Project Title: Second Amendment to Lease Agreement with Campland, LLC at 2211 Pacific Beach Drive, San Diego, 92109.

Project location: The project is located at 2211 Pacific Beach Drive, San Diego, 92109.

DESCRIPTION OF SUBSEQUENT ACTION: CITY COUNCIL APPROVAL of the proposed Second Amendment to the Percentage Lease between the City of San Diego ("City") and Campland, LLC ("Second Amendment") to extend the Lease term by 10 years, plus one five-year option to extend the term, for the City-owned real property located in Mission Bay Park at 2211 Pacific Beach Drive, San Diego, California 92109 ("Property"). The proposed Second Amendment will also update the rent, allow new uses, provide the City the ability to terminate the Lease for future wetland restoration projects, and require compliance with Council Policy 900-03.

The proposed Second Amendment to the Percentage Lease between the City and Campland, LLC has been reviewed for consistency with and is adequately addressed in the Final EIR for the Mission Bay Park Master Plan Update (Project No. 91-0898/SCH No. 993041010), which was certified by the San Diego City Council on August 2, 1994 by City Council Resolution R-284398, and the Final PEIR for the De Anza Natural Amendment to the Mission Bay Park Master Plan (SCH No. 2018061024), which was certified by the San Diego City Council on May 20, 2024 by City Council Resolution R-315535. Pursuant to Section 15162 of CEQA, there is no change in circumstance, additional information, or project changes to warrant additional environmental review.

Project Applicant: City of San Diego, Economic Development Department, Real Estate, 1200 Third Ave, Suite 1400. San Diego, CA 92101 Contact: Roswitha D. Sanchez, (619) 236-6721.

This is to advise that the City of San Diego City Council on July 22, 2025 approved the above described project and made the following determinations: **R-316361**

1. The activity in its approved form will not have significant effects on the environment beyond those identified in the Final Environmental Impact Report ("FEIR") for the Mission Bay Park Master Plan (MBPMP) Environmental Impact Report (EIR) (SCH 93041010), and the (MBPMP) - De Anza Natural Amendment Programmatic EIR (SCH No. 2018061024).

2. The environmental documents listed above were approved and certified by the City of San Diego City Council pursuant to the provisions of CEQA. Environmental staff from the Planning Department conducted an environmental review for the current action in accordance with CEQA Guidelines Section 15162 and determined that the proposed activity is covered by the

PROJECT NUMBER: N/A **STATE CLEARINGHOUSE NUMBER:** 2018061024

PROJECT TITLE: De Anza Natural Amendment to the Mission Bay Park Master Plan

PROJECT LOCATION: De Anza Cove is in the northeast corner of Mission Bay Park in the City of San Diego. The project area consists of approximately 314 acres of land and includes approximately 191.2 acres of open water for a total of approximately 505.2 acres. The project area is bounded to the east by Mission Bay Drive, the north by Grand Avenue (on the eastern portion of the project area) and Pacific Beach Drive (on the western portion), the west by Crown Point Drive, and the south by Mission Bay. The Rose Creek inlet bisects the project area into eastern and western portions.

The project area includes the Kendall-Frost Marsh Reserve/Northern Wildlife Preserve, Campland on the Bay, Pacific Beach Tennis Club, the McEvoy athletic fields, Mission Bay Golf Course and Practice Center, and the De Anza Cove area, including a vacated mobile home park and supporting infrastructure, Mission Bay RV Resort, passive-use park zones, public beach, parking, and water areas. The project area is located within the Coastal Overlay Zone. Additionally, Multi-Habitat Planning Area lands are located along a portion of Rose Creek within the project area.

DESCRIPTION OF ACTION: CITY COUNCIL APPROVAL AND ADOPTION of the De Anza Natural Amendment to the Mission Bay Park Master Plan (De Anza Natural). The De Anza Natural Amendment to the Mission Bay Park Master Plan (MBPMP) is a long-range vision for the redevelopment and enhancement of De Anza Cove and is part of the larger MBPMP policy framework that will guide development throughout Mission Bay Regional Park. De Anza Natural builds upon and implements the recommendations of the adopted MBPMP, as well as other Citywide guiding documents, including the Parks Master Plan, Climate Action Plan, Climate Resilient SD, Biodiverse SD, and the Multiple Species Conservation Plan. This collection of documents will assist in envisioning a future for De Anza Cove that provides recreational opportunities, preserves sensitive habitats and species, increases the City's resilience to the impacts of climate change, and honors the stewardship of the Kumeyaay people and their connection to the land from time immemorial.

The proposed amendment includes recommendations to establish a nature center and to serve local and regional recreation needs while preserving and enhancing the natural resources of the De Anza Cove area. De Anza Natural aims to expand the park's natural habitat and improve water quality through the creation of additional wetland habitats while implementing nature-based solutions to protect against the risk of climate change, in line with the Climate Resilient SD plan. The proposed amendment would enhance opportunities in the northeast corner of Mission Bay by providing a variety of uses, including low-cost visitor accommodations, active and passive recreational opportunities, and improved access to recreational uses. Finally, the proposed amendment provides opportunities to partner and collaborate with the Kumeyaay Nation on the planning and restoration of the area in a manner that recognizes their past and present
