5.2 Required Payment Information. Licensee shall include City's customer account number for Licensee with each License Fee payment so City can apply the License Fee to Licensee's account. Licensee's failure to include its customer account number may result in Licensee's payment not being timely applied to Licensee's account and the application of late

payment charges. Licensee assumes all risk of loss and responsibility for all fees or penalties for its failure to include its customer account number with a License Fee payment. The place of payment may be changed at any time by City upon thirty (30) days prior Notice to Licensee. Payments shall be considered paid on the date the payment is received by the City, provided Licensee's customer account number is included with such payment as required in this Section 5.2. Licensee assumes all risk of loss and responsibility for late payment charges if payments are sent by mail.

In no event shall the charge for late payment of the License Fee be less than Twenty-Five Dollars ($25). Acceptance of late charges or any portion of the late License Fee payment by City shall neither constitute a waiver of Licensee's Default regarding the late payment nor prevent City from exercising any rights or remedies available under this Agreement, at law, or in equity arising from such Default.

5.7 Security Deposit. Licensee will deposit the Security Deposit with City. City shall hold the Security Deposit as security for Licensee's faithful performance of all the terms, covenants conditions, restrictions, and agreements of this Agreement to be observed or performed by Licensee during the Term. If Licensee does not timely perform any provision of this Agreement, including the provisions relating to payment of the License Fee, City may (but shall not be required to) use, apply, or retain the Security Deposit for the payment of any License Fee or other amount not timely paid, for the payment of any amount City may spend or become obligated to spend by reason of Licensee's failure to perform, or to compensate City for any other loss or damage City may suffer by reason of Licensee's failure to perform. If any portion of the Security Deposit is so used or applied, Licensee shall, within seven (7) days after Notice requesting replenishment of the Security Deposit, deposit cash with City in an amount sufficient to restore the Security Deposit to its original amount. City shall not be required to keep the Security Deposit separate from its general funds. Licensee shall not be entitled to interest on the Security Deposit. If Licensee fully and faithfully observes or performs every term, covenant, condition, restriction, and agreement of this Lease to be observed or performed by Licensee, the unused balance of the Security Deposit will be returned to Licensee within thirty (30) days after the Termination Date. Licensee waives all rights regarding the Security Deposit set forth in California Civil Code Section 1950.7, or any similar, related, or successor provision of law.

Licensee shall promptly deliver to City documentary evidence of all Approvals obtained by Licensee regarding the Permitted Use.

6.2 Protection Against Claims or Liens. IF A CLAIM OR LIEN IS RECORDED OR ASSERTED AGAINST THE PROPERTY OR THE CITY FOR MATERIAL OR EQUIPMENT SUPPLIED TO OR LABOR OR SERVICES PERFORMED, DIRECTLY OR INDIRECTLY, FOR LICENSEE OR A CONTRACTOR OF LICENSEE RELATING TO WORK ON THE PROPERTY, LICENSEE SHALL SATISFY AND DISCHARGE SUCH CLAIM OR LIEN, AT THE SOLE COST AND EXPENSE OF LICENSEE, WITHIN TEN (10) DAYS FOLLOWING NOTICE OF THE EXISTENCE OR ASSERTION OF SUCH CLAIM OR LIEN. CITY SHALL NOT BE LIABLE FOR ANY SERVICES, LABOR, MATERIAL, OR EQUIPMENT FURNISHED OR TO BE FURNISHED TO LICENSEE OR LICENSEE'S CONTRACTOR(S) UPON CREDIT AND NO MECHANIC'S OR OTHER LIEN FOR ANY SERVICES, LABOR, MATERIAL, OR EQUIPMENT SHALL ATTACH TO OR AFFECT THE PROPERTY. LICENSEE FURTHER AGREES TO INFORM EACH PROVIDER OF SERVICES, LABOR, MATERIAL, OR EQUIPMENT ON OR TO THE PROPERTY HIRED BY OR FOR THE BENEFIT OF ONE OR MORE LICENSEE PARTIES OF SUCH FACT AND THAT CITY AND THE PROPERTY ARE NOT RESPONSIBLE FOR PAYMENT OF ANY CLAIMS BY ANY SUCH PROVIDERS OF SERVICES, LABOR, MATERIAL, OR EQUIPMENT.

6.4 Signs. Licensee shall not place any banner, pennant, flag, poster, sign, decoration, marquee, awning, or similar device or advertising (each, a "**Sign**") on the License Area without City's prior written consent, in each instance, which consent may be given or withheld in City's sole and absolute discretion. All Signs on the License Area will be maintained by Licensee in good, clean, and operating condition during the Term. Licensee will remove all Signs placed by Licensee from the License Area on or before the Termination Date and repair all damage caused by placement, installation, or removal of Signs, all at Licensee's sole cost and expense. Licensee

shall comply with all Laws requiring the posting of Signs on the License Area. If any unauthorized Sign is found on the License Area, Licensee shall remove the Sign at Licensee's sole cost and expense within twenty-four (24) hours after Notice from City requesting the removal. If Licensee does not remove an unauthorized Sign within twenty-four (24) hours after Notice from City requesting the removal, City may enter the License Area and remove the Sign at Licensee's sole cost and expense. If City performs work required of Licensee under this Section 6.4, Licensee shall reimburse City for all costs and expenses reasonably incurred by City in performing such work (including the costs of City's staff time, administrative overhead, and Legal Costs), within thirty (30) days after Notice to Licensee of such costs. All amounts reimbursable to City by Licensee under this Section 6.4 that are not paid within thirty (30) days after Notice to Licensee of the amount shall accrue Default Interest until paid.

6.5 Deliveries to City. If requested by City, Licensee shall provide City with a copy of all reports, analyses, findings, and conclusions resulting from the Permitted Use, which may be reasonably redacted for confidentiality purposes.

6.6 Costs. Licensee shall pay all costs and expenses related to the Permitted Use.

6.7 Security and Safety. Licensee shall be solely responsible for the security and safety of the License Area. Licensee shall be responsible for the cleanup and securing of the License Area disturbed by Licensee, as appropriate, immediately following each day's work to ensure the daily security and safety of the License Area. In conducting the Permitted Use, Licensee shall comply with all Laws, at Licensee's sole cost and expense, with respect to maintaining the License Area in a safe and secure manner during the Term.

6.8 City Work. City reserves the right to perform work on the License Area at any time. If City intends to perform work on the License Area, City shall give Licensee at least forty-eight (48) hours' Notice prior to commencing the work (except in the event of an emergency, in which case, no prior Notice is required). Licensee shall comply with all safety instructions issued by City to ensure the safety of City personnel or contractors performing work on the License Area.

6.9 Inspection.

6.9.1 City may, at any time, for any reason or no reason, without any obligation to do so, enter the License Area for the purposes of inspecting the License Area and the Permitted Use conducted on the License Area for compliance with this Agreement. Licensee shall make a Licensee representative available to be present at any City inspection under this Section 6.9 on, at least, 48 hours' advance Notice from City; provided, however, the presence of a Licensee representative is not required for City to exercise its inspection rights under this Section 6.9.1.

6.9.2 Safety Management Systems Compliance. Licensee agrees that it will timely comply with, and respond to: (1) City's requirement that Licensee conduct regular (and other as-needed) Safety Management Systems-related inspections of the License Area that may be required of City by the FAA, and that Licensee will compile and report said information in a form acceptable to the FAA and CITY; (2) all City requests for Safety Management Systems-related information; and (3) and all other Safety Management Systems-related requests made by CITY in its effort to implement a system-wide SMS and maintain a Safety Management Systems Manual for the City's airport system or a part thereof. All information, reports, and documents provided

by License to City pursuant to this Section 6.9.2 shall be verified by Licensee to be accurate and shall be provided without cost to City.

6.10 Utilities. Licensee shall not install any utilities such as gas, electricity, water/sewer, telephone/telegraph, etc. without the prior written approval of the City and without having first obtained all required permits and any other action/document, from the applicable City department(s) or outside agency(ies). If the License Area is a hangar, City may, but is not required to, provide the License Area with electrical service.

6.11 Superior Interests. This Agreement is subject to all liens, encumbrances, covenants, conditions, restrictions, reservations, contracts, leases, licenses, permits, easements, or rights-of-way pertaining to the Property existing as of the Effective Date, whether or not of record. Licensee shall obtain all licenses, permits, or agreements required from Third Persons holding a superior interest to allow the Permitted Use on the License Area in compliance with all such superior interests. If the Permitted Use is or becomes inconsistent or incompatible with a preexisting, superior interest, Licensee shall take all action and pay all costs and expenses necessary to remove such inconsistency or incompatibility to the satisfaction of the holder of the superior interest.

6.12 Vehicular Traffic. All vehicular traffic shall be confined to concrete, asphalt or decomposed aggregate surfaces unless otherwise approved in writing by City, in City's sole and absolute discretion, prior to the commencement of the Permitted Use.

6.13 Limitation on Construction. Licensee shall not perform any construction on or related to the License Area that is not restoration, repair, or maintenance required to be performed by Licensee under this Agreement.

6.14 Contractors. Licensee shall provide City with a list of all contractors and subcontractors that will perform any part of the Permitted Use, including name, address, email, fax, and phone number. All work requiring a licensed contractor under the State Contractors' State License Law (State Business & Professions Code sections 7000-7191) shall be done by contractors licensed by the State.

6.15 Unauthorized Use Charge. Licensee shall pay City one hundred (100%) of the Gross Revenue, without any deduction, credit, or set-off, from any use of the License Area that is not a Permitted Use within thirty (30) days after Licensee receives such revenue. Nothing in this Section 6.15 or City's acceptance of any payment under this Section 6.15 is intended to authorize any use of the License Area that is not a Permitted Use, waive Licensee's Default for conducting or allowing such use, or waive any City right or remedy under this Agreement.

7. **MAINTENANCE**.

7.1 Obligation to Maintain. Licensee shall keep and maintain the License Area in good order, condition, and repair, in accordance with the Maintenance Standard, subject to reasonable wear and tear and any other condition this Agreement expressly does not require Licensee to repair or restore. Licensee's obligation to maintain the License Area includes an obligation to make all repairs that the License Area may require under applicable Law. City has no obligation to maintain or repair the License Area. Licensee will maintain and preserve the License Area in a decent, safe, healthy, and sanitary condition satisfactory to City and in compliance with all applicable laws.

7.2 Maintenance Standard. Licensee's obligation to maintain the License Area under Section 7.1 includes maintenance, repair, reconstruction, and replacement of all, signage, ornamentation, and all other improvements on or to the License Area, now existing or made in the future, as necessary to maintain the appearance, character and level of quality of the License Area. Licensee's obligation to maintain the License Area described in the immediately preceding sentence shall include: (a) maintaining the surfaces of the License Area in an evenly covered condition with the type of surfacing material originally installed or such substitute as shall in all respects be equal in quality, use, and durability; (b) removing all papers, mud, sand, debris, filth, and refuse and thoroughly sweeping areas to the extent reasonably necessary to keep such areas in a clean and orderly condition; (c) removing or covering graffiti in accordance with Section 7.4; (d) placing, keeping in repair and replacing all necessary and appropriate directional signs, markers, and lines; (e) operating, keeping in repair, and replacing where necessary, such artificial lighting facilities as shall be reasonably required; and (f) taking all reasonably appropriate measures to ensure the safety of Persons using the License Area, all at the sole cost and expense of Licensee. Licensee's obligation to maintain the License Area described in the two immediately preceding sentences is, collectively, referred to in this Agreement as the "**Maintenance Standard**."

7.3 Maintenance Default. If an adverse condition occurs on the License Area in contravention of the Maintenance Standard (each such occurrence being a "**Maintenance Deficiency**"), then City may Notify Licensee of the Maintenance Deficiency. If Licensee fails to cure or commence and diligently pursue to cure the Maintenance Deficiency within thirty (30) days following Licensee's receipt of Notice of the Maintenance Deficiency, City shall have the right (but no obligation) to enter the License Area following five (5) days advance Notice and perform all acts necessary to cure the Maintenance Deficiency or to take any other action at law or in equity that may then be available to City to accomplish the abatement of the Maintenance Deficiency. Any amount of money expended by City for the cure or abatement of a Maintenance Deficiency under this Section 7.3 shall be reimbursed to City by Licensee within thirty (30) days after Notice to Licensee of the amount. Any amount of money expended by City for the cure or abatement of a Maintenance Deficiency under this Section 7.3 that is not reimbursed to City by Licensee within thirty (30) days after Notice to Licensee of such amount shall accrue Default Interest until paid in full.

7.4 Graffiti. Graffiti, as defined in Government Code section 38772, applied to any exterior surface on the License Area and visible from outside the License Area shall be removed by Licensee by either painting over the evidence of such vandalism with a paint color-matched to the surface on which the paint is applied or removed with solvents, detergents, or water, as appropriate. Notwithstanding Section 7.3, if any such graffiti is not removed within seventy-two (72) hours after the time Licensee discovers or receives Notice of the graffiti or, in the case of graffiti that cannot reasonably be removed within seventy-two (72) hours after the time Licensee discovers or receives Notice of the graffiti, whichever is earlier, if Licensee does not duly commence and diligently complete such cure within a reasonable time under the circumstances, then after Notice to Licensee, City shall have the right (but no obligation) to enter the License Area and remove the graffiti. Any amount of money expended by City for removal of graffiti from the License Area under this Section 7.4 shall be reimbursed to City by Licensee, within thirty (30) days after Notice to Licensee of such amount. Any amount of money expended by City for removal of graffiti under this Section 7.4 not reimbursed to City by Licensee within thirty (30) days after Notice to Licensee of such amount shall accrue Default Interest until paid in full.

8. **PREVAILING WAGE LAWS**. On the Effective Date, no public funds are provided by City or any other Person to Licensee relating to Licensee's use of the License Area. If Licensee obtains any public funds after the Effective Date from City or another Person relating to Licensee's use of the License Area, Licensee shall comply with Prevailing Wage Laws in performing all restoration, repair, or maintenance required to be performed by Licensee under this Agreement.

9. **LICENSEE INSURANCE**. Licensee shall maintain, to protect the City Parties against all insurable Claims arising from or relating to this Agreement, the License Area, or the Permitted Use, at the sole cost and expense of Licensee, all the insurance coverage required in **EXHIBIT B** attached to this Agreement.

10. **WASTE OR DAMAGE**. Licensee shall immediately Notify City of any waste, casualty, or damage to the License Area or other areas of the Property of which Licensee becomes aware. Licensee shall not commit, or allow to be committed, any waste, casualty, or damage to property or injury to person on or around the License Area or other parts of the Property. If waste, casualty, or damage to the Property arises from the Permitted Use, action by a Licensee Party, or failure to act by a Licensee Party that had a duty to act, at City's election, in City's sole and absolute discretion, Licensee shall make, or cause to be made, full repair of the waste, casualty, or damage and restore the Property to its condition existing immediately prior to the waste, casualty, or damage. Licensee shall commence preliminary steps toward restoration of the Property as soon as practicable, but no later than thirty (30) days after the date the waste, casualty, or damage occurs. Licensee shall complete all required repairs or restoration within ninety (90) days after the date the waste, casualty, or damage occurs. Licensee must obtain all Approvals required for repair or restoration of all waste, casualty, or damage to the Property. Following the occurrence of any casualty that materially restricts use of the License Area or access to the License Area for the Permitted Use for more than one hundred eighty (180) days, City or Licensee may terminate this Agreement by seven (7) days' Notice to the other Party. This Section 10 shall survive the Termination Date.

11. **ENVIRONMENTAL CONDITIONS**. Licensee shall not cause or permit any Environmental Condition. If Licensee discovers or becomes aware of an Environmental Condition, Licensee shall Notify City of such Environmental Condition as soon as possible, but in all cases within twenty-four (24) hours following the Licensee becoming aware of such Environmental Condition.

11.1 Remediation. If an Environmental Condition occurs, Licensee shall remediate the Environmental Condition in accordance with Law to allow all uses of the Property permitted by Law immediately before the Environmental Condition is discovered, at Licensee's sole cost and expense. If Licensee knows or has reasonable cause to believe that an Environmental Condition is an imminent danger to public health and safety, Licensee shall take all actions necessary to alleviate the imminent danger, at Licensee's sole cost and expense.

11.2 Removal. If a Licensee Party stores, utilizes, generates, or otherwise brings Hazardous Substances onto the Property in accordance with Law, Licensee shall remove all such Hazardous Substances from the Property prior to the Termination Date and provide City with documentation demonstrating the legal removal and disposal of the Hazardous Substances. Licensee shall be responsible for all costs incurred by City to remove or dispose of any Hazardous Substances not removed from the Property by Licensee in accordance with this Section 8.2.

11.3 Reports. Licensee shall deliver a written report describing the circumstances of each Environmental Condition in reasonable detail to City within three (3) days after Notifying City of the Environmental Condition. Licensee shall also submit all required reports relating to the Environmental Condition to other Governments as required by Law.

11.4 Environmental Assessment. Upon reasonable cause to believe that an Environmental Condition has occurred, City may cause an environmental assessment of the Property to be performed by a professional environmental consultant registered with the State as a Professional Engineer, Certified Engineering Geologist, or Registered Civil Engineer. The environmental assessment shall be performed at Licensee's sole cost and expense. Licensee shall reimburse City for all costs and expenses reasonably incurred by City in performing the environmental assessment within fifteen (15) days after Notice to Licensee of the amount of such costs and expenses. Any amount reimbursable to City by Licensee under this Section 11.4 that is not paid within fifteen (15) days after Notice to Licensee of such amount, shall accrue Default Interest until paid.

12. **COMPLIANCE WITH LAW**.

12.1 General. The Permitted Use shall comply with all Laws, at Licensee's sole cost and expense. Licensee shall comply with all notices, orders, directives, or the like issued by City or any other Government under the authority of current or future Law.

12.2 Compliance with City Standard Contract Provisions. In entering the License Area or performing the Permitted Use under this Agreement, Licensee shall comply with all City standard contract provisions set forth in **EXHIBIT D** attached to this Agreement.

13. **INDEMNIFICATION**.

13.1 Licensee Indemnity Obligations. In addition to Licensee's obligations to Indemnify the City Parties under other provisions of this Agreement, Licensee shall Indemnify the City Parties against all Claims arising from: (a) Licensee's use of the License Area; (b) this Agreement; (c) personal injury (including death) or property damage (to property of Licensee or any other Person) occurring on the License Area or adjoining real property; (d) personal injury (including death) or property damage resulting from Licensee's use of the License Area; (e) a wrongful intentional act or negligence of one or more of the Licensee Parties; (f) strict liability relating to Licensee's use of the License Area; (g) all applications for Approvals made by or on behalf of one or more Licensee Parties; (h) all agreements that one or more Licensee Parties makes with a Third Person regarding this Agreement or the License Area; (i) services, labor, material, or equipment supplied to, for, on behalf of, or at the request of one or more Licensee Parties; (i) a workers' compensation claim by one or more employees or contractors of one or more Licensee Parties; (j) all Prevailing Wage Determinations, except to the extent prohibited by Law. including State Labor Code sections 1773.3 or 1781; or (j) an Environmental Condition occurring on or after the Effective Date. Notwithstanding anything to the contrary in this Agreement, Licensee's obligations to Indemnify the City Parties excludes Claims arising solely from the established active negligence or willful misconduct of a City Party.

13.2 Independence of Insurance and Indemnity Obligations. Licensee's obligations to Indemnify the City Parties under this Agreement shall not be construed or interpreted as in any way restricting, limiting, or modifying Licensee's insurance or other obligations under this

Agreement. Licensee's obligations to Indemnify the City Parties under this Agreement are independent of Licensee's insurance and other obligations under this Agreement. Licensee's compliance with its insurance obligations and other obligations under this Agreement shall not in any way restrict, limit, or modify Licensee's obligations to Indemnify the City Parties under this Agreement and are independent of Licensee's obligations to Indemnify the City Parties and other obligations under this Agreement.

13.3 Survival of Indemnification Obligations. Licensee's obligations to Indemnify the City Parties under this Agreement shall survive the Termination Date, until all actual or prospective Claims subject to Licensee's obligations to Indemnify the City Parties under this Agreement are fully, finally, absolutely, and completely barred by applicable statutes of limitations.

13.4 Indemnification Procedures. Wherever this Agreement requires Licensee to Indemnify the City Parties:

13.4.1 *Notice*. The affected City Parties shall Notify Licensee of the Claim within a reasonable time.

13.4.2 *Selection of Counsel*. Licensee shall select counsel reasonably acceptable to City's City Council. Even though Licensee shall defend the Claim, the affected City Parties may, at their respective options, engage separate legal counsel, at Licensee's expense, to advise them regarding the Claim and their defense. The affected City Parties' separate legal counsel(s) may attend all proceedings and meetings. Licensee's legal counsel shall actively consult with the City Parties' separate legal counsel, subject to applicable conflict of interest and privileged communication limitations.

13.4.3 *Cooperation*. The affected City Parties shall reasonably cooperate with Licensee's defense of the City Parties.

13.4.4 *Settlement*. Licensee may only settle a Claim with the prior written consent of the affected City Parties, in their respective sole and absolute discretion.

13.5 Immediate Duty to Defend. The duty to defend that is within Licensee's obligations to Indemnify the City Parties under this Agreement includes Claims for which the City Parties may be liable without fault or strictly liable and applies regardless of whether the issues of negligence, liability, fault, default, or other obligation on the part of Licensee or the City Parties have been determined. The duty to defend applies immediately, regardless of whether the City Parties have paid any sums or incurred any detriment arising out of or relating (directly or indirectly) to any Claims. It is the express intention of the Parties that the City Parties be entitled to obtain summary adjudication or summary judgment regarding Licensee's duty to defend the City Parties at any stage of a Claim within the scope of Licensee's obligations to Indemnify the City Parties under this Agreement.

13.6 Savings Provision. Notwithstanding anything in this Agreement to the contrary, if the extent of Licensee's obligation to Indemnify the City Parties under this Agreement exceeds the indemnity obligation allowed by applicable Law, Licensee's obligation to Indemnify the City Parties shall be reduced to the extent required to comply with applicable Law.

14. **TAXES; POSSESSORY INTEREST TAX**. Licensee shall pay, before delinquency, all taxes, assessments, and fees assessed or levied upon Licensee, this Agreement, the Permitted Use, or the License Area. Licensee acknowledges and agrees that this Agreement may create a possessory interest in the Property subject to property taxation and that Licensee may be subject to payment of property taxes levied on such interest. Any such possessory interest tax imposed shall be solely a tax liability of Licensee and shall be paid before delinquency by Licensee. In addition, Licensee shall pay before delinquency all personal property taxes becoming due for equipment, fixtures, inventory, or other personal property of Licensee or any other Licensee Party installed, maintained, or present at or on the License Area. Licensee acknowledges and agrees that it shall bear all responsibility, liability, costs, and expenses connected in any way with any tax consequences experienced by Licensee related to this Agreement or the Permitted Use.

15. **END OF TERM**. Before the Termination Date, Licensee shall remove or cause the removal of all the personal property, including, but not limited to Aircraft, of the Licensee Parties from the License Area and place the License Area in a condition as close as possible to the condition of the License Area on the day before the Effective Date, reasonable wear and tear excepted. Without limiting the obligation of Licensee to remove all the personal property of the Licensee Parties from the License Area before the Termination Date, Licensee agrees that City may dispose of all personal property on the License Area after the Termination Date, at Licensee's sole cost and expense.

16. **HOLDOVER**. Any continued use of the License Area by Licensee or receipt or acceptance of License Fee payment(s) by City after the Termination Date shall not renew or extend the Term or this Agreement and all terms and conditions of this Agreement shall apply to such use except: (1) City may terminate this Agreement for any reason or no reason on seven (7) days' Notice to Licensee; and (2) the License Fee shall be 150% of the License Fee on the day immediately preceding the Termination Date.

17. **CITY CURE RIGHT**. If Licensee fails to take any action this Agreement requires of Licensee, without waiving or releasing Licensee from any obligation, Default, or Event of Default and without waiving City's right to take such action as this Agreement may permit as a result of a Default or Event of Default, City may (but need not) take such action. Licensee shall reimburse City for all reasonable costs and expenses (including the costs of City staff time, administrative overhead, and Legal Costs) incurred by City in exercising its cure rights under this Section 17 within thirty (30) days after Notice to Licensee of such costs. All amounts reimbursable to City by Licensee under this Section 17 that are not paid within thirty (30) days after Notice to Licensee of the amount shall accrue Default Interest until paid. Nothing in this Section 17 is intended to modify or restrict any other right or remedy available to City under this Agreement or Law.

18. **REMEDIES**. After the occurrence of an Event of Default by the other Party, the non-defaulting Party shall be entitled to take any or all action authorized by this Agreement after the occurrence of an Event of Default by the other Party, including legal proceedings to enforce any or all contractual rights or remedies, or pursue any or all other remedies or damages relating to such Event of Default available to the non-defaulting Party at law or in equity.

19. **LEGAL ACTIONS**. Either Party may institute legal action, at law or in equity, to enforce or interpret the rights or obligations of the Parties under this Agreement or recover damages.

20. **CUMULATIVE RIGHTS AND REMEDIES**. The rights and remedies of the Parties under this Agreement are cumulative with all other rights or remedies of the Parties under this Agreement, at law, or in equity. The exercise by either Party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or a different time, of any other right or remedy for the same Default or Event of Default by the other Party or the same right or remedy for any other Default or Event of Default by the other Party.

21. **LEGAL CHALLENGE OR CHANGE IN LAW**. If a lawsuit is filed against City or Licensee to prevent or prohibit the Permitted Use on the License Area, or a subsequent change in Law prohibits the Permitted Use on the License Area, either Party shall have the right to terminate this Agreement, in its respective sole and absolute discretion, on thirty (30) days' Notice to the other Party.

22. **CITY'S RESERVATION OF RIGHTS**.

22.1 Government Action. By entering into this Agreement, neither City nor the City Council is obligating itself or any other Government regarding any discretionary action relating to the development, occupancy, use, or maintenance of the License Area, including re-zonings, variances, environmental clearances, or any Approval required to conduct the Permitted Use.

22.2 Resources. City reserves all right, title, and interest in all natural resources relating to the Property, including subsurface natural gas, oil, minerals, and water, on or within the Property.

23. **EMINENT DOMAIN**. If all or part of the License Area or any other part of the Property is taken through eminent domain proceedings or under threat of the exercise of the power of eminent domain by any Government with the power of eminent domain, the interests of City and Licensee shall be as follows:

23.1 Full Taking. If all or substantially all the Property is taken, this Agreement shall terminate on the date of the transfer of title or possession of the Property to the condemning Government, whichever first occurs.

23.2 Partial Taking - Remainder Unusable. If a partial taking of the Property occurs that affects the License Area and, in City's sole and absolute discretion, the remaining part of the License Area is unsuitable for the Permitted Use, this Agreement shall terminate on the date of the transfer of title or possession of the part of the Property taken to the condemning Government, whichever first occurs.

23.3 Partial Taking - Remainder Usable. If a partial taking of the Property occurs that affects the License Area and, in City's sole and absolute discretion, the unaffected part of the License Area is suitable for the Permitted Use, this Agreement shall terminate regarding the part of the Property taken on the date of the transfer of title or possession the part of the Property taken to the condemning Government, whichever first occurs, but shall continue for the part of the Property not taken that is subject to this Agreement.

23.4 Award. Notwithstanding anything to the contrary in this Agreement, in all eminent domain proceedings, settlements, agreements, or other means by which a Government taking of the Property by exercise or threat of exercise of the power of eminent domain is pursued or resolved, all money paid or awarded in such process shall be the sole property of City.

23.5 City Transfer. City may transfer its title or interest in the Property in lieu of eminent domain proceedings to any Government entitled to exercise the power of eminent domain over the Property.

23.6 No Inverse Condemnation. City's exercise of any right or power under this Agreement shall not be interpreted as an exercise of the power of eminent domain and shall not impose any liability upon City for inverse condemnation.

24. **NO DISCRIMINATION OR SEGREGATION**. Licensee covenants by and for itself, himself or herself, its, his or her heirs, executors, administrators, and assigns, and all Persons claiming under or through it, him or her, that neither Licensee nor any Person claiming under or through Licensee shall establish or allow any discrimination against or segregation of any Person or group of Persons on account of race, color, religion, gender, gender expression, gender identity, disability, sexual orientation, marital status, national origin, ancestry, familial status, or source of income in the use of the License Area.

25. **NOTICES**. All Notices submitted by a Party to the other Party under or as required by this Agreement shall be sent by messenger for immediate personal delivery, nationally recognized overnight (one Business Day) delivery service (i.e., United Parcel Service, Federal Express, etc.), or registered or certified first-class mail, postage prepaid, return receipt requested through the United States Postal Service, to the address of the recipient Party designated below in this Section 23. Notices may be sent in the same manner to such other addresses as either Party may from time to time designate by Notice in accordance with this Section 23. Notice shall be considered received by the addressee, regardless of whether or when any return receipt is received by the sender or the date set forth on such return receipt, on the day the Notice is sent by messenger for immediate personal delivery, one (1) Business Day after delivery to a nationally recognized overnight delivery service, or three (3) days after the Notice is deposited with the United States Postal Service in accordance with this Section 23. Any attorney representing a Party may give any Notice on behalf of such Party. The Notice addresses for the Parties, as of the Effective Date, are as follows:

Unless otherwise specified, all references to time periods in this Agreement measured in days shall be to consecutive calendar days, all references to time periods in this Agreement measured in months shall be to consecutive calendar months, and all references to time periods in this Agreement measured in years shall be to consecutive

calendar years. Any reference to Business Days in this Agreement shall mean consecutive Business Days.

27. **INTERPRETATION PRINCIPLES**. No inference in favor of or against any Party shall be drawn from the fact that such Party drafted any part of this Agreement. The Parties participated substantially in the negotiation, drafting, and revision of this Agreement, with advice from legal and other counsel and advisers of their own selection. A word, term, or phrase defined in the singular in this Agreement may be used in the plural, and vice versa, all in accordance with ordinary principles of English grammar, which shall govern all language in this Agreement. The words "include" and "including" in this Agreement shall be construed to be followed by the words: "without limitation." Each collective noun in this Agreement shall be interpreted as if followed by the words "(or any part of it)," except where the context clearly requires otherwise. Every reference to a document, including this Agreement, refers to such document, as modified from time to time (excepting any modification violating this Agreement), and includes all exhibits, schedules, addenda, and riders to such document. Every reference to a law, statute, regulation, order, form, or similar Government requirement refers to each such requirement as amended, modified, renumbered, superseded, or succeeded, from time to time.

28. **GOVERNING LAW**. The procedural and substantive laws of the State shall govern the interpretation and enforcement of this Agreement, without application of conflicts of laws principles or statutes. The Parties acknowledge and agree that this Agreement is entered into, is to be fully performed in and relates to real property located in the County. All legal actions arising from this Agreement shall be filed in the Superior Court of the State in and for the County or in the United States District Court with jurisdiction in the County.

29. **PRIOR AGREEMENT TERMINATION**. As of the Effective Date, all leases, right-of-entry permits, use and occupancy permits, or other agreements between City and Licensee concerning the Permitted Use on the Property, other than this Agreement, are terminated, except as to any rents, fees, rights, or remedies accrued to either Party under those agreements prior to the Effective Date.

30. **RELATIONSHIP OF PARTIES**. The Parties each intend and agree that City and Licensee are independent contracting entities and do not intend by this Agreement to create any partnership, joint venture, or similar business arrangement, relationship, or association between them.

31. **WARRANTY AGAINST PAYMENT OF CONSIDERATION FOR AGREEMENT**. Licensee represents and warrants to City that: (a) Licensee has not employed or retained any Person to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees of Licensee; and (b) no gratuities, in the form of entertainment, gifts or otherwise have been or will be given by Licensee or any of Licensee's agents, employees, or representatives to any elected or appointed official or employee of City in an attempt to secure this Agreement or favorable terms or conditions for this Agreement. Breach of the representations or warranties in this Section 31 shall entitle City to terminate this Agreement immediately. Upon any termination of this Agreement under this Section 31, Licensee shall immediately repay to City all payments made to or on behalf of Licensee by City (if any) under this Agreement prior to the Termination Date.

32. **UNAVOIDABLE DELAY; EXTENSION OF TIME FOR PERFORMANCE**. Performance by either Party under this Agreement shall not be considered to be in Default, where any such Default is due to the occurrence of an Unavoidable Delay. Any Party claiming an Unavoidable Delay shall Notify the other Party: (a) within twenty (20) days after such Party knows of the Unavoidable Delay; and (b) within twenty (20) days after the Unavoidable Delay ceases to exist. To be effective, any Notice of an Unavoidable Delay must describe the Unavoidable Delay in reasonable detail. The Party claiming an extension of time to perform due to an Unavoidable Delay shall exercise commercially reasonable efforts to cure the condition causing the Unavoidable Delay, within a reasonable time. Notwithstanding anything to the contrary in this Agreement, no obligation of Licensee for payment of money under this Agreement may be delayed by the occurrence of an Unavoidable Delay, unless the delay in payment of money is due to an Unavoidable Delay that prevents or materially limits the ability to transfer funds by or between Federal or State chartered financial institutions.

33. **NO OTHER REPRESENTATIONS OR WARRANTIES**. Except as expressly set forth in this Agreement, no Party makes any representation or warranty material to this Agreement to the other Party.

34. **NO THIRD-PARTY BENEFICIARIES**. Nothing in this Agreement, express or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any Person other than the Parties and their respective permitted successors and assigns (if any), nor is anything in this Agreement intended to relieve or discharge any obligation of any Third Person to any Party or give any Third Person any right of subrogation or action over or against any Party.

35. **TIME OF THE ESSENCE**. As to the performance of any obligation under this Agreement of which time is a component, the performance of such obligation within the time specified is of the essence of this Agreement.

36. **WAIVERS AND AMENDMENTS**. Each waiver of a term, provision, covenant, condition, restriction, or agreement contained in this Agreement must be in writing and signed by the authorized representative(s) of the Party making the waiver. Failure to insist on strict compliance with a term, provision, covenant, condition, restriction, or agreement contained in this Agreement at any time or times shall not constitute a waiver of such term, provision, covenant, condition, restriction, or agreement at any other time, nor shall any waiver or relinquishment of any right or power under this Agreement at any time or times constitute a waiver or relinquishment of such right or power at any other time. Each amendment to this Agreement must be in writing and signed by the authorized representative(s) of both City and Licensee.

37. **ACCESSIBILITY ASSESSMENT**. City discloses to Licensee that the Property has not been inspected by a Certified Access Specialist (CASp). City further states:

> A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the Licensee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the Licensee or tenant, if requested by the Licensee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp

inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

38. **SURVIVAL OF AGREEMENT**. All the provisions of this Agreement shall be applicable to any dispute between the Parties arising from this Agreement, whether prior to or after the Termination Date, until any such dispute is finally and completely resolved between the Parties, either by written settlement, entry of a non-appealable judgment, or expiration of all applicable statutory limitations periods, and all terms and conditions of this Agreement relating to dispute resolution and remedies shall survive the Termination Date.

39. **INTEGRATION**. This Agreement includes a Summary immediately preceding the first page of this Agreement, then twenty-four (24) pages, and finally five (5) exhibits (one of which, **EXHIBIT A**, is attached to the Summary). The Summary and exhibits are each incorporated into this Agreement by reference constituting the entire understanding and agreement of the Parties regarding the subject matter of this Agreement and supersedes all previous negotiations or agreements between the Parties relating to the subject matter of this Agreement.

40. **TITLES AND HEADINGS FOR REFERENCE ONLY**. The titles and headings of the articles, paragraphs, or sections of this Agreement are for convenience of reference only, are not to be considered a part of this Agreement, and shall not in any way interpret, modify, or restrict the meaning of any term, provision, covenant, condition, restriction, reservation, or agreement in this Agreement.

41. **SEVERABILITY**. If a term, provision, covenant, condition, restriction, or agreement contained in this Agreement or its application to any Person or circumstance shall to any extent be invalid or unenforceable, then the remainder of this Agreement, or the application of such a term, provision, covenant, condition, restriction, or agreement to Persons or circumstances other than those as to which the term or provision is invalid or unenforceable, shall not be affected by such invalidity. All remaining terms, provisions, covenants, conditions, restrictions, or agreements contained in this Agreement shall be valid and enforced to the fullest extent Law allows.

42. **COUNTERPARTS**. This Agreement may be signed in multiple counterpart originals, each of which shall be considered an original, and all of which shall constitute one and the same agreement.

43. **ELECTRONIC SIGNATURES**. The Parties agree: (a) to deliver and accept signatures on or under this Agreement by e-mail or electronic means (including digital signatures); and (b) that signatures delivered by e-mail or electronic means (including digital signatures) shall be binding as originals upon the Party so signing and delivering.

INSURANCE REQUIREMENTS

1. **Required Insurance Coverage**. Licensee shall maintain all the following insurance policies:

1.1 Comprehensive General Liability**.** General Liability (GL) Insurance written on an ISO Occurrence form CG 00 01 07 98 or an equivalent form providing coverage at least as broad which shall cover liability arising from any and all personal injury or property damage in the amount of One Million Dollars ($1,000,000) per occurrence including One Hundred Thousand Dollars ($100,000) for bodily injury to any person. There shall be no endorsement or modification of the GL limiting the scope of coverage for either insured vs. insured claims or contractual liability. All defense costs shall be outside the limits of the policy.

1.2 Aircraft Liability Insurance. Combined Single Limit (CSL) Aircraft Liability Insurance, General Aircraft Operation Liability, in an amount not less than One Million Dollars ($1,000,000) combined, sub-limited to One Hundred Thousand Dollars ($100,000) for bodily injury to any passenger.

1.3 Causes of Loss - Special Form Property Insurance. Licensee shall obtain and maintain, at its sole cost, Causes of Loss - Special Form Property Insurance on all of Licensee's insurable property related to the Allowed Uses of the Premises under this Lease or the Premises in an amount to cover 100 percent (100%) of the replacement cost. Licensee shall deliver a certificate of said insurance to City's Department of Economic Development.

2.2 Deductibles**.**

All deductibles on any policy shall be the responsibility of Licensee and shall be disclosed to City at the time the evidence of insurance is provided.

2.3 Acceptability of Insurers**.**

2.3.1 All insurance required by the Lease shall only be carried by insurance companies with a rating of at least "A-, VI" by A.M. Best Company, that are authorized by the California Insurance Commissioner to do business in the State of California, and that have been approved by City.

2.3.2 City will accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of California and is included on the List of Eligible Surplus Lines Insurers (LESLI list). All policies of insurance carried by non-admitted carriers are subject to all of the requirements for policies of insurance provided by admitted carriers described herein.

2.4 Required Endorsements. The following endorsements to the policies of insurance are required to be provided to City before any operations are initiated under the Lease.

2.4.1 Comprehensive General Liability Insurance Endorsements

ADDITIONAL INSURED**.** To the fullest extent allowed by law including but not limited to California Insurance Code Section 11580.04, the policy or policies must be endorsed to include as an Additional Insured City of San Diego and its respective elected officials, officers, employees, agents and representatives with respect to liability arising out of (a) ongoing operations performed by you or on your behalf, (b) your products, (c) your work, including but not limited to your completed operations performed by you or on your behalf, or (d) premises owned, leased, controlled or used by you.

PRIMARY AND NON-CONTRIBUTORY COVERAGE**.** The policy or policies must be endorsed to provide that the insurance afforded by the Comprehensive General Liability policy or policies is primary to any insurance or self-insurance of City of San Diego and its elected officials, officers, employees, agents and representatives as respects operations of the Named Insured. Any insurance maintained by City of San Diego and its elected officials, officers, employees, agents and representatives shall be in excess of Licensee's insurance and shall not contribute to it.

2.5 Reservation of Rights**.** City reserves the right, from time to time, to review Licensee's insurance coverage, limits, deductibles and self-insured retentions to determine if they are acceptable to City.

2.6 Additional Insurance. Licensee may obtain additional insurance not required by the Lease.

2.7 Excess Insurance**.** All policies providing excess coverage to City shall follow the form of the primary policy or policies including but not limited to all endorsements.

1.1.

2. **Nature of Insurance**. The contents of this **EXHIBIT B** are sometimes referred to as the "**Insurance Requirements**." All Liability Insurance, Property Insurance, and Aircraft Liability Insurance policies required by these Insurance Requirements shall be issued by carriers that: (a) are listed in the then current "Best's Key Rating Guide—Property/Casualty—United States & Canada" publication (or its equivalent, if such publication ceases to be published) with a minimum financial strength rating of "A-" and a minimum financial size category of "VII" (exception may be made for the State Compensation Insurance Fund when not specifically rated); and (b) are authorized to do business in the State by the State Department of Insurance. Licensee may provide any insurance under a "blanket" or "umbrella" insurance policy, provided that: (i) such policy or a certificate of such policy shall specify the amount(s) of the total insurance allocated to the License Area, which amount(s) shall equal or exceed the amount(s) required by these Insurance Requirements; and (ii) such policy otherwise complies with the requirements of these Insurance Requirements.

3. **Policy Requirements and Endorsements**. All insurance policies required by these Insurance Requirements shall contain (by endorsement or otherwise) the following provisions:

   3.1. *Insured*. Liability Insurance and Contractors Pollution Liability Insurance policies shall name the City Parties as "additional insured." The coverage afforded to the City Parties

shall be at least as broad as that afforded to Licensee regarding the License Area and may not contain any terms, conditions, exclusions, or limitations applicable to the City Parties that do not apply to Licensee.

3.2. *Primary Coverage*. All insurance coverage maintained by Licensee shall be primary to all insurance or self-insurance maintained by the City Parties and all insurance or self-insurance maintained by the City Parties shall be excess of all insurance maintained by Licensee and shall not contribute with any insurance maintained by Licensee.

3.3. *Contractual Liability*. Liability Insurance and Contractors Pollution Liability Insurance policies shall contain contractual liability coverage for Licensee's Indemnity obligations under this Agreement. Licensee's maintaining or failing to maintain such contractual liability coverage shall not relieve Licensee from nor satisfy any Indemnity obligation of Licensee under this Agreement.

3.4. *Deliveries to City*. Evidence of Licensee's maintenance of all insurance policies required by these Insurance Requirements shall be delivered to City before the Effective Date. No later than ten (10) days before any insurance required by these Insurance Requirements expires, is cancelled or its liability limits are reduced or exhausted, Licensee shall deliver to City evidence of Licensee's maintenance of all insurance required by these Insurance Requirements. Each insurance policy required by these Insurance Requirements shall be endorsed to state that coverage shall not be cancelled, suspended, voided, reduced in coverage or in limits, except after thirty (30) days' advance Notice of such action to City. Phrases such as "endeavor to" and "but failure to mail such notice shall impose no obligation or liability of any kind upon the company" shall not be included in the cancellation wording of any certificates or policies of insurance applicable to the City Parties under these Insurance Requirements.

3.5. *Waiver of Certain Claims*. Licensee shall cause each insurance carrier providing any Liability Insurance, Worker's Compensation Insurance, or Automobile Liability Insurance coverage under these Insurance Requirements to endorse their applicable policy(ies) with a Waiver of Subrogation (defined below) with respect to the City Parties, if not originally in the policy. To the extent Licensee obtains an insurance policy covering both the Licensee Parties and the City Parties and containing a Waiver of Subrogation, the Parties release each other from any Claims for damage to any Person or property to the extent such Claims are paid by the insurance carrier under such insurance policy. "**Waiver of Subrogation**" means and refers to a provision in, or endorsement to, any insurance policy, under which the carrier agrees to waive rights of recovery by way of subrogation against the City Parties for any loss such insurance policy covers.

3.6. *No Representation*. No Party makes any representation that the limits, scope, or forms of insurance coverage required by these Insurance Requirements are adequate or sufficient.

3.7. *No Claims Made Coverage*. None of the insurance coverage required by these Insurance Requirements, except Contractors Pollution Liability Insurance, may be written on a claims-made basis.

3.8. *Fully Paid and Non-Assessable*. All insurance maintained by Licensee in satisfaction of these Insurance Requirements shall be fully paid for and non-assessable.

3.9. *Separation of Insured*. All Liability Insurance, Contractors Pollution Liability Insurance, and Automobile Liability Insurance shall provide for separation of insured for Licensee and the City Parties. Insurance policies obtained in satisfaction of these Insurance Requirements may provide a cross-suits exclusion for suits between named insured Persons but shall not exclude suits between named insured Persons and additional insured Persons.

3.10. *Deductibles and Self-Insured Retentions*. All deductibles or self-insured retentions under insurance policies issued in satisfaction of these Insurance Requirements shall be declared to and approved by City. Licensee shall pay all such deductibles or self-insured retentions regarding the City Parties. Each insurance policy issued in satisfaction of these Insurance Requirements shall provide that, to the extent Licensee fails to pay all or any portion of a self-insured retention under such policy in reference to an otherwise insured loss, City may pay the unpaid portion of such self-insured retention, in City's sole and absolute discretion. All amounts paid by City toward self-insured retentions regarding insurance policies covering the City Parties under these Insurance Requirements shall be reimbursed to City by Licensee in the same manner that insurance costs are reimbursable to City from Licensee under Section 5 of these Insurance Requirements.

3.11. *No Separate Insurance*. Licensee shall not carry separate or additional insurance coverage concurrent in form or contributing in the event of loss with insurance coverage required by these Insurance Requirements unless the City Parties are made additional insured under such insurance coverage.

4. **Insurance Independent of Indemnification**. These Insurance Requirements are independent of the Parties' Indemnification and other obligations under this Agreement and shall not be construed or interpreted in any way to satisfy, restrict, limit or modify the Parties' Indemnification or other obligations or to limit the Parties' liability under this Agreement, whether within, outside or in excess of such coverage, and regardless of solvency or insolvency of the insurer issuing the coverage, nor shall the provision of such insurance preclude City from taking such other actions as are available to City under any other provision of this Agreement or otherwise at law or in equity.

5. **City Option to Obtain** Coverage. During the continuance of an Event of Default arising from the failure of Licensee to maintain any insurance coverage required by these Insurance Requirements, City may, in City's sole and absolute discretion, purchase such required insurance coverage. City shall be entitled to immediate payment from Licensee of all premiums and associated reasonable costs paid by City to obtain such insurance coverage. Each amount becoming due and payable to City under this Section 5 that is not paid within fifteen (15) days after Notice from City with an explanation of the amounts owed, will accrue Default Interest from the date incurred until paid. Election by City to purchase or not to purchase insurance coverage otherwise required by these Insurance Requirements to be carried by Licensee shall not relieve Licensee of any Default or Event of Default or Licensee's obligation to maintain all insurance coverage required by these Insurance Requirements.

Licensee shall certify in writing that it will comply with the requirements of the Equal Pay Ordinance. The Equal Pay Ordinance applies to any subcontractor who performs work on behalf of Licensee to the same extent as it would apply to Licensee. Licensee shall require all its subcontractors to certify compliance with the Equal Pay Ordinance in written subcontracts.

1.4. Product Endorsement. Licensee shall comply with Council Policy 000-41 concerning product endorsement requiring that any advertisement referring to City as a user of a good or service must have the prior written approval of the Mayor.

1.5. Business Tax Certificate. Unless City's City Treasurer determines in writing that Licensee is exempt from the payment of business tax, Licensee is required to obtain a City business tax certificate and provide a copy of such certificate to City before commencing the Permitted Use.

PREVAILING WAGE REQUIREMENTS

1. **PREVAILING WAGES**. Under San Diego Municipal Code section 22.3019, construction work performed or funded under this Agreement cumulatively exceeding $25,000 and alteration, demolition, repair and maintenance work performed, or funded under this Agreement cumulatively exceeding $15,000 is subject to the State prevailing wage law set forth in State Labor Code sections 1720 through 1862, and in undertaking any and all such work, Licensee and Licensee's contractors and subcontractors shall comply with State Labor Code sections 1720 through 1862 and the requirements set forth in this **EXHIBIT D** (collectively, "**Prevailing Wage Law**"). This requirement to comply with Prevailing Wage Law is in addition to any requirement to pay "living wage" under San Diego Municipal Code sections 22.4201 through 22.4245 ("**LWO**"). If both Prevailing Wage Law and the LWO are applicable to particular work, Licensee and Licensee's contractors and subcontractors must determine which per diem rate is highest for each classification of work between the applicable prevailing wage rate and living wage rate and pay the higher of the two rates to their employees. The LWO may apply to work that is not subject to Prevailing Wage Law.

1.1 Compliance with Prevailing Wage Requirements. Under Prevailing Wage Law, Licensee and Licensee's contractors and subcontractors shall all ensure that all workers who perform work that is subject to Prevailing Wage Law are paid not less than the prevailing rate of per diem wages, as determined by the Director of the California Department of Industrial Relations ("**DIR**"), including work performed during the design and preconstruction phases of construction, which encompasses, without limitation, inspection and land surveying work.

1.1.1 Copies of the prevailing rate of per diem wages are on file with City and are available for inspection to any interested party on request. Copies of the prevailing rate of per diem wages also may be found at http://www.dir.ca.gov/OPRL/DPreWageDetermination.htm. Licensee and Licensee's contractors and subcontractors shall all post a copy of the prevailing rate of per diem wages determination at each job site and shall make this information available to all interested Persons upon request. Licensee and Licensee's contractors and subcontractors shall all deliver evidence of the required job site posting to City, within five (5) days after such posting.

1.1.2 The wage rates determined by DIR refer to expiration dates. If the published wage rate does not refer to a predetermined wage rate to be paid after the expiration date, then the published rate of wage shall be in effect for the Term. If the published wage rate refers to a predetermined wage rate to become effective upon expiration of the published wage rate and the predetermined wage rate is on file with DIR, such predetermined wage rate shall become effective on the date following the expiration date of the previous wage rate and shall apply to this Agreement in the same manner as if it had been published. If the predetermined wage rate refers to one or more additional expiration dates with additional predetermined wage rates, which expiration dates occur during the Term, each successive predetermined wage rate shall apply to

this Agreement on the date following the expiration date of the previous wage rate. If the last of such predetermined wage rates expire during the Term, such wage rate shall apply to the balance of the Term.

1.2 Penalties for Violations. Licensee and Licensee's contractors and subcontractors shall all comply with State Labor Code section 1775, in the event a worker is paid less than the prevailing wage rate for the work or craft in which the worker is employed. Compliance with State Labor Code section 1775 shall be in addition to all other applicable penalties allowed under State Labor Code sections 1720-1861.

1.3 Payroll Records. Licensee and Licensee's contractors and subcontractors shall all comply with State Labor Code section 1776, which generally requires keeping accurate payroll records, verifying, and certifying payroll records, and making them available for inspection. Licensee and Licensee's contractors and subcontractors shall all comply with State Labor Code section 1776, including having provisions requiring such compliance in all contracts with subcontractors. Any requirement to submit certified payroll records to DIR shall include submitting certified payroll records to DIR through its online system for submission of certified payroll records, as required by DIR. Further, Licensee and Licensee's contractors and subcontractors shall all furnish the records specified in State Labor Code section 1776 directly to the State Labor Commissioner in the manner required in State Labor Code section 1771.4. Licensee is responsible for ensuring that Licensee's contractors and subcontractors submit certified payroll records to City, the State Labor Commissioner, and DIR.

1.4 Apprentices. Licensee and Licensee's contractors and subcontractors shall all comply with State Labor Code sections 1777.5, 1777.6 and 1777.7 concerning the employment and wages of apprentices. Licensee shall be held responsible for its compliance and the compliance of Licensee's contractors and subcontractors with State Labor Code sections 1777.5, 1777.6, and 1777.7.

1.5 Working Hours. Licensee and Licensee's contractors and subcontractors shall all comply with State Labor Code sections 1810 through 1815, including: (i) restricting working hours on public works contracts to eight hours a day and forty hours a week, unless all hours worked in excess of 8 hours per day are compensated at not less than 1½ times the basic rate of pay; and (ii) specifying penalties to be imposed on design professionals, contractors, and subcontractors of $25 per worker per day for each day the worker works more than 8 hours per day and 40 hours per week in violation of State Labor Code sections 1810 through 1815.

1.6 Required Provisions for Subcontracts. Licensee shall include, at a minimum, a copy of the following provisions in any contract it enters into with a contractor or subcontractor: State Labor Code sections 1771, 1771.1, 1775, 1776, 1777.5, 1810, 1813, 1815, 1860, and 1861.

1.7 Labor Code Section 1861 Certification. In accordance with State Labor Code section 3700, Licensee and Licensee's contractors and subcontractors are all required to secure the payment of compensation of their respective employees and by signing this Agreement or any contract or subcontract, respectively, Licensee and Licensee's contractors and subcontractors all certify that "I am aware of the provisions of section 3700 of the State Labor Code which require

every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract." Licensee shall include this certification in all contracts with each contractor or subcontractor.

1.8 Registration Requirements. All work is subject to compliance monitoring and enforcement by DIR. A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal subject to the requirements of State Public Contract Code section 4104 or engage in the performance of any contract for public work, as defined in Prevailing Wage Law, unless currently registered and qualified to perform the work under State Labor Code section 1725.5. In accordance with State Labor Code section 1771.1(a), "[i]t is not a violation of this section for an unregistered contractor to submit a bid that is authorized by section 7029.1 of the State Business and Professions Code or by section 10164 or 2103.5 of the State Public Contract Code, provided the contractor is registered to perform public work under section 1725.5 at the time the contract is awarded."

1.8.1 A contractor's inadvertent error in listing a subcontractor who is not registered under State Labor Code section 1725.5 in a response to a solicitation shall not be grounds for filing a bid protest or grounds for considering the bid non-responsive, provided that any of the following apply: (1) the subcontractor is registered prior to bid opening; (2) within twenty-four hours after the bid opening, the subcontractor is registered and has paid the penalty registration fee specified in State Labor Code section 1725.5; or (3) the subcontractor is replaced by another registered contractor under State Public Contract Code section 4107.

1.8.2 A contract entered into with any contractor or subcontractor in violation of State Labor Code section 1771.1(a) shall be subject to cancellation, provided that a contract for public work shall not be unlawful, void, or voidable solely due to the failure of the awarding body, contractor, or any subcontractor to comply with the requirements of State Labor Code section 1725.5.

1.8.3 By entering into this Agreement, Licensee is certifying that it has verified or will verify that all contractors and subcontractors used on work subject to Prevailing Wage Law are registered with DIR in compliance with State Labor Code sections 1771.1 and 1725.5 and shall provide proof of such registration to City.

1.9 Filing of Form PWC-100. Licensee shall timely file a PWC-100 Form (or other form required by DIR) with DIR, as and when required by Prevailing Wage Law, and concurrently deliver a copy of such filed form to City.

1.10 Filing of Notice of Completion. Licensee shall record a notice of completion in accordance with State Civil Code section 8182, et seq., with the Recorder for the County of San Diego, California, and concurrently deliver a copy of such recorded notice of completion to City.

PERMITTED USE

The License Area is licensed to Licensee solely for the purposes of storage of active, operational, registered and flyable Aircraft and Amateur-built or Kit-built Aircraft, owned by Licensee and identified in Paragraph III of the Summary. If the License Area is a hangar, Licensee may undertake the non-commercial construction of Amateur-built or Kit-built Aircraft.

The use of the Premises for any unauthorized purpose, including, but not limited to, storing an Aircraft other than the Aircraft identified in Paragraph III of the Summary, shall constitute an Event of Default that is a Primary Use Interference; provided that Licensee may store a non-airworthy Aircraft for a period (a) not greater than one hundred and eighty (180) consecutive days is prohibited, or (b) longer than one hundred and eighty (180) days if, and only if, Licensee demonstrates, to the City's reasonable satisfaction, that the Licensee is actively engaged in an effort to bring such non-airworthy Aircraft into an airworthy condition, and obtains the express written consent of the City to continue storage of such aircraft for an additional specified period of time in order to bring the aircraft into an airworthy condition (such period, the "Repair Period"). If Licensee stores a non-airworthy Aircraft in the License Area after the Repair Period expires, the City may, without further notice, cause or authorize the tow away, removal, or storage of any such non-airworthy aircraft or components thereof at Licensee's sole cost and expense.

The Permitted Use is further subject to the following provisions:

1. Any routine Aircraft maintenance performed on the License Area will be limited to "Non-commercial Maintenance" performed by the Licensee on only the Aircraft identified in Paragraph III of the Summary, as set forth in Federal Aviation Administration Circular No. 43-12A and FAR Part 43, Appendix A, paragraph (c), and the City of San Diego Airports Division Operations Policies and Procedures, Article 11, Hangar Use and Occupancy. Any use, storage, or disposal of materials which would be considered hazardous to the environment must be used, stored, or disposed of in accordance with relevant State, County, and local regulations, including, but not limited to, the Montgomery-Gibbs Executive Airport's Storm Water Pollution Prevention Plan. The License Area is subject to unannounced inspections by County Health Services, the San Diego Fire Department, and/or Airport Operations officials to ensure that these requirements are met.

2. Fueling of <u>any type</u> of Aircraft while located in a hangar is prohibited. Fueling of any Aircraft at the Property shall <u>only</u> be performed by a party qualified to fuel Aircraft at the Property.

3. Licensee may temporarily park Motor Vehicles within the confines of the License Area; as used in this sentence, "temporarily park" means the allowance of parking for pick-up/drop-offs and/or during the time Licensee is tending to or flying their Aircraft. In addition and

incidental to Aircraft storage, Licensee may temporarily store one operable, licensed (with current registration) vehicle for transporting the Aircraft pilot/passengers to and from the airport. In addition, and incidental to aircraft storage, if the License Area is a hangar, other Motor Vehicles may be stored within the License Area, so long as the primary use of the License Area is for the storage of Aircraft. Parking in Aircraft taxi lanes is prohibited. All operators of Motor Vehicles shall yield to all Operations of Aircraft.

4. Licensee shall be solely responsible for properly securing their Aircraft in the License Area.

5. If the License Area is a hangar, and the Licensee undertakes the non-commercial construction of Amateur-built or Kit-built Aircraft, Licensee shall show substantial and continual progress during said construction. The progress of said construction shall be subject to the reasonable satisfaction of City. Licensee shall submit a ninety (90) day progress plan upon a written notice from City for the completion of any Aircraft construction that is not to the City's reasonable satisfaction.
