Property Agent | Telecommunications Division
1200 Third Avenue, Suite 1700, San Diego, CA 92101

RE: Telecom Master Lease Agreement between The City of San Diego and Nextel of California, Inc. and Sprint PCS Assets LLC (Sprint Nextel or Tenant), dated January 8, 2007 (Site Agreement), with respect to the real property located at 10907 Scripps Poway Parkway/Spring Canyon Park, San Diego, CA 92131, City ID No. 1620RD/002/A00, Cascade No. SD03XC022

Dear Ms. Morero:

This letter is to advise you that it will be necessary within the near future for Sprint Nextel to make certain physical modifications to equipment within Tenant's premises at the Site. These improvements are being undertaken in order to ensure the continued technical and economic feasibility of Tenant's facility, and are needed for Tenant to make optimal use of the Site for the purposes intended by the Site Agreement. As described below, these modifications should have no significant impact on Landlord's property or operations. However, in accordance with the Site Agreement, Tenant requests that Landlord acknowledge notice of, and consent to, the following modifications:

Swap out of obsolete electronics cabinets, antenna and other equipment at the site. This may include replacement of cabling and mounting apparatus and the temporary redundancy of equipment within the leased area necessary for testing of the new equipment for up to 12 months.

Landlord's acknowledgement of notice and consent will not increase the size or amount of space being used by Tenant under the Site Agreement unless specifically stated above.

Please indicate your acknowledgement and consent by signing below and returning one copy of this letter to me at the address set forth above.

Thank you in advance for your prompt attention to this matter.

Regards,

ACKNOWLEDGED AND AGREED TO:
