RE: Leases (as amended, the "Leases") by and between The City of San Diego, as landlord, and AT&T Wireless Services, Inc., as tenant or successor tenant to GTE Mobilnet of San Diego, Inc., and/or GTE Wireless of the Pacific, Inc., for sites SD-371, SD-388, SD-426, and SD-427, (collectively, the "Sites")

Gentlemen and Ladies:

On October 26, 2004, AT&T Wireless Services, Inc. and Cingular Wireless LLC completed a merger (the "Merger") in which AT&T Wireless Services, Inc. became a wholly owned subsidiary of Cingular Wireless LLC. As part of this transaction, the name AT&T Wireless Services, Inc. was changed to New Cingular Wireless Services, Inc. (please note that that the name of the tenant changed, but the tenant continues to exist).

Prior to the Merger, on or about June 16, 2000, AT&T Wireless Services, Inc. (together with its affiliates and subsidiaries) entered into a definitive agreement (the "Purchase Agreement") with GTE Wireless of the Pacific, Inc., successor-in-interest to GTE Mobilnet of San Diego, Inc., and GTE Wireless Incorporated (collectively "GTE Wireless") in which GTE Wireless transferred its interest in, and rights and obligations under certain agreements, including the Leases referenced below to AT&T Wireless Services, Inc.

<u>Cingular Wireless Reference</u>	<u>City of San Diego Reference</u>
SD-371 (Paradise Mesa Standpipe)	Lease ID: 10000058668
SD-388 (West Rancho Penasquitos Park)	Lease ID: H509RU/003/B00
SD-426 (North Torrey Pines)	Lease ID: Street/467/B00
SD-427 (South Torrey Pines)	Lease ID: Street/468/B00

Please note that New Cingular Wireless Services, Inc., formerly known as AT&T Wireless Services, Inc., successor-in-interest to GTE Wireless remains the tenant, as applicable, under the Leases and continues to remain liable for all of the obligations of the tenant under the Leases. New Cingular Wireless Services, Inc. will continue to use the Sites in the same manner as prior to the Merger and will continue to hold all licenses, permits and approvals necessary to operate the Sites.
