Consent Request and Acknowledgement for Antenna Facilities Modification

Dear Madam:

T-Mobile West Corporation, as successor in interest to Pacific Bell Wireless, LLC, a Nevada Limited Liability Company ("T-Mobile") and THE CITY OF SAN DIEGO ("Landlord"), are parties to a Right of Entry Permit dated March 24, 2011 (the "[LEASE/LICENSE]") for a site located at Whitman Street near Taylor Street, upon which T-Mobile operates wireless antenna facilities.

Pursuant to the Lease, T-Mobile can modify or upgrade its facilities at any time during the term of the Lease after obtaining Landlord's approval. T-Mobile needs to replace and/or upgrade its facilities by installing the equipment described in the attached Exhibit 1. All equipment will be installed within the existing premises. Drawings have been attached separately for your reference of the revisions supporting this modernization.

To confirm your approval of the modifications described in this letter, please sign and date the following acknowledgement and return the signed letter to T-Mobile via email to ddgardner@cox.net.

If you have any questions, please contact Debra DePratti Gardner, DePratti, Inc., at 619-726-8110. Thank you for your cooperation and attention to this matter.

Sincerely,

Kirt Babcock
Engineering Development Manager
T-Mobile West Corporation

The Development Services Department has approved a Process 1 SCR for this project. The SCR was determined to be consistent with the objectives, standards, guidelines and/or conditions of the previously approved Permit.

The approved modifications include three replacement antennas with the following dimensions: 56" by 12" by 7.9". These replacement antennas shall be painted to match the existing light standard and may require side and bottom skirts upon final inspection to appropriately conceal any exposed brackets and conduits. The requested changes to the previously approved Exhibits "A" for this project have been determined to be consistent with the general intent, terms and conditions of the previous approval (identified above) as well as any other applicable regulations, development standards and guidelines of the Municipal Code in effect for this site. All applicable and relevant conditions and findings of approval as specified in the previous approval shall remain in full effect for this site, unless otherwise specified by the Development Services Department.
