City Consent Application

For installation / modification of Telecommunication antenna facility on City owned property

21-Mar-19

Date

The City of San Diego
Real Estate Assets Department
1200 Third Avenue, Suite 1700
San Diego, California 92101

RE: Site Name: Naval Hospital Project #
Site Address: 2145 Park Boulevard, San Diego (the "Property")
Agreement: Agreement dated October 22, 2013 (the "agreement") between The City of San
Diego ("City") and Verizon Wireless (VAW) LLC ("Lessee" or "Permittee").

Verizon Wireless is seeking Consent from the City to perform the following to the above

Applicants Name/Company
referenced site:

☒ Modify, upgrade or changes to existing equipment or Site as describe in the attached plans /
photos.

☐ Installation of a New Wireless Communication Facility on City owned property.

☐ Apply for new Permit/New Agreement on existing facility - **NO** modifications or changes to
Existing equipment or site.

Describe proposed project below:

Replace six (6) of the existing antennas. Relocate three (3) RRU's from the equipment room to locations adjacent to the antennas. Install three (3) new RRU's adjacent to the antennas. Install four (4) new RayCaps - two (2) in the equipment room and two (2) adjacent to the antennas. Install one (1) new Power/Fiber Hybrid Cable.

Remove one (1) existing LTE Radio Cabinet. Install one (1) new Radio in an existing Rack. Install one 3/4 HP exhaust fan adjacent to the antennas. Install two (2) louvered vents to serve the exhaust fan - one (1) 24" x 38" and one (1) 24" x 40".

Pursuant to Improvements and Alterations, section of the above referenced agreement, "Lessee / Permittee shall not construct any improvements, structures or installations of the Premises or make any alterations to the Premises (with the exception of equipment replacement or repairs) without City's prior written approval."

In order to comply with such requirements, Verizon Wireless would like to request City's consent to submit to Development Services Department for review of the proposed items above.

Sincerely, Rodney Philhower, agent for Verizon Wireless

Applicant Signature: _____

☐ A one-time, **non-refundable Processing Fee** (\$4,920 for long term agreements - \$980 for Short term or ROE Permits) payable to "City Treasure", MUST be paid within 1 week of feasibility walk. This fee applies even if the agreement is never executed.

City Parks and Recreation Department has provided its consent and approval to allow applicant to submit application for Required Permits needed for the proposed items listed herein, with the understanding that the Department will be allowed to review the improvement plans prior to any permits being issued and that a pre-construction meeting will be conducted with staff before any work begins, if required.
