RE: Site Address: 12225 Spring Canyon RD., San Diego, CA (the "Property")
Site Name: Scripps Ranch

Agreement: Lease Agreement, dated December 19, 2000 (the "Lease") between The City of San Diego ("City") and Airtouch Cellular, a California corporation, ("Lessee").

Dear Ms. Charles,

As part of the continuous effort to keep its network up to date, Airtouch Cellular a.k.a Verizon Wireless would like to perform the following modifications (changes) as described in the attached plans/ drawings, to the site referenced above:

Verizon to install fiber optic lines through existing conduit, The fiber provider will install a new 17" x 30" hand hole and Y intercept to Verizon's existing conduit. All fiber will be within Verizon's existing leased conduit. Pursuant to Section 9.4, Improvements and Alterations of the Lease Agreement, "Lessee shall not construct any improvements, structures, or installations on the Premises, or make any alterations to the Premises (with the exception of equipment replacements or repairs) without City's prior written approval." In order to comply with such requirement, Airtouch Cellular a.k.a Verizon Wireless would like to request City's consent and approval to complete the items described above.

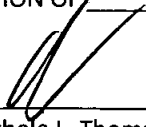

Sincerely,

Jenny Biniasz

Jenny Biniasz, agent for Verizon Wireless

City Water/ Public Utilities department has provided its consent and approval to allow Verizon to perform the proposed modifications described herein.

Hi Enza

We are fine with the attached work. We do need to have access to the driveway 24/7 making sure that it clear and passable by Our City trucks.

Thanks

RE: AT&T Site ID#: SD0343 (East Scripps Ranch) – 10086210 BWE Scope
Site Address: 12225 Sprint Canyon Road, San Diego, CA 92131

Dear Enza:

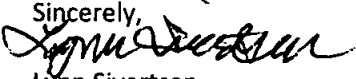

As a courtesy, AT&T would like to inform you of a site change that will take place in the next few months. Due to the ever-changing pace of technology, periodically equipment needs to be modified and/or replaced. The purpose of the modification is to improve cellular traffic capacity for businesses and residents within the surrounding community.

Please accept this correspondence as AT&T's request to modify its site at the above-referenced location. The attached drawings dated 3/3/16 outline the proposed modifications and the scope of work is as follows:

- Remove and replace (3) RRUs and reinstall existing A2 module behind RRUs
- Installation/replacement of equipment within existing equipment room

Please indicate your acknowledgement and consent of the AT&T site modifications by signing below and on the attached drawings. Please sign and return all of the attached documents to me at your earliest convenience in the enclosed self-addressed stamped envelope. If you should have any questions, please do not hesitate to contact me at (858) 663-3593 or lynn.sivertsen@mmtelecominc.com.

Thank you for your assistance in this matter.
