The Premises included part of the roof of a City-owned building on which Licensee installed communications equipment. 3.1 Lease Termination and Premises Surrender. City and Licensee acknowledge and agree that on the Effective Date neither City nor Licensee have any further right or obligation under the Lease, except with respect to those covenants and obligations contained in the Lease accruing before the Effective Date or surviving Lease termination. City and Licensee further acknowledge and agree that all obligations of Licensee under the Lease that by their nature are to be performed after the expiration or termination of the Lease, including Licensee's removal of its communications equipment from the Premises and indemnification of the City Parties, shall continue in full force and effect on and after the Effective Date and nothing in this License

Agreement shall limit or eliminate any such obligations of Licensee to City. Licensee agrees to completely vacate and deliver possession of the Premises, under the terms and conditions of the Lease and the additional provisions of Section 3.2, to City on or before the Surrender Date.

3.2 Existing Communications Equipment Removal. Licensee previously installed certain wireless communications facilities on the Premises under the Lease. As a material term of this License Agreement and notwithstanding any provision of the Lease to the contrary, Licensee agrees to remove all of its wireless communications facilities, equipment, and property from the Premises and make certain repairs to the Premises, all as specifically described in **EXHIBIT J** attached to this License Agreement. If, for any reason, Licensee does not complete all of such removal and repair work on or before the Surrender Date, City shall have the right to terminate this License Agreement with thirty (30) days' Notice to Licensee, without liability to Licensee. Upon the expiration of such 30-day period, this License Agreement and the Term shall automatically and without any action by anyone terminate, expire, and come to an end, by the mere lapse of time, as fully and completely as if the expiration of such 30-day period were the expiration date of this License Agreement. The passage of such 30-day period constitutes the limit beyond which Licensee's right to use the License Area no longer exists. Upon such termination, Licensee shall vacate and surrender the License Area to City under Section 22, but remain liable as this License Agreement provides. It is a conditional limitation of this License Agreement that this License Agreement and the Term shall terminate and expire as set forth in this Section 3.2. This Section 3.2 is intended to establish a conditional limitation and not a condition subsequent. All personal property of Licensee remaining on the Premises on the Surrender Date shall be and become the sole property of City, at City's election, in City's sole and absolute discretion. Licensee further agrees to Indemnify City against all Claims relating to any personal property brought onto the Premises by any Licensee Party and remaining on the Premises on the Surrender Date and all costs of removing such personal property from the Premises.

4. LICENSES.

4.1 License Area. Subject to the terms, conditions, and agreements of this License Agreement, as of the Effective Date, City licenses, permits and authorizes Licensee to use the Non-Exclusive Use Area on a non-exclusive basis and the Exclusive Use Area on an exclusive basis, in each case solely for Licensee's Operations.

4.2 License Area Access. Subject to the terms, conditions, and agreements of this License Agreement, as of the Effective Date, City licenses, permits and authorizes Licensee to enter the Property on a non-exclusive basis to access the License Area.

4.3 Property's Primary Use. The primary use of the Property is as a City public park ("Primary Use"). The Primary Use is superior to any rights provided under this License Agreement. Licensee's Operations may not interfere with the Primary Use. Throughout the Term, subject to the terms and conditions of this License Agreement, the License Area shall have the secondary purpose of accommodating Licensee's Operations that do not interfere with the Primary Use, including any disruption of safe access to City facilities or adverse impact on the cost of maintaining City facilities; provided, however, that any construction, maintenance or repair activities conducted in compliance with this License Agreement shall not be deemed to cause such interference. If City determines that Licensee's Operations interfere with the Primary Use, City

shall Notify Licensee and Licensee shall have forty-eight (48) hours to eliminate the interference with the Primary Use. Licensee's failure to eliminate the interference with the Primary Use within these forty-eight (48) hours, will be a Licensee Event of Default and, in addition to exercising any other rights or remedies regarding such Event of Default, City may take all action required to eliminate the interference of Licensee's Operations with the Primary Use. If City performs work to eliminate the interference of Licensee's Operations with the Primary Use, Licensee shall reimburse City for all costs and expenses reasonably incurred by City in performing such work (including the costs of City's staff time, administrative overhead, and Legal Costs), within thirty (30) days after Notice to Licensee of such costs, which Notice shall include reasonable supporting documentation. Any amount reimbursable to City by Licensee under this Section 4.3 that is not paid within thirty (30) days after such Notice to Licensee of such amount, shall accrue Default Interest until paid.

4.4 Personal Rights. The licenses, permits, and authorizations provided by this License Agreement are personal to Licensee and Transfers are limited under Section 23.

4.5 No Limitation on Other City Use. Nothing contained in this License Agreement is intended to limit, restrict, or prohibit City from entering into future agreements with other Persons regarding use of the Property, as long as such other use does not materially interfere with Licensee's Operations on the License Area.

4.6 No Property Estate or Interest Conveyed. Notwithstanding any provision of this License Agreement to the contrary, City and Licensee do not intend to convey any estate or interest in real or personal property between them under this License Agreement and nothing in this License Agreement shall be construed or interpreted as a conveyance of any estate or interest in any real or personal property. If this License Agreement or any provision of this License Agreement is finally (after all appeals) construed or interpreted by a court of competent jurisdiction as conveying an estate or interest in real or personal property between City and Licensee, then the provisions of this License Agreement interpreted as conveying any estate or interest in real or personal property between City and Licensee shall automatically be null and void, without further action by or Notice to City or Licensee.

4.7 Noise. Licensee shall not use or permit the use of the License Area in any manner that creates or maintains any noise or sound violating San Diego Municipal Code ("SDMC") Chapter 5, Article 9.5.

4.8 No Nuisance. Licensee shall not create or allow a nuisance, as defined in California Civil Code section 3479, or a violation of Law on the License Area.

4.9 Continuous Operation. If Licensee's Communications Equipment is removed from the License Area or not operational for more than sixty (60) days, subject to extension for an Unavoidable Delay, City may, in its sole discretion, terminate this License Agreement immediately by Notice to Licensee.

4.10 Competent Management. Throughout the Term, Licensee shall provide competent management of Licensee's Operations to the reasonable satisfaction of City. For purposes of this Section 4.10, "competent management" means demonstrated ability in the management and

operation of wireless communication facilities and related activities in a fiscally responsible manner and in accordance with industry standards.

4.11 Accident Reports. Licensee shall immediately, or as soon as practicable and not more than 48 hours after Licensee becomes aware of any accident causing property damage or injury to any Person on or around the Property and in which a Licensee Party, Licensee's Operations, Communications Equipment, a Sublicensee, a Sublicensee's operations, or a Sublicensee's communications equipment is involved, report to City the names and addresses of the Person(s) involved, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and all other pertinent information.

4.12 Financial Records. Licensee shall maintain, in accordance with industry standards and generally accepted accounting principles, complete and accurate financial records showing all revenues and expenses relating to Licensee's Operations on the License Area. Licensee shall make these financial records available to City for inspection at a reasonable location in the County and at a reasonable time (during business hours), so that City can determine Licensee's compliance with this License Agreement, before or after the Termination Date, City shall have the right to review, and Licensee shall maintain, all financial records and accounts of Licensee Parties relating to Licensee's Operations on the License Area for five (5) years after the Termination Date. This Section 4.12 shall survive the Termination Date.

5. ACCEPTANCE OF PROPERTY IN AS-IS CONDITION. LICENSEE ACCEPTS ALL PHYSICAL CONDITIONS OF THE PROPERTY, AS OF THE EFFECTIVE DATE, AND RELEASES CITY FROM ANY LIABILITY WHATSOEVER FOR ANY AND ALL KNOWN OR UNKNOWN CONDITIONS OF THE PROPERTY. LICENSEE SHALL ENTER THE PROPERTY FOR THE LICENSEE'S OPERATIONS UNDER THIS LICENSE AGREEMENT, IN THE PROPERTY'S "AS IS," "WHERE IS" AND "SUBJECT TO ALL FAULTS" CONDITION, AS OF THE EFFECTIVE DATE. LICENSEE ACKNOWLEDGES AND AGREES THAT IT IS RELYING SOLELY UPON ITS OWN KNOWLEDGE OR INVESTIGATION OF THE PROPERTY, AS IT DEEMS APPROPRIATE. LICENSEE IS NOT RELYING ON ANY STATEMENT OR REPRESENTATION BY ANY CITY PARTY RELATING TO THE CONDITION OF THE PROPERTY. WITHOUT LIMITING THE FOREGOING PROVISIONS OF THIS SECTION 5, CITY MAKES NO REPRESENTATION OR WARRANTY AS TO THE PHYSICAL CONDITION OF THE PROPERTY OR WHETHER THE PROPERTY PRESENTLY COMPLIES WITH ANY LAW. WITHOUT LIMITING THE FOREGOING PROVISIONS OF THIS SECTION 5, LICENSEE, ON BEHALF OF ITSELF AND ITS SUCCESSORS AND ASSIGNS, WAIVES AND RELEASES CITY AND ITS SUCCESSORS AND ASSIGNS FROM ANY AND ALL COSTS OR EXPENSES WHATSOEVER (INCLUDING LEGAL COSTS), WHETHER DIRECT OR INDIRECT, KNOWN OR UNKNOWN, FORESEEN OR UNFORESEEN, ARISING FROM OR RELATING TO THE PHYSICAL CONDITION OF THE PROPERTY OR COMPLIANCE OF THE PROPERTY WITH ANY LAW APPLICABLE TO THE PROPERTY. LICENSEE EXPRESSLY WAIVES ANY RIGHTS OR BENEFITS AVAILABLE TO IT WITH RESPECT TO THE RELEASES CONTAINED IN THIS SECTION 5 UNDER ANY PROVISION OF APPLICABLE LAW PROVIDING THAT A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF

KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY, INCLUDING CALIFORNIA CIVIL CODE SECTION 1542. THE PROVISIONS OF THIS SECTION 5 SHALL SURVIVE THE TERMINATION DATE.

6. **LICENSE FEE.** Licensee shall pay the License Fee to City on or before the first day of each calendar month, as part of the consideration to City for permitting Licensee to use the License Area for Licensee's Operations under this License Agreement; provided, however, that the first Licensee Fee payment shall be paid within sixty (60) days after the Effective Date.

6.1 Payment. License Fees are payable to the City Treasurer in lawful money of the United States of America by good and sufficient check, wire transfer, or electronic funds transfer, at City's election, in its sole and absolute discretion, to such account or address as City designates by Notice to Licensee from time to time. License Fee payments sent by mail shall be sent to City by first-class mail through the United States Postal Service with all postage pre-paid and addressed to:

The City of San Diego
Office of the City Treasurer
P.O. Box 129030
San Diego, California 92112-9030

License Fee payments made in person shall be hand delivered to:

Office of the City Treasurer
Civic Center Plaza
1200 Third Avenue, First Floor
San Diego, California 92101

6.2 Required Payment Information. Licensee shall include City's customer account number for Licensee with each License Fee payment so City can apply the License Fee to Licensee's account. Licensee's failure to include its customer account number may result in Licensee's payment not being timely applied to Licensee's account and the application of late payment charges. Licensee assumes all risk of loss and responsibility for all fees or penalties for its failure to include its customer account number with a License Fee payment. The place of payment may be changed at any time by City upon thirty (30) days prior Notice to Licensee. Payments shall be considered paid on the date the payment is actually received by City, provided Licensee's customer account number is included with such payment, as required in this Section 6.2. Licensee assumes all risk of loss and responsibility for late payment charges if payments are sent by mail.

6.3 Invoicing Courtesy. City may invoice Licensee for amounts payable under this License Agreement. However, any such invoicing is a courtesy only. Licensee shall make all payments under this License Agreement on or before each applicable due date, regardless of whether or not City invoiced the required payment.

6.4 No Offsets. Licensee shall pay all License Fees without offset, defense, claim, counterclaim, reduction, or deduction of any kind whatsoever.

6.5 City's Net Return. The License Fees shall give City an absolutely "net" return for the Term, free of any expenses or charges for the License Area, except as this License Agreement expressly provides.

6.6 Delinquent License Fees. If Licensee fails to pay the License Fee when due, Licensee shall pay, in addition to the unpaid License Fee, five percent (5%) of the delinquent License Fee. If the License Fee is still unpaid at the end of fifteen (15) days past due, Licensee shall pay an additional five percent (5%) (being a total of ten percent (10%)) of the delinquent License Fee, which is agreed by the Parties to be the appropriate amount to compensate City for the cost of servicing the delinquent account. In no event shall the charge for late payment of the License Fee be less than Twenty-Five Dollars (\$25). Acceptance of late charges or any portion of the late License Fee payment by City shall neither constitute a waiver of Licensee's Default regarding the late payment nor prevent City from exercising any rights or remedies available under this License Agreement, at law, or in equity arising from such Default.

6.7 Unauthorized Use Charge. Licensee shall pay City one hundred (100%) of the gross revenue (all revenue without any deduction, credit, or set-off) from all use of the License Area that is not part of Licensee's Operations, regardless of any related penalties charged Licensee by competent Government authorities. The gross revenue from each use of the License Area that is not part of Licensee's Operations is payable to City within thirty (30) days after Licensee receives such revenue. Nothing in this Section 6.7 or City's acceptance of any payment under this Section 6.7 is intended to authorize any use of the License Area that is not part of Licensee's Operations, waive Licensee's Default for conducting or allowing such use, or waive any City right or remedy under this License Agreement.

7. IMPROVEMENTS AND EQUIPMENT INSTALLATION.

7.1 C.O.W. As of the Effective Date, Licensee may place the C.O.W. on the License Area and operate and maintain the C.O.W. as it is authorized to operate and maintain Communications Equipment on the License Area under this License Agreement.

7.2 Installation of Communications Equipment. With the prior written consent of the City, which may be given or withheld in the City's sole and absolute discretion, Licensee may install Communications Equipment on the License Area in precise conformity with the Site Plan. City may authorize subsequent changes to the Site Plan, provided the principal components of the Site Plan are not modified, the changes are approved by City's Parks and Recreation Department, and this License Agreement is administratively amended to replace the previous Site Plan with the updated Site Plan showing the approved changes. Licensee's failure to comply with the Site Plan shall be a Default by Licensee under this License Agreement. Other than as provided in the Site Plan, Licensee shall not make any improvements to or installations on the License Area, including any improvements or installations considered "eligible facilities" under Section 6409 of the Middle Class Tax Relief and Job Creation Act, codified at 47 U.S.C. §1455, without City's prior written consent, which consent may be given or withheld in City's sole and absolute discretion. Licensee represents and warrants to City that no Communications Equipment or other equipment not

specifically identified in the Site Plan has been or will be placed or installed within the License Area by or on behalf of Licensee. No swapping out or changing Communications Equipment in the Non-Exclusive Use Area shall be done by Licensee without first obtaining City's prior written consent to such activity, which consent may be given or withheld in City's sole and absolute discretion; provided, however that Licensee may swap out or change Communications Equipment in the Exclusive Use Area that is within an enclosure and not visible outside the enclosure without City's consent, with fifteen (15) days prior Notice to City of the specific swaps or changes and subject to the other provisions of this License Agreement, including Sections 8, 12.1, and 26.1. Notwithstanding anything to the contrary in this Section 7.2, each installation, swap out, or change to Communications Equipment is subject to Licensee obtaining all Approvals required from City in City's governmental capacity for such installation, swap out, or change to Communications Equipment. Licensee shall update the Site Plan from time to time whenever a swap out or change is made to Communications Equipment to show each swap out or change.

7.3 Approvals. Licensee shall not make any improvement to or install any Communications Equipment on the License Area without first obtaining all necessary Approvals for such improvement or installation work. In obtaining any necessary Approval for improvement to or installation on the License Area, Licensee shall inform the applicable Government, in writing, that the Property is City-owned.

7.4 Protection Against Claims or Liens. IF ANY CLAIM OR LIEN IS RECORDED OR ASSERTED AGAINST THE PROPERTY OR THE CITY FOR MATERIALS SUPPLIED OR LABOR OR SERVICES PERFORMED DIRECTLY OR INDIRECTLY FOR LICENSEE OR A CONTRACTOR OF LICENSEE RELATING TO CONSTRUCTION, DEMOLITION, MAINTENANCE, INSTALLATION, REMOVAL OR OTHER WORK ON THE PROPERTY, LICENSEE SHALL SATISFY AND DISCHARGE SUCH CLAIM OR LIEN, AT THE SOLE COST AND EXPENSE OF LICENSEE, WITHIN TEN (10) DAYS FOLLOWING NOTICE OF THE EXISTENCE OR ASSERTION OF SUCH CLAIM OR LIEN. NOTICE IS HEREBY GIVEN THAT CITY SHALL NOT BE LIABLE FOR ANY SERVICES, LABOR, OR MATERIALS FURNISHED OR TO BE FURNISHED TO LICENSEE OR LICENSEE'S CONTRACTOR(S) UPON CREDIT AND THAT NO MECHANIC'S OR OTHER LIEN FOR ANY SERVICES, LABOR, OR MATERIALS SHALL ATTACH TO OR AFFECT THE PROPERTY. NOTHING IN THIS LICENSE AGREEMENT SHALL BE DEEMED OR CONSTRUED IN ANY WAY TO CONSTITUTE CITY'S CONSENT OR REQUEST, EXPRESS OR IMPLIED, BY INFERENCE OR OTHERWISE, TO ANY CONTRACTOR, SUBCONTRACTOR, PROFESSIONAL, LABORER, EQUIPMENT OR MATERIAL SUPPLIER FOR THE PERFORMANCE OF ANY SERVICE OR LABOR OR THE FURNISHING OF ANY MATERIALS OR EQUIPMENT FOR ANY CONSTRUCTION, DEMOLITION, MAINTENANCE, INSTALLATION, REMOVAL OR OTHER WORK ON THE PROPERTY, NOR AS GIVING LICENSEE ANY RIGHT, POWER OR AUTHORITY TO CONTRACT FOR, OR PERMIT THE RENDERING OF, ANY SERVICES OR LABOR, OR THE FURNISHING OF ANY MATERIALS OR EQUIPMENT THAT WOULD GIVE RISE TO THE FILING OF ANY CLAIM OR LIEN AGAINST CITY OR THE PROPERTY.

7.5 No Liens Against Public Property. LICENSEE ACKNOWLEDGES AND AGREES THAT ON THE EFFECTIVE DATE THE PROPERTY IS OWNED BY CITY, WHICH IS A PUBLIC ENTITY, AND THAT THE PROPERTY IS NOT SUBJECT TO THE

IMPOSITION OF MECHANIC'S LIENS OR ANY OTHER LIENS IN FAVOR OF PROVIDERS OF SERVICES, LABOR, MATERIAL, OR EQUIPMENT ON OR TO THE PROPERTY. LICENSEE FURTHER AGREES TO INFORM EACH PROVIDER OF SERVICES, LABOR, MATERIAL, OR EQUIPMENT ON OR TO THE PROPERTY HIRED BY OR FOR THE BENEFIT OF ONE OR MORE LICENSEE PARTIES OF SUCH FACT AND THAT CITY AND THE PROPERTY ARE NOT RESPONSIBLE FOR PAYMENT OF ANY CLAIMS BY ANY SUCH PROVIDERS OF SERVICES, LABOR, MATERIAL, OR EQUIPMENT.

7.6 Signs. No banners, pennants, flags, posters, signs, decorations, marquees, awnings, or similar devices or advertising (each, a "Sign") may be placed on the License Area without City's prior written consent, in each instance, which consent may be given or withheld in City's sole and absolute discretion, except for Signs required by Law. All Signs on the License Area will be maintained by Licensee in good, clean, and operating condition during the Term. Licensee will remove all Signs from the License Area on or before the Termination Date and repair all damage caused by installation or removal of Signs, all at Licensee's sole cost and expense. Licensee shall comply with all Laws requiring the posting of Signs on the License Area. If any unauthorized Sign is found on the License Area, Licensee shall remove the Sign at Licensee's sole cost and expense within twenty-four (24) hours after Notice from City requesting the removal. If Licensee does not remove the Sign within such twenty-four (24) hour period, City may enter the License Area and remove the Sign at Licensee's sole cost and expense. If City removes a Sign from the License Area under this Section 7.6, Licensee shall reimburse City for all costs and expenses reasonably incurred by City in performing such work (including the costs of City's staff time, administrative overhead, and Legal Costs), within thirty (30) days after Notice to Licensee of such costs. Any amount of money reimbursable to City by Licensee under this Section 7.6 that is not paid within thirty (30) days after Notice to Licensee of such amount shall accrue Default Interest from the date incurred until paid.

7.7 Licensee Maintenance or Repair. Licensee shall at all times during the Term maintain all Communications Equipment in a good, safe, clean, and organized condition, at Licensee's sole cost and expense. If any Communications Equipment is damaged by a casualty or other cause, Licensee shall either restore the damaged Communications Equipment to the same or better condition as such Communications Equipment existed immediately prior to the damage or remove the damaged Communications Equipment from the License Area in a manner reasonably acceptable to City. Licensee shall commence such restoration or removal of damaged Communications Equipment within the earlier of: (a) a reasonable time under the circumstances; or (b) thirty (30) days following the date of the damage.

7.8 City Work. City reserves the right to perform work on the Property at any time. If City intends to perform work on the Property that will directly affect the License Area or Communications Equipment, City shall give Licensee at least forty-eight (48) hours' Notice prior to commencing the work (except in the event of an emergency, in which case, no prior Notice is required). Licensee shall comply with all safety instructions issued by City in writing to ensure the safety of City personnel or contractors performing work on the Property.

7.9 Emergency Maintenance Procedures. If Licensee discovers that any Communications Equipment is damaged, Licensee shall immediately notify City's Public Works

Dispatch Center at (619) 527-7660. If City discovers that any Communications Equipment is damaged, City shall immediately notify Licensee's Network Operations Center at (800) 264-6620.

7.10 Inspection. City may, at any time, for any reason or no reason, without any obligation to do so, enter the License Area for the purposes of inspecting the License Area and Licensee's Operations conducted on the License Area for compliance with this License Agreement. Licensee shall make a representative available to be present at any City inspection under this Section 7.10 on, at least, 48 hours' Notice from City; provided, however, the presence of a Licensee representative is not required for City to exercise its rights under this Section 7.10.

7.11 Utilities. Licensee shall order, obtain, install, and pay for all utilities, including installation and service charges, required or desired for Licensee's Operations, with all such utilities installed underground and used only for Licensee's Operations. Utilities shall be constructed and located in accordance with the Site Plan. City shall reasonably cooperate with Licensee, at no cost to City, in connection with Licensee's efforts to obtain such utilities.

7.12 Superior Interests. This License Agreement is subject to all liens, encumbrances, covenants, conditions, restrictions, reservations, contracts, leases, licenses, easements, and rights-of-way pertaining to the Property existing as of the Effective Date, whether or not of record. Licensee shall obtain all licenses, permits, and agreements from Third Persons required to allow Licensee's Operations, relative to any such superior interest. If Licensee's Operations are or become inconsistent or incompatible with a preexisting, superior interest, Licensee shall take such action and pay all costs and expenses necessary to remove such inconsistency or incompatibility to the satisfaction of the holder of the superior interest.

7.13 City Facility Access. Licensee shall, at all times, comply with the provisions of **EXHIBIT E** attached to this License Agreement when entering the Property. **EXHIBIT E** may be updated from time to time in City's sole and absolute discretion. City shall Notify Licensee of all updates to **EXHIBIT E**. Licensee is only required to comply with updated provisions of **EXHIBIT E** of which City Notifies Licensee.

8. TELECOMMUNICATIONS PROVISIONS.

8.1 Radio Frequency Radiation.

8.1.1 *Allowed Levels*. Licensee shall maintain all radio frequency ("RF") radiation associated with Communications Equipment below the levels allowed by Part 47 Code of Federal Regulations section 1.1310 for "general population/uncontrolled exposure" ("**Allowed Levels**"), determined in accordance with the most recent edition of FCC OET Bulletin 65, "Evaluating Compliance with FCC Guidelines for Human Exposure to Radiofrequency Electromagnetic Fields," and its supplements. All areas within one thousand (1,000) feet of any RF transmitting Communications Equipment and accessible by the general public or any City employee or contractor at ground level shall be maintained at RF radiation levels below the Allowed Levels. Licensee shall Notify City of all areas within or around the License Area discovered by Licensee to exceed the Allowed Levels. Once Licensee's initial installation of Communications Equipment on the License Area is complete, Licensee shall perform an on-air test and provide City with documentation of that test showing that the Communications Equipment

is operating within the Allowed Levels. After the initial on-air test, Licensee shall perform an on-air test within fifteen (15) days after City requests such a test by Notice to Licensee.

8.1.2 *Identification of Hazards.* Protection of the public and City employees and contractors entering the Property is of primary concern. All areas of the Property in which the public or City employees or contractors may be subjected to RF radiation levels exceeding the Allowed Levels (including towers or other structures) shall be clearly identified by signs posted on the Property by Licensee and Licensee taking all other actions required by Law relating to RF radiation, including complying with all California Department of Industrial Relations Division of Occupational Safety and Health requirements.

8.1.3 *Indemnity.* Licensee shall Indemnify the City Parties for all Claims resulting or arising from RF radiation levels exceeding the Allowed Levels caused or contributed to by Licensee's Operations.

8.1.4 *Communications Equipment Shutdown.* Communications Equipment installed on the License Area may, at times, require shutdown to allow City work on the Property. Licensee agrees to shutdown Communications Equipment for such work when requested to do so by Notice from City. City agrees to try not to request shutdowns of Communications Equipment during 12:00 P.M. and 10:00 P.M. Licensee shall provide City with written shutdown procedures consistent with this License Agreement and reasonably acceptable to City, including contact names and telephone numbers. Licensee shall Notify City of all changes to the shutdown procedures, contact names, or telephone numbers at least ten (10) days before the change becomes effective. No change in Licensee's shutdown procedures shall become effective until approved by Notice from City.

8.2 Radio Frequency Interference. Licensee shall comply with the provisions of **EXHIBIT F** attached to this License Agreement. **EXHIBIT F** may be updated from time to time in City's sole and absolute discretion. City shall Notify Licensee of all updates to **EXHIBIT F**. Licensee is only required to comply with updated provisions of **EXHIBIT F** of which City Notifies Licensee. Licensee shall not install, operate, modify, or maintain any Communications Equipment on the License Area that in any way results in degraded performance of, or RF interference with, any other equipment located on the Property and installed by City or installed by a lessee or licensee under a lease or license agreement entered into by City.

8.3 Industry Standards. Licensee shall perform Licensee's Operations in accordance with industry standards set by the "Standards and Guidelines for Communications Sites" (Publication R56), published by Motorola, Inc., or any succeeding industry standards and all the following additional requirements:

8.3.1 At the end of each workday, Licensee shall remove from the License Area and properly dispose of all trash or debris resulting from Licensee's Operations;

8.3.2 Tower or structure climbing shall be done in compliance with Law;

8.3.3 All transmitters shall have all necessary protection, such as cavity filtering and transmitter isolators, to eliminate any RF degradation of the receive signal to other equipment located on the Property; and

8.3.4 Licensee shall comply with the provisions of **EXHIBIT G** attached to this License Agreement. **EXHIBIT G** may be updated from time to time in City's sole and absolute discretion. City shall Notify Licensee of all updates to **EXHIBIT G**. Licensee is only required to comply with updated provisions of **EXHIBIT G** of which City Notifies Licensee.

8.4 Collocation. If communications equipment owned by Third Persons or City is located on the Property, Licensee shall not access any communications equipment owned by Third Persons or City (including any towers) located on the Property, without City's prior written consent, which consent may be given or withheld in City's sole and absolute discretion. Other than during an emergency, City shall not permit any Third Persons to access Licensee's Communications Equipment without first obtaining Licensee's consent, which Licensee may withhold in its sole discretion.

9. **LICENSEE INSURANCE**. Licensee shall maintain, to protect the City Parties against all insurable Claims arising from or relating to this License Agreement, the License Area, the Communications Equipment, or Licensee's Operations, at the sole cost and expense of Licensee, all the insurance coverage required in **EXHIBIT C** attached to this License Agreement.

10. **WASTE OR DAMAGE**. Licensee shall immediately Notify City of any waste, casualty, or damage to the License Area or adjacent areas of the Property of which Licensee becomes aware. Licensee shall not commit, or allow to be committed, any waste, casualty, or damage to property or injury to person on or around the License Area. If waste, casualty, or damage to the Property arises from Licensee's Operations, at City's election, in City's sole and absolute discretion, Licensee shall make, or cause to be made, full repair of the waste, casualty, or damage and restore the Property to its condition existing immediately prior to the waste, casualty, or damage. Licensee shall commence preliminary steps toward restoration of the Property as soon as practicable, but no later than thirty (30) days after the date the waste, casualty, or damage occurs. Licensee shall complete all required repairs and/or restoration within ninety (90) days after the date the waste, casualty, or damage occurs. Licensee must obtain all Approvals required for repair or restoration of all waste, casualty, or damage to the Property. This Section 10 shall survive the Termination Date.

11. **ENVIRONMENTAL CONDITIONS**. Licensee shall not cause or permit any Environmental Condition. If Licensee discovers or becomes aware of an Environmental Condition, Licensee shall Notify City of such Environmental Condition as soon as possible, but in all cases within twenty-four (24) hours following the Licensee becoming aware of such Environmental Condition.

11.1 Remediation. If an Environmental Condition occurs, Licensee shall remediate the Environmental Condition in accordance with Law to allow all uses of the Property permitted by Law immediately before the Environmental Condition is discovered, at Licensee's sole cost and expense. If Licensee knows or has reasonable cause to believe that an Environmental Condition is an imminent danger to public health and safety, Licensee shall take all actions necessary to alleviate the imminent danger, at Licensee's sole cost and expense.

11.2 Removal. If a Licensee Party stores, utilizes, generates, or otherwise brings Hazardous Substances onto the Property in accordance with Law, Licensee shall remove all such

Hazardous Substances from the Property prior to the Termination Date and provide City with documentation demonstrating the legal removal and disposal of the Hazardous Substances. Licensee shall be responsible for all costs incurred by City to remove or dispose of any Hazardous Substances not removed from the Property by Licensee in accordance with this Section 11.2.

11.3 Reports. Licensee shall deliver a written report describing the circumstances of each Environmental Condition in reasonable detail to City within three (3) Business Days after Notifying City of the Environmental Condition. Licensee shall also submit all required reports relating to the Environmental Condition to other Governments as required by Law.

11.4 Environmental Assessment. Upon reasonable cause to believe that an Environmental Condition has occurred, City may cause an environmental assessment of the Property to be performed by a professional environmental consultant registered with the State as a Professional Engineer, Certified Engineering Geologist, or Registered Civil Engineer. The environmental assessment shall be performed at Licensee's sole cost and expense. Licensee shall reimburse City for all costs and expenses reasonably incurred by City in performing the environmental assessment within fifteen (15) days after Notice to Licensee of the amount of such costs and expenses. Any amount reimbursable to City by Licensee under this Section 11.4 that is not paid within fifteen (15) days after Notice to Licensee of such amount, shall accrue Default Interest until paid.

12. COMPLIANCE WITH LAW.

12.1 General. Licensee's Operations shall comply with all Laws, at Licensee's sole cost and expense. Licensee shall comply with all notices issued by City or any other Government under the authority of current or future Law. Licensee shall not conduct any Licensee's Operations without first obtaining all necessary Approvals. Licensee shall promptly deliver to City documentary evidence of all Approvals obtained by Licensee regarding Licensee's Operations.

12.2 Compliance with City Standard Contract Provisions. Licensee shall comply with all City standard contract provisions set forth in **EXHIBIT D** attached to this License Agreement.

12.3 INDEMNIFICATION.

13. Licensee Indemnity Obligations. In addition to Licensee's obligations to Indemnify the City Parties under other provisions of this License Agreement, Licensee shall Indemnify the City Parties against all Claims arising from: (a) Licensee's use of the License Area; (b) this License Agreement; (c) personal injury (including death) or property damage (to property of Licensee or any other Person) occurring on the License Area or adjoining real property; (d) personal injury (including death) or property damage resulting from Licensee's use of the License Area; (e) a wrongful intentional act or negligence of one or more of the Licensee Parties; (f) strict liability relating to Licensee's use of the License Area; (g) all Applications made by or on behalf of one or more Licensee Parties; (h) all agreements that one or more Licensee Parties makes with a Third Person regarding this License Agreement or the License Area; (i) services, labor, material, or equipment supplied to, for, on behalf of, or at the request of one or more Licensee Parties; (j) a workers' compensation claim by one or more employees or contractors of one or more Licensee Parties; or (j) an Environmental Condition occurring on or after the Effective Date.

Notwithstanding anything to the contrary in this License Agreement, Licensee's obligations to Indemnify the City Parties excludes Claims arising solely from the established active negligence or willful misconduct of a City Party.

13.1 Independence of Insurance and Indemnity Obligations. Licensee's obligations to Indemnify the City Parties under this License Agreement shall not be construed or interpreted as in any way restricting, limiting, or modifying Licensee's insurance or other obligations under this License Agreement. Licensee's obligations to Indemnify the City Parties under this License Agreement are independent of Licensee's insurance and other obligations under this License Agreement. Licensee's compliance with its insurance obligations and other obligations under this License Agreement shall not in any way restrict, limit, or modify Licensee's obligations to Indemnify the City Parties under this License Agreement and are independent of Licensee's obligations to Indemnify the City Parties and other obligations under this License Agreement.

13.2 Survival of Indemnification Obligations. Licensee's obligations to Indemnify the City Parties under this License Agreement shall survive the Termination Date, until all actual or prospective Claims subject to Licensee's obligations to Indemnify the City Parties under this License Agreement are fully, finally, absolutely, and completely barred by applicable statutes of limitations.

13.3 Indemnification Procedures. Wherever this License Agreement requires Licensee to Indemnify the City Parties:

13.3.1 *Notice.* The affected City Parties shall Notify Licensee of the Claim within a reasonable time.

13.3.2 *Selection of Counsel.* Licensee shall select counsel reasonably acceptable to City's City Council. Even though Licensee shall defend the Claim, the affected City Parties may, at their respective options, engage separate legal counsel, at Licensee's expense, to advise them regarding the Claim and their defense. The affected City Parties' separate legal counsel(s) may attend all proceedings and meetings. Licensee's legal counsel shall actively consult with the City Parties' separate legal counsel, subject to applicable conflict of interest and privileged communication limitations.

13.3.3 *Cooperation.* The affected City Parties shall reasonably cooperate with Licensee's defense of the City Parties.

13.3.4 *Settlement.* Licensee may only settle a Claim with the prior written consent of the affected City Parties, in their respective sole and absolute discretion.

13.4 Immediate Duty to Defend. The duty to defend that is within Licensee's obligations to Indemnify the City Parties under this License Agreement includes Claims for which the City Parties may be liable without fault or strictly liable and applies regardless of whether the issues of negligence, liability, fault, default, or other obligation on the part of Licensee or the City Parties have been determined. The duty to defend applies immediately, regardless of whether the City Parties have paid any sums or incurred any detriment arising out of or relating (directly or indirectly) to any Claims. It is the express intention of the Parties that the City Parties be entitled to obtain summary adjudication or summary judgment regarding Licensee's duty to defend the

City Parties at any stage of a Claim within the scope of Licensee's obligations to Indemnify the City Parties under this License Agreement.

13.5 Savings Provision. Notwithstanding anything in this License Agreement to the contrary, if the extent of Licensee's obligation to Indemnify the City Parties under this License Agreement exceeds the indemnity obligation allowed by applicable Law, Licensee's obligation to Indemnify the City Parties shall be reduced to the extent required to comply with applicable Law.

14. **TAXES; POSSESSORY INTEREST TAX.** Licensee shall pay, before delinquency, all taxes, assessments, and fees assessed or levied upon Licensee, Licensee's Operations, the License Area, or Communications Equipment. Licensee acknowledges and agrees that this License Agreement may create a possessory interest in the Property subject to property taxation and that Licensee may be subject to payment of property taxes levied on such interest. Any such possessory interest tax imposed shall be solely a tax liability of Licensee and shall be paid before delinquency by Licensee. In addition, Licensee shall pay before delinquency all personal property taxes becoming due for equipment, fixtures, inventory, or other personal property of Licensee or any Licensee Party installed, maintained, or present at or on the License Area.

15. **TERM.** The duration of this License Agreement ("**Term**") shall begin on the Effective Date and terminate upon the earliest to occur of the following events ("**Termination Date**"):

15.1 Licensee Notice. Licensee giving sixty (60) days' Notice to City terminating this License Agreement and Licensee's removal of all Communications Equipment and personal property from the License Area under Section ;22;

15.2 City Notice. City giving sixty (60) days' Notice to Licensee terminating this License Agreement;

15.3 Expiration. 11:59 p.m. Pacific Time on the day before the later of the second (2nd) anniversary of the Effective Date ("**Initial Term**") or the last day of the last Extended Term beginning under Section 16;

15.4 Discontinued Operation. City termination of this License Agreement under Section 4.9;

15.5 Eminent Domain. Termination of this License Agreement under Section 27;

If Licensee terminates this License Agreement due to a City Event of Default, City shall promptly return to Licensee any unused portion of the Licensee Fee for the calendar month in which such termination occurs;

15.7 Casualty. Following the occurrence of any casualty that materially restricts use of the License Area or access to the License Area for Licensee's Operations for more than ninety (90) days, City or Licensee may terminate this License Agreement by thirty (30) days' Notice to the other Party and City shall promptly return to Licensee any unused portion of the Licensee Fee for the calendar month in which such termination occurs;

15.8 Breach of Warranty. City termination of this License Agreement under Section 34.

16. **TERM EXTENSION.** Licensee may request up to three (3) extensions of the Term of one (1) year each that in the aggregate do not extend the Term beyond the fifth (5th) anniversary of the Effective Date (each, an “**Extended Term**”). Licensee may only request each Extended Term by Notice to City at least ninety (90) calendar days, but not more than one hundred eighty (180) calendar days, before the end of the Initial Term or the then current Extended Term, as applicable. Licensee may only request one Extended Term during the Initial Term or each of the first two Extended Terms (if any). The beginning of each Extended Term is subject to all the following conditions: (a) Licensee not being in Default on the last day of the Initial Term or the immediately preceding Extended Term, as applicable; and (b) the prior written consent of the Mayor or designee, which consent shall be given, withheld or conditioned in such Person’s sole and absolute discretion, within thirty (30) calendar days after City’s receipt of Licensee’s Notice requesting the Extended Term.

17. **CITY CURE RIGHT.** If Licensee at any time fails to take any action this License Agreement requires of Licensee beyond the expiration of all applicable notice and cure periods, without waiving or releasing Licensee from any obligation, Default, or Event of Default and without waiving City’s right to take such action as this License Agreement may permit as a result of a Default or Event of Default, City may (but need not), on ten (10) Business Days’ Notice to Licensee, take such action. Licensee shall reimburse City for an amount equal to: (a) all reasonable costs and expenses (including Legal Costs) incurred by City in exercising its cure rights under this Section 17; and (b) Default Interest on all amounts described in clause “(a)” until all such amounts are reimbursed in full to City by Licensee. Nothing in this Section 17 is intended to modify or restrict any other cure right provided to City in this License Agreement.

18. **REMEDIES.** Upon the occurrence of an Event of Default by the other Party, the non-defaulting Party shall be entitled to take any action authorized by this License Agreement upon the occurrence of an Event of Default by the other Party, including legal proceedings to enforce any contractual right or remedy, or pursue any other remedy or damages relating to such Event of Default available to the non-defaulting Party at law or in equity.

19. **LEGAL ACTIONS.** Either Party may institute legal action, at law or in equity, to enforce or interpret the rights or obligations of the Parties under this License Agreement or recover damages.

20. **CUMULATIVE RIGHTS AND REMEDIES.** The rights and remedies of the Parties under this License Agreement are cumulative with any other rights or remedies of the Parties under this License Agreement, at law, or in equity. The exercise by either Party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or a different time, of any other right or remedy for the same Default or Event of Default or the same right or remedy for any other Default or Event of Default by the other Party.

21. **LEGAL CHALLENGE OR CHANGE IN LAW.** If a lawsuit is filed against City or Licensee to prevent or prohibit Licensee’s Operations on the License Area, or a subsequent change in Law prohibits Licensee’s Operations on the License Area, either Party shall have the right to

terminate this License Agreement, in its respective sole and absolute discretion, on ninety (90) days' Notice to the other Party.

22. SURRENDER.

22.1 Licensee Removal of Communications Equipment. If ninety (90) or more days' Notice of the Termination Date is given by City as permitted by this License Agreement, then before the Termination Date, Licensee shall, at its sole cost and expense, remove from the License Area and repair all damage from such removal, all in a manner reasonably satisfactory to City, reasonable wear and tear excepted: (a) all personal property brought onto the License Area by or on behalf of a Licensee Party; (b) all Communications Equipment placed on the License Area by or on behalf of Licensee; and (c) all improvements made to the License Area by or on behalf of Licensee Party. If less than ninety (90) days' Notice of the Termination Date is given by City as permitted by this License Agreement, Licensee shall perform the work described in clauses "(a)" through "(c)" of this Section 22.1 within ninety (90) days after Notice of the Termination Date. Notwithstanding the foregoing provisions of this Section 22.1, if Licensee terminates this License Agreement under Section 15.1, Licensee shall perform the work described in clauses "(a)" through "(c)" of this Section 22.1 before the Termination Date.

22.2 City Removal of Communications Equipment. City shall have the right, after ninety (90) days' Notice to Licensee, to perform the work required by Section 22.1 if Licensee does not either: (i) commence performing the work required by Section 22.1 within the required time, or (ii) complete all work required by Section 22.1 within the required time. If City performs work required of Licensee under Section 22.1, Licensee shall reimburse City for all costs and expenses reasonably incurred by City in performing such work (including the costs of City staff time, administrative overhead, and Legal Costs), within thirty (30) days after Notice to Licensee of the amount of such costs, which Notice shall include reasonable supporting documentation. Any amount reimbursable to City by Licensee under this Section 22.2 that is not paid within thirty (30) days after Notice to Licensee of such amount, shall accrue Default Interest until paid.

23. TRANSFER. Licensee shall not have any right to make or allow any Transfer without the prior written consent of City, which may be given or withheld in the City's sole and absolute discretion. Licensee acknowledges and agrees that, under the circumstances that this License Agreement is entered into by City and Licensee, the restrictions in this License Agreement on Transfers are reasonable.

24. HOLDOVER. If Licensee continues to use the License Area after the Termination Date, such use shall not constitute a renewal or extension of this License Agreement, nor give Licensee any right in or to the License Area after the Termination Date. Licensee may not use the License Area after the Termination Date without City's prior written consent, which consent may be given or withheld in City's sole and absolute discretion. Licensee's use of the License Area after the Termination Date with City's consent shall be on all the terms and conditions of this License Agreement, except that City may terminate this License Agreement at will, at any time, for any reason or no reason, and may demand and receive a License Fee from Licensee equal to the then fair market value of the use of the License Area at its highest and best use, all as determined by

City. City's acceptance of any License Fee from Licensee after the Termination Date shall not constitute a renewal or extension of this License Agreement.

25. SUBLICENSING. Licensee shall not be permitted to sublicense any portion of the License Area to any third party.

26. CITY'S RESERVATION OF RIGHTS.

26.1 Government Action. By entering into this License Agreement, neither City nor the City Council is obligating itself or any other Government regarding any discretionary action relating to the development, occupancy, use, or maintenance of the Property, including re-zonings, variances, environmental clearances, or any Approval required for Licensee's Operations or otherwise. Licensee shall diligently seek and use commercially reasonable efforts to obtain, at Licensee's sole cost and expense, all Approvals required from City and other Governments necessary for Licensee's Operations. Notwithstanding the foregoing, City shall cooperate with Licensee in City's proprietary capacity as owner of the Property, at no cost to City, with Licensee's efforts to obtain such Approvals.

26.2 Resources. City reserves all right, title, and interest in all natural resources relating to the Property, including subsurface natural gas, oil, minerals, and water, on or within the Property.

27. EMINENT DOMAIN. If all or part of the Property is taken through eminent domain proceedings or under threat of the exercise of the power of eminent domain by any Person with the power of eminent domain, the interests of City and Licensee shall be as follows:

27.1 Full Taking. If all or substantially all of the part of the Property containing the License Area is taken, this License Agreement shall terminate on the date of the transfer of title or possession of the Property taken to the condemning Person, whichever first occurs.

27.2 Partial Taking - Remainder Unusable. If a partial taking of the Property containing the License Area occurs and, in City's sole and absolute discretion, the remaining part of the License Area is unsuitable for Licensee's Operations, this License Agreement shall terminate on the date of the transfer of title or possession of the Property taken to the condemning Person, whichever first occurs, and City shall promptly return to Licensee the unused portion of the License Fee for the calendar month in which such termination occurs.

27.3 Partial Taking - Remainder Usable. 27.5 Transfer. City may transfer its title or interest in the Property in lieu of condemnation to any Person entitled to exercise the power of eminent domain.

27.6 No Inverse Condemnation. City's exercise of any right under this License Agreement shall not be interpreted as an exercise of the power of eminent domain and shall not impose any liability upon City for inverse condemnation.

34. WARRANTY AGAINST PAYMENT OF CONSIDERATION FOR LICENSE AGREEMENT. Licensee represents and warrants to City that: (a) Licensee has not employed or retained any Person to solicit or secure this License Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees of Licensee; and (b) no gratuities, in the form of entertainment, gifts or otherwise have been or will be given by Licensee or any of Licensee's agents, employees or representatives to any elected or appointed official or employee of City in an attempt to secure this License Agreement or favorable terms or conditions for this License Agreement. Breach of the representations or warranties of this Section 34 shall entitle City to terminate this License Agreement immediately, without liability. Upon any termination of this License Agreement under this Section 34, Licensee shall immediately repay to City any payments made to or on behalf of Licensee by City (if any) under this License Agreement prior to the Termination Date.

35. UNAVOIDABLE DELAY; EXTENSION OF TIME FOR PERFORMANCE. The Party claiming an extension of time to perform due to an Unavoidable Delay shall exercise commercially reasonable efforts to cure the condition causing the Unavoidable Delay, within a reasonable time. Notwithstanding anything to the contrary in this License Agreement, no obligation of Licensee for payment of money under this License Agreement may be delayed by the occurrence of an Unavoidable Delay, unless the delay in payment of money is due to an Unavoidable Delay that prevents or materially limits the ability to transfer funds by or between Federal or State chartered financial institutions.

36. NO OTHER REPRESENTATIONS OR WARRANTIES. Except as expressly set forth in this License Agreement, no Party makes any representation or warranty material to this License Agreement to the other Party.

37. TAX CONSEQUENCES. Licensee acknowledges and agrees that it shall bear all responsibility, liability, costs, and expenses connected in any way with any tax consequences experienced by Licensee related to this License Agreement.

38. NO THIRD-PARTY BENEFICIARIES. 41. COST RECOVERY. City collects various fees to offset administrative costs incurred for City staff services. City shall only process Licensee's Applications to City after receipt of

Licensee's payment of the applicable fee. The fee schedule, which is on file at the Office of the City Clerk, may be updated from time to time in City's sole and absolute discretion.

42. ACCESSIBILITY ASSESSMENT. City discloses to Licensee that the Property has not been inspected by a Certified Access Specialist (CASp). City further states:

A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

43. SURVIVAL OF LICENSE AGREEMENT. All the provisions of this License Agreement shall be applicable to any dispute between the Parties arising from this License Agreement, whether prior to or after the Termination Date, until any such dispute is finally and completely resolved between the Parties, either by written settlement, entry of a non-appealable judgment, or expiration of all applicable statutory limitations periods, and all terms and conditions of this License Agreement relating to dispute resolution and remedies shall survive the Termination Date.

The titles and headings of the articles, paragraphs, or sections of this License Agreement are for convenience of reference only, are not to be considered a part of this License Agreement, and shall not in any way interpret, modify, or restrict the meaning of any term, provision, covenant, condition, restriction, reservation, or agreement in this License Agreement.

46. SEVERABILITY. If any term or provision of this License Agreement or its application to any Person or circumstance shall to any extent be invalid or unenforceable, then the remainder of this License Agreement, or the application of such term or provision to Persons or circumstances other than those as to which the term or provision is invalid or unenforceable, shall not be affected by such invalidity. All remaining terms and provisions of this License Agreement shall be valid and enforced to the fullest extent Law allows.

I. Required Insurance Coverage.

- 1.1. *Automobile Liability Insurance.* Insurance coverage against claims of personal injury (including bodily injury and death), and property damage covering all owned, leased, hired, and non-owned vehicles used by Licensee, with minimum limits for bodily injury and property damage of Two Million Dollars (\$2,000,000). Such insurance shall be provided by a business or commercial vehicle policy and may be provided through a combination of primary and excess or umbrella policies, all of which shall be subject to pre-approval by City, which pre-approval shall not be unreasonably withheld.
- 1.2. *Liability Insurance.* Commercial general liability insurance against claims for bodily injury, personal injury, death, or property damage occurring upon, in or about the License Area or adjoining streets or passageways, at least as broad as Insurance Services Office Occurrence Form CG0001, with a minimum liability limit of Two Million Dollars (\$2,000,000) for any one occurrence and Four Million Dollars (\$4,000,000) aggregate. If commercial general liability insurance or other form with a general aggregate limit is used, the general aggregate limit shall apply separately to the License Area.
- 1.3. *Property Insurance.* Insurance providing coverage for Licensee's respectively owned real and personal property in the License Area and all improvements on or to the License Area installed by Licensee against loss, damage, or destruction by fire or other hazards encompassed under Cause of Loss - Special Form of property insurance coverage then customarily used for like properties in the County, in an amount equal to one hundred percent (100%) of the replacement value (without deduction for depreciation) of all improvements (excluding excavations and foundations), and in any event sufficient to avoid co-insurance and with no co-insurance penalty provision, with "ordinance or law" coverage. To the extent customary for like properties in the County at the time, such insurance shall include coverage for explosion of steam and pressure boilers and similar apparatus located in or associated with the License Area, an "increased cost of construction" endorsement and an endorsement covering demolition and cost of debris removal.
- 1.4. *Workers Compensation Insurance.* Workers compensation insurance complying with the provisions of State law and an employer's liability insurance policy, with

a minimum liability limit of One Million Dollars (\$1,000,000) per accident for bodily injury, or disease, covering all employees of Licensee.

2. **Nature of Insurance.** The contents of this **EXHIBIT C** are sometimes referred to as the **"Insurance Requirements."** All Liability Insurance, Automobile Liability Insurance, Property Insurance, and Workers Compensation Insurance policies required by these Insurance Requirements shall be issued by carriers that: (a) are listed in the then current "Best's Key Rating Guide—Property/Casualty—United States & Canada" publication (or its equivalent, if such publication ceases to be published) with a minimum financial strength rating of "A-" and a minimum financial size category of "VII" (exception may be made for the State Compensation Insurance Fund when not specifically rated); and (b) are authorized to do business in the State by the State Department of Insurance. Licensee may provide any insurance under a "blanket" or "umbrella" insurance policy, provided that: (i) such policy or a certificate of such policy shall specify the amount(s) of the total insurance allocated to the License Area, which amount(s) shall equal or exceed the amount(s) required by these Insurance Requirements; and (ii) such policy otherwise complies with the requirements of these Insurance Requirements.
3. **Policy Requirements and Endorsements.** All insurance policies required by these Insurance Requirements shall contain (by endorsement or otherwise) the following provisions:
 - 3.1. *Insured.* Commercial General Liability and Commercial Automobile Liability Insurance policies shall include the City Parties as "additional insured."  - 3.2. *Primary Coverage.* Any insurance or self-insurance maintained by the City Parties shall be excess of all insurance required to be maintained by Licensee under these Insurance Requirements and shall not contribute with any insurance required to be maintained by Licensee under these Insurance Requirements.
 - 3.3. *Contractual Liability.* Liability Insurance policies shall contain contractual liability coverage for Licensee's Indemnity obligations under this License Agreement. Licensee's obtaining or failing to obtain such contractual liability coverage shall not relieve Licensee from nor satisfy any Indemnity obligation of Licensee under this License Agreement.

Each insurance policy required by these

EXHIBIT C - 2
Insurance Requirements

Insurance Requirements shall be endorsed to state that coverage shall not be cancelled, except after thirty (30) days' advance Notice of such action to City, except for 10 days non-payment of premium. Phrases such as "endeavor to" and "but failure to mail such notice shall impose no obligation or liability of any kind upon the company" shall not be included in the cancellation wording of any certificates or policies of insurance applicable to the City Parties under these Insurance Requirements.

- 3.5. *Waiver of Certain Claims.* Licensee shall cause each insurance carrier providing any Liability Insurance, Worker's Compensation Insurance, or Automobile Liability Insurance coverage under these Insurance Requirements to endorse their applicable policy(ies) with a Waiver of Subrogation (defined below) with respect to the City Parties, if not originally in the policy. To the extent Licensee obtains an insurance policy covering both the Licensee Parties and the City Parties and containing a Waiver of Subrogation, the Parties release each other from any Claims for damage to any Person or property to the extent such Claims are paid by the insurance carrier under such insurance policy. "**Waiver of Subrogation**" means and refers to a provision in, or endorsement to, any insurance policy, under which the carrier agrees to waive rights of recovery by way of subrogation against the City Parties for any loss such insurance policy covers.
- 3.6. *No Representation.* No Party makes any representation that the limits, scope, or forms of insurance coverage required by these Insurance Requirements are adequate or sufficient.
- 3.7. *No Claims Made Coverage.* None of the insurance coverage required by these Insurance Requirements may be written on a claims-made basis.
- 3.8. *Fully Paid and Non-Assessable.* All insurance obtained and maintained by Licensee in satisfaction of these Insurance Requirements shall be fully paid for and non-assessable.
- 3.9. *Separation of Insured.* All Liability Insurance and Automobile Liability Insurance shall provide for separation of insured for Licensee and the City Parties. Insurance policies obtained in satisfaction of these Insurance Requirements may provide a cross-suits exclusion for suits between named insured Persons but shall not exclude suits between named insured Persons and additional insured Persons.
- 3.10. *Deductibles and Self-Insured Retentions.* All deductibles or self-insured retentions under insurance policies required by these Insurance Requirements shall be declared to City. Licensee shall pay all such deductibles or self-insured retentions regarding the City Parties. Each insurance policy issued in satisfaction of these Insurance Requirements shall provide that, to the extent Licensee fails to pay all or any portion of a self-insured retention under such policy in reference to an otherwise insured loss, City may pay the unpaid portion of such self-insured retention, in City's sole and absolute discretion. All amounts paid by City toward self-insured retentions regarding insurance policies covering the City Parties under

these Insurance Requirements shall be reimbursed to City by Licensee in the same manner that insurance costs are reimbursable to City from Licensee under Section 5 of these Insurance Requirements.

4. **Insurance Independent of Indemnification.** These Insurance Requirements, are independent of the Parties' Indemnification and other obligations under this License Agreement and shall not be construed or interpreted in any way to satisfy, restrict, limit or modify the Parties' Indemnification or other obligations or to limit the Parties' liability under this License Agreement, whether within, outside or in excess of such coverage, and regardless of solvency or insolvency of the insurer issuing the coverage, nor shall the provision of such insurance preclude City from taking such other actions as are available to City under any other provision of this License Agreement or otherwise at law or in equity.
5. **City Option to Obtain Coverage.** During the continuance of an Event of Default arising from the failure of Licensee to carry any insurance coverage required by these Insurance Requirements, City may, in City's sole and absolute discretion, purchase such required insurance coverage. City shall be entitled to immediate payment from Licensee of all premiums and associated reasonable costs paid by City to obtain such insurance coverage. Each amount becoming due and payable to City under this Section 5 that is not paid within fifteen (15) days after Notice from City with an explanation of the amounts owed, will accrue Default Interest from the date incurred until paid. Election by City to purchase or not to purchase insurance coverage otherwise required by these Insurance Requirements to be carried by Licensee shall not relieve Licensee of any Default or Event of Default or Licensee's obligation to obtain and maintain any insurance coverage required by these Insurance Requirements.

Importance: High

Hi Carla,

T-Mobile has updated their comments as discussed in the attached email (titled "Montgomery Waller Risk Management Review...". Several of the changes that were proposed in the previous email have been removed. The current and updated version reflects those changes that T-Mobile feels would put them in breach of the contract if accepted based on the structure of their insurance. As stated in my previous emails, this is a high priority site for Parks and Rec due to the recurring damage due to T-Mobile's equipment whenever it rains. We are hoping to get approval to move forward with executing the agreement. Will you please kindly review the language and confirm whether or not the changes are acceptable to RM? I appreciate your help. Thanks!

Subject: T-Mobile - Montgomery Waller - Temporary Facility - Insurance Review

Hi Carla,

You've previously reviewed the insurance language as indicated in the attached email. However, T-Mobile has proposed additional revisions as attached. This is a high priority site. Due to the rooftop damage that has occurred Parks and Rec wants T-Mobile to remove its equipment from the roof.

This agreement is for a temporary facility, called a Cell-on-Wheels (COW), that will be used while T-Mobile removes its equipment and repairs the roof. The term of the agreement is for 2 years with 3-1 year renewable extensions. I have also attached the current insurance language being used by DREAM. Will you please review as soon as possible and advise as to whether or not the changes are acceptable. The CPL should not apply on this site. This is the last item that needs to be addressed. Thank you very much.
