrued to either Party under those agreements prior to the Effective Date.
27. **RELATIONSHIP OF PARTIES.** The Parties each intend and agree that City and Licensee are independent contracting entities and do not intend by this Agreement to create any partnership, joint venture, or similar business arrangement, relationship, or association between them.
28. **WARRANTY AGAINST PAYMENT OF CONSIDERATION FOR AGREEMENT.** Licensee represents and warrants to City that: (a) Licensee has not employed or retained any Person to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees of Licensee; and (b) no gratuities, in the form of entertainment, gifts or otherwise have been or will be given by Licensee or any of Licensee’s agents, employees, or representatives to any elected or appointed official or employee of City in an attempt to secure this Agreement or favorable terms or conditions for this Agreement. Breach of the representations or warranties in this Section 28 shall entitle City to terminate this Agreement immediately. Upon any termination of this Agreement under this Section 28, Licensee shall immediately repay to City all payments made to or on behalf of Licensee by City (if any) under this Agreement prior to the Termination Date.
29. **UNAVOIDABLE DELAY; EXTENSION OF TIME FOR PERFORMANCE.** Performance by either Party under this Agreement shall not be considered to be in Default, where any such Default is due to the occurrence of an Unavoidable Delay. Any Party claiming an

Unavoidable Delay shall Notify the other Party: (a) within twenty (20) days after such Party knows of the Unavoidable Delay; and (b) within twenty (20) days after the Unavoidable Delay ceases to exist. To be effective, any Notice of an Unavoidable Delay must describe the Unavoidable Delay in reasonable detail. The Party claiming an extension of time to perform due to an Unavoidable Delay shall exercise commercially reasonable efforts to cure the condition causing the Unavoidable Delay, within a reasonable time. Notwithstanding anything to the contrary in this Agreement, no obligation of Licensee for payment of money under this Agreement may be delayed by the occurrence of an Unavoidable Delay, unless the delay in payment of money is due to an Unavoidable Delay that prevents or materially limits the ability to transfer funds by or between Federal or State chartered financial institutions.

30. **NO OTHER REPRESENTATIONS OR WARRANTIES.** Except as expressly set forth in this Agreement, no Party makes any representation or warranty material to this Agreement to another Party.
31. **NO THIRD-PARTY BENEFICIARIES.** Nothing in this Agreement, express or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any Person other than the Parties and their respective permitted successors and assigns (if any), nor is anything in this Agreement intended to relieve or discharge any obligation of any Third Person to any Party or give any Third Person any right of subrogation or action over or against any Party.

Each amendment to this Agreement must be in writing and signed by the authorized representative(s) of both City and Licensee.
34. **ACCESSIBILITY ASSESSMENT.** City discloses to Licensee that the Property has not been inspected by a Certified Access Specialist (CASP). Additionally, even though this is not a lease or rental agreement, the City further states:

A Certified Access Specialist (CASP) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-

related accessibility standards within the premises. Cal. Civ. Code section 1938(e).

35. **SURVIVAL OF AGREEMENT.** All the provisions of this Agreement shall be applicable to any dispute between the Parties arising from this Agreement, whether prior to or after the Termination Date, until any such dispute is finally and completely resolved between the Parties, either by written settlement, entry of a non-appealable judgment, or expiration of all applicable statutory limitations periods, and all terms and conditions of this Agreement relating to dispute resolution and remedies shall survive the Termination Date.
36. **INTEGRATION.** This Agreement includes Twenty eight (28) pages, a signature page, and Four (4) exhibits (the exhibits are incorporated into this Agreement by reference) constituting the entire understanding and agreement of the Parties regarding the subject matter of this Agreement and supersedes all previous negotiations or agreements between the Parties relating to the subject matter of this Agreement.

38. **SEVERABILITY.** If a term, provision, covenant, condition, restriction, or agreement contained in this Agreement or its application to any Person or circumstance shall to any extent be invalid or unenforceable, then the remainder of this Agreement, or the application of such a term, provision, covenant, condition, restriction, or agreement to Persons or circumstances other than those as to which the term or provision is invalid or unenforceable, shall not be affected by such invalidity. All remaining terms, provisions, covenants, conditions, restrictions, or agreements contained in this Agreement shall be valid and enforced to the fullest extent Law allows.
39. **COUNTERPARTS.** This Agreement may be signed in multiple counterpart originals, each of which shall be considered an original, and all of which shall constitute one and the same agreement.
40. **ELECTRONIC SIGNATURES.** The Parties agree: (a) to deliver and accept signatures on or under this Agreement by e-mail or electronic means (including digital signatures); and (b) that signatures delivered by e-mail or electronic means (including digital signatures) shall be binding as originals upon the Party so signing and delivering.
41. **CALIFORNIA PUBLIC RECORDS ACT.** City shall determine, in its sole discretion, whether this License or information provided to City by Licensee pursuant to this License is or is not a public record subject to disclosure under the California Public Records Act ("CPRA"). Licensee shall hold City, its elected officials, officers and employees harmless for City's disclosure of any such information in response to a request for information under the CPRA. Upon City's request, Licensee shall provide City with specific and detailed legal grounds, including any applicable case law, upon which City may rely, in City's sole discretion, for withholding any information requested pursuant to the CPRA. If City withholds disclosure of information in reliance on such legal analysis provided by Licensee, Licensee shall protect, defend, indemnify and hold City and its elected officials, officers, employees, representatives and agents harmless for and from legal actions or challenges seeking to obtain the information

from City and all costs incurred by City associated therewith, and shall defend, at Licensee's sole expense, any action brought against City resulting from City's nondisclosure of the information. City may, at its election, conduct the defense or participate in the defense of any claim related in any way to this indemnification. If City chooses at its own election to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification, Licensee shall pay all of the costs related thereto, including with limitation reasonable attorney fees and costs.

SCOPE OF WORK

On behalf of Marc Doalson, Principal Environmental Specialist at San Diego Gas & Electric (SDG&E), AECOM proposes to continue active management of the *Centaurea solstitialis* (Yellow starthistle; YST) population at Eichenlaub Ranch (see Exhibit B) as part of SDG&E's Adaptive Weed Control Strategy (AWCS) associated with weed control management of the Sunrise Powerlink. SDG&E has actively managed YST at this location annually since 2011 as part of Sunrise Powerlink Project and as part of the AWCS since 2013. Management activities include annual maintenance and monitoring during the growing season for YST, which is typically May to September at the location. Teams of biologists conduct surveys within all areas of the property where YST has potential to occur. Based on historical data for the site, areas are categorized as either HIGH or LOW risk for occurrence of YST. High risk areas are monitored every 2-3 weeks during the growing season. Low risk areas are monitored at least once during the growing season. During monitoring, all YST individuals are counted, and their location is mapped, then they are removed by hand. Any individuals with potential for viable seed are bagged and disposed at an off-site facility. Where dense patches of YST occur, line trimming is conducted early in the season to clear thatch and improve visibility for monitoring. Young plants are removed, and rosettes are treated with herbicide. Where dense patches of Italian thistle or other problematic weed species persist, line trimming may be conducted to clear thatch and improve visibility for YST monitoring. Management activities will also include the collection of native seed from Eichenlaub ranch to be sown back on site. The intention of seeding is to increase native cover and to help compete against non-natives, specifically YST. Seed would be sown at locations within the Eichenlaub Ranch treatment area where consistent populations of target non-native species have been detected and would benefit the most from seeding. Other weed management activities may be conducted with permission from the City of San Diego.

Licensee may provide any insurance under a “blanket” or “umbrella” insurance policy, provided that: (i) such policy or a certificate of such policy shall specify the amount(s) of the total insurance allocated to the License Area, which amount(s) shall equal or exceed the amount(s) required by these Insurance Requirements; and (ii) such policy otherwise complies with the requirements of these Insurance Requirements.
3. **Policy Requirements and Endorsements.** All insurance policies required by these Insurance Requirements shall contain (by endorsement or otherwise) the following provisions:
 - 3.1. *Insured.* General Liability Insurance, Automobile Liability Insurance, and Aviation Liability Insurance policies shall name the City Parties as “additional insured.” The coverage afforded to the City Parties shall be at least as broad as that afforded to Licensee regarding the License Area and may not contain any terms, conditions, exclusions, or limitations applicable to the City Parties that do not apply to Licensee.
 - 3.2. *Primary and Non-Contributory Coverage.* Any insurance or self-insurance maintained by the City Parties shall be excess of all insurance required to be maintained by Licensee under these Insurance Requirements and shall not contribute with any insurance required to be maintained by Licensee under these Insurance Requirements.
 - 3.3. *Contractual Liability.* Liability Insurance policies shall contain contractual liability coverage for Licensee’s Indemnity obligations under this Agreement. Licensee’s obtaining or failing to obtain such contractual liability coverage shall not relieve Licensee from nor satisfy any Indemnity obligation of Licensee under this Agreement.
 - 3.4. *Deliveries to City.* Evidence of Licensee’s maintenance of all insurance policies required by these Insurance Requirements shall be delivered to City before the Effective Date. No later than ten (10) days before any insurance required by these Insurance Requirements expires, is cancelled or its liability limits are reduced or exhausted, Licensee shall deliver to City evidence of Licensee’s maintenance of all insurance required by these Insurance Requirements. Each

insurance policy required by these Insurance Requirements shall be endorsed to state that coverage shall not be cancelled, suspended, voided, reduced in coverage or in limits, except after thirty (30) days' advance Notice of such action to City. Phrases such as "endeavor to" and "but failure to mail such notice shall impose no obligation or liability of any kind upon the company" shall not be included in the cancellation wording of any certificates or policies of insurance applicable to the City Parties under these Insurance Requirements.

- 3.5. *Waiver of Certain Claims.* Licensee shall cause each insurance carrier providing any Liability Insurance, Worker's Compensation Insurance, and Automobile Liability Insurance coverage under these Insurance Requirements to endorse their applicable policy(ies) with a Waiver of Subrogation (defined below) with respect to the City Parties, if not originally in the policy. To the extent Licensee obtains an insurance policy covering both the Licensee Parties and the City Parties and containing a Waiver of Subrogation, the Parties release each other from any Claims for damage to any Person or property to the extent such Claims are paid by the insurance carrier under such insurance policy. **"Waiver of Subrogation"** means and refers to a provision in, or endorsement to, any insurance policy, under which the carrier agrees to waive rights of recovery by way of subrogation against the City Parties for any loss such insurance policy covers.
- 3.6. *No Representation.* No Party makes any representation that the limits, scope, or forms of insurance coverage required by these Insurance Requirements are adequate or sufficient.
- 3.7. *No Claims Made Coverage.* None of the insurance coverage required by these Insurance Requirements may be written on a claims-made basis.
- 3.8. *Fully Paid and Non-Assessable.* All insurance obtained and maintained by Licensee in satisfaction of these Insurance Requirements shall be fully paid for and non-assessable.
- 3.9. *Separation of Insured.* All Liability Insurance and Automobile Liability Insurance shall provide for separation of insured for Licensee and the City Parties. Insurance policies obtained in satisfaction of these Insurance Requirements may provide a cross-suits exclusion for suits between named insured Persons but shall not exclude suits between named insured Persons and additional insured Persons.
- 3.10. *Deductibles and Self-Insured Retentions.* All deductibles or self-insured retentions under insurance policies required by these Insurance Requirements shall be declared to and approved by City. Licensee shall pay all such deductibles or self-insured retentions regarding the City Parties. Each insurance policy issued in satisfaction of these Insurance Requirements shall provide that, to the extent Licensee fails to pay all or any portion of a self-insured retention under such policy in reference to an otherwise insured loss, City may pay the unpaid portion of such self-insured retention, in City's sole and absolute discretion. All amounts paid by City toward self-insured retentions regarding insurance policies covering the City Parties under these Insurance Requirements shall be reimbursed to City by Licensee in the same manner that insurance costs are reimbursable to City from Licensee under Section 5 of these Insurance Requirements.

- 3.11. *No Separate Insurance.* Licensee shall not carry separate or additional insurance coverage concurrent in form or contributing in the event of loss with insurance coverage required by these Insurance Requirements unless the City Parties are made additional insured under such insurance coverage.
4. **Insurance Independent of Indemnification.** These Insurance Requirements, are independent of the Parties' Indemnification and other obligations under this Agreement and shall not be construed or interpreted in any way to satisfy, restrict, limit or modify the Parties' Indemnification or other obligations or to limit the Parties' liability under this Agreement, whether within, outside or in excess of such coverage, and regardless of solvency or insolvency of the insurer issuing the coverage, nor shall the provision of such insurance preclude City from taking such other actions as are available to City under any other provision of this Agreement or otherwise at law or in equity.
5. **City Option to Obtain Coverage.** During the continuance of an Event of Default arising from the failure of Licensee to carry any insurance coverage required by these Insurance Requirements, City may, in City's sole and absolute discretion, purchase such required insurance coverage. City shall be entitled to immediate payment from Licensee of all premiums and associated reasonable costs paid by City to obtain such insurance coverage. Each amount becoming due and payable to City under this Section 5 that is not paid within fifteen (15) days after Notice from City with an explanation of the amounts owed, will accrue Default Interest from the date incurred until paid. Election by City to purchase or not to purchase insurance coverage otherwise required by these Insurance Requirements to be carried by Licensee shall not relieve Licensee of any Default or Event of Default or Licensee's obligation to obtain and maintain any insurance coverage required by these Insurance Requirements.
